EROGUN EROTIC-ARMED FORCES
KENTA AKIYAMA Presents

Just from being touched by you!

Ugh... Uhh... I think I'm going to cum...

Nn... Ahh!

Ah... Ahh! It's so good...

Your fingers... They feel so good...

Your highness, hurry up...

And give it to me just as well!

Hey, Mr. Demon King!

Please give me your dick!

は

は

Ahhh! Oh, no!

Alright, wait just a little!

Your highness, if you keep doing it so violently...

And I'll stick it inside of you guys just as well!

Large stylized sound effects (onomatopoeia) indicating intense pleasure or pain.

A muscular man with black horns and a wide, toothy grin is embracing a woman with long brown hair from behind. They are in a shower, with water splashing around them. The man's body is glistening with water. To the right, a blonde woman is also in the shower, looking surprised with her mouth open. The scene is set in a shower stall with a blue curtain partially visible on the left.

The king of
all the kings
who rule this
world!!

That's right!!
I am the
Demon King!

Ahh!

Ahhh!

All the

honor in this
world...

As well
as all its

They all
belong
to me!

Egh-ha-
ha-ha!

Ahhh! You're
fucking me
so hard!

Naoto!!

How dare
you get
hooked
on other
women...

While
having a
fiancee
like me
here...

You

Become the

Kushinokami
Sadamitsu!!

Well,
today
you will
finally...

I'm
sorry...

Uaghhh!

Wake up, Naoto, will you!?

Naoto!!

How can you fall asleep so carelessly right in the middle of a war council?

And I'm sure you've been watching some very indecent dream too, huh?

Mikogami Ayaha, adjutant at the Roshuu Army of the Great Feline Deity Empire (Brigadier General)

Oeh!?

Ahh!

She didn't slay me yet...

I'll continue with my report, alright?

Erm...

No... Not at all...

My name is Sarashina Naoto and I am the commander-in-chief of the Roshuu Army of the Great Feline Deity Empire.

About half of the garrisons and royal guards have surrendered...

We have gained complete control...

People call me the Demon King and everyone is scared of me... And even though I can't explain why, I'm actually satisfied with that name!

And therefore, we have now captured over 2,000 enemy soldiers and officers...

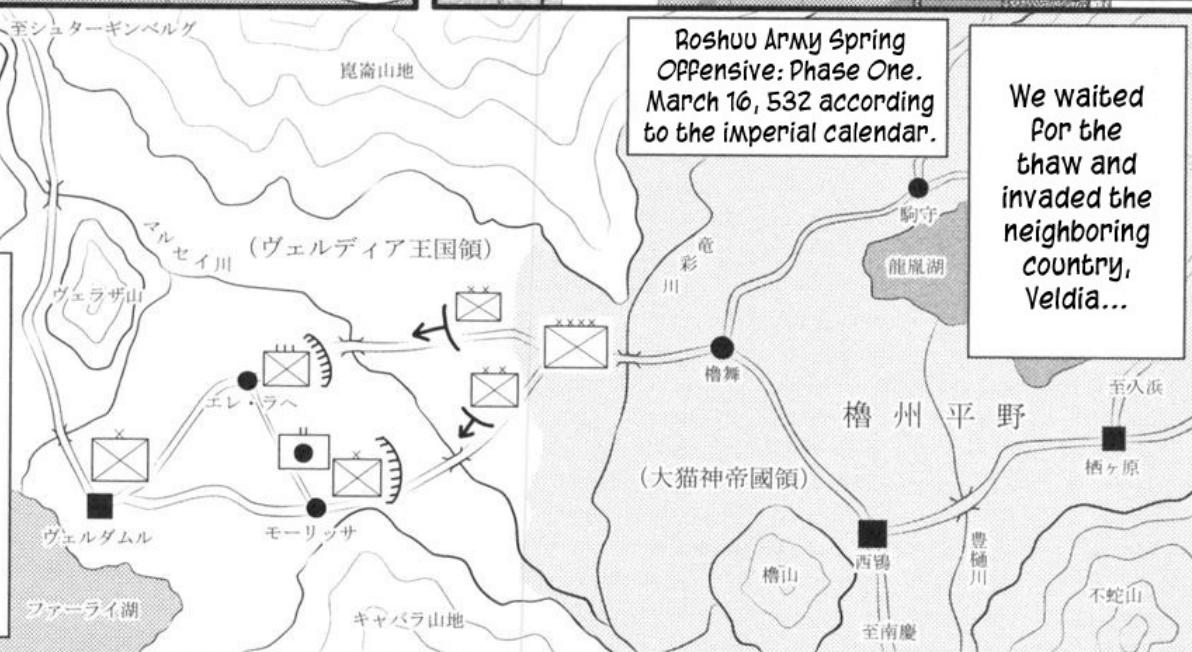

Over the three main cities of Veldia, including its capital!

Kuramori Takane, chief of staff of the same army. (Colonel)

Roshuu Army Spring Offensive: Phase One. March 16, 532 according to the imperial calendar.

We waited for the thaw and invaded the neighboring country, Veldia...

It was a tiny country with no resources or other strategic value, but I had all the reasons to invade it.

The have established Field Fortifications in the upper stream of the Marsay river and seem to be prepared to fight to the death...

Ah! Our scouts report that there are still two battalions under the command of general Howel, but...

I will see to that!

If thing go on like this, the figures indicate that...

Currently, we have secured enough provisions for three days, but...

So, they declined to surrender.

Sakaki Miyo, division commander of the 12th division of the same army. (Major)

Next up, how many troops does the enemy still have left?

The rations we are giving out to the refugees will run out in two days!

Koshiishi Marina, logistics officer of the same army. (Major)

Roger that!!

I entrust you with this task! Get rid of them all!!

I'm here, commander-in-chief!!

Major General Kugasaka!!

However, we don't have much provision, so get rid of them in half a day!!

Kugasaka Yuu, division commander of the 42nd division of the same army. (Major General)

And...

Chief of staff...

Who are these filthy people!?

Ah, from right to left, these are the Prime Minister, Minister of Internal Affairs and the Army Minister.

We have caught them when they were trying to flee the country!

Besides, we would never want to listen to people who left their home country and people and tried to flee!!

