I know, right?! She gets all quiet!

Kyaa! I know!

Now that you mention it, she does always act suspicious when we talk about earthquakes.

Hey, have you heard? Apparently, Miki's dad works for ~~TEPCO~~.

Bye, Sensei!
Bye, everyone!

No way!

I heard it from my parents.

By the way, there was an earthquake yesterday!

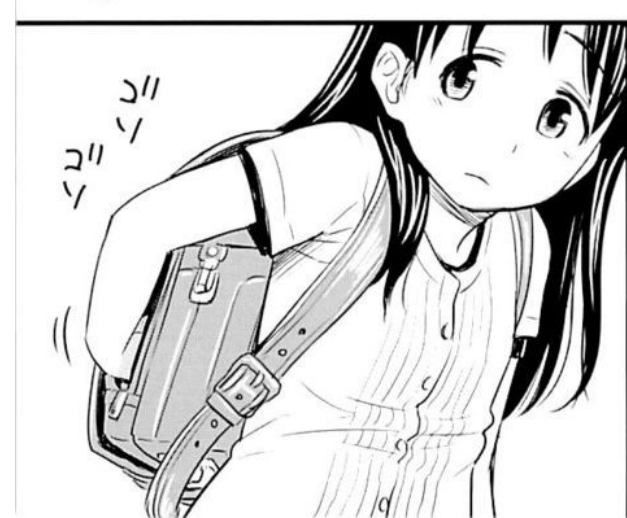

Seriously? I was probably sleeping like a log at that time!

There was! It was really short, though.

After ~~Ametoku~~ finished, I believe.

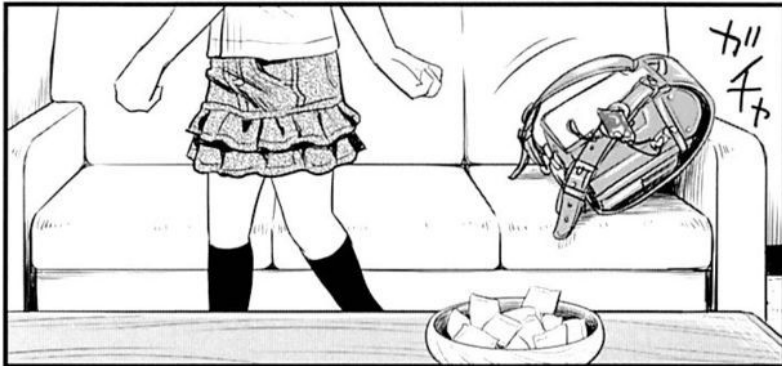

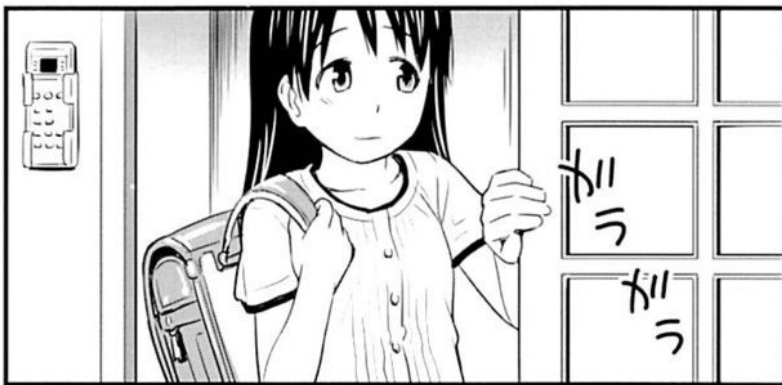

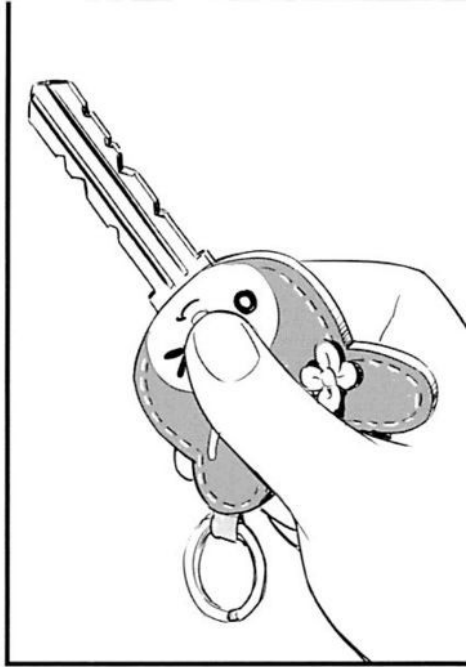

Really? When was it?

Kyahaha!

See you next week!
Bye-bye!

Later!

Hah!

ム

Because of the earthquake yesterday, the government asked us to inspect every household in eastern Japan for radiation.

Brightness

Monitor

Press to see the outside

Ah! Excuse me, my name is Ogawa, I'm from the [redacted] municipal office, environmental general affairs division.

