AGNER DANGER DANGER DAN

BEWARE!!

ATTENTION

This series, Saint
Margareta Gakuen Black
File...

Will escalate to
extremely hardcore images!!!

This will be an extended series showing the total
destruction of the protagonist...

Regular readers will be
unable to put the book down!!!

However, if you find it difficult to read
you should cancel your subscription immediately!!!

AGNER DANGER DANGER DAN

And yet...
she still offers
her body to be
branded with
these foreign
words that
she does not
understand...

Disposal
Approved

In this
country...
her training
carries an
implicit wish
for her
death.

They are called
to the "Punish-
ment" room, a
large room
approximately
40 meters
square...

It is a
comprehensively
equipped
training room
with equipment
that is
additional to
the minimum
required by
regulations.

She is
fundamentally
confined
to this room.

In this room
she will spend
the remainder
of her life
devoted to
extreme
torture.

The details
of this
execution
will be
broadcast
worldwide.
From now on
the slave to
be executed
will have no
privacy.

From the
moment she
enters the
room, she
faces her
death.

Being here is
not living, it is
merely a
prolonged
execution.

WE
GUARANTEE
YOUR SAFETY
IN THIS
COUNTRY...

YOURS, AND
THAT OF YOUR
"YOUNGER
SISTERS"...

ONE YEAR
UNTIL IT'S
OVER!

IF YOU
SURVIVE
THIS YEAR,
THEN YOU
WIN...

What will take
place now is
absurdly
bizarre
training
for a public
execution...

Training that is
backed up by
extreme wealth
and medical
expertise.

The torturers
are twins,
daughters of
a certain
exceptionally
rich
individual
who have a
natural
talent for
sadism...

WE ARE
GOING TO
TRY EVERY
POSSIBLE
FORM OF
TORTURE
ON YOU.

FOR THE
NEXT YEAR
YOU WILL BE
OUR TOY TO
SATISFY
OUR LUST
FOR
TORTURE...

Vital Statistics
Bust: 217cm
Clitoral Diameter: 56mm
Currently a virgin,
due to scheduled
training.

Juvenile Record
of the
Disposed Student.

3rd year of
High School,
Class C.

Manchella
Amurada
Nishimura.

file:1 [Beginning]

Baby girls who cannot be accommodated by society are generally disposed of as soon as they are discovered...

Essentially, she was living on borrowed time.

In her home country, the population explosion is a major social problem...

This is a case of studying abroad.

IF YOU SURVIVE AT THIS JAPANESE ACADEMY UNTIL YOU GRADUATE, YOU WILL BE ABLE TO SAVE YOUR CUTE LITTLE SISTERS AS WELL...

Study Abroad Contract

Using her half Japanese blood from her father's side, she accepted the conditions of the contract.

Now Japanese, she entered St. Margareta Academy as an exchange student, and thus escaped her impending death...

HOW DO YOU LIKE THAT, MANCHELLA?

IF YOU CAN KEEP THIS PROMISE, YOU CAN BECOME A JAPANESE BEFORE YOU ARE KILLED HERE...

And if she were to die while she was enrolled there...

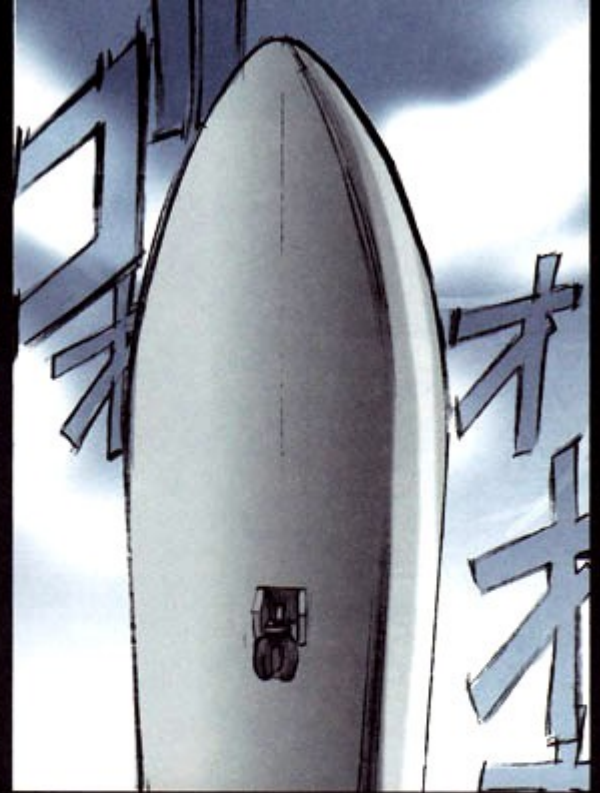

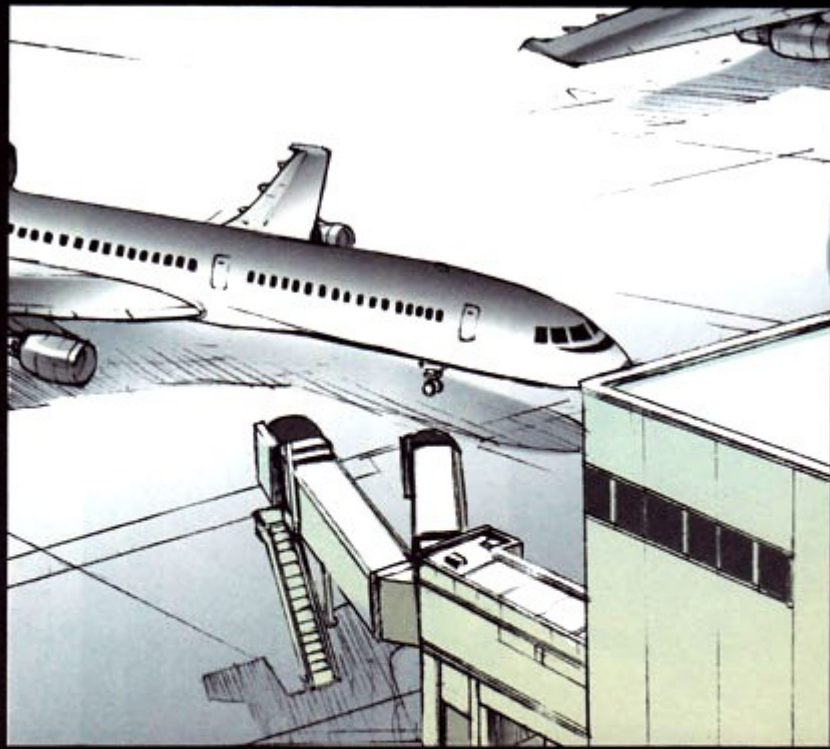

Then it would automatically fall to her younger sisters to come.

Once she became a student at St. Margareta Academy she would be able to save the lives of herself and her 5 younger sisters if she was able to graduate...

HEY! KEEP WALKING!

There was one rule in the contract above all others...

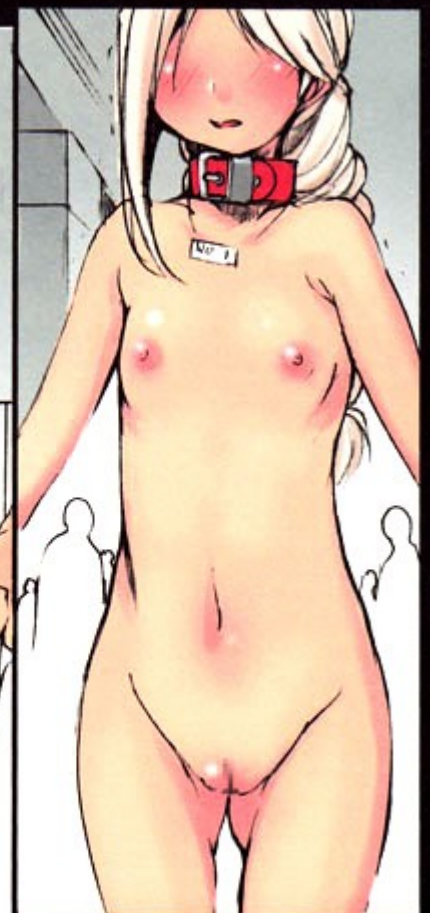

"Survive".

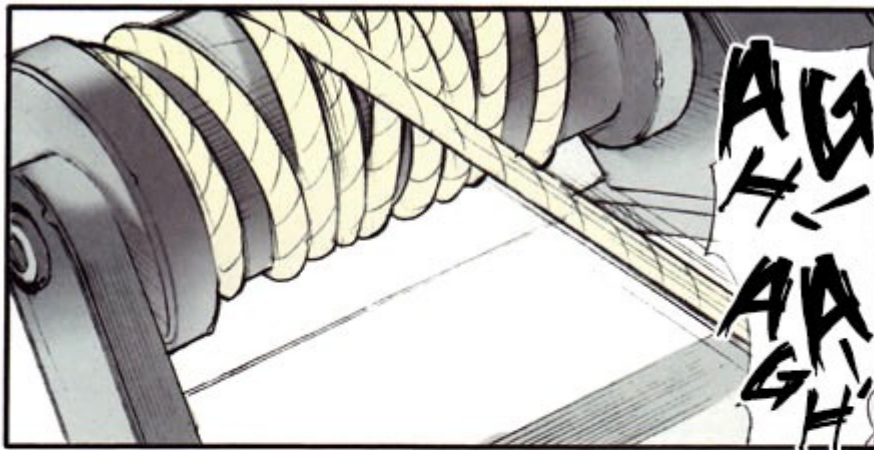

DON'T
LOOK
BACK...!

In a country
whose language
she didn't
understand...
From this day
forth she would
live as a sex
slave.

And so,
8 years
ago...
She came
to our
country
without
even a
thread on
her back.

8 years passed until the present day.

Operation One: Stretching Punishment

Her arms and legs were spread and bound.

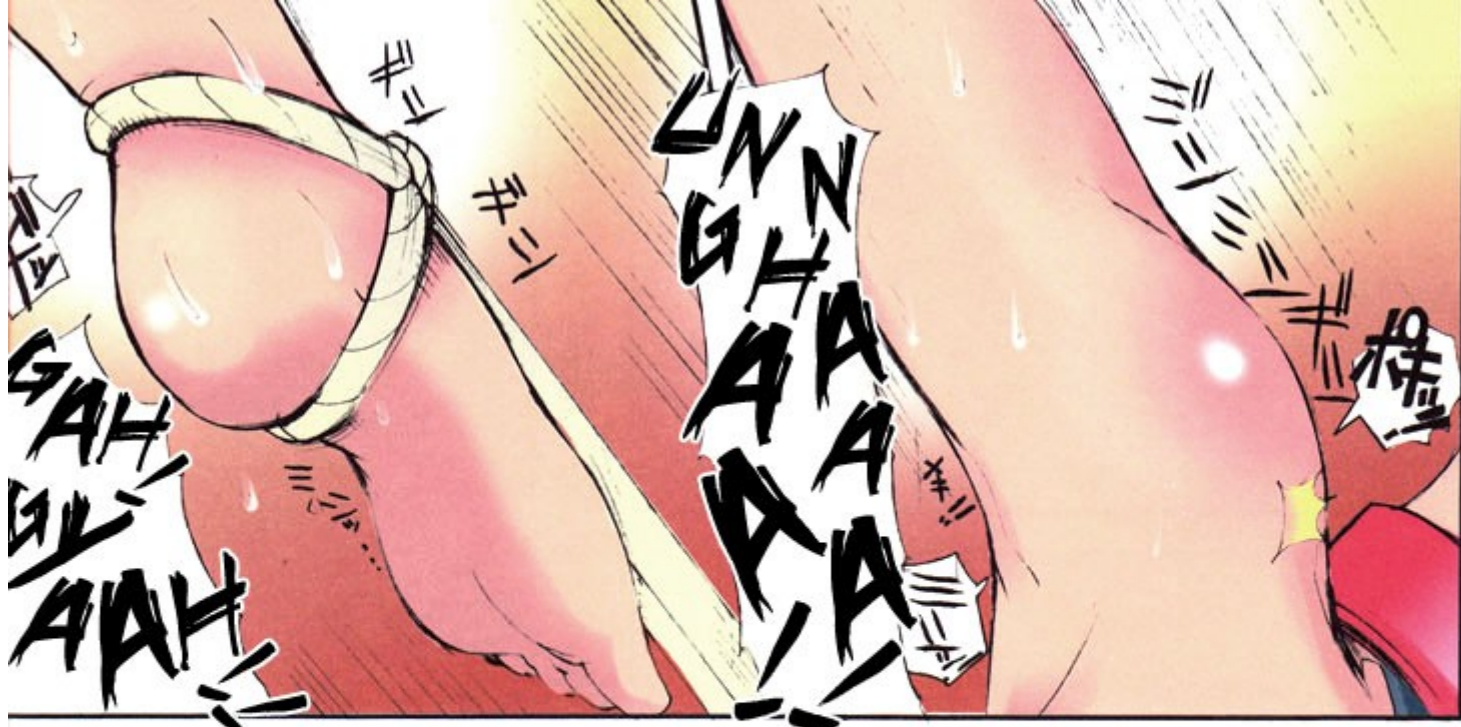

As her arms and legs were slowly pulled apart, every joint in her body was dislocated.

This form of torture was frequently used in Medieval times during witch hunts...

It is called "The Rack".

COME ON, TRY HARDER!

IF YOU DON'T HOLD YOURSELF TOGETHER YOU'LL HAVE EVERY JOINT IN YOUR BODY DISLOCATED.

With her body being pulled apart with massive force from above and below, one wrong move could be disastrous...

Every move, every twitch, even the slightest movements of her body cause agony in her joints.

IT'S SIMPLE, BUT DIFFICULT TO ENDURE.

IF YOU DON'T WANT YOUR JOINTS DISLOCATED, YOU SHOULD AVOID MOVING AS MUCH AS POSSIBLE.

GNGH!

ONE HUNDRED NEEDLES. WE'RE GOING TO STICK THESE IN EACH OF YOUR BREASTS UNTIL YOUR JOINTS DISLOCATE.

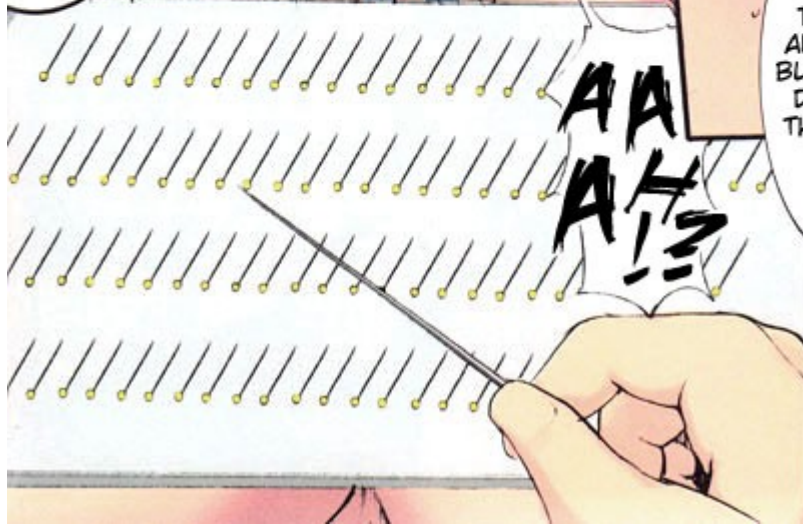

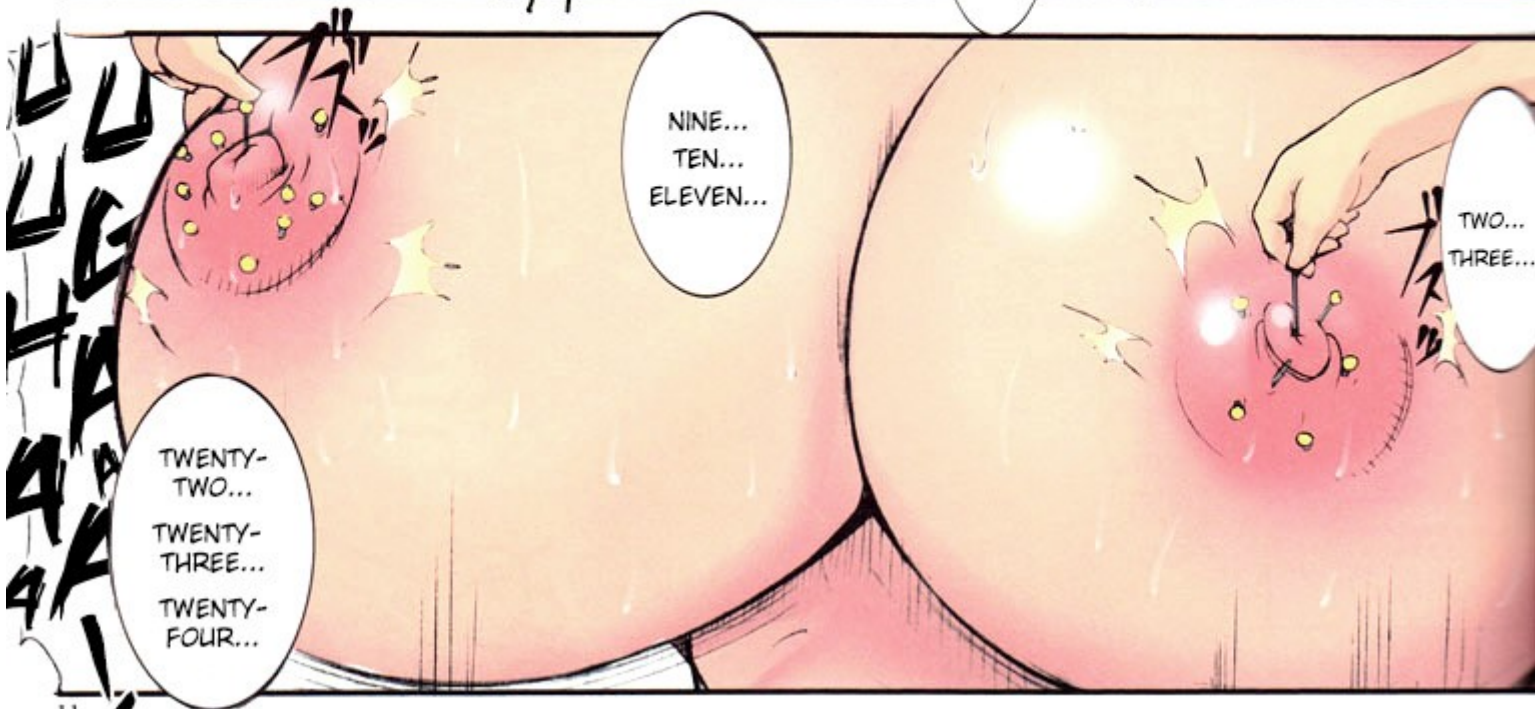

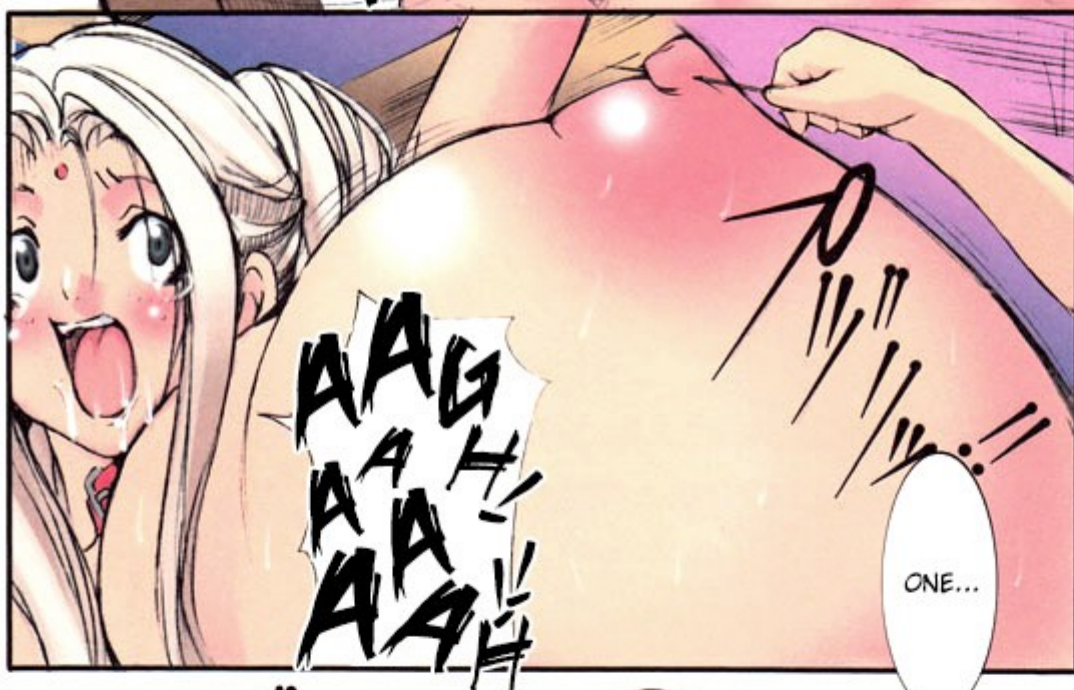

THAT'S ALRIGHT, BUT WHAT DO YOU THINK OF THIS?