Silence!! Snobs who poisoned the previous king and introduced incredibly high taxes for their personal gain have no right to talk!!

Your Excellency, please!!

I will pledge eternal loyalty to you hereafter!! So please... Just spare my life...

Now, now... Adjutant Mikogami...

Thanks to them ruining this country...

We were able to take over it without any problems... I believe we should actually be grateful to them, huh?

す

I will purge the world from you just by shooting you to death without any tortures at all!

But I am a very gentle person, so...

Unfortunately, there is no place for scum like you in my world...

Well then...

Ohh!

Hey...
Hey!?

God will punish
all the people
like you one day,
you know!!

You little
upstart!!

Stand
up!!

Take
them
away!!

You...

You...

That man has
insulted you!!
This is un-
porgivable!!

Let...
Let go
of me,
Naoto!!

Calm
down,
Ayaha!!

You...

You
bastard!!

Oh, My!

You will
regret
this one
day!!

I won't run
away or hide
and I will fight
and smash
everyone who
opposes me!

Once you get
to the other side,
tell this to that
God of yours...

Because
I am the
Demon
King!

What!?

Alright...
I'm counting
on you to deal
with every-
thing else...

Well
now...

Miss
Adjutant!

Please
sign these
documents,
ok?

Miss
Adjutant...

Hey...

There
are still

These
are from
the logis-

depart-
ment!

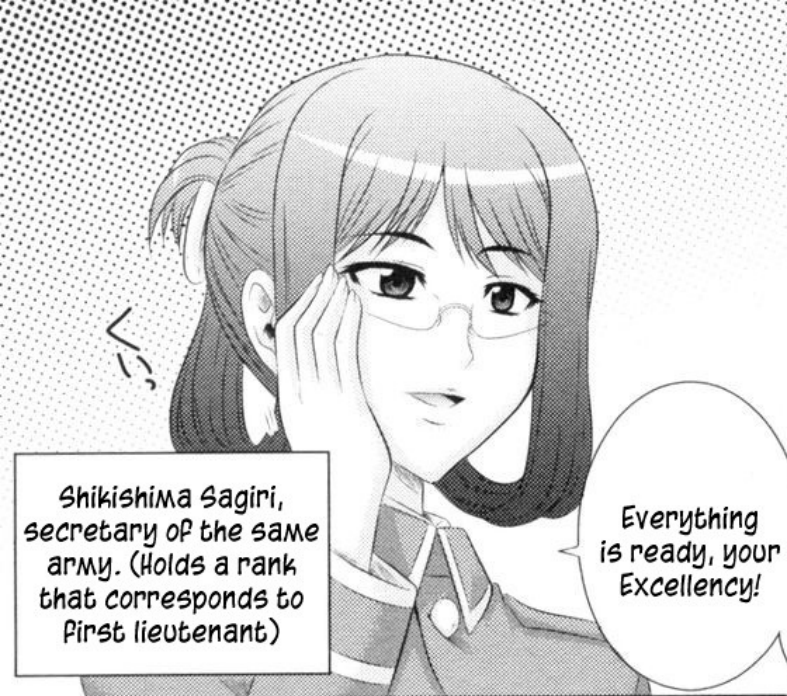

Where
are you
trying
to go!?

Hey, wait
a minute!!

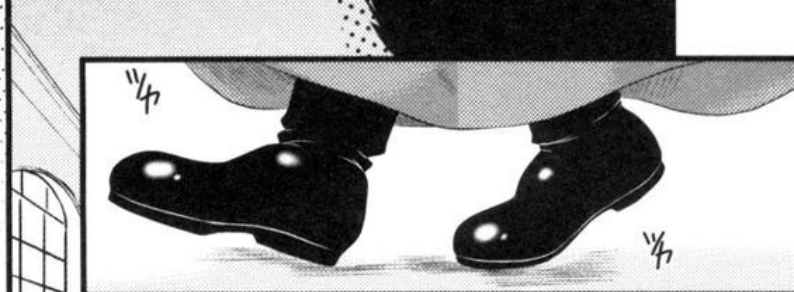

Naoto!!

Wait up,
Naoto, will
you!?

Shikishima Sagiri, secretary of the same army. (Holds a rank that corresponds to First lieutenant)

Everything is ready, your Excellency!

