**In the Rain**

My son and I  
were  
stranded...

Let's go in  
there and wait  
for the rain to  
stop.

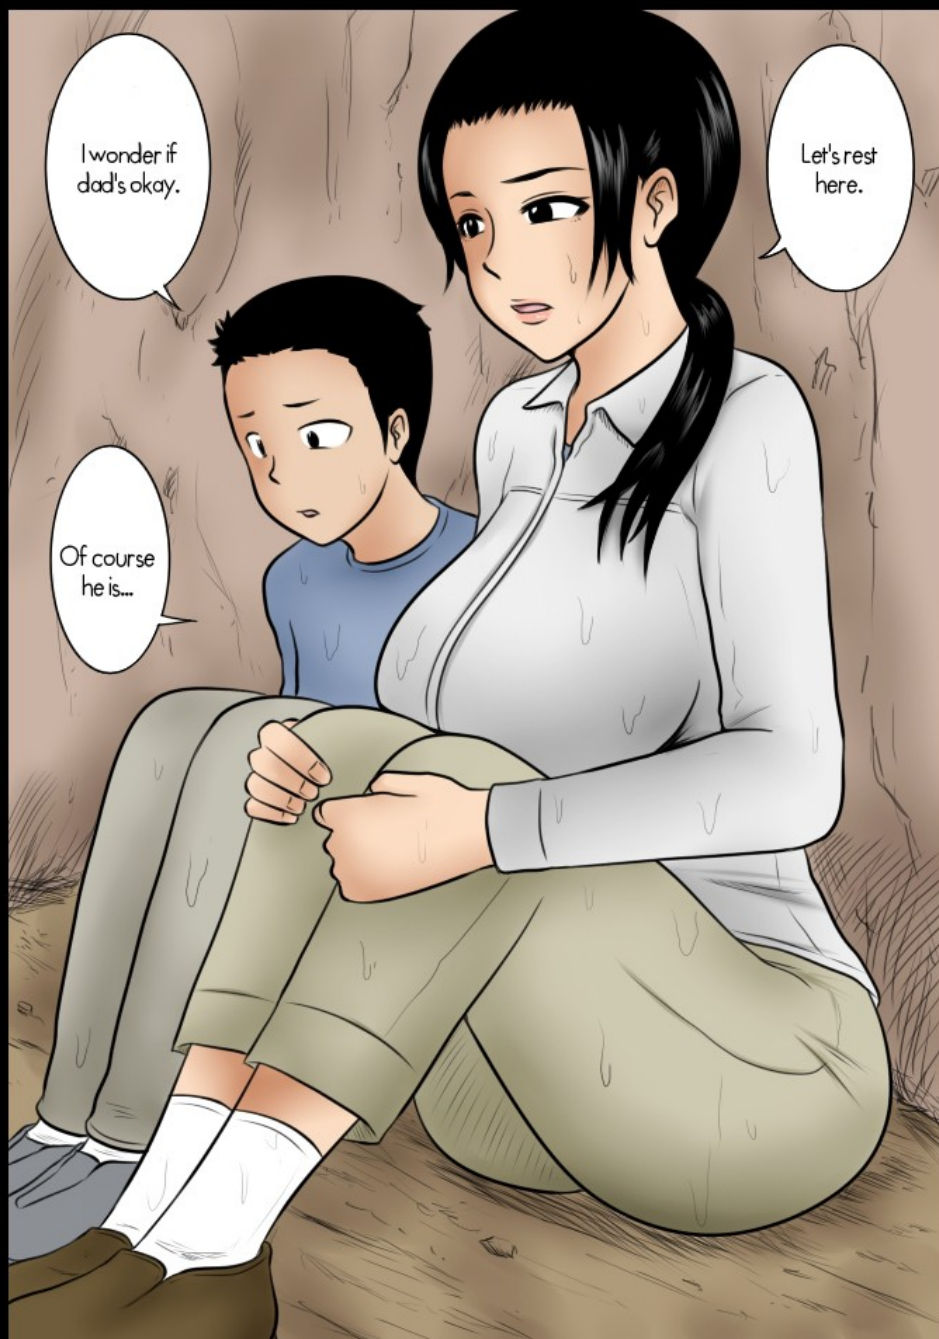

As we  
were  
running  
we lost  
track of  
my  
husband...

The  
mountain  
weather  
changes  
so easily;  
it really  
started to  
pour.

We went  
on a  
mountain  
hike for our  
vacation.

Your  
father's  
resting  
somewhere,  
too.

