"Well then, Mari, Misa,
pleased to meet you! Shall
we begin the photo shoot?"

"What's this? You're not
hard yet Misa? Could it
be that you're
nervous?"

Nice to
meet ya!
♡

Pl...
pleased...
to meet
you...

"That's
not good.
We've
already
decided on
having both
of you fully
erect as
our cover
picture."

Mari:
"Ehehe,
you
could
even
fit a
hand in
there!"

"As expected
of you, Mari,
your pussy
looks like it's
seen a lot
of action.
Just spreading
your legs
lets me
see deep
inside you.
Your clitoris
is also really
large, just
like your
dick."

Mari:
"Okaaay!
Ummm...
I'm Mari,
and my
penis is
about
36cm,
I guess?
I'm also
a D cup!"

"Well,
putting
that aside
for now,
how about
you introduce
yourselves?"

YAY

"This also happens to be
the first time for the
younger sister Misa!"

Misa:
"My name is... Misa,
I came along because
my sister invited me.
I'm an I Cup...
but I haven't...
measured my penis...
I'm sorry..."

"Thank you, Misa.
Your smooth and
beautiful pussy
really creates a
nice contrast to
your sister's!"

Mari:
"Don't let
her looks
fool you!
This lewd
pussy is
like a cock
sleeve that
can swallow
my huge
dick to
the base!"

MARI!!!

Mari:
"Cmon, Misa!
How long are
you gonna
keep this
facade going?
Start getting
erect already!"

"Will your dick get erect
if Mari puts her dick inside you?"

Misa:
"...Ummm... Usually that
wouldn't be... needed..."

Mari:
"Let's start getting
serious, and do it
just like we do at home!"

"Oooh, Finally we'll get to
watch you two have sex
with your huge dicks,
we can't wait!"

Mari:
"I guess it can't
be helped...
Watch closely
as I stimulate
Misa by shoving
my dick inside
her pussy,
okay?"

"Wow, you
can see it
through her
stomach,
will she be
okay?"

Mari:
"No
worries!
She's fine!
We do
this stuff
all the
time!"

Mari:
"Here,
look!
It went
inside
her
this
easily!"

**"You're right,
Misa's dick
is slowly
starting to
become
erect!"**

Mari:
"Ah, damn...
It felt so
good that
I came a
little..."

"What? Eh?
Is this
what you'd call
"a little"!?"

Mari:
"...Are you still
not fully erect?
Seems like I'll
have my hands
full today."

"Eh?
You're joking,
right? She's
not fully
erect yet?
It's bigger
than yours
already,"
Mari..."

Misa:
"Geez,
you came
so suddenly,
Mari..."

Mari:
"Here,
this is
the pussy
you love
so much,
Misa!
Let's make
sure you get
fully erect
now!"

"These two
have started
doing their own
thing now...
Oh well.
...Has Misa's
personality
changed?"

Misa:
"Ahaaaahn!
Your pussy
cock sleeve...
I can't wait
to shove my
dick inside
you..."

"Woah... What an incredible
dick you've got there Misa...
It must be about twice as big
as your sister's!"

Misa:

"Umm... Can we do
it one more time?"

"Eh? Um, before that,
would it be fine if we
took the cover photo...?
(They're not listening...)"

Misa:
"Hey, the photo shoot
for the cover picture
is starting so try to
stand up straight!"

"Will Mari be alright?"

Misa:
"Ah, don't worry,
She's just fine...
We do this stuff
all the time at
home after all!"

Let's do it
about 30 more
times! ♡

"Misa
has really
gotten a
hold of
her nerves.
It's like
she's a
whole
different
person
from
before..."
