# EARTH GIRLS

R18

♀ × ♀

Original Girls Love Comic

THE LAST  
OF THE GREAT  
ICE AGES  
OCCURRED  
ABOUT  
TWENTY  
THOUSAND  
YEARS AGO.

THE  
EARTH  
FROZE.

HUMANS HAD  
SMALL BODIES  
AND NOT MUCH  
HAIR. THEY  
WERE FRAIL.

BUT THEIR  
INTELLECT  
AND LAN-  
GUAGE  
PROTECTED  
THEM.

1000

THUS  
PASSED SEVERAL  
MILLENNIA.

THE ICE  
GRADUALLY  
MELTED,  
AND A  
WARM  
PERIOD  
BEGAN.

THE  
TEMPERATURE  
ROSE, AS DID  
THE SEA LEVEL,  
GIVING RISE  
TO A VERDANT,  
WATER-FILLED  
WORLD.

LARGE  
BEASTS  
LIKE THE  
IRISH ELK  
AND THE  
MAMMOTH  
DISAP-  
PEARED.

AT A  
TIME WHEN  
CIVILIZATION  
HAD YET TO  
TAKE ROOT  
ON THE  
STREAM-  
BANKS,

HUMANS  
WERE STILL  
LIVING IN  
TRIBES.

So cold!

What's with this rain!?

The sky was clear before I got up here!

Hya...

Uwah!  
So cute...

Thank  
goodness.

Are you  
okay?

Ehehe

This might be the first time I've done this with a girl!

and I didn't have any girl friends. My brothers were always around,

It's fine!

But...

Your clothes are soaked! Take them off!

Wear this with me!

The coat's still dry inside.

ハハ

....

My name's Sakina.

I hope they'll find someone.

Seven of them, all unmarried!

Grin

Oh, you smiled!

I was worried that you'd be a bad person.

I'm Yume.

Hey,  
did you know about Bigtooth?  
It's a giant beast.

ハアア

I don't even remember her face. She passed away when I was small.

Ahaha!  
She definitely was.

...That's pretty brave of her.

My mother said she found it once and almost caught it.

So warm...

That's why. If I moved too far away I wouldn't be able to meet Bigtooth.

Hmm.

From that time I've always wanted to find Bigtooth.

Maybe I'd be able to catch the beast my mother couldn't.

Are all girls just like her?

What is this, I wonder. Such a nice scent and softness...

Mm.

No, this girl must be special.

'Cause she's so cute.

So that's your dream, Sakina.

Rumors say she founded a village on a mountainside near here.

...Sakina

and that she welcomes all females.

I can't survive alone, so I was thinking of asking her for help.

Um...

Hehe, I hope I can become friends with her.

of a person named Kidaha of Smoke Mountain?

Oh, right! Yume, do you know

?

...No, it's fine. You'll know soon.

You know about it?

What kind of place?

Did you hear about what kind of place it was?

クオオオ

Don't fall asleep, Sakina. You'll get cold.

Mn... But... Sleepy...

The rain's stopped... But we can't get out until morning.

クク

At least, it might be better to get closer.

(Mn...)

Mn...  
Yume!

ちゅ  
Ah...  
(Ha)

(Ha...)  
Don't worry.  
You'll be fine.

(Mn...)

The  
thumping  
in my  
chest  
won't  
stop.

It feels  
so good  
to be  
touched...

ちゅ  
ハハ

(Hhff...)

Ah...

ちゅ  
ハハ

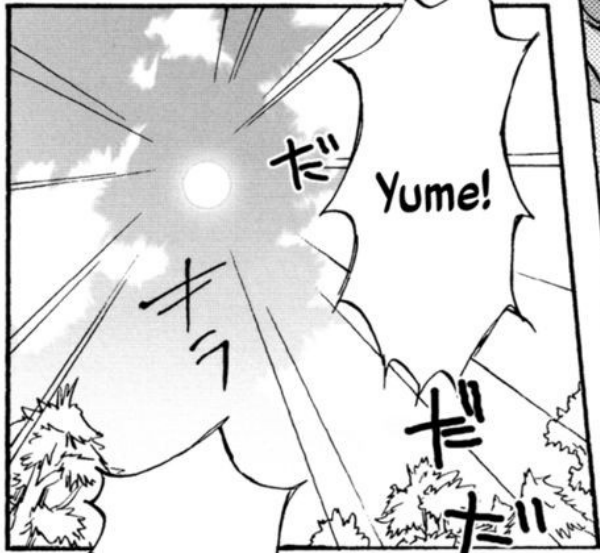

Yume,  
I'll do it  
for you  
too!

ちゅ  
ハハ

I've never  
felt like this  
before.

た Yume!

You okay, Yume?

Going up the mountain by yourself on a day with such foreboding skies!

Didn't you promise me we'd always go together for herb gather-

は

Haa

What do I do?

Falling in love with a girl I just met...

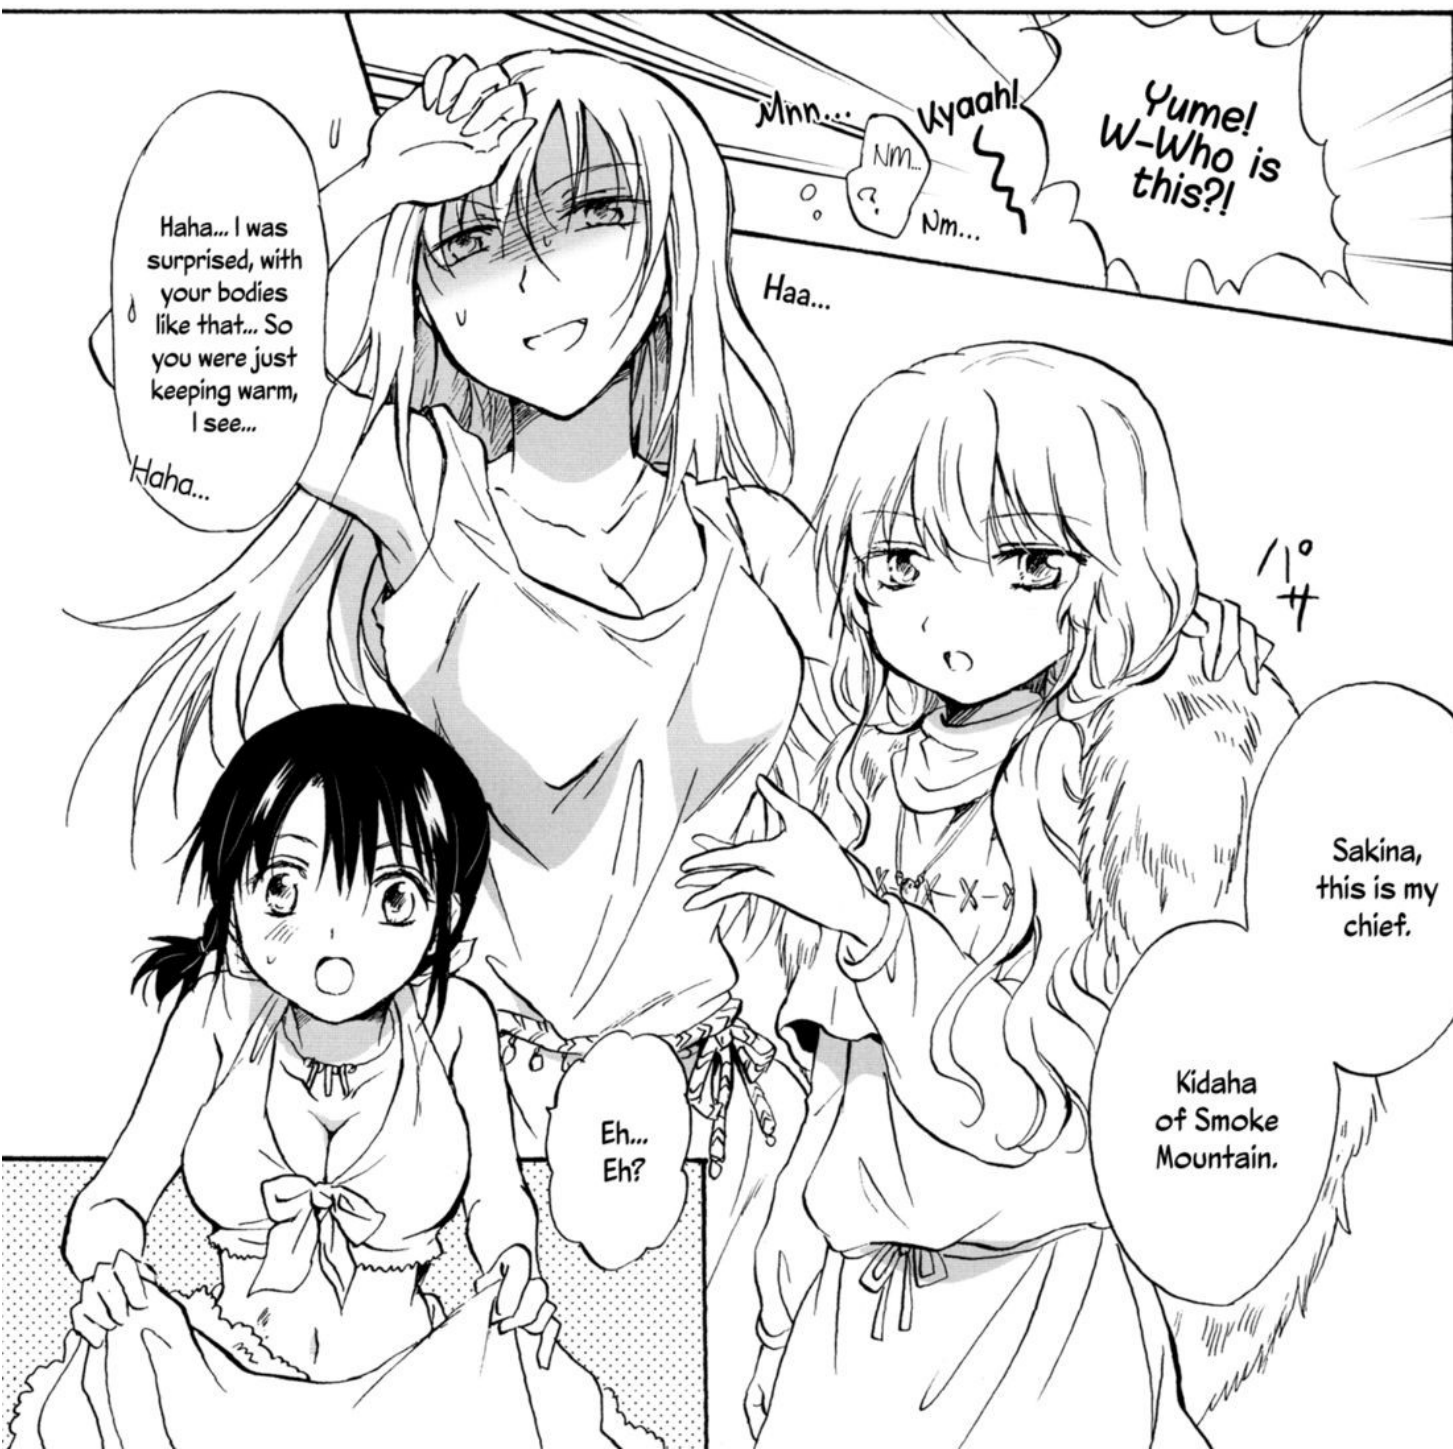

Ha...

Ahhhhhh!?

Mn?

Eh!?

Haha... I was surprised, with your bodies like that... So you were just keeping warm, I see...

Haha...

Mnn...

Kyaah!

Nm...  
Nm...

Yume!  
W-Who is this?!

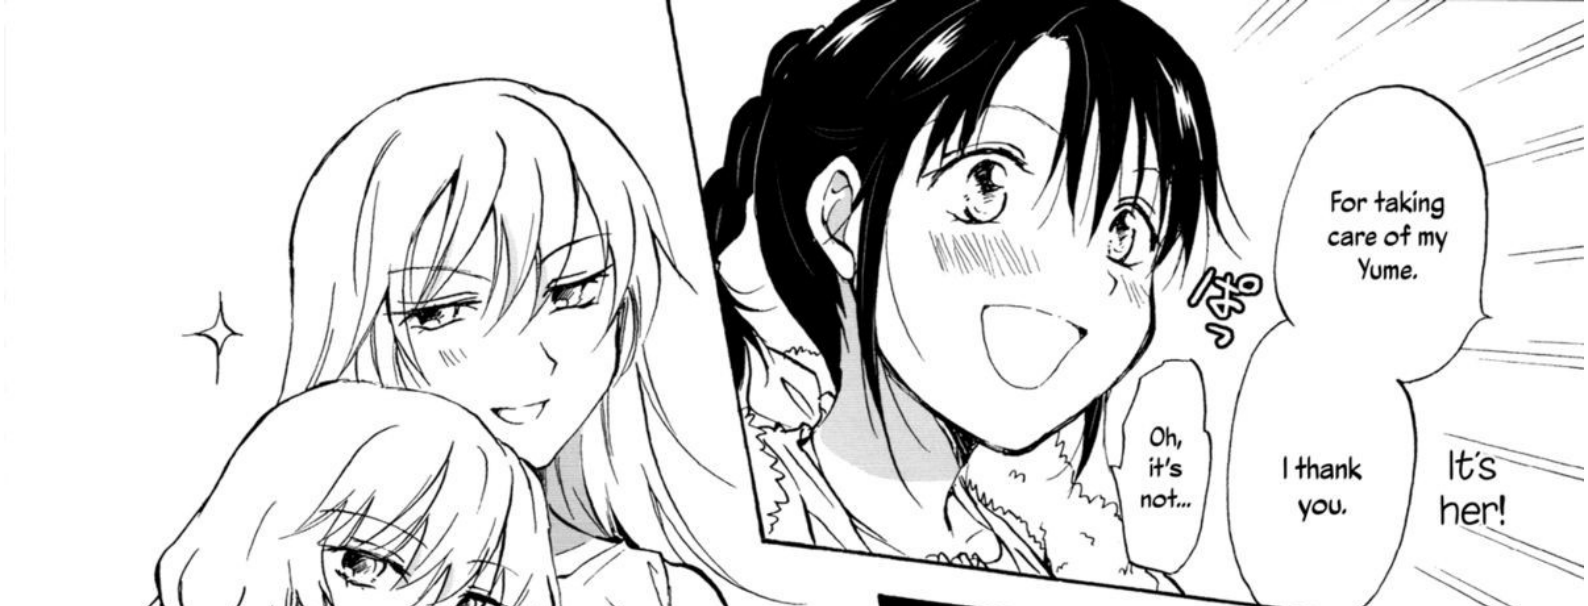

Haa...

10  
+

Sakina,  
this is my  
chief.

Kidaha  
of Smoke  
Mountain.

Eh...  
Eh?

For taking care of my Yume.

Oh, it's not...

I thank you.

It's her!

Hmph!  
...However, a word of caution.

Do not lay a single finger on her!

Yume's my precious wife.

Who?

.....?

Don't wait. tell, she says...

My first female friend, my first sex partner,

Huh?

and she's married!? (to a girl)

Shh...

Come with me, Sakina.

Wh-What's going on!?

Let's go home!

Welcome  
to our  
village,

Smoke  
Mountain.

2 - VILLAGE OF SMOKE MOUNTAIN

You're kidding me!  
There are only girls in this village?!

Welcome back!!

What?!

ふわ〜ん  
わん

A new-comer?

No men...

Naturally, that means there are only girl-girl couples.

This is a girls-only village.

What?!

And they're all...

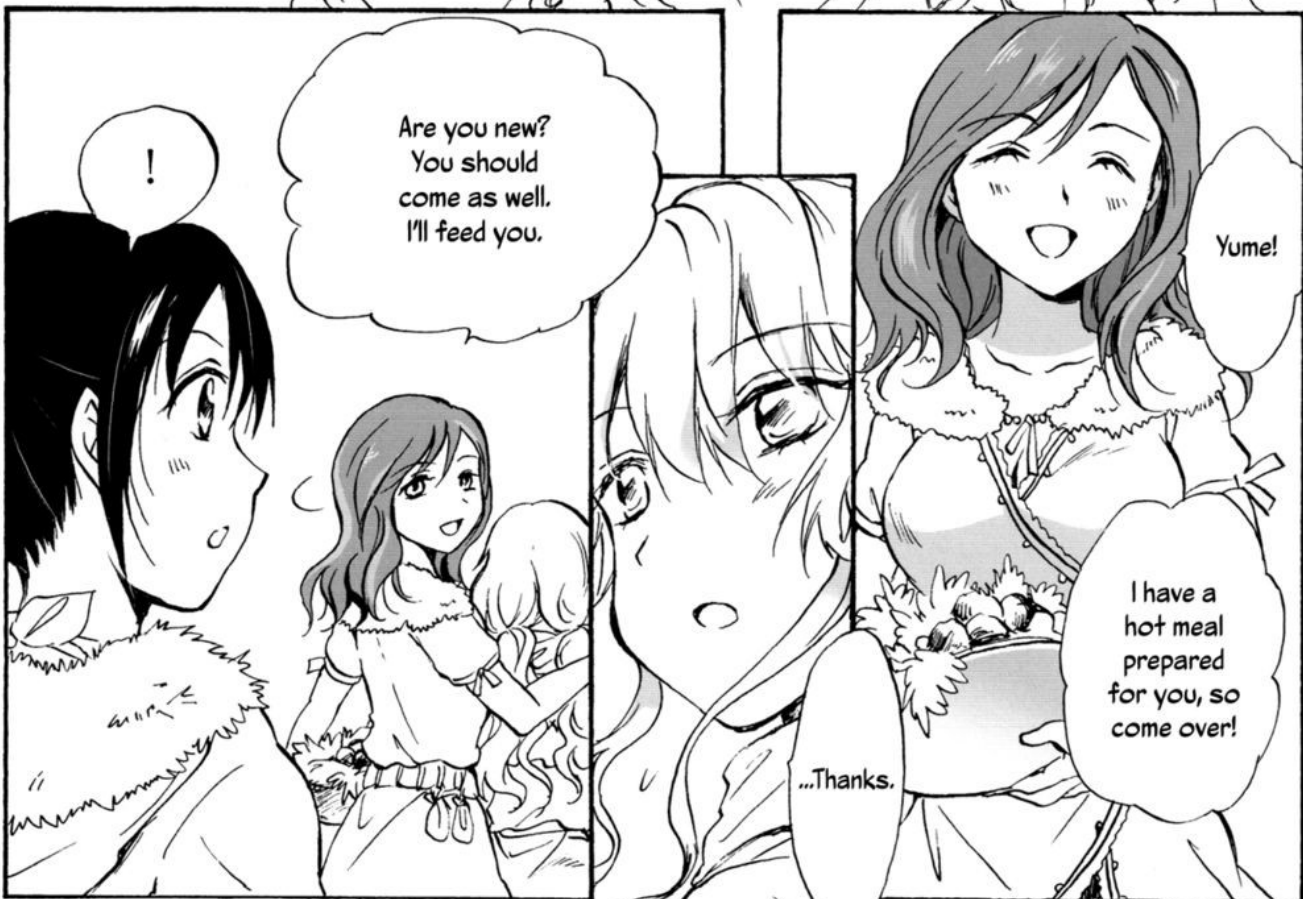

"Oh... Guess we can't stop you, then." "We'll always support your romantic choices, Sakina!" Now I know why they let me walk off so easily.

