Hero
Pamilda Merlin (age 25)
The so-called "hero"
(a magic sword-fighter to be exact)
Height: 177cm B 81 W 59 H 103

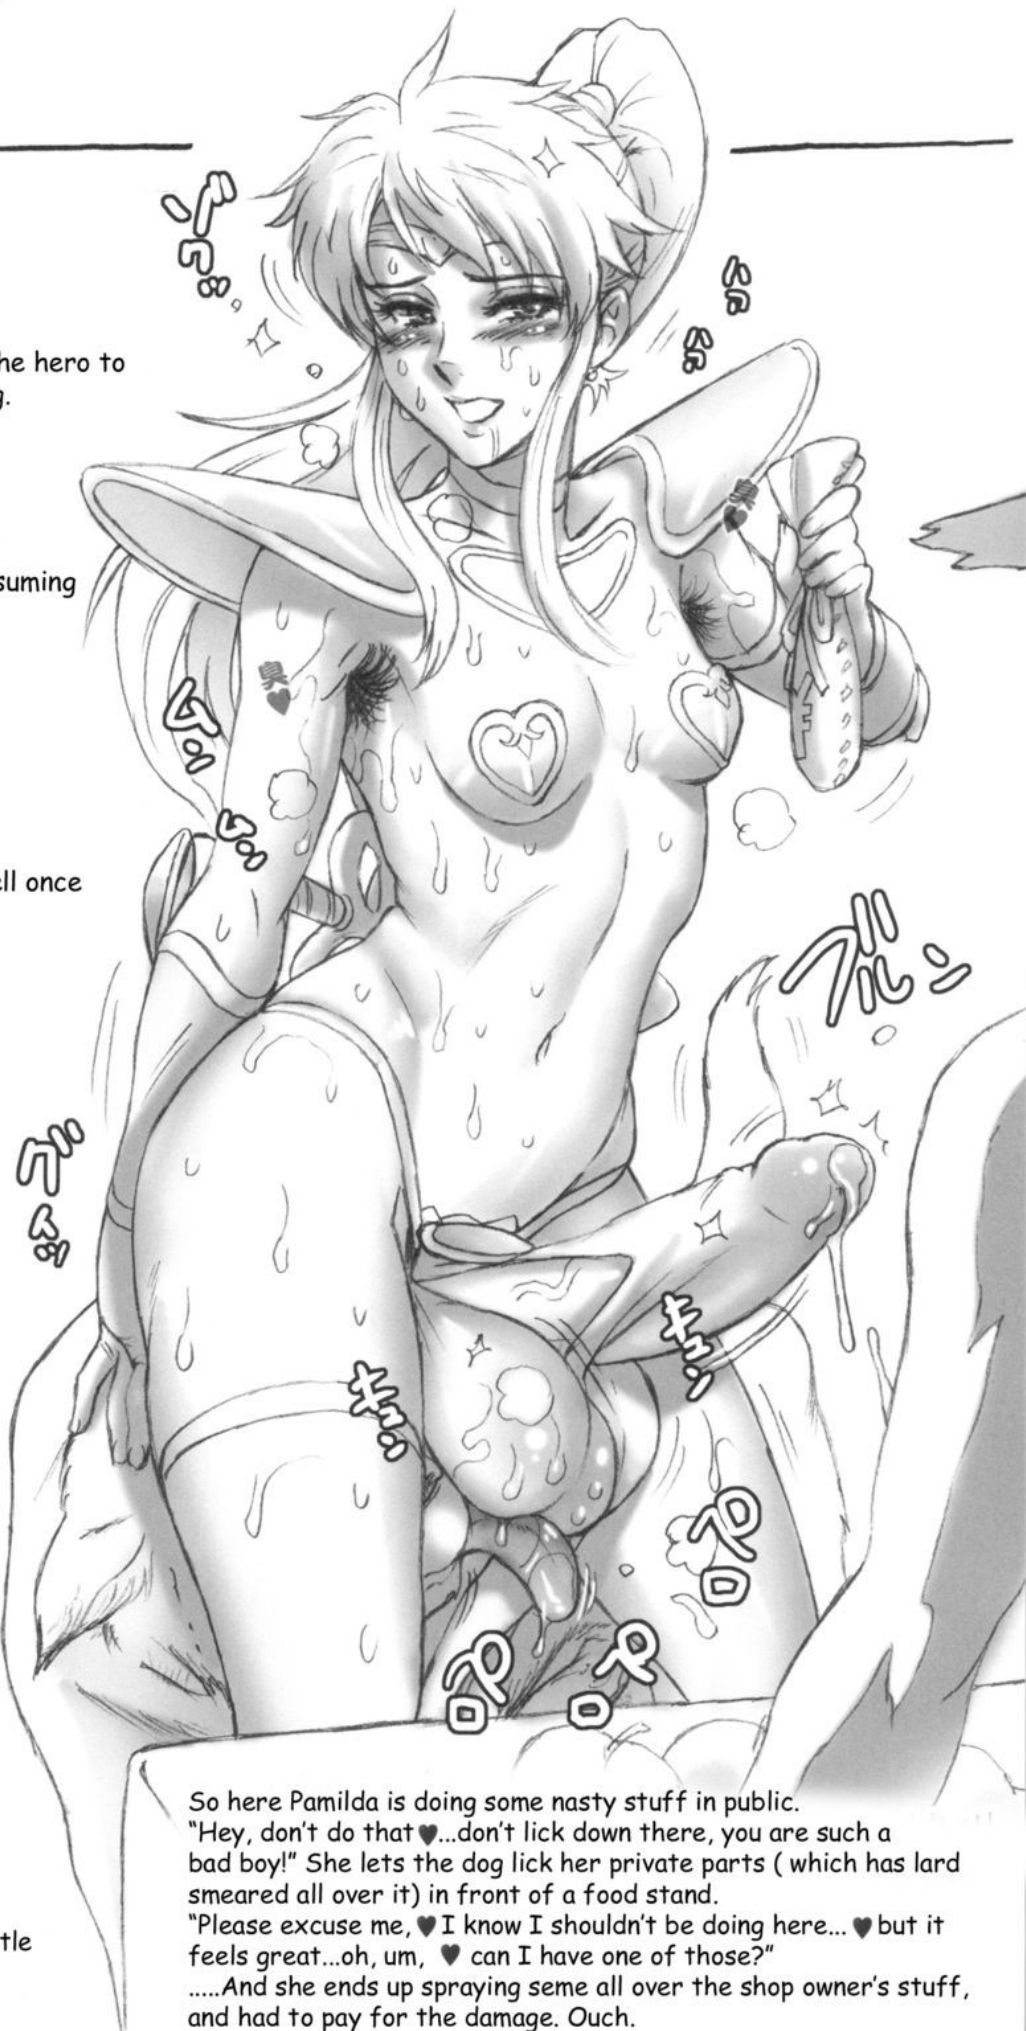

She is a young woman who has become the hero to save this world from the evil demon king. She is a natural-born hermaphrodite and was chosen by a certain person due to her superb sex-energy.

She uses her sex-energy to attack and defend, and her power increases by consuming semen and also feeling horny. On the other hand, once she reaches her climax, she grows weak.

She is said to have worked at a church before, and cannot ignore people who are in the need for help.

She is a basically a pure masochist slut and tends to let out a certain nasty smell once she gets "excited."

Her special metal bikini armor is a magic item that is strong against heat, the cold weather, and also acts as an insect repellent.

"Hehe, thank you so much for a great time.... ♥ Here you go." To show her appreciation, Pamilda does a little something to the dog in the alley.
"Ah ♥ this is good...♥ so tasty ♥ "

So here Pamilda is doing some nasty stuff in public.

"Hey, don't do that ♥...don't lick down there, you are such a bad boy!" She lets the dog lick her private parts (which has lard smeared all over it) in front of a food stand.

"Please excuse me, ♥ I know I shouldn't be doing here... ♥ but it feels great...oh, um, ♥ can I have one of those?"

.....And she ends up spraying seme all over the shop owner's stuff, and had to pay for the damage. Ouch.

~The quest~

So during her quests to defeat the Demon King, Pamilda will sometimes team up with others.

For this certain quest, she has chosen a unicorn named "Shi."

"Wow, ♥ you are so pretty, Shi ♥"

Pamilda instantly fell in love with the unicorn's gracefull appearance.

About the unicorn

Unicorn has great magic powers and often uses them to seduce other species. They act as a bodyguard for their mates, and in return asks for a "favor."

