Humph...!
With nothing but the
vibrator inside you already
have a reaction in front? It
seems as if you really
enjoy it!

It
should
be enough
if you take
your uni-
form bot-
toms
off.

Yeah.

Seems you're
quite promiscuous, so
I'm going to give you
a lesson.

Aaah!

Whiiiiir

Ahh...
can't take
it any-
more!

It keeps
rubbing
inside... turn
the vibrator
off, quick!

SFX: Drip; Throb, throb

SFX: Rub, rub, rub

SFX: Panting

W-
What!?

Don't do
that...!

Don't
take it out...
put it back
in...!

< SFX: Tremble, tremble

SFX: Slip!

Seems your ass
hasn't gotten used
to a lot...

FLOP

Aahhh...
Gnhhhh!

SFX: Drip

Mhh

Nhh

Nhh
...

Looks like it's
really tight in
there.

SFX: Rub rub

Nhh...
put in...
another one...
Ahh...amazing!
One more!

Oh! You've already
opened this much; I can
do it now!

Ahh your
finger -
is really
thick...

It also
feels so
good...!

Jab
Jab

Jab

SFX: Grind, grind

SFX: Panting

This guy's
ass is very
flexible—

This is by
far the best boy I've
come across; how 'bout ya
give me a good time—?

But, in order for your
ass to be able to take in
my dick, I first have to spend
some time to get
you used to it!

Jab

Rub

SFX: Panting

Uugh...
My ass is
bursting...

Ahh!
This is
...going
bad!

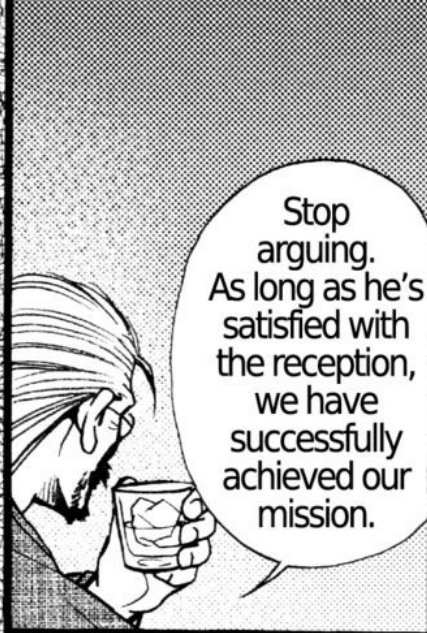

Hey, sex
maniac!

V-very
embarrassed.
but my body
feels so
good!

Aren't
you getting
a bit em-
barressed?

SFX: Twitch, twitch! Rub

Stop arguing.
As long as he's satisfied with the reception, we have successfully achieved our mission.

The person who found the DVD with the boy was in was me.

I finally know why the president of Koyama Arts can be so fond of men...

Alright!
Then let's skip loosening and get along with it.

Sir!
You should show us something for our enjoyment with this boy.

Yes!
We don't have strong stomachs to withstand any longer!

That's never going to fit. Put it in and my ass'll break!

Wha?
That's impossible!

