

Why hasn't it happened yet? Maybe I'm just a late bloomer?

I don't want to be left out!

I can't believe I let that slip earlier, but honestly, I have no idea why I haven't gotten my period yet

Let me try and find some information online

period, puberty, late bloomer, elementary schooler

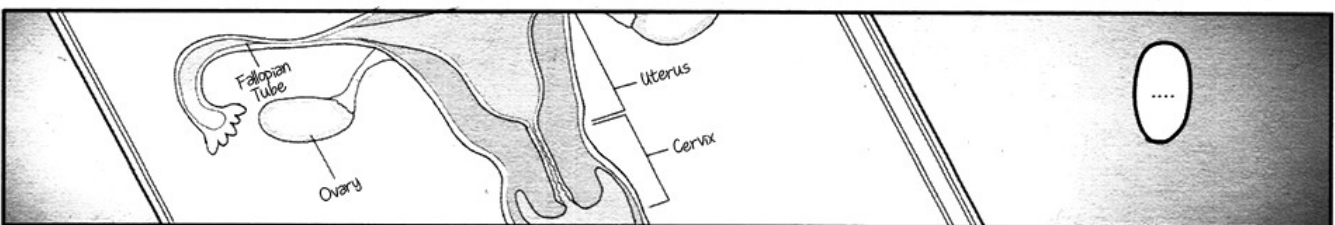

Press the enter key to search.

I wonder if there's a way to get me to have my period faster

Hmm..

Umm..

....

Ah!

What are you doing in my room?

朝木貴行 presents 「ようこそ莓ミルク!!」

Huh?

You would have been surprised no matter when it came, I remember how nervous you were back then

I was surprised mine came when I was only in the 5th grade!

Wow, you were pretty late, huh?

I was so relieved when it finally happened last month

....

We're already adults though!

That's so true, it's like, even though you're in the highest grade of elementary school, you're still a kid

If you don't get it in elementary school, you're pretty lame

But tampons kinda feel more mature, huh?

Or do you use tampons?

Right?

So what do you guys use anyway?

No, I use pads

Pads?

