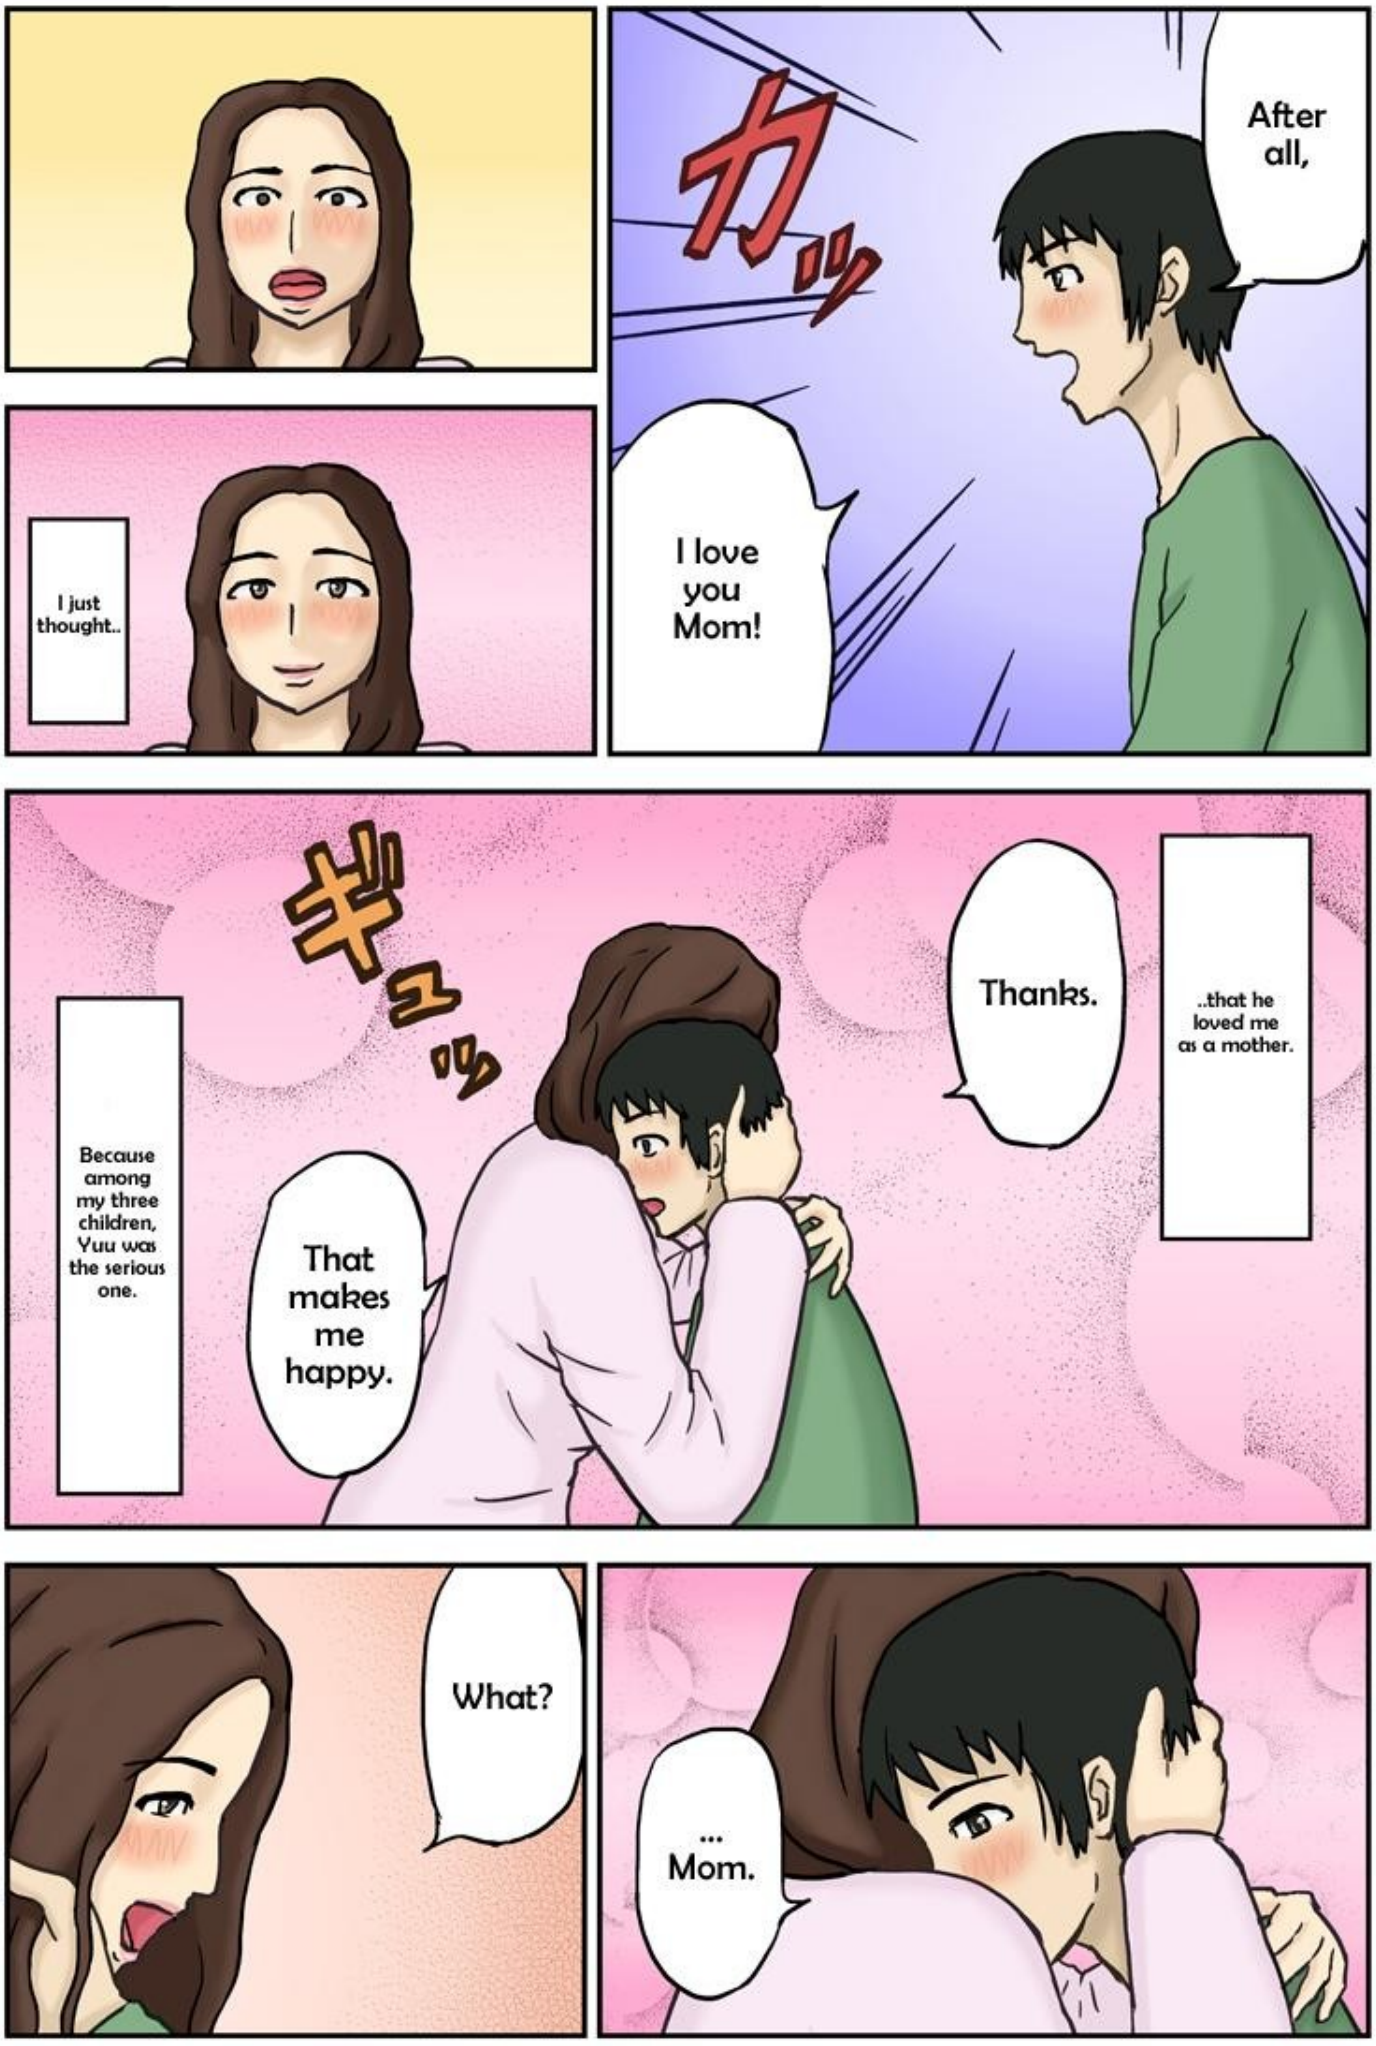
I was folding laundry with my younger son, Yuu.
My husband, elder son, and daughter had gone out for some karaoke.

