姉弟しな

SIBLINGS SURE ARE GREAT

And it'll take thirty minutes to get to the next station... I underestimated the countryside...

It's so hot~...

No~! It's still my turn!

C'mon! I wanna play~!

The only passengers are a couple of kids... This track is just dead... Are they brother and sister?

Alright. I've just got one more place to go to and I'm done for the day.

Ah! Nice and cool...

So long, kids. I may be a lolicon, but I'm no fool.

I'll put some distance between us so they don't think I'm some sort of freak.

It's not my fault you suck at the game, Toru.

But you've been playing for ages~!

Then...

Yeah, really.

Really?

Tell you what, next time I die, I'll let you have a turn.

Aww...

There. Level cleared.

I MUST LOOK LIKE SOME SORT OF PERVERT! LIKE THOSE GUYS THAT MAKE LITTLE GIRLS SOUND OFF THEIR PERSONAL ALARM!

WHY DID I SIT RIGHT IN FRONT OF THEM IN THIS EMPTY TRAIN CARRIAGE?!

AH SHIT

Your friends are all a bunch of liars.

A friend told me the sequel comes out next year!

THAT GIRL'S CUTENESS, THE AMOUNT OF SKIN SHE'S SHOWING AND HER PANTIES ARE MAKING MY HEAD SPIN!

Oh, they're completely unaware of me! Well that's a relief. Is every kid from the sticks this oblivious? Don't mind me, I'm just a salary-man reading a newspaper!

Be patient.

You're not dying!

Get a hold of yourself, me...!

Thanks for letting me watch as much as I want!

Composure is the most important asset for a lolicon!

Cut it out, Toru!

Still...

Do siblings often act like this?

Aren't they acting a little too chummy?

Oops~!

Just wait. I'll die in a bit, ok?

But you just won't die~!

Whoa there, shota bro, that's the inside of her thigh you're touching! Are you ok with this, big sis?

Here it is! Now I won't have any regrets when I go back home!

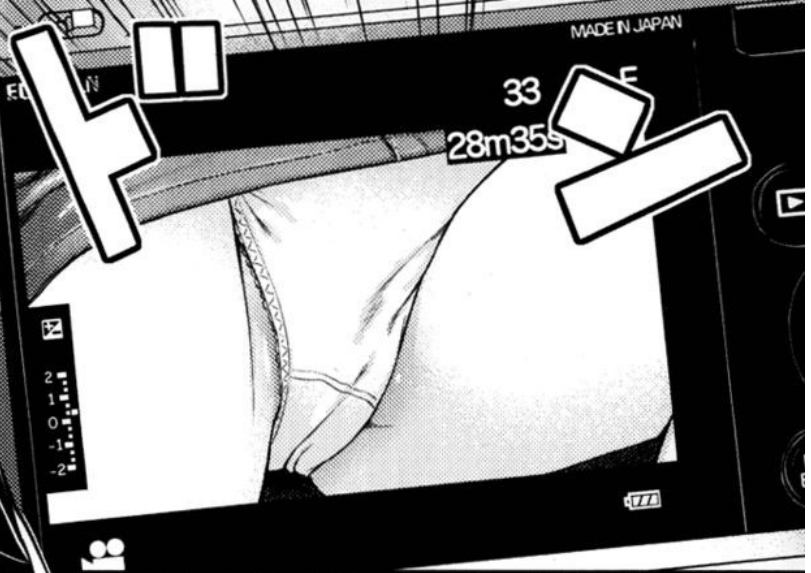

I think I brought my camera with me... If I put it in filming mode...

Gwin!
Gwin~n!

Stop
screwing
around~!

INGESTION

AWW~!

If you
don't stop
pulling on my
leg, I won't
let you
play!

Kya!

What about here?!

Then...

Large stylized sound effects consisting of vertical and horizontal lines.

Small stylized sound effects consisting of a square and a rectangle.

Small stylized sound effects consisting of two small squares.

Ni...

Hey!! Cut it out!!

Ni...

I'm not touching your leg!

Large stylized sound effects consisting of a triangle and a square.

Large stylized sound effects consisting of a triangle and a square.

It's the first time I've ever seen one... A real elementary schooler's nip slip...