Yeah, totally

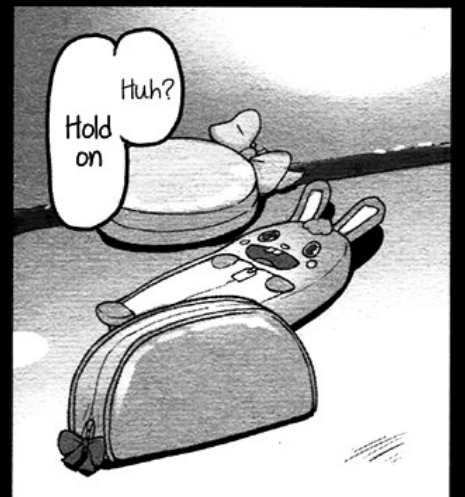

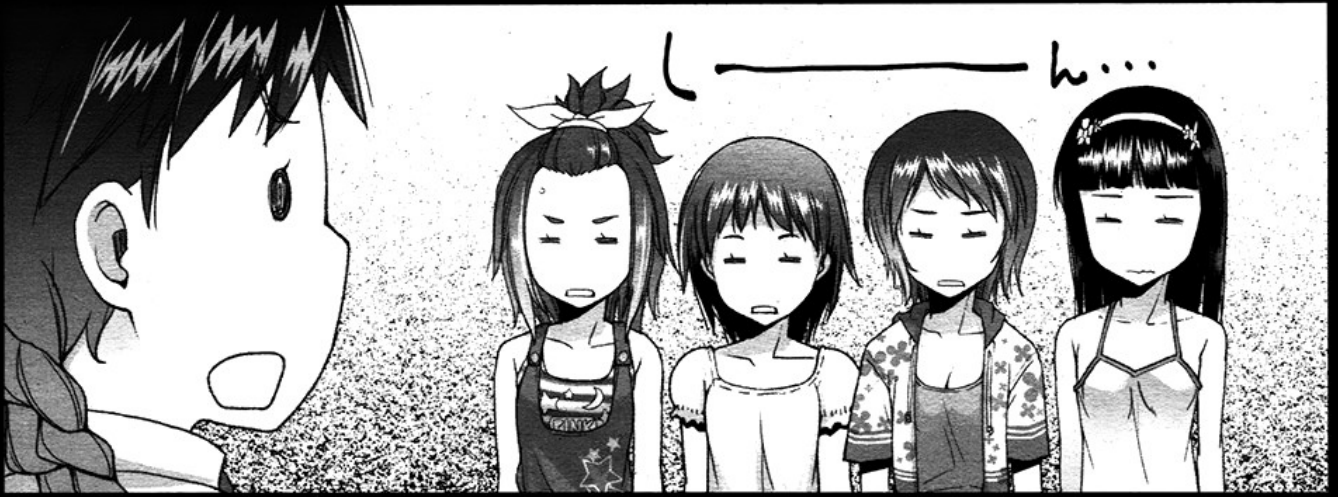

I use whatever, I mean, kind of like a mix of both of them I think

110

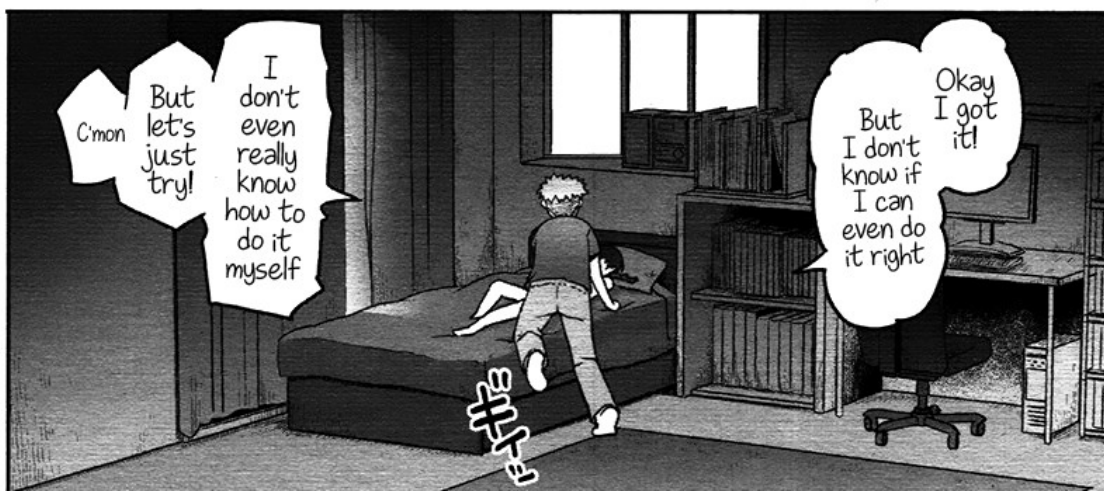

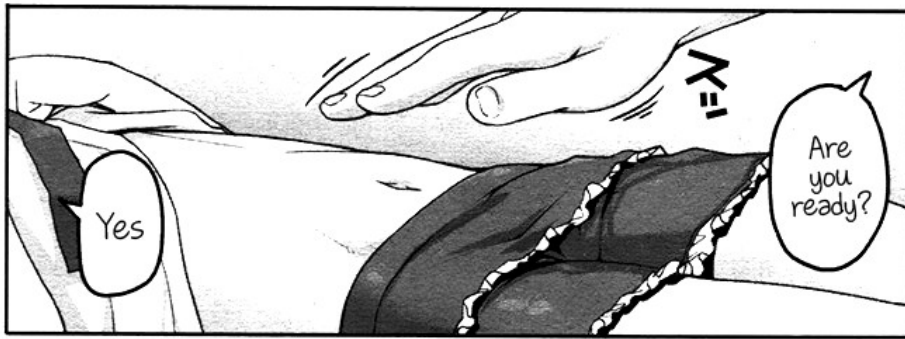

What about you, Ichigo?

Eh?!

Okay

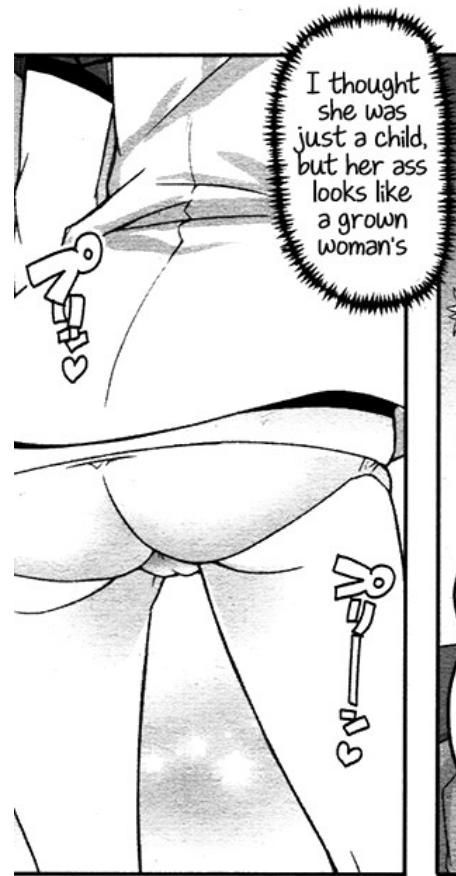

I'll take it off

Ah!