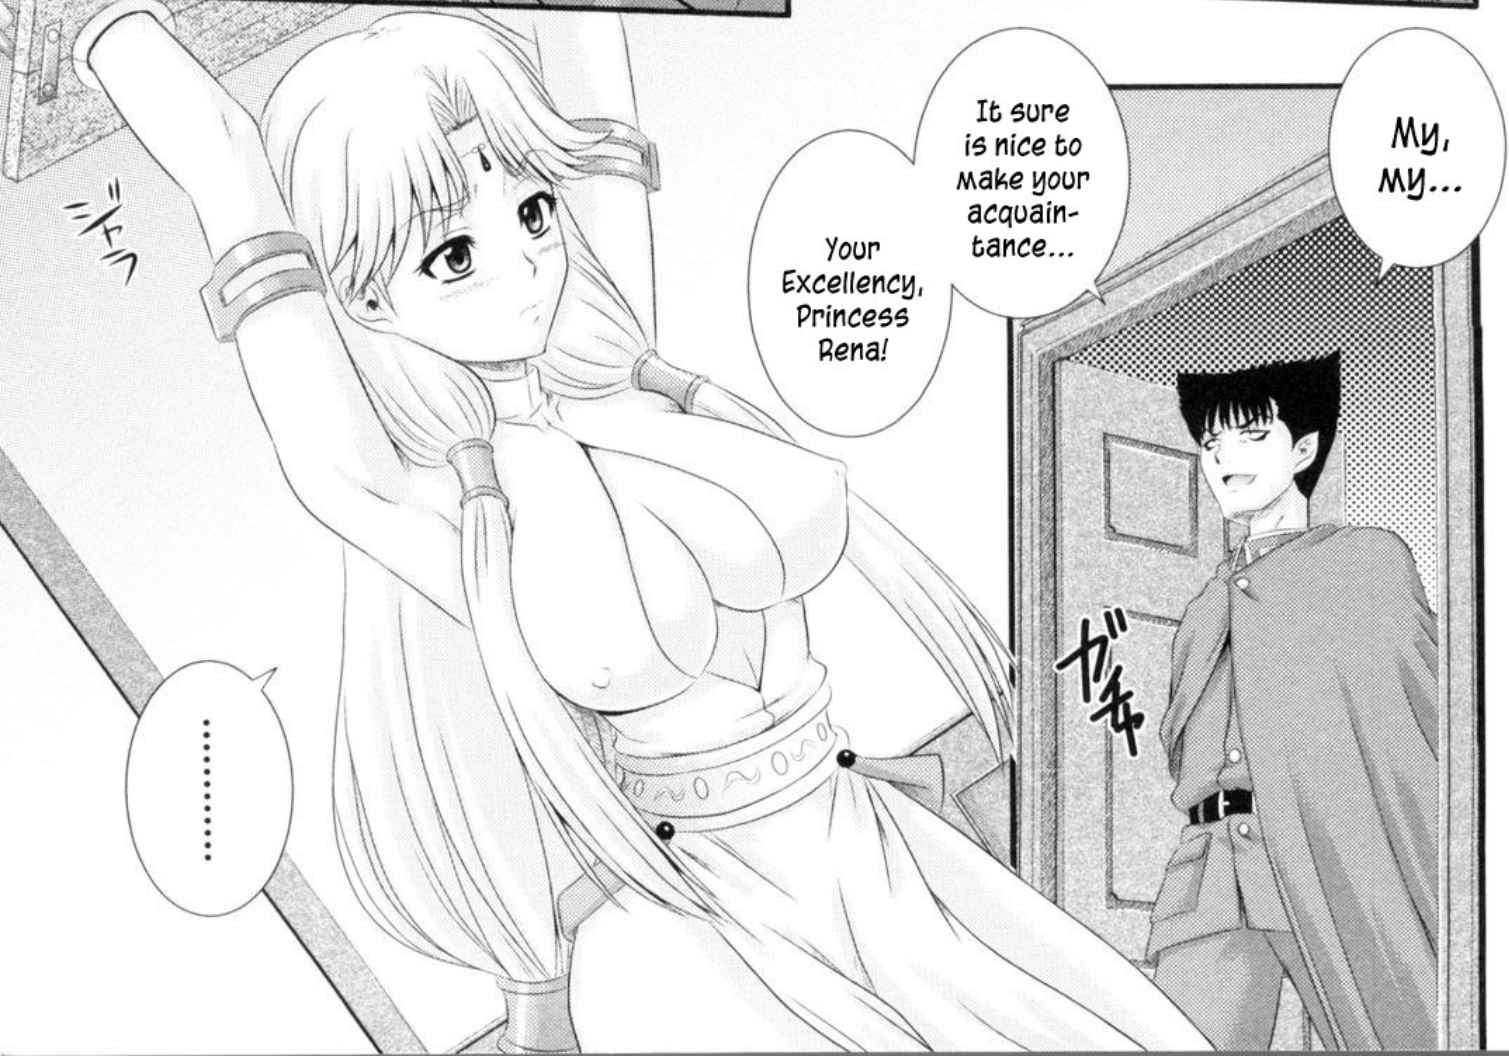

Ah!

Secretary Shikishima!

Ah!

Good job!

Your Excellency, Princess Rena!

It sure is nice to make your acquaintance...

My, my...

.....

I guess this remote land was worth conquering after all!

Your whole body is so ripe and voluptuous that it feels like some of its parts are about to fall out of your clothes...

Uhm...
Well, I didn't expect anything less from the unequalled beauty of a princess that is Veldia's only pride... You're just incredible!

And it's not just your beautiful face and figure...

It sure looks like I'm going to have a lot of fun here...

Uhm! I see you have a nice temper too!

What are you doing!?

What!?

Please stop...

4

Uh!!

Well, this is just one of my special abilities...

Did I startle you, Princess?

Uah...

This can't be true... Just...

What is this?

Like this...

Ahhn!

For some reason, they all get very sensitive!

Oh, no! That's...

Whenever I touch a female with this left hand of mine...

Oh, no...

Make sure that this isn't your pee...

Ah!

That's... That's not true!!

Myself, Princess...

Oh, it's not? I see! Well then, why don't I...

No! Stop...

Uaghh!

This is amazing... It keeps flowing out of there...

Uhm! This liquid that's sticking to my fingers right now is as viscous as honey!

Oh, my... This is completely unacceptable!

A member of the royal family can't wet herself in front of other people no matter what...

Ahh!

I... I'm... Going to...

Ah... Ahh... Oh, no... You're making these...

Loud sounds on purpose here...

He-he-he!

What's going to happen!?

ウアッ

ウアッ

Of the royal family enough!

Uhh! Well, now I have enjoyed the taste...

Oh, no... something is coming out of there... Ahh...

Ahh... Ahhh!

Please...

Stop doing these things to me already...

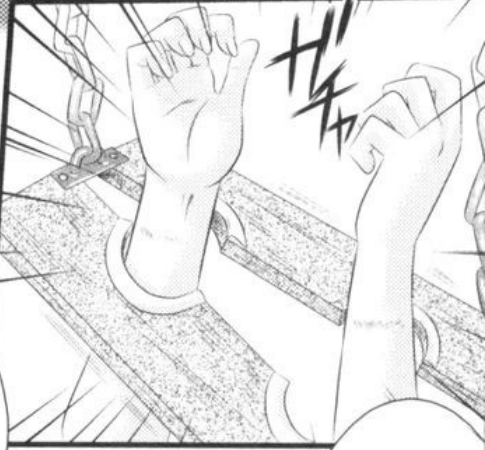

So, why don't you take it...

Eeh!

Inside that mouth of yours now?

Next up, I'm actually thinking of enjoying it myself, ok?

The fun is only about to begin, Princess!

Of your beloved people depend on your...

Actions here?

Did you forget that thousands lives...

Heh? You can't?

I... I can't do that!!

Ah!

Nn... Good... That feels pretty good!

IF you give in to me like you should, you'll save yourself some trouble just as well!

That's right...

Now, move your tongue some more... And wrap it around my dick...

You have to take it much deeper inside...

Come on...

Don't just keep licking its tip...

I understand it's hard for you to just throw away your frustration, but...