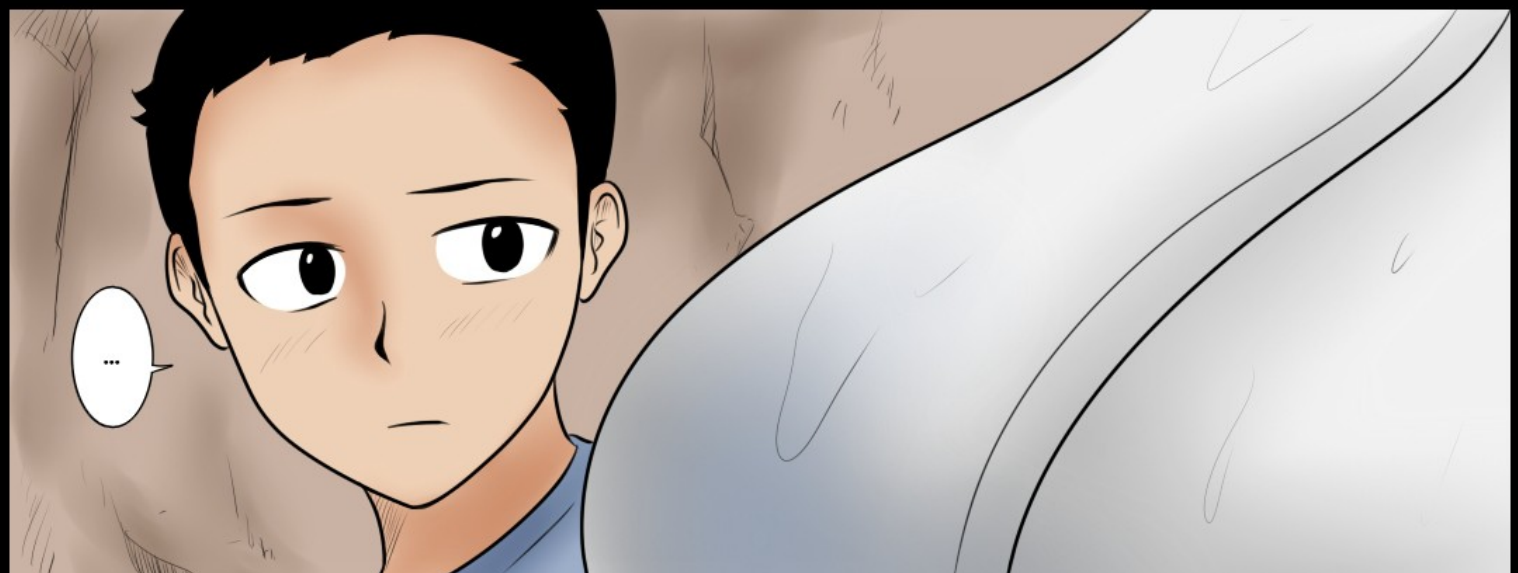

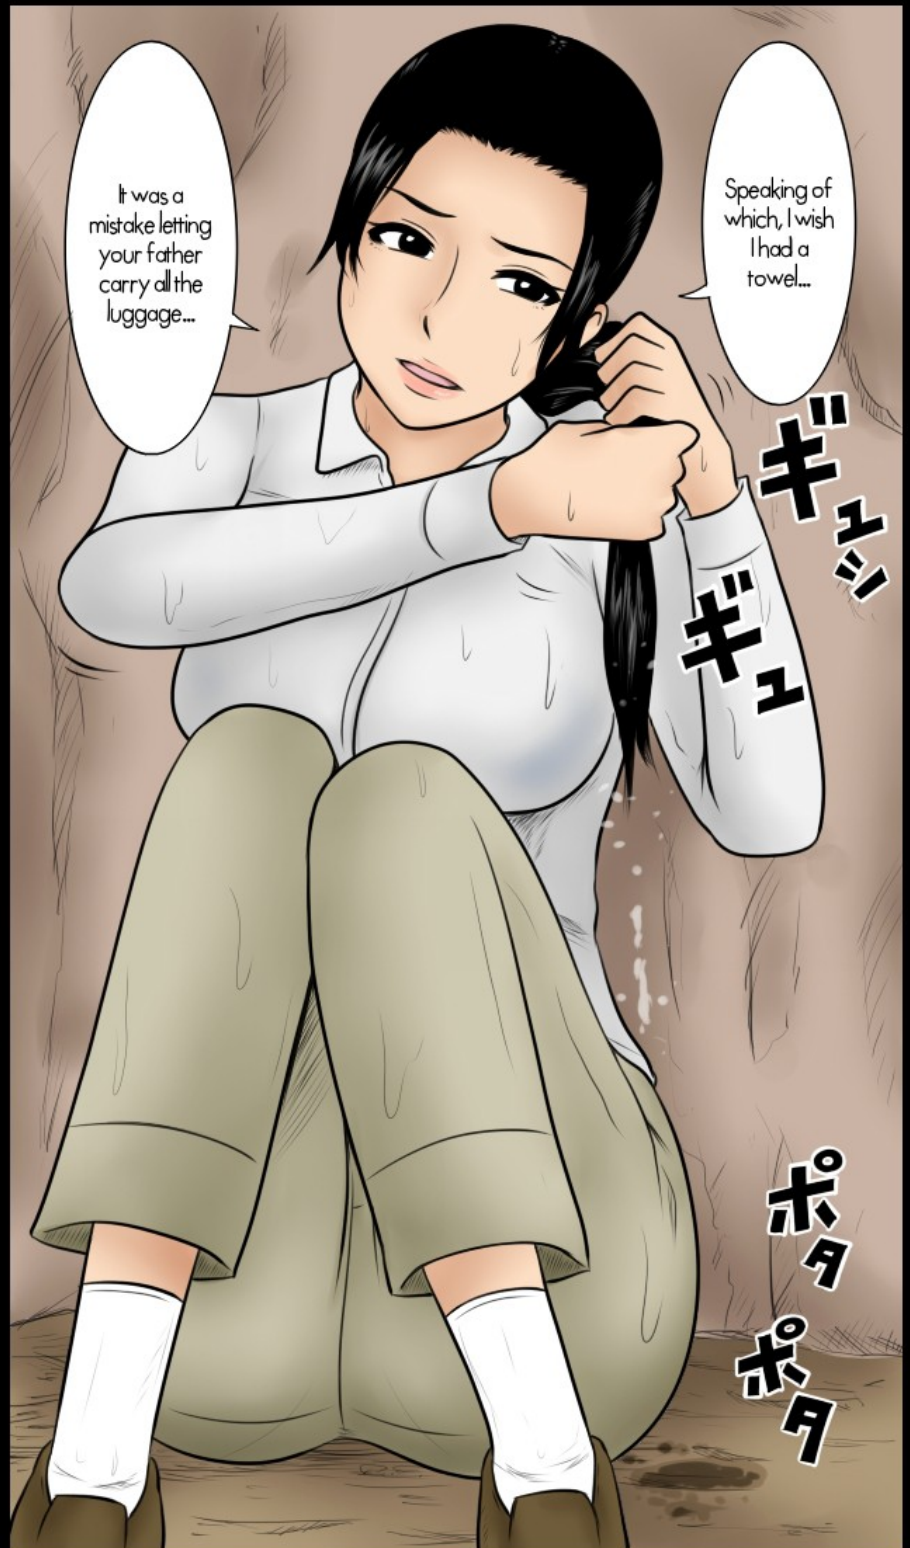

I wonder if  
dad's okay.

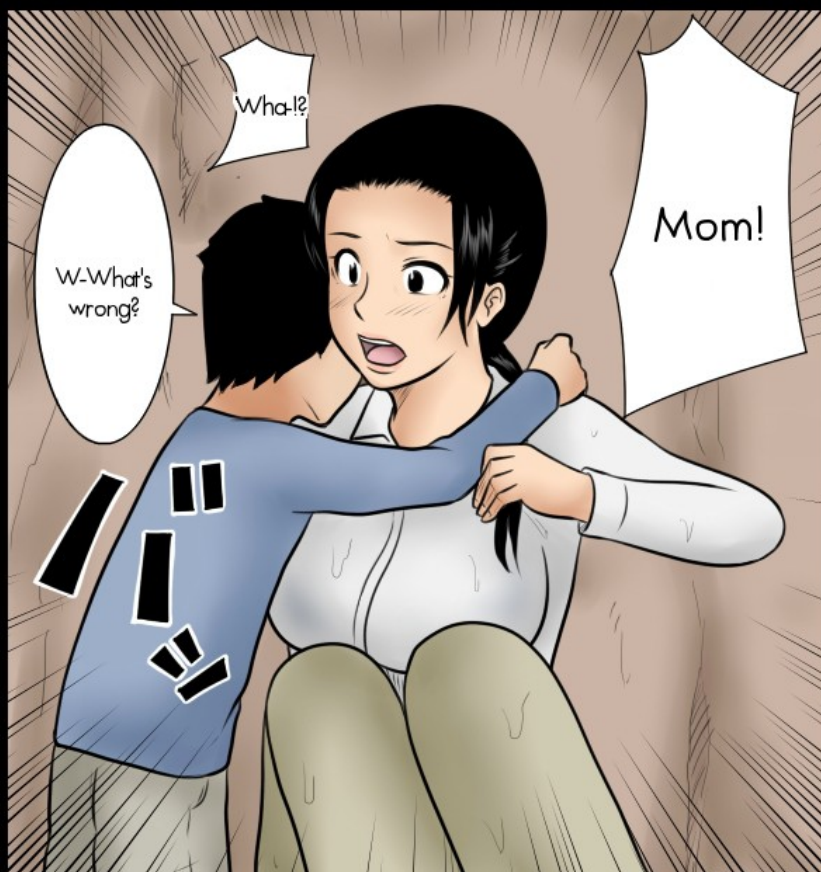

Let's rest  
here.

Of course  
he is...