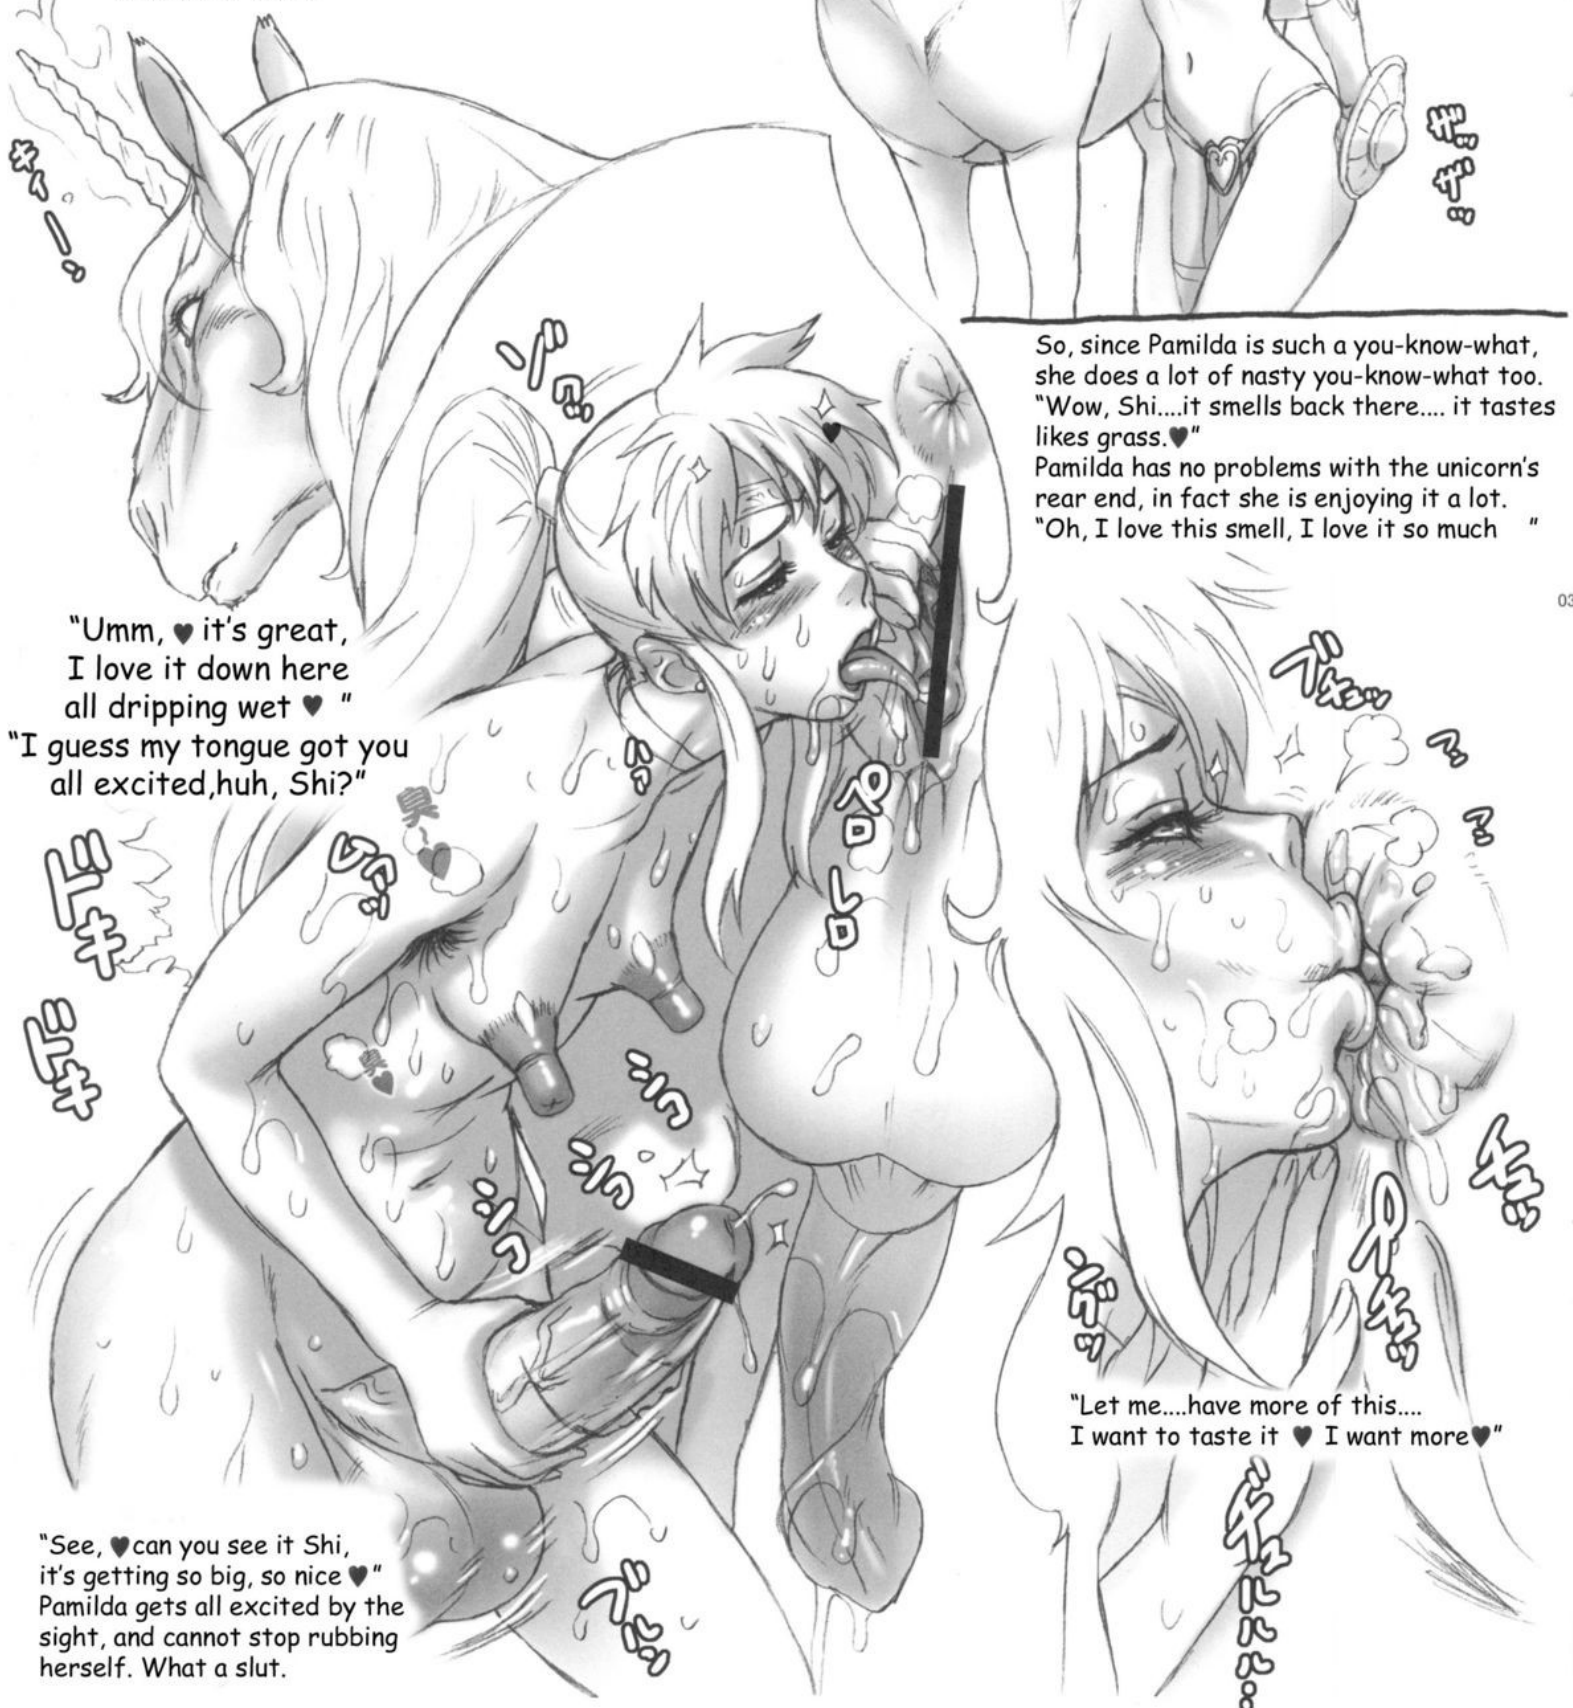

So, since Pamilda is such a you-know-what, she does a lot of nasty you-know-what too. "Wow, Shi....it smells back there.... it tastes likes grass.♥"

Pamilda has no problems with the unicorn's rear end, in fact she is enjoying it a lot. "Oh, I love this smell, I love it so much "

"Umm, ♥ it's great, I love it down here all dripping wet ♥ "

"I guess my tongue got you all excited,huh, Shi?"