Nn!

Alright...

Next up, why don't we try changing the setting a little bit?

Your royal mouth feels simply the best!

Nn!

Nn!

Ahh... Ah! Good... This is very good, Princess!

Nn!

Nn!

And that man next to her... It must be that Imperial General!

Look at that...

Hey!

He-he-he... Everyone is looking at you right now, Princess!

Oh, no! Please...

Yeah, there is no doubt about that!! It is her Highness!!

Princess? Isn't that Princess Rena?

If you disobey me here, all of your people will be dead!

I'm sure you know this yourself, but I want you to realize that...

Everyone... Don't look!

Ah!

Next up, why don't you squeeze my dick with these dirty boobs of yours?

Nn! Well now...

You have to start moving your mouth more violently or I won't get satisfied!

I got it!

I...

Nn!

Your
boobs
are
simply
the
best!

Ohh... You're
just amazing,
Princess!

It feels like
it's about to
melt... I can't
believe his
thing can be
this hot...

Ugh... I
think I'm
going to pour
it inside your
mouth now,
ok?

Ahh...
It's so
hot...

Uah...
Ahhh!

Uh... I'm
cuming!

Don't
you spit
it out!

Now,
now...

Have
a good
taste of
it and then,
swallow
it all...

Nn...

Nn...

Right here,
in front of
the eyes of
your beloved
people!

Why don't
we move on
to the main
dish now?

Alright...

Pl...
Please!

I'm going
to take away
your purity...

Anything,
but that!

Ugh!

Oh,
no!

Anything,
but that!

But don't
worry, that
pain...

Does it
hurt!?

Eeugh! It
hurts!!

Aghh!

Ah!

Will
turn into
pleasure in
no time...

Pull it out...
Please pull
it out!

Ahh...
Eeh!

Eeh!

This...
This is...
Ahhhh!

Your pussy opening was very tight, yet your pussy itself is dripping wet! This is the best honey pot ever!

Ahh!

Just as expected of a royal pussy!

Ugh!

Ah-ha-ha-ha!
You're the best,
Princess Rena!!

Ahh...
They're looking at me...

Everyone is... Looking at me...

Your people are just fascinated by the way you look!

Look,
Princess!!

はあ

はあ

はあ

Don't look at me...

Oh, no!
No...

How dirty you are some more?

Now, why don't you show everyone just...

When I'm like this!

Ahh!

Ahh!

And bad men are going to keep deceiving and using you...

Ah!

So, why don't you show your true colors now?

My... My true colors...

Princess, this is unacceptable!

If you keep this up...

I will reduce you to prostitution...

Ahh!

Ahhn!

Ahhn!

Ahhn!

You really are not fit to be a leader!

No way! You came right in the middle...

OP of a speech...

If you can't resist that, you definitely can't run a country!

Ohh!! Your clitoris is throbbing so hard, it feels like it's about to explode!

This is so dirty...

Uagh... That's...

Is the real me!

Uah!

Ahh!

Ahh!

Ah!

Dirty? Me?

This dirty me...

Ahh!

I'm enjoying getting a penis inside of me!

They're looking at me... My beloved people are looking at me... They are looking at me moaning from getting a dick inside...

Ahh...

They are looking at my dripping wet pussy and it's getting all of them excited...

Ahhh...

Ahh... Look at me even more... Look at me when I'm like this even more...

くほあ

Oh, no... I'm going to cum again...

あ

Ahhh!

Ahhh... I'M
CUMING... I'M
CUMING!

Ahhhn!

Eeagh!

Eh?

What!?

Wait...
Wait!!

You
bastard...

This is...
Erm...

Na-o-
to!

Three days
later, the
Roshuu Army
was with-
drawn.

あ

Subsequently, Princess Rena was inaugurated as the first President to represent the people of her country.

Veldia has abolished the monarchy and established a republic.

Great Feline Deity Empire, Headquarters of the Roshuu Army.

Instead of becoming a representative of the masses, she should have just stayed my Mistress...

Ahh! It's such a waste!

For a revolution in that country, right?

So, in the end, this war has Postered and acted as a trigger...

Well, that was the result, but...

Why don't I make some good ventilation in there?

It's spring already, so that head of yours must feel hot, huh?

What are you doing!?

Wha...

To be continued...

Naoto, don't move!! I'm going to miss!

That's not important, stop her... Uogh!

I'll go ask the engineers to fix the wall, ok?

Hey!! Takane, where are you going!?

And that's why you're doing this!? Stop...

Ahh!

As well as a budget increase that would target the flood-control works at the Ryouusai river?

So, you want to request an increase in the number of peasants send to Sugahara Farmland in order to develop and irrigate it...

Chapter 02

Roshuu Capital,
Western Toki Area,
Roshuu Army
Headquarters

I would like to talk about our recent invasion of Veldia...

Can't you just handle them on your own?

You know, you don't need to report all of these things to me...

That is not all I wanted to ask you!!

And to that woman...

And because of that... We now, of all countries, we are in debt to that one...

Did you really invade it just to get that Princess?

Due to the bad harvest and floods we had last year, our army was in pretty bad shape...

So, why did you steamroll that plan nonetheless?

So, lower ranks have to follow any order they are given, even if it is to fight to death...

Adjutant Mikogami, as long as you are in the army, you will have to follow the orders of your superiors!!

Because the entire responsibility lies on the shoulders of that person who made them...

Nevertheless, you bear no responsibility for these orders...

And I really suck at lying!

She is way too pure...

Are you sure it's alright...

Not to tell her the truth?

Nn!

Worried about you, your Excellency...

You know, Ms. Adjutant is only...

That's ok! More importantly, your mouth has been slacking off for quite a while here!!

Secretary Shikishima!

Nn!

Nn!

Then why don't you take my dick all the way in there, like you should!?

And if you have the time to talk about things that have nothing to do with you...

Nn!

Nn!

Nn... I'm... I'm very sorry!!

Ah, yes... It's very... Very tasty...

So, how do you like it? Does my dick taste good?

Your Excellency...

From sucking my dick and drinking my semen...

Ah!

Ahnh! Don't pull them like that...

A pussy that dirty deserves this done to it!!

はま
You are actually so wet, one could think you peed yourself, huh?