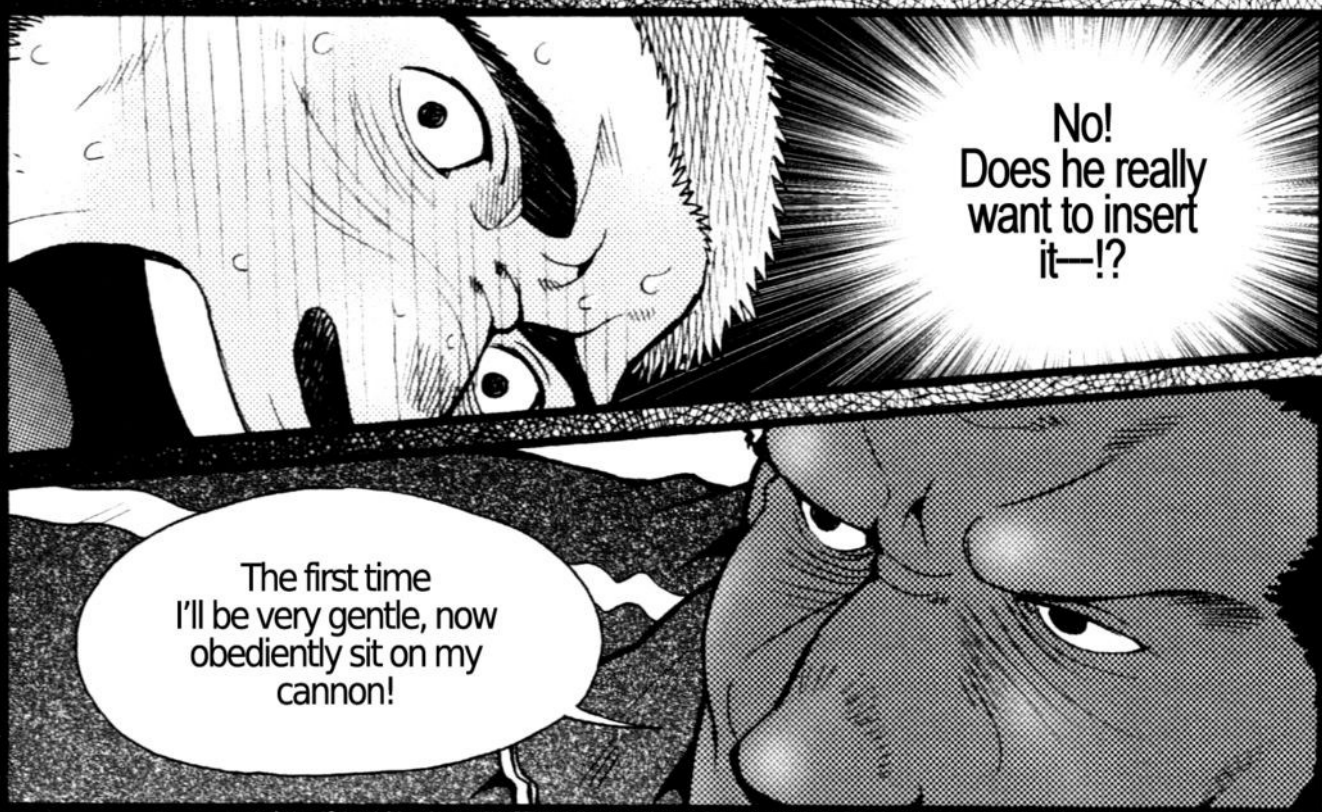

That's really impossible. I can't take such a thing lightly!

Mmh! Don't do it...

Why? Are you afraid of this guy's dick?

Rub

No! Does he really want to insert it—!?

The first time I'll be very gentle, now obediently sit on my cannon!