Now I understand... Why, when I mentioned heading to Smoke Mountain, my brothers said...

You okay!? We were worried!

I'm fine! I was at the usual place.

Tena! Rin!

!

Are you new? You should come as well. I'll feed you.

Yume!

I have a hot meal prepared for you, so come over!

...Thanks.

I've never hit one with a spear before.

「アハハ」

Are you really the chief!?

Me, hunting? No way!

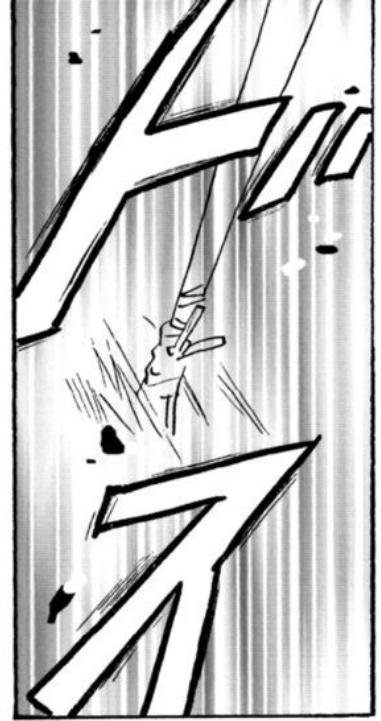

Ahaha

Nice legs you've got there.

How are you going to hunt it from up there!?

Hey, don't just watch!

Smoke Mountain is definitely the best place for girls to live in!

Haah, so warm! ♡

Aren't hot springs great?

ほか

はか

What an outrageous chief...

Um...

Food...

RUMBLE

You must be starving.

These steamed tubers are sweet and tasty.

What a great boar! Thanks, Sakina.

The villagers all look like good people.

We'll handle the butchering.

Huh...  
Yume's  
really im-  
pressive.

She's our  
bright and  
valued herbalist.  
We all owe you  
our thanks.

I heard  
you rescued  
Yume? Thank  
you.

Over here!

Hey,  
Sakina!

Maybe  
she went  
somewhere.

Where's  
Yume?

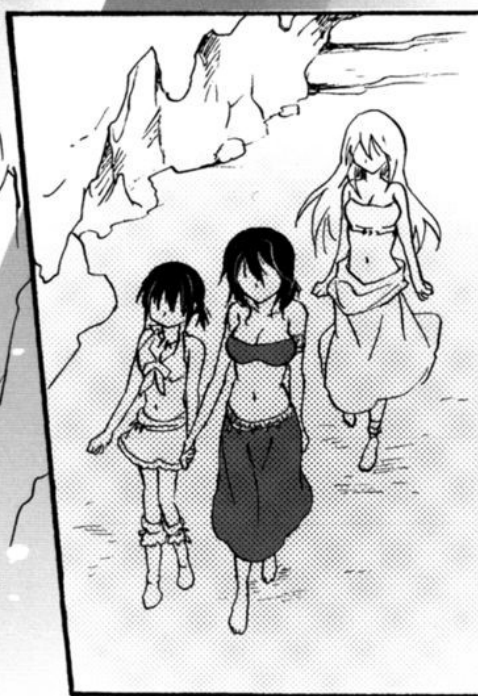

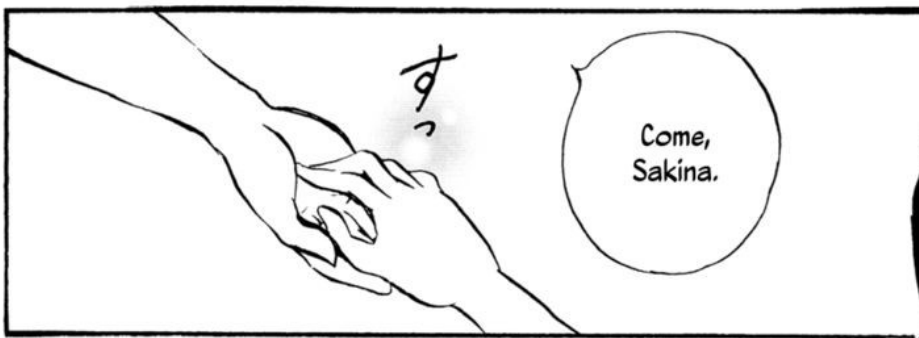

lo.

Meet Sakina.  
She's new.

Wow!

It's  
a cave!

She has a mysterious power.

Tena's a shaman.

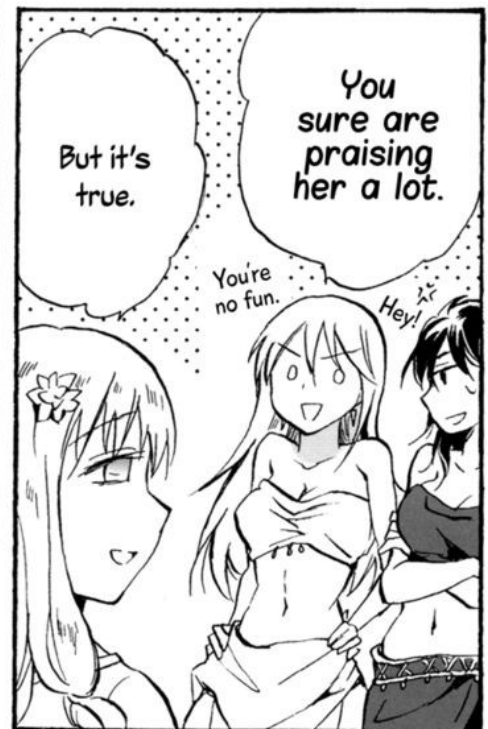

A strong and gentle person.

I can only see things that shine.

...I don't sense any darkness in your past, nor your future.

Blush

Can't sleep?

Ah...

Yume

I found her.

Sorry for startling you.

Wah!  
Y-Yume!?

There's no problem.

Um...  
Is it fine for you not to be with Kidaha?

...Yeah.

Hey,  
did you go somewhere today?

but doesn't that mean they're not sleeping together every night?

Hmm. I can't be sure, Oo

I see...

I didn't see you at all.

But... just  
being by  
her side...

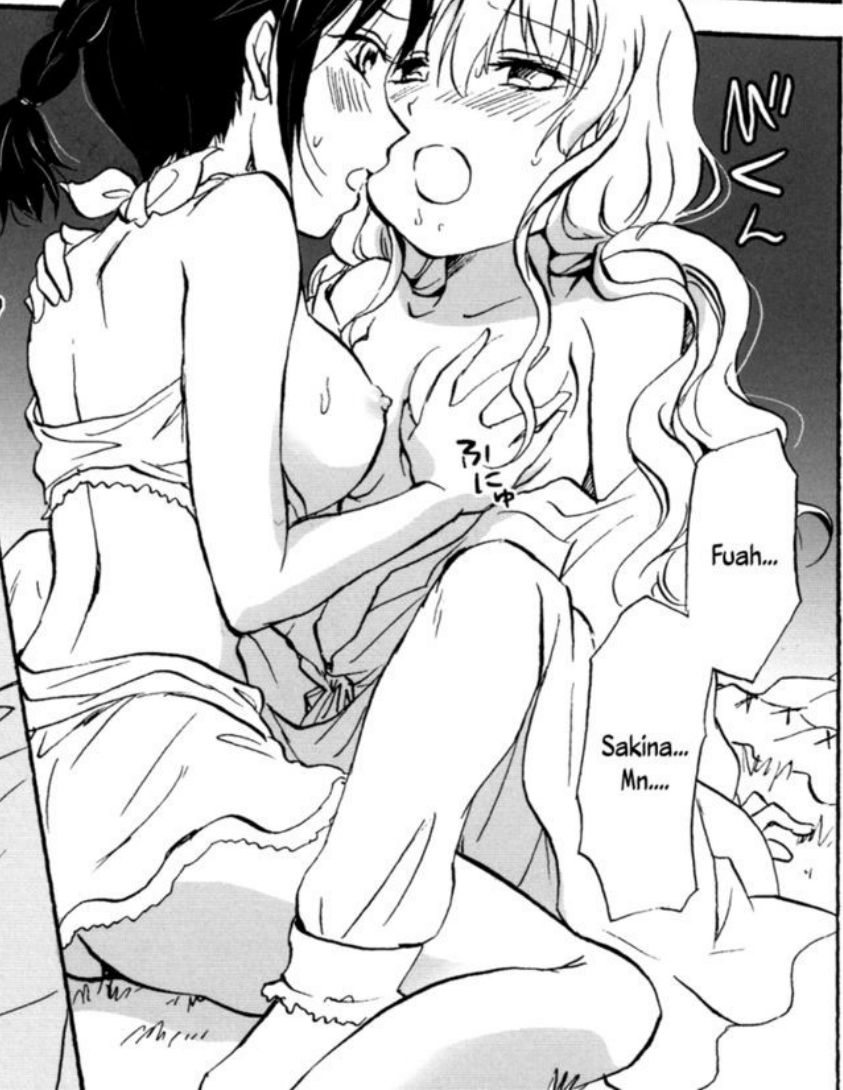

makes me  
feel happy  
and warm  
inside.

What now?  
What should  
I talk about?

Umm,  
Yume, isn't  
it cold?  
I'm-

Hey, is it okay...

Ha...

Why, Yume? You have Kidaha already.

for me to fall in love with you?

Mn... Ah!

Mn...

Haa...

Yume!

No, not there... Don't... Sakinaa!

Ah! Sakina...

Nn... Ah!

Ahh

Ah!

Ahh...

Mnn!

Nhhh!!

Yume...

Mnn...  
Sakina...

patrol duty.

What are you two doing?

...Hey.

Aren't you Kidaha's

tenth wife?

with that girl, Yume?

What are you doing...

Oh no! She saw us!

Ten...

わっわわ

"Tenth"?

.....

W-W-  
Wait!  
What  
do you  
mean by  
tenth!?

Don't  
be silly!  
How can  
I hide some-  
thing from  
Kidaha...

Ten,  
please  
keep it a  
secret.

Do you  
remember  
seeing girls  
wear this  
necklace? It's  
a precious  
stone.

Kidaha  
gives them  
to her  
wives.

Oh,  
you didn't  
hear about  
this yet,  
Newcomer?

Right now  
Kidaha has  
ten wives.

Hey, Ten...

U-Um...

Shut up and hunt.

Since Yume begged me not to talk about it, I won't.

But if you try to stir up something around Kidaha,

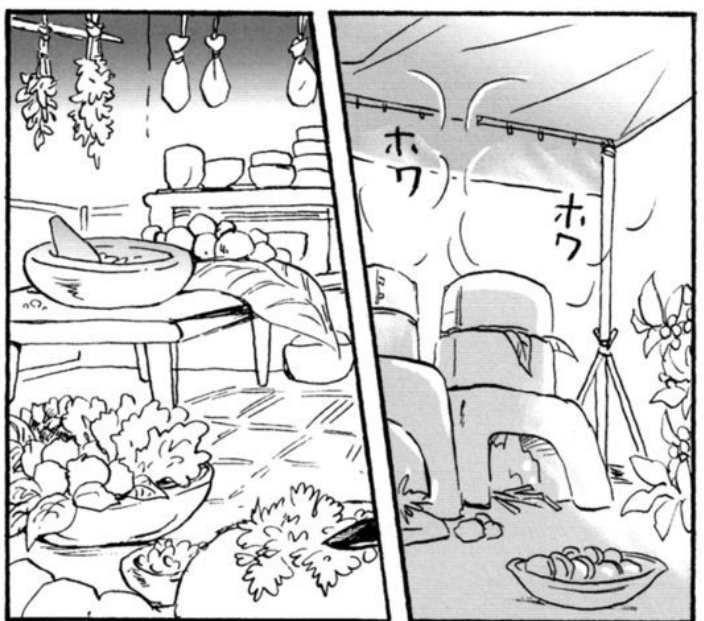

I'll make sure you regret it!

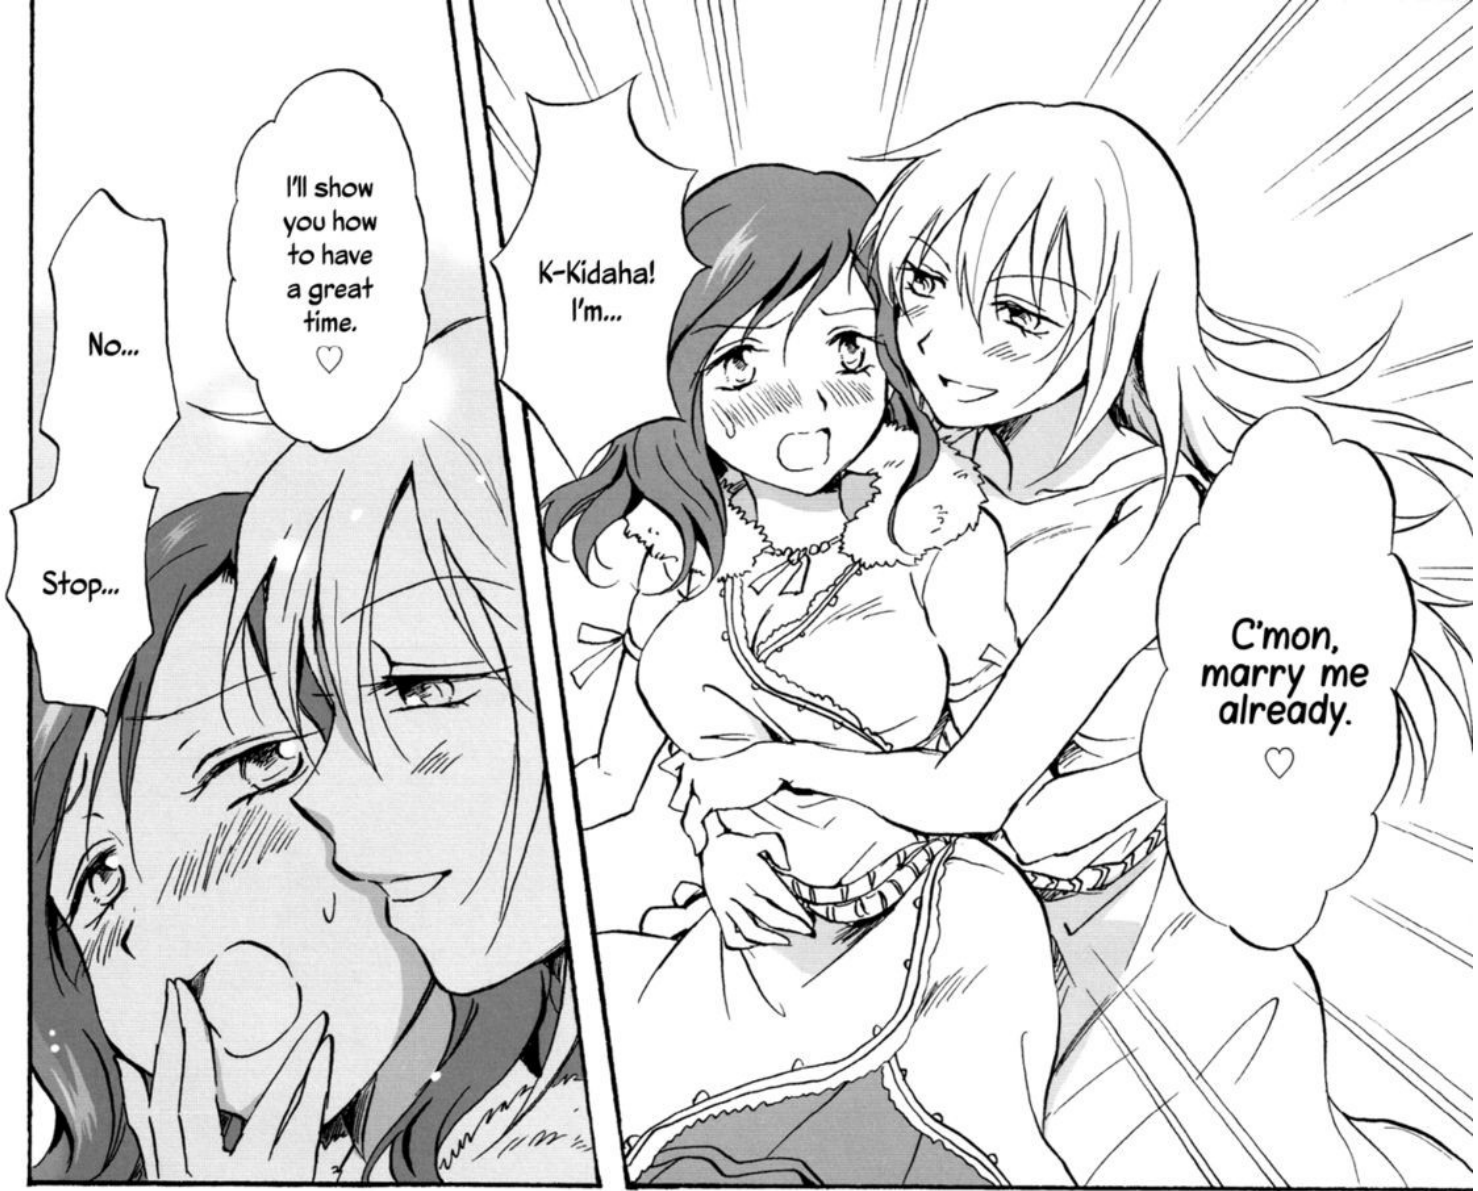

Scary...