Ahh... Your Excellency... You're sticking your fingers... Inside my pussy...

Alright... Now, why don't you report what's happening to you right now?

Can you tell how many of them I'm sticking inside of you right now?

And rubbing them in there really hard...

Two... No, three!! You're sticking three fingers inside of me!

Alright! Why not? I'll do that right now...

Please sick your dick inside my sloppy dirty pussy!!

I want... I want your dick, your Excellency...

Ah, your Excellency! That's my...

Ahhn!

You never change, do you, Naoto!?

Sagiri... Why don't you tell me what you really want me to do?

Ohh!? When did you come in Charry?

Pri... Princess Charlotte!?

That's me!

Third Princess of the Holy Brigandi Empire (Field Marshal), Charlotte Veltarina di Lorenzo Brigandina

Yet I was thinking of cashing in that favor you owe me!

Sorry I showed up all of a sudden, Naoto...

I can't believe a commanding officer of our allies just showed up unannounced and without any attendants...

I was wondering, if you would let me join you?

But before we do that...

It's so hard already...

He-he... You came just a minute ago, yet...

Nn!

I haven't touched it for so long...

Uh... Now, that feels good...

Well, even the most trivial things never go past my ears!

The news sure reaches you fast, huh?

Yeah... Your boobs were always extremely hot, but now they got even better!

How do you like them?

Better than those of Veldia's Princess?

He-he...

But still, this is really amazing!!

I shouldn't have expected any less from a woman who loves her gossips!

Otherwise, I might just squeeze you dry here!!

Nn... You better not piss me off too much!! Nn!

Don't just stand there! Provide some service to her Highness!

Secretary Shikishima!!

Ah... Yes!!

Sure!!

Hey... This is unPair!! There are two of you...

Sorry for bothering you!

Your Highness...

This is so rude!! The fact that you are Naoto's subordinate...

Does not mean you can do something this outrageous to me!!

You are just so beautiful...

Ahh... Your Highness...

I'm authorizing you to do this!

There is no need to restrain yourself, Sagiri!!

Nn!

Nn!

Nn!

And her Highness wants you to lick her asshole!

So, you'll have to lick every single crease there really well!

But, you know...

Nevertheless, I am a member of the royal family and thus have my pride as well!!

And I won't just let them do whatever they want to me here!!

Uhh...

Ughh!

Shooting your semen inside of me, Naoto!

Nn!

I can't believe it won't wither, even after you came that much!

That sure is one bottomless dick, huh?

I am the commanding officer of the Far Eastern Area, so I have lots of things to do...

Unlike somebody...

Yeah...

Are you leaving already?

Huh?

I will only pay you half of what we owe you for that last provision of supplies...

Naoto...

And you'll have to throw in the tech support for free, ok?

I should have expected this from the Princess people call the Golden Dragon Beauty!

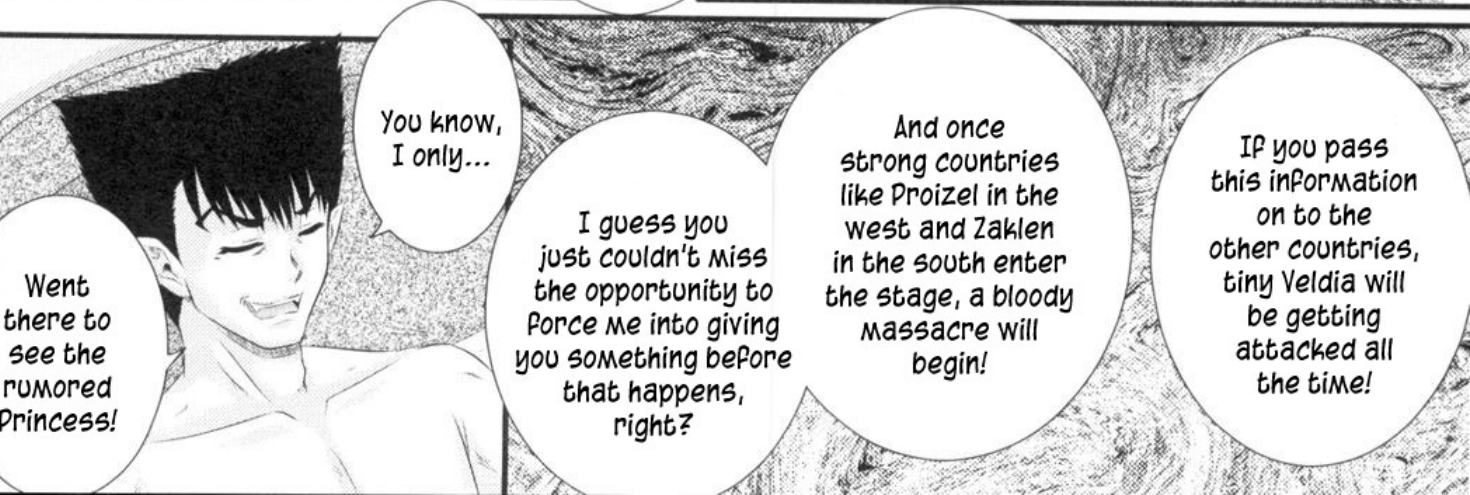

I give up...

That could provide billions of barrels of oil! I have received this information from my secret services!

I have already received the data indicating that there is an oil field at the bottom of Lake Faray...

Don't try to play dumb!

You know, I only...

Went there to see the rumored Princess!

I guess you just couldn't miss the opportunity to force me into giving you something before that happens, right?

And once strong countries like Proizel in the west and Zaklen in the south enter the stage, a bloody massacre will begin!

If you pass this information on to the other countries, tiny Veldia will be getting attacked all the time!

Well, that's what...

I like about you...

For Aria...