don't worry about it.

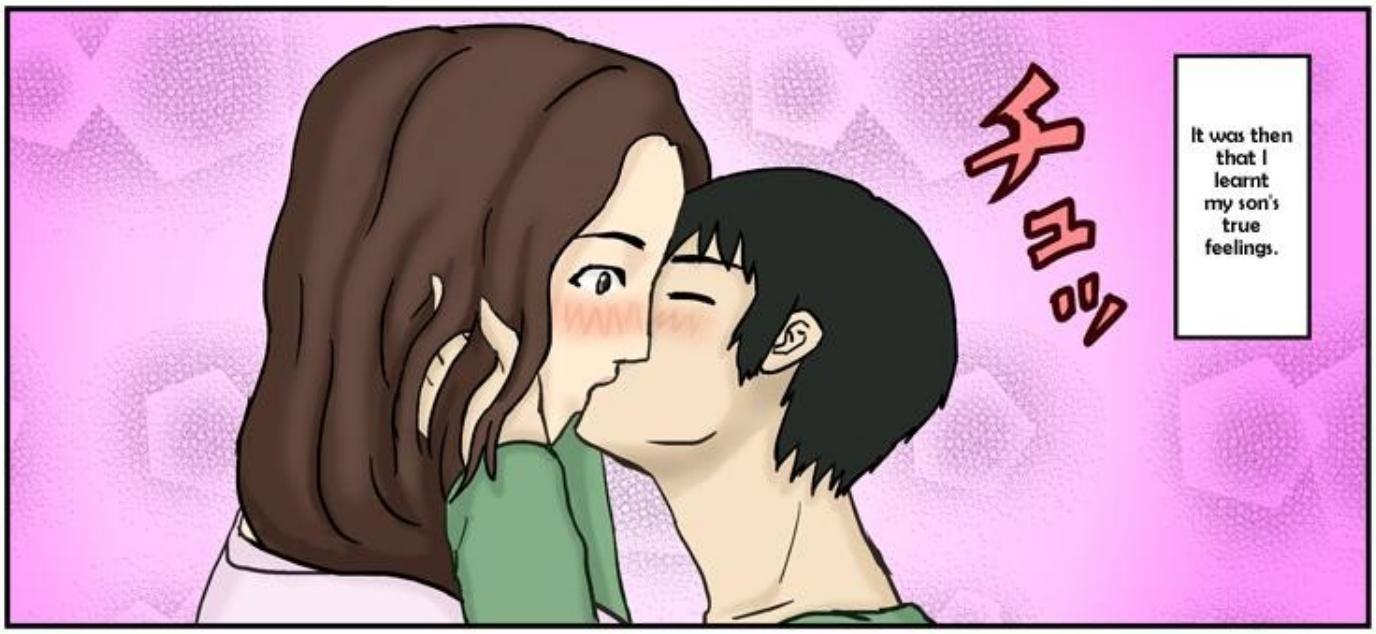
Thanks Yuu.
You've been a big help.
パタパタ

after all..

