MY MOTHER IS DIFFERENT FROM OTHER PEOPLE.

SHE'S A WOMAN, BUT SHE ALSO HAS
A MAN'S THING.

YES... SHE'S WHAT PEOPLE CALL A...

"FUTANARI."

AND THERE'S ANOTHER THING THAT DIFFERS
HER FROM OTHER PEOPLE.
THAT IS...

SHE'S BEEN SEXLESS LATELY.

MY 'LOVER'
WON'T TAKE
CARE OF ME,
SO I CAME UP
WITH A PLAN.

I HOPE IT
WORKS...

★ Afterword ★

Hello, I'm MizuiriMegane. This time I went and drew some pregnant sex, how did you like it?

I was eager to include an irrumatio scene and a standing position too - and ended up with a lot of pages... For that I nearly got strangled.

It's turned out to be quite serious, this one, but next time I'm thinking of drawing just a silly couple.

In the past I dreamt about becoming a manga artist, but having tried it again after a long time, I feel it's quite a tough job. (Manga artists are too great)

I used to like drawing with a pencil, and despite being not that good with it, I still decided to use it. Challenges like this exist only in the doujin world, I think.

I grew up in the times when we didn't use copy machines, so sending my drawings directly to someone almost seems like a dream. These are the good times we're living in.

Well, see you then. This was Mizuiriomegane.