Panasonic

QZ-LX53

Call/end

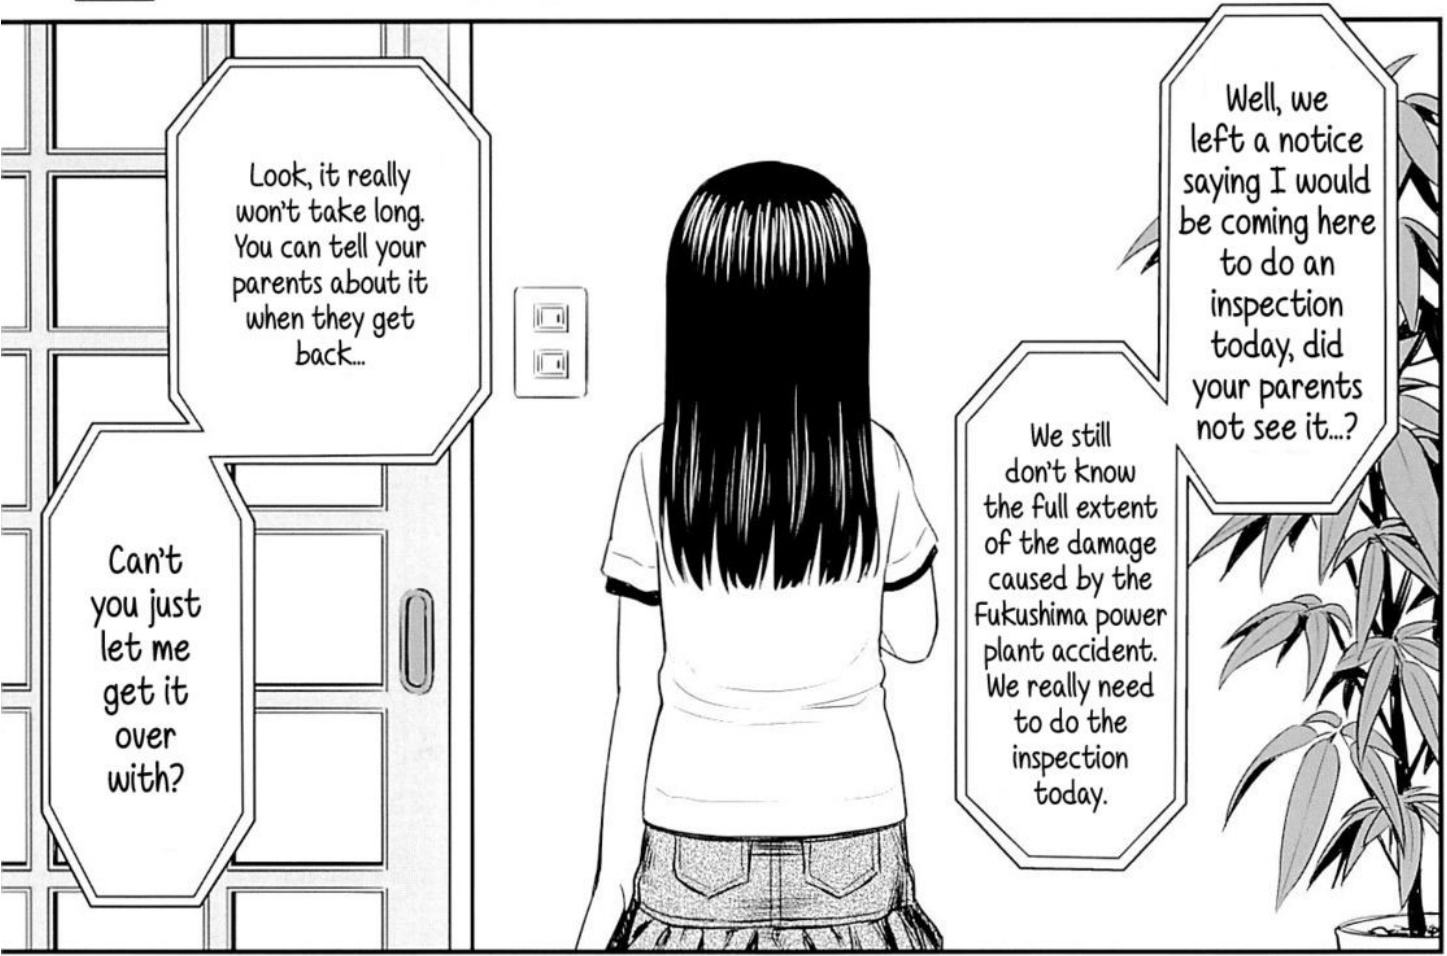

I've already finished measuring outside, and the process is quite simple, it'll only take a minute or so.