Nip slip!!!
I can see the sis' nipple!
An elementary schooler's nipple!
It's so pale!

Ack!
You made me die!

Oops, I can't let myself get distracted! I've gotta zoom in! Hurry! Hurry!

...Hey...

Forget what I said about you being spineless I'm very thankful, little bro! You're a real man's man!

You wish!

My turn!

She doesn't even care about fixing her shirt... Maybe she didn't notice? I'm watching, you know? Are you ok with that?

It's my turn to play again, got it?!

Buh~!

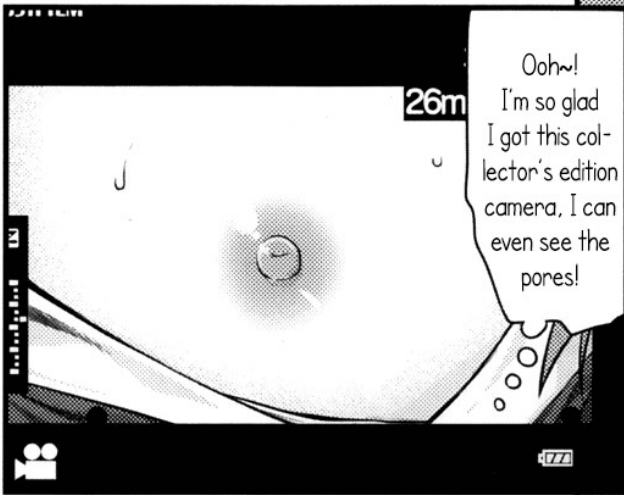

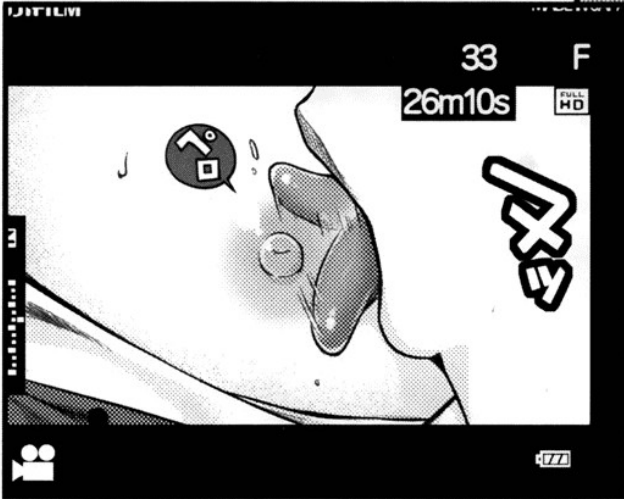

If that's the case, I guess I can just take my sweet ass time...

Aah! And I was being so nice to you, too. You have no one to blame but yourself, Toru~!

Ooh~! I'm so glad I got this collector's edition camera, I can even see the pores!

I wonder if this is what it was like back in the day, when children had absolutely no shame...? The countryside must be a really laid back place.

!!?

Mmh...
Hey... We're
in a train...

What
is he
doing?!

Mmh!

I'm just a salary-man completely engrossed in reading his newspaper!
Yep!

It can't be...

Fine, have it your way.
Just stay quiet.

Okay!

INGESTUOUS BOY

No, I just can't~!

ツツツ

It doesn't look that bad, can't you just hold it~?

Eh~?

Not your hands! Do it with your mouth, Onee-chan!

Well? Don't forget to tell me when you're about to cum, ok?

Shush!

INGESTUOUS BOY

ツツツ

ツツツ

You better cum quickly!

ツツツ

I told you to stay quiet!

Ah
Ah... Make that place wetter by licking it!

Onee-chan... use your tongue more...

Onee-chan, that's it! Inside my foreskin...

Ah! My penis feels really... hot~!

