

DLいただき、ありがとうございます！

男女の身長比が1:2という世界のシリーズ、2本目です。

成人女性の尿量は、かなり我慢した場合
500mlに達することもあるそうですよ。
体格が2倍なら、その量は8倍の4リットル…

無理やり注がれたら飲みきれないんじゃないかなあ、と思うわけです。

そして結果的に、体格の良い男性でも
女の子のおしっこにすら負ける…
という展開になりました。

現実でもこのくらいの体格差があったらイイナァ…

※なお、黒髪の子(サヤ)は、男がつぶれないように
なるべく体重をかけない配慮をしています。

にばい！②

✂ This work is set in a world in which the average size of women is twice that of the average male

Quite a sexy little feeling she's got going on there

So, our raven-haired beauty here has matching black panties

Is it just me, or does something look a bit off with her...?

The girl with the wavy hair's sporting some cute, little pink ones, huh

She looks like she has the best curves of the bunch

And Miss Twintails here has stuck with a plain, simple white pair

Man, today's my lucky day~...

...Indeed, the perfect panorama!

Verily, to be able to gaze upon them from this close...

Tsugumi, will you use the intercom to call the emergency help line?

Ah, the electricity's back on

Roger!

Whimper
...He's so small, I didn't even notice him~...

There was already a man riding the elevator before we got on, wasn't there?

Calm down, you two

Isn't there any way I can get out from here?

Hya!!

Q...Quit squirming around like th~aaaaaat!!

M...My bad...

By the way... Would you be alright getting off of me now, Mei?

Auuuu... My hair's all tangled in your bow...

Ahh...I finally got it loose~...

"We'll be right there!" ...or so she says~!

Mei, don't panic.

I see. Thank you

Now then

Uh-uh, don't worry about it

Free at last...

Sorry 'bout that, Saya-chan

You must have quite some nerve

Just plunging your face right into someone's crotch like that...

DON'T you?

Hmmmm

N...No way. That was just an act of God, nothing I...

I wonder why
he'd go and
do something
like that,
girls

Men are
tiny, so it's
so easy for
them to
peep in the
first place

You're a
real perv,
aren't you
Onii-san!

EHH?!

That's some
excuse, from
someone who
was 'secretly'
peeking up our
skirts from
behind

Ah!
That's
just...
I mean...

Yeah, just
what I was
thinking

It just
wouldn't do
to let him off
without a
proper
punishment

This is a
good
opportunity
for you

...it's so easy
to lift you all
the way up
like this

Nggg...
ahhh...

It looks like
you've got a
pretty nice body,
considering
you're a man
and all, but...

...that you
never
forget your
place is
below us
women

We'll have
to make
good and
sure...

In that
case...

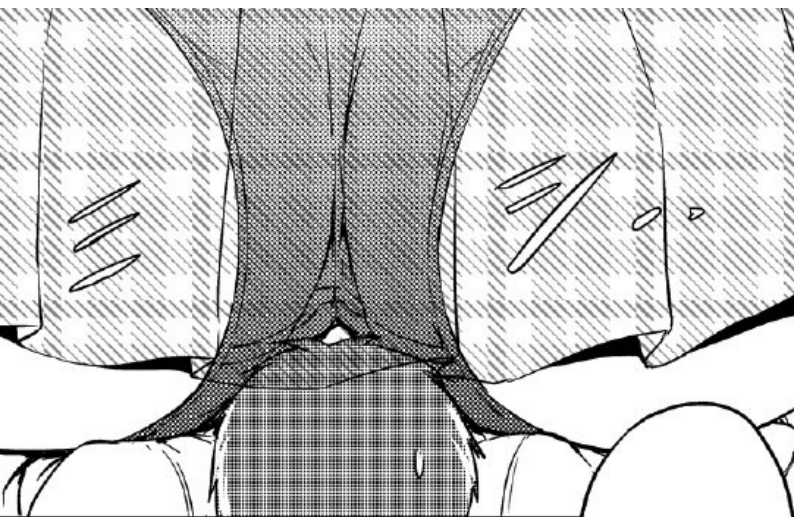

Even though
you were
examining
them so closely
before, you still
haven't had
enough?

Excuse
me?

Pantie...

...TO YOUR
HEART'S
CONTENT!!

I'll let
you
savor
mine...