Listen up, newbie.

No...

I'll show you how to have a great time. ♡

K-Kidaha! I'm...

C'mon, marry me already. ♡

Rgh!

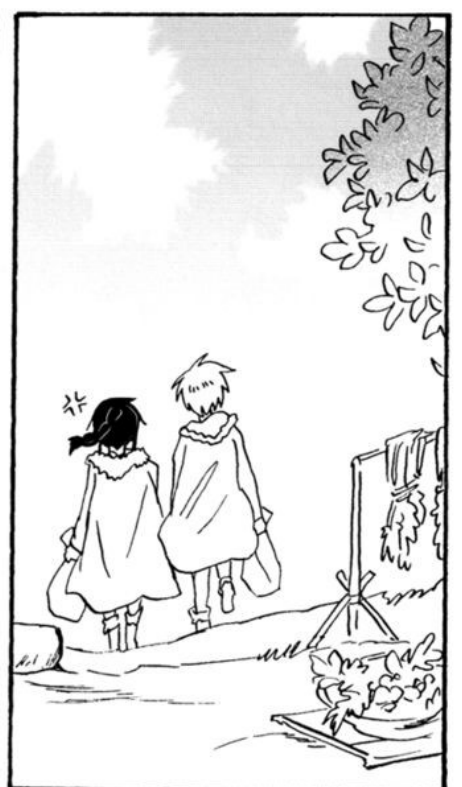

I have to make dinner before Ten comes back!

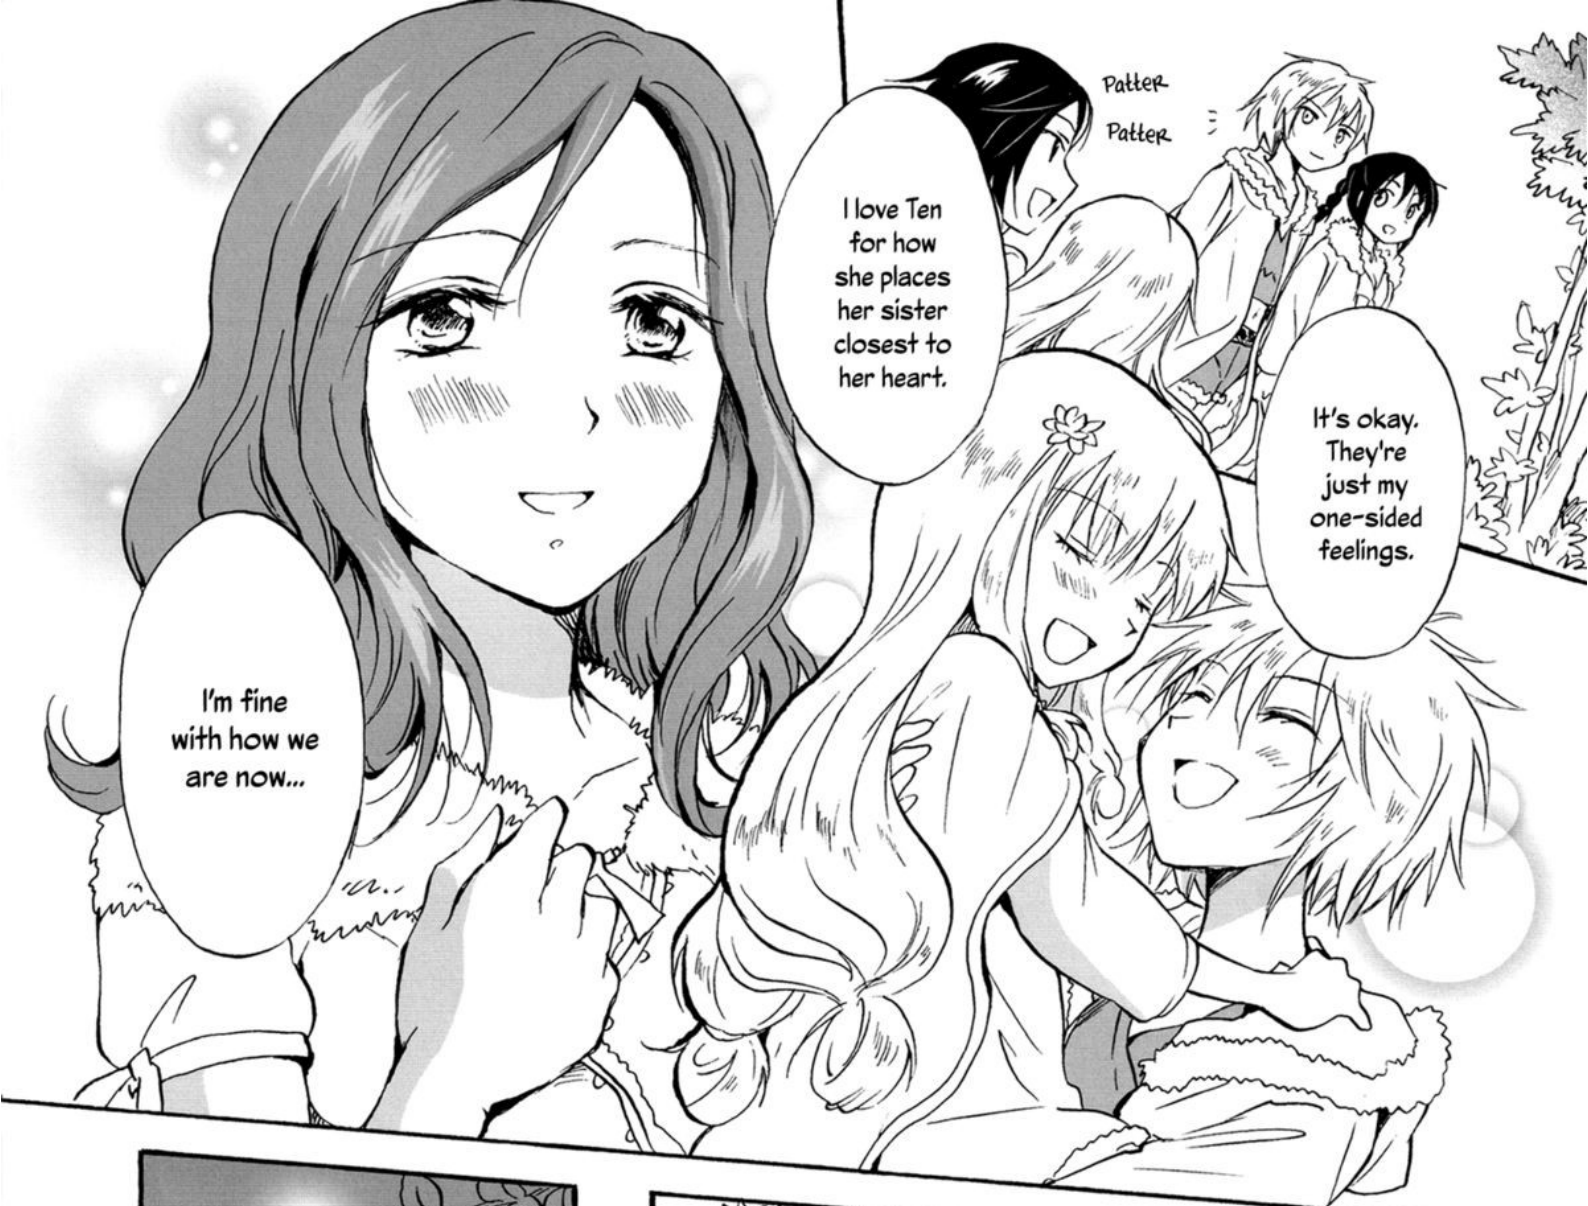

Um, Selba...

.....

はっ  
はっ

I'm fine with how we are now...

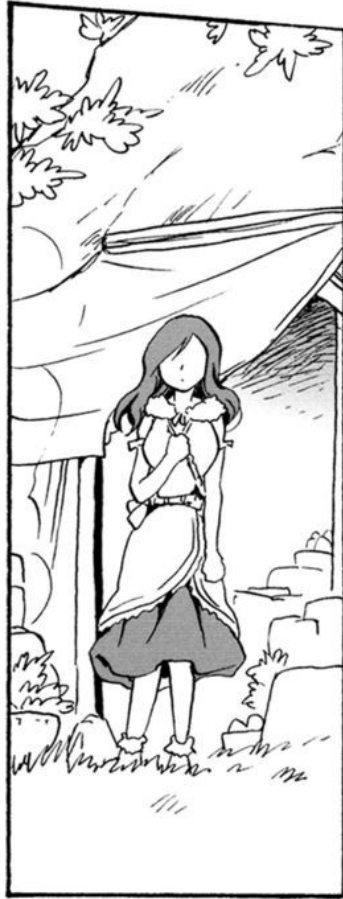

I love Ten for how she places her sister closest to her heart.

It's okay. They're just my one-sided feelings.

Patter Patter

Chatter Chatter

I hope they will always be close.

Her younger sister Tena is a blind but sensitive shaman with a mysterious power.

Ten's a strong and earnest hunter.

Meat's so tasty!

Hey Ten, how come you're so much like a boy?

Chomp

Chomp

I don't want to hear that from you.

Wow...

You didn't have to explain, Tena!

There were these "perverts interested in little girls" that came after me in the village we used to live in.

Appear

It's my fault for being cute!

It's my fault!

Ten fended them off with a spear all the time.

That's how she got this strong.

Hm?

It was winter. We were so tired from traveling...

But it was troublesome, so we left.

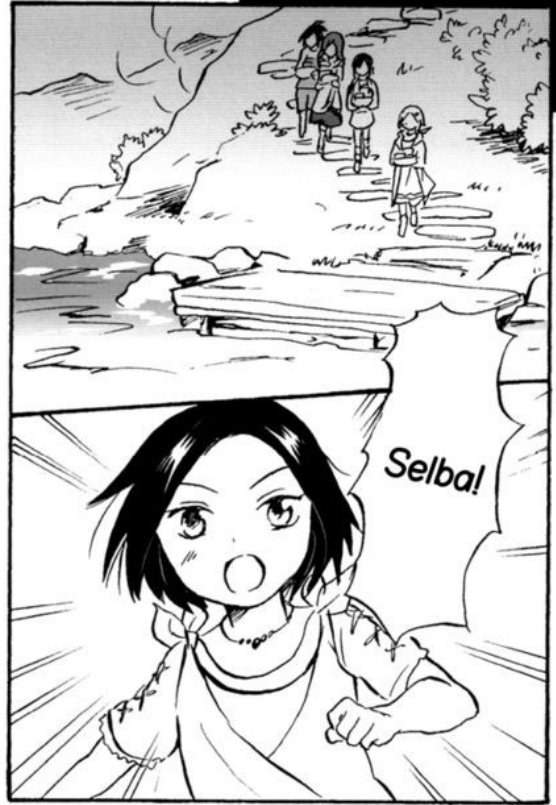

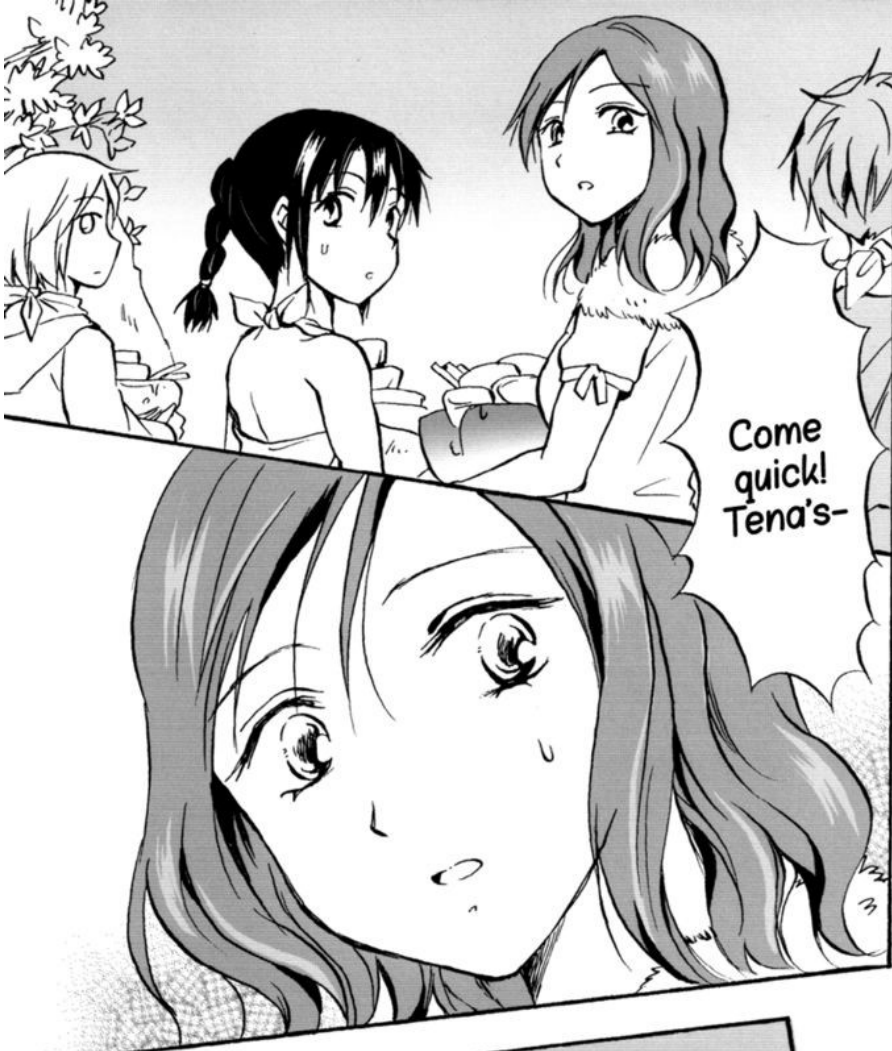

That's horrible...

A village full of perverts...

How awkward...

Just when we were about to give in, Kidaha found us.

...Eh?

She can't!

She can't go tomorrow!

I'm fine. Ten said she's hunting tomorrow,

so she's going to sleep early. But...

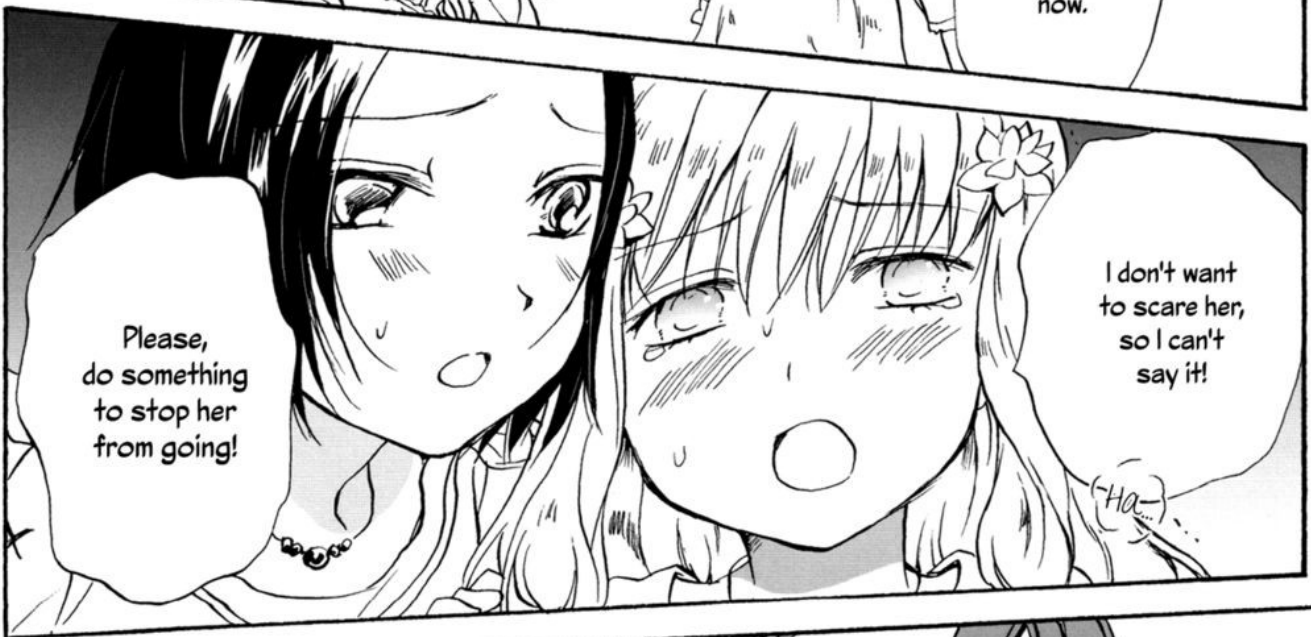

That's... Is it true!?

Ten's going to encounter a big one and get horribly injured.

You know how she can see the future sometimes?

It came to her just now.