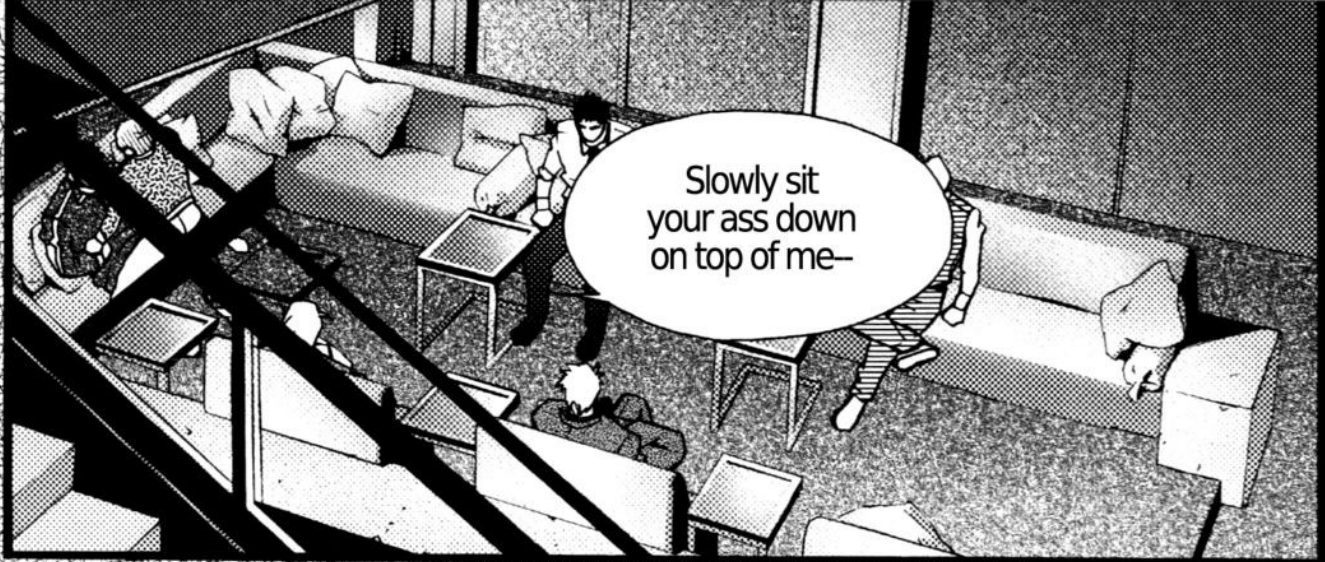

Ah...! So hot, it keeps rubbing against me...

Rub Rub

Twich Twich

Push!

SFX: Push, push

SFX: Slide, slide

SFX: Panting

You see,
behind you there's
an audience
watching.

I heard
you like to do it the
most when someone's
watching you...

Is
this new
to you?

Looks
like he
studies
P.E.

Hehe.

Every-
one has their
eyes on your
butt.

!?

drip
drip
drip

-if
I'm not
mistaken, this
is the right
building...

Is
Kengo in
there...?

Come! Slowly
slide down a bit more,
your hole has already
been opened up,
hahaha!

Aaa,
aaah!

My ass
will split
open...!

SFX: Flap, flap

Don't you know?
That guy
loves having
people watch
him the
most.

RUB

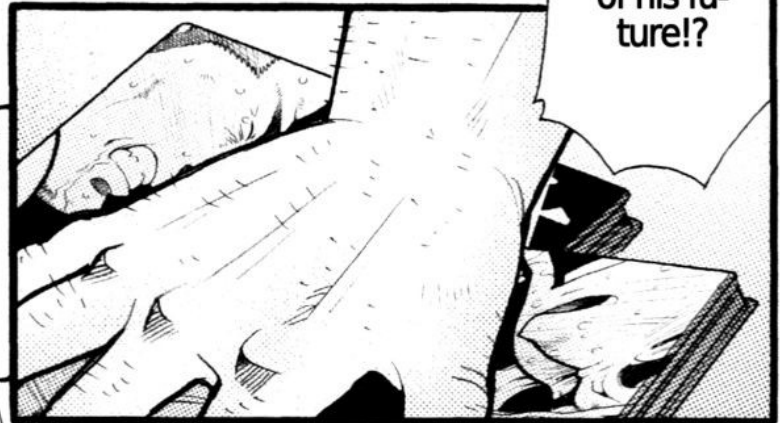

He'd not
just swallow my
cum, but my
piss too.

SFX: Slam!

You're
crazy! To
go as far as
to let him
film this un-
censored
porn...!

Haven't
you thought
of his fu-
ture!?

He's
no longer
the guy you
used to
know...

He also
serviced me
before filming,
for an entire
day his mouth
sucked this
dick.

Kengo
wouldn't
do... such
things!

What he wants is that kind of pleasure, he won't come back to you... don't you understand?

Now he's attending an honoured guest of mine, so he's not here! Go find your way out.

Attending an honoured guest...!? You go so far as to let Kengo go and sell his body—!

SFX: Tum.

Kengo... What mess you got yourself into...

Is he going to take the kid to a mental clinic—?

Hmph! I won't give up; I must save Kengo...!

Ahh
aaaah...
Feels so

As you
can all can
see, I've
already
opened up

Mmmh
ahhh!

SFX: Shake, shake

Good boy,
now let daddy enter
you completely.

ゴサッ

Please
force it in
me.