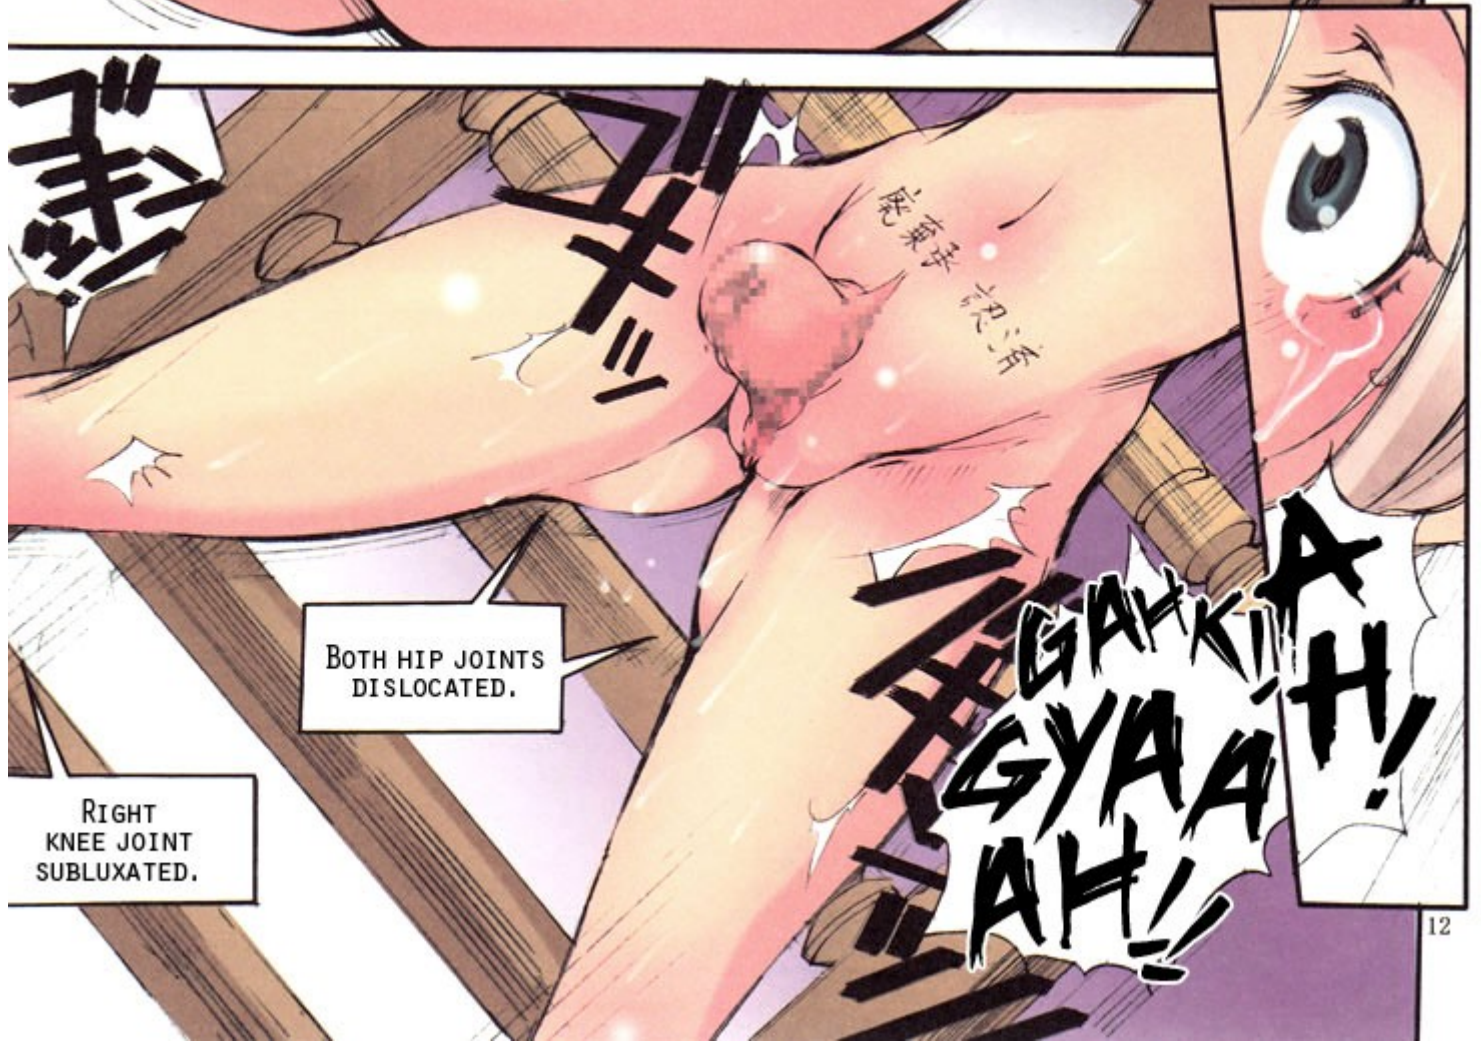

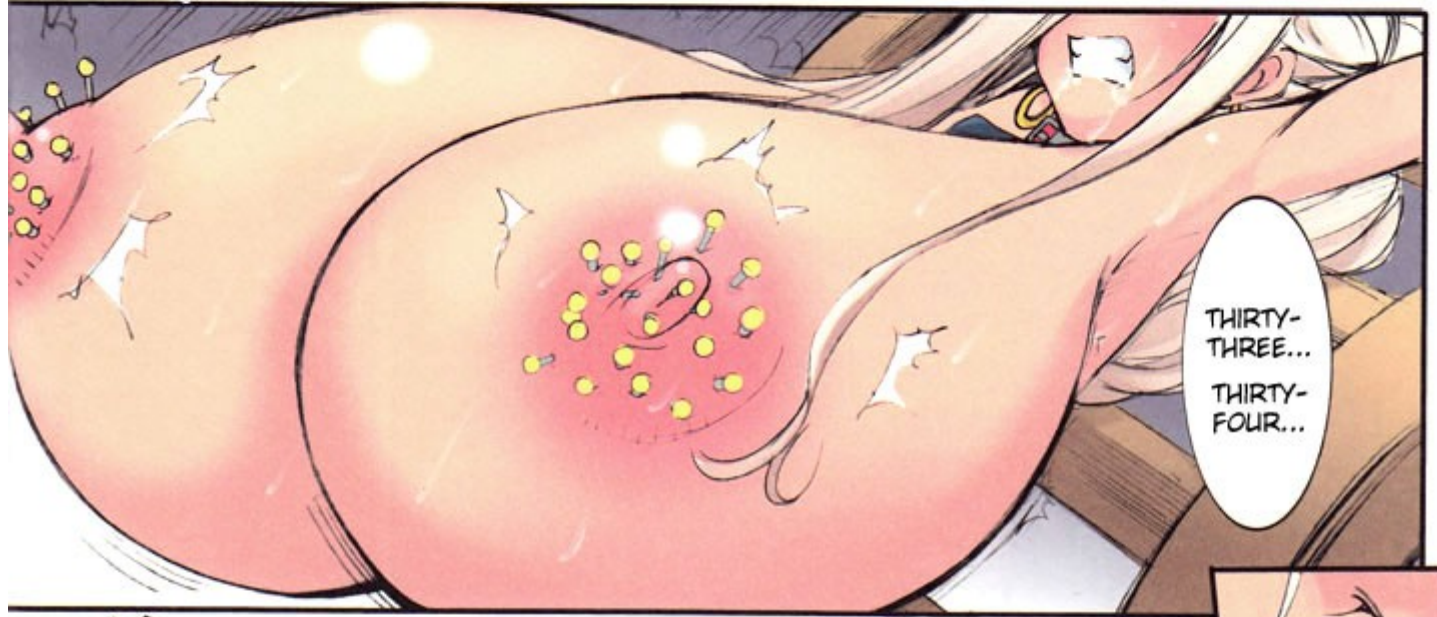

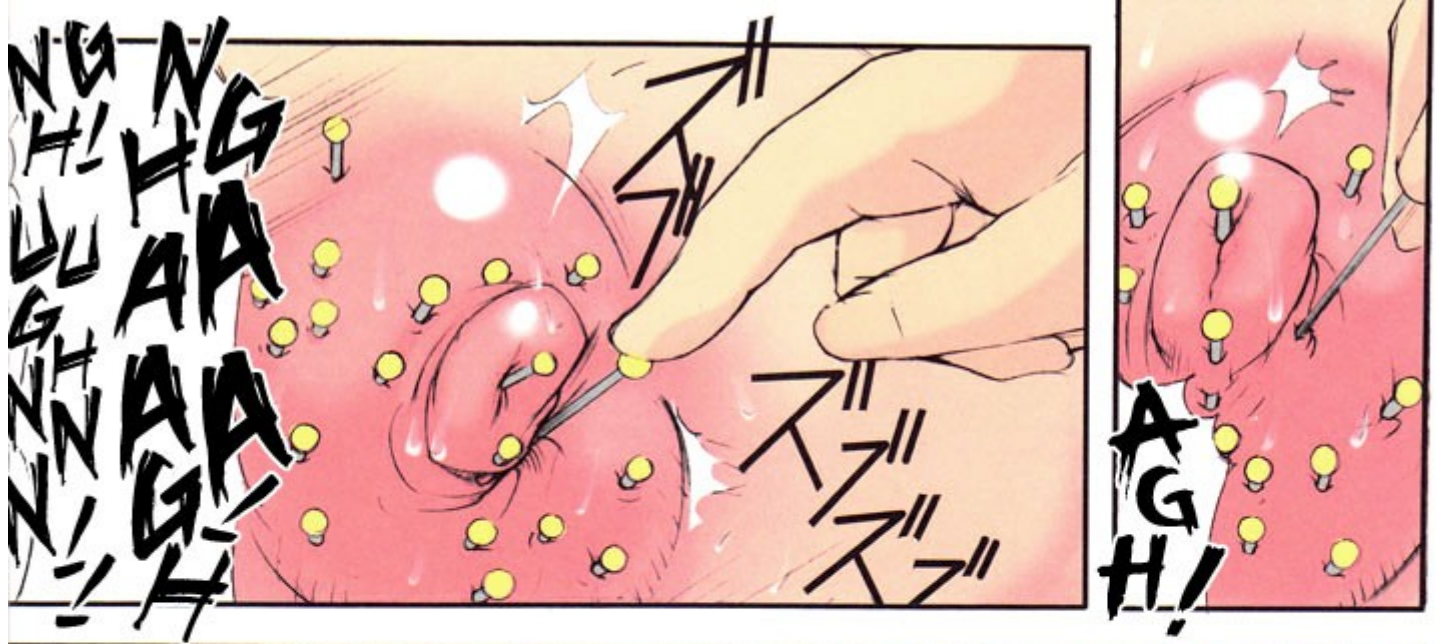

IN THE MIDDLE AGES THEY WOULD USE A CANDLE TO BURN THE ARMPITS AND OTHER SENSITIVE AREAS.

AAH!?

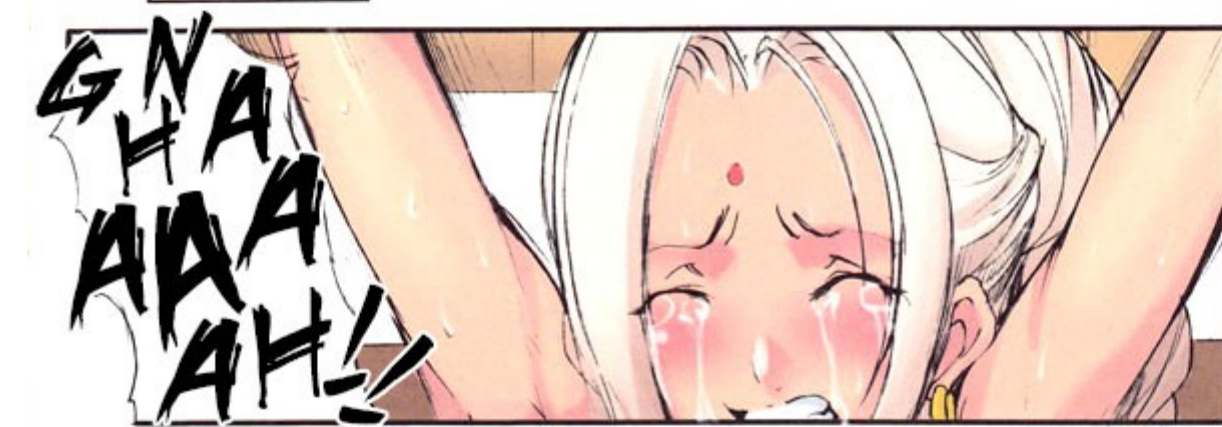

But during the stretching punishment, even the slightest movement feels like unbelievable torture...

The very smallest of movements causes every joint in the body to scream in pain at the same time.

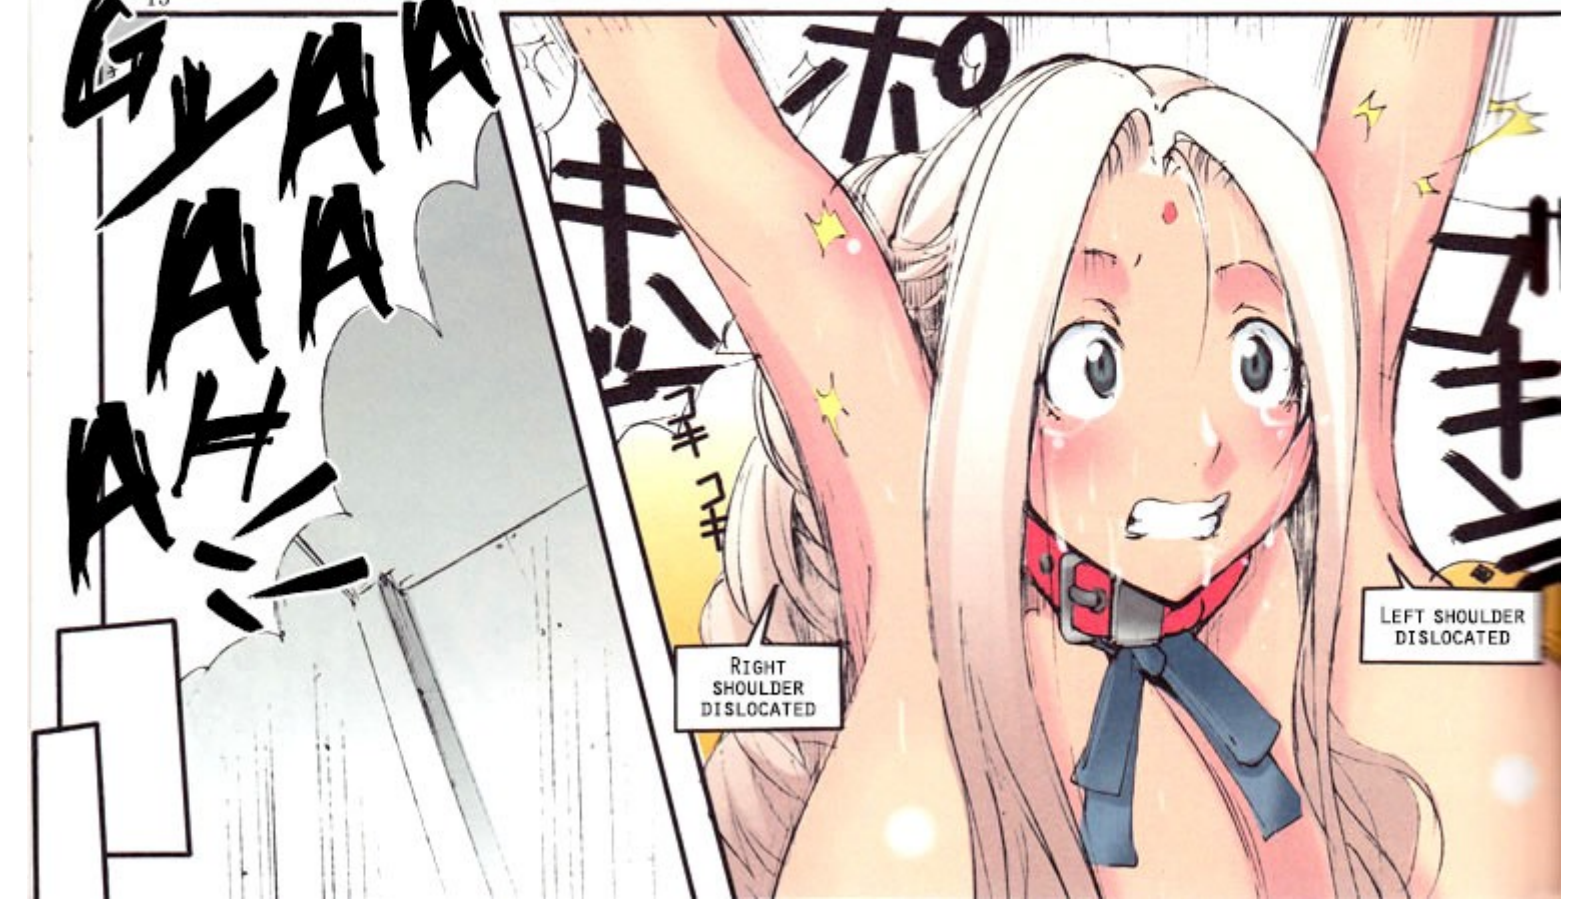

The body's natural reflex when thumb-tacks are thrust into its nipples is to writhe and twist...