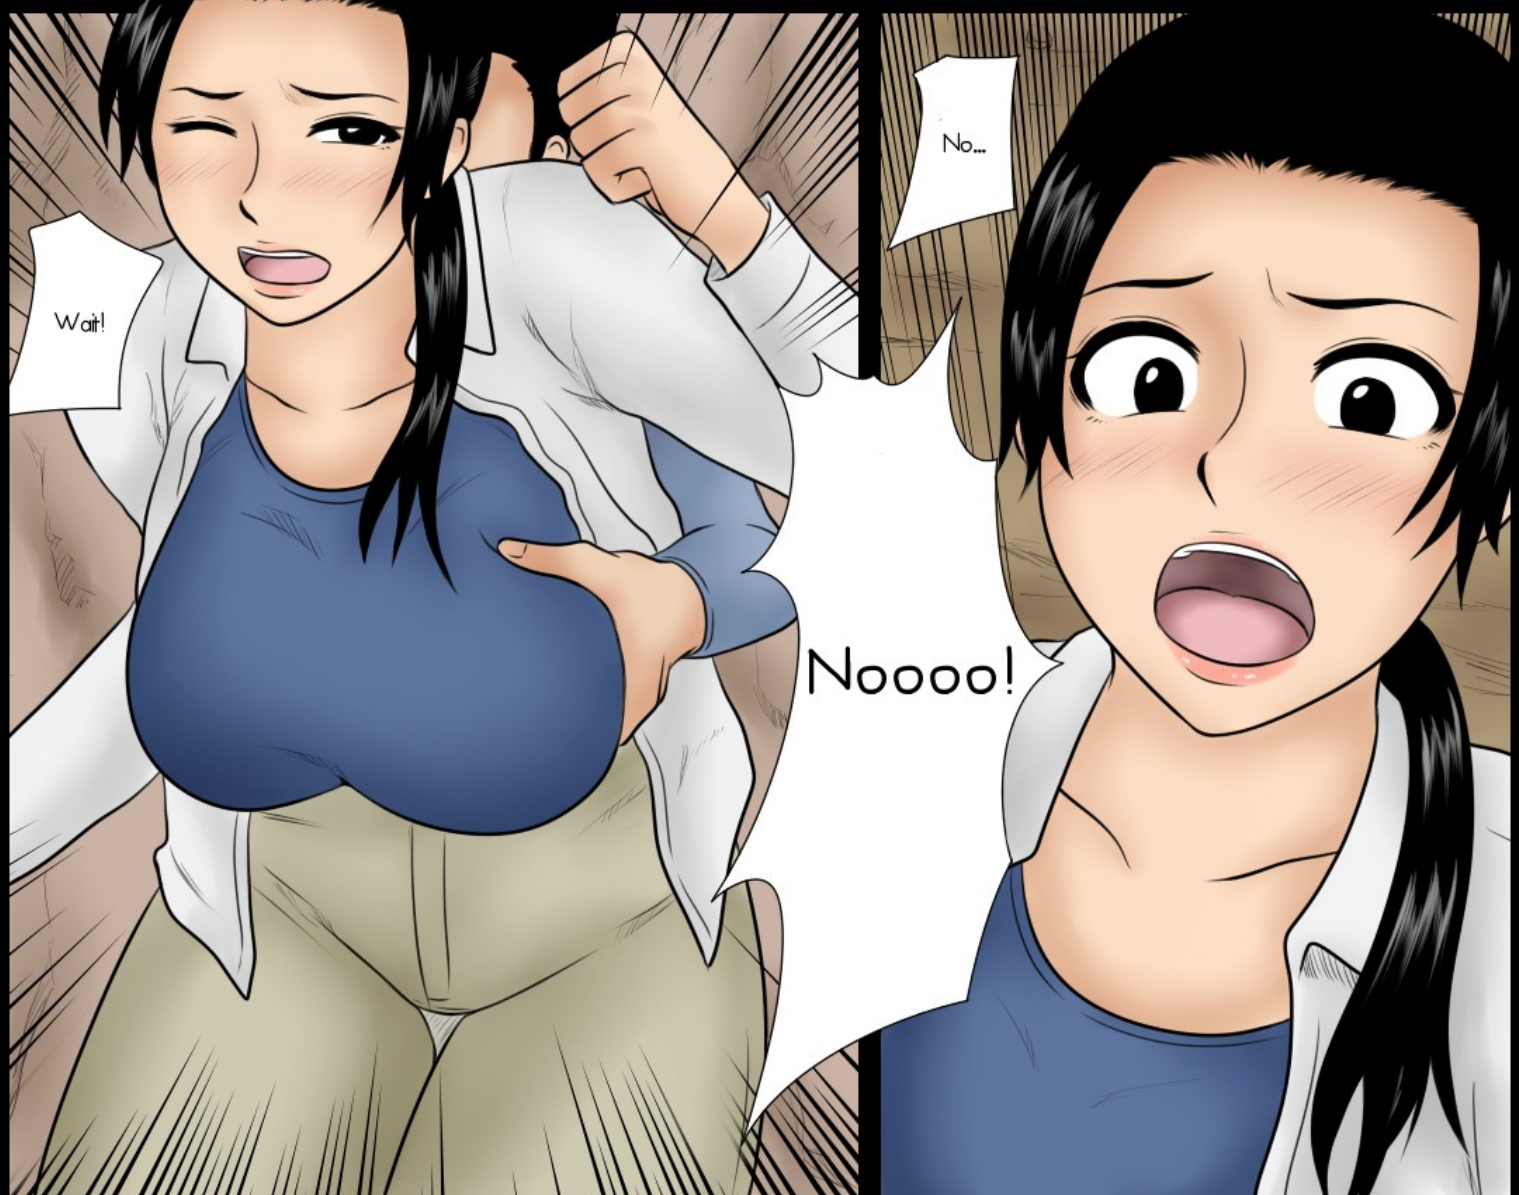

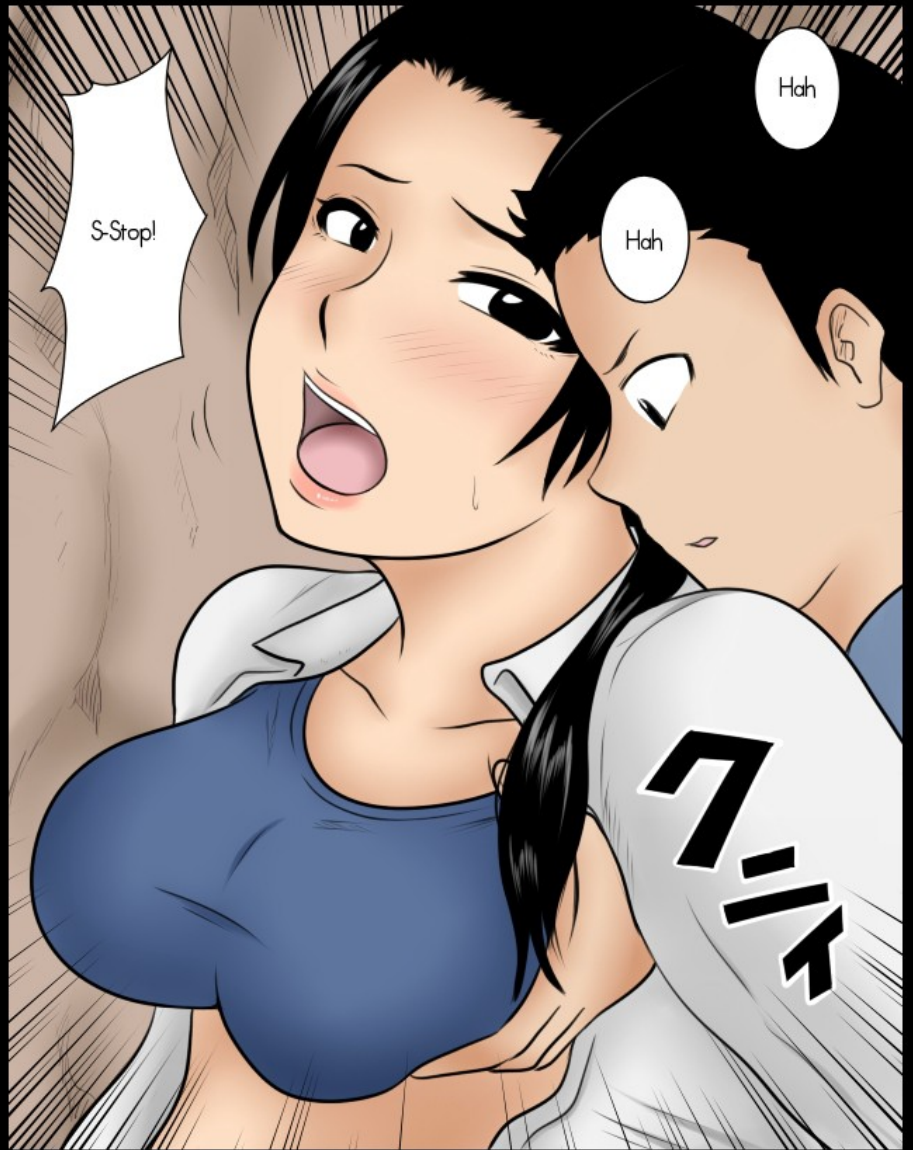

Yeah...