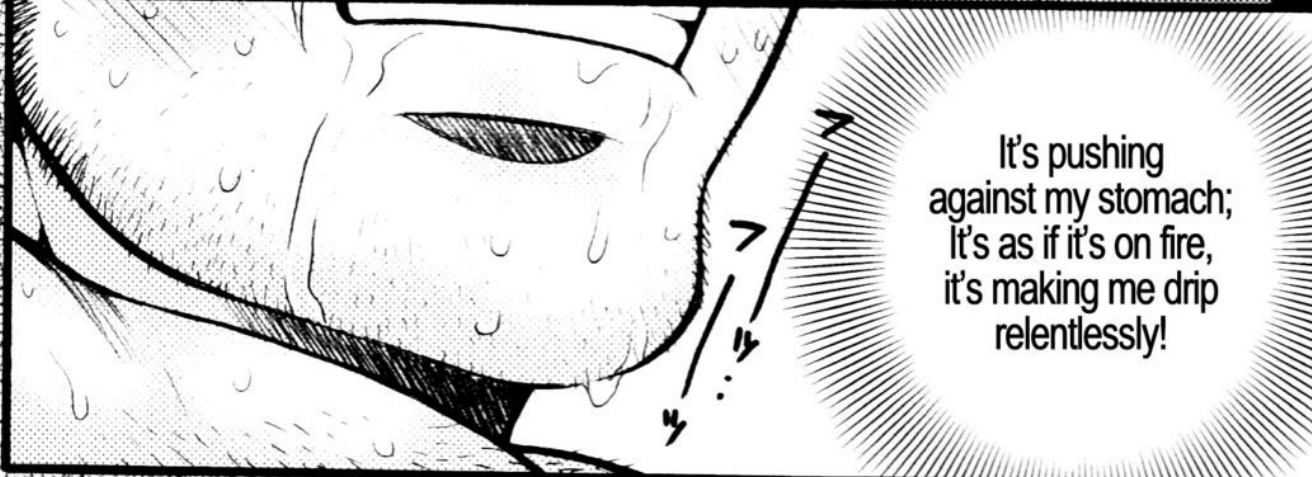

Push
Push

It's
so big...
will he be
okay? Won't
he start
bleeding
or some-
thing?

Wow,
look at that!
He still can't
get the head
of the penis
in!

This huge penis is already all the way inside...

It really feels like...

This time there'll be no filming.

SFX: Shake, shake, shake; Thrust, thrust; Slap, slap

Ahhh. Feels so good...

My stomach is melting...

Mmh, precum keeps leaking out!

I'll reach the peak pleasure point this time!

I'm gonna burst in this guy's ass, I can't stop.

Hmm

Amazing! ♡

Itsuki-san, what should I do now?

Seems like you're really enjoying this.

You're still not done playing?

This entertainment is addictive.

Ah, Aaahhh!

Nnngh!

Being inserted all the way feels so good...!

SFX: Schlick!; schlick!

SFX: Ram!

Humph... not this way, lets first change the position... raise your ass up!

Ah ah... thrust it all the way in again, up to the top...!

You're sucking me in there; let me help you stretch out your asshole.

