ストップ! 聖王カレン!
STOP! DON'T BE AN ESCORT!

ふれせんでいってはい

Noise

Isn't that
Noriko-chan
(A beautiful
11 year old girl)?
She lives next
door to me!

I have no
idea who the
old guy hanging
out with her is,
though.

Noriko-
chan, hi!

今回も短パンの女の子が騒動を
お騒がせするわね

I go out for a stroll
and it just so happens
there was a festival
going on at the local
temple. It's been a
while since I've been
to one. How nice.

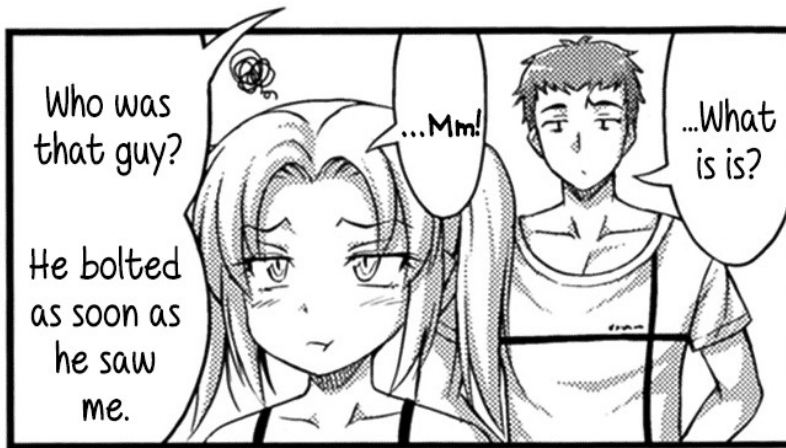

How
very
nice.

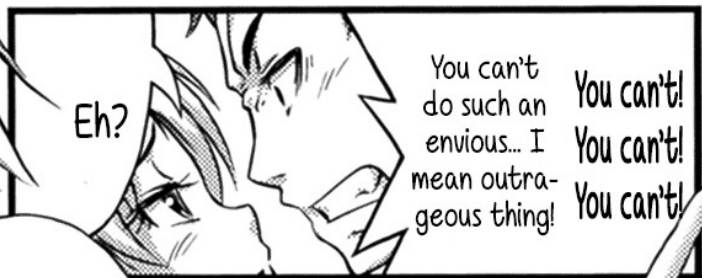

I wanna
go around
food stands
with a cute
girl too!

What's
this?

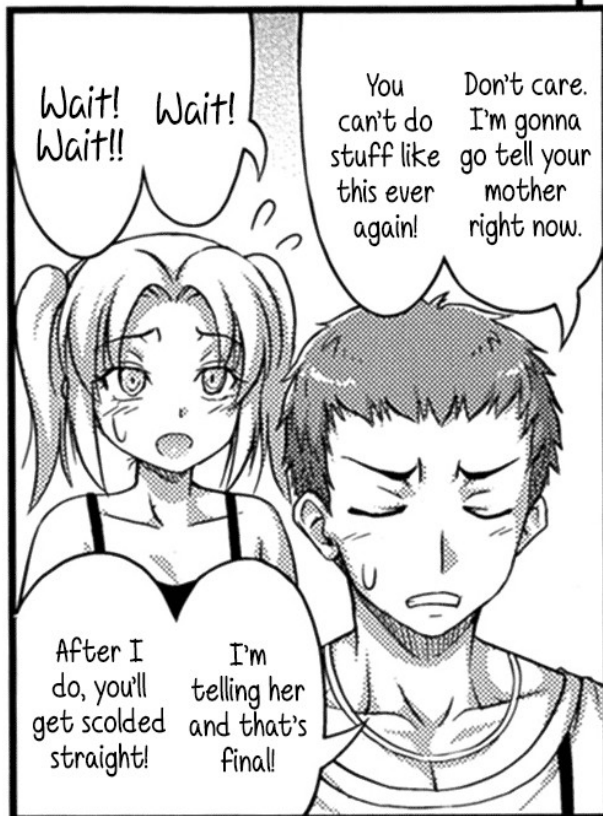

It's like reality's flashing right in my eyes... and it's terrifying...