Do you mind taking it off?

I was thinking maybe around here, but your skirt is in the way

I thought she was just a child, but her ass looks like a grown woman's

Okay I won't

But I really just want to have my period! I hope this works

Just don't look, okay?

This is so embarrassing!

Now what?

Okay, it's off!

Maybe I should just listen to what he says

Well I need to look at least some, otherwise I can't give you a massage

Please just don't look, okay?

Like this?

Fine! You can look.. but only a little bit!

Ugh

I can't believe I'm doing this! It's so embarrassing!

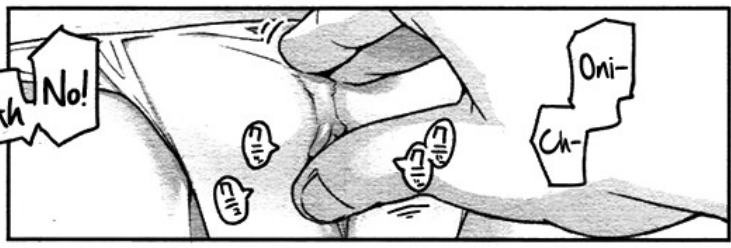

Even though it's my little sister, this is still the first time I've seen a female crotch up close! I need to do some investigating

Okay let's start off slow. If it starts to tickle, just hang in there

Ah!

※ LIAR

I know you're feeling a little nervous, but it's actually quite a popular type of massage

Isn't this sex?

I'm not supposed to have sex at this age

It's unheard of

What just happened? My entire head went blank and I felt light-headed

I don't really know what you're talking about, but if it's just a massage, I guess it's fine

My crotch also tightened up.. I wonder if that means that the massage is working

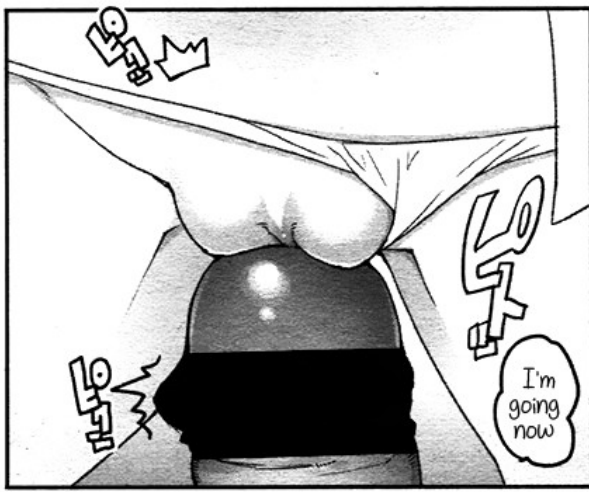

His dick is so hard

※ INNOCENT ELEMENTARY SCHOOLER WHO DOESN'T KNOW ANYTHING ABOUT SEX

Just leave it to me!

There was another type of massage that I remember reading online. Apparently if you stimulate the sex organs it will produce hormones and will kickstart puberty. I'll use my dick, but don't worry because it doesn't count as sex if you haven't had your period yet!

Onii-Chan

Is it all the way in yet?!

It's all the way in

Okay I'm going to start massaging you very slowly

Okay?

Okay, got it

It's going in!

Ahhhhh

What's going on? It feels like I'm getting shocked down there. It's so strange, but I need to keep going!

Just hang in there for a little bit longer

Ah Ah Ah  
I think it might be working  
If we just keep doing this, you should have your period soon

Ahh Ah Ah  
It's hitting my womb  
Ah Ah  
That's fine

Un Un Un  
Ah Un Un  
Is this a good speed?

She's so cute when she says things like that  
Uh... Yeah it's fine

Ah Ah  
Onii-chan, are you sure this isn't sex?  
Ah Ah  
Is it really okay to do?

Ichigo, I'm sorry!