And because the needle torture causes the whole body to tense and jerk...

It puts all the joints under extreme pressure to dislocate...

13

RIGHT SHOULDER DISLOCATED

LEFT SHOULDER DISLOCATED

Her muscles
began to
cramp up...

Her eyes lost
focus...

Even the
movement
of her lungs
and ribs was
a source of
extreme pain,
which caused
trouble
breathing...

When they finally
released her from
the rack, her whole
body was
dislocated and
covered in
subluxation
wounds...

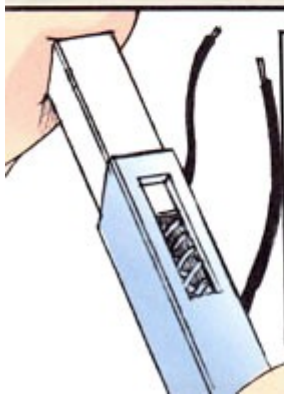

If she moved her
body even a
millimetre, it
caused agony in her
dislocated joints.

YEAH...
AND WE
MANAGED
TO DIS-
LOCATE
EVERY
JOINT IN
HER
BODY...

Her
limbs
splayed
in odd
direc-
tions,
like a
mari-
onette
with its
strings
cut...

THE
THUMB-
TACKS
IN HER
NIPPLES
LOOK KIND
OF LIKE A
BRA.

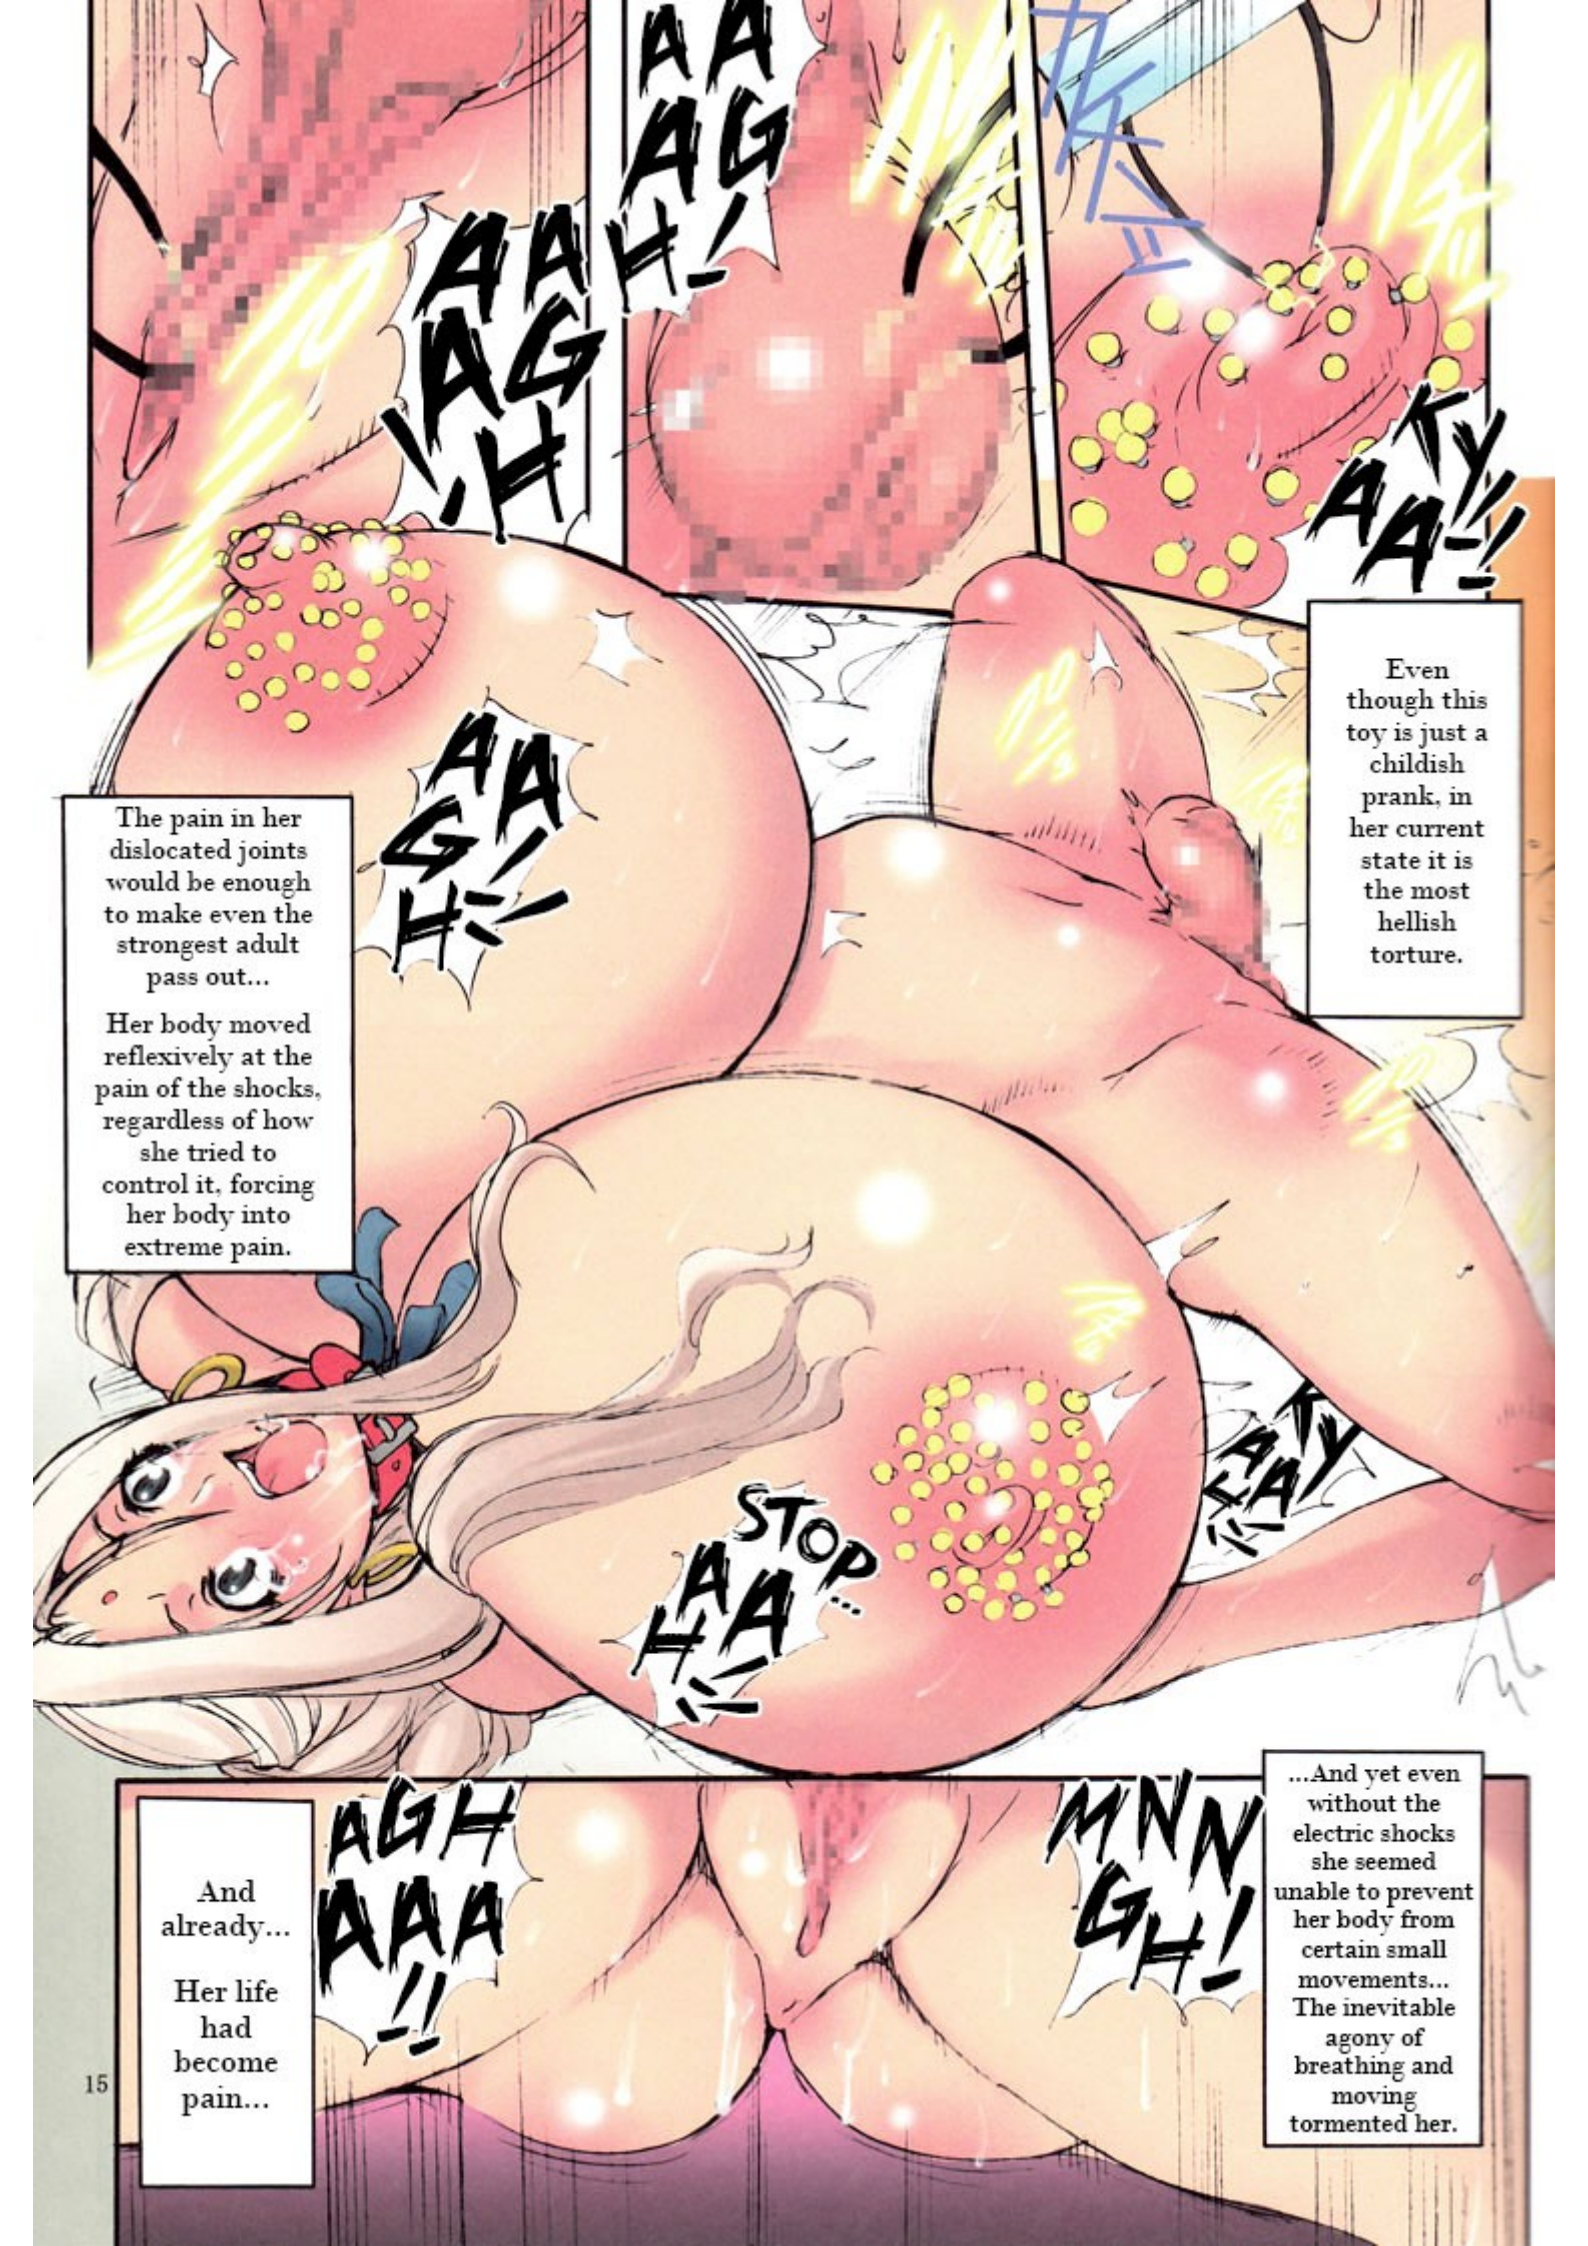

"Static Shock Toy"

A common
novelty
item, it
discharges
static
electricity
to deliver a
shock.

THIS
MAKES
ME WANT
TO PLAY
A PRANK.

The pain in her dislocated joints would be enough to make even the strongest adult pass out...

Her body moved reflexively at the pain of the shocks, regardless of how she tried to control it, forcing her body into extreme pain.

Even though this toy is just a childish prank, in her current state it is the most hellish torture.

And already...

Her life had become pain...

...And yet even without the electric shocks she seemed unable to prevent her body from certain small movements... The inevitable agony of breathing and moving tormented her.

As her body shook with pain, all her dislocated joints cried out in fresh agony. It was an extremely cruel method of binding...

Regarding her bindings...

Both arms and legs are restrained, but not totally fixed in place...

Operation 2:
Loss of Virginity

And while she is in this embarrassing position, completely unable to hide her genitalia, this is all being filmed and transmitted to the world...

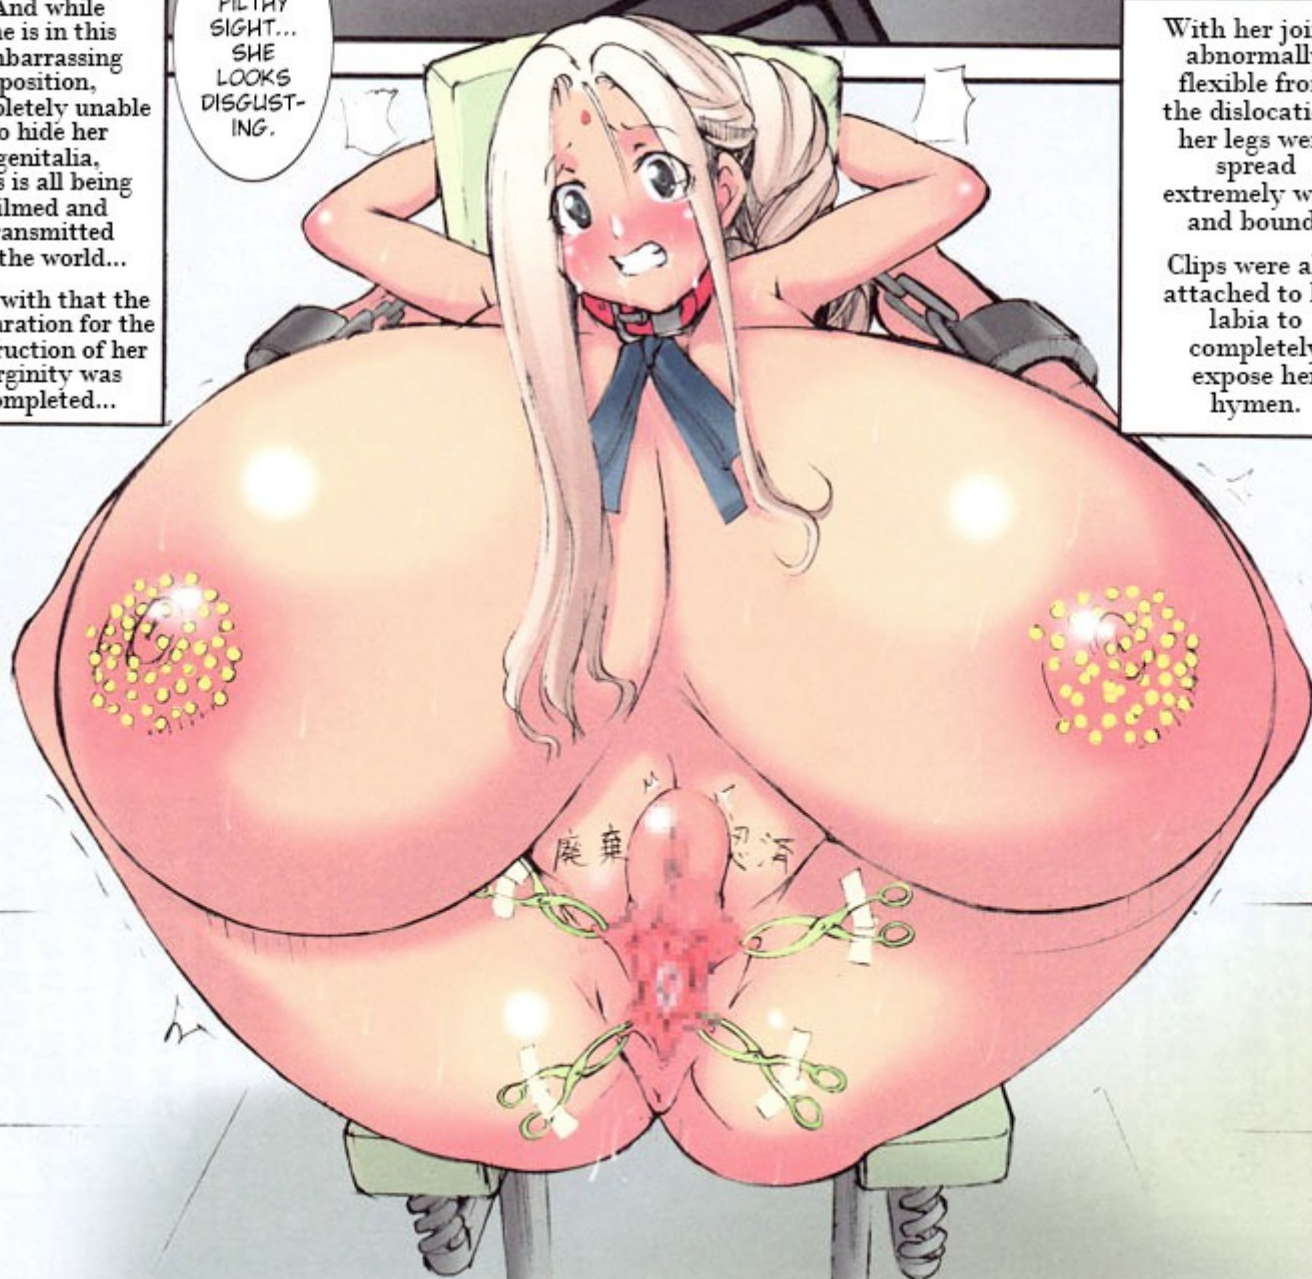

And with that the preparation for the destruction of her virginity was completed...

WHAT A FILTHY SIGHT... SHE LOOKS DISGUSTING.