Awawawa!

I mean, they take me out and buy me food. The least I can do is flash 'em.

At least
you're not
some random
guy I don't
know,
and...

N-No...
That's....

...I-Is this
actually
happening?!

Gulp...

Crap!!

Just
this once,
got it?

Well, if you
put it like
that...

ヒキ
ヒキ

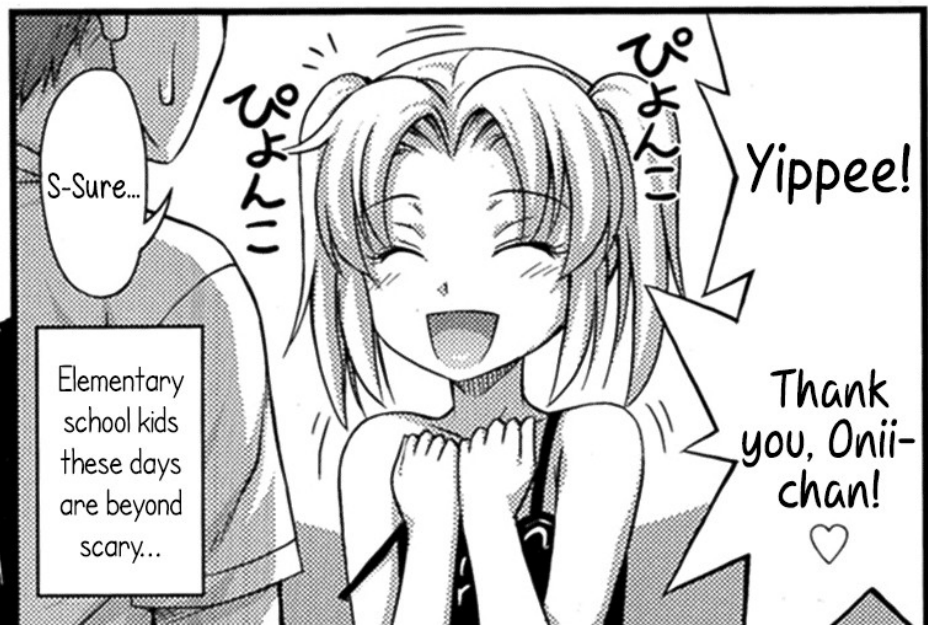

I just fell into
her transpa-
rently obvious
trap...

I-It's
a trap...

Got
it!

Just once...
Seriously...
Got it?

S-Sure...

Elementary
school kids
these days
are beyond
scary...

ひょん

Yippee!

Thank
you, Onii-
chan!
♡

I'm so glad
I'm on good
terms with
Noriko-chan...

Hah...
Life has its
moments...

Here!

ズ
ルッ

An elementary
schooler's tits...
They sure are
nice...

They
have a certain
loveliness you
just can't find
in big tits.
Yeah.

Onii-chan...
This is actually
kind of em-
barrassing.

Mu-
...

What?
Just a
little bit
more...

It's
over!

Onii-
chan, you
perv.

N... No
fair!!

M-My
silence
isn't that
cheap...

Hey!
I never
said you
could suck
on them!

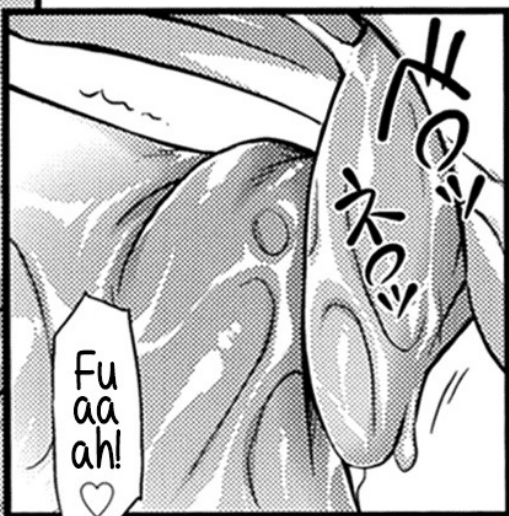

Gotta
pay for
my silence
somehow!

