

It's going to be an irregular two on one tag-team match!

Thank you all for waiting! Now, as for our next match...

Is everyone ready?

He-he... I wonder how long they will last now that their male parts are this sensitive!

Irregular Tag-Team Match (No Restrictions Fight)

- > The one who can't shoot out anymore semen loses.
- > Use of any tools is strictly prohibited.
- > The Fight continues outside the arena with no restrictions.

(!) Nevertheless, if one member of a two-member team can't cum anymore, the entire team loses the match.

We can return home together, okay?

Onee-chan!

I'll go first, alright?

Don't worry! I'll make sure...

Alright...

That being said, she is a grown woman and she seems to be quite used to this kind of things...

I see I will have to deal with the younger sister now, huh?

She's at loss right now, so her guard must be down!