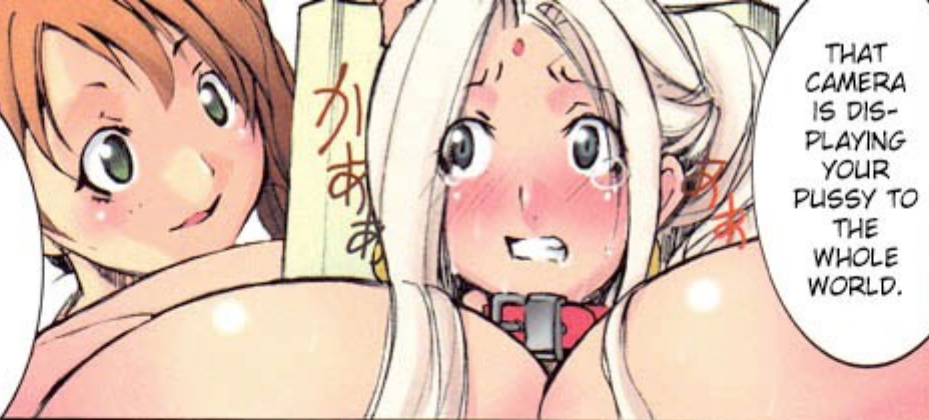

WOW, I DIDN'T KNOW IT WAS POSSIBLE TO SPREAD YOUR LEGS THAT WIDE.

With her joints abnormally flexible from the dislocation, her legs were spread extremely wide and bound.

Clips were also attached to her labia to completely expose her hymen.

PRETTY COOL, HUH? YOU'RE GOING TO GIVE THEM THE WORLD'S GREATEST SHOW AS YOU LOSE YOUR VIRGINITY... HEHEHE

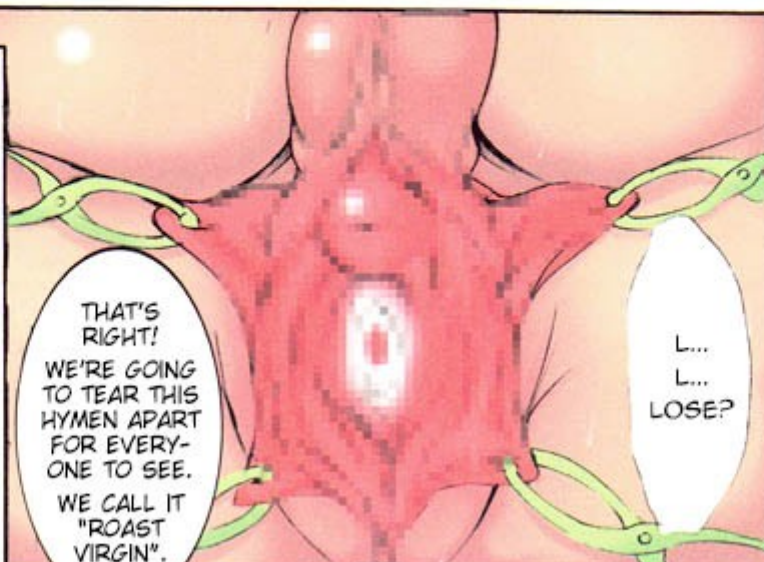

THAT CAMERA IS DISPLAYING YOUR PUSSY TO THE WHOLE WORLD.

And so...

Being forced to expose herself and take part in this disgraceful filming session, and the sense of fear and nervousness thanks to the images being broadcast worldwide will create an explosion of shame within her heart.

THAT'S RIGHT!
WE'RE GOING TO TEAR THIS HYMEN APART FOR EVERYONE TO SEE.
WE CALL IT "ROAST VIRGIN".

L...
L...
LOSE?

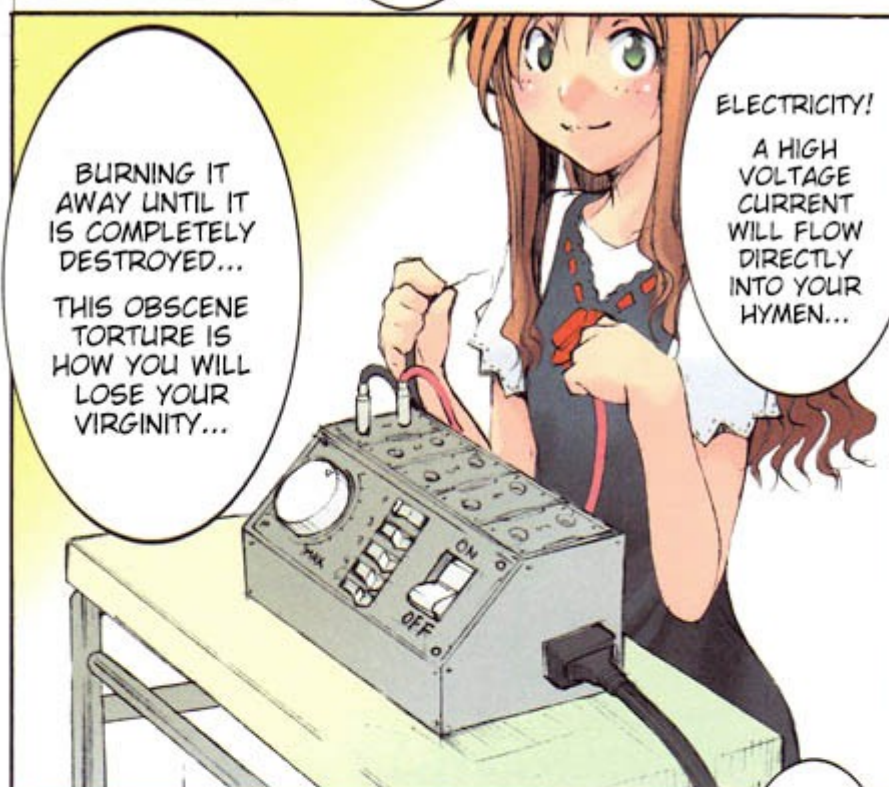

Regarding the planned training...

The vagina that Manchella has been preserving until this day...

With the exception of the grossly swollen clitoris, all is in an entirely untouched state. Even the sense of shame of her genitalia being stared at is entirely new.

BURNING IT AWAY UNTIL IT IS COMPLETELY DESTROYED...
THIS OBSCENE TORTURE IS HOW YOU WILL LOSE YOUR VIRGINITY...

ELECTRICITY!
A HIGH VOLTAGE CURRENT WILL FLOW DIRECTLY INTO YOUR HYMEN...

HOWEVER...
DON'T THINK THAT WE'RE GOING TO DEFLOWER YOU WITH REGULAR OLD SEX.

IT WOULD BE A WASTE EVEN TO HAVE A PIG TAKE YOUR VIRGIN PUSSY.

WE'RE GOING TO GIVE YOU THE CRUELEST DEFLORATION IN HISTORY!!

HE
HE
HE

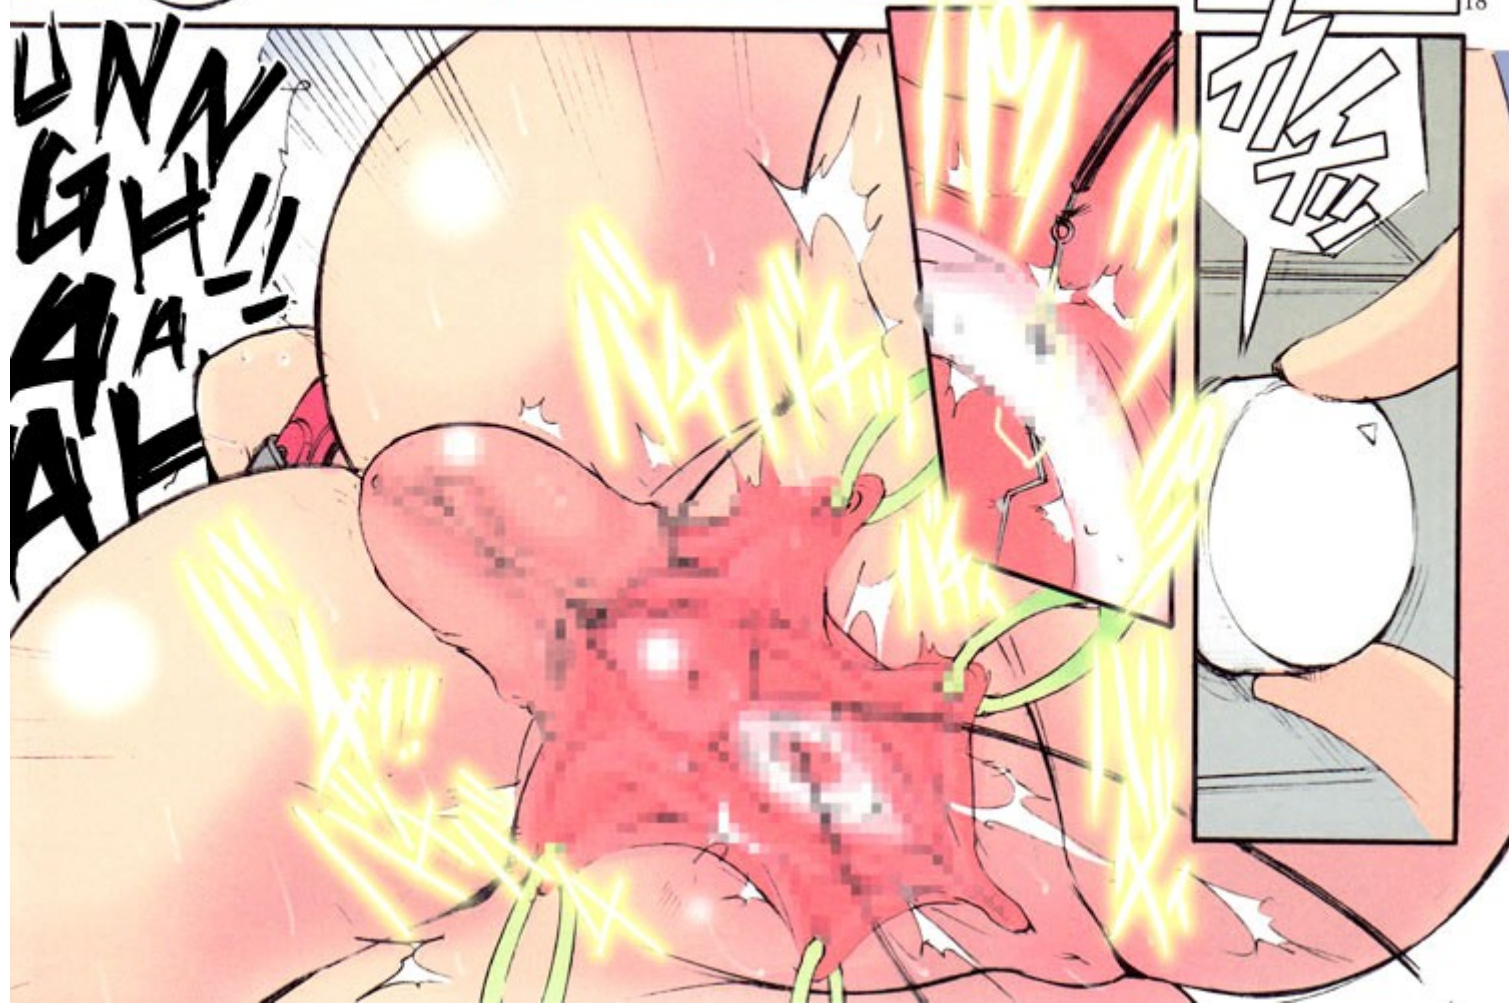

PRETTY MUCH THE WORST THING THAT COULD HAPPEN TO A WOMAN, DON'T YOU THINK?

She had remained a virgin all throughout her days as a student, and now her virgin pussy and hymen were being torn by needles.

For the first time in her life, they were experiencing being tortured...

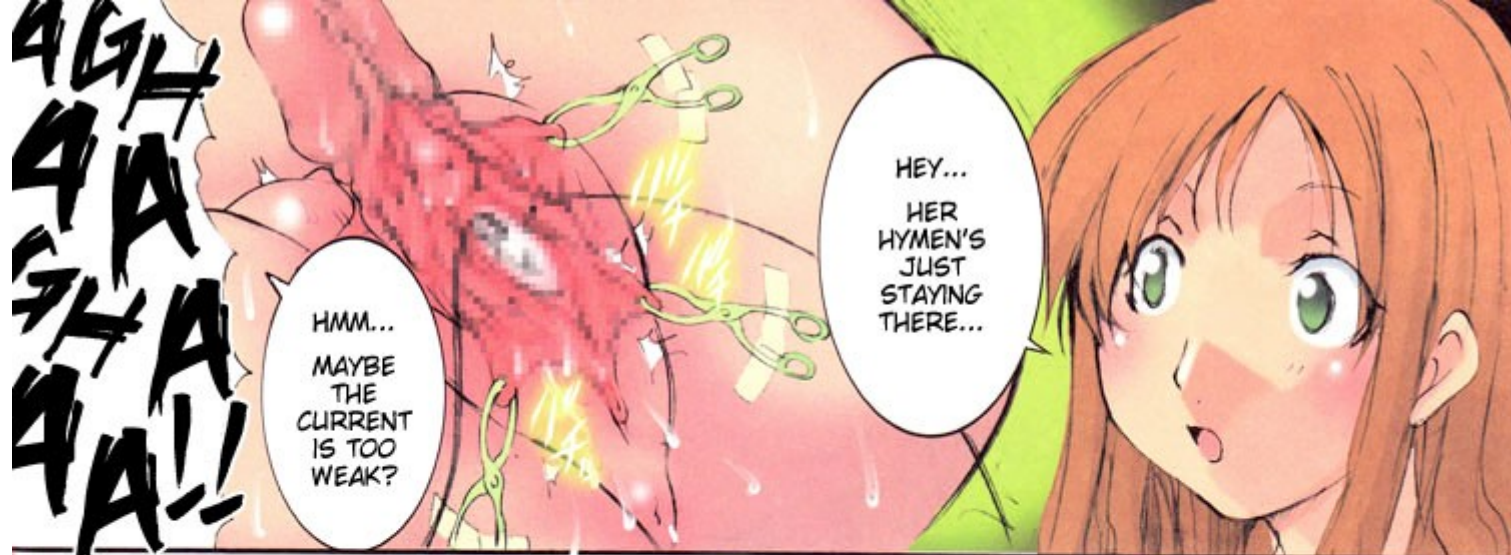

The passage of high voltage current through her hymen in addition to an entire body of dislocated joints created a most hellishly painful torture...

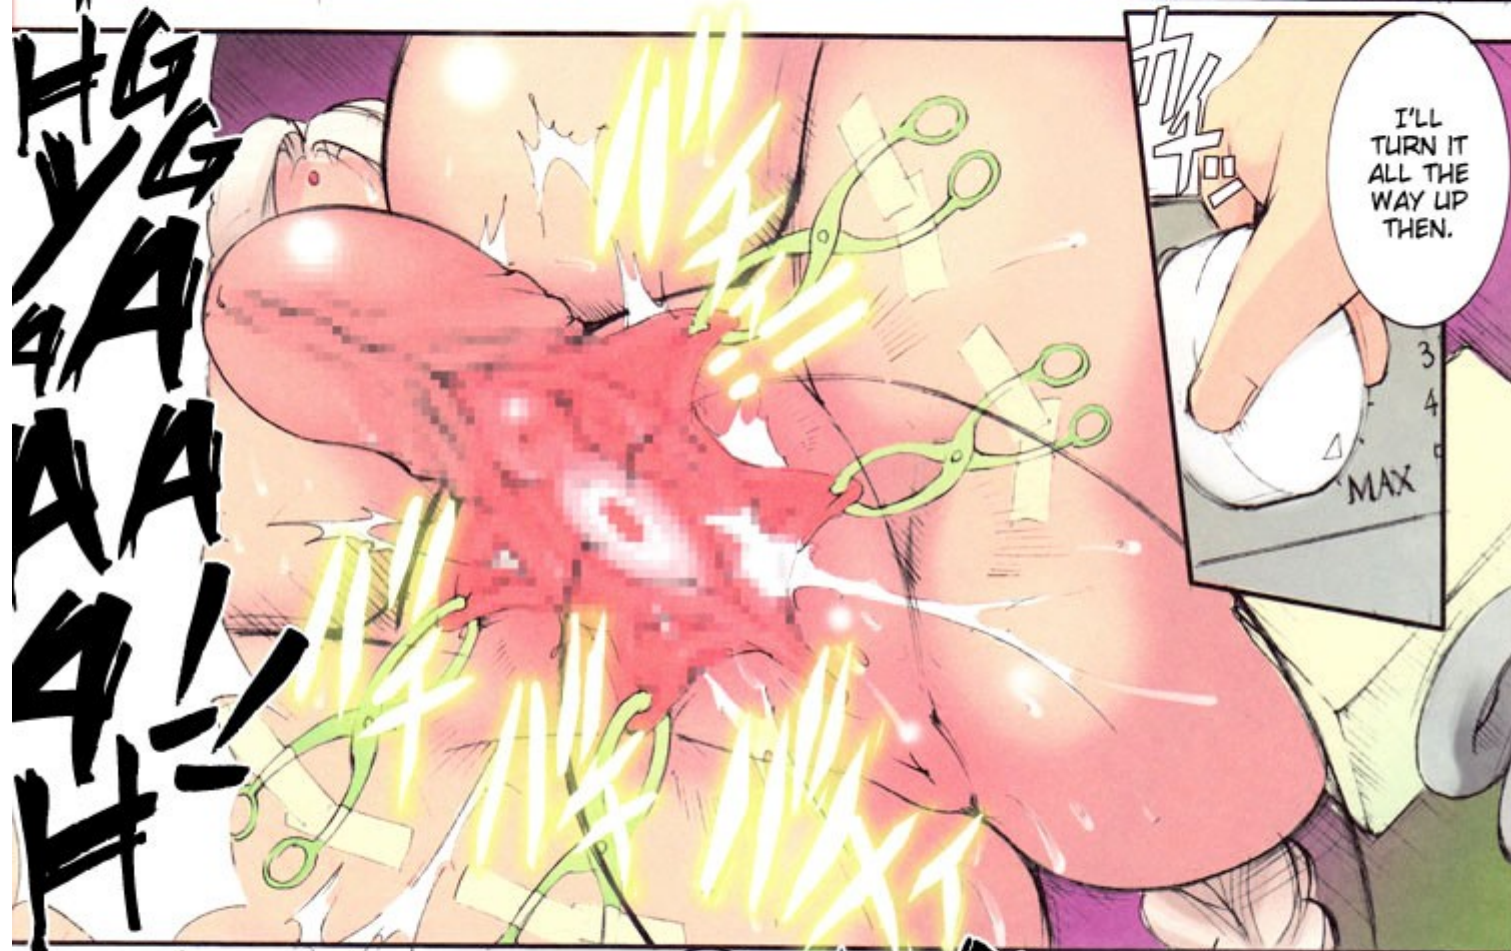

On a dislocated joint... Even the shock from a joy buzzer would feel like extreme torture...

HMM...
MAYBE
THE
CURRENT
IS TOO
WEAK?

HEY...
HER
HYMEN'S
JUST
STAYING
THERE...

I'LL
TURN IT
ALL THE
WAY UP
THEN.