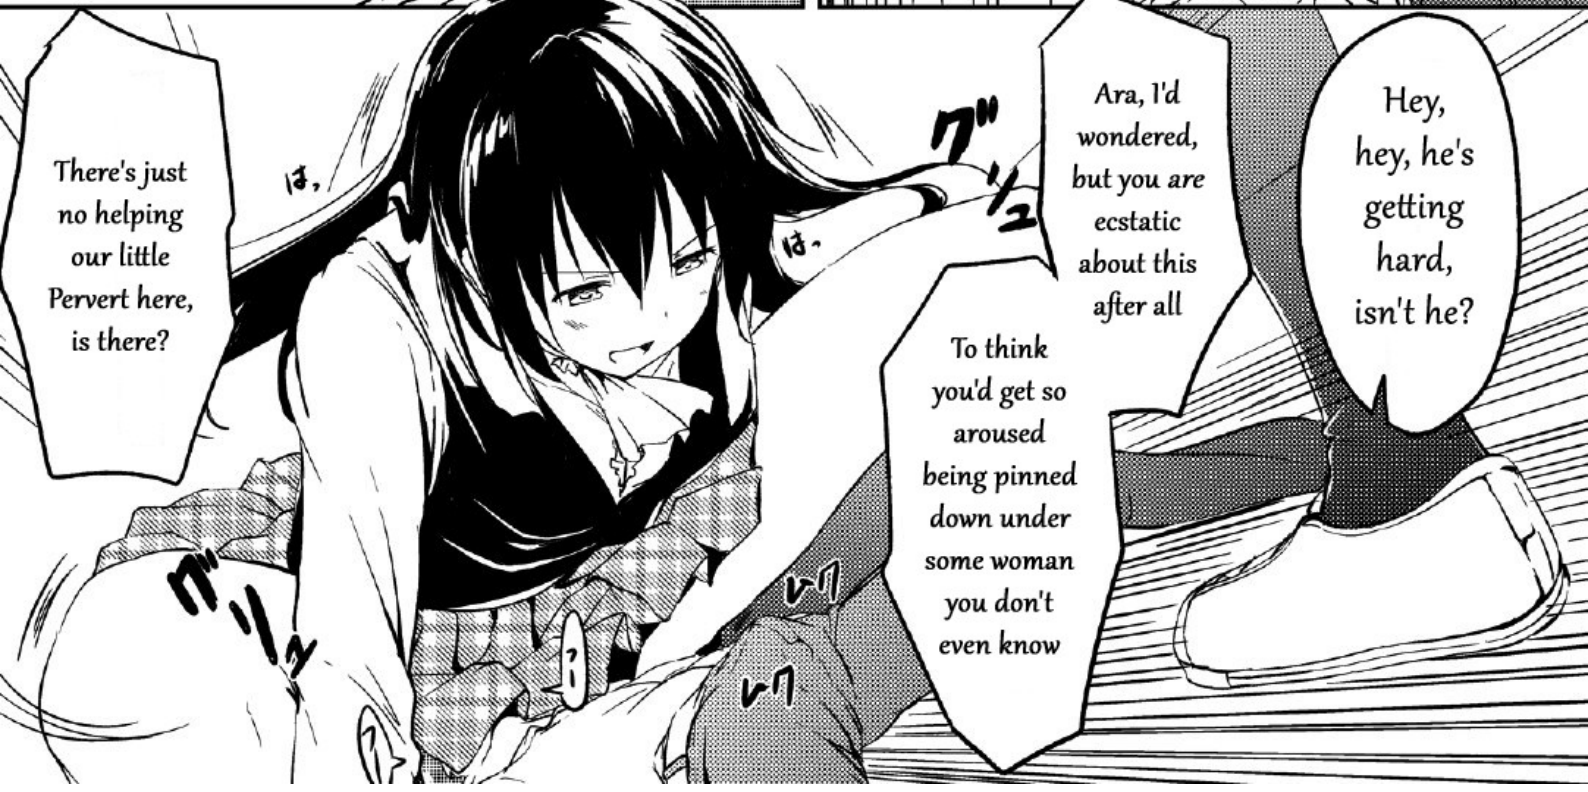

Fufu...
Can't breath?
Does it hurt?

I know how
hard I can
take this
without actually
crushing you,
but I sure
am heavy,
aren't I?

Or else, I
wonder if I'm
just turning
you on more
by doing this

NMMG
HFF—

There's just
no helping
our little
Pervert here,
is there?

Ara, I'd
wondered,
but you are
ecstatic
about this
after all

Hey,
hey, he's
getting
hard,
isn't he?

To think
you'd get so
aroused
being pinned
down under
some woman
you don't
even know

It might be pretty interesting to force him to cum shamefully like that too

You might be right...