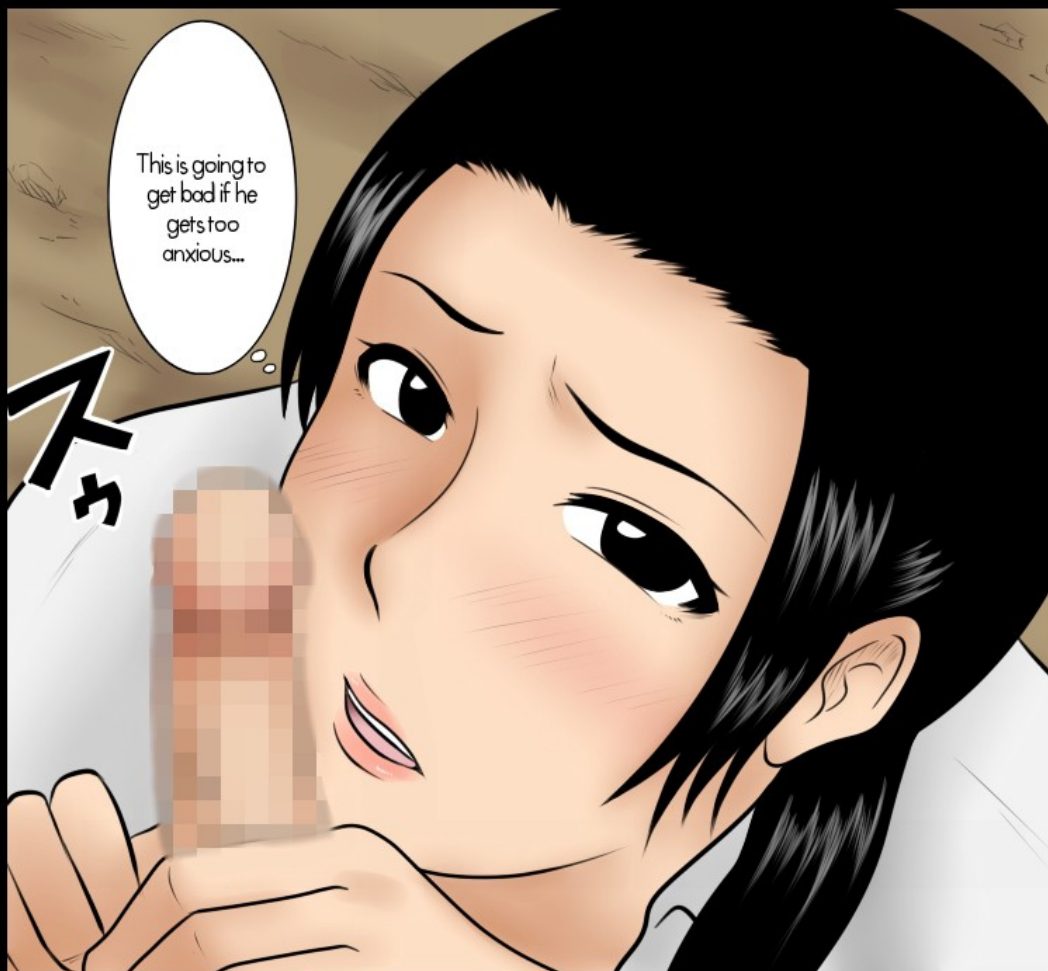

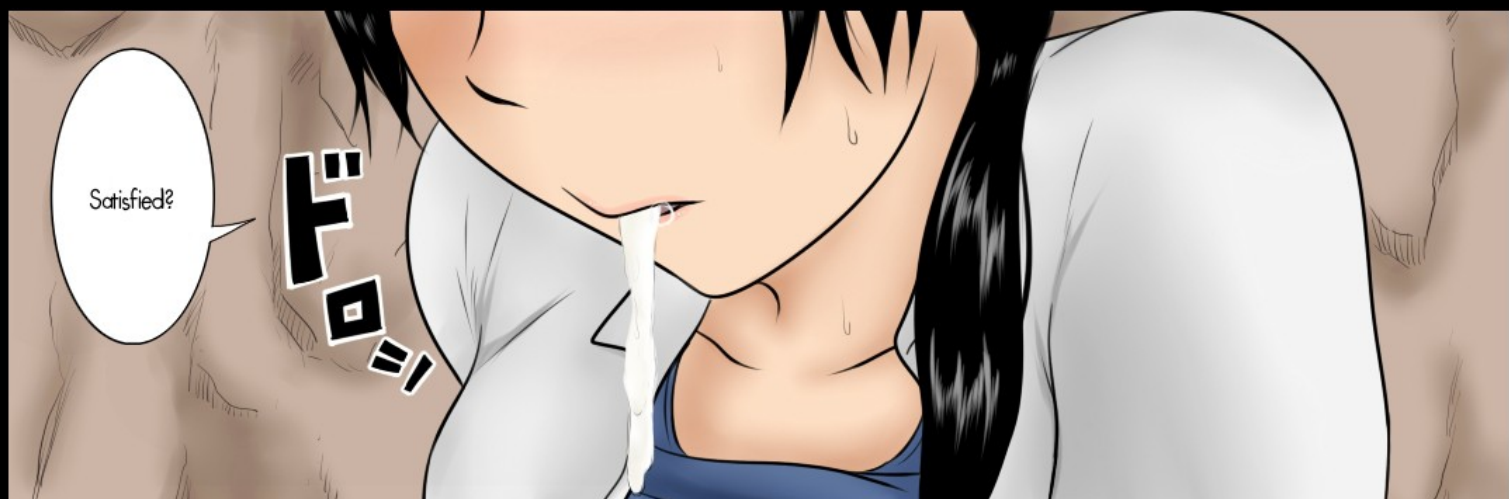

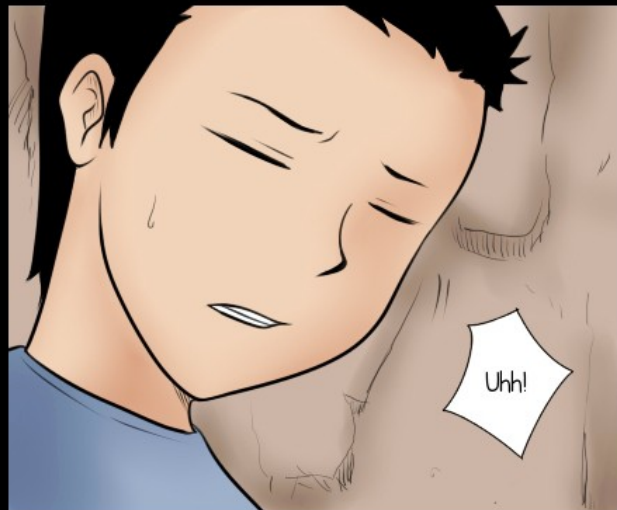