Please, do something to stop her from going!

I don't want to scare her, so I can't say it!

(Ha...)

W-What should I do!?

Selba, please!

...Did something happen?

Sorry, I'm busy right now.

Selba?

Gotta finish sharpening this and go to bed.

Huh? No way! I didn't hear about this.

Ummm, Kidaha said tomorrow's hunt was cancelled...

A-Anyway, don't go out tomorrow!

I was mistaken. I thought it would be fine just to watch over her quietly.

Hick

I wouldn't be able to bear it if Ten got hurt tomorrow.

S-Selba?

Startled

Kiss

If I really do love her, I have to hold on to her.

For we never know when or where something might happen.

But that's not enough.

...Selba?

Aren't you going to marry Kidaha?

W-What are you doing?

Snap

So please don't go tomorrow!

I love you, Ten!

...Huh!?

Blush

And I've seen the way you look at me!

I've always rejected her advances! Because I love you.

B-But, how can I take the person Kidaha loves?

Bluushhh

You know the way I feel already!

They're cute, Ten.

I've always wanted to touch them...

Mh

Kro

Haa

ア  
レ

Mh!

Haa

Kya!

ROLL

...Wait!

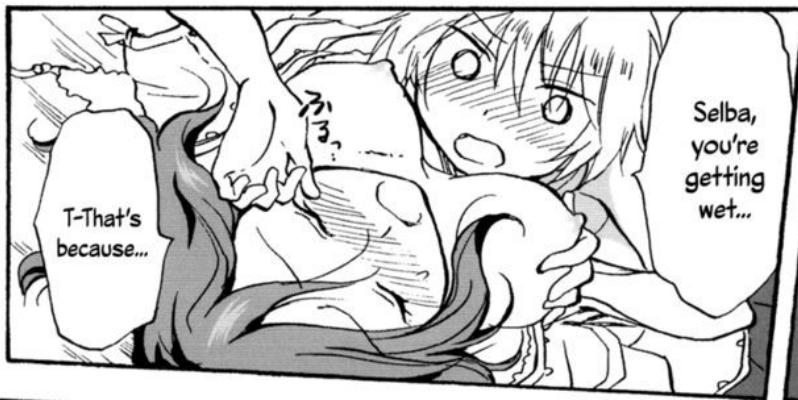

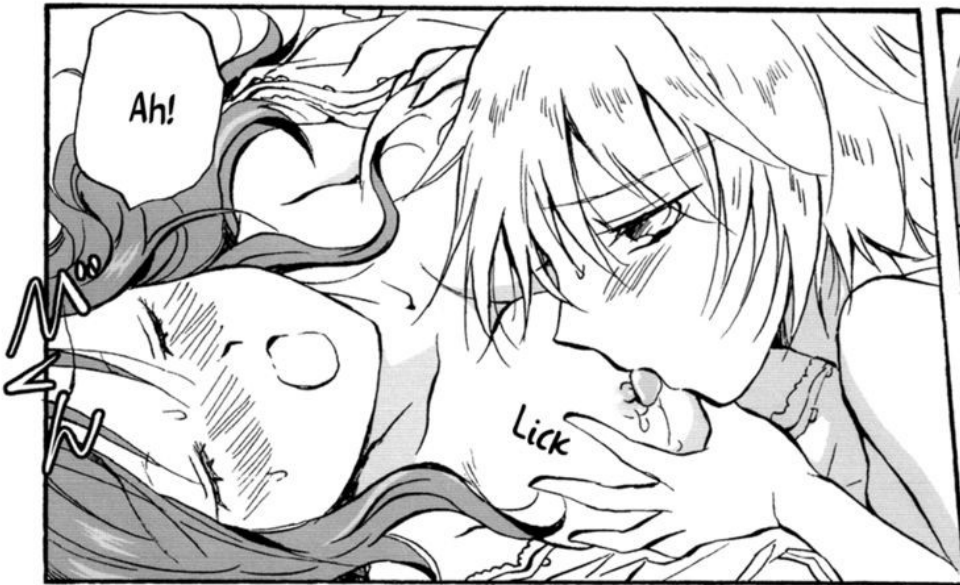

It's not fair if it's just you, S-Selba.

Haa

I'm better when it comes to strength...

.....

Ah...  
Ahh!  
Ahh!  
Ah

Ah...

Selba!

I've always  
been

in love with  
you too.

Ahaha

Hehehe

You took Selba away from meeeee!

Nooooo

Such a wicked shaman you are.

Making up a lie like that...

Sorry, Kidaha!

I had to get Ten to stop obsessing over me so I could be with Rin more.

I love you too, Tena

I love you, Rin.

GIRLS OF THE SUPPORTING CAST

**KANA AND MARI**  
They're lovers. Always making trouble for Kotono as apprentices.

**RITA** -Ex-  
Not easily angered, but incredibly scary when she is.

In love  
**KOTONO** -Ex-  
Scary when angered.

**BUTCHERING GROUP**  
Hey now...

Don't be naughty or we'll kill ya!

**HUNTING GROUP**

**KATRA**

A born glutton.

Not too good at hunting. Acts as support.

**RUUD**

Cool big sister. Has a child.

**MONA**  
Laidback. Really strong.

**KUKA**

Her child

**STONEMAKING GROUP**

In charge of making daggers and spears.

**MIFU**

Grr! This rock!

**YUURI**

**CLOTHING GROUP**

Because of their pride as women, they want everyone to wear cute clothes. When asked to repair something, they return it with extra embroidery and decoration.

**FANA**

**SATO**

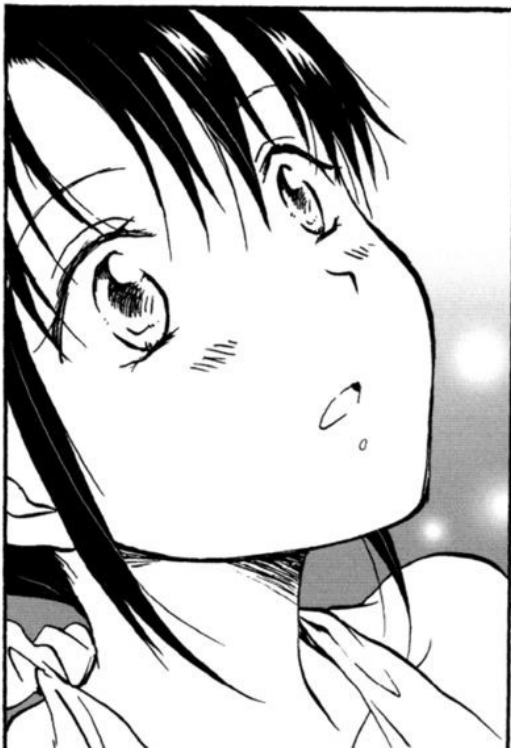

Does research every day. Kinda like an otaku.

**ERU**

**RIN**

Sato's younger sister.

Large herbivores spend decades migrating.

So you might get a chance to meet one.

Some of them might still be alive.

Seems like there used to be lots of large creatures all over the place.

Hmm...

It's my dream to encounter one. Do you think I will?

Well, you'll have to wait. Just don't get your hopes up.

...And done!

Really?

Ahaha

I see.

It's like there's another me around. Scary...

Is this me?

Well, I don't have any powers like Tena, so it's just a wish of mine.

Yes

But by leaving a part of your soul here, if anything ever happens, it will guide you back to the village.

Compassionate lo.

A knowledgeable adult everyone depends on.

She feels so mature.

They're lovers now!!

Yuuri and Faana!

They dumped meee!!

Waaahh! Ioooo!

Here comes the noisy adult...

Don't call it a nuisance!

It took me so long to find the stone and craft it! You're so cold, lo!

Oh, that's because it's a nuisance when I paint.

What? No way!? She's not wearing the necklace...

I'll go congratulate them... Sniff.

Mm... Sob

There you are, Kidaha.

You made Yuuri and Faana worry, running away while crying like that.

Nonchalantly

I told Kidaha to do that.

What!?

Hmm... How to put it...

Hey, lo. Are you fine with her being like that?

You really don't mind having all those other wives around?

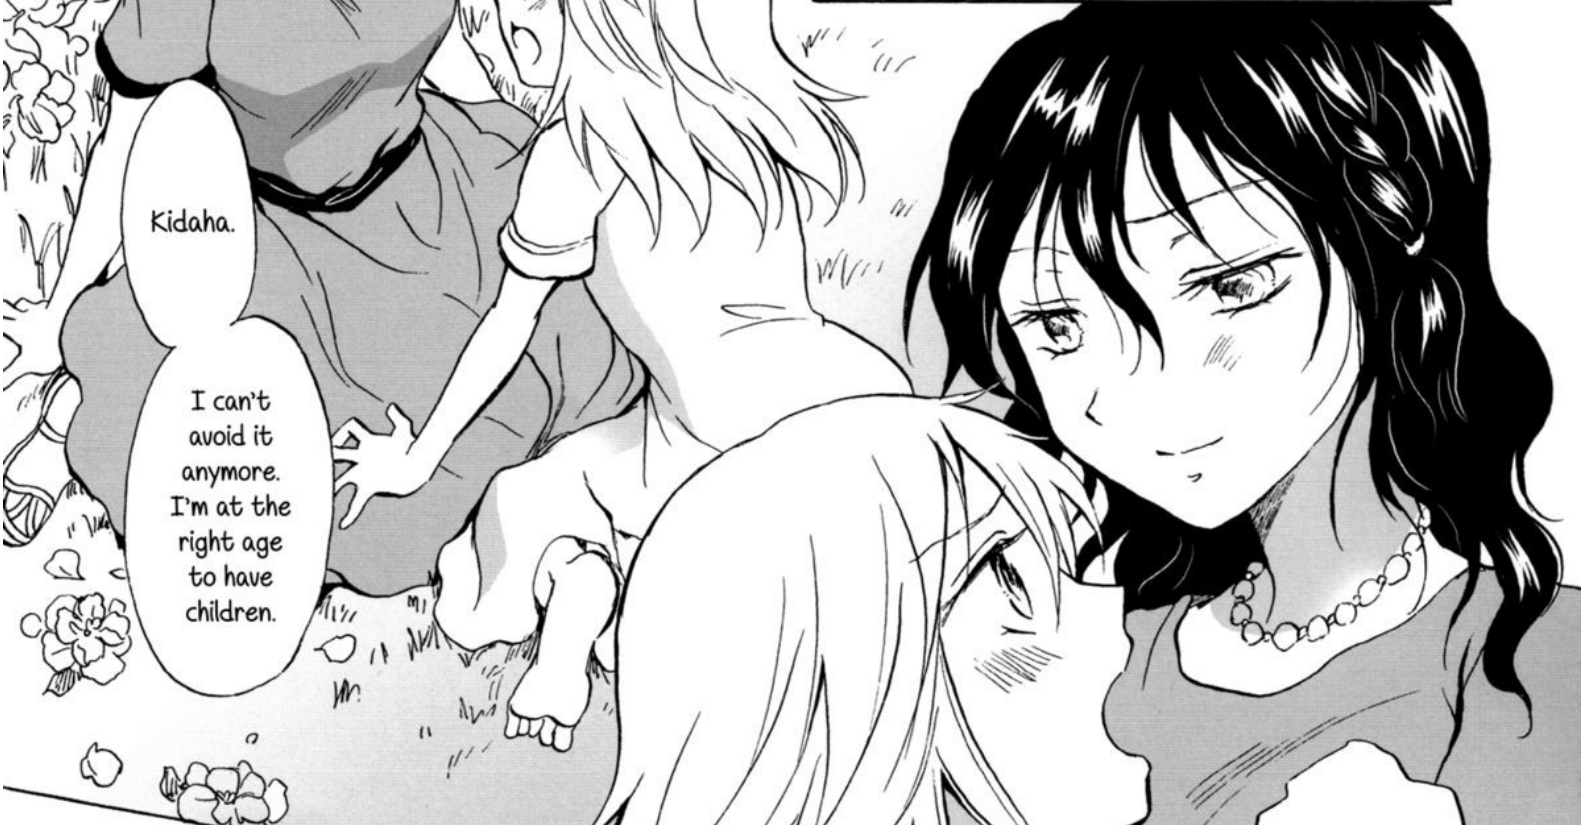

If you don't want to get married, don't do it, Io!

Must've been ten years ago now...

We were born and lived in the same village.

Want to hear about it?

Kidaha.

I can't avoid it anymore. I'm at the right age to have children.

Don't tell me that!

Chuckle

If only you were a boy, Kidaha...

I don't, but that's what the adults decided.

But you don't like him, right?

You don't have to have a child if you don't want to!

I don't care if I'm a girl.

I can't think of marrying anyone but you!

I like you, Io!

...!

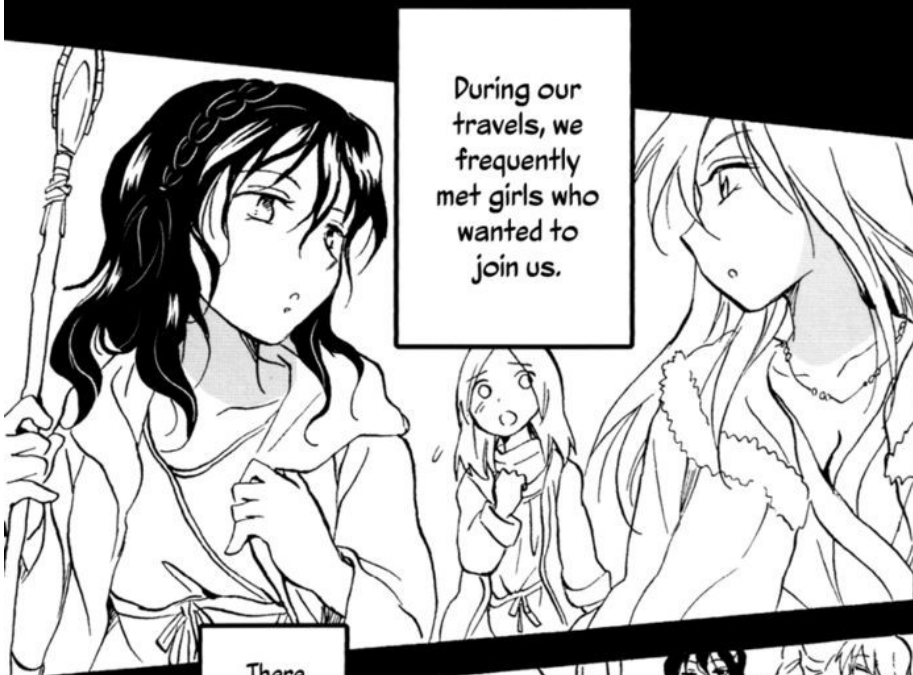

We ran away from the village.

The adults pursued us, but we got away.

Thinking back on it now, we were really irresponsible.

We traveled all over and learned many things.

But I'm glad we did it. It was difficult, but we were happy.

During our travels, we frequently met girls who wanted to join us.

There were always girls with good reasons to leave. So our group continued to grow.

So they had a history like that...  
Wow...  
So Kidaha really comes through when it counts.  
That changed my impression of her.

Hm?

Kidaha had gotten much taller at that time. So the girls were all over her...

Kidaha, there's something...

No matter how many friends we have,

I love you, Io.

I'm just yours, Io.

...Um.

Hm?

Um...  
There's something...

You're special, Kidaha. Your love is too great.

For an average person, it takes all they have to love someone else.

But you can give fifty, or even a hundred people the same amount of love.

Sorry. I love you, so forgive me.

Hm?

We've done it

for several days in a row now. It's too much.

Sorry, I didn't get that.

I love you too, but you should marry a few more girls.

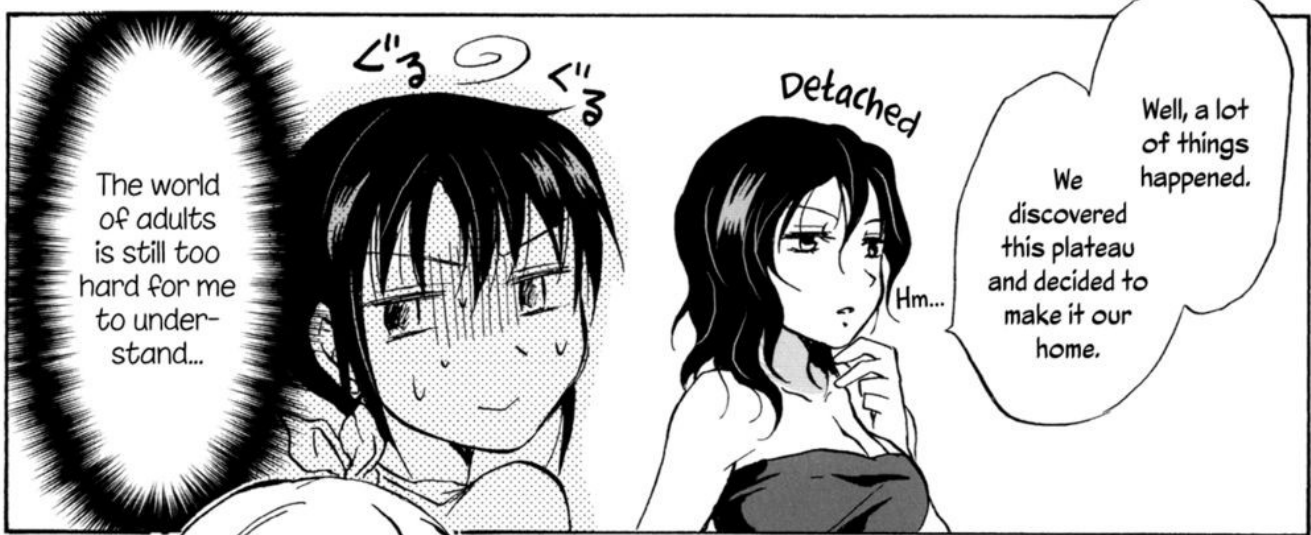

That is too much for me.

