There was a boy named Inpio!

It's set in modern times! Somewhere!

Not pinocchio...?

Listen well! Though you don't necessarily need to look.

インピオ Picture show!!

Inpio!!

When he came back home, he asked grandpa what it was that he saw.

When, in the third darkest classroom, he saw Takayanagi-san pushing her cooch against the corner of a desk.

One day, Inpio went back to his classroom to retrieve something he forgot...

"Well Inpio. That's called DeskTurbation!"

Because the picture show is not over yet!

Huh?!

No... That's not what I meant.

Why would you do such a cruel thing to...

We don't care about your picture show!

That...!

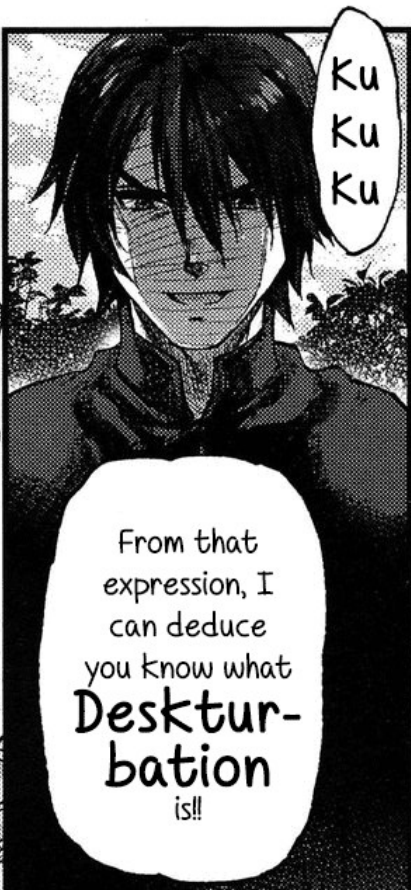

You two saved my life! I feel obligated to repay you...

Lying makes your clit grow!

I did warn you!

Stop bullying Kokomi-chan!

I'll make you squirt once right here!

Are you mental?!

Ok. Then let's do this...
If you see my picture show to the end...

That... was it...

Well... For 30 years...

my virginity grew stronger and stronger until eventually I was able to wield magic!

Wro-!

Kokomi-chan... Does it feel good...?

I heard it's like a growing sensation that culminates in a really good feeling, boy!

Squirt? Like a squid...?

Don't teach Ryuki that weird stuff!

Aah! ♡

If you keep telling lies, your clit won't stop growing!

How could you tell such a barefaced lie like that?!

You're making quite the puddle!

I really want...

I really want to touch myself!!
♡

What this girl needs right now isn't a hanky.

She needs your touch, boy.

Hold on, I have a hanky...

Kokomi-chan.

Huh?

No...

If you think you're going to lie, it's best to cover your mouth.

Oh? Learned your lesson, have you?

DU-...!

You old fart!!!

Lick her with your tongue or nibble gently on her or something, I don't care!

Go! Get your shine on, dragon boy!

Bury your face in that girl's crotch!

Not saying anything is the best course of action!

Dummy...!

Has a really sweet smell...

Your lower part...

Kokomi-chan...

I'm gonna touch it, ok?

Kokomi-chan, you're really nice, so...

Huh? But it's still jutting out.

It became tiny...

You're well on your way to the top of the stairs of adulthood!

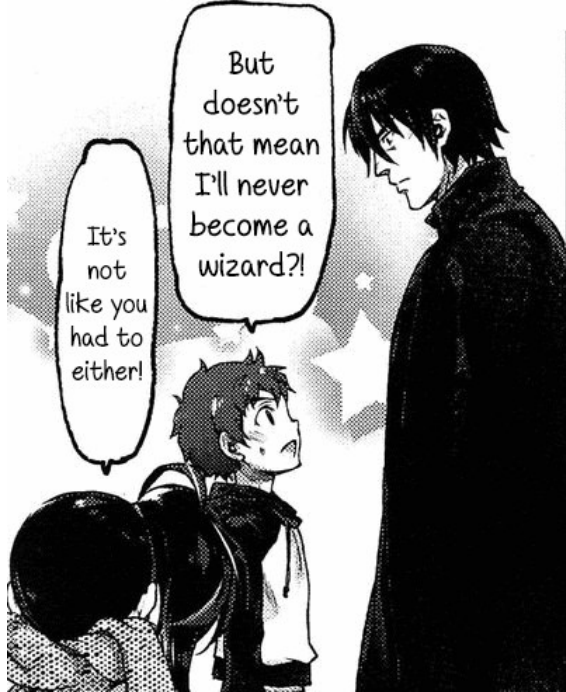

You now know what it's like to lose one's virginity!

Congratulations, boy!

Wah!

It's not like you had to either!

But doesn't that mean I'll never become a wizard?!

Is that so...?

Something came out!

Wohoo!
I'm going to
open up the coffee
shop of my dreams
with the money
I'm going to make
by auctioning this