Good
grief! You
dummy!

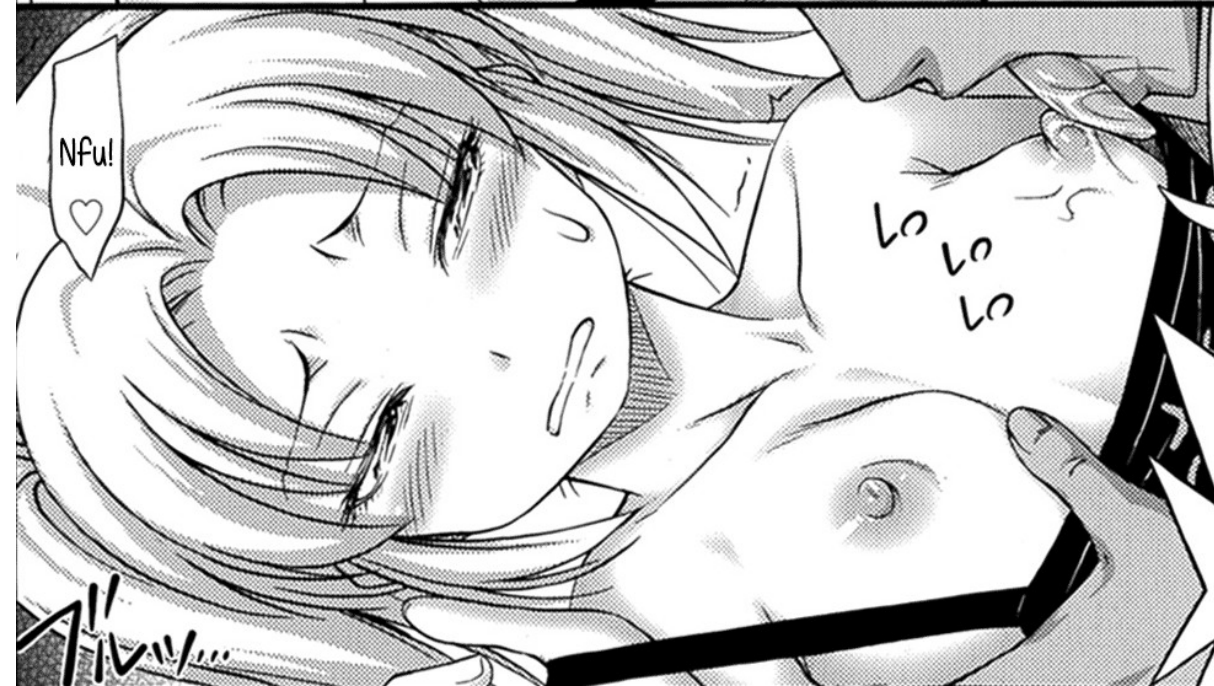

I can't
help
myself!!

Kya
?!