I said it's too much!  
Get it through your head already!  
And you're heavy!

I'll give you enough love for a hundred people, then!  
Kyah

...

The world of adults is still too hard for me to understand...

Detached

Well, a lot of things happened.  
We discovered this plateau and decided to make it our home.

Freaking out like that...

Io...  
Sorry about earlier.

That was a mistake.

I settled into a mother-like role for everyone

and forgot about how I felt with Kidaha.

(Ha)

lo...

As we formed our village and more people joined,

Ah... ahh... Kidaha...

たろん

lo...

Not enough? I'll keep going.

Ah!

That's not...

There's something out there!

Come and take a look!

Are you up yet, lo?

Ha...

Hah

Hmm?

Is it morning already?

Ha

Waaa-ahhh!!!!

This is why  
I don't like  
being alone  
with you!

ばっちゃん

We  
didn't get  
any sleep

Again!

That's why  
I told you  
to stop!

ばっちゃん

Tireless  
beast!  
You should  
realize  
that I'm  
too old  
for this  
already!

But...  
you finally let  
me do it after  
so long...  
♡

いっしょ

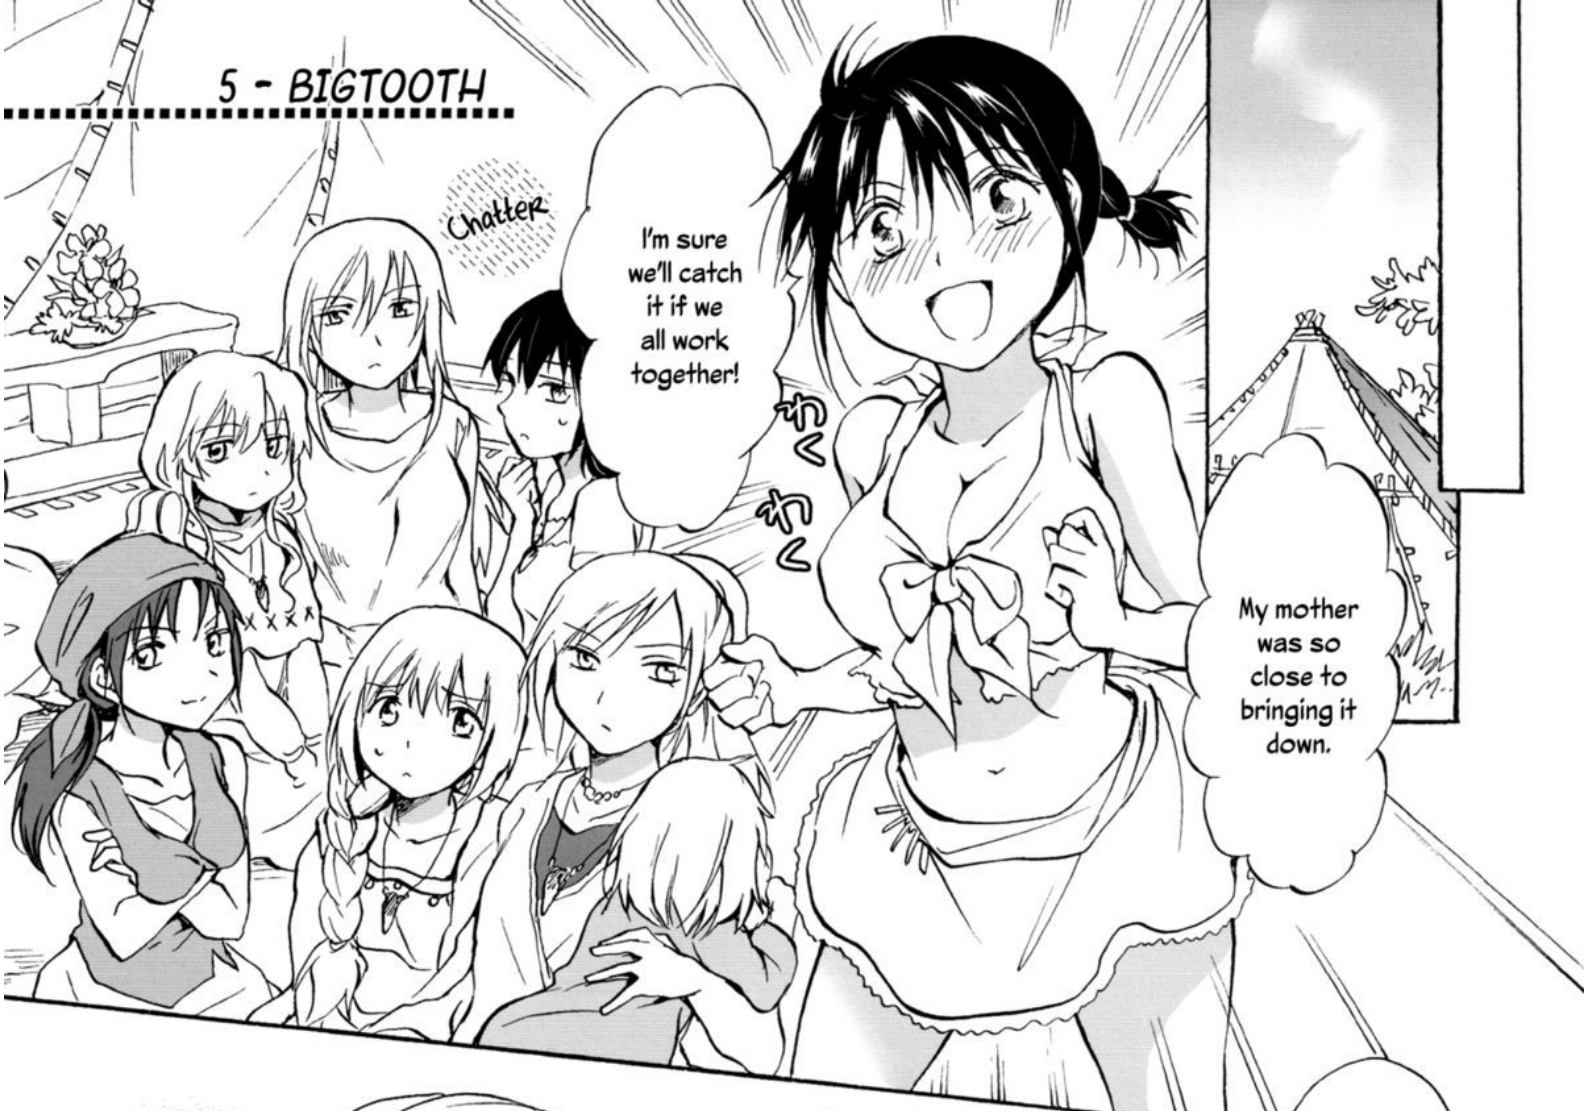

What are we  
watching here...

Um, could you  
please continue  
your lover's  
quarrel later?

It's on the  
hillside over  
there.

5 - BIGTOOTH

Chatter

I'm sure we'll catch it if we all work together!

わくわく

My mother was so close to bringing it down.

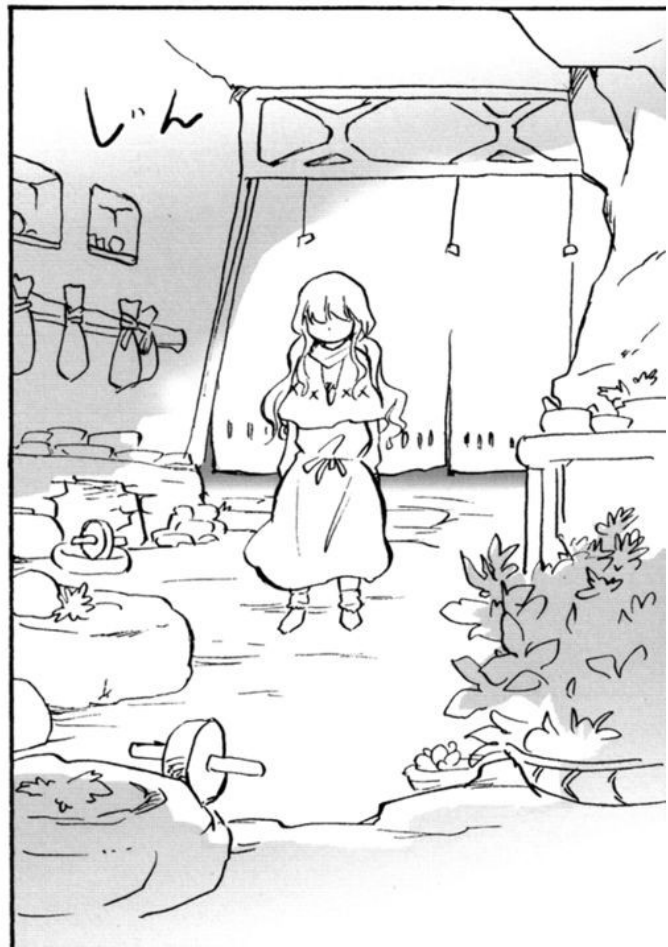

I'll get the poison ready.

Looks just like the paintings... Seems like they're twice as tall as us.

Sorry, Sakina, but I'm against this...

Those tusks... And their hides are thick as well. Will a woman's strength be enough?

You never let your emotions show, so I don't know.

What are you thinking of right now?

Something's off with Yume.

The only ones allowed to come here are Kidaha, Yume, and Io.

The storage for herbs and poisons.

Hey Yume, do you love Kidaha, or do you love me?

I want to...

be useful to everyone, Kidaha...

When you're looking for someone to turn to, am I not good enough?

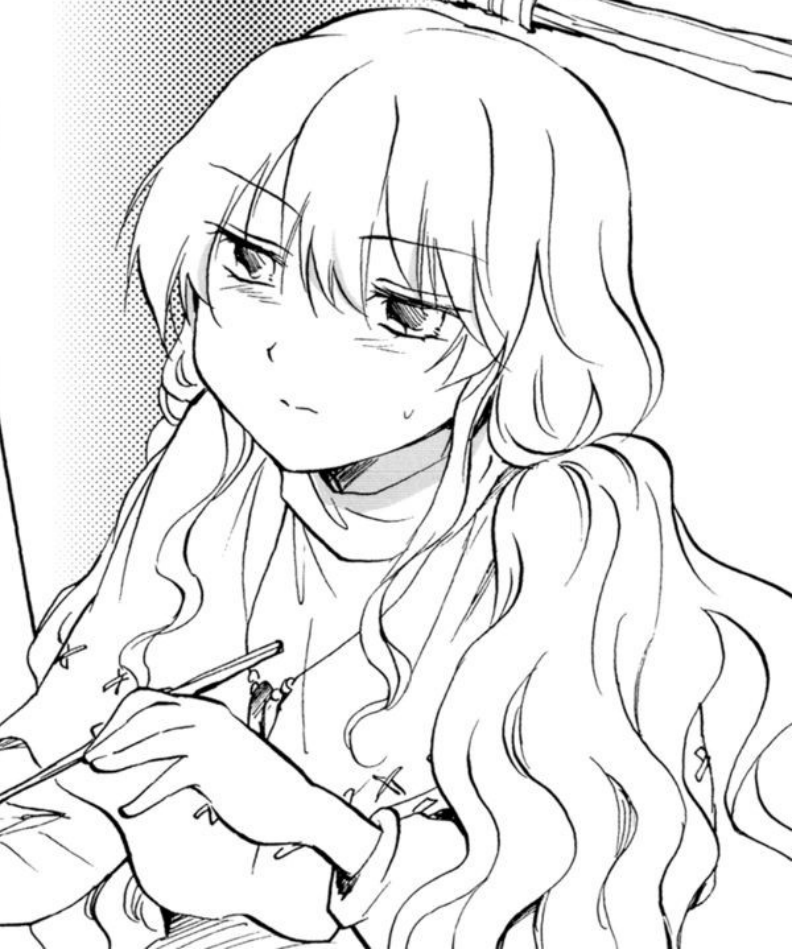

Don't push yourself.

I'm here, so don't just keep it to yourself.

Yume's exhausted.

She must've put her all into it.

Don't gush over something so gruesome in front of us!

So exciting! What will it look like from the inside?

Let's skin it.

My butchering arms are tingling.

Just try your best, enjoy yourselves, and don't overdo it!

Well, we're probably never going to encounter another one.

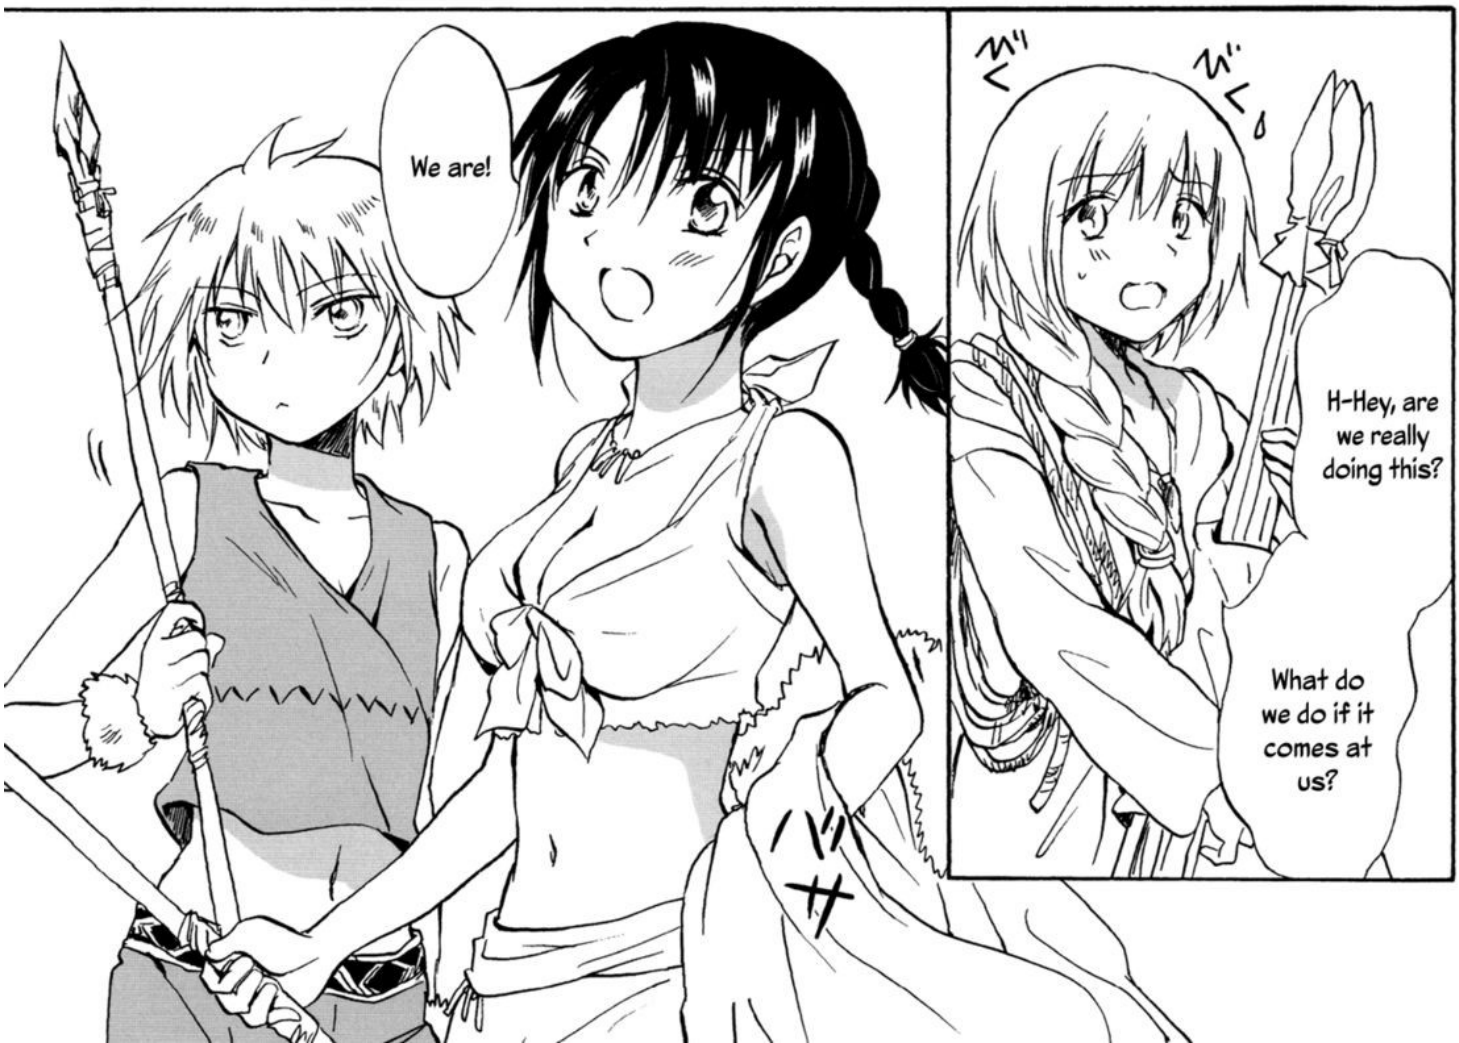

Yes!

We have Yume's poison

and I'm strong. It'll be alright. We'll definitely catch it!

GRIP

It caught their scent.

ド  
ン

エ

Since it's noticed us already, I'll just charge in!

An ancient  
beast...

I've never  
seen one  
before...

Wow  
So  
hard...

It's not  
like a deer  
or boar.

んん

Don't  
space out,  
Sakina!

If we catch it,  
we can feed  
Tena and the  
children with all  
that meat!

We did it!

I don't know.

Ha

Will the poison work?

Should we use a few more spears?

Don't push yourself, Ten!

And if it's rampaging like that you can't get close to begin with.

We're toast if it tears the rope off.

Scary...

Wanna try tying its legs down with rope?

Not good...

We failed. It's not slowing down at all...

