I guess maybe he's truly  
figured out on his own that  
he's just a dick receptacle?

school\_fack\_02.avi

He couldn't get enough of me  
and it drove him wild, I suppose.  
He started slutily shaking  
his ass all over.

Skanky piece of sailbait!  
This deserves some  
punishment...

My second  
time being  
recorded.  
During a still  
photoshoot  
break, I had  
Sora put a  
vibrator up  
his asspussy.  
Then,  
immediately  
afterwards  
I had him  
chow down  
on my  
cock.

Cocks  
are....

C'mon,  
Sora-chan!  
Double Peace  
sign! Say,  
"Cocks're  
so tasty!"  
"Look, over  
here~!"

That's it,  
that's it-!  
Now your  
face is really  
showing how  
much you're a  
bitch for cock!  
That's why I'm  
going to cum  
in you a lot,  
as a reward!

Today's  
a Christmas  
shoot. In order  
to reach out  
and give a little  
something to all  
the lonely people  
out there today,  
Sora-chan is  
going to put in  
extra effort!

To get that  
great smile  
on his face we  
already gave  
him a round of  
 creampie filling  
before we sent  
him into the  
studio.

Perhaps it's having  
his cum filled asshole  
dripping white jism  
from deep inside of him  
that makes him smile  
like that? Visions of  
cock dance in his head as  
this Santa poses for  
the camera.

Does he like his presents? (it's a dick in a box!) This little Santa is still lolli shaking his hips like a bowl full of jelly. Looks like he hasn't had enough packages yet!

And after shooting is over all of the staff draw tickets to get turns giving Santa some more white \* Five of them have already taken turns fucking him.

Drew this for  
Shiro-san's hall-limited  
guest book.