Fu
aa
ah!
♡

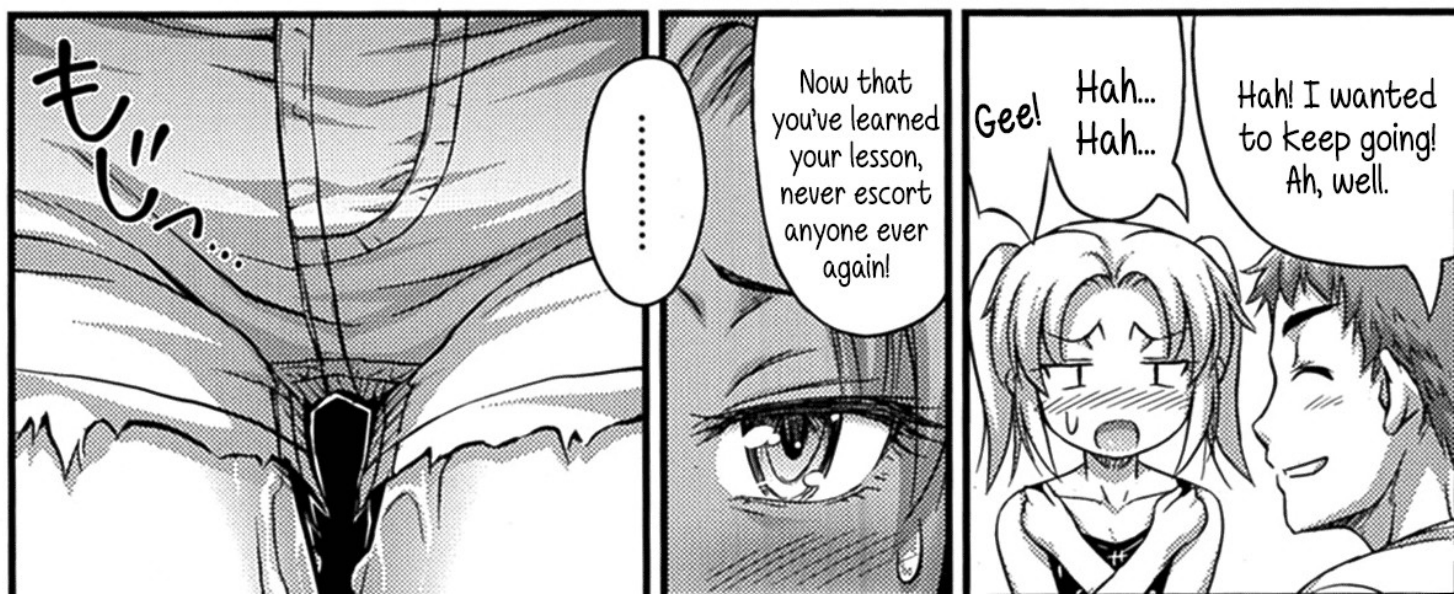

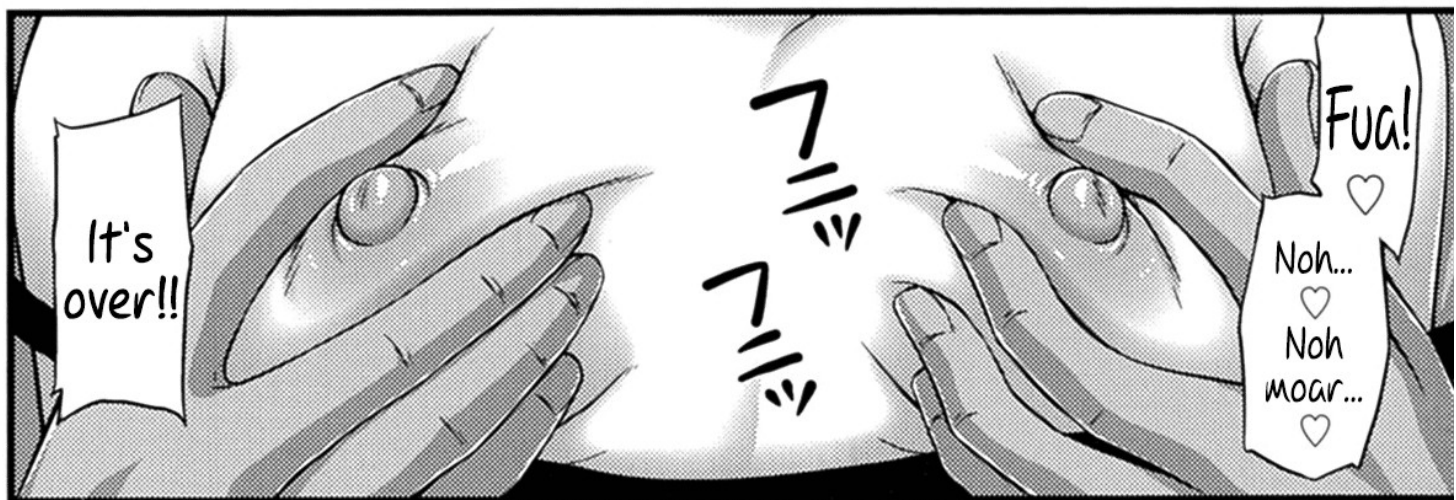

Nfu!
♡

Lo
Lo
Lo

You didn't
think it'd be
that easy to
hush me up,
now, did
you?

Mmh!
Onii-chan,
you're just a
regular old
pervert!

Sex!

Wah!
Wha-?!
Huh?!

Hmm?

Listen,
Onii-
chan...

Do you
wanna...
keep
going?

Keep
going?
You can't
mean...

Can't
I...?

You're
going to
charge
me...?

Special offer!
For ten
thousand
yen, I'll have