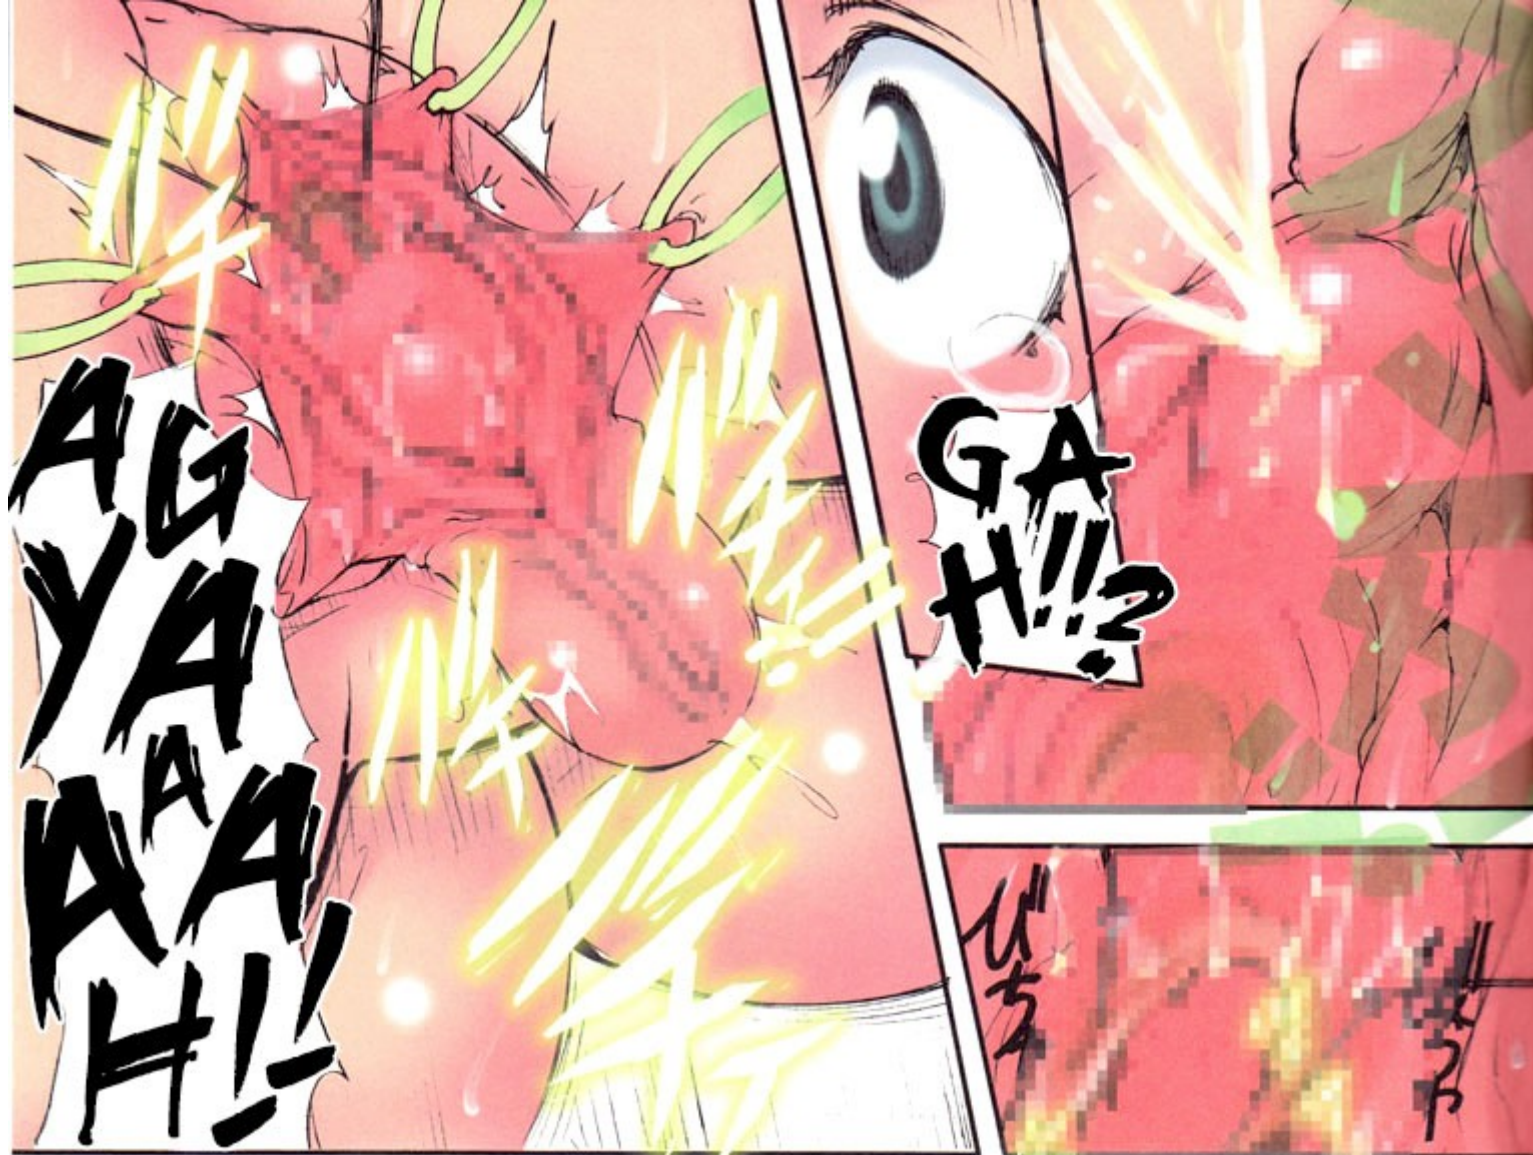

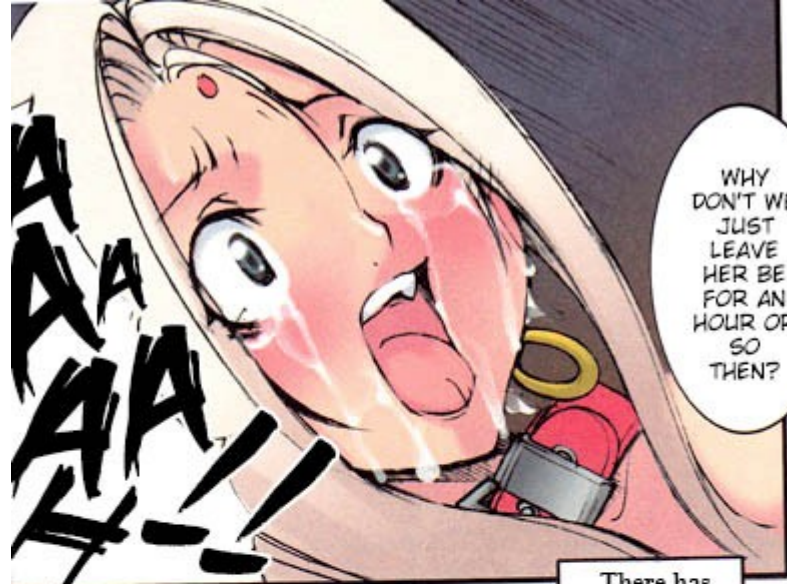

HER
PUSSY
IS
SMOKING!

LOOKS
LIKE THE
PROTEINS
ARE
COOKING
AND
STARTING
TO MELT.

UUG
UUG!
NGH
AAA
AH!!

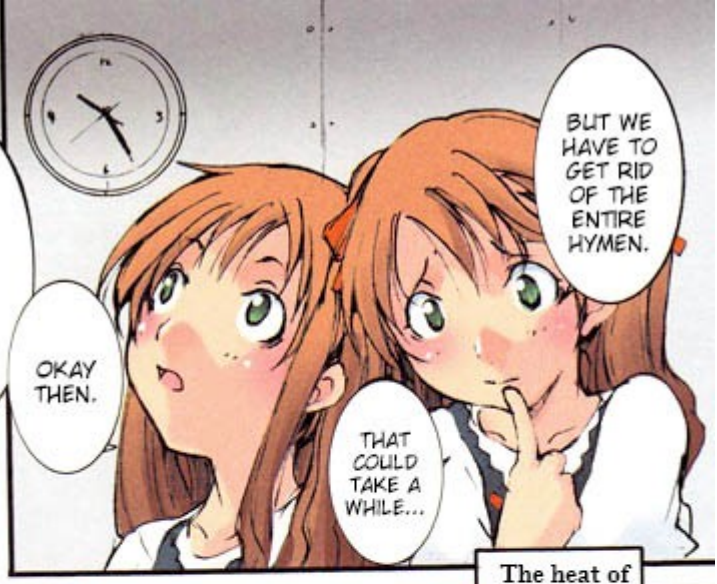

WOW,
LOOK AT
THAT! IT'S
CHANGING
COLOUR
AND
SORT OF
MELTING!

WHY DON'T WE JUST LEAVE HER BE FOR AN HOUR OR SO THEN?

OKAY THEN.

BUT WE HAVE TO GET RID OF THE ENTIRE HYMEN.

THAT COULD TAKE A WHILE...

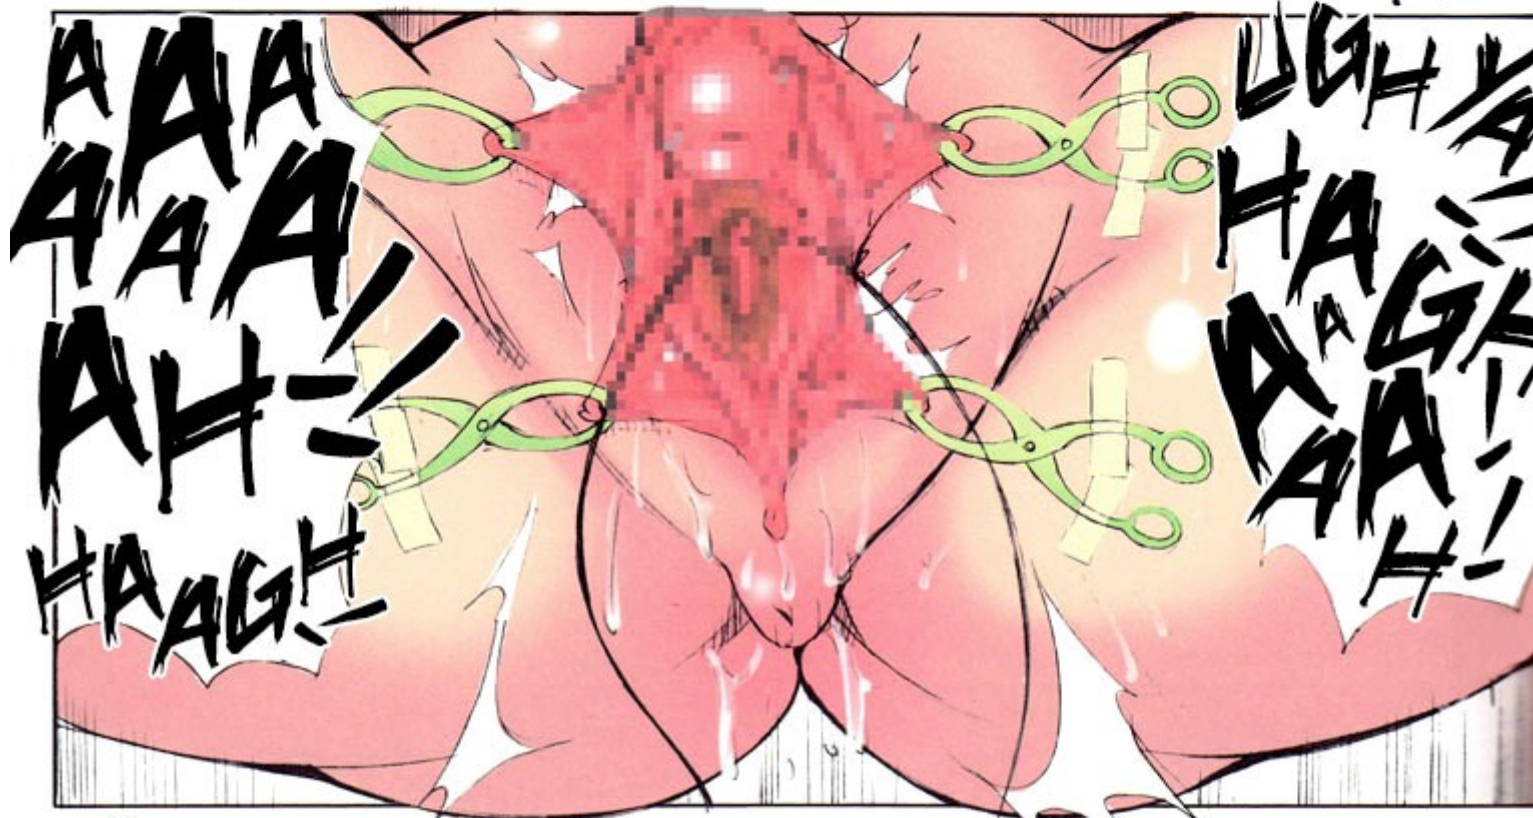

The heat of the current passing through her sears her flesh. It goes without saying that it is extremely dangerous to do this for extended periods of time.

There has never been a case in which the skin and flesh have been destroyed like this... Other academy students are not forced to take this torture.

GN
GK
A!!

AGH!
HAA!
AGH

23

AA
AA
H!
HAA
GH!!