"Let me....have more of this.... I want to taste it ♥ I want more ♥"

"See, ♥ can you see it Shi, it's getting so big, so nice ♥" Pamilda gets all excited by the sight, and cannot stop rubbing herself. What a slut.

"Um ♥ so big... ♥
Shi, yours is so big
Um, ugh... ♥ so good ♥
Horse d*ck, horse d*ck ♥ "

(Wow ♥ I can't believe what I'm
doing here.... someone might see me
doing this, all naked ♥)

(Ah ♥ I can feel it, the horse d*ck is
making me stronger, I'm smelling
stronger ♥)

"Ugh ♥ Um, ♥ great ♥
Shi, you are so great ♥
I'm feeling it ♥ "

"Oink ♥ Oink ♥
Oh, I am turning into a pig
The horse d*ck is
turning me into a pig
oink ♥ oink ♥ "

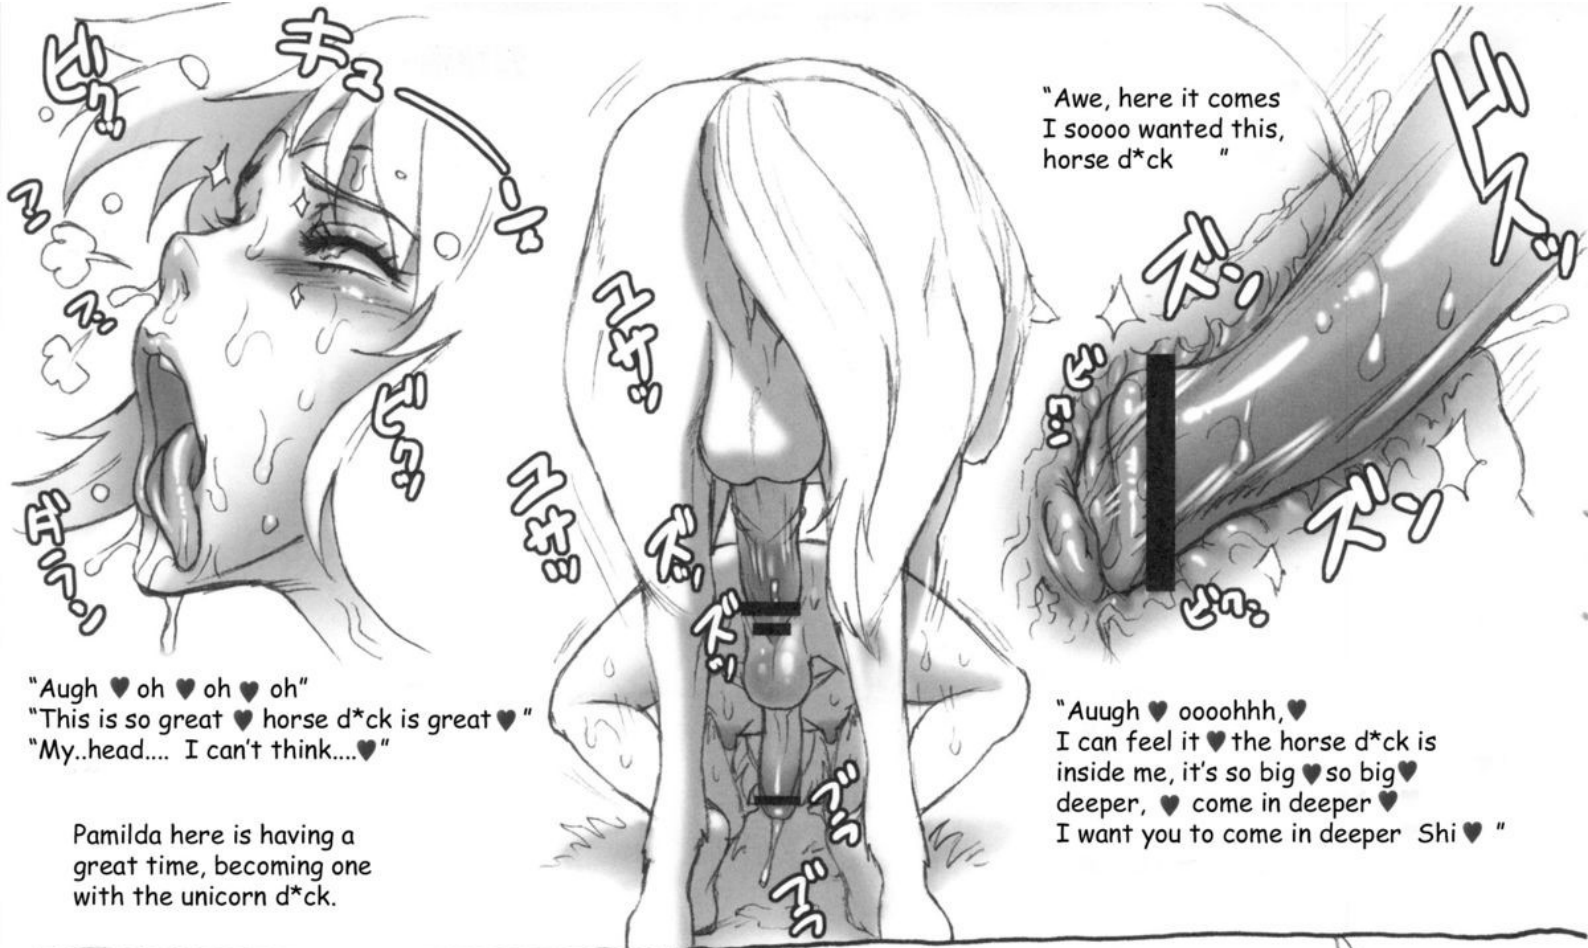

"Awe ♥ more ♥
More ♥ more ♥
I want more ♥
gimme ♥ gimme ♥ "

"Oh ♥ ugh ♥ this is good ♥ please gimme ♥
Please offer me, gimme pleaaaaase ♥♥
I am your slut pig, please ♥gimme ♥"
"OINK ♥ OINK ♥ OINK"

So Pamilda is really getting into
this to a point where her
lower jaw might get dislocated,
but she is showing no signs of stopping

" Auuuuugh, augh ♥
This is greaaaaat ♥
This tastes so goood ♥
It's inside me, it's inside me ♥ "
So it seems like she is quite a
satisfied slut here with the unicorn semen
all over her body.