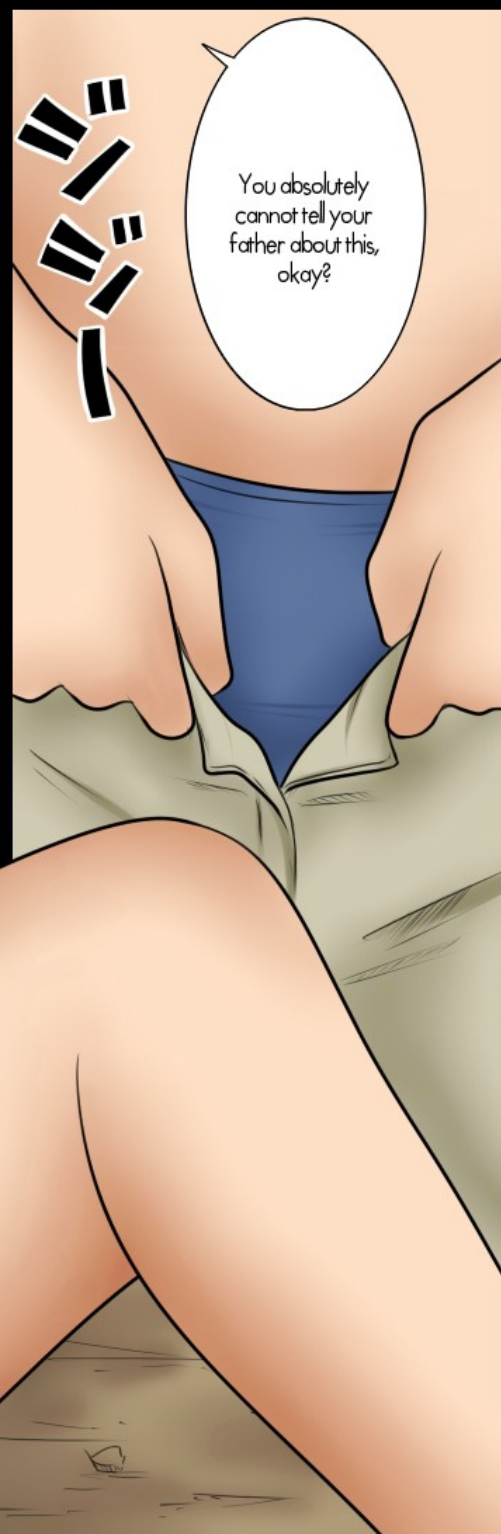

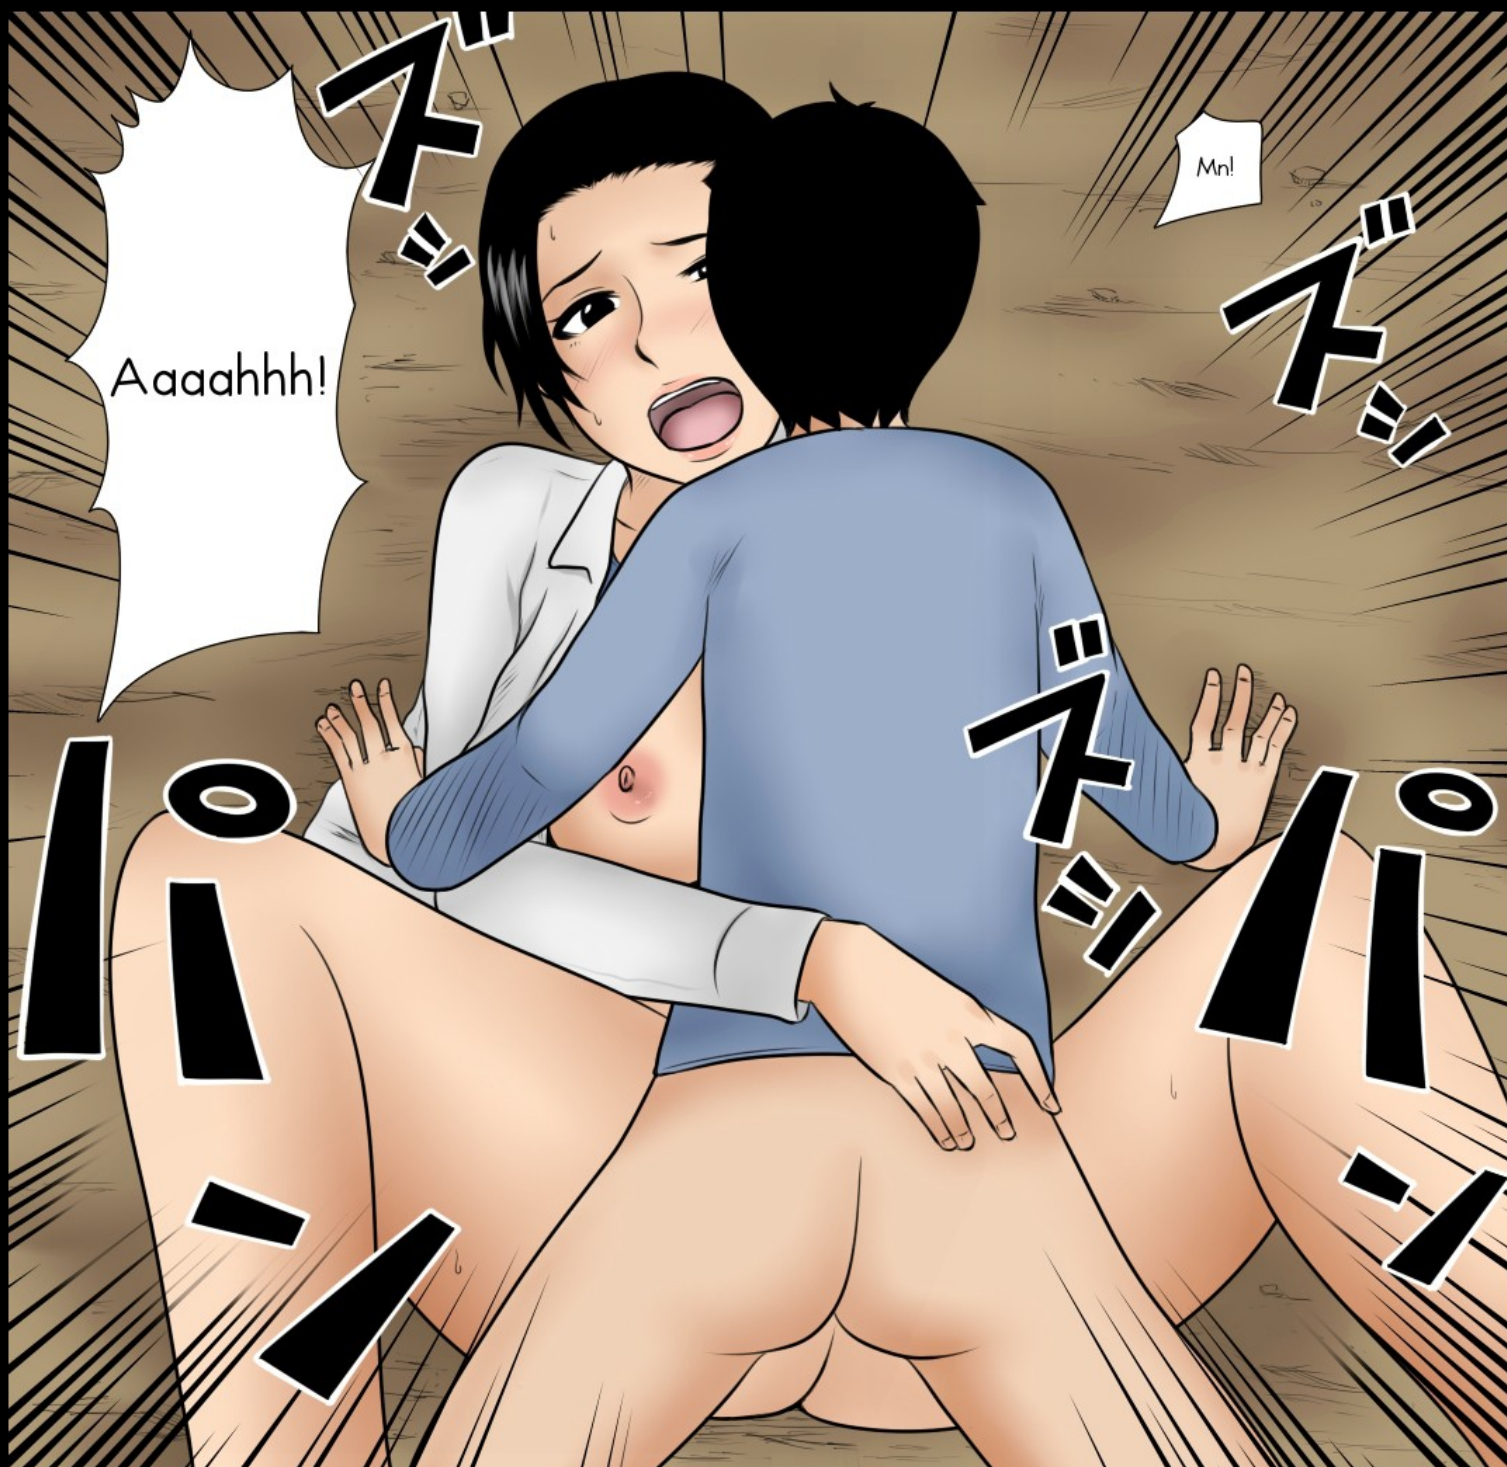