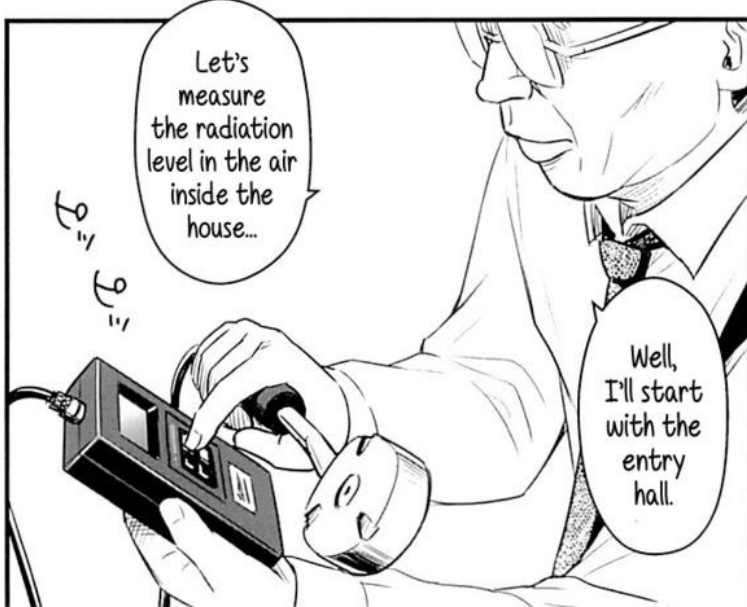

Panasonic

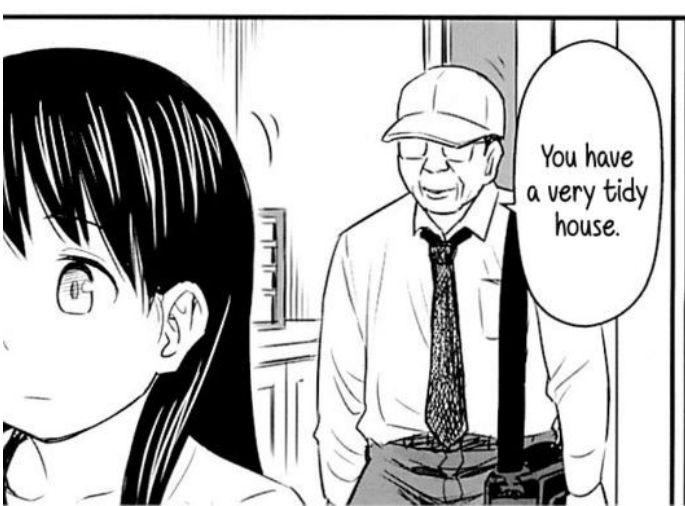

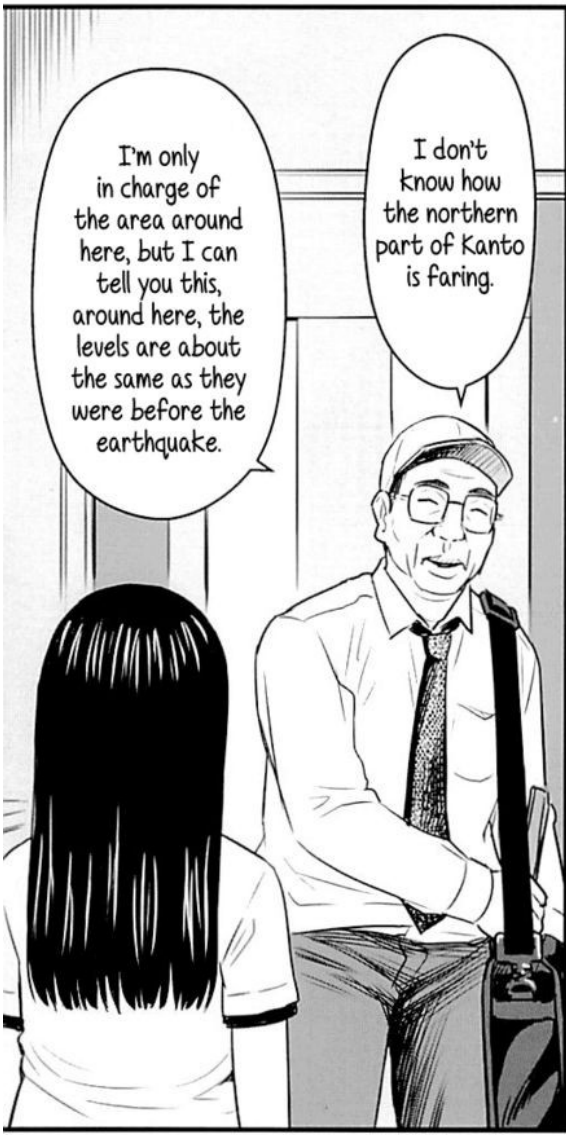

QZ-LX53

In summary, we're going into every house, and testing the tap water and the air for radiation levels and we would appreciate your cooperation.

I'm only in charge of the area around here, but I can tell you this, around here, the levels are about the same as they were before the earthquake.

I don't know how the northern part of Kanto is faring.

Yes...

See how the tool measured 0.092?

Have you learned about decimal points yet?

Ooh...

So this house is perfectly safe.

Well, anything under 0.25 micro Sv per hour means you're good.

You have a very tidy house.

Ah! OK.

Next would be the kitchen or the bathroom... Just lead me to a tap.

Gya!

Gya!

Ow
Ow
Ow!

Iih!

Make
one peep
and ye're
dead.

Don't
move.

Else,
I'll take this
box cutter n'
I'll slash up
yer face.