...

I remained here to meet Bigtooth.

Should we give up?

What do you want to do, Sakina?

It's the one you wanted to catch.

I might never see it again in my life-time.

If I let it run away right now

Sakina!

Yume!?

I'll get closer this time!

I'll catch it!

If I stab it again, the poison should work!

No.

Kidaha,  
I'll try it  
again!

I'll get it  
this time-

W-

Wait!

No!

If I say  
we're done,  
we're done!

I don't  
care how  
good of  
a catch  
it is!

Keeping  
everyone  
safe is  
more im-  
portant!

It was great simply getting to see it up close.

Aww, I wanted to do that too!

Nodding off

Tch! Just when I thought we'd get some good meat and hide...

It was just too strong...

Crackle  
Snap

I have to apologize to her...

Yume was working so hard on it...

...Sorry, Katra.

Ha

Wasn't that scary, Sakina? Don't be so reckless.

Snap  
Crackle

Damn it!!

Ahh!

Yume...

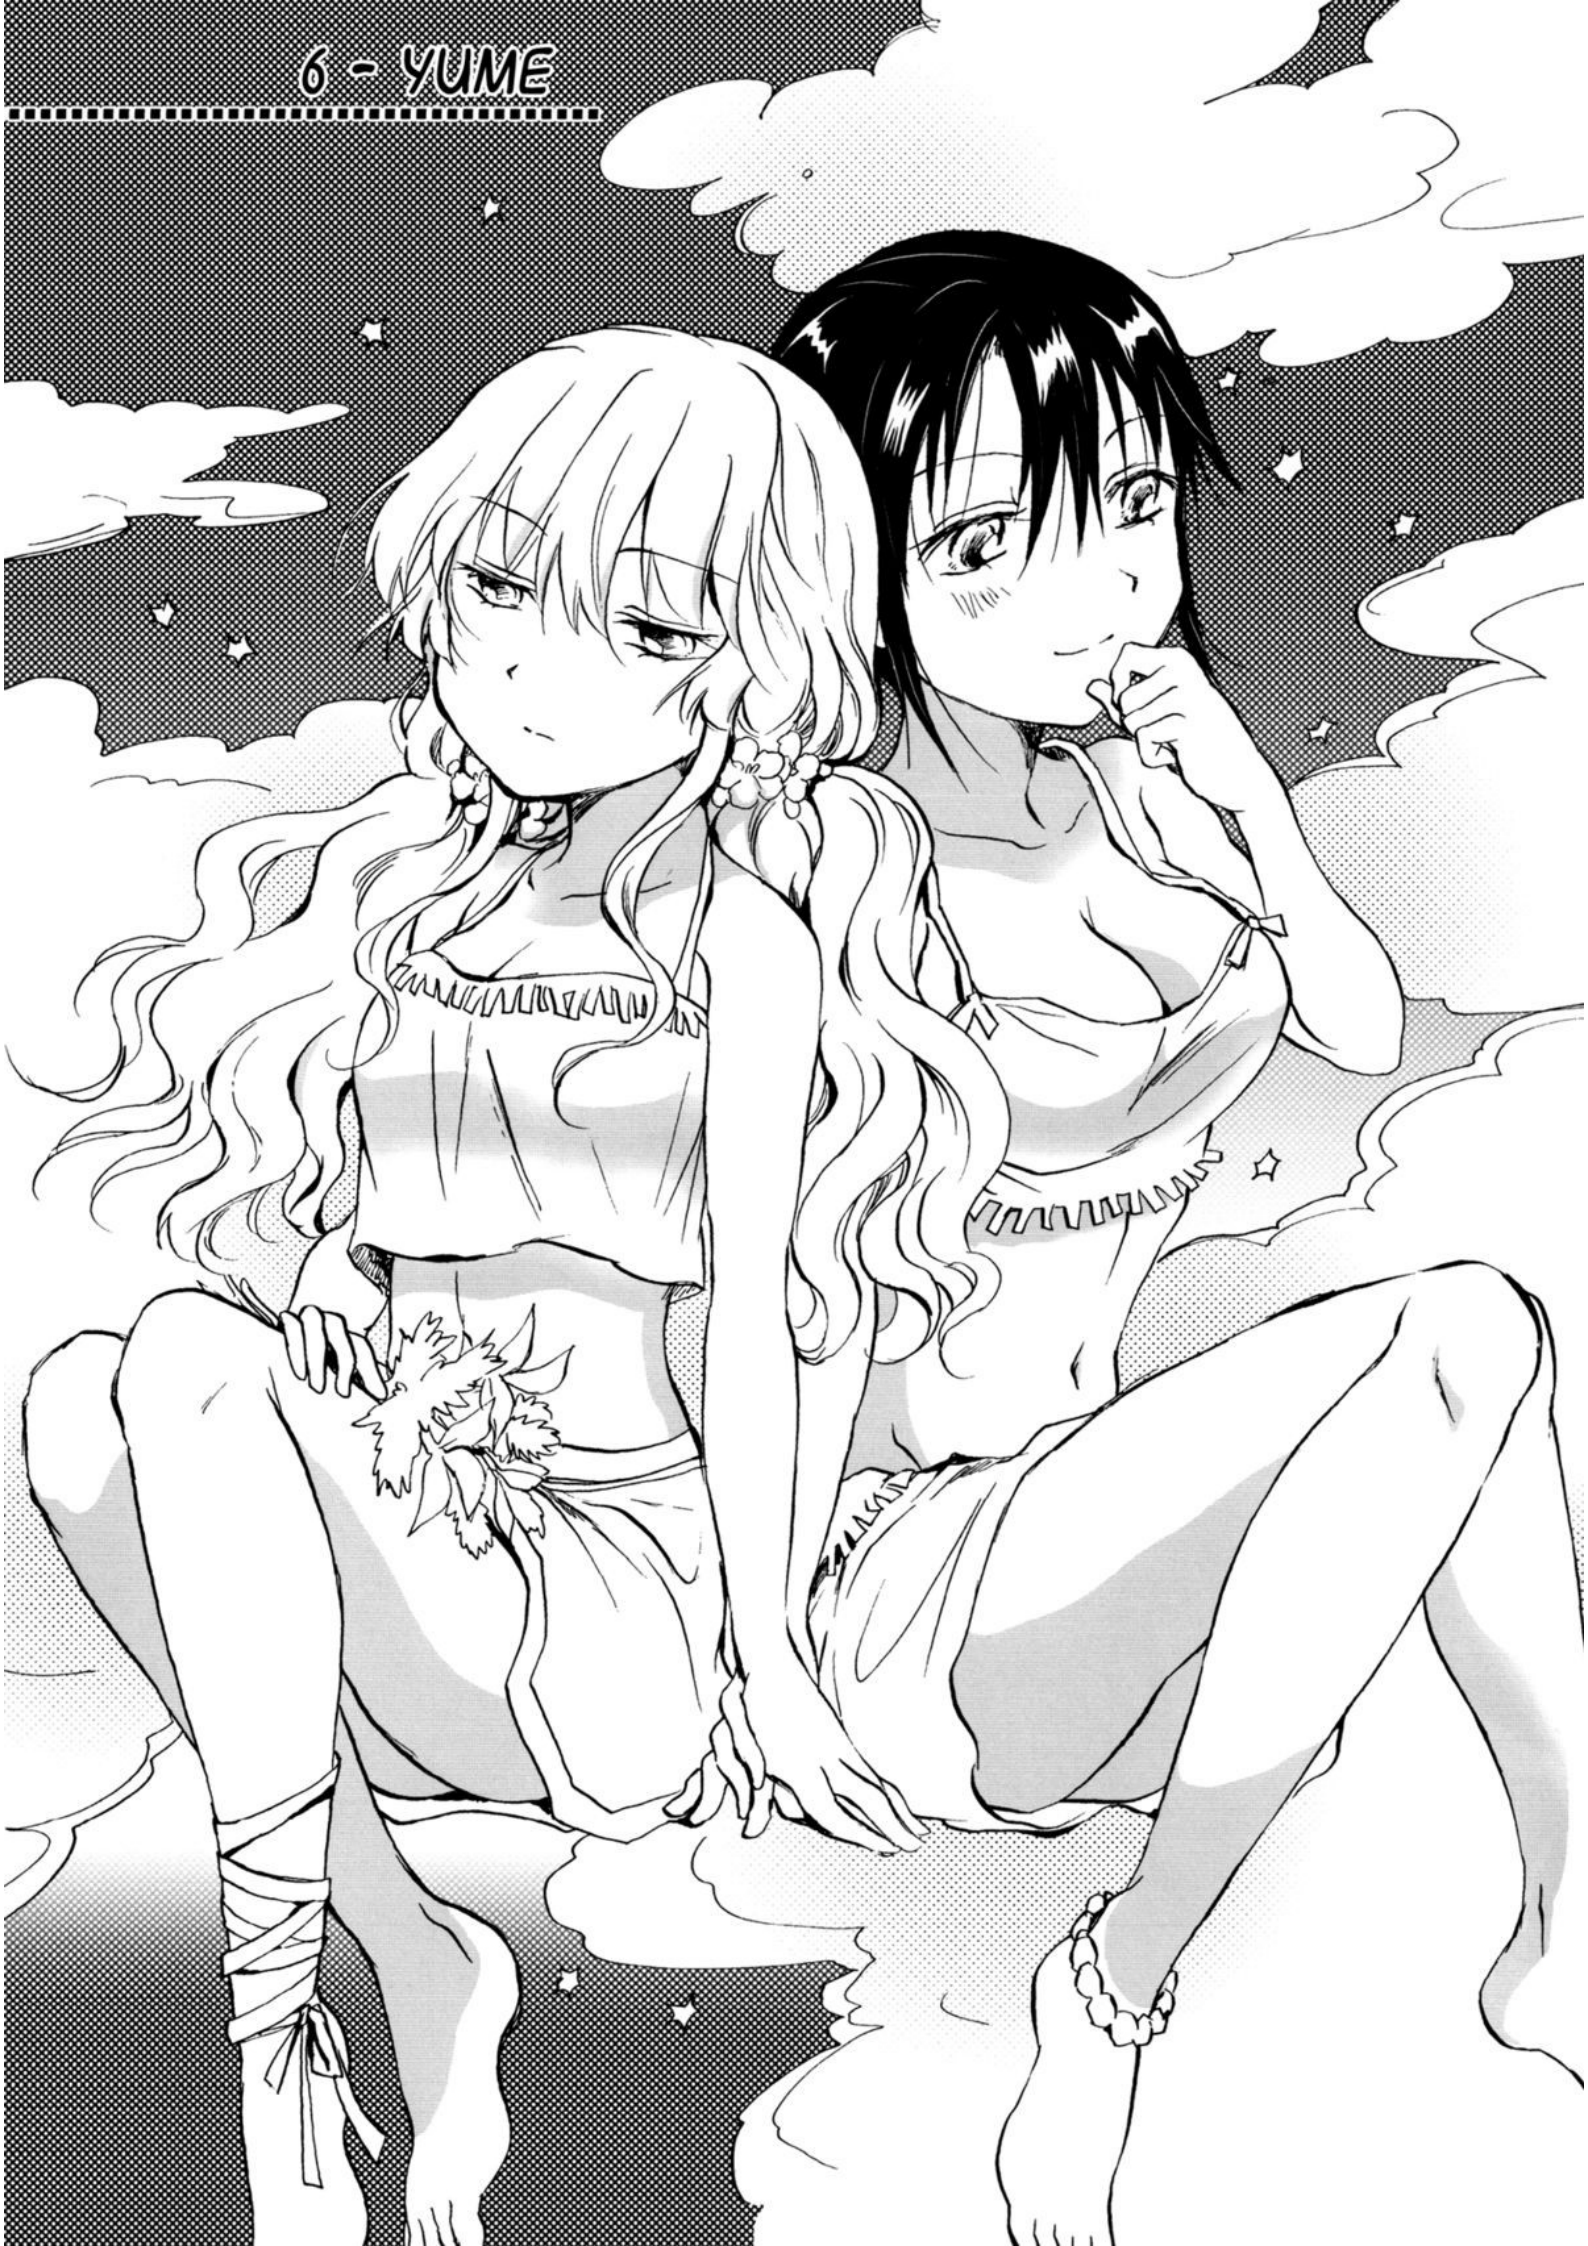

Kidaha!?

Where's Yume?

She ran away again...

That girl...

If only dawn could come sooner, so I could go find Yume...

Kidaha,  
were you thinking that it would give her confidence?

Nod

Yume said she would do it...

I was surprised when she said it so confidently...

I thought it might work.

I didn't know the spears would be so ineffective.

If Yume succeeded, she'd regain her confidence.

I'm sure she herself thought that way too...

Sorry, I should've stopped you...

Is there something going on with Yume?

Hey... What are you talking about?

As a result, several hunters of the village were heavily injured.

Whether it was the ingredients used or Yume's mistake, nobody knows.

But one day, the poison arrows failed to work on large animals.

In her village it was treated as a treasure.

The result of ancestral knowledge her mother taught her.

Yume's good at handling herbs and poisons.

Hey, lo!

Expelled from her village, Yume was drifting alone.

As she didn't have a strong constitution, when we discovered her close to this mountain, she had already broken into a high fever, and fainted.

Kidaha spent many nights watching over her without sleep. She was lucky to survive.

I needed to stop her, so I forced her into becoming my wife to repay me...

She wanted to leave as soon as the fever died down.

Yume felt guilty and useless.

4  
9

This wasn't Yume's fault!

She's always taking her job seriously...

Shiff

In the end she couldn't rely on me at all...

I thought I could really make her mine one day if she finally came to trust me.

Stop it, Kidaha. You're spoiling the serious talk.

Hey

Sigh...

Wahhhh

I didn't even lay my hands on her or kiss her! I've been waiting so looong!!!

Hh... Yume's cute so I was waiting for her to grow a little older...

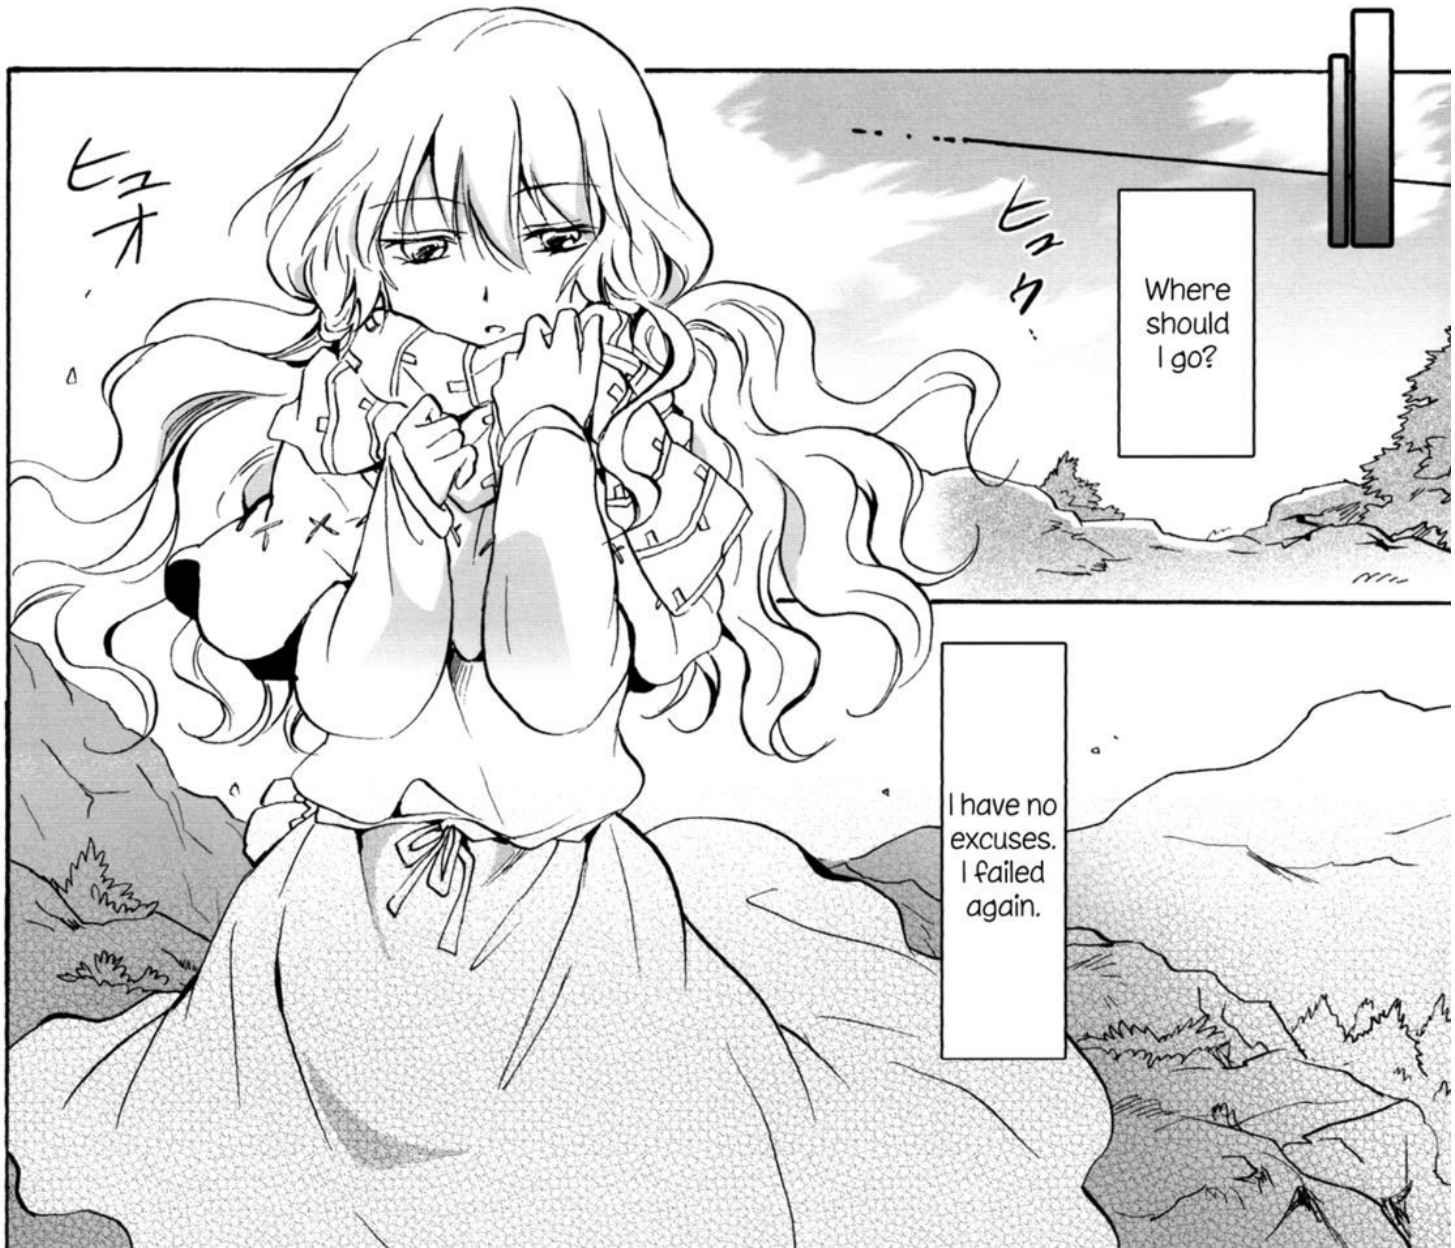

Yume  
thinks of  
herself as  
worthless

if she  
can't be  
useful to  
others...

