MINASE RURUU HERE. FOR THOSE WHO
DON'T KNOW ME - IT'S NICE TO MEET YOU.

I'VE RELEASED SEVERAL YURI BOOKS AT
WINTER AND SUMMER COMIKET NOW.

THIS BOOK'S THEME IS A PASSING SHOWER.
I GOT THE INSPIRATION FOR IT AFTER I WENT
OUT SHOPPING THE OTHER DAY AND GOT
CAUGHT OUT IN THE RAIN.

A WET SAILOR UNIFORM SURE IS WONDERFUL!
WHEN A WHITE SUMMER UNIFORM GETS WET IT
TURNS INTO A DANGEROUS WEAPON. THIS IS A STORY
ABOUT TWO GIRLS SEEKING SHELTER FROM THE
RAIN AFTER BEING SOAKED BY A PASSING SHOWER.
I HOPE YOU ENJOY IT.

I ATTENDED MIDDLE SCHOOL IN A SAILOR UNIFORM
YEAR ROUND. I COMMUTED TO MY SCHOOL BY BICYCLE,
SO ANY RAINFALL MADE ME MISERABLE. IF IT ENDED UP
RAINING BEFORE I LEFT FOR THE DAY, I'D USUALLY TAKE
A BUS BACK. HOWEVER, IF IT RAINED WHILE I WAS ON MY
WAY HOME, I'D BE OUT IN THE FEATURELESS FARMLAND.
BUT NO, THAT DOESN'T MEAN THAT ANYBODY SAW ME IN
MY WET SUMMER UNIFORM. WHEN IT LOOKED LIKE IT
WAS GOING TO RAIN OUT, EVERYONE CARRIED THESE
BORING NAVY COLORED RAINCOATS WITH THEM. THOUGH
I SUPPOSE THERE MAY HAVE BEEN PEOPLE AMONG
THEM WHO FORGET THEIRS, SO IT'S POSSIBLE THAT
A SITUATION OVERFLOWING WITH ROMANCE
OCCURRED BACK THEN.

BY THE WAY, I HAD A VERY ENJOYABLE TIME DRAWING
THE COVER FOR THIS BOOK. I WASN'T SURE HOW
TO DESIGN THE SCARF CLASP (MINE LET ME TAKE MY
TIE OFF WITH A SINGLE TOUCH). AFTER HAVING SOME
TROUBLE WITH DECIDING ON WHAT TO DO FOR THE
LOGO (DO THEY NORMALLY USE THE SCHOOL NAME?),
I WENT WITH USING THE FIRST LETTER OF THEIR
NAMES.

I LOOK FORWARD TO MEETING YOU ALL
AGAIN IN MY NEXT BOOK.

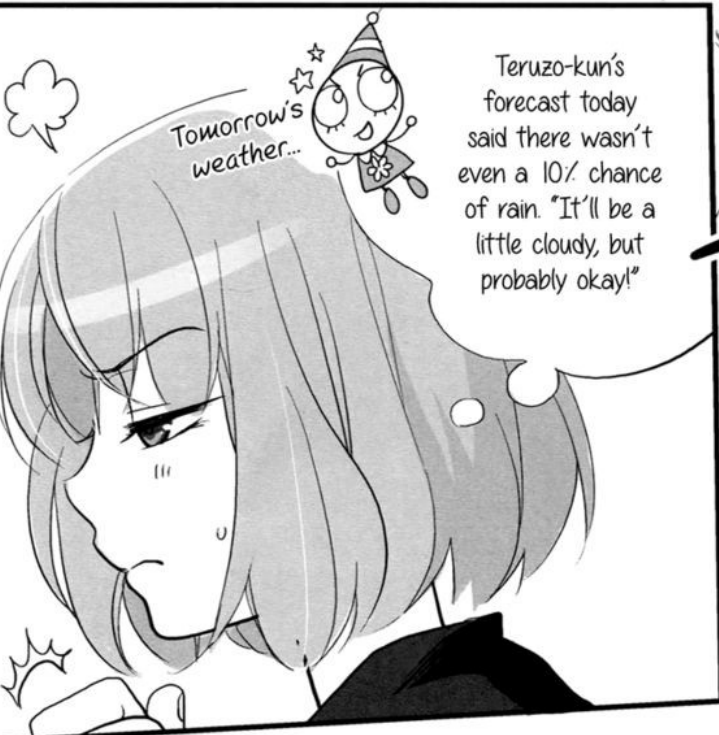

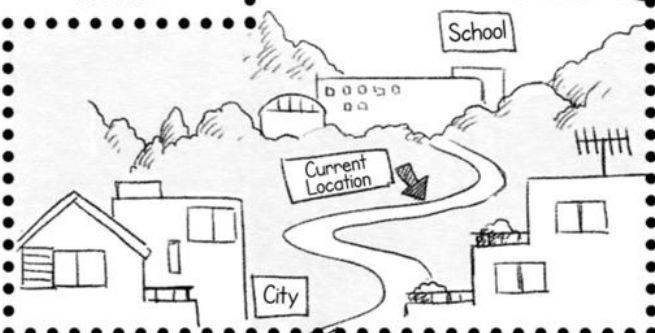

MINASE RURUU - SUMMER 2010

There's no place to take cover from the rain on the long path to school. It's nothing but a road leading up there, so I'm in trouble if it rains.