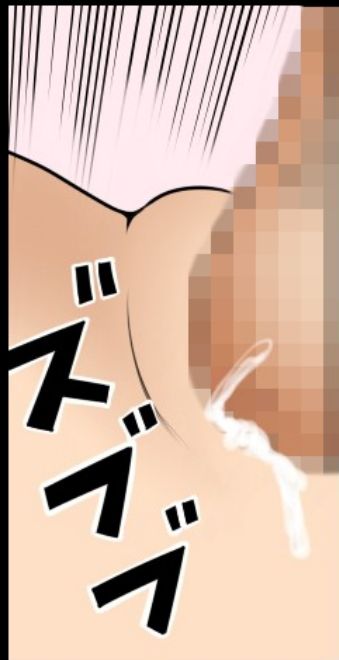

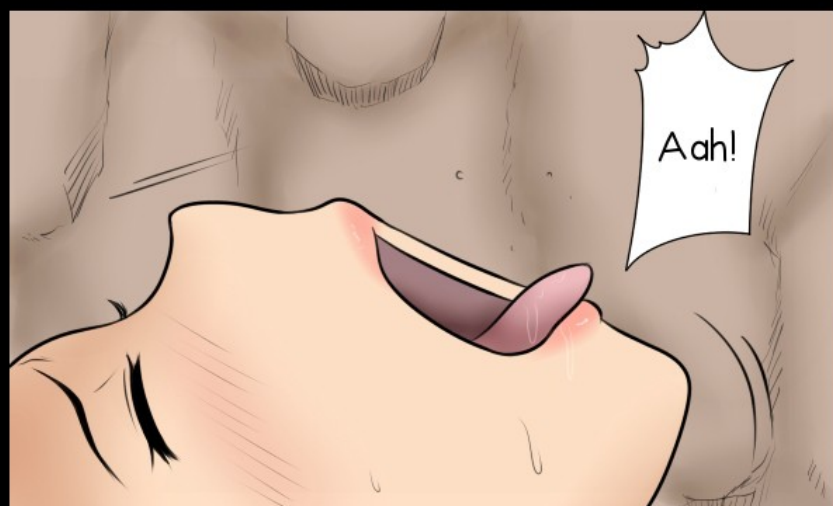

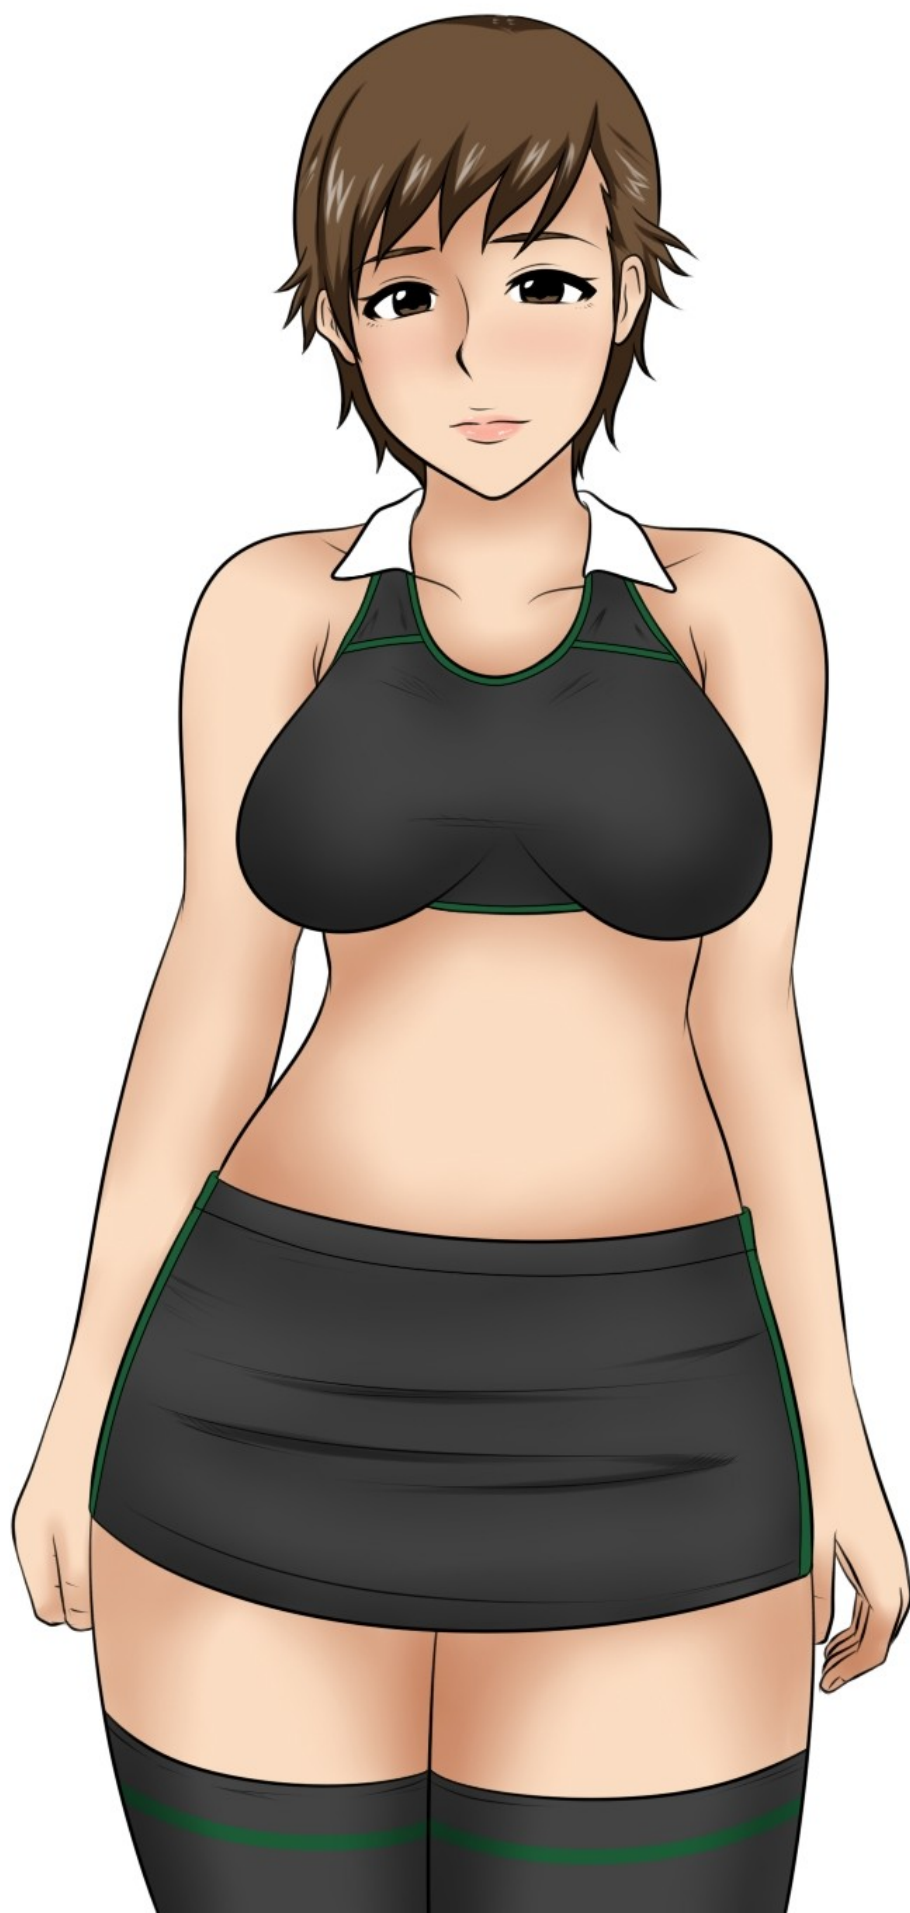

Ah!