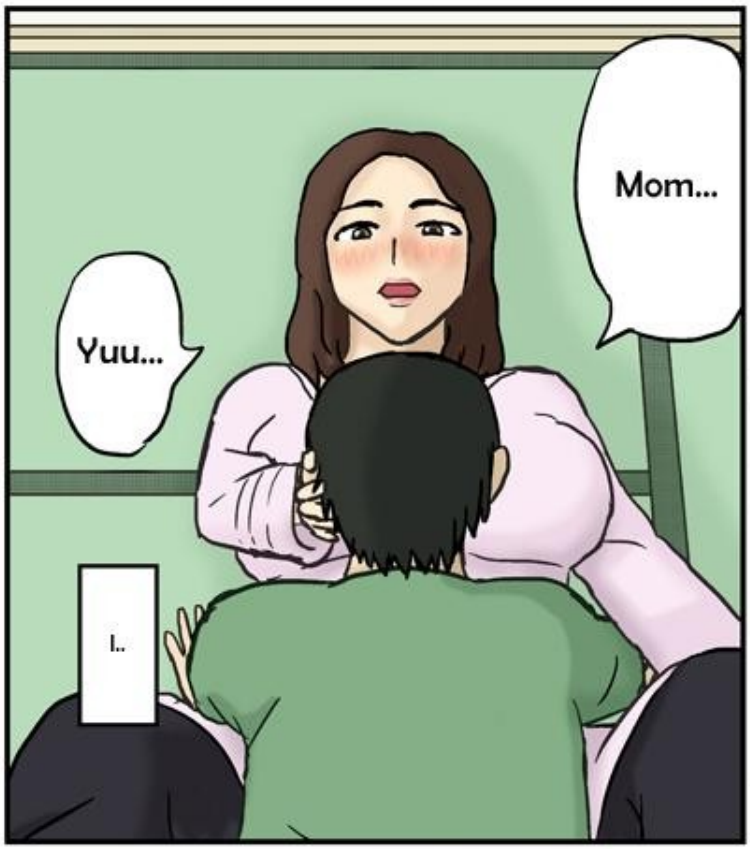
this was his chance.
……
After all?



After all,
I love you Mom!
I just thought..
..that he loved me as a mother.
Thanks.
Because among my three children, Yuu was the serious one.
That makes me happy.
What?
... Mom.

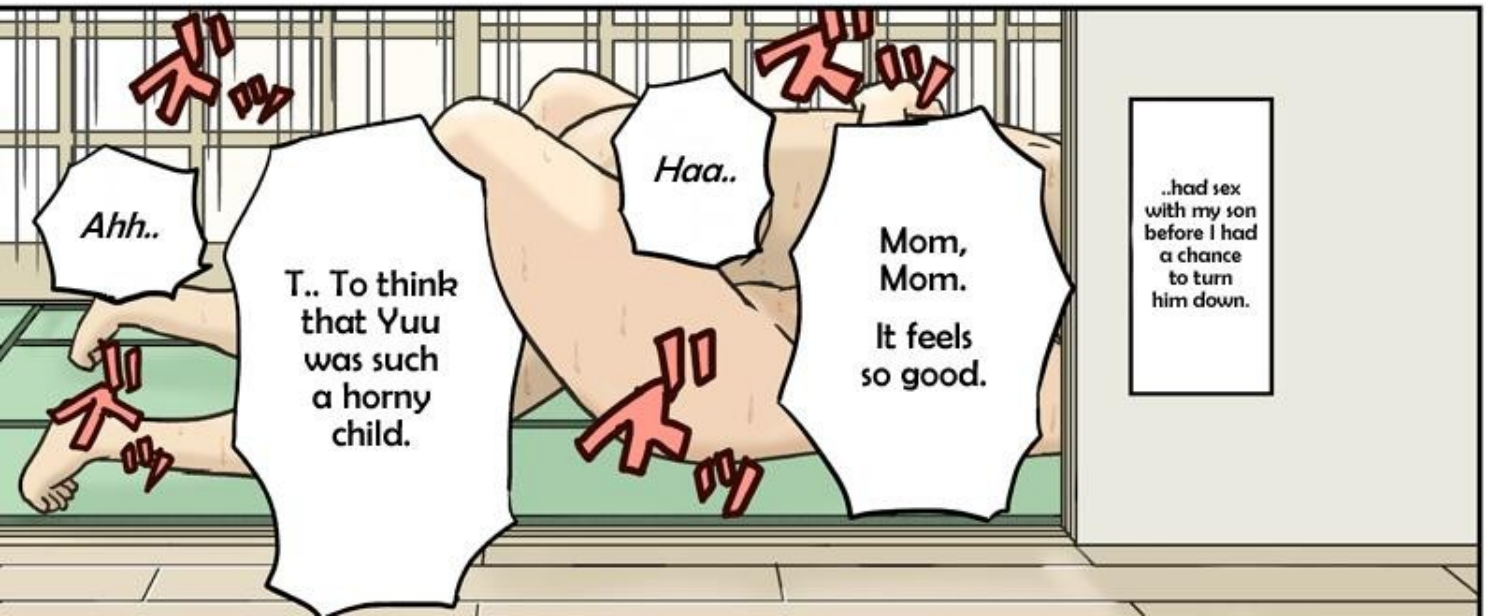


チュッ
It was then that I learnt my son's true feelings.