sex with
you!

Listen
to your-
self!

Crap!

But just
this once!

I guess it
can't be
helped!

HeHe!
♡
Okay!
♡

But am
I alright
with that?
I've got
an escort
right in
front of
me!

My dick's
so swollen,
I can't
stand it!
I could
just run
straight to
the public
toilet...

I wanna
do it!
I super
wanna
o it!

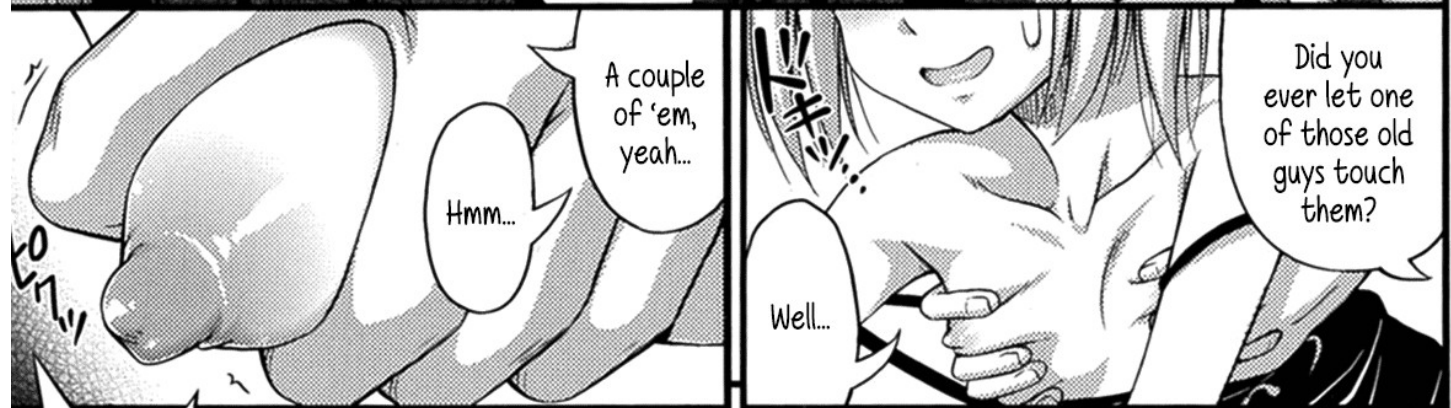

Am I?

You're pretty good at groping tits, Onii-chan.

It really turns me on! ♡

Yeah.