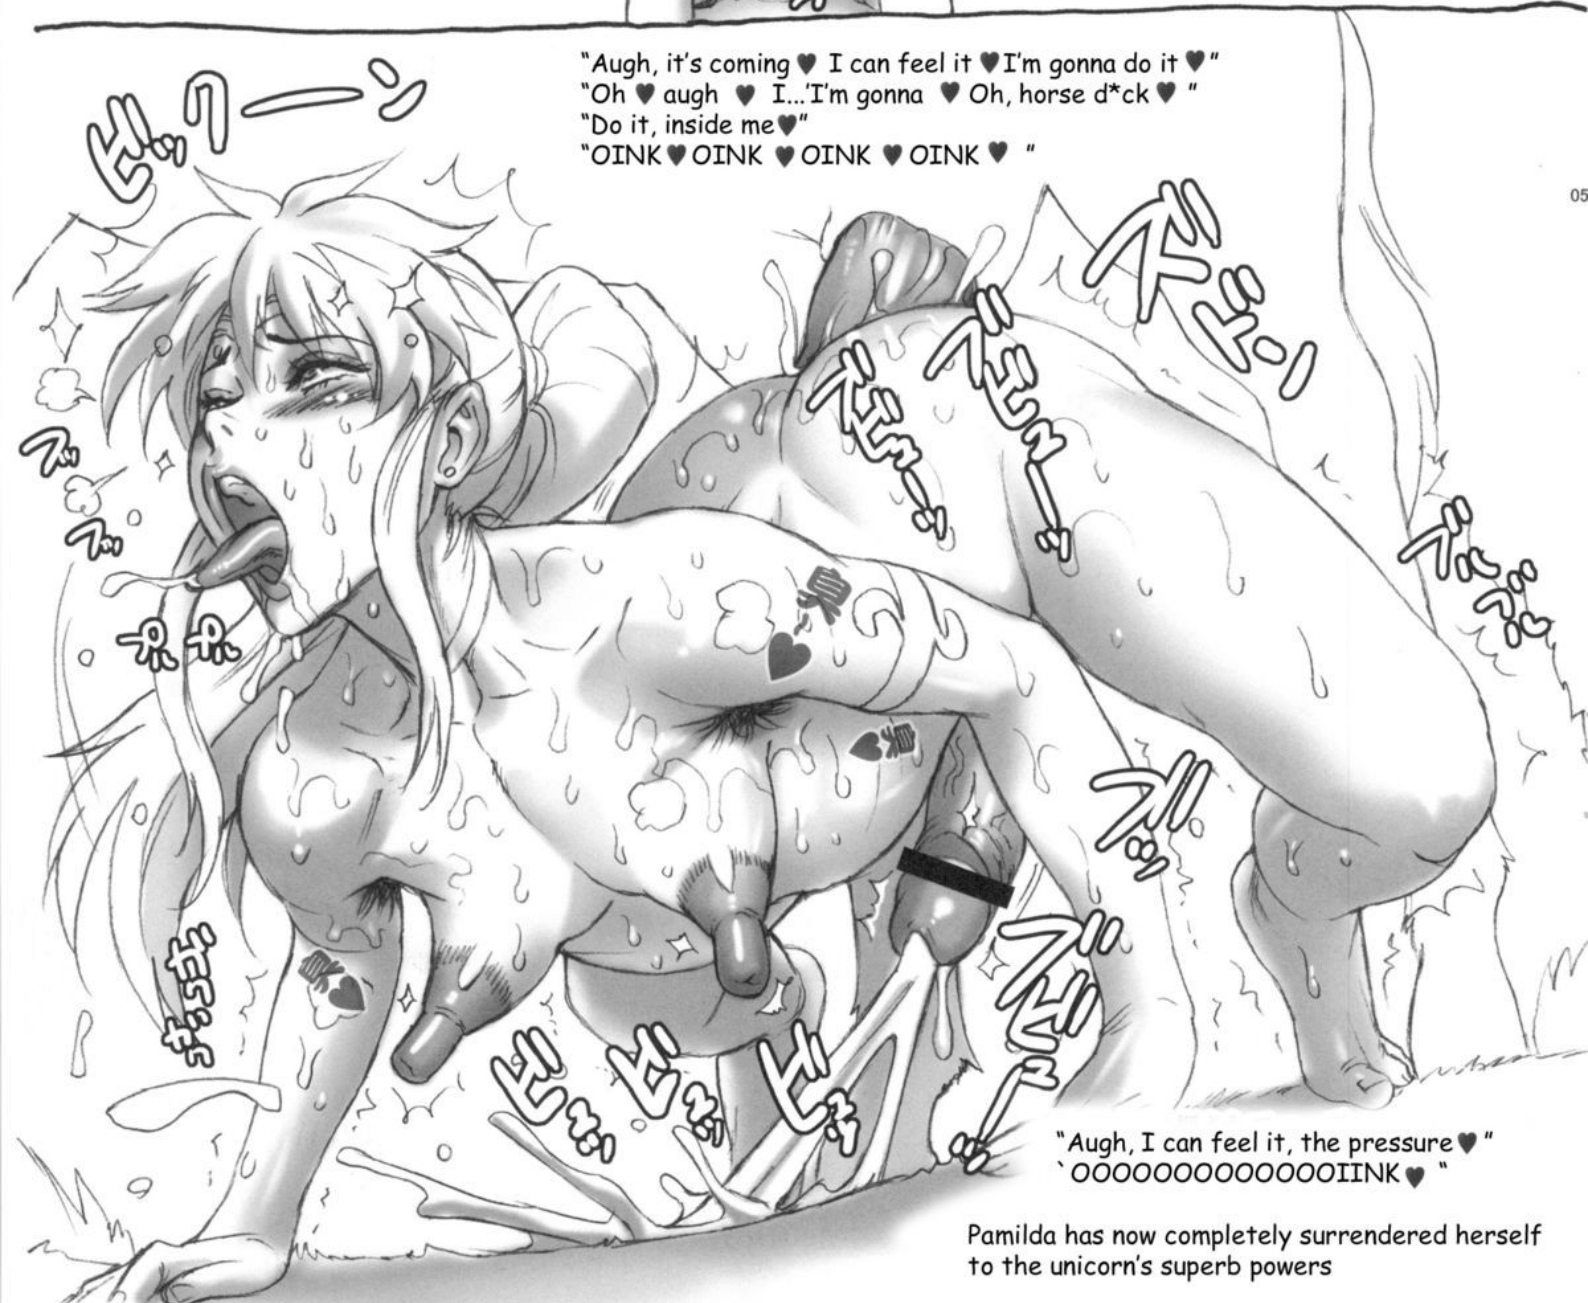

"Awe, here it comes
I soooo wanted this,
horse d*ck "

"Augh ♥ oh ♥ oh ♥ oh"
"This is so great ♥ horse d*ck is great ♥"
"My..head.... I can't think....♥"

Pamilda here is having a
great time, becoming one
with the unicorn d*ck.

"Augh ♥ oooohhh, ♥
I can feel it ♥ the horse d*ck is
inside me, it's so big ♥ so big ♥
deeper, ♥ come in deeper ♥
I want you to come in deeper Shi ♥ "

"Augh, it's coming ♥ I can feel it ♥ I'm gonna do it ♥"
"Oh ♥ augh ♥ I...I'm gonna ♥ Oh, horse d*ck ♥"
"Do it, inside me ♥"
"OINK ♥ OINK ♥ OINK ♥ OINK ♥ "

"Augh, I can feel it, the pressure ♥"
"OOOOOOOOOOOOOIIINK ♥ "

Pamilda has now completely surrendered herself
to the unicorn's superb powers

~The Attack~

Pamilda and Shi's adventure had to suddenly come to an end one day when they got attacked by a pack of dogs.

"They have collars on!!"

"Shi, run!!
I'll take care of
these guys!"
Pamilda is a bit of a hero here.

"Hey, over here.....augh!"
In order to let Shi escape,
Pamilda has decide to
become the dogs'
sex toy.

"Oh no, don't....
not too hard... ♡"

It seems like the
dogs were attracted to
Pamilda's erotic scent.

"Oh no, ♡don't bite
down there... no ♡"
(oh hey, these dogs don't
have teeth ♡that's why
it feels so good ♡)
Pamilda is feeling so good,
she ends up spraying all over the place.