Don't
struggle
and don't
scream.

Ya don't
want me to
cut off your
ears or nose,
do ya?
Are ya gonna
behave?
Ya won't make
a sound or try
to run away,
will ya?

Mhh!

Answer me!
Do ya under-
stand?!

Mh!

If ya
behave
like a good
little girl, I'll
let ya live
another
day.

Under-
stand?

Lay flat on yer stomach.

...

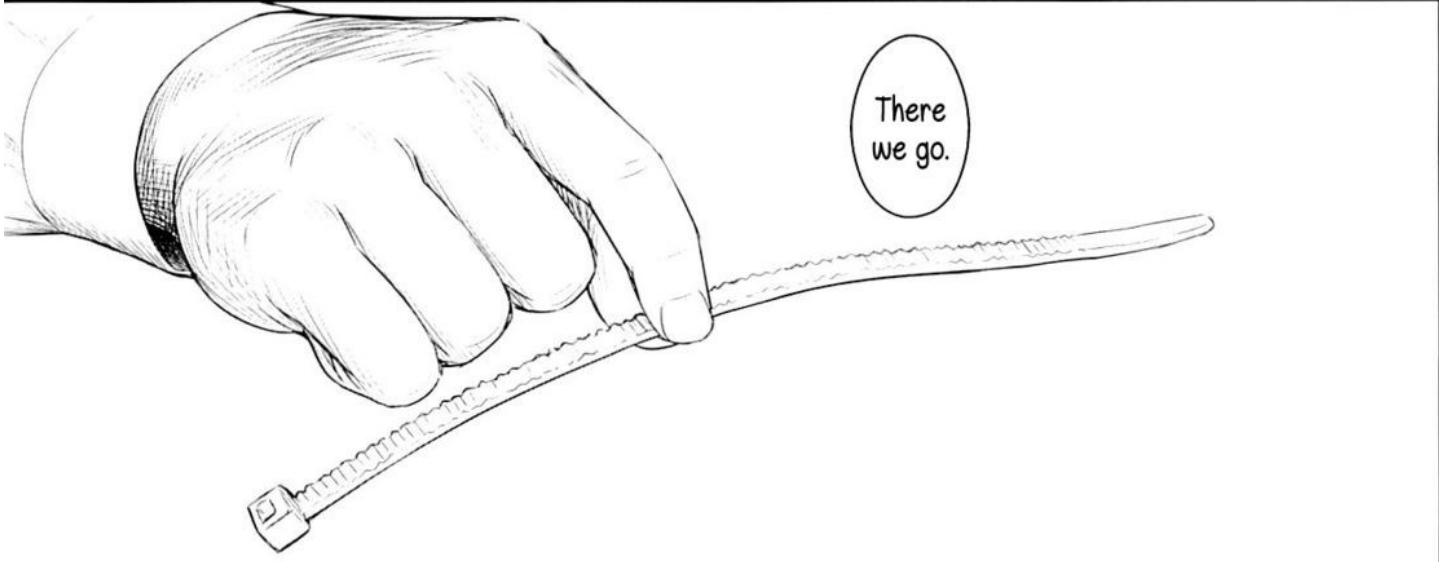

Here we go.

Now I'm gonna tie up yer hands.

Put 'em behind yer back with yer thumbs next to each other.

There we go.

Put yer fingers closer together.

C'mon! On yer feet!

Guh!

Stand up.

Yer bedroom, got it?

If I catch ya tryin' ta escape, I'm gonna start swinging my cutter~.

Okay, camera's recording.

Mmh!

Hey!

Take me to yer room!

I got about an hour, give or take.

Welp.

Good grief! Almost killed ya there...

Mmh!

Mmh!

Well, then...

How 'bout ya spread yer legs?

Open up more!

Nah, that gap ain't wide enough!

Her name is Etou Saori-chan!

There ya go, now we can start~!

This dumb ass fifth grader actually fell for the lie that I was going to inspect her house for radiation!

And right now, her n' I are going to be doing some very lewd things~!

Right here, in her own bedroom!

Fifth graders wear these now? It's a pretty cute soft bra.

Oh! Ye're wearin' a bra?!
♥

Hmm? These buttons just for show?

First off, let's take a look at those breasts.

Guess I'll have to go in through here.

Hey!