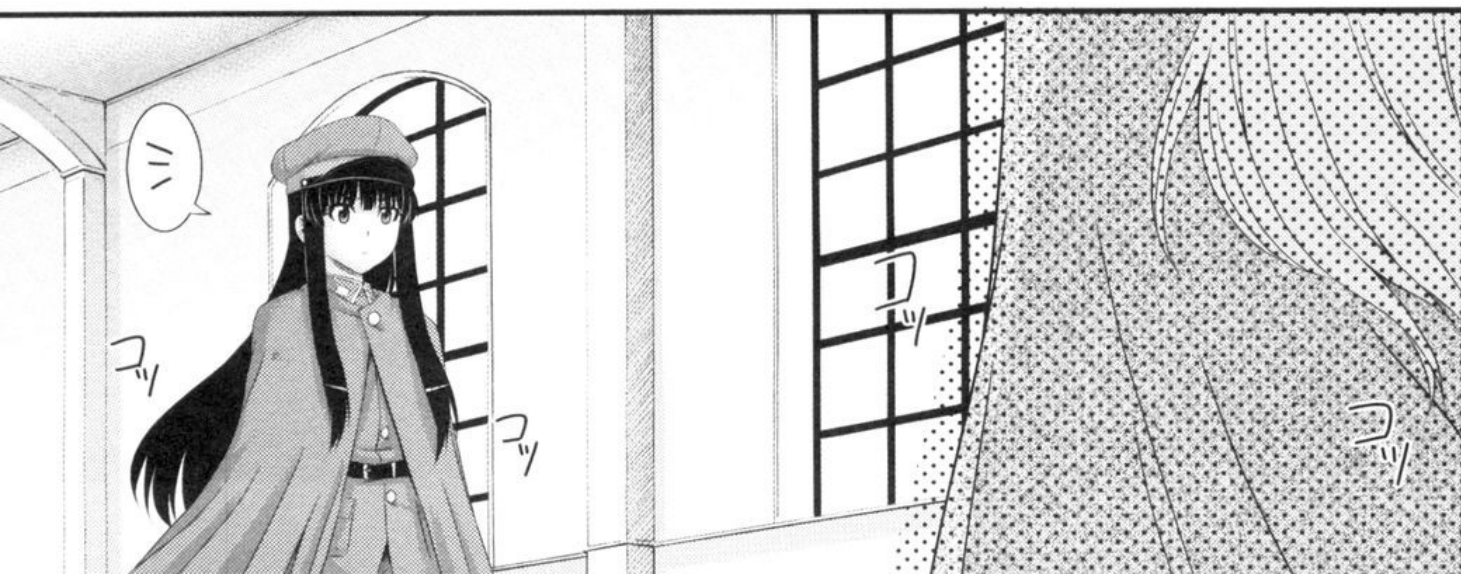

Huh?

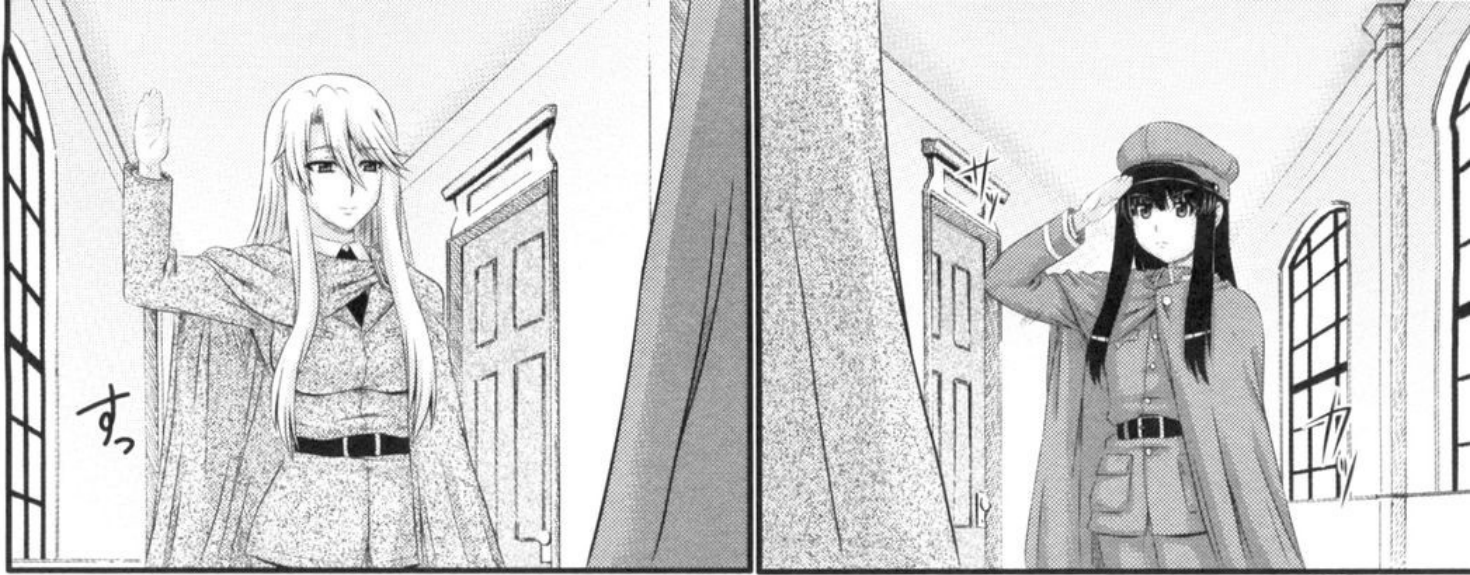

Naoto!

I know!

Yeah!

Chapter 03 第3戦

What did you just say?

She was supposed to conduct an orientation for the three new staff officers...

That were appointed to our army today, but... I haven't seen her at all today...

あらあら

Have you seen My sister... I mean, the Chief of Staff?

But that cowgirl too?

This is very suspicious... And it's getting more and more suspicious every minute...

So, not only Naoto is missing...

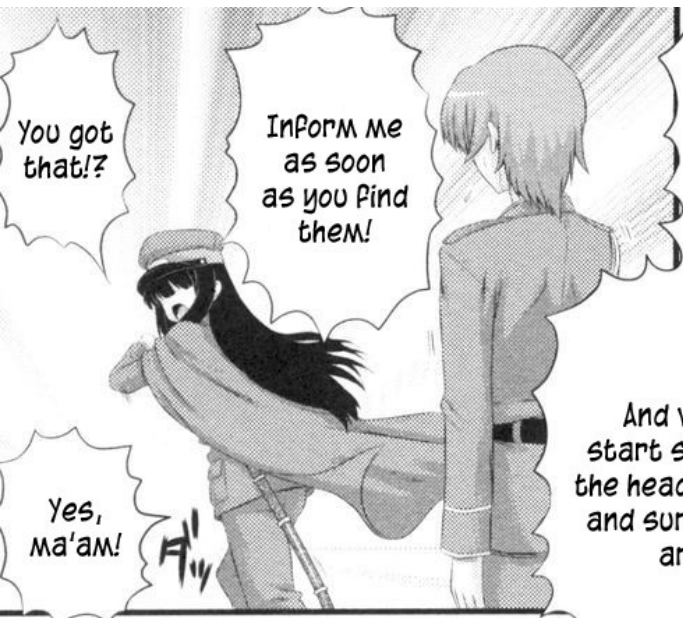

If the situation calls for it, you are allowed to use firearms...