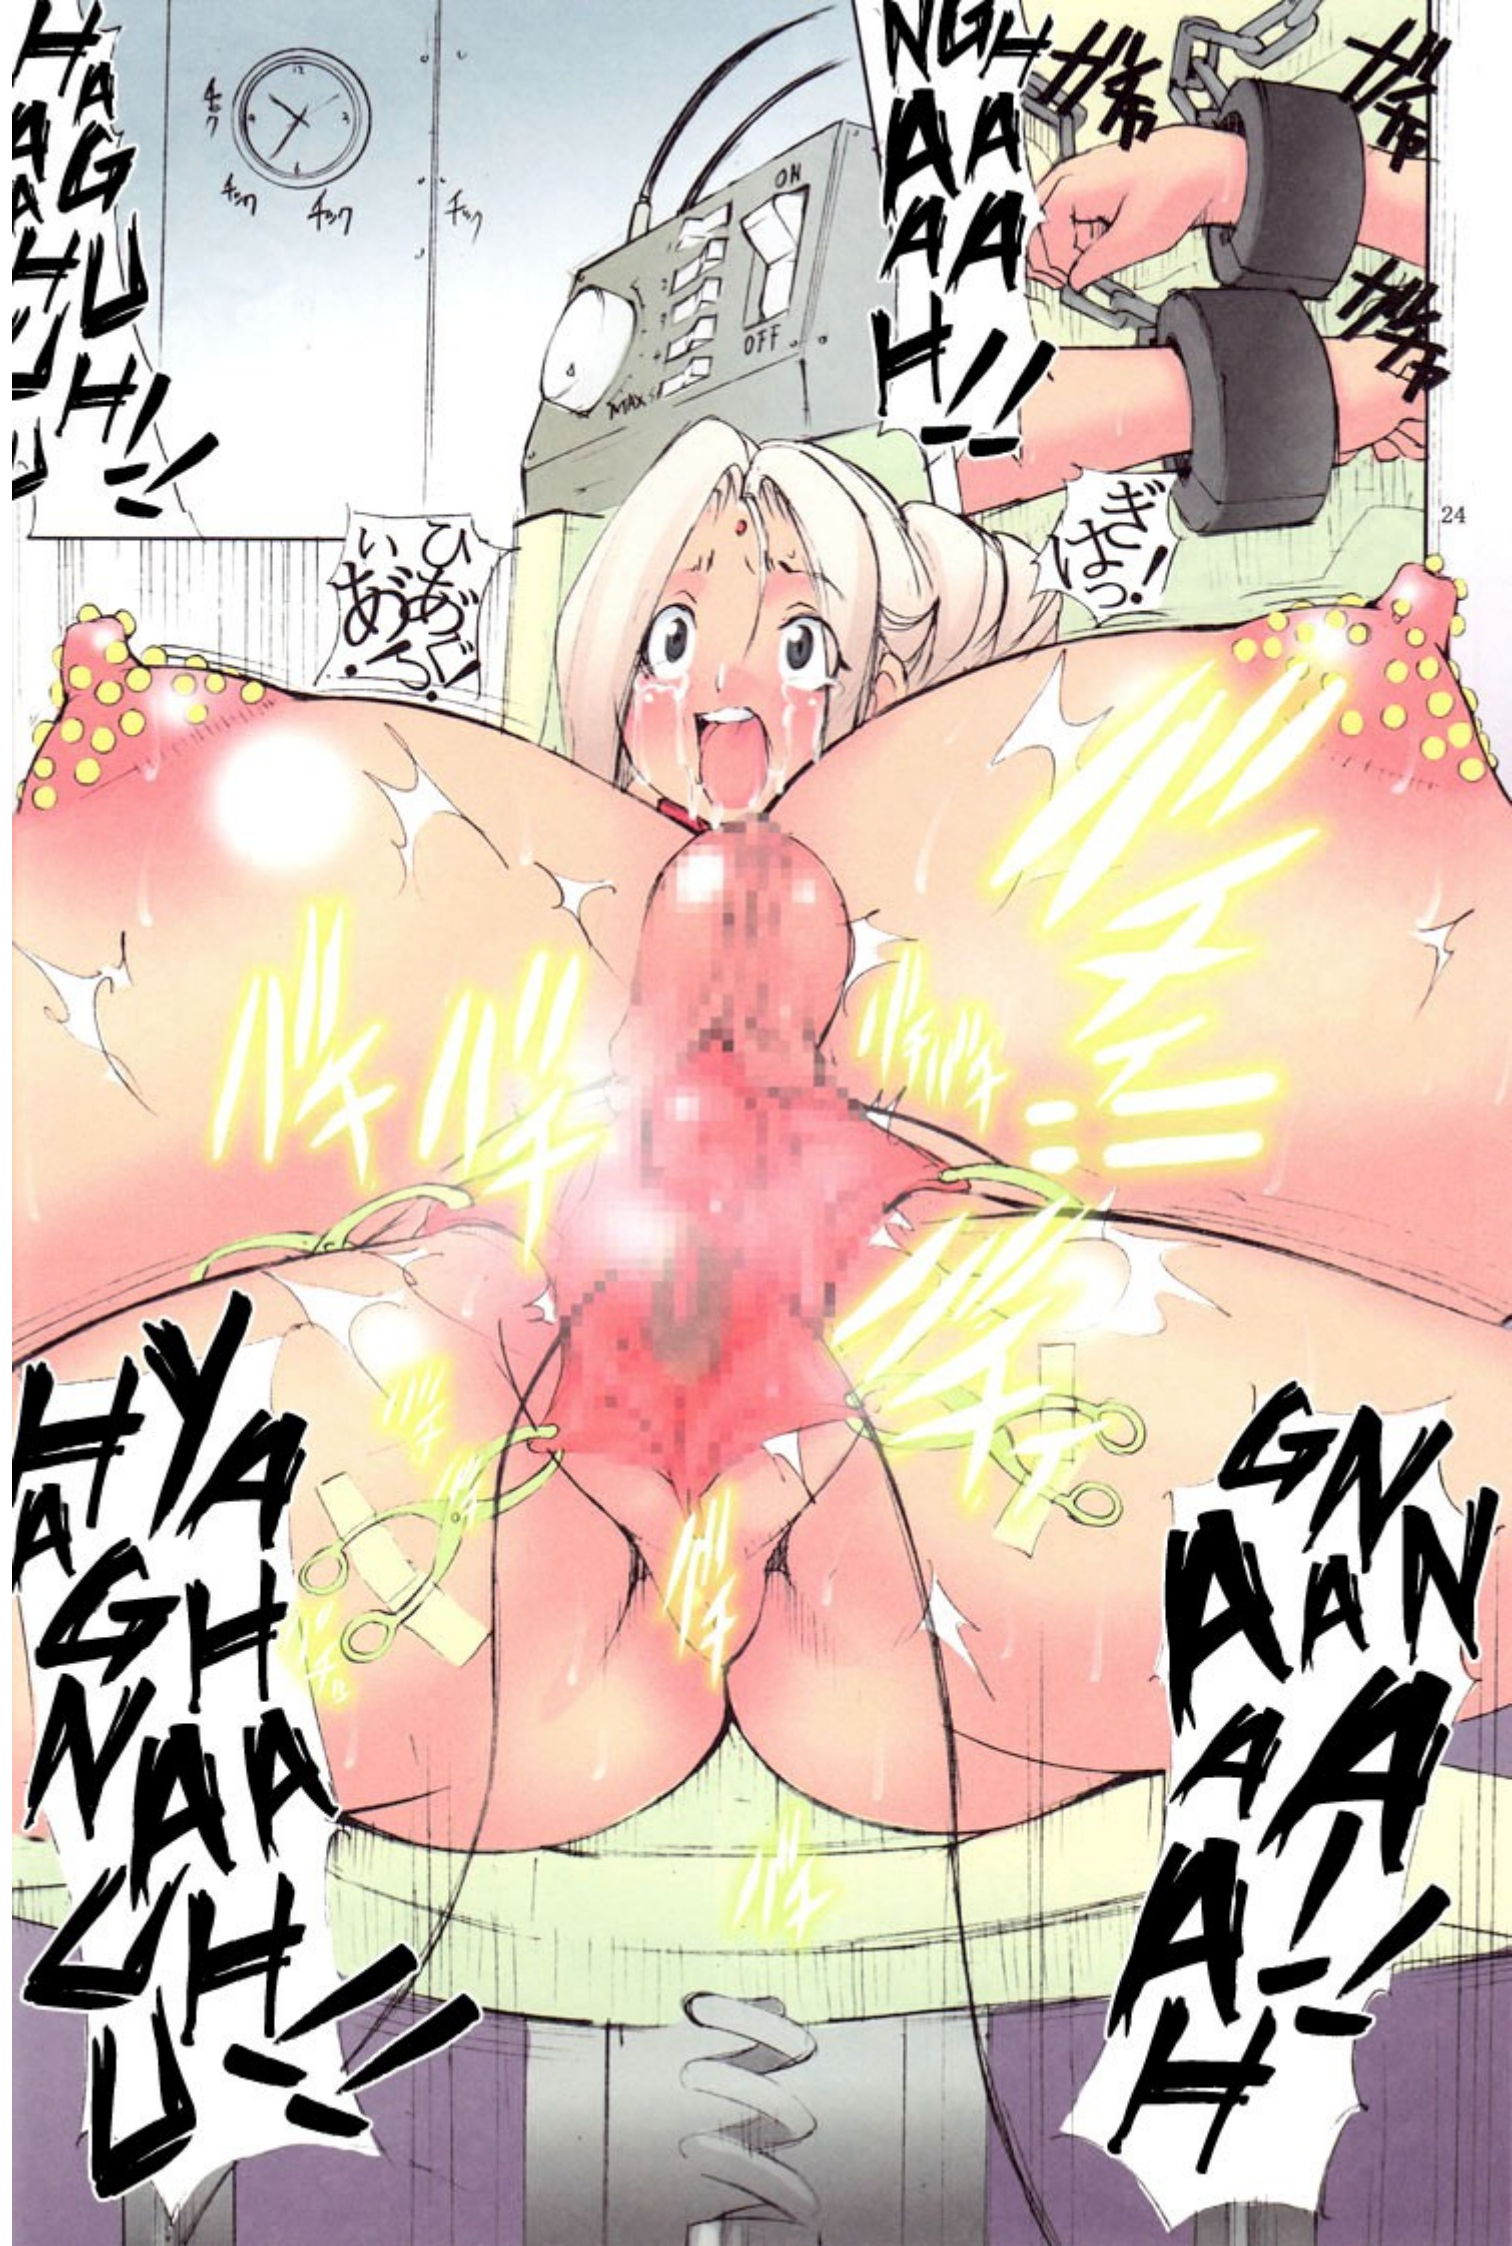

Spending so long with the electric current coursing through her pussy, the heat cooked and charred her hymen.

It was a disgusting sight to behold, the whole area was horribly inflamed.

The surrounding vaginal wall and labia did not escape unharmed...

The hot steam and gases were caught in her vagina, just like a steaming pot...

NN
GN
GK
UH!!

The remains of her burnt hymen remained clinging to her vagina...

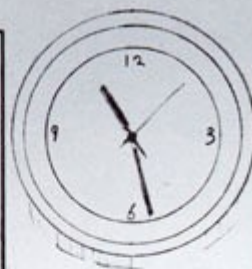

In other words, the defloration was a failure.

YOUR PUSSY GOT POACHED ...

After the current had been running for an hour...

The heat caused her hymen to become keloidal, and the surrounding areas of her vagina were very badly scalded...

However, her hymen had still not been completely destroyed...

WE'LL HAVE TO TAKE HER VIRGINITY ANOTHER TIME.

WELL, A ROAST VIRGIN IS A ROAST VIRGIN I GUESS.

ARE YOU OKAY?
YOU WANT ME TO GET THE FIRST AID KIT?

OW!
DAMMIT!
I BURNT MY FINGER ON THE STEAM FROM HER PUSSY!

Operation 2:
Loss of Virginity...
Attempted.

AND NOW IT'S
TIME TO PLAY
WITH A WOMAN'S
MOST SENSITIVE
AREA.
WE'RE GOING TO
TORTURE YOUR
CLITORIS,
MANCHELLA...

CAN YOU
SEE OK?

DON'T YOU
WONDER
WHAT'S
GOING TO
HAPPEN
TO IT?

WE HAVE TO
MAKE SURE
YOU CAN
SEE IT FIRST
HAND...

BUT IF YOU
DIE, THEN
WE'LL JUST
MOVE ON TO
YOUR LITTLE
SISTERS...

SO TRY YOUR
HARDEST NOT
TO DIE.

AA
AH!
N...!

HY
AH!
H!

THE TORTURE
WE'RE GOING
TO INFLICT
ON YOU...

HAS
HISTORICALLY
HAD AN
EXTREMELY
HIGH
MORTALITY
RATE...

ナデ ナデ

HEHE...

WE'RE
GOING
TO DO
SOMETHING
AWFUL TO
YOUR
CLITORIS

ナデ

The students at the Academy are given long term training to increase the size of their clitorises.

Amongst these, there are some that have already met the requirements for size of a third grade high school student by the time they are just entering high school...

THE SKIN IS CAREFULLY REMOVED, AND THE CLITORIS SMEARED WITH AN OINTMENT THAT WILL READHERE IT.

With rare exceptions, they are subjected to what is called "Clitoris Sensitivity Formatting". Measures to redevelop the sensitivity of the clitoris.

THE OUTER SKIN OF THE CLITORIS IS STRETCHED UNTIL IT IS LARGE ENOUGH TO ENVELOPE THE ENTIRE CLITORIS.

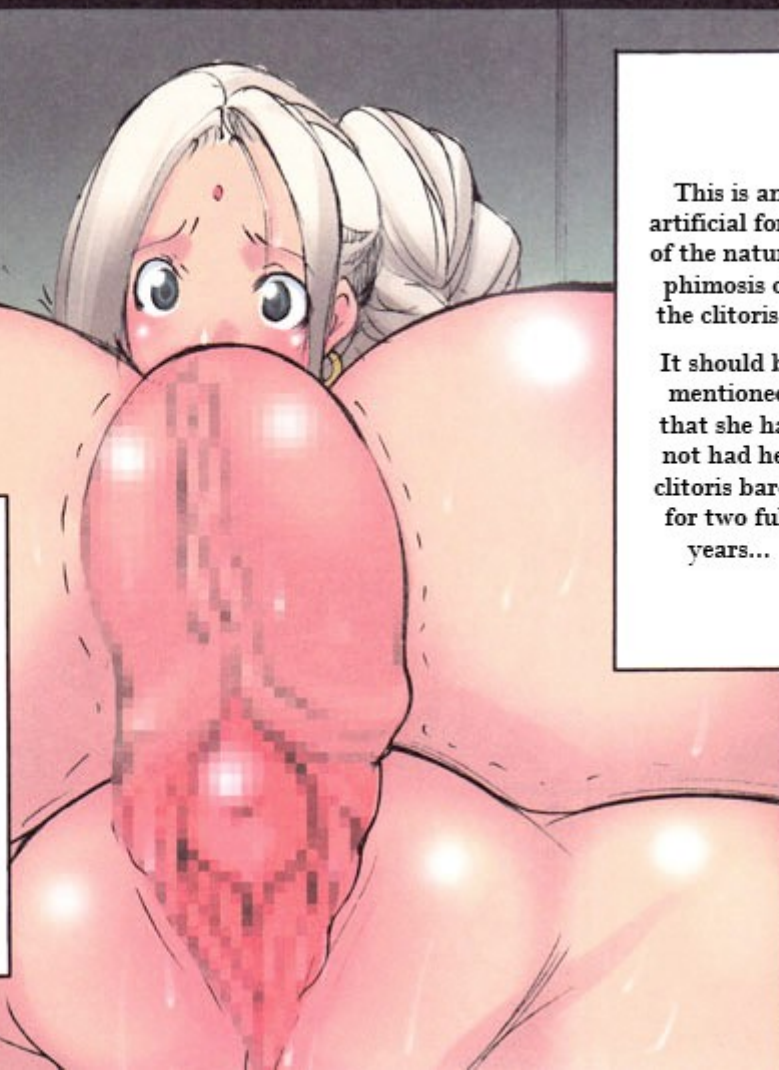

This is an artificial form of the natural phimosis of the clitoris...

It should be mentioned that she has not had her clitoris bared for two full years...

IT IS THEN WRAPPED IN THE PREVIOUSLY STRETCHED SKIN.

The sensitivity of her clitoris will be similar to that of a child's.

HA!
AA!
AH!

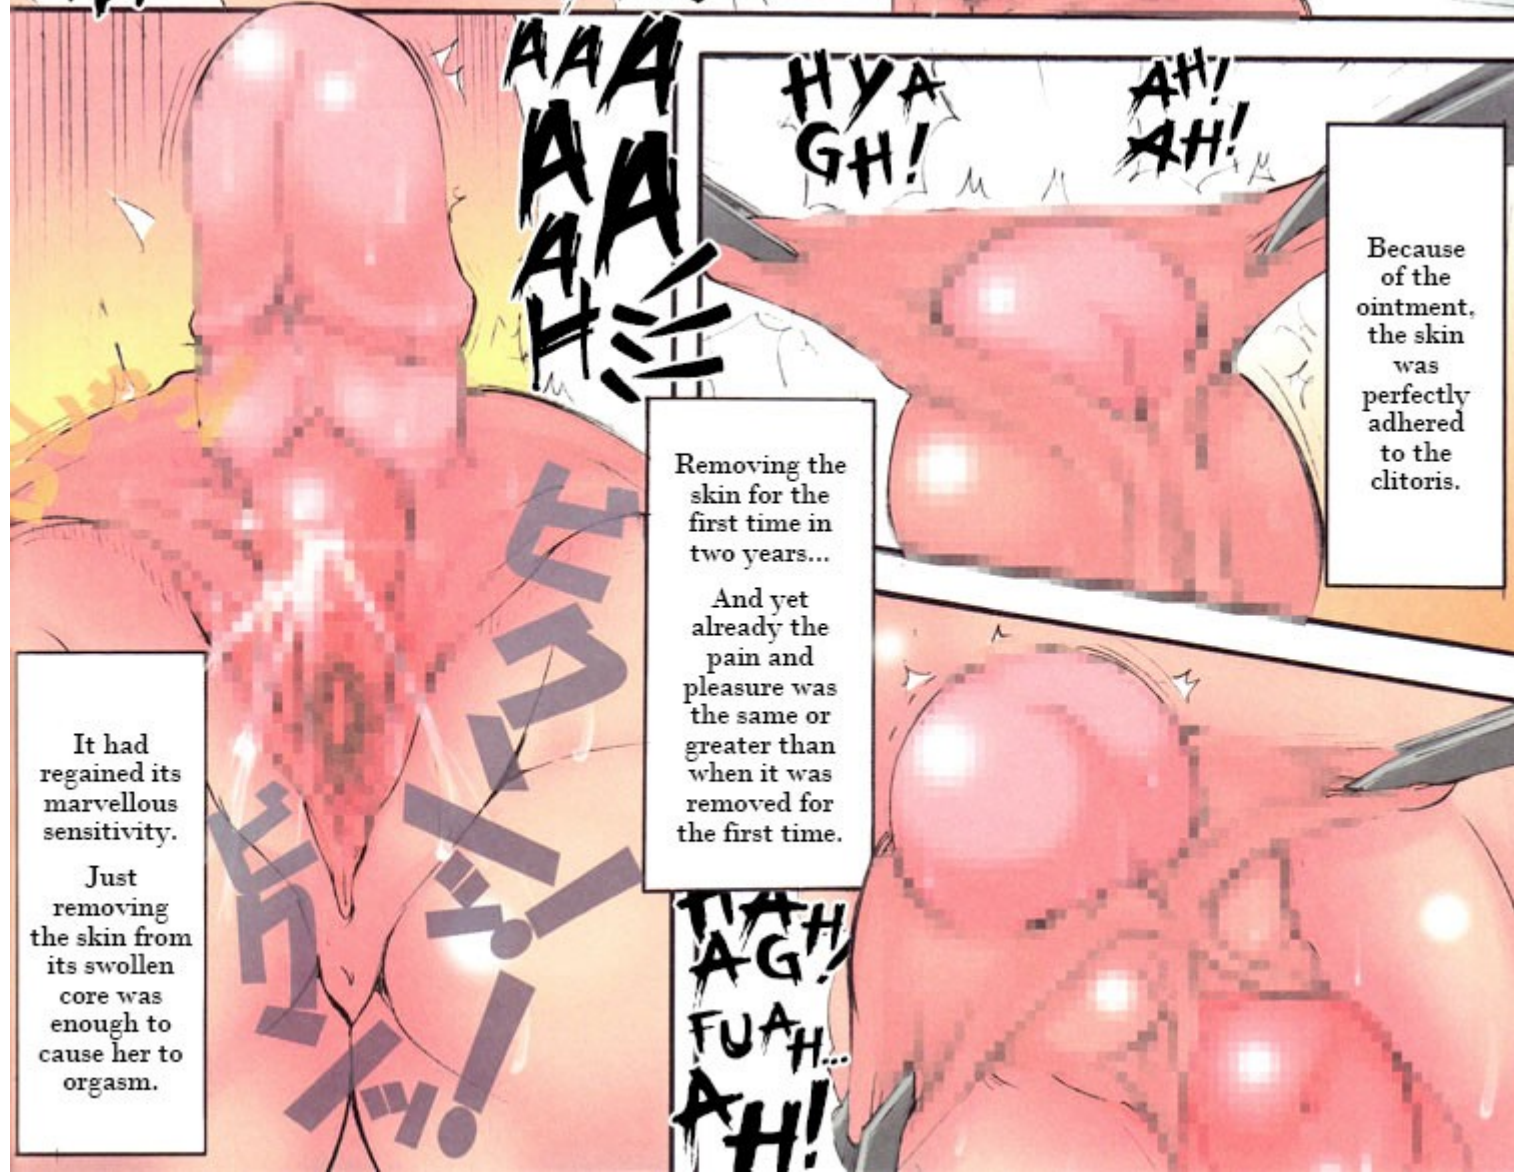

AS FOR
THE
FIRST
TIME IN
TWO
YEARS

NOW...
LOOK
INTO
THE
CAMERA
...

YOU
SHOW
YOUR
CLITORIS!

THERE'S A
LOT OF
PEOPLE
WATCHING...

28

It had
regained its
marvellous
sensitivity.

Just
removing
the skin from
its swollen
core was
enough to
cause her to
orgasm.

Removing the
skin for the
first time in
two years...

And yet
already the
pain and
pleasure was
the same or
greater than
when it was
removed for
the first time.

Because
of the
ointment,
the skin
was
perfectly
adhered
to the
clitoris.

TAH!
AGH!
FUH...
AH!

HAHAHA!
SHE
SQUIRTED
AND CAME
JUST
FROM
TAKING
THE SKIN
OFF!

29

HAA
...

HA...
HAA...

YOU'LL
PROBABLY
THRASH
AROUND A
LOT, SO I
HAVE TO
MAKE
SURE IT'S
SECURED
AT THE
BASE.

NOW,
I'LL
PUT
THIS
DOME
OVER
IT...

THERE!
WE'RE
GOING TO
HAVE THIS
LITTLE
THING
ATTACK
YOUR
CLITORIS.