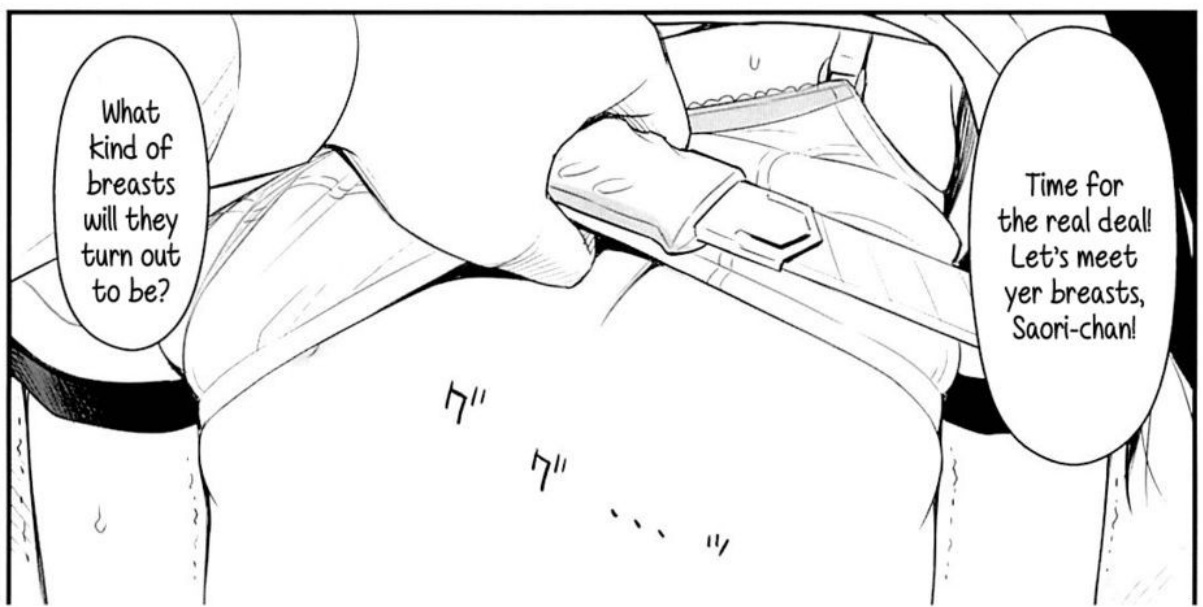

Oh~! So soft! It's wrapped gently around yer chest!
♥

Where are ya nipples~?

Ooh~?

What kind of breasts will they turn out to be?

Time for the real deal! Let's meet yer breasts, Saori-chan!

I love it when they're little mounds like that!

So cute~!!
♥

Oh, and yer hair is so silky smooth, ye're so beautiful... I was right not ta blindfold ya!

And yer nipples are so small!
♥

Uh...

Uuh...

They're so pale.

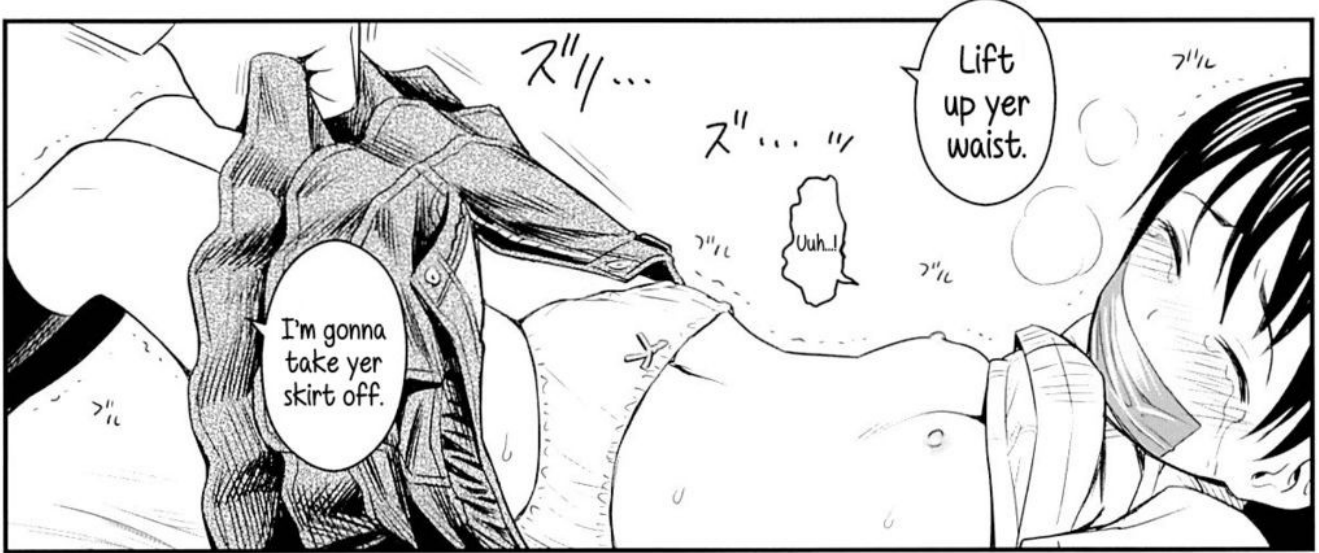

Wow! So squishy!

Now, then...

...!

Mmh!

Hoo!
So squishy!
♥

Mind if I
check how it
looks like
inside~?

Ueh

Hoo!
It's so
pink!
♥

Ah
good!♥
Ya still
have yer
hymen.
♥

Oh!

It's a
smooth
pussy!

Now
I'm really
excited!!

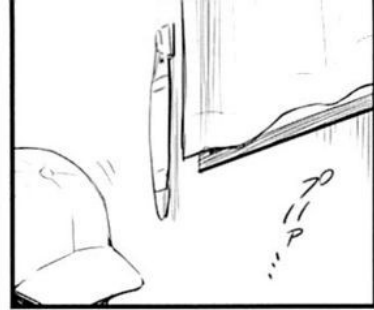

There
isn't a pubic
hair in sight!
♥

Well, then, Saori-chan...