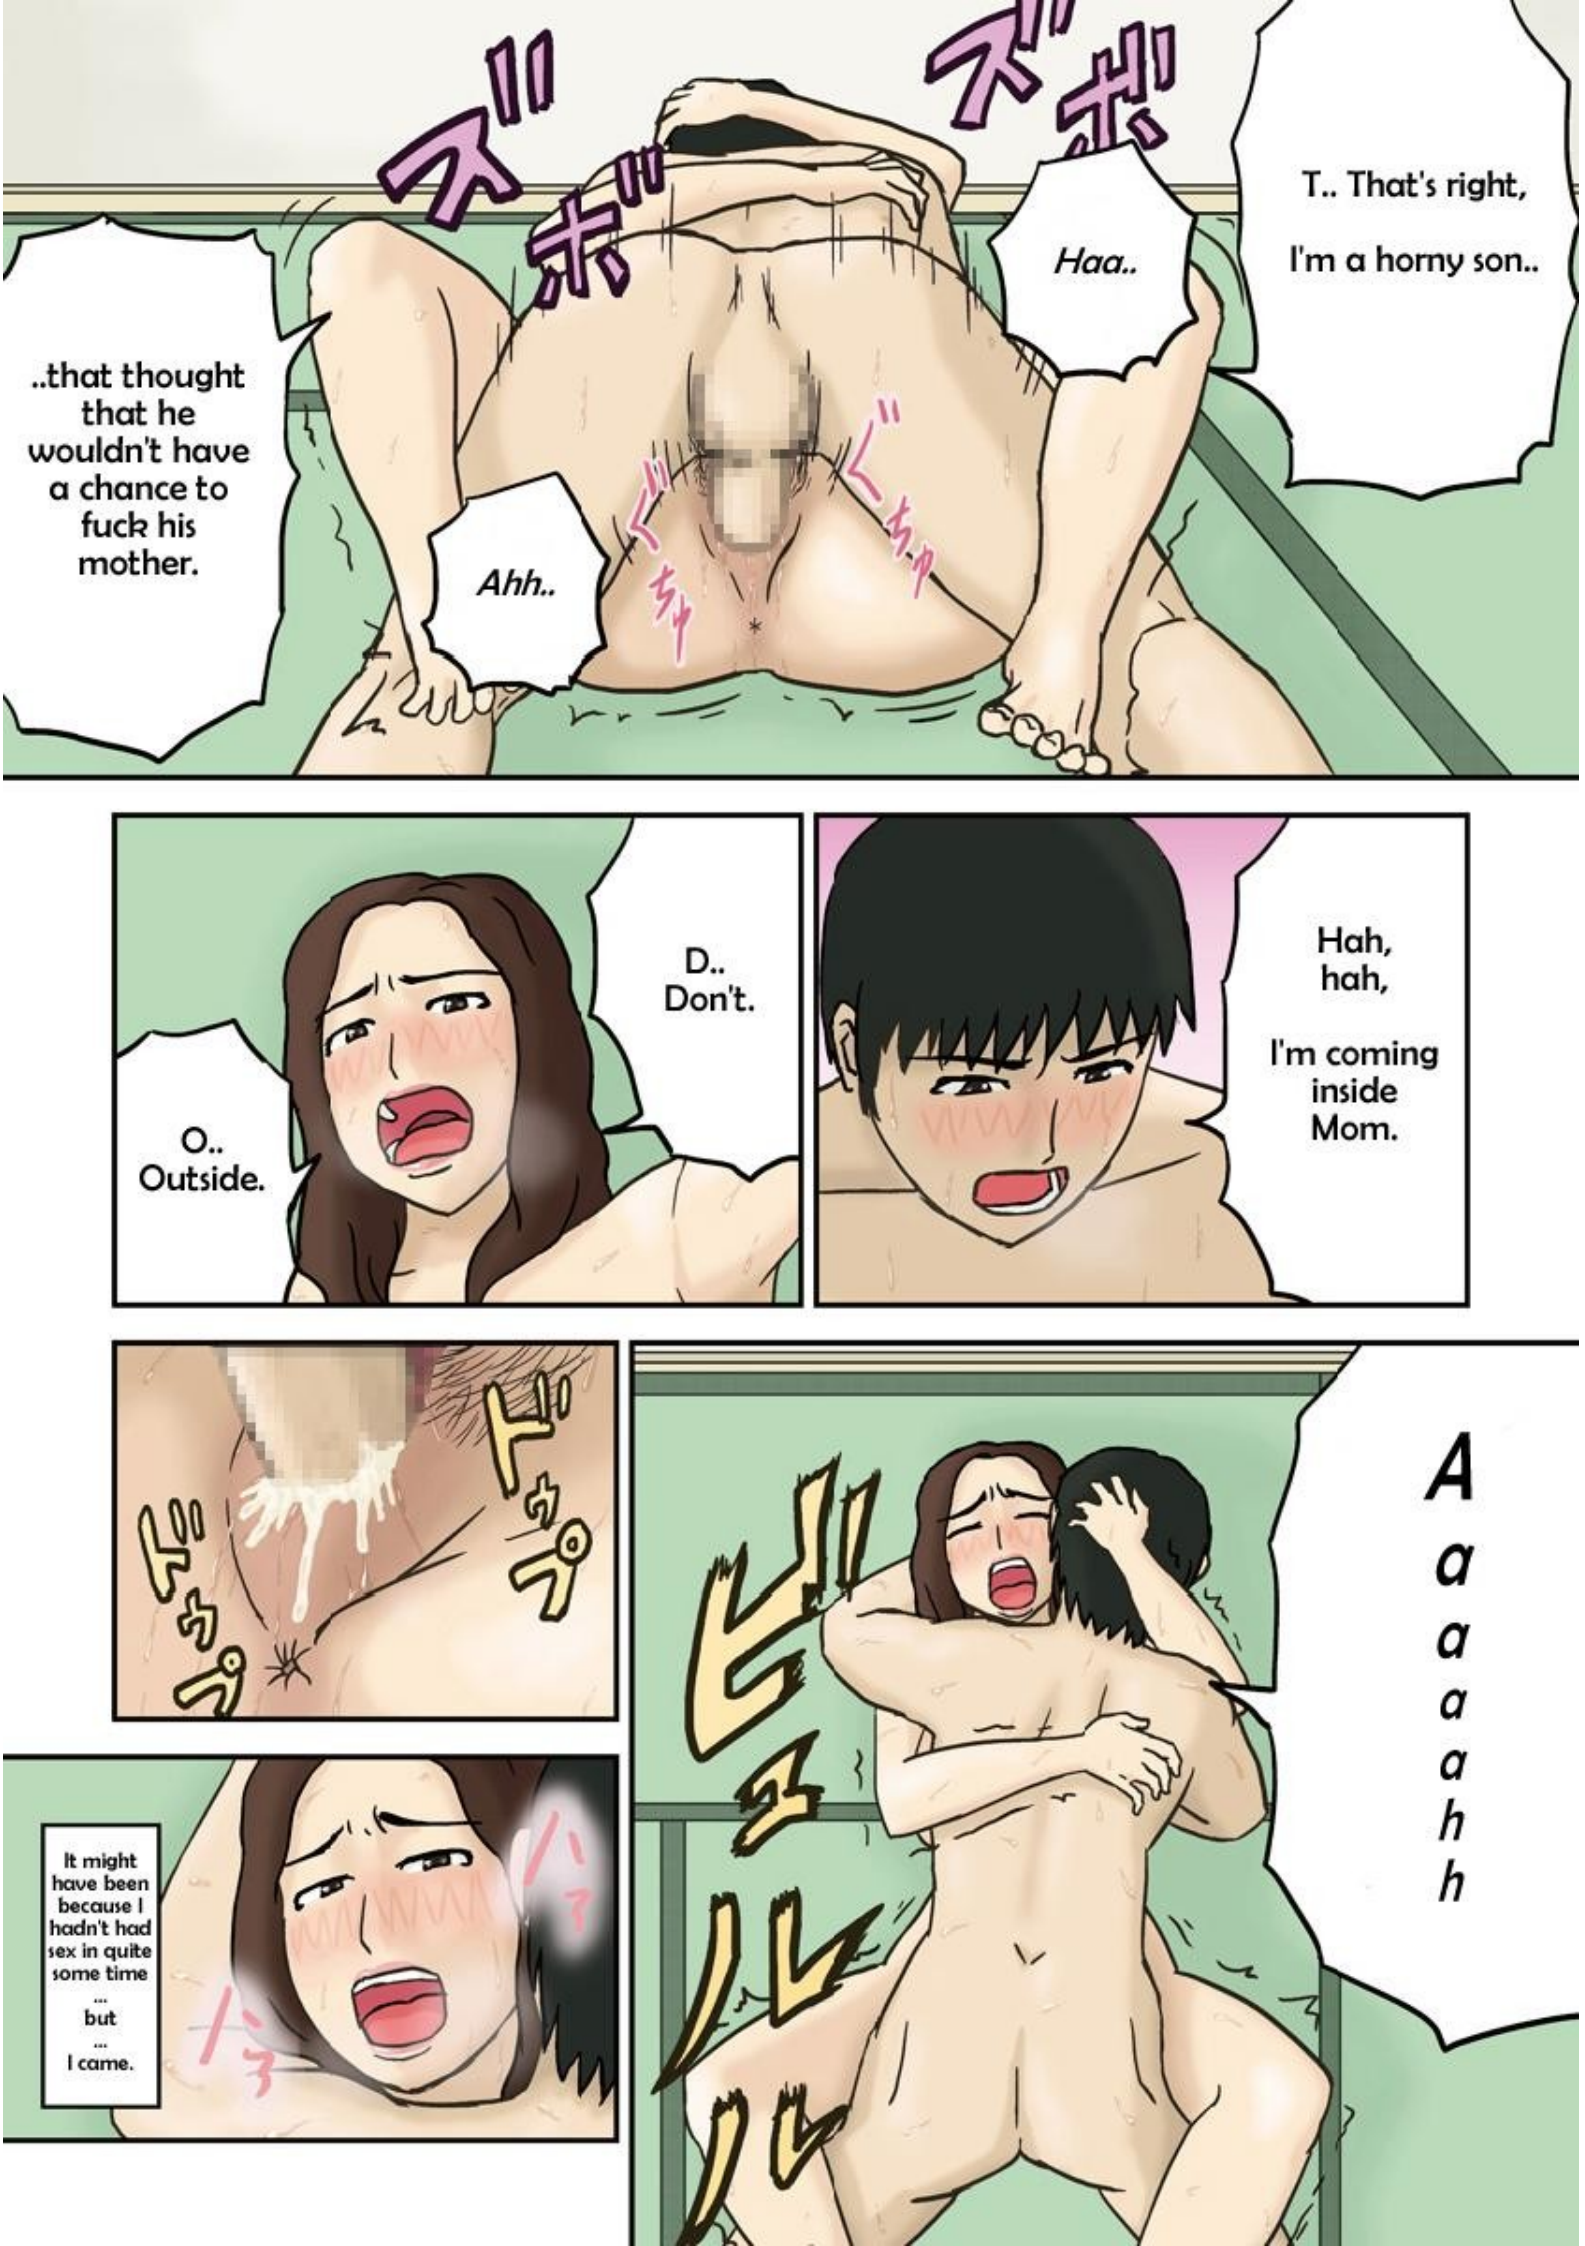


Mom...
Yuu...
I..

ドサッ
Ahh!



Ahh..
T.. To think that Yuu was such a horny child.
Haa..
Mom, Mom.
It feels so good.
..had sex with my son before I had a chance to turn him down.