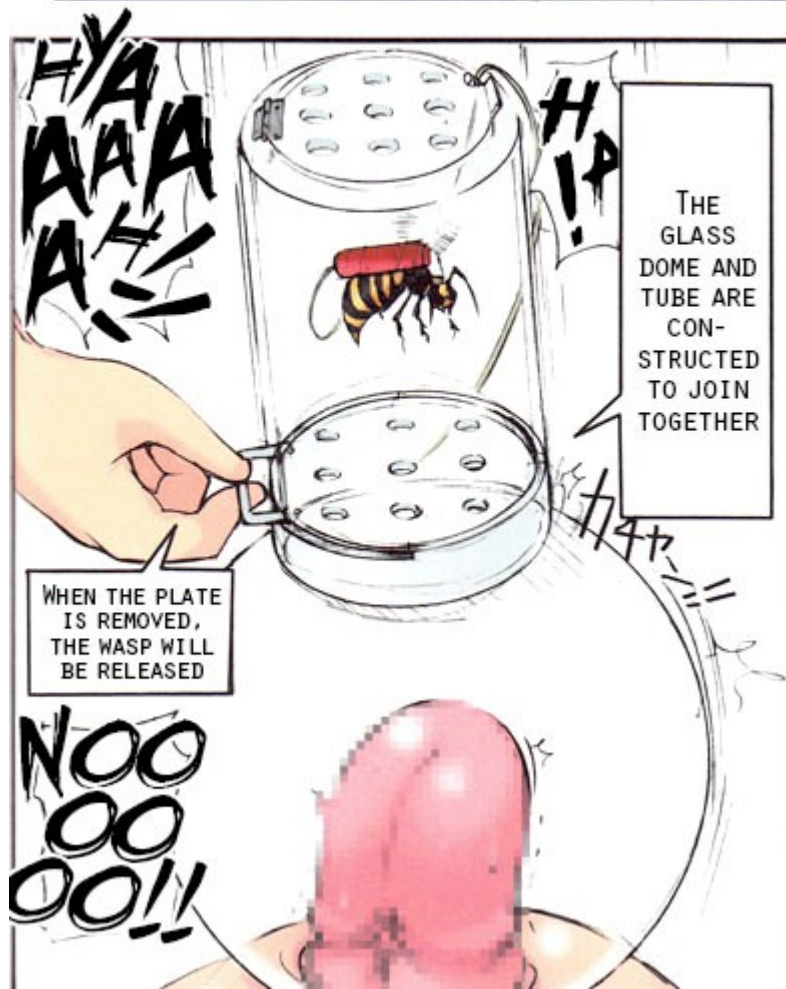

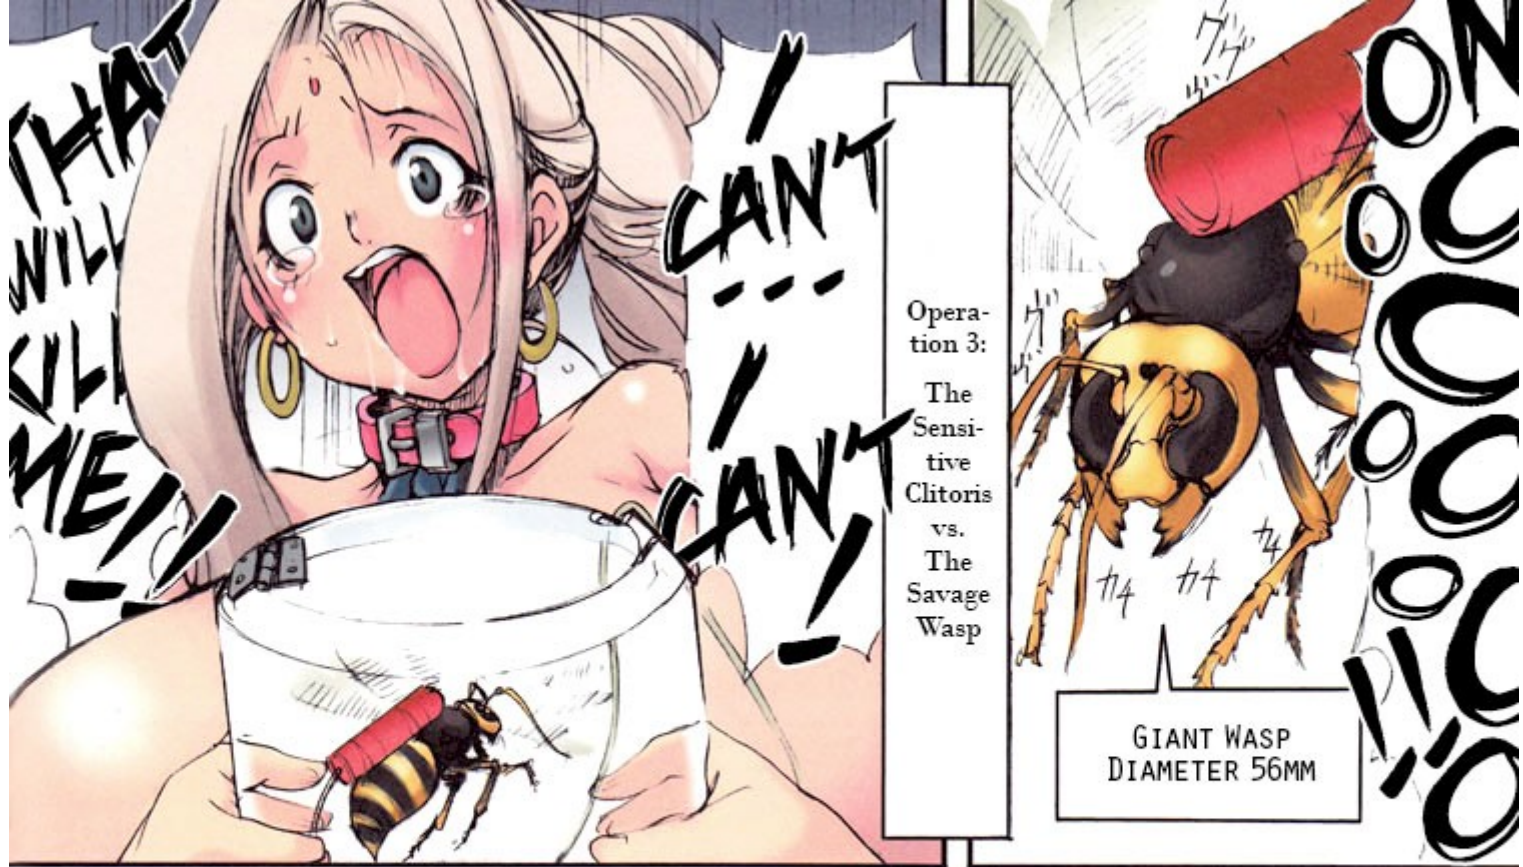

...?

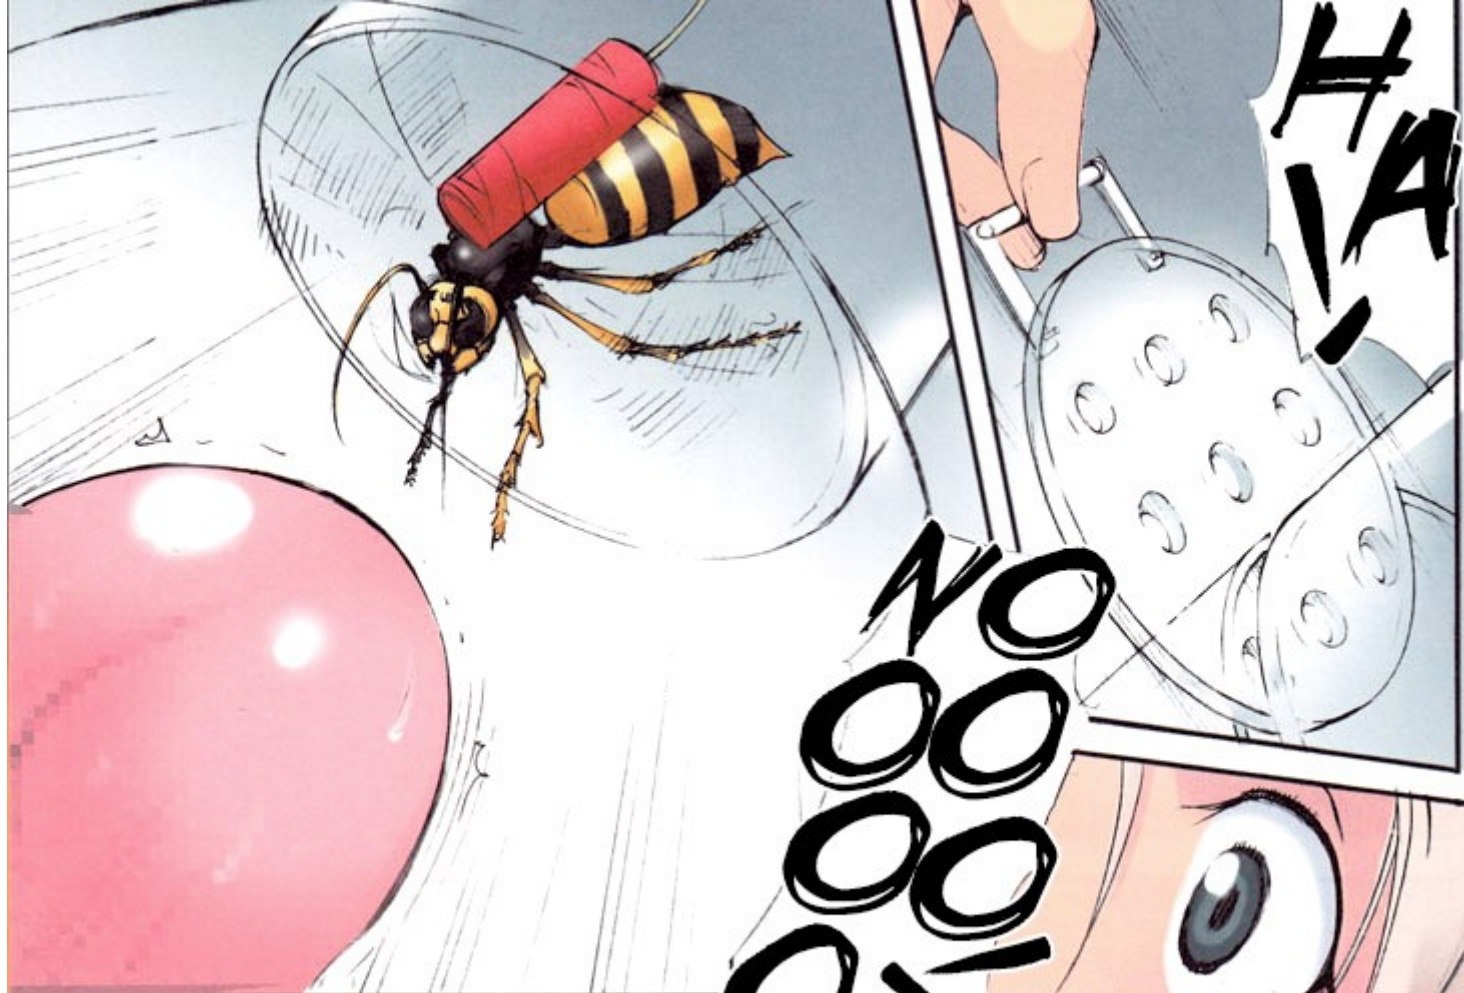

?

A
WASP!

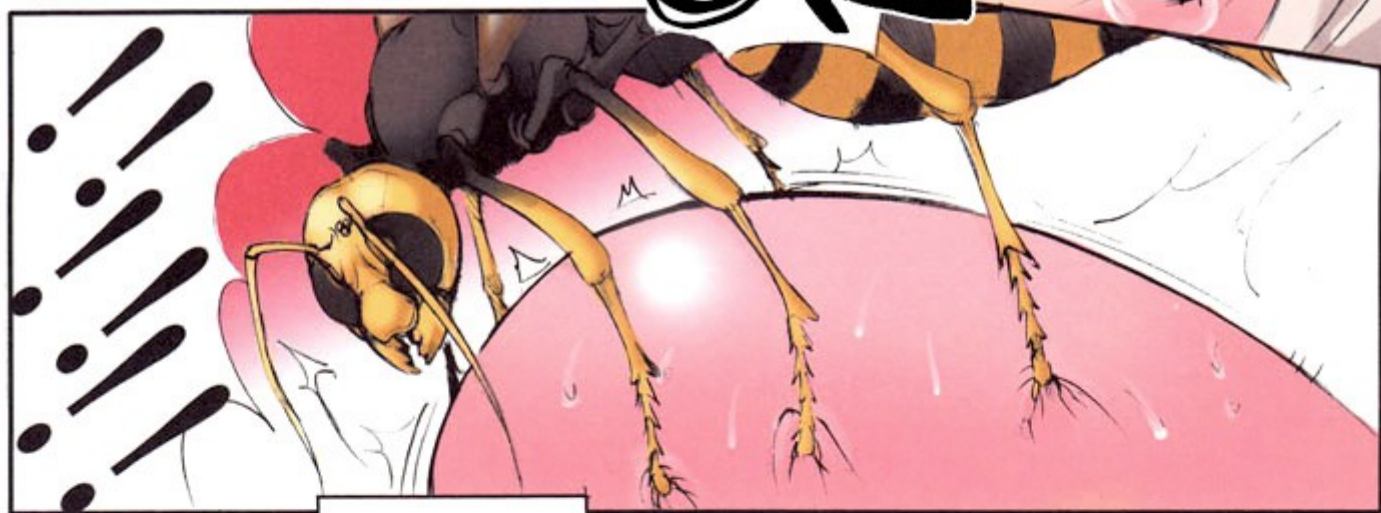

TA
DAH!

REALLY...
TRY NOT
TO DIE...

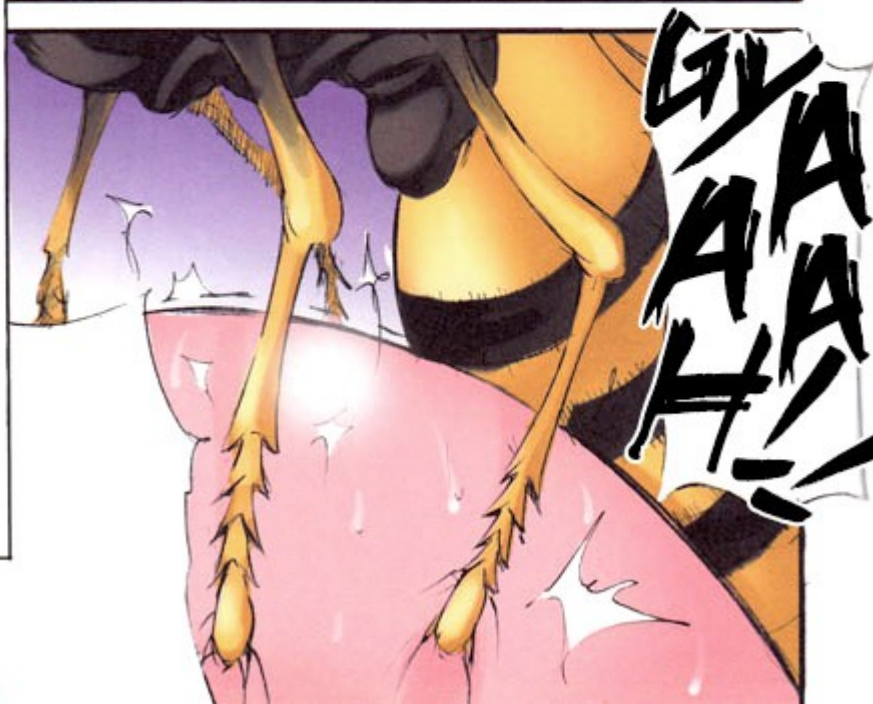

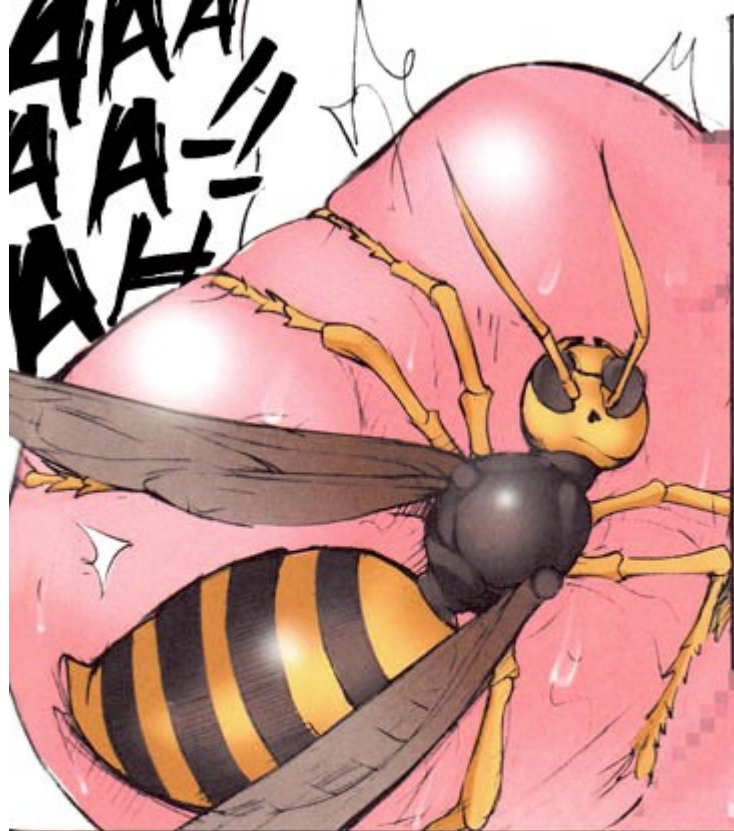

31

Even for an insect, the wasp has extremely powerful legs...

And on her overly sensitive and extremely enlarged clitoris, just the wasp walking felt like being stabbed with needles.

Her clitoris,
which had been
isolated from all
external contact
for two years,
without even a
breath of air
touching it...

Just having an
insect drag its
powerful legs all
over it would
have been
torture
enough...

32

However...
in addition to
its strong legs,
the carnivorous
wasp has
powerful jaws.

These are
truly
terrifying
weapons.

These jaws can do
more than simply
crush other
insects...

They have such
strength that they
sometimes tear
chunks of flesh
from the bodies of
larger animals.

The sudden bite of
those jaws is a
catastrophe...

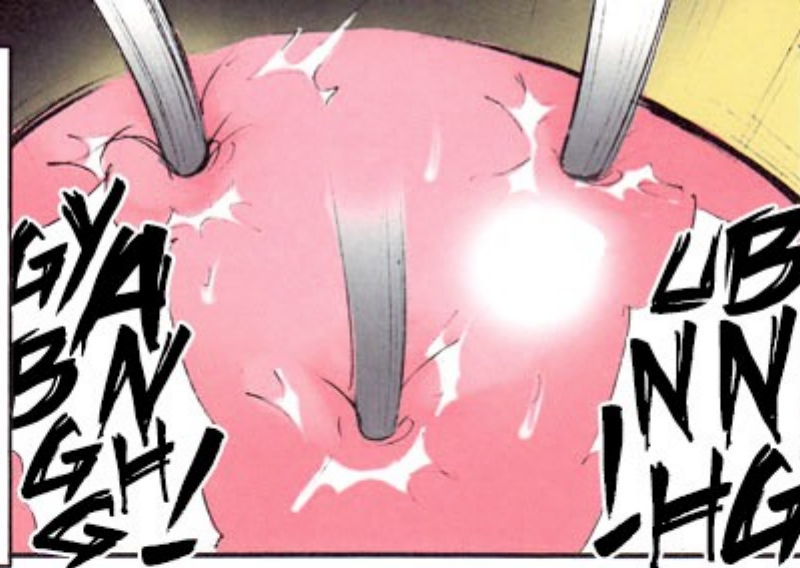

But above
and beyond
all these
weapons, is
the stinger!

The enclosed space drives it into a frenzy; until it inevitably attacks.

And the only available target in that enclosed space is the hyper-sensitive clitoris...

Unlike a honey-bee, a wasp is able to sting more than once...