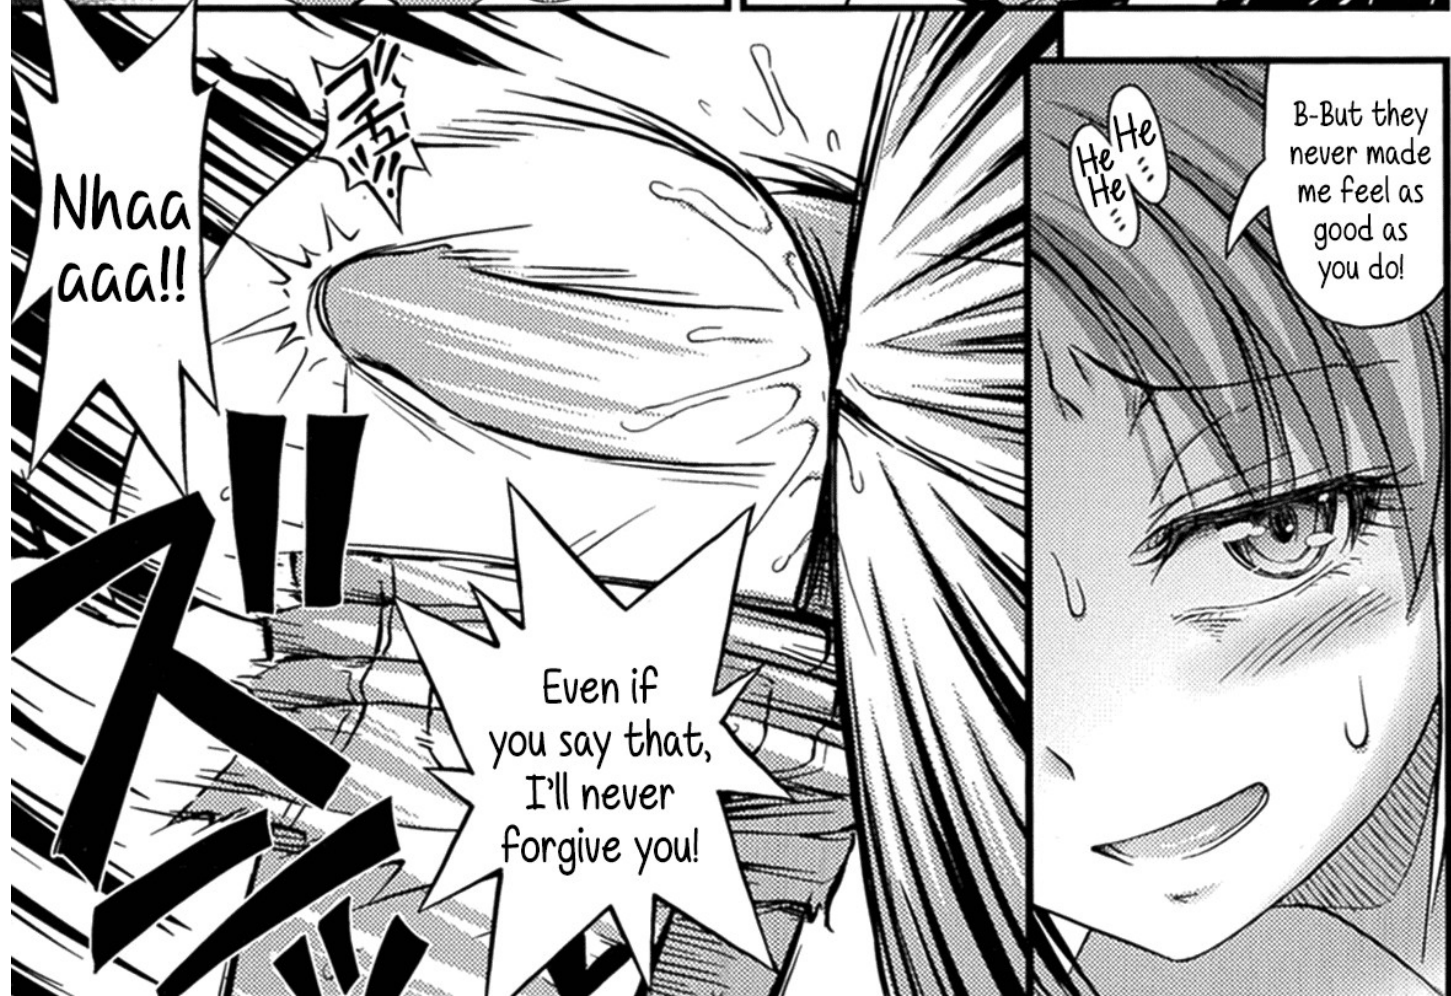

A couple of 'em, yeah...