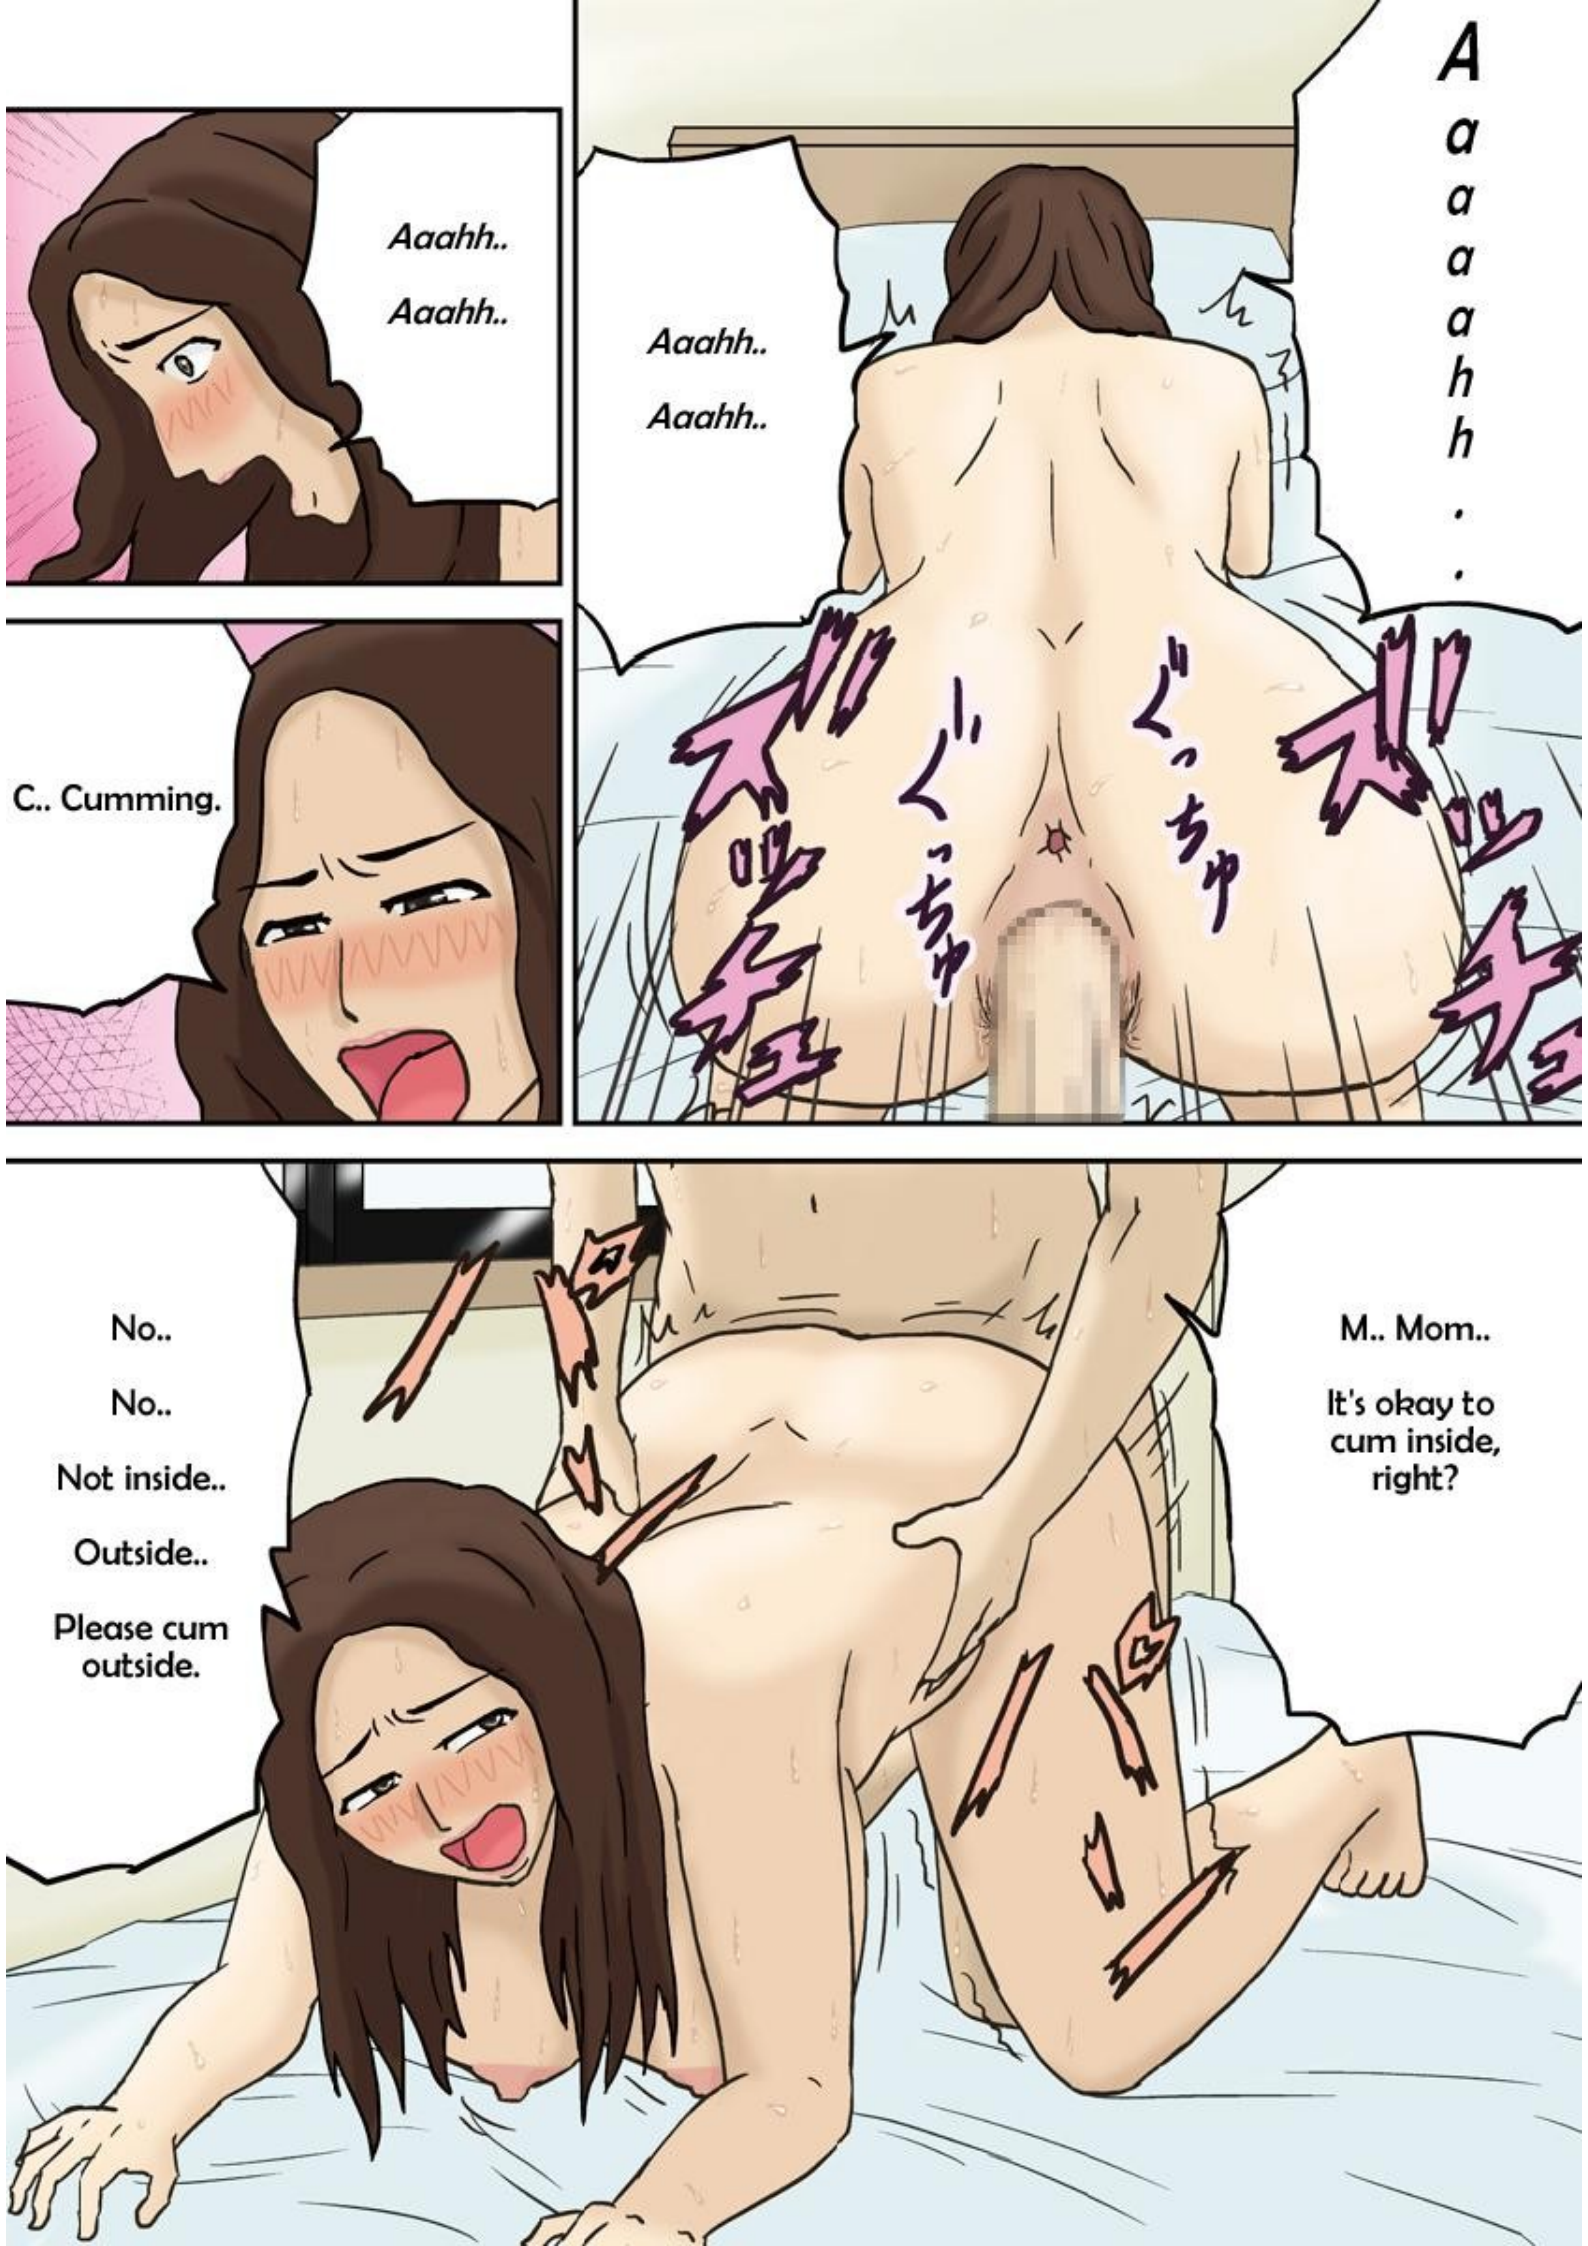
..that thought that he wouldn't have a chance to fuck his mother.
Ahh..
Haa..
T.. That's right, I'm a horny son..
O.. Outside.
D.. Don't.
Hah, hah, I'm coming inside Mom.
It might have been because I hadn't had sex in quite some time ... but ... I came.
Aaaaahh