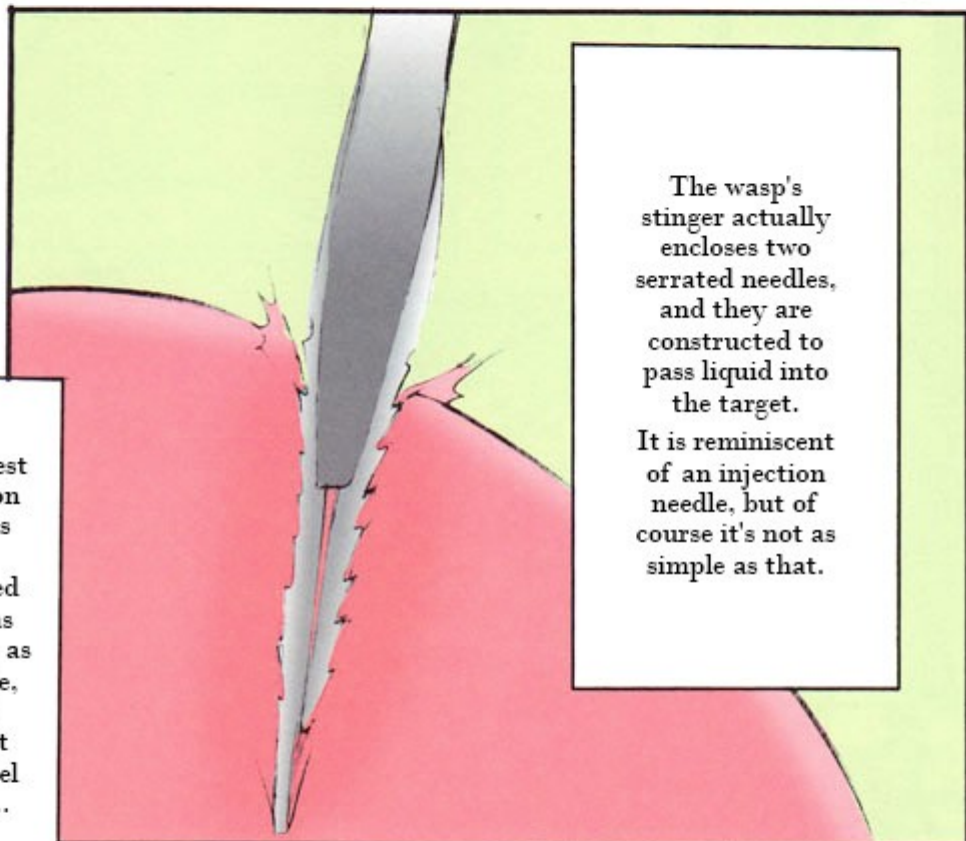

It can sting over and over again until it exhausts its reservoir of poison.

It clings on using its powerful jaws, and thrusts its stinger in again and again.

Nature has designed the wasp's stinger to cause pain, it is a natural weapon.

The latest injection needles are designed to be as painless as possible, you cannot even feel them...

The wasp's stinger actually encloses two serrated needles, and they are constructed to pass liquid into the target.

It is reminiscent of an injection needle, but of course it's not as simple as that.

34

HERE, RELAX.

I'M LIGHTING THE FUSE ON THE FIRE-CRACKER.

A ridiculous showdown between a fierce wasp and a sensitive clitoris...

A one sided show of brutality in which nature's most ferocious insect assaults the most sensitive and defenseless part of the body...

The wasp and the clitoris face one another in a sealed container.

It is a death match from which there can be only one outcome.

How many dozens of times will her poor clitoris be stung in that 15 minutes?

When the wasp stings ...

The pain and itching sets in immediately, and shortly after the affected areas swell up.

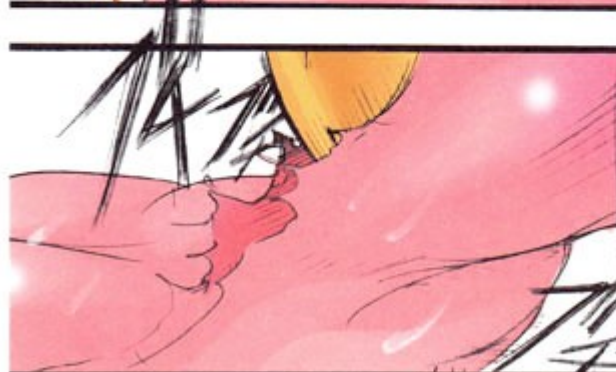

Within 10 minutes the poison cocktail from the wasp's sting also causes sweating, heart palpitations and difficulty breathing. All the while, the pain and itching continue...

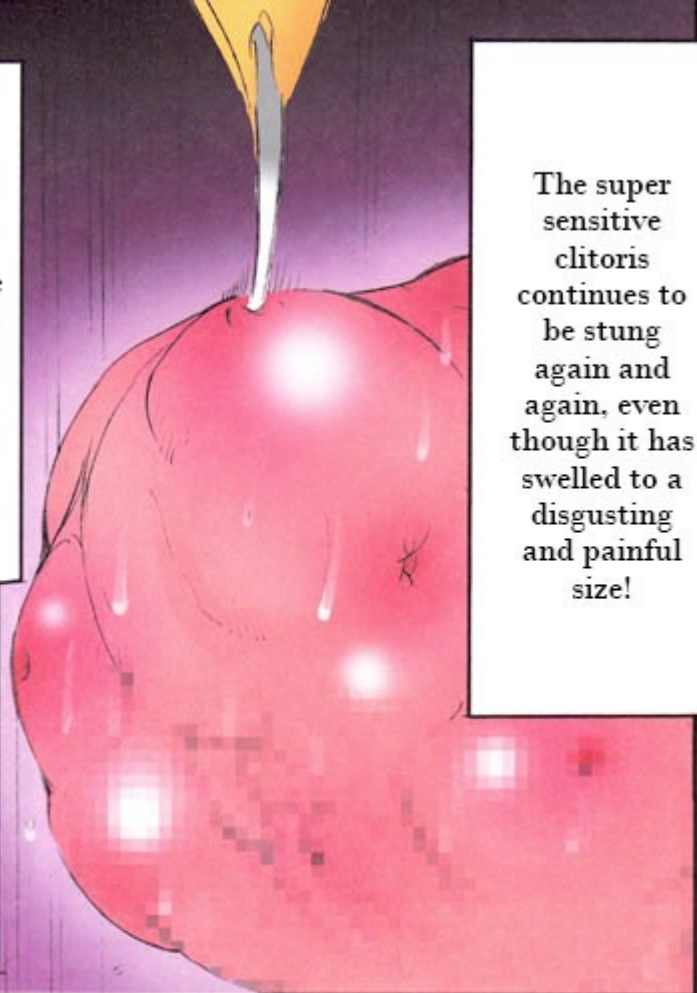

The swelling eventually reaches about 3 times the original size.

Bite it!!

Pinch it...
Rip it...
Tear it to pieces!!

The super sensitive clitoris continues to be stung again and again, even though it has swelled to a disgusting and painful size!

LNGH!
GNGH!

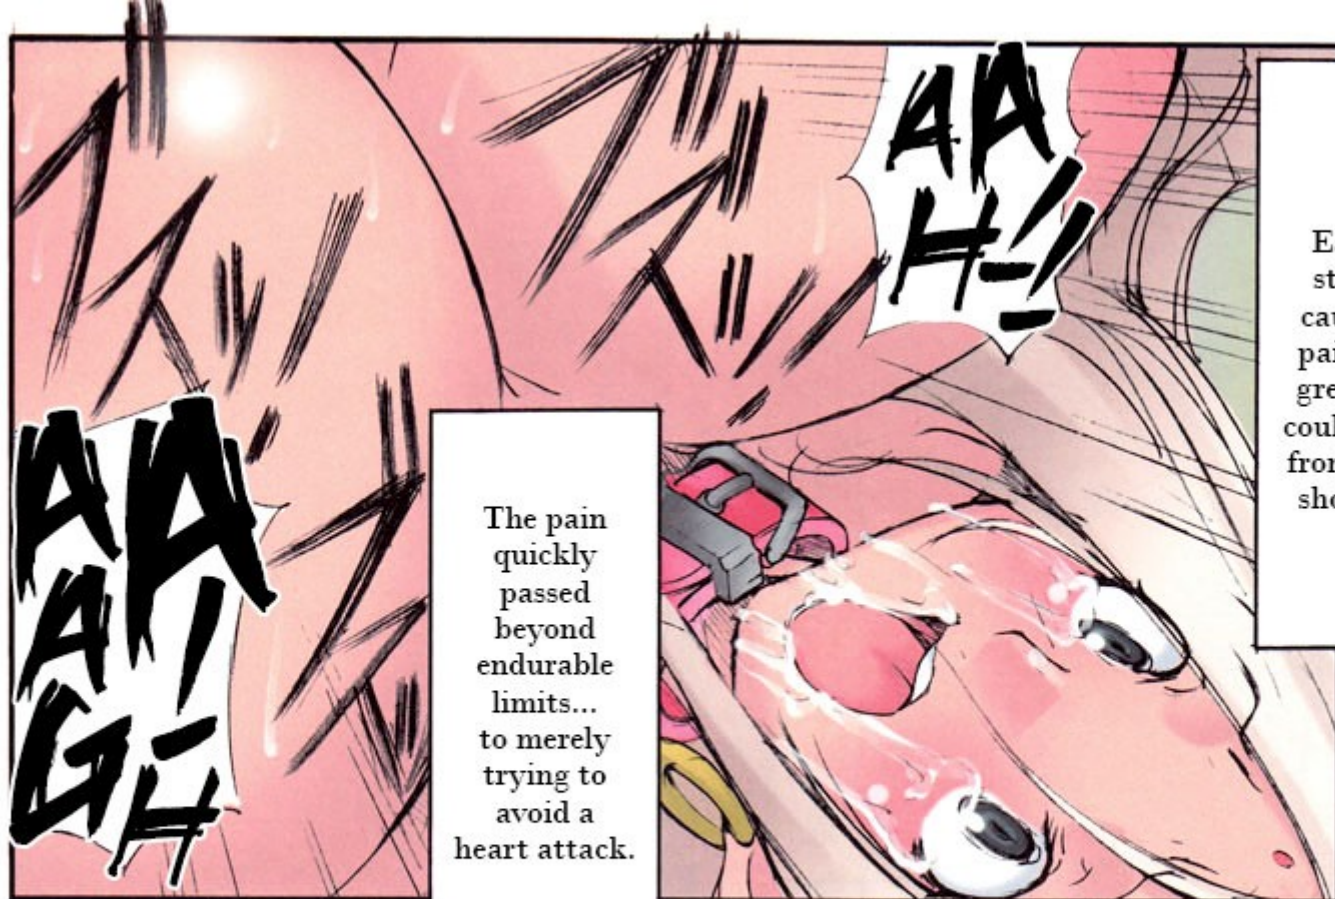

There is no hesitation or sympathy!
There is no resisting or avoiding the insect's machine-like cruelty.
So for 15 minutes the brutal assault of the sensitive and swollen clitoris continues!!

One particular sting...

Proves difficult to dislodge the stinger, so she is stung a second and third time!

Each sting caused pain so great it could kill from the shock!!

The pain quickly passed beyond endurable limits... to merely trying to avoid a heart attack.

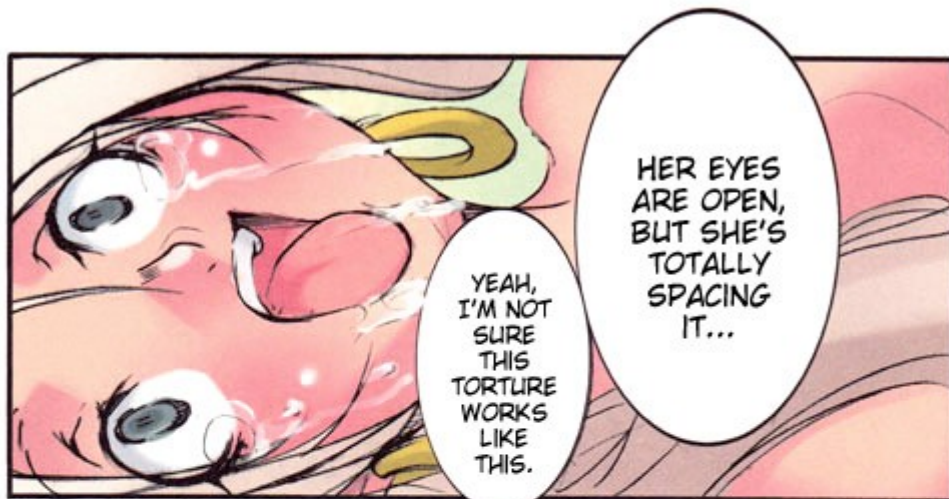

As she prays that the pain will not cause her heart to stop, she has to keep herself from fainting...

This was surely the longest 15 minutes of Manchella's life.

The sensitive clitoris, which is just getting its first touch of air in two years, is being turned into mince by the stinger and poison of the wasp.

YEAH,
I'M NOT
SURE
THIS
TORTURE
WORKS
LIKE
THIS.

HER EYES
ARE OPEN,
BUT SHE'S
TOTALLY
SPACING
IT...

WELL,
HER
HEART'S
STILL
BEATING,
FOR
NOW.

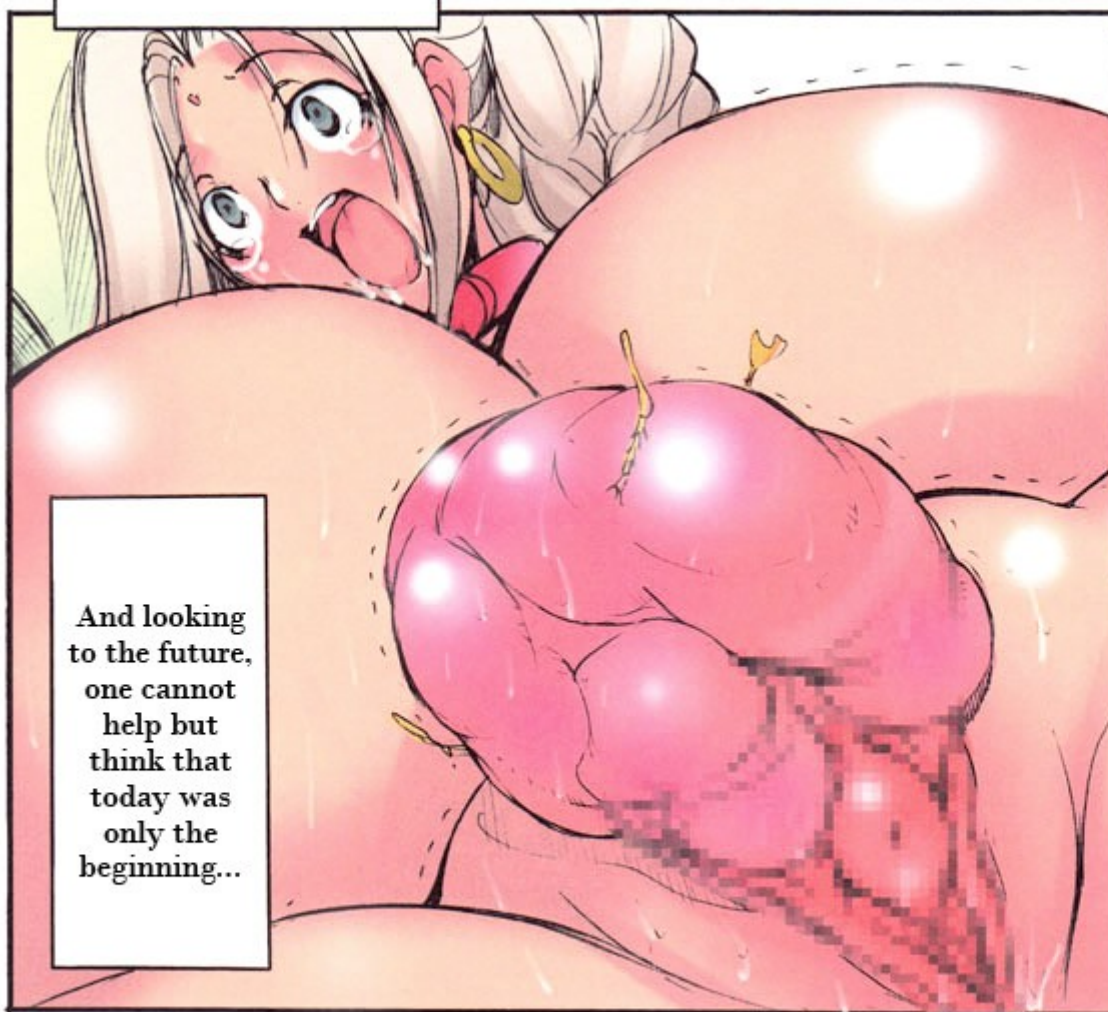

Although the explosion has passed, the ordeal is not yet over for the clitoris.

The surface is covered in cuts and burns, and there is no part left unscathed.

As the wasp bit and stung the clitoris, it also kept the huge firecracker in close proximity.

So when it exploded, it also caught the clitoris in the blast.

And looking to the future, one cannot help but think that today was only the beginning...

She ended the first day in a swoon, yet this day of indescribable horror was only the first of the year to come...

For the next year, every day will be filled with gruesome things to overcome.

TO BE CONTINUED

あとがき

廃棄生徒ファイル「ブラックファイル」の経緯

**「境界線の向こう側に行けなければ、このまま
ぬるま湯で終わってしまう気がしたから」**

このマンガの根本は昔ネットで読んだ（その道ではかなり有名な）
超鬼畜残酷小説「終わらない夏休み」のオマージュです。
一人の少女を夏休みの42日間徹底的に陵辱・虐待・破壊し、
およそ想像し得る（または想像を超越する）絶望の全てを与え、
あるいは持ち得る全ての希望を取り上げ、最終的には完全なる
絶望の中で死なせるといふ、究極と言っても過言じゃない残酷文学
です。卑猥も残酷も悪意も、ここまでやると既に文学だと思った・・・
この僕を持ってして、あまりの残酷っぷりにまだ部分的に読破
出来てないほど、英知とサティズムが詰め込まれた大作です。

元々はそのネット小説の同人誌を普通に出したいと考えての
企画だったんですが、構想しているうちにどうしてもオリジナリティ
を投影したくなったり、または僕なりのポルノ娯楽の範疇で表現
したいと思ったりした為、マルガレタのコンテンツの一つとして
表現することに決めたのが今回のこの本の厳密な経緯です。

「前提を「死」にする勇氣」

「死なせる文学」なだけで、まったく受け取れる感覚が変わって
るはず。いままでと違って今回のこの主人公は「死ぬ事が前提」
で、施される行為も「死んで構わない非道」なわけ。それ
だけでも、内在する残酷さがまったく違ってくる・・・

今までのマルガレタは「死なせない前提」の下構成されていた為、
僕がリスペクトして止まない幾人かのネット作家様達の残酷に比べ
どうしても手ぬるいんですよね：：
どこかで「良識を守りつつ残酷を描いていた」からです・・・
ぬるくなっていて当たり前だ：：

今回勇氣を持って「死なせる文学」に挑戦したのは、このぬるさの
「境界線」を越えるための冒険です。
鬼畜作家を名乗る以上は、一度は「死に向かう話」を描くべきだ・・・
と真剣に考え、リスペクトする先人のオマージュという心の逃げ道
を用意しつつ、着手してしまいました（＾＾；）
（まあ、オリジナリティ入れ過ぎて原型留めて無いだろうけど・・・）
臨場感の為に鉛筆線で仕上げたり、苦痛表現を採求したり・・・
書き手にも読み手にも、辛く重苦しいシリーズになると思います：：

2009・11 みこしろ本人

WARNING !!

KUMA GA DERUZO!!

この本は18禁です。18歳に満たないものは読んではいけません。
というか心臓の弱い人・常識を大切にする人・心が弱い人とかも
読むべきではありません(汗)