I'm thinking it might be better if we crush this down here after all

Well then, without further ado~! ♪

And how do you like that, I wonder?

Fufu... It's alright to resist a bit, you know?

Ahaha... Impossible, right~? When he's *this* tiny?

The sensation of being assaulted from top to bottom

...If I force myself on him, I might end up finishing this without peeing myself

Ah, but...

I'd only be using him as a 'plug' of sorts, so it should be fine, right...?

A...
Actually, I'll do it after all!

R...
Right ...

The real premature type, aren't you~

Oh wow, I wonder if he came

Ohhh...

I...
I'll have to decline, I guess...

EHH?!

Mei, do you want to give it a try too?

...It feels like I'm about to wet myself after all.

Y...yeah

If I sit,
I'm sure
I'm
going to
leak...

Will you
be alright,
standing
like that?

みん

Although I
sure hope I
can hold it
in until help
comes...

...Nnggh...
haaa...

Please just
stay still and
don't move,
okay...?

グ
イ
ヤ

squish

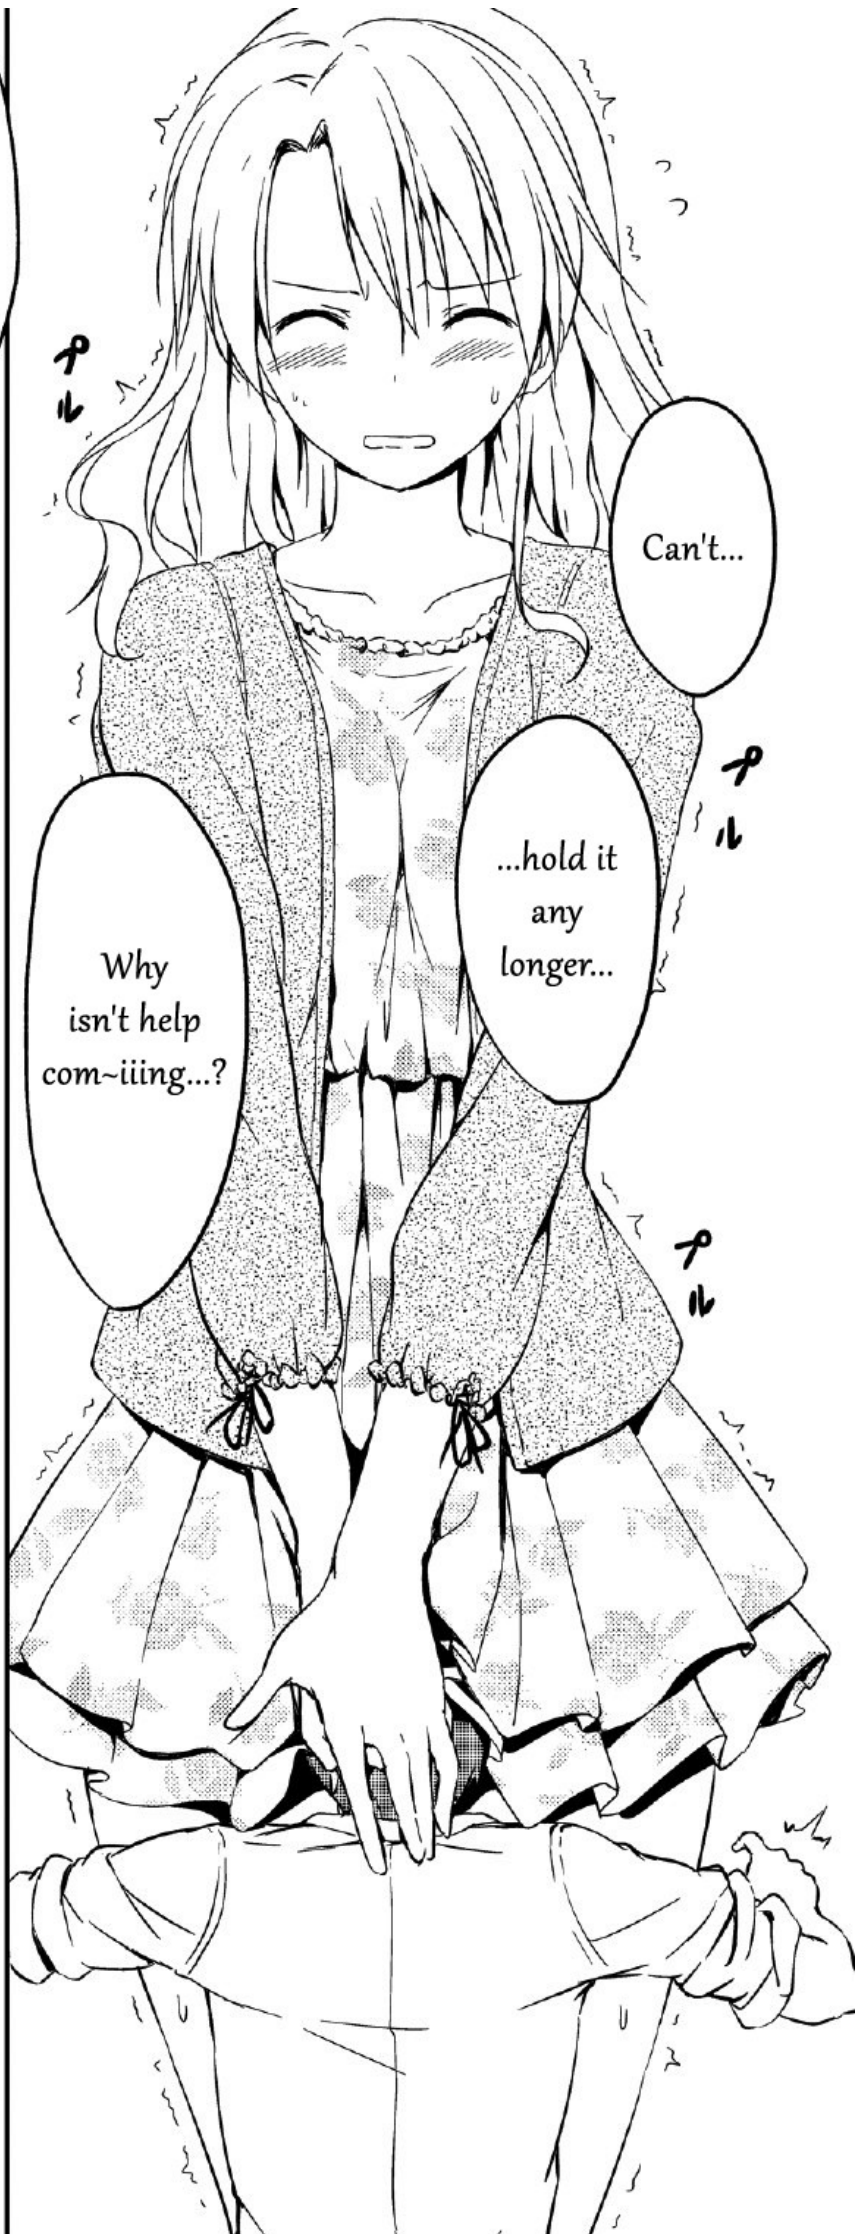

pant

Can't...

pant

pant

エ"7ニ

I...In any event, at least take your panties off and—

Ah...
AH! It's no use, I can't hold it any longer...!

NNGH!
I won't make it...

A...
AAaaaAAah-
hhHHhh...!

D...Drink it,
DRINK IT!!

If I DON'T
drink it, it
feels like
they'll kill me
afterwards...!

gulp

gulp

S...Saya-chan,
if you watch
that closely,