Organize a search party and perform a very thorough search of our headquarters and the surrounding area!

Major, I order you to...

That's really uncalled for, Adjutant...

You got that!?

Inform me as soon as you find them!

Yes, ma'am!

I will immediately organize a search party...

And we will start searching the headquarters and surrounding area!

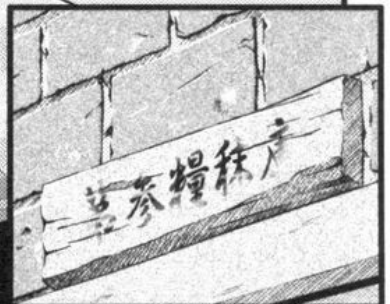

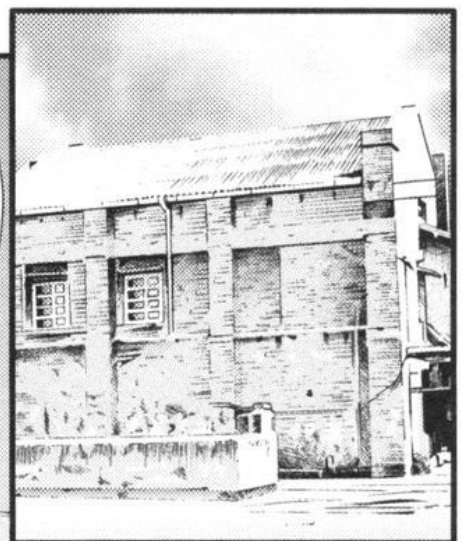

Huh!?! Oh, no!

It's an order, Major! Do I have to repeat myself!?

Do you really think you can get away with something like this?

You guys... What are you trying to do?

Ever since we came here and saw you...

And it's all your own fault, you know!

But we've been waiting for this moment...

Oh, no! We do not, Chief of Staff!

EEK!

You know that no man could stay cool after seeing...

That body of yours... And your huge boobs, don't you?

My own fault!?! How come!?!

No, I don't know that!

Wow! When you look at them up close...

They sure are amazing!

Hey! Is that what they call...

Inverted Nipples?

Oh, no! Don't look... Don't look at me!