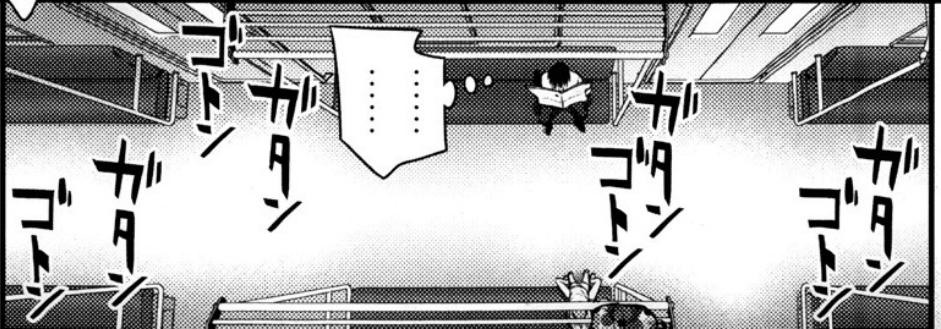

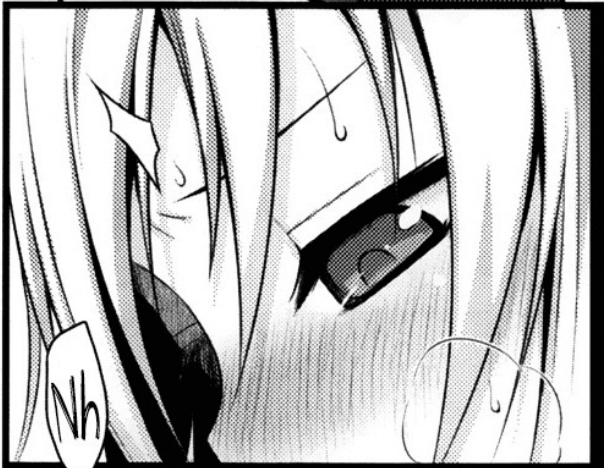

Phine! I hot it!
Pu ha
Now stop using your outside voice!

You think so too, don't you, kid? Won't you move!

It's finally come to this, and I've got the shittiest view...

ZZZZZZZZZZ

Kuh!

Wai... Toru!

Don't move so mu...ch!

Onee-chan! Onee-chan!

Do something, little bro!

That's not true!
I can barely even move in this position!

I can't... stop making noise...

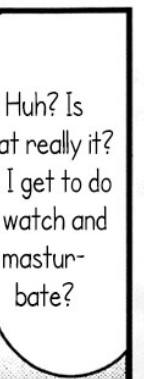

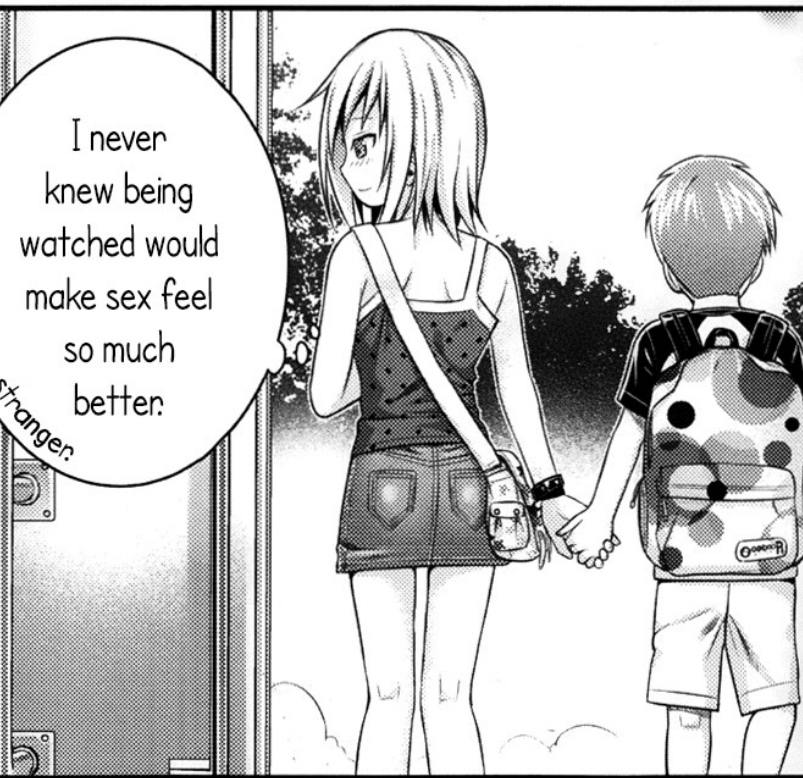

You're being... too rough...!