The school I commute to is on high ground between the mountains.

Ugh...
I'm worried about how the sky looks.

I better hurry home.

Tomorrow's weather...

Teruzo-kun's forecast today said there wasn't even a 10% chance of rain. "It'll be a little cloudy, but probably okay!"

The girl in front of me isn't in a rush, maybe I'll be fine.

Hm, maybe she's the type who's always carrying a folded umbrella.

I'm not sure if I should be running or walking...

Teruzo-kun, you LIAR!!

If that girl in front has an umbrella, I could walk under it with her.

O-Oh yeah!

Another few minutes and I wouldn't have had to get wet!!

SMASH

Not that there was any time to open an umbrella if she did have one.

Was this all too sudden for her, and now she's frozen still!?

SPACING OUT

You're going
to catch a cold
if you keep
standing here!

?

Eh?

My house
is just down
the hill!

Ah!

We can
stay there
until the rain
stops.

!!!

Sorry, it's
a bit of a
mess in here.
You can
come in.

Um...
You don't
need to worry
about me. I'll go
home as soon as
it stops raining.

しよー

It can't feel
nice to stand
there soaking
wet, right? I can
dry your clothes
in the meantime,
or lend you some
to wear.

BLOSH

Men aren't
the only ones
who would have
trouble averting
their eyes.

There are going
to be all sorts of
problems if you
walk around
outside like that.

Well,
I've got
towels...

O-Okay,
I'll get you a
towel first. Hold
on a minute.

Anyway,
let's get our
clothes off
so we can
change.

It'd be
quicker to
wring these
out in the
bath.

But we're too
soaked for a
towel to do
much good.

We can put
them in the
dryer afterwards.
Hopefully they
won't shrink.

Yeah...

I'm not sure
if my underwear
will fit you... but
it beats not
wearing any.

I'll try to
find one of
the newer
ones.

I have plenty
of t-shirts
around, so
you can wear
one home if
you want.

Ah!

You can
put the towel
someplace
over there.

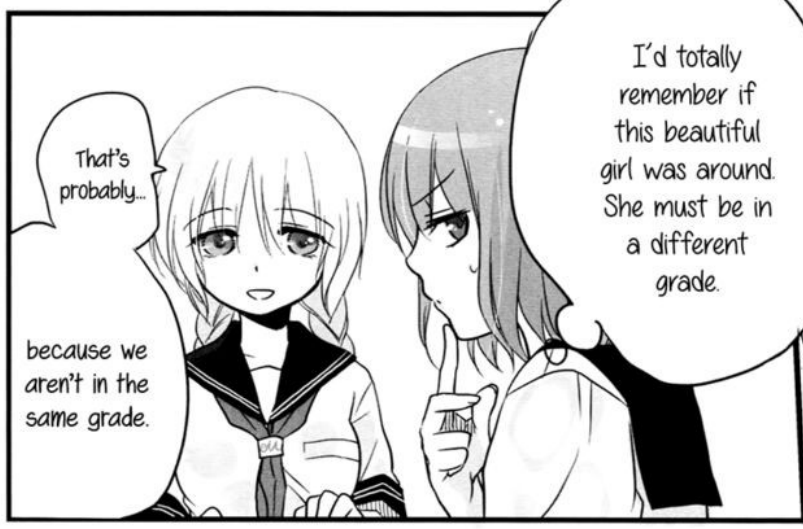

Aaahhhh!
A beauty is
in my bathroom,
and in such an
immodest state!

Ah, uh...
I was just
thinking.

We go
to the same
school but I've
never seen
you around
before.

That's
probably...

because we
aren't in the
same grade.

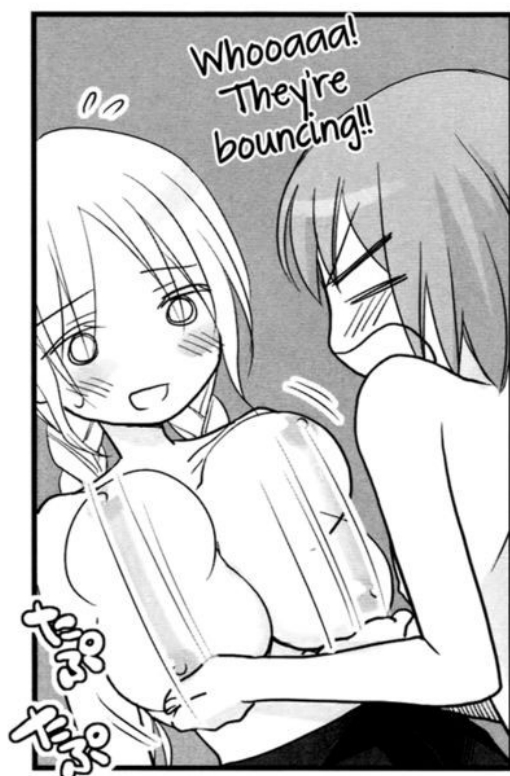

I'd totally
remember if
this beautiful
girl was around.
She must be in
a different
grade.