I'm gonna record yer "first time having sex"~!
♥

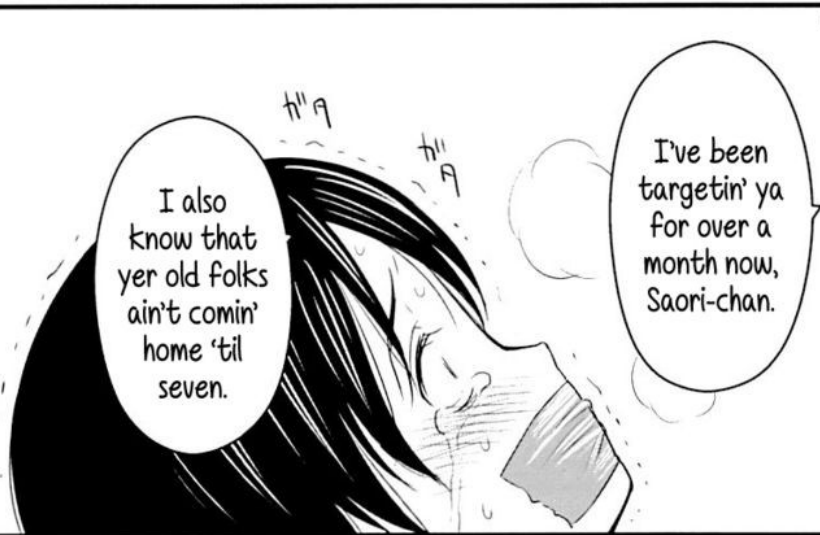

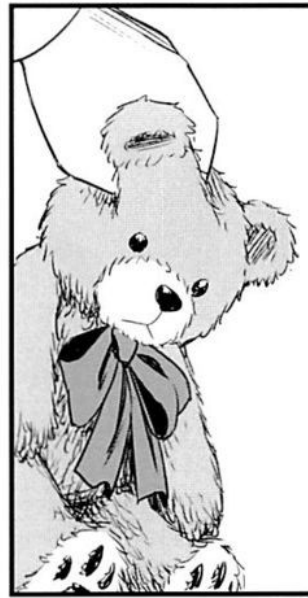

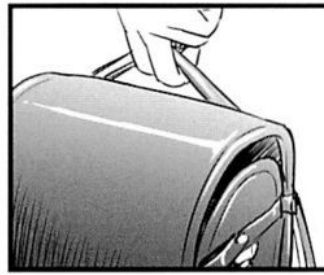

Hah...
Ya have a very healthy pussy.

Yer panties are staying right here.
♥

Don't forget, if ya struggle, I'll stab and stab 'til ya stop breathing.

This the first time ya've ever seen a hard cock?

Look, Saori-chan!

It's my dick!
♥

Not the same as yer old man's, now is it?

Look at it... It's so eager ta go inside yer pussy, Saori-chan!

And it's goin' straight inside ya, Saori-chan.

I wonder what yer pussy feels like inside, Saori-chan~!

Oho!! Yer entrance is so tight!!
♥

I'm gonna push hard~!

Well, let's not keep it waiting.

I'm gonna start movin' now.

Uh Uh

It's tryin' ta push my penis out!

Uuh! It's so narrow!

I took yer virginity and I got it all on film!

Kid pussies are so warm! ♡

Ah~...! This feels so good~!! ♡

Ugu!

Muh!

Uuh

Uuh

Ugh

Mhg ugh

#!!

A2 to!!

A2 to!!

#!!

Yer pussy is cleanin' my cock of all its smegma~! ♡

Saori-chan, feels good when I scrape yer pussy, don't it?

Ugh

Ugh

Oh! Gettin' fucked made yer face go red like a tomato!

Have ya started to feel good too, Saori-chan?

What a slutty face, I've gotta record this! ♡

A2 to!!

A2 to!!

Crap, I'm gonna cum!

I can't hold my cum back no more!

I'm gonna... inject my special thick milk into yer womb...!

Oh! Oh! Oh! I'm cummin', Saori-chan!

Ooooo ooooo ooooh!

Cummin'!! Cummin'!! Cummin'!!