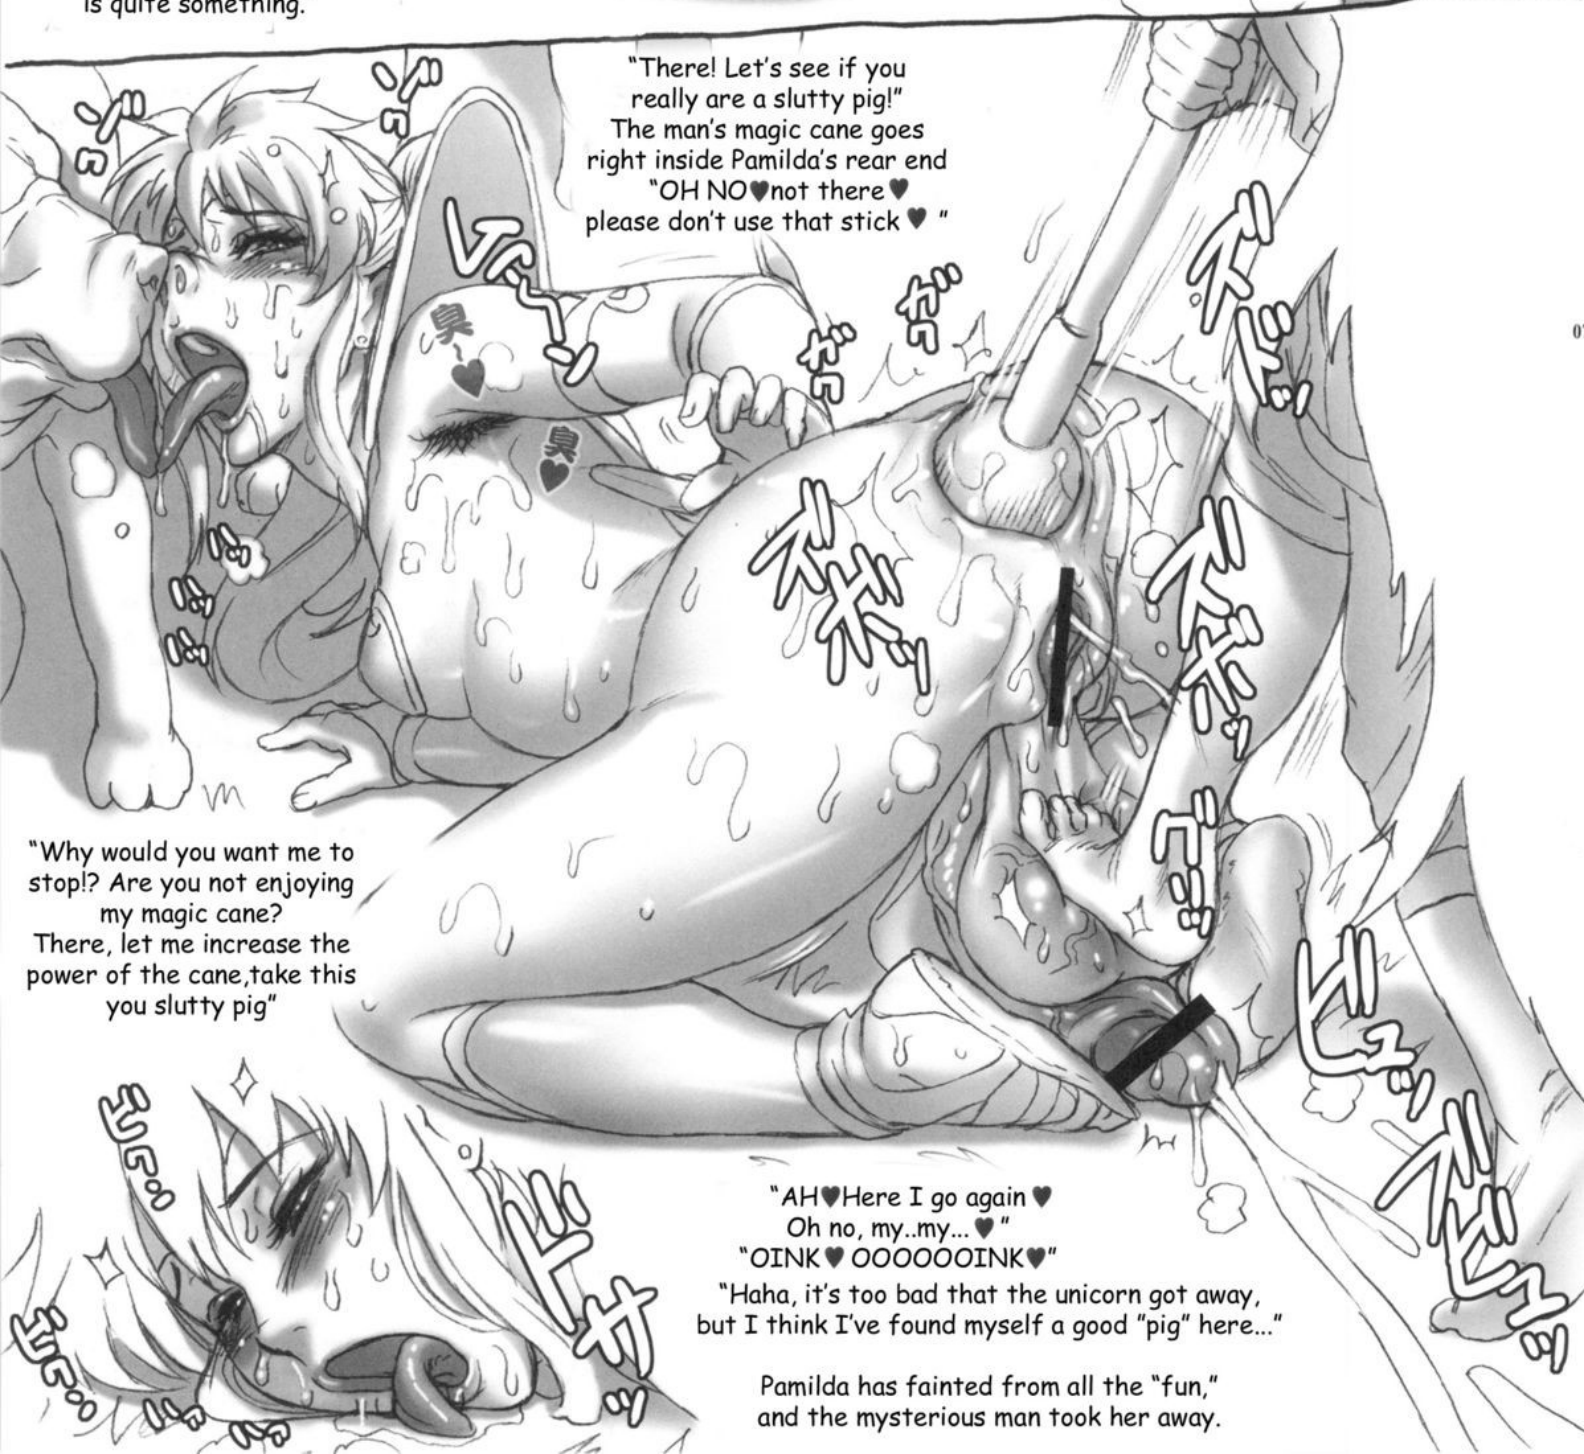

"Ugh ♡no, I'm... ♡
I'm being...oh no, by dogs... ♡"

"Hump...this is quite something, being attacked
by my dogs, yet enjoying it."
A mysterious man suddenly appears.