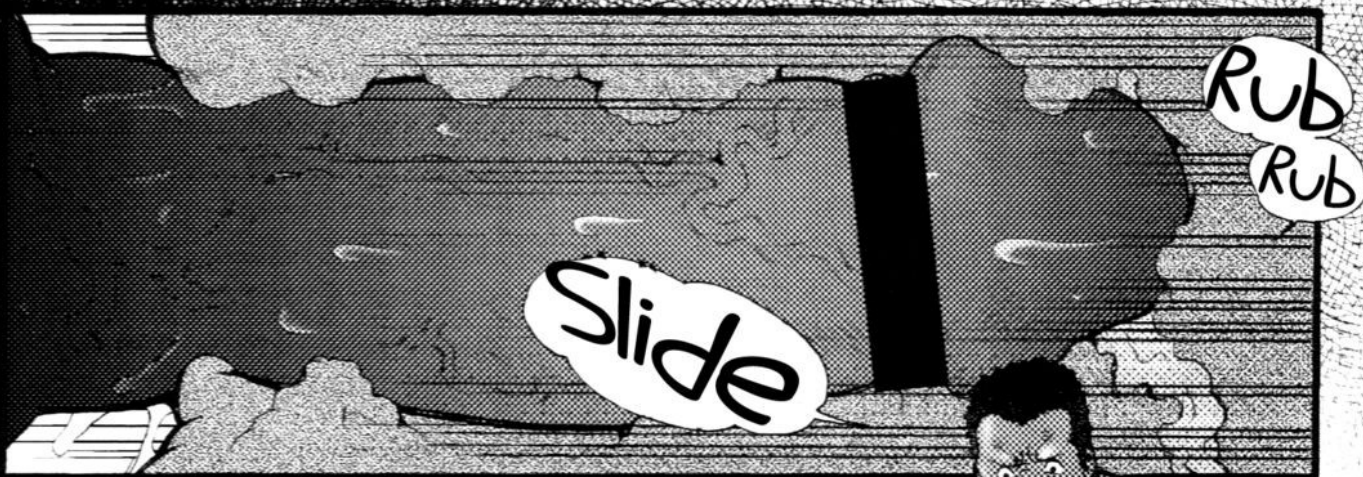

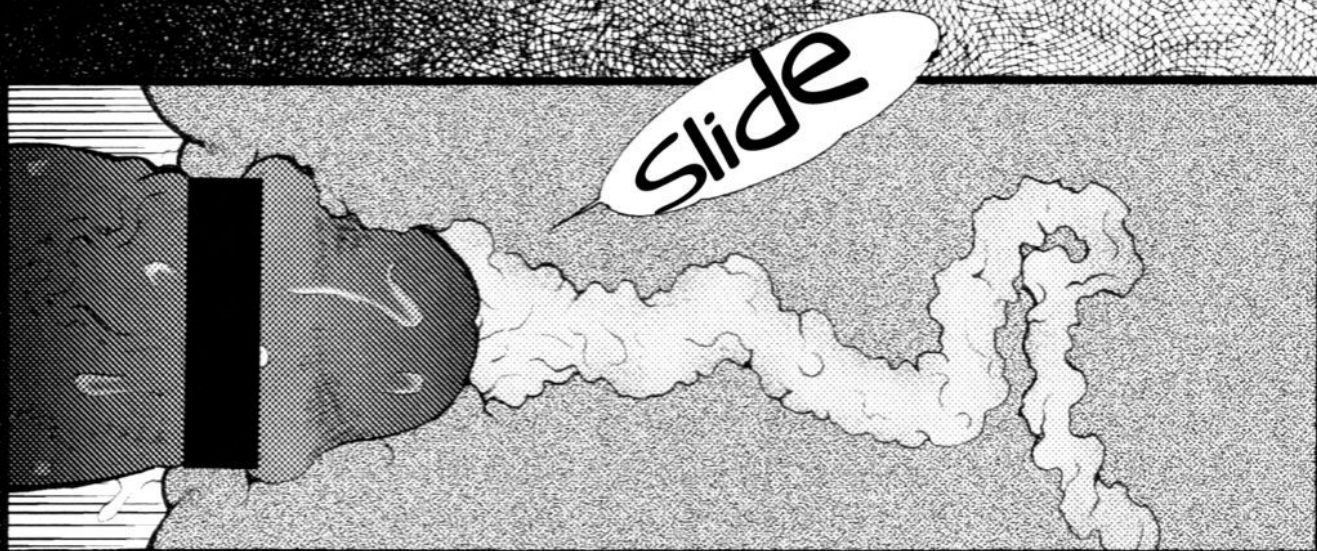

Feels weird inside... being stuffed like that!

I want to feel you thrusting all your way in!

Slip

Schlick

Uuumh.

SFX: Thrust!, thrust!, thrust!; Drip

This is the first time I have felt this sensation, his dick is stimulating me prostate incessantly,

The head's pushing on my stomach... it's like having something trying to burst through, so good!

I can't-

I can't stand it, my ass feels too good!

How are you still not satisfied...? Are you going to taste my dong after this, do you want to know what the marrow tastes like?

The way my dick is rubbing your innards, makes me want more!

ズルッ!!

エヘ

エヘ

Ah...
hold on!
Don't pull
out, please!

エヘ...
エヘ...

Hurry
and do
me!

I still
haven't felt
enough!
Please insert it
back...!