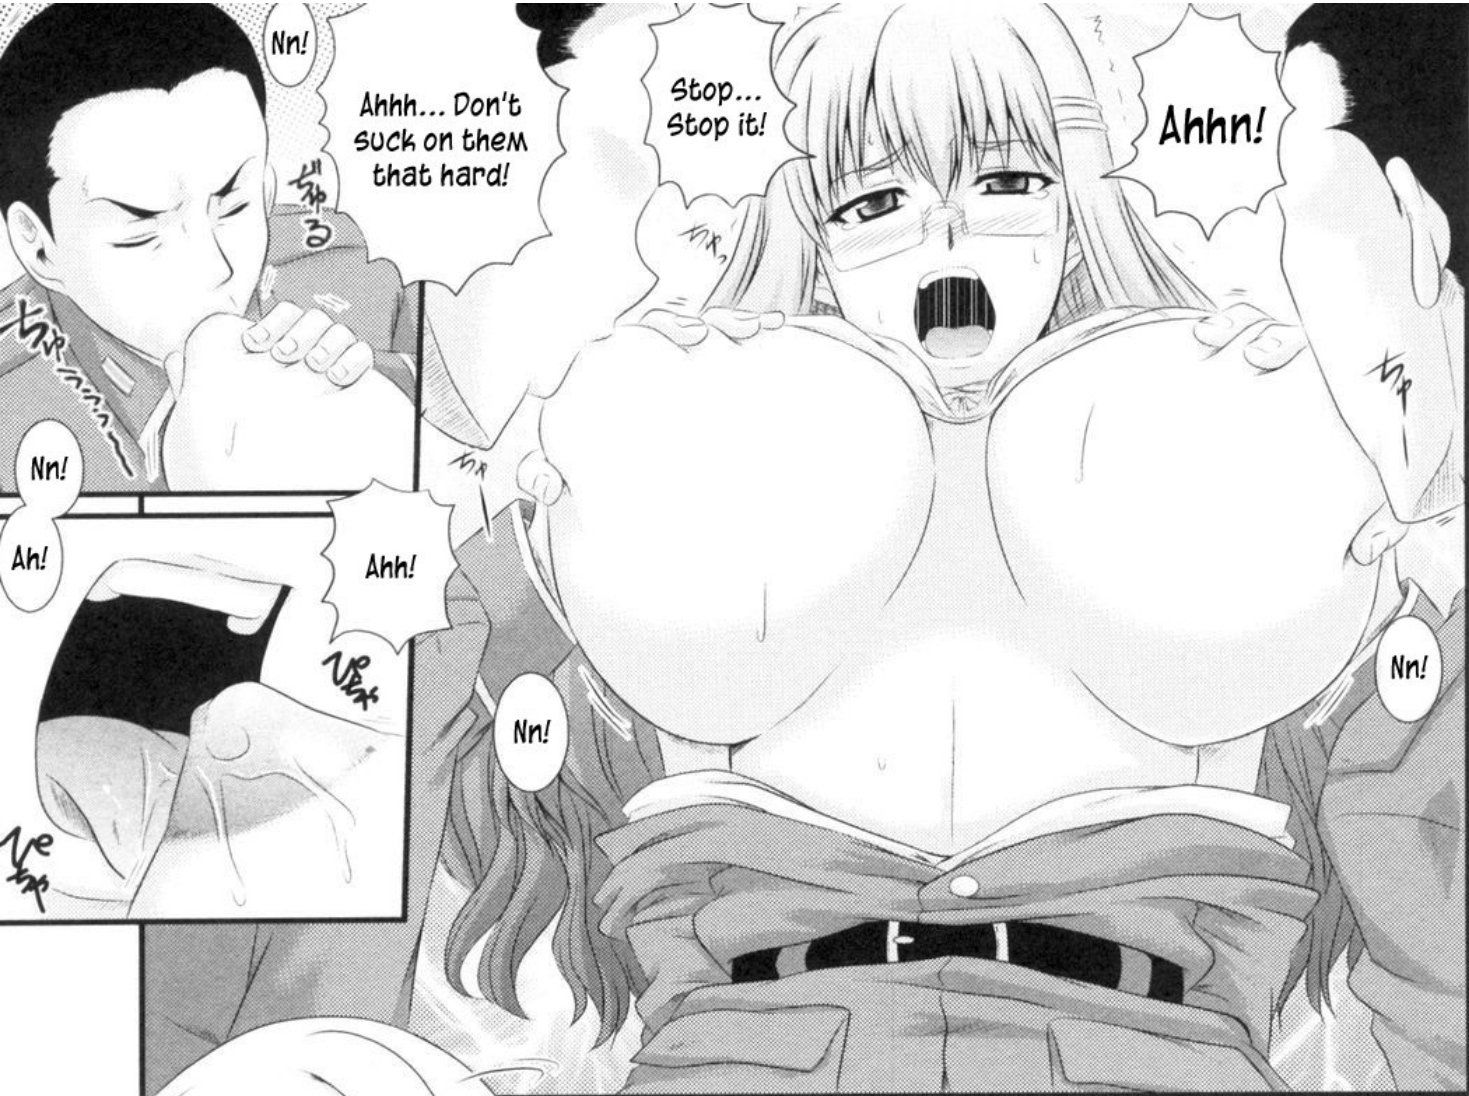

Oh, no!

Her boobs are so soft!

Ahh!

Nn!

Ahhh... Don't suck on them that hard!

Stop... Stop it!

Ahhn!

Nn!

Ah!

Ahh!

Nn!

Nn!

Ah!

I guess those rumors about women with inverted nipples being very dirty and sensitive were true after all, huh?

Look, her nipples finally showed up!

Ah!

Ah!

That's... That's not true...

Oh, no!

Oh!?

Ahhh!

Ah!

I think she's about to cum already, even though we've only played with her boobs so far! She sure is one dirty woman, huh?

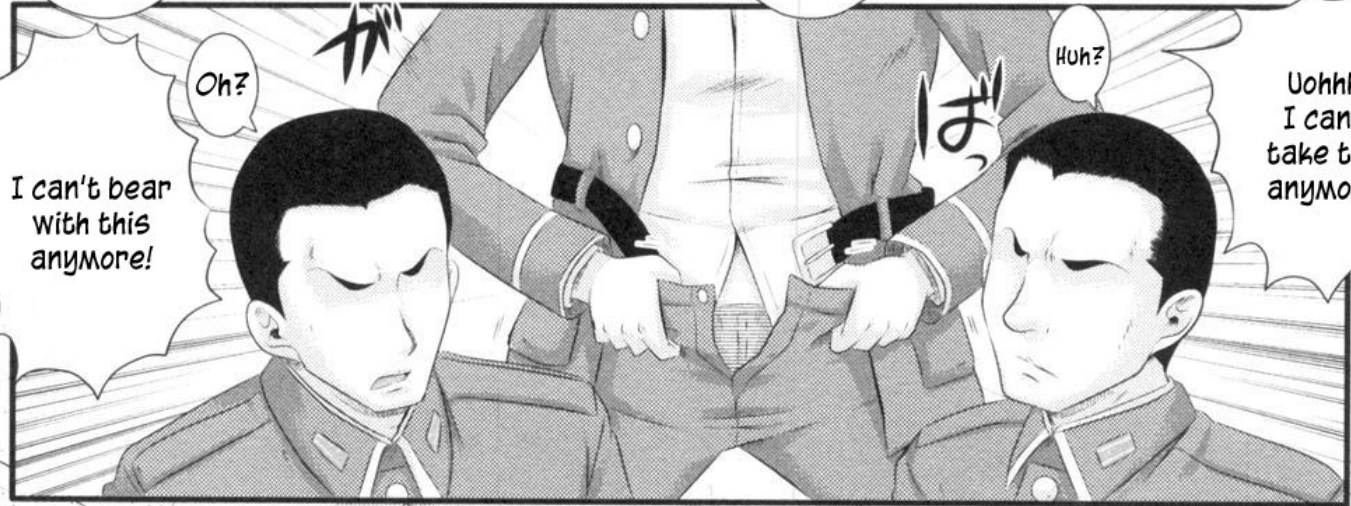

And look at that face...

Look how hard her nipples got already!

Don't pinch them!

Ahhh! Oh, no!

Oh?

Huh?

I can't bear with this anymore!

Uohhh! I can't take this anymore!

Eek!

I'm going to stick my dick between those boobs...

Ahh!

Ahh!

Ah!

And ravage them real good!

Uohhh...
And they are
amazingly soft
and elastic
too.

They are
so smooth and
they're wrapping
around my dick
so tightly...

Her
boobs...
They are
so hot!

They're
so hot!

Ah!

Oh, no!
No...

You
bastard,
who said you
could have fun
with them all
alone...

In that
case, we'll
just have
fun with
her down
here!

But,
well...

It looks
almost like
she wet

Ah-ha-ha...

But I still wish you used some toys and such...

I actually like these things a lot...

It's just not the same, when you're not a part of it...

But even though I like watching other people do it...

That sure was a nice view...

Heh! Good job!

How did you like that, Commander?

Join the show now too...

So, let me...

You want to join in, huh? And what are you going to do?

Oh, my!

And you better choose your words wisely...

Hiding in a place like this?

So, what were you doing...

You've been skipping your work the entire day today...

Because depending on your answer...

I might cut you down!

What are you looking at?

Oh, no... Nothing...

... !?

Your Excellency, I need you to sign a few documents...

Excuse me...

To be continued...