Hmm...

Well...

Did you ever let one of those old guys touch them?

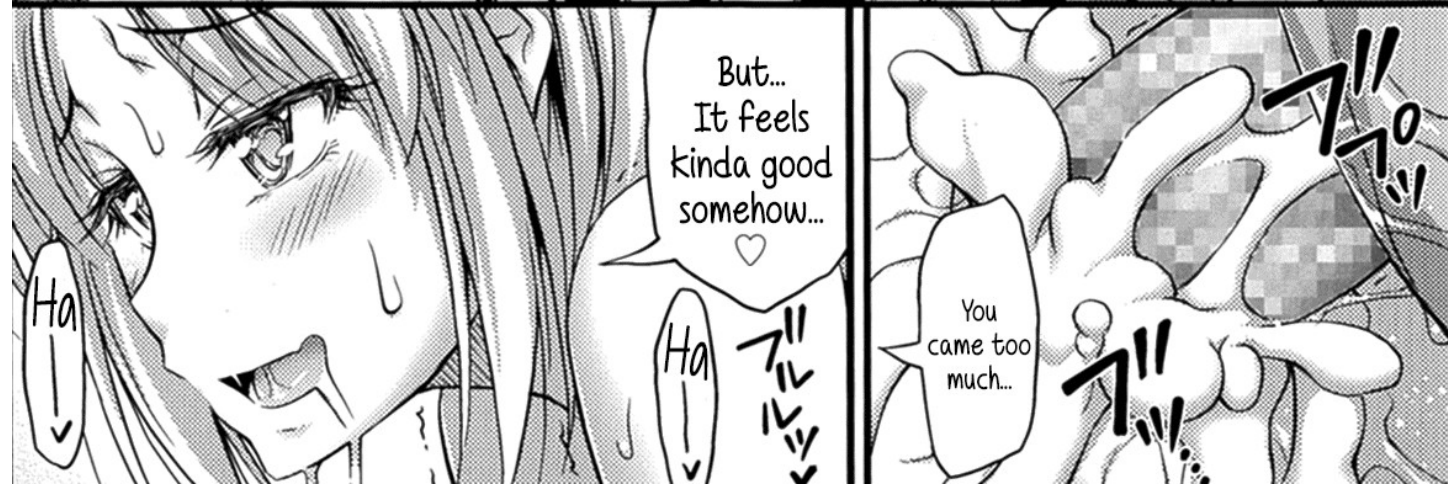

Nhaa aaa!!

Even if you say that, I'll never forgive you!

He He He

B-But they never made me feel as good as you do!

Yeah...

You told me never to work as an escort again, after all.

So, I guess this is it.

Alright, then...

Hmm?

Hey...

Y-Yeah... Well, you know... Sorry about that...

Mmh... You came inside me without warning, though...

Phew... That was great, Noriko-chan!

SO...

I'll never do it with anyone but you, Onii-chan...

And so...

....!!

You could have sex with me again, not as an escort this time...

Can we do that?

We stopped calling it escorting, but I always pay for everything, and we always have sex at the end so I have a hard time calling it anything else...

After that, we started hanging out together.

To add to that, in these past few days, she's been getting increasingly more perverted.

You don't seem to mind blowjobs any-more, huh, Noriko?