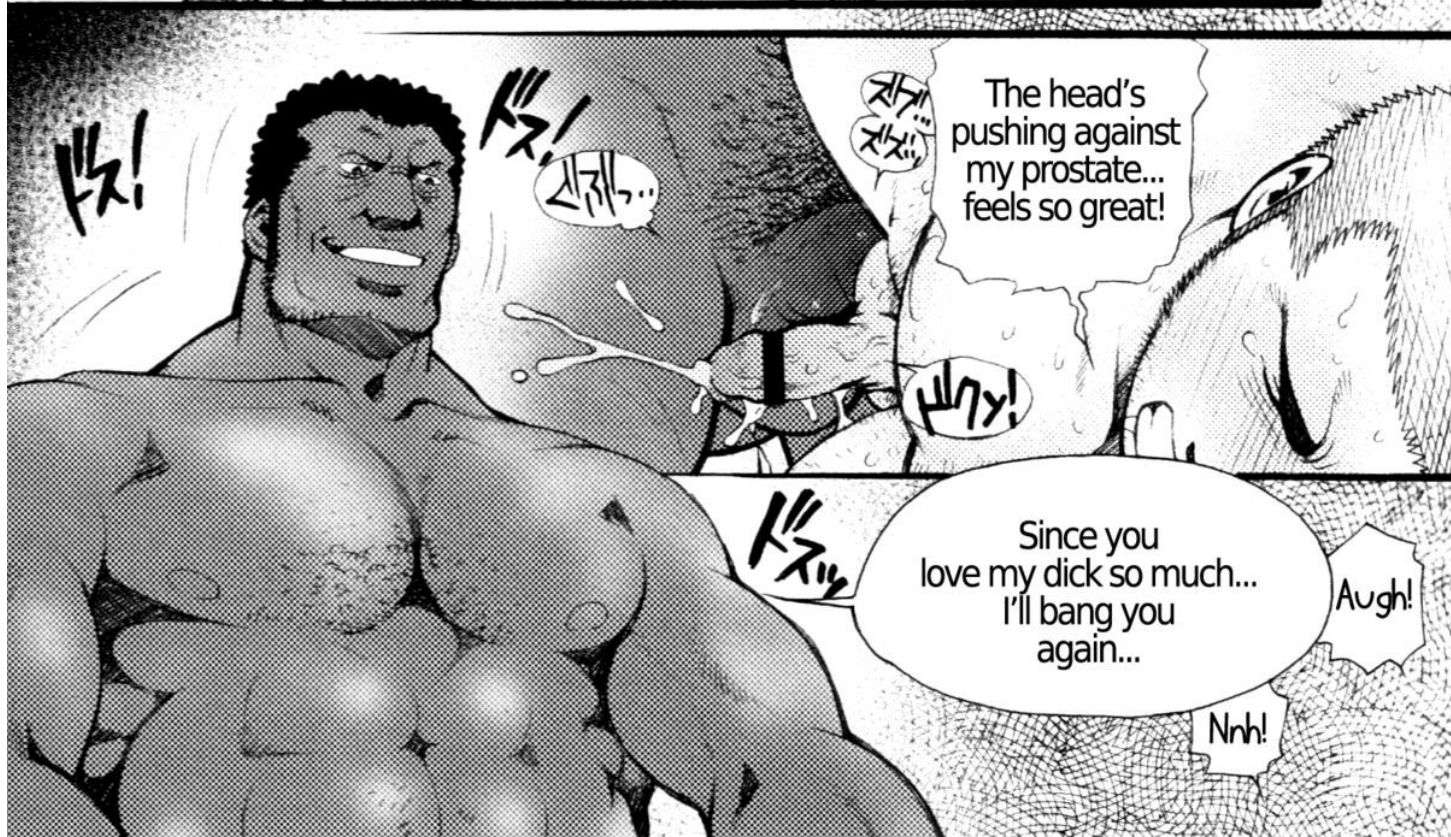

ズルッ...

It's so
thick, I'm
going to
explode
down
there!

Ahh,
yea,
I want
that!

What? You
still want it?
Hm?

ズルッ!!
ズルッ!!

ズルッ!

ズルッ!

ズルッ...

ズルッ!!
ズルッ!!

The head's
pushing against
my prostate...
feels so great!