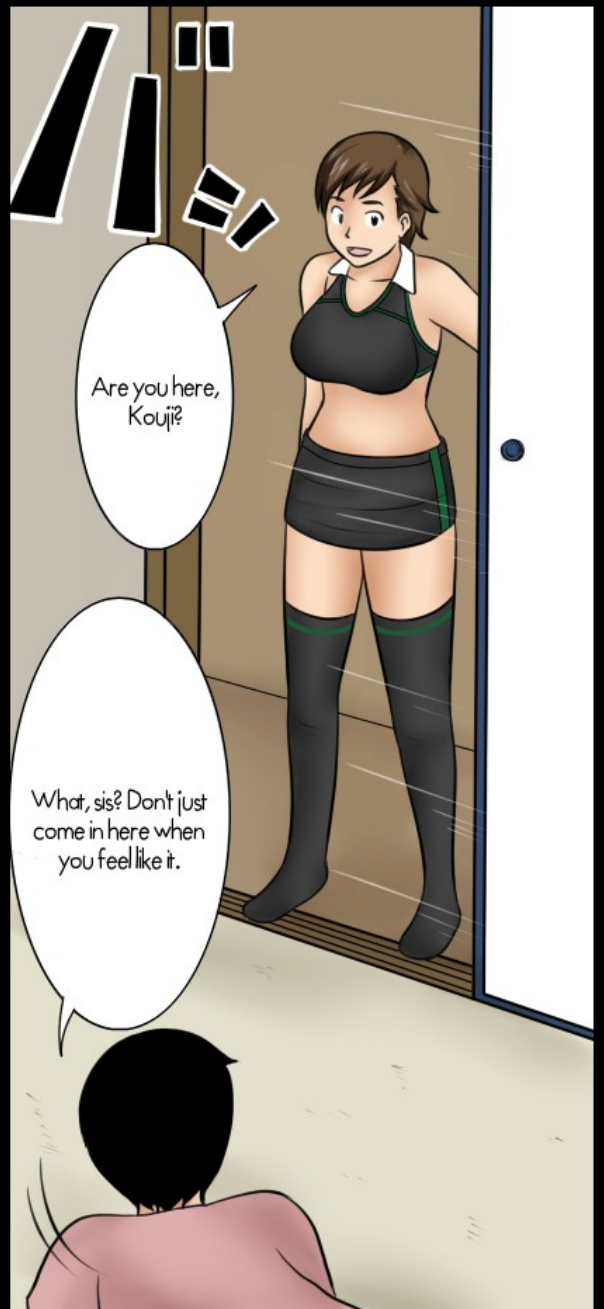

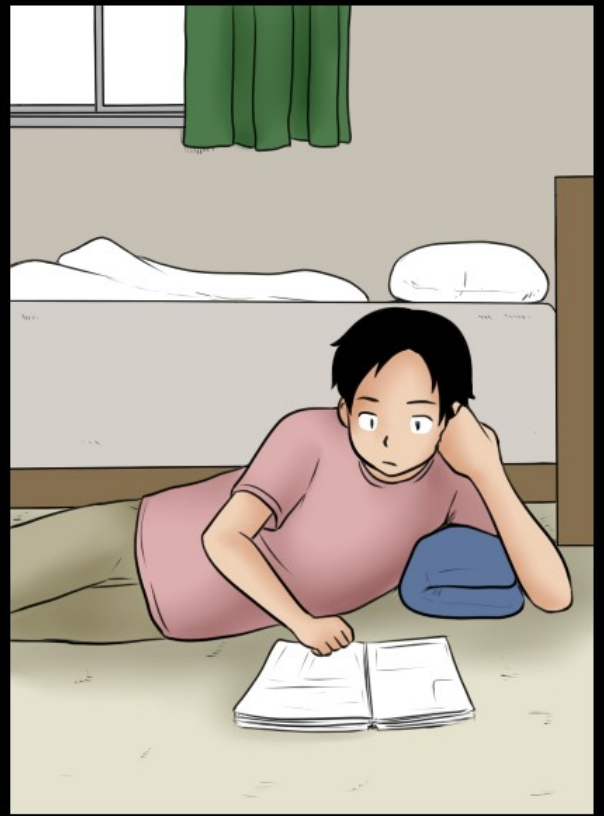

Aaaahhh!

You're big sis  
wants to feel  
good, too.

Hey... you can  
still do it, right?