it's too
embarrassing-...!

Can
you keep
drinking it
all up for
her without
spilling a
drop?

Well,
you certainly
can drink
when you put
your mind
to it.

Mnfufu...

Well, of
course.

It goes
without
saying it'd
be rather
difficult,
wouldn't it

Gurgle

Even if it
were water, I
wonder if
he'd be able
to drink till
she was
done-?

...to a guy,
that's got
to be a
ton,
right?

All the
piss you've
backed up,
till you
hit your
limit...

But
y'know-
...

It can't be helped, just keep going and coat him in it

Just what I thought

I asked the impossible, even though you're so small...

Sorry 'bout this, Onii-san

Y...Yeah

EH?!

EH?!

Too much...

B... But it feels like I still need to pee a ton!

Nnnmm ...

Wai...don't stand there monitoring me~

In any case, you really can piss a whole river can't you

Well anyway, you're already completely soaked, so it's all the same if you get a bit wetter, isn't it?

It ain't the damn same-!!

No, actually, I think it should still be alright

Tsugumi?

...I suddenly felt the urge welling up in me too, y'know

Watching Mei do that to him...

Guuwahhh— She's blasting me with it

A'ight then, here it c-oomes-!

If I had to say, it's like that girl before was holding back incredibly when she did it

What's this-? That look on your face says you kind of want to drink some more, doesn't it

I...it does not, not a damn bit
