

YOU'VE BEEN  
PRETTY QUIET  
FOR A WHILE  
NOW...ARE YOU  
ANGRY?

HIBIKI?

I DON'T  
THINK IT'S  
TOO SEVERE  
OF A STORM,  
BUT IT SUCKS  
THAT IT  
HAPPENED  
RIGHT IN THE  
MIDDLE OF THE  
FIREWORKS  
DISPLAY...

もう  
おどろき  
すぎ

I CAN'T  
BELIEVE  
IT STARTED  
RAINING  
RIGHT IN  
THE MIDDLE  
OF THE  
FESTIVAL.

AND WHO'S FAULT DO YOU THINK THAT IS, JUNPE?!

ACTUALLY, YOU'RE THE ONE THAT CAME UP WITH THE IDEA FOR THAT BET ANYWAY.

AND YOU'RE THE ONE THAT AGREED WHO-EVER LOST THAT FREETHROW CONTEST WOULD DRESS UP IN GIRL'S CLOTHES.

Hot damn, it's been a while. Sorry about the delay, I had some serious PC problems (tl;dr, I built a new one), and have been really busy in real life (unfortunately) to boot. But no, I don't plan on stopping any time soon. Hopefully my next few will be quicker, but even if not, once it gets to about mid-December I'll definitely be pumping these out a lot faster. Teehee.

As for the translation, I do have a small note. What I refer to as a "bet" is actually "罰ゲーム" (batsu geemu) or "Punishment Game." It's basically a game where the loser has to do something decided earlier by the participants. Since there really isn't a completely accurate translation for that in English, I just changed it to the closest thing I could think of. Not really a big deal, but hey.

The editing for this was easy. That's actually why I think I'm probably going to do the rest I chose out of Otokonoko Heaven Vol. 11 before I do any full colors. I just don't have the time for that right now. I was actually going to do Desire Case 2.5, as I found a blank copy I apparently edited earlier, but then I realized I'd have to go and edit all the fucking text in the background. Not happening right now. However, once I do have the time for full colors again, I'll probably do that one, so expect that.

Lastly, I haven't had the time to read through the latest trap or fetish (I was thinking of doing some futa-on-male that I really liked some time soon) releases, so I can't say anything about that. However, unless one of them completely blows my mind in terms of quality, I'm probably going to go through and finish the chapters in OnKH 11 I liked. Until next time (hopefully sooner this time)!

**HAPPY FAPPING!**