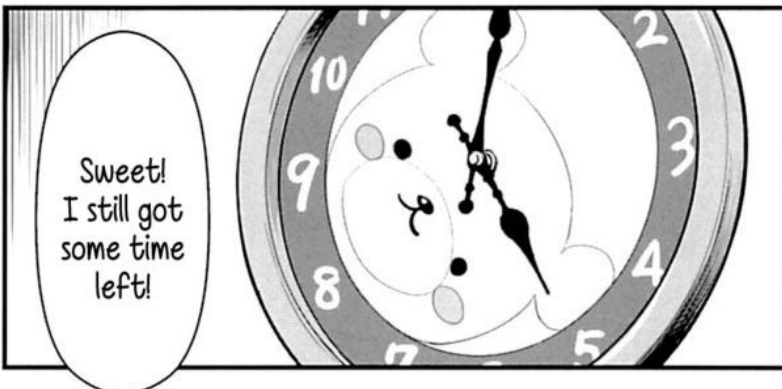

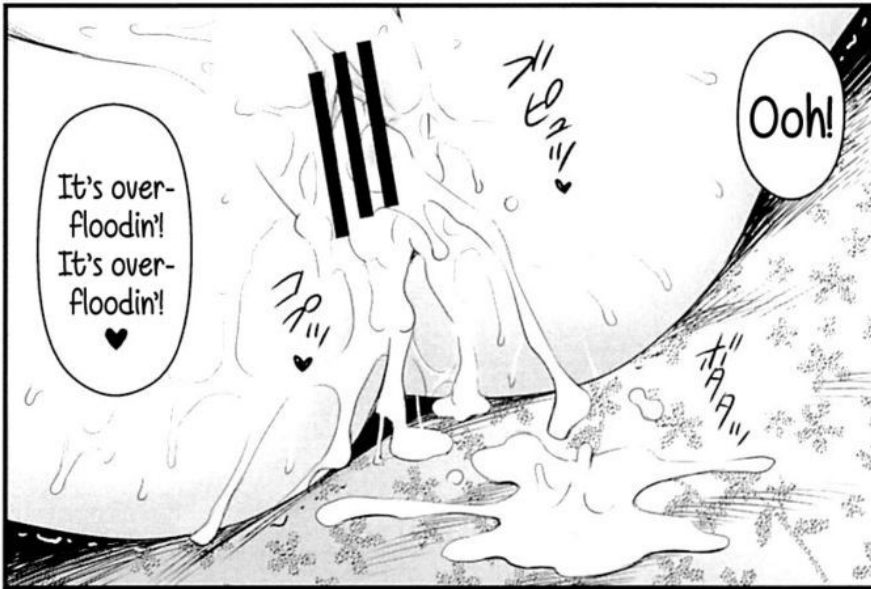

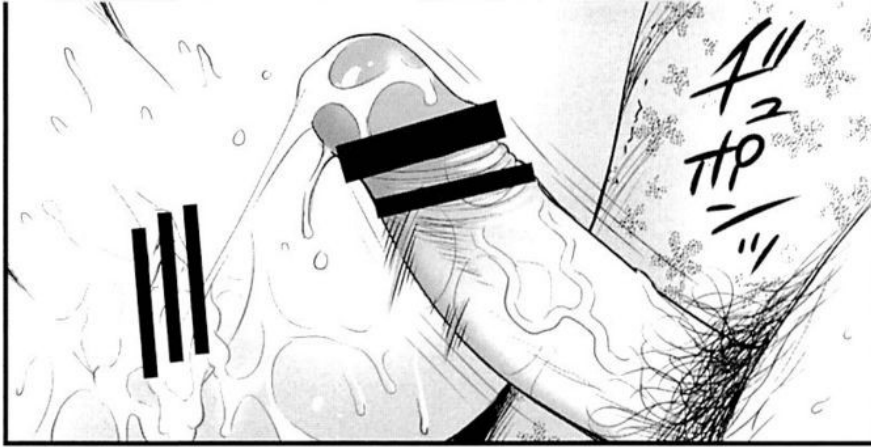

Can I cum inside ya, Saori-chan?

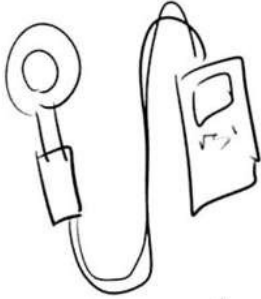

Oooh! Can I cum?