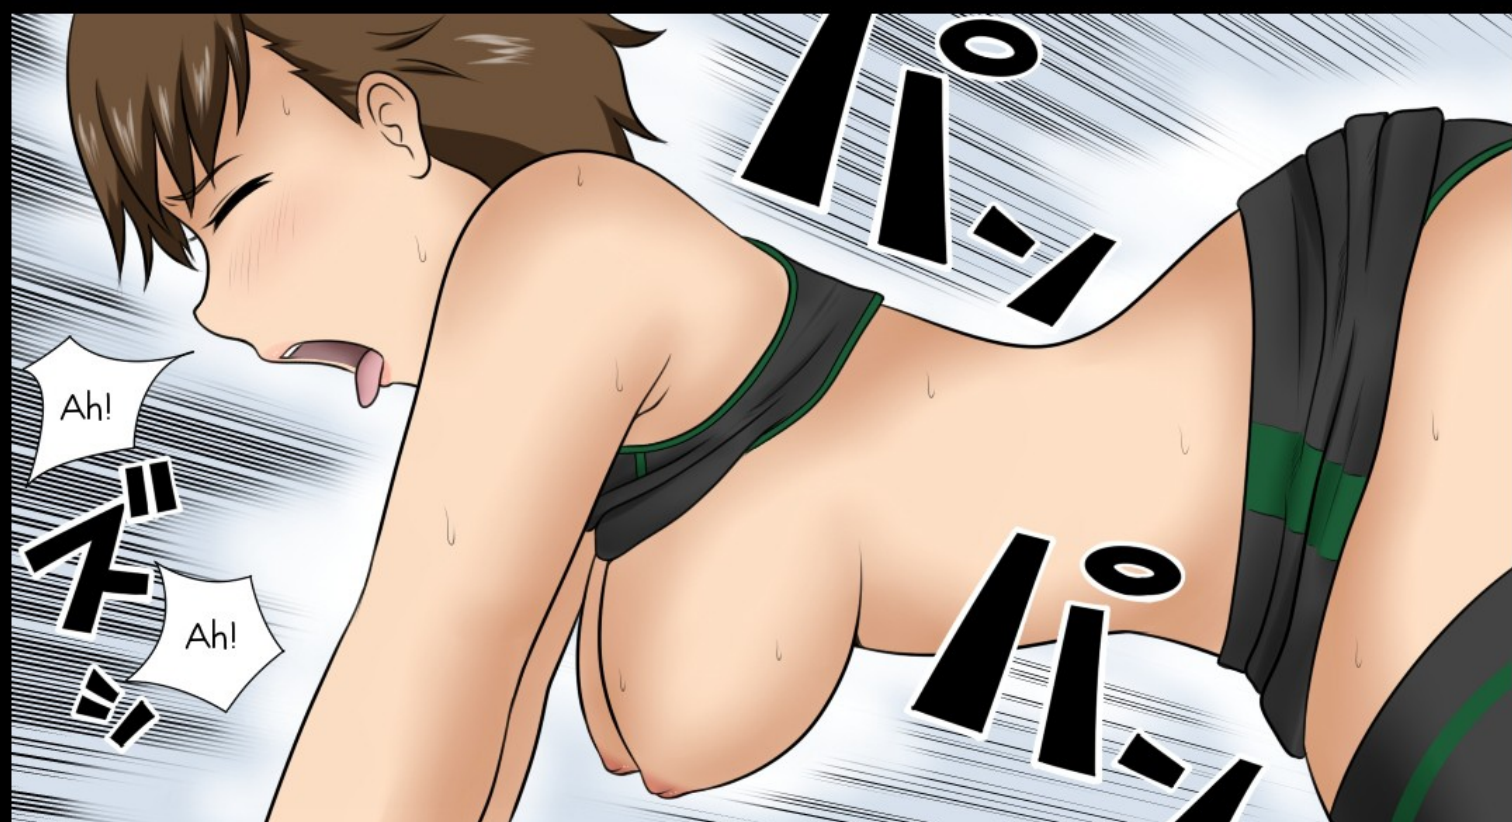

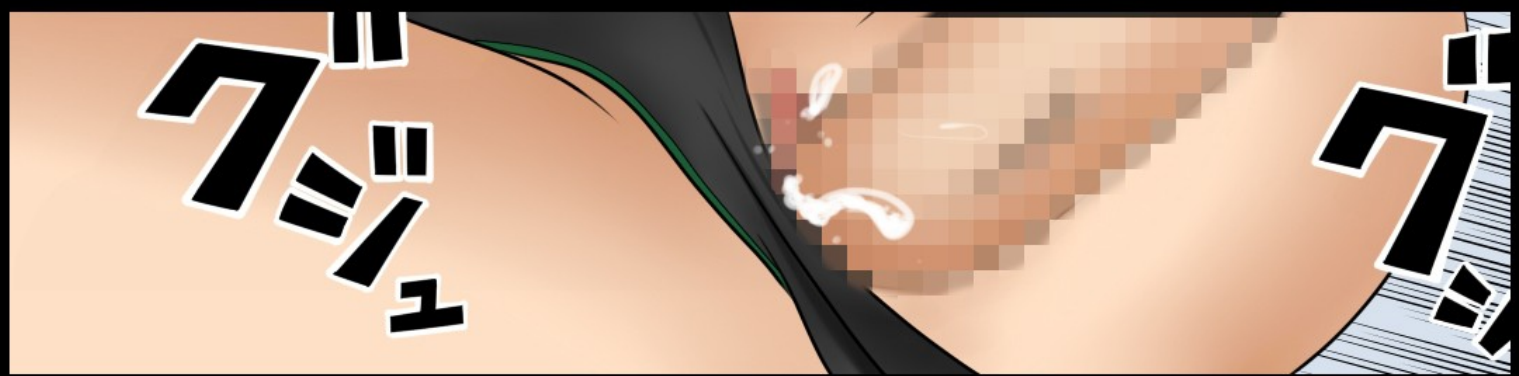

...

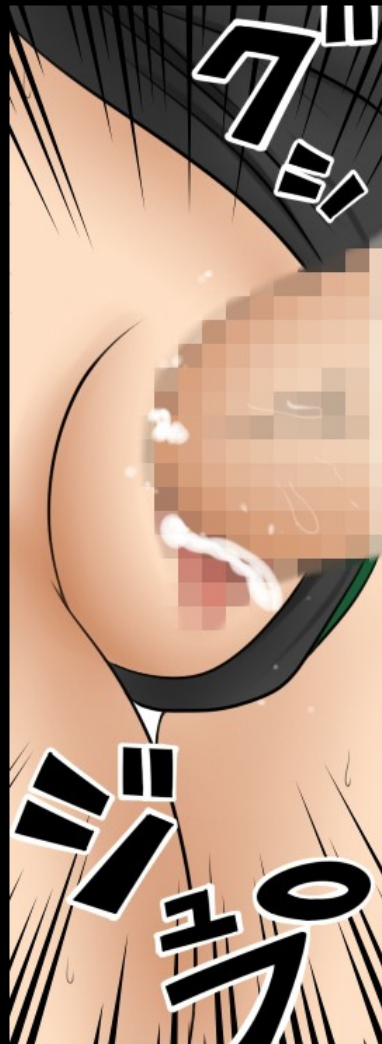

アッ、

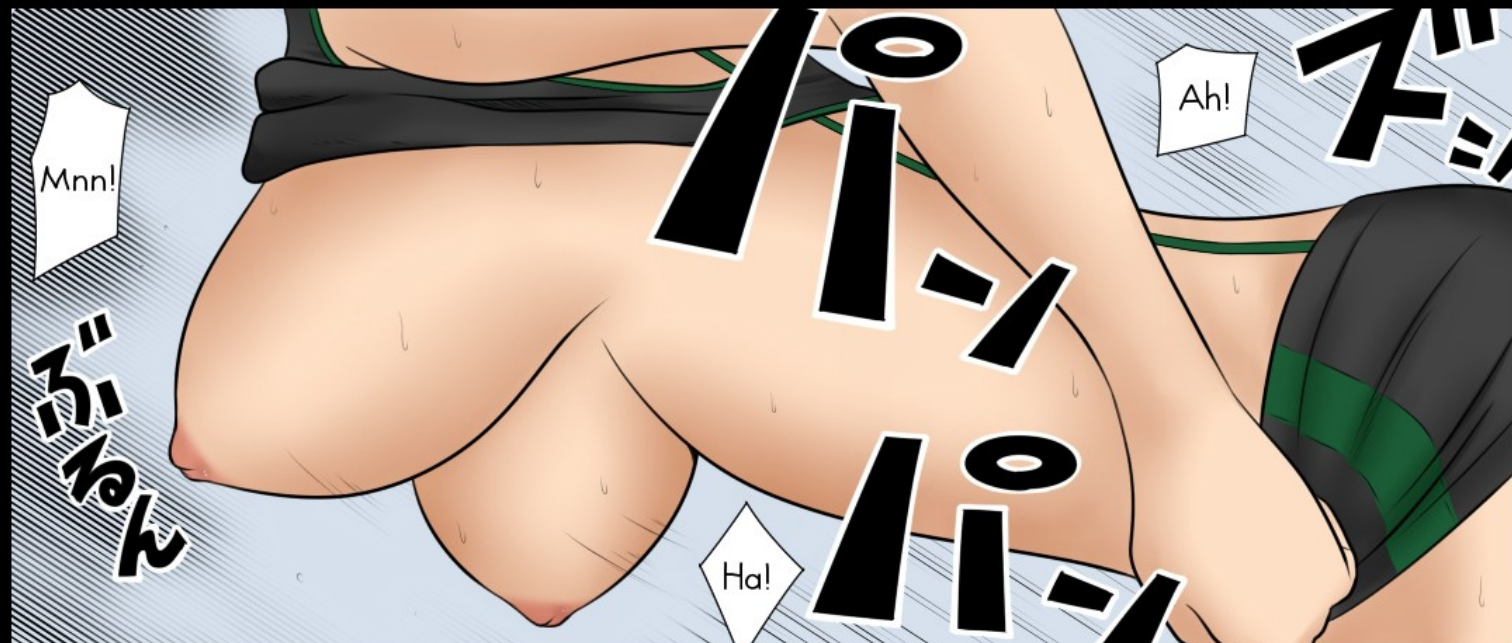

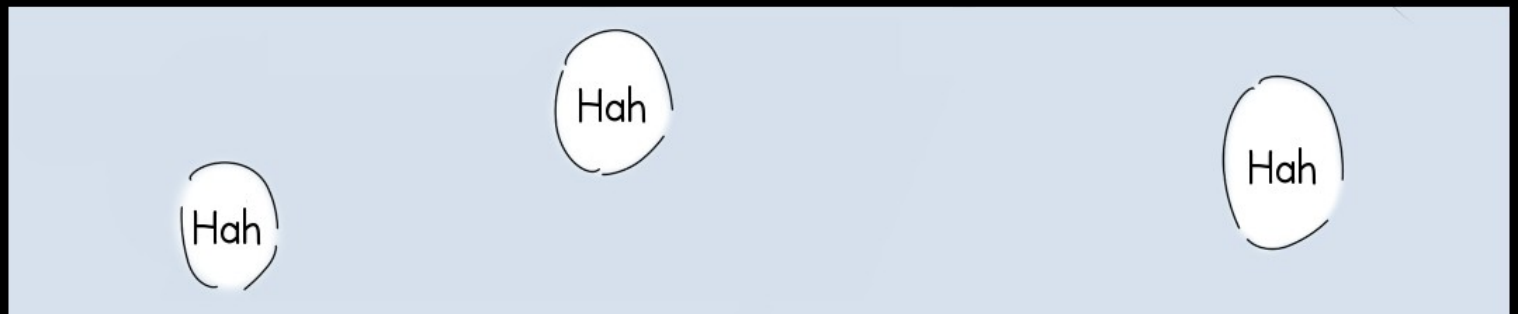

Hey.

I have this  
one, too...

Wanna  
test it out?