She's seeing how heavy they are by lifting them up in her hands.

She's seeing how soft they are by squeezing them.

She put her face in between them without thinking.

Kirihara-san?

I'm starting to feel... kind of strange.

Mako, this is starting to get embarrassing to me. Could you leave it at that?

Well, I already am feeling that.

Ahhmm

We're both girls, so why is there so big a difference between us? It's not fair!

Soooooff~

You can call me Mako.

I did
tell you
to stop.

A bad girl

Let this be
a lesson to you,
Mako, and start
listening to me.

It must
not feel good
for you to have
this wet skirt on.
Your legs are
really cold,
Senpai.

Hey...!
Why are
you touching
me there,
Mako!?

And what
about your
panties, how
do they
feel?

Not very
nice!

Okay then,
I'll get these
off of you. ♪

I can
take them
off myself!

Hehehe, Senpai...
your breasts
aren't alone
in being super
soft. Your
butt is, too.

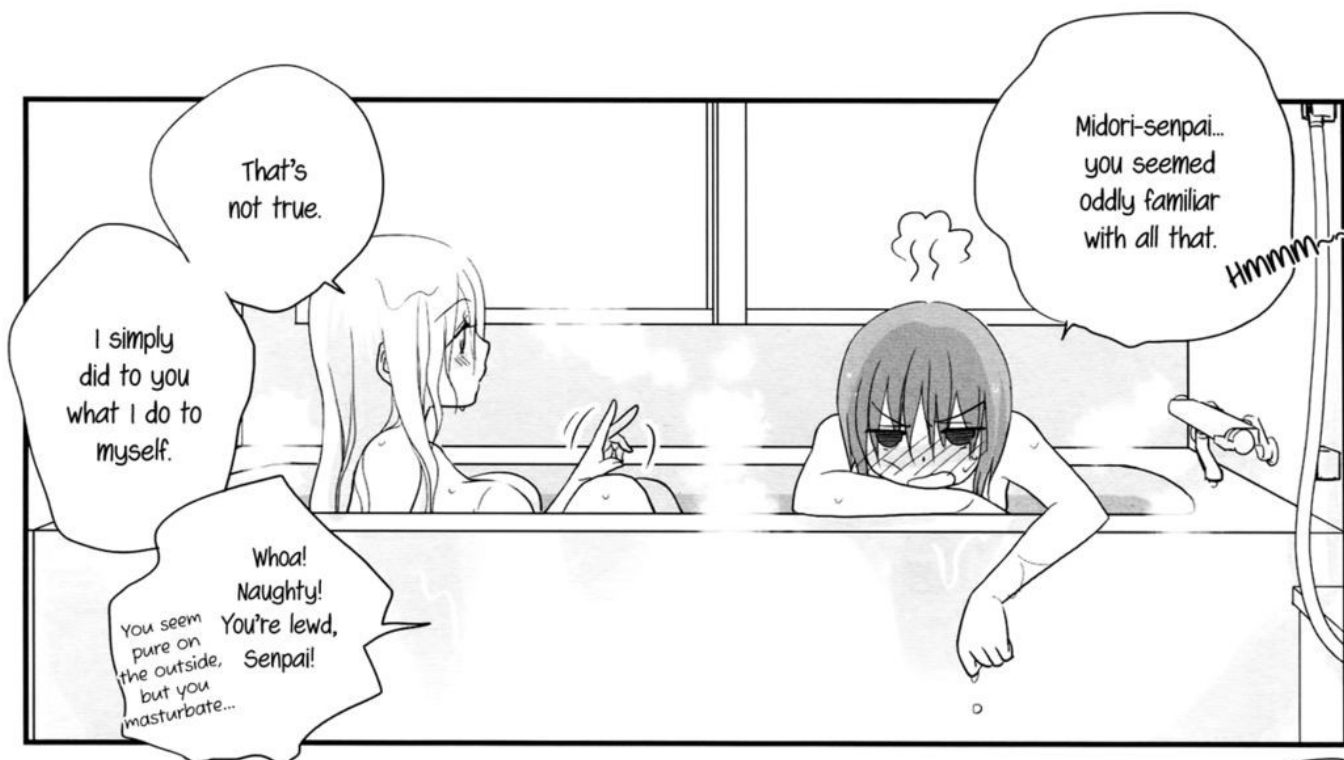

Hmmm, I don't
think so... there's
not much there,
just like my
breasts.

I'm sure it's
the same for
you, Mako!

I was only staying there
to get away from the rain.
I wonder if it's odd that
I smell like soap now

An anime-style illustration of two young women with long dark hair, seen from behind as they walk away. They are wearing dark blue or black school uniforms with white stripes on the sleeves and collars. The woman on the right is holding a red string. The background is a soft, warm-toned wash with a pattern of small, multi-colored dots.