こんにちは、クジラックスと申します。
エロマンガ描きはじめてから、初めての同人誌でした。

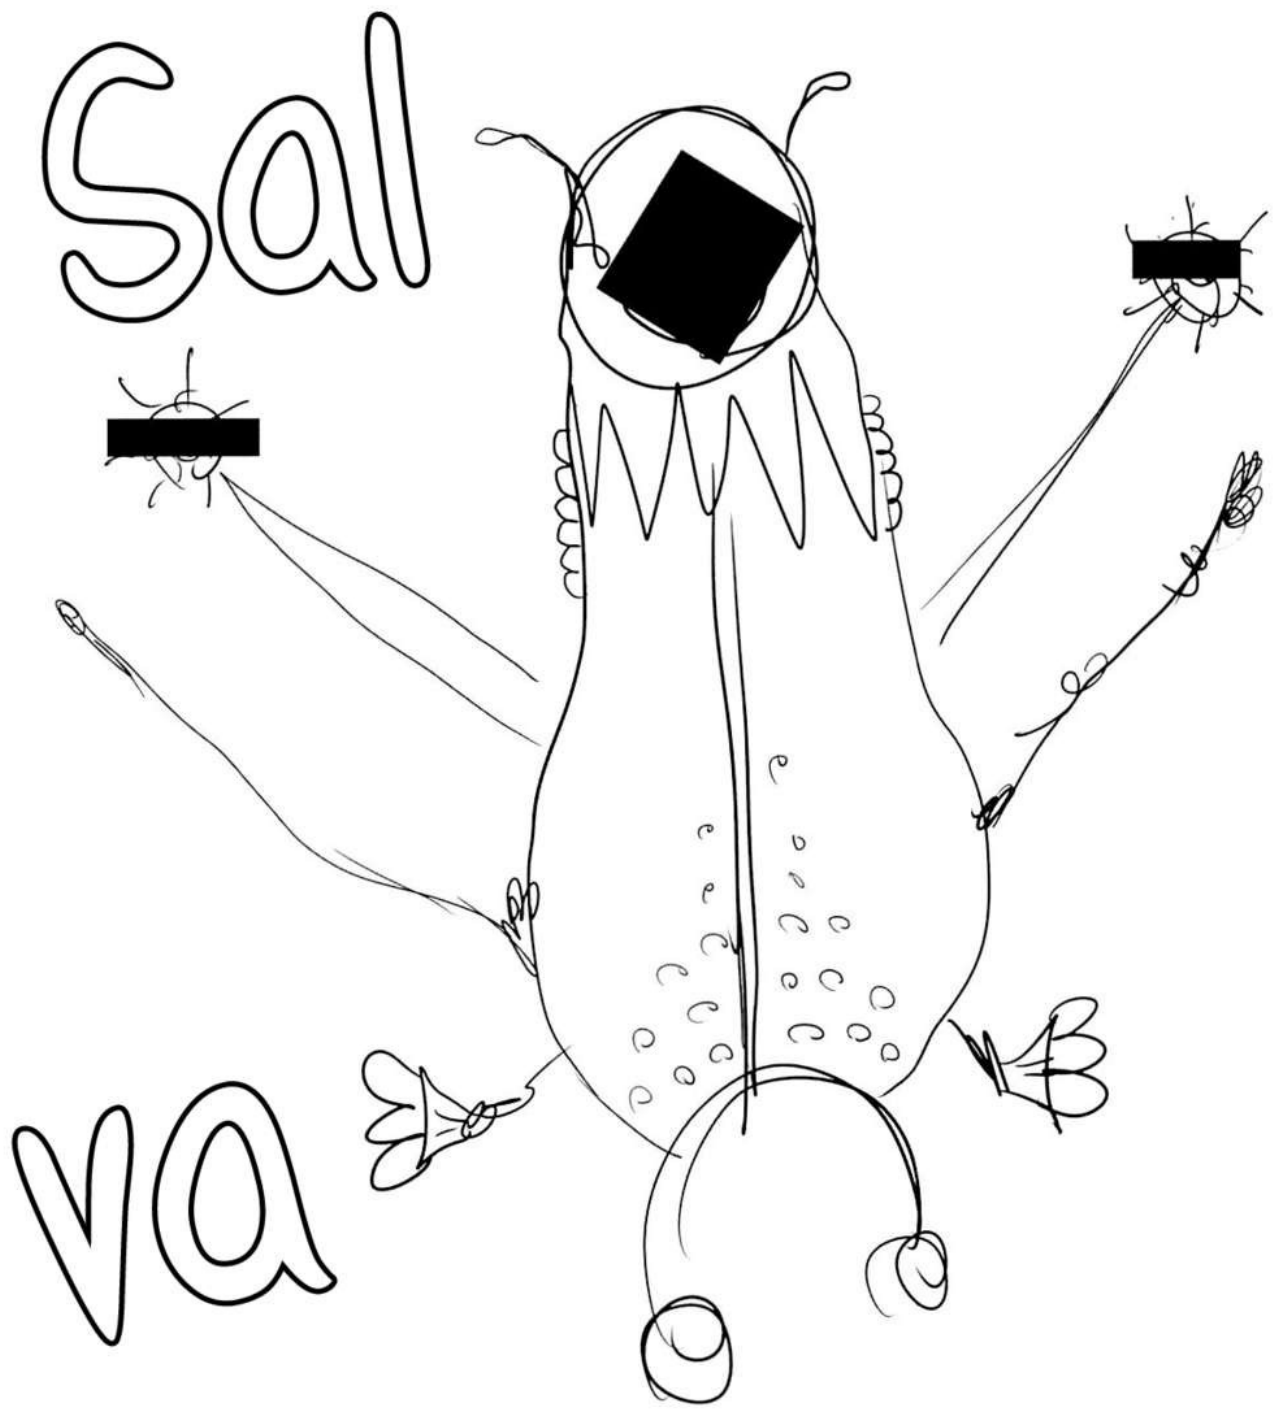

エロシーン前に贅沢にページを使えて本当に楽しかったです。
射精一回で帰るのは惜しい気がしてきたので
冬コミ受かったら、そこで続きを出そうかなと考えています。

ドタバタしてしまい出せるかどうか怪しかったので、
お世話になった方々に本当に感謝です。

商業単行本出して以降、完全にふぬけてしまい、
漫画から逃げに逃げ右往左往してしまってすみませんでした。

待ってくださった読者の方、本当にありがとうございます！

また描く楽しさを思い出せてよかったです！