"Oh no ♥ I'm just
being attacked by a stick
why am I... ♥ feeling so good ♥
Oh no, I'm... ♥ "
"Well this is impressive,
this smell of yours...
is quite something."

"So...let's see how strong
your sex energy is."
The man is holding a cane
in the shape of a man's genital,
and he starts attacking
her with it.
"Ah ♥ no ♥ don't ♥
Please don't use that ♥ "
(Oh my, this stick... ♥
it feel so good ♥)

"There! Let's see if you
really are a slutty pig!"
The man's magic cane goes
right inside Pamilda's rear end
"OH NO ♥ not there ♥
please don't use that stick ♥ "

"Why would you want me to
stop!? Are you not enjoying
my magic cane?
There, let me increase the
power of the cane, take this
you slutty pig"

"AH ♥ Here I go again ♥
Oh no, my..my... ♥ "
"OINK ♥ OOOOOOINK ♥ "
"Haha, it's too bad that the unicorn got away,
but I think I've found myself a good "pig" here..."

Pamilda has fainted from all the "fun,"
and the mysterious man took her away.

"Oh no..♥what is it.. "

"It's time for some milking!"

The Inma men applies lard on Pamilda's balls.

"Hey!! Stop♥"

Inside a dark room, Pamilda is tied up with a ring placed on her nose. The ring is a sign of her being the Inma's slave.

"Well, this is impressive."

"Yes, very nice, isn't it."

"Oh no..♥what is it.. "

"It's time for some milking!"

The Inma men applies lard on Pamilda's balls.

"Hey!! Stop♥"

Inside a dark room, Pamilda is tied up with a ring placed on her nose. The ring is a sign of her being the Inma's slave.

"Well, this is impressive."

"Yes, very nice, isn't it."

~The torture~

A small number of men called "Inma" (meaning nasty demon) lived in the ruins, kidnapping others and taking the sex energy away from them.

It was rare for these men to come across someone as rare as Pamilda

The dogs go after Pamilda's balls
 "NO!! Please don't♥
 don't eat my balls♥
 Oh no, it's gonna...♥
 please don't ♥ "

The Inma men places the sacred semen jar under her body and watches at it fills up.

"Haha, this is great, it is filled with energy!"

During that time,
her body had been
modified and changed to
become even more slutty.

"Hahaha, look at
you...great body, be
proud of it, slut!"
"Oink♥Oink♥Oink♥"
"Don't you worry, we will
be taking good care of you!"
"Oink♥Oink♥Oink♥"

~body modification~

It has been a month
since Pamilda has been take
to the Inma's castle,
and it seems like they have been
taking good care of her
as their "pig".

Pamilda will continue
to be kept as a slave
and the Inma's "pig"

This is called the
"flesh jar"
It was created by the Inma men
in order to modify and further
"inhance" the pig's body.
The flesh jar continues to give
pleasure to Pamilda.

(Oh... ♥ it's great to be in here ♥
Augh ♥ it smells so bad ♥
BUT I love it so much ♥
It stinks ♥ but I love the
smell filling up my nose ♥
It feels so good ♥
Please ♥ gimme more more ♥
Augh, I can feel it,
inside and out ♥
it is filling my body ♥"

The jar can sense that Pamilda
is enjoying all of it, so it
continues to give her the
pleasure she is seeking.

"Haha, I'm sure
these magic darts would
cause a lot of pain,
even for a pig like you, huh?"
"Oh nooo it hurts ♥
it hurts ♥ but it
feel so good ♥
Please ♥gimme more
Please hurt me more ♥"

"Haha, so it seems like
the pleasure is stronger
than the pain,
Here you go!!"

"Augh ♥ no ♥ Please don't
It will get damaged down there!"
"Haha, no worries, your
body can take all of this!"
Pamilda's body gets violated by
a spiked iron ball.

"It seems like every time
we stick it in, you are enjoying it"
"That's because of that magic cane..."
"Here, eat more of this!"
"Aughh ♥ no ♥ no ♥"
"Haha, this is the 32nd one.
We are almost at 47, we are
getting close."

The endless "torture" keeps
enhancing Pamilda's sex energy

After the sex energy becomes ripe,
the Inma men takes half a day to "milk" it all out.
"Oink.. ♡ no... ♡ I.... I can't.... I'm going to die.... ♡
Please.... kill me... ♡ f*ck me to death.. ♡ "

"Hahaha, this is pure energy,
you slutty pig!!"

As gruesome as the "milking" ceremony is,
it keeps giving great pleasure to Pamilda.
(Oh♡I can't stop♡
I.... ♡ I want to stay like this forever♡)

~~~~~

So, if the story went on like this,  
that would have been OK....  
BUT, Pamilda is after all a hero,  
she needs to go fight the Demon King.  
(and of course get screwed along the way)

A few days later, Pamilda  
left the Inma's castle, with the  
"Sacred sex energy" ( which was made  
from her own body) bottle  
in her hand.

~FIN~

( Please....modify  
my body more... ♡  
make it bigger and  
nastier ♡ Please  
keep me as your slave♡)