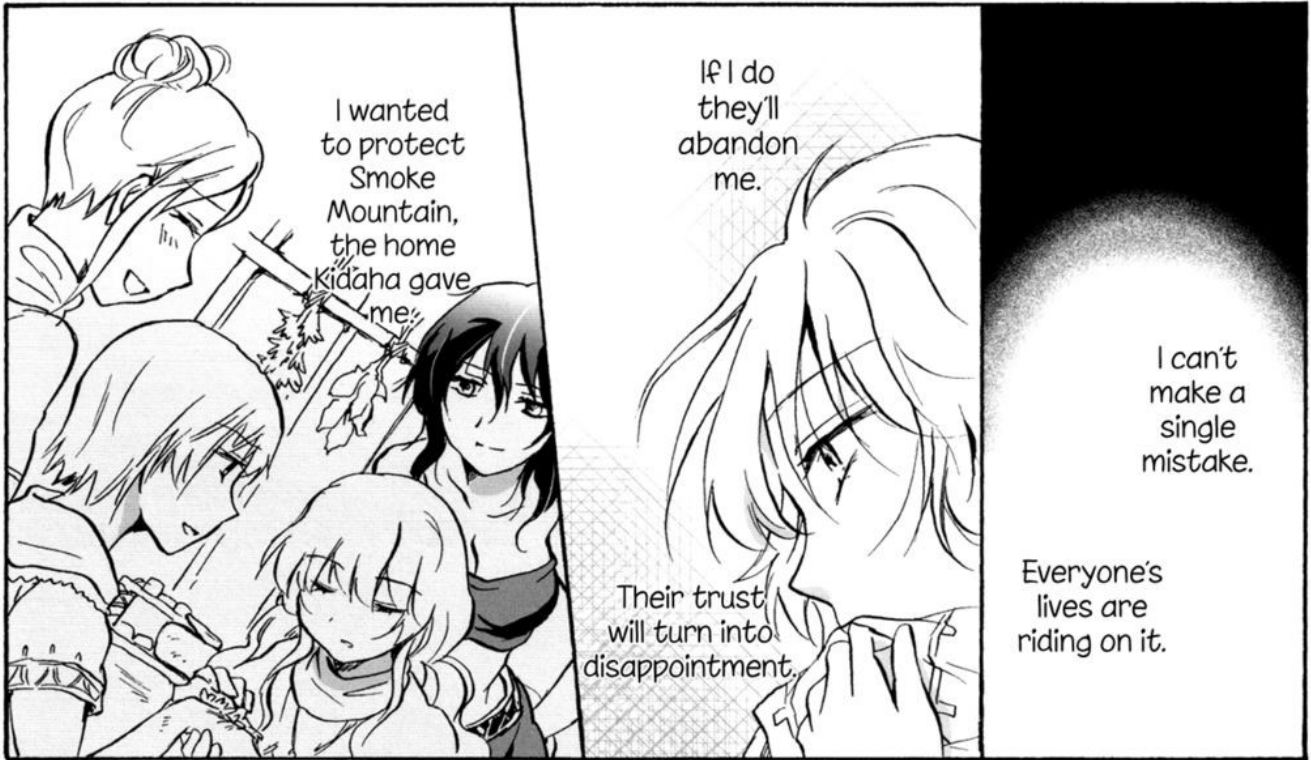

I didn't  
marry her  
for her  
knowledge!

I just  
wanted her  
to smile  
and enjoy  
our lives  
together...

Where  
should  
I go?

I have no  
excuses.  
I failed  
again.

I wanted to protect Smoke Mountain, the home Kidaha gave me.

If I do they'll abandon me.

Their trust will turn into disappointment.

I can't make a single mistake.

Everyone's lives are riding on it.

And if I could help with Sakina's dream, she would too.

I thought everyone would trust me more if we brought down Big-tooth.

Kidaha's really important to me.  
I wanted to be useful and repay her kindness.

...But

Sakina, who  
shared her  
dream with  
me after we  
just met...

I thought,

"I want her  
to fall in  
love with  
me."

for the  
first time,

I am fussing over you. Isn't it obvious I would?

We're going home!

This fog...

Maybe it's about time you learned how unpredictable weather on the mountain can be.

I don't need any snark right now!

Umm, this is bad. I think I'm lost again.

The village was visible earlier so I rushed out here without looking around...

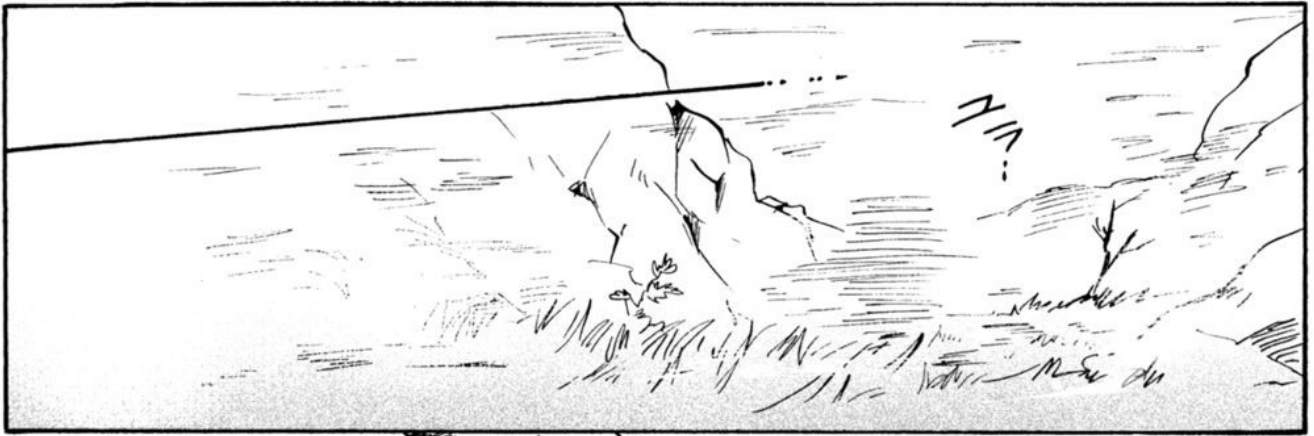

...No.

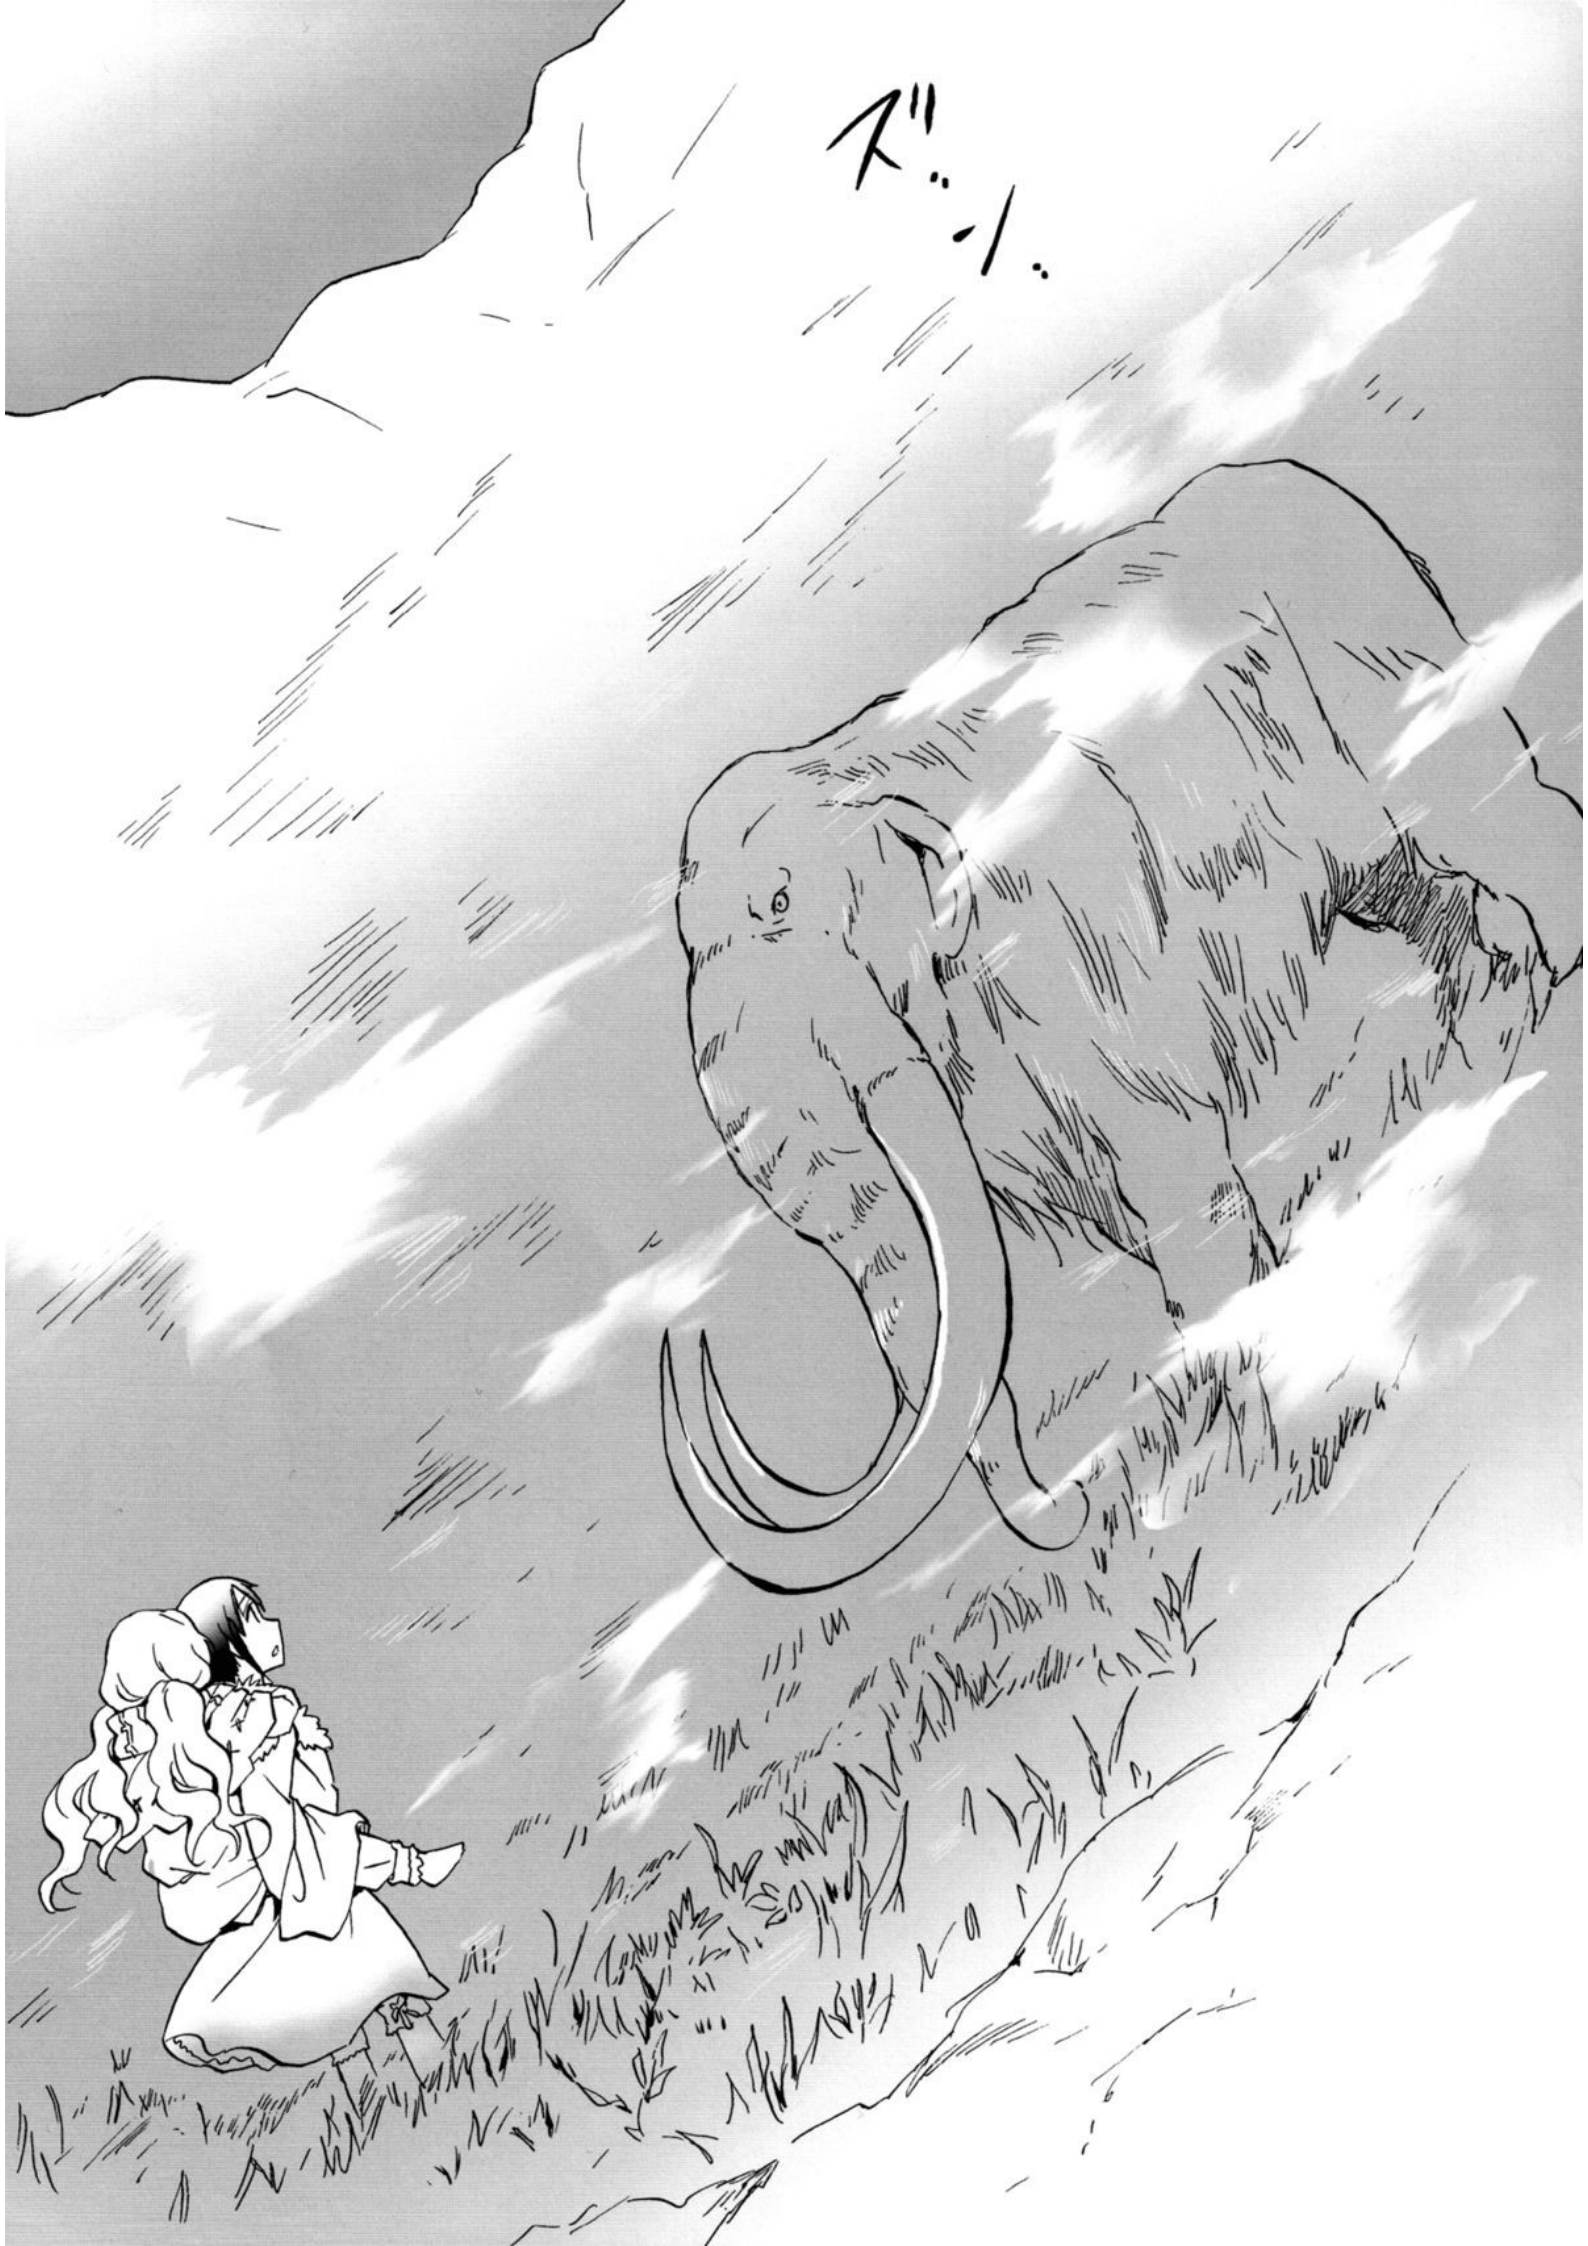

This is...