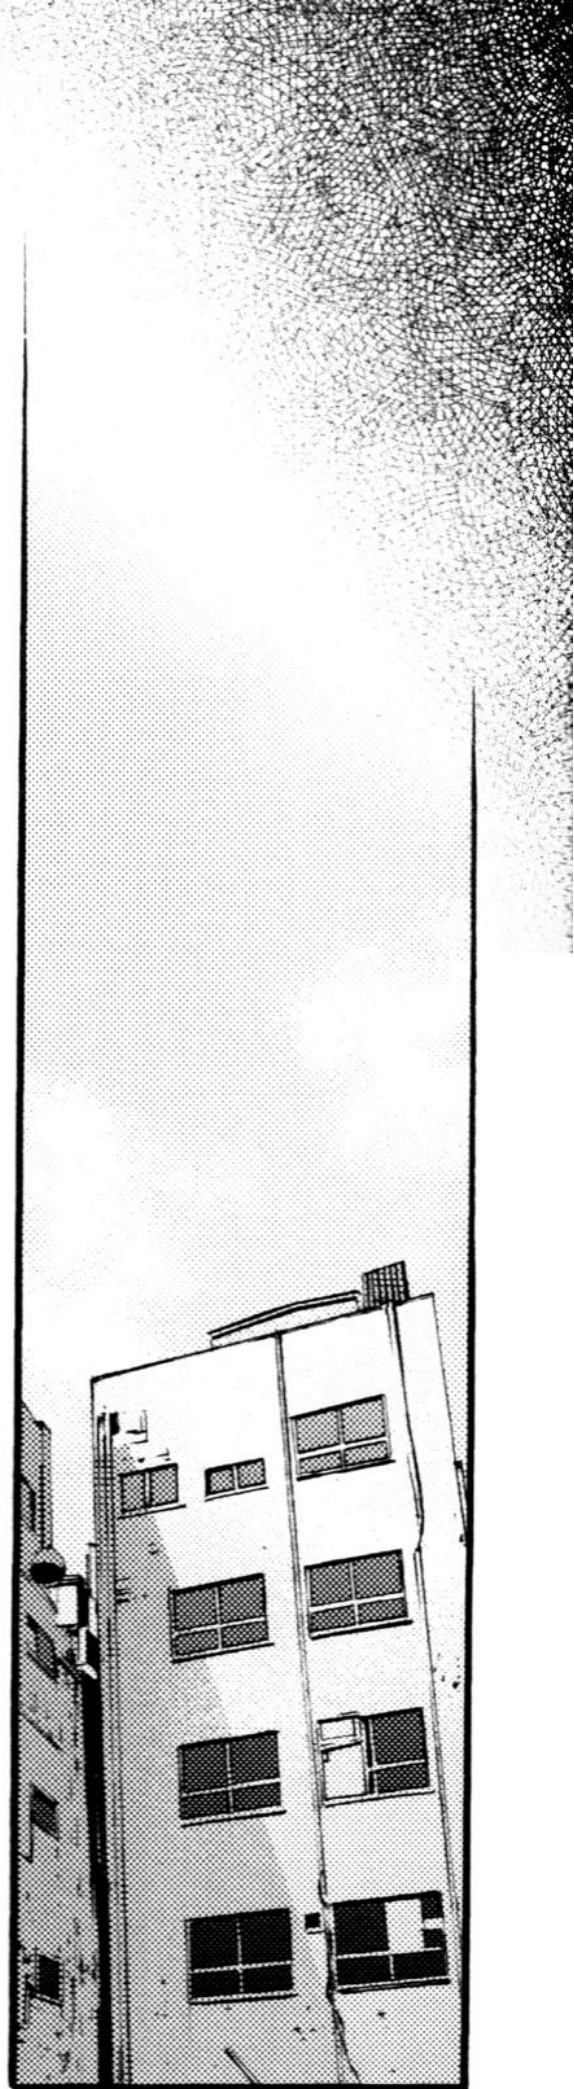

ズルッ!!

ズルッ!!

Since you
love my dick so much...
I'll bang you
again...

Augh!

Nnh!

The Voyeur Company's Journal of Desperation

Missing bits

This time when I was tidying up the manuscript, I found in my rough sketches that I had not drawn the main character weeping in any of the pages, he only looked lost in thought or nervous, and therefore I had to repair many drawings. (laughs)
