

The image features two anime-style characters with long black hair and large blue eyes. They are wearing orange one-piece swimsuits with white trim and bows. The girl in the foreground is looking back over her shoulder with a surprised expression, while the girl behind her is smiling. The background is a light blue with a white polka-dot pattern. There are two large red hearts: one in the top left and one in the bottom right. Text is overlaid on these hearts and at the bottom left.