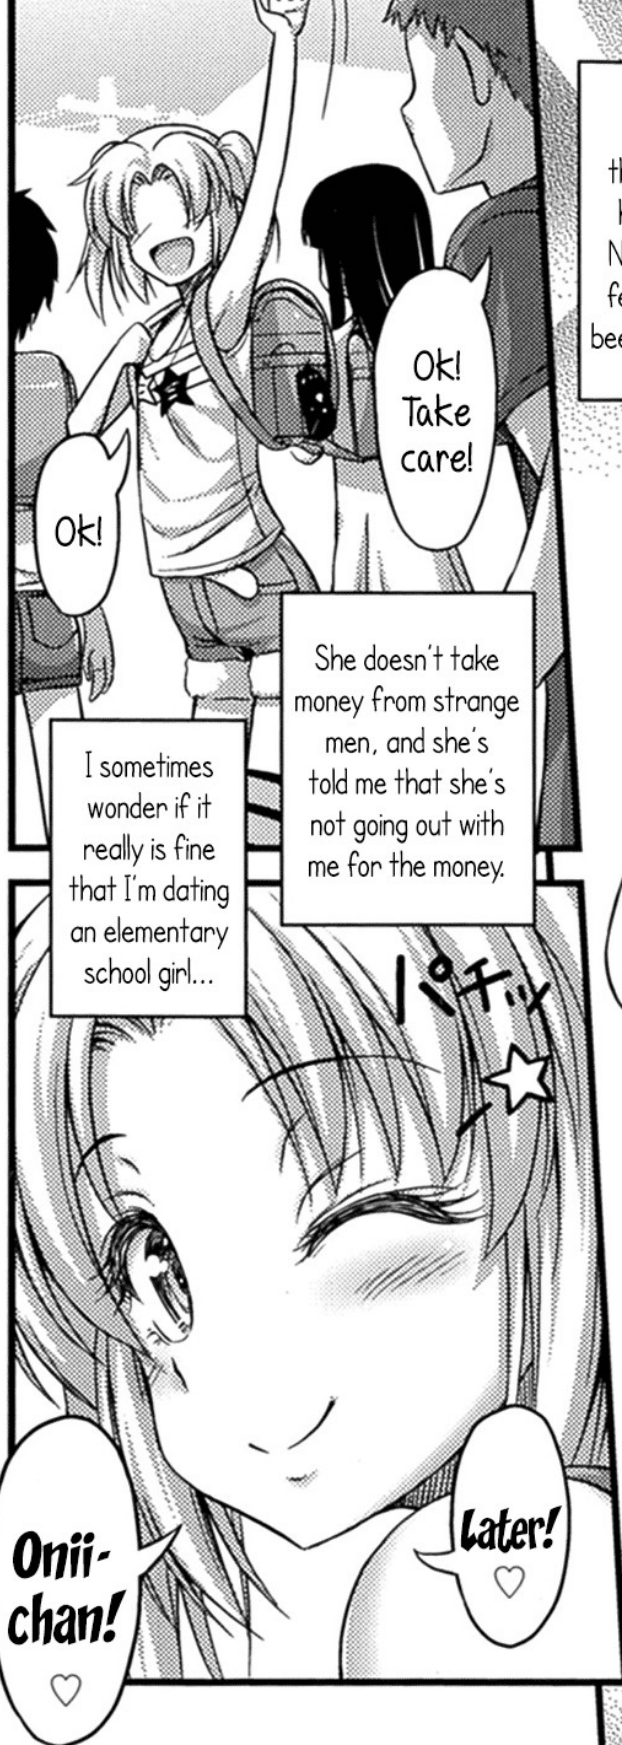

Dehicioussh!

Mmh... I'm used to them now.

Cumming!
Cumming!
Cummmh!

I'm cumming again!

Hum-minh!

I sometimes wonder if it really is fine that I'm dating an elementary school girl...

She doesn't take money from strange men, and she's told me that she's not going out with me for the money.

Ever since the day I first had sex with Noriko at that festival, we've been inseparable.

I'm going then, Onii-chan!!

End

Yup, lolicon...

He's a lolicon, right...?

ほわ...

Oh my... A lolicon...

Well, she's cute, so who cares.