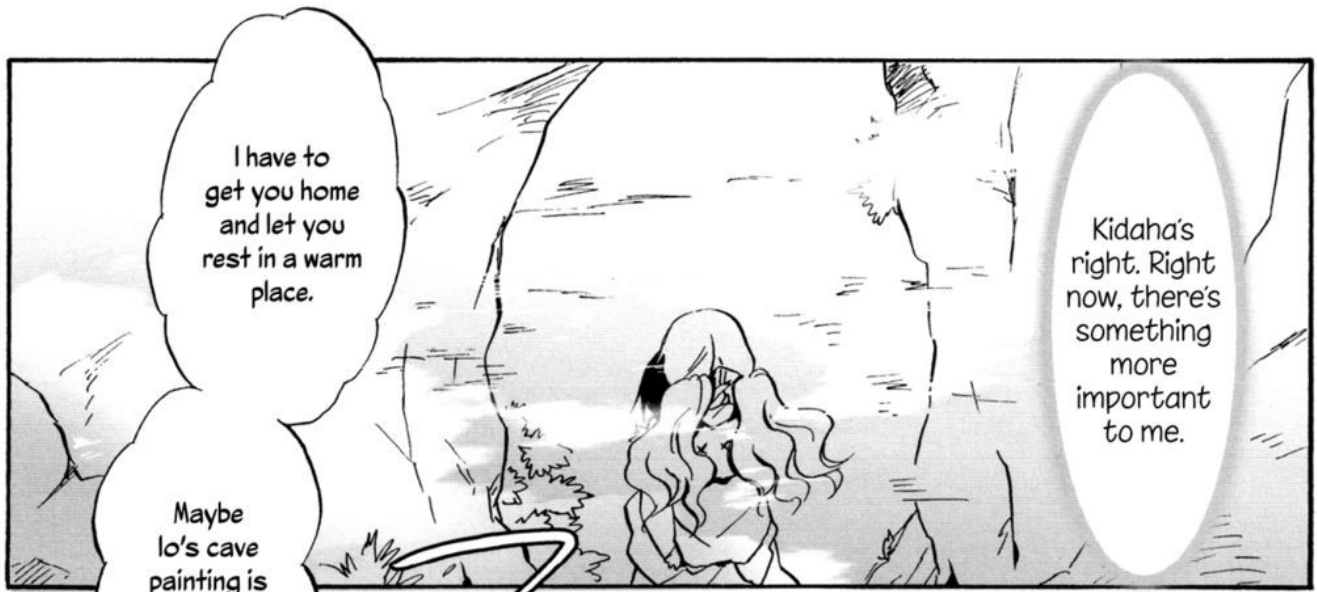

It's a meadow.

Maybe we're nearing the village.

I have to  
get you home  
and let you  
rest in a warm  
place.

Kidaha's  
right. Right  
now, there's  
something  
more  
important  
to me.

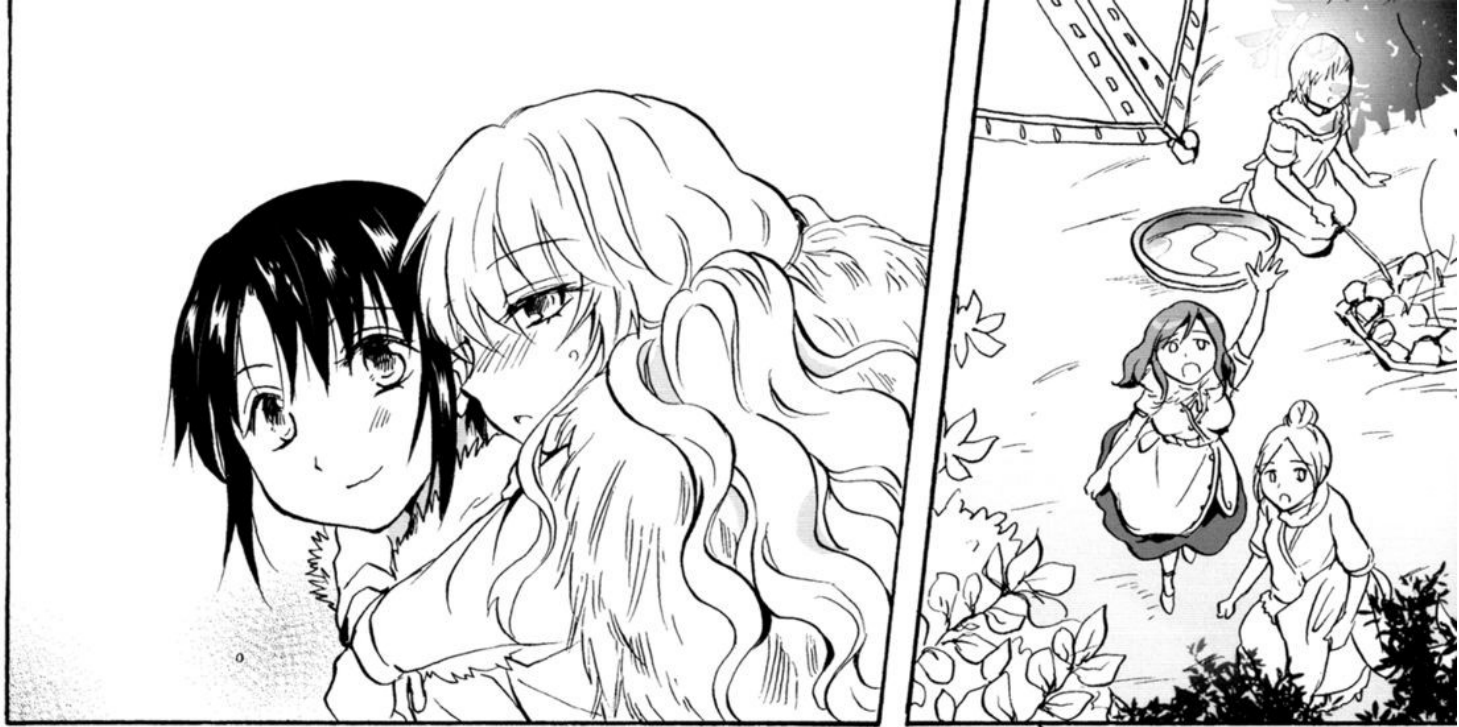

Maybe  
lo's cave  
painting is  
guiding me  
back.

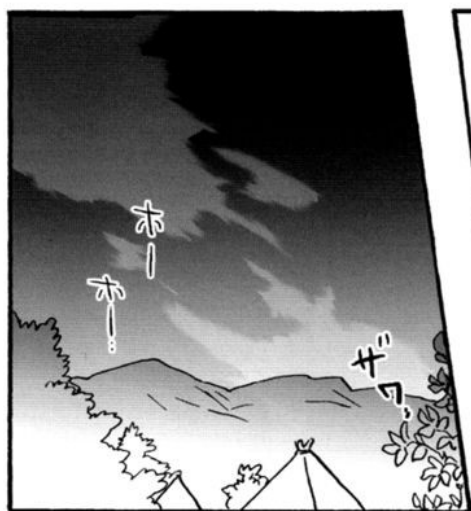

Let me  
carry her...

Sniff Sniff

I'm okay.

Yume...

You're fine as you are.

Even if  
you weren't  
good at  
anything,

you'd  
make me  
happy just  
by being  
here.

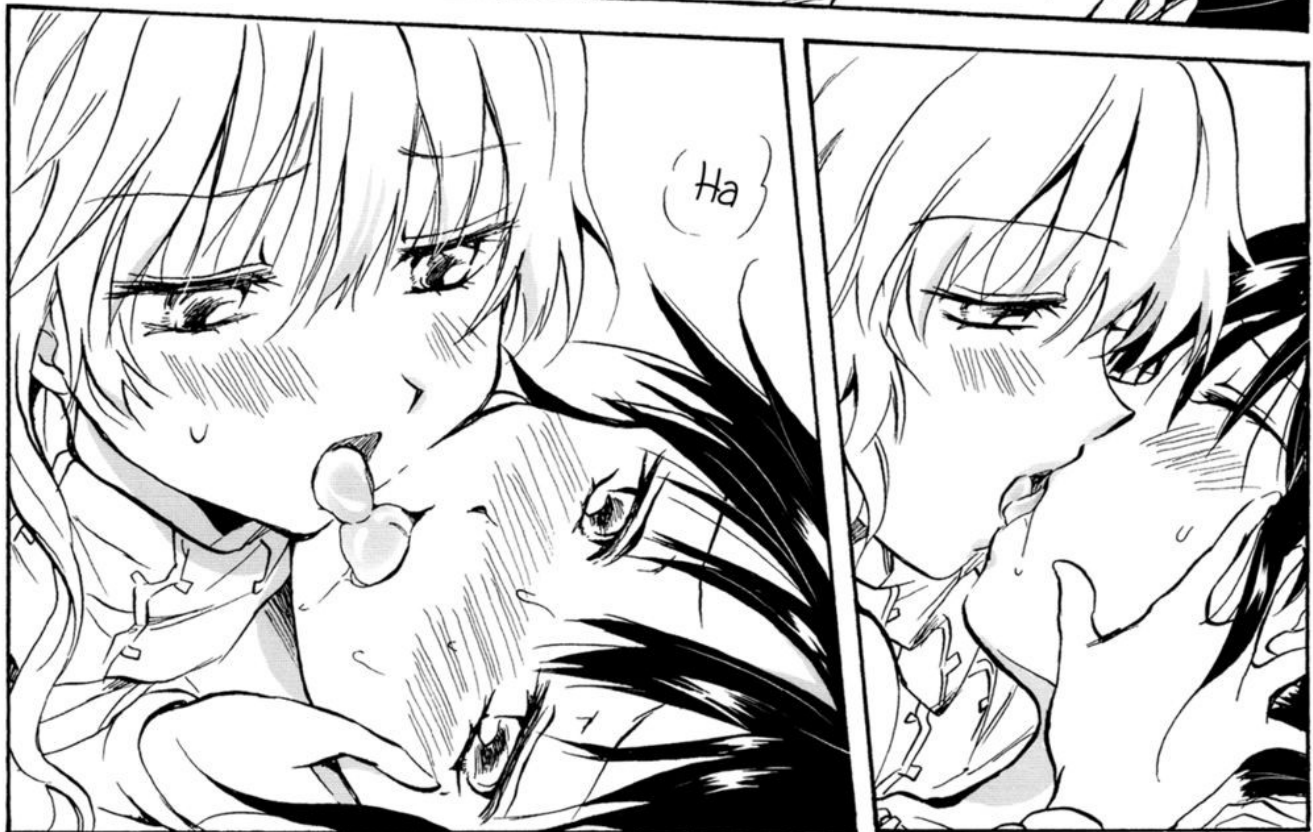

I love you  
too.

Kidaha, lo, Ten,  
Tena, Selba,  
everyone loves  
you, Yume.

You're  
my first  
friend and  
the first  
person  
I ever  
loved.

Though  
I don't know  
who you  
love...

I love  
you...

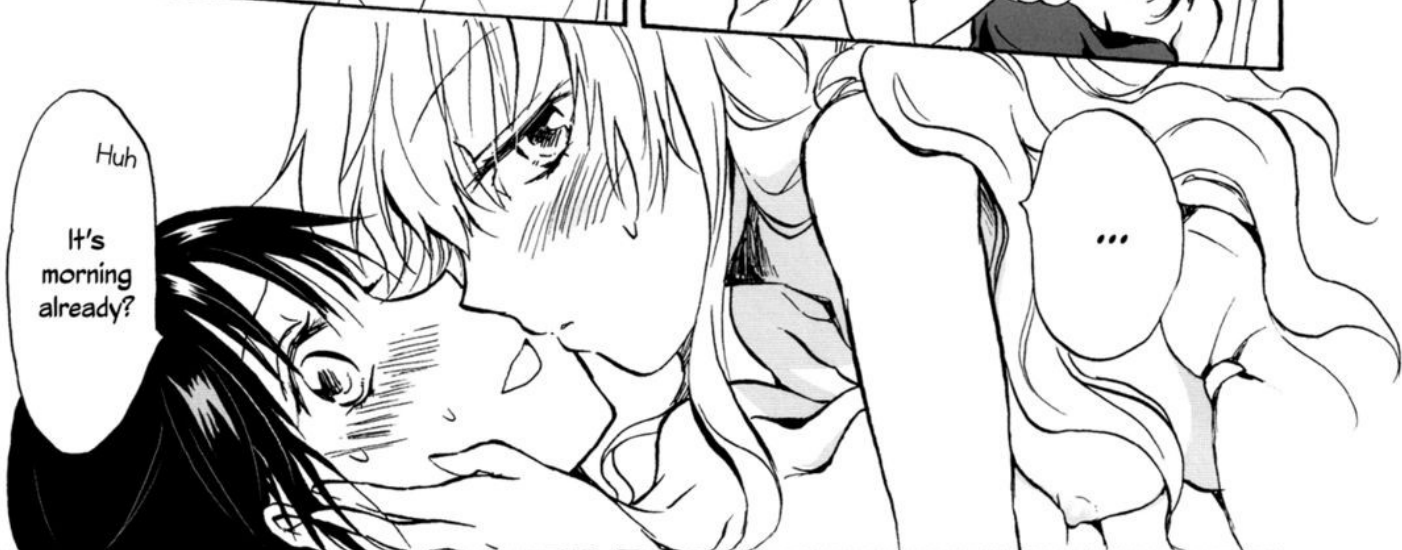

I'm not sleepy.

I'm tired already!  
We should sleep, Yume...

Good morning!  
How's Yume-

Huh

It's morning already?

...

Quiet down, Kidaha. Io

You took Yume away from meeee!  
Waaah!

Not again...

...I'm glad you're alright.

Thanks to Sakina...

Glance

But to enforce that so strictly, you're really something, Yume...

I see. Thanks...

If someone takes the wrong plant, Kidaha said to "slap them with all your might."

Sorry for hitting you, but lives are on the line.

That's poisonous.

Yume looks like she's enjoying herself.

Seems fun.

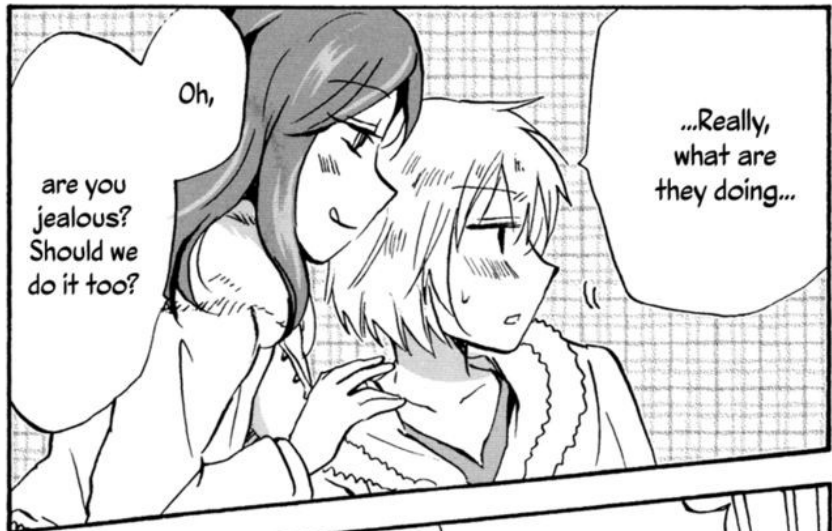

What are they doing over there?

Definitely.

let's always be together.

Yume,

GRASP

Oh,  
are you jealous?  
Should we do it too?

...Really,  
what are they doing...

Selba's having fun.

You should ask yourselves what you're doing.

No, that's not what I-Selba!

Kyaahhhh

No running away, Ten.

KOHANA

Ex-wife.

Helps out with cooking and such.

There are people who do the same job all the time, and then there's people who sometimes help out at the busier places. Like in the epilogue, there's also times when everyone goes out to do the same thing.

MIKA

Ex-wife.

Couple

Usually keeps a lookout or patrols in the village.

Ceramics haven't been discovered yet, so cooking is done barbecue-style directly over the fire, baked, or smoked.

For example, putting in a heated stone.

Made of wood

The soup gets cooked immediately.

Herbs were used for many purposes: in cooking, as well as to repel insects from bedding.

Their clothing was made of leather. It took a lot of time to make, so every piece was highly treasured.

There also might've been simple pieces made of cloth.

Inner furs

Sewing needles from ancient times have actually been found in archeological digs.

Kidaha's pendant is made of crystal or gemstone ore.

Outer furs

It's cold outside, but the area around the village is warmed by heat from the hot springs.

Parts can be taken off.

By the way...

At night.

TENT

Your turn.

For future reference...

Peeping is implicitly accepted.

Thank you for reading.