T.. There's no one here right now.
Let's have sex.
Ever since, my son would demand that we have sex whenever we were alone.

Haa..
Once again I found myself fucking my son.

You're hopeless.

G.. Good.. it's amazing.. thick.. long.. it feels so good.
Haa..
Ahh..
Mom..
How does my penis feel?
Ahh..



Aaahh..
Aaahh..
C.. Cumming.
Aaahh..

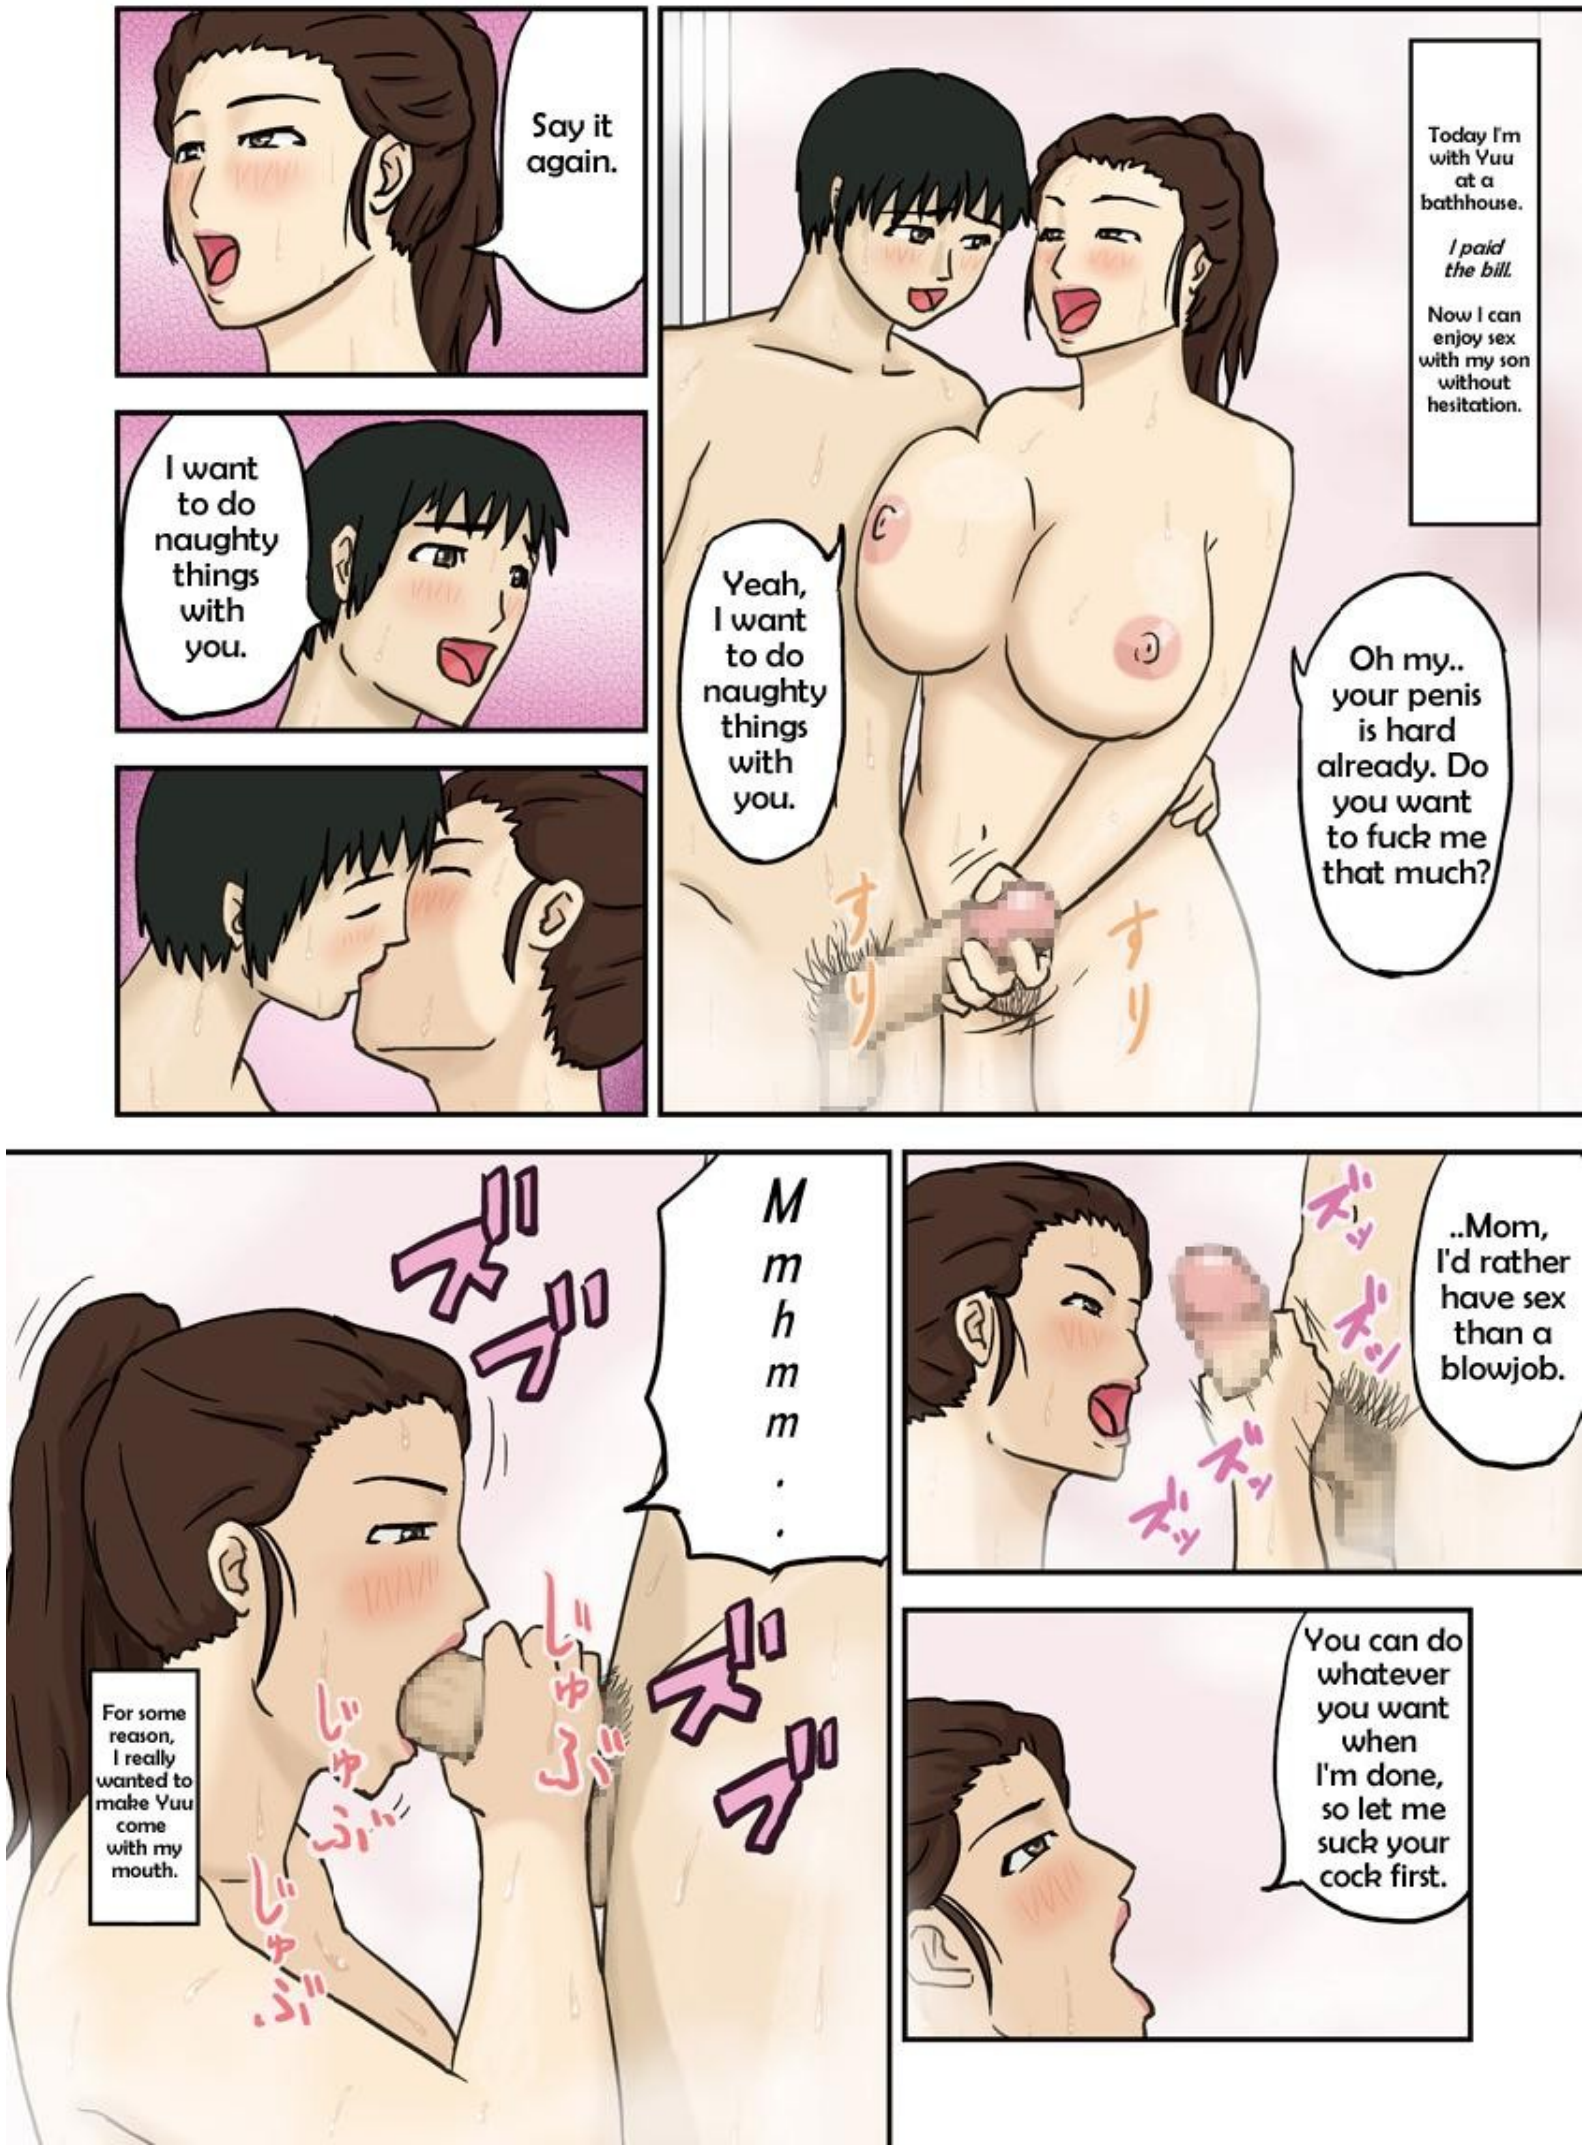
Cumming!

D.. Don't worry..
You can cum inside the next time as well.
I.. I'm sorry Mom.
I came inside three times.
After that, we had sex another two times..
he came inside me both times.
At some point, I began to crave it. It was so different from sex with my husband..
..so sweet, so intense.
It drew out the real me.
My son wasn't surprised by my real self, instead, he accepted me. I was attracted to my son.



Say it again.
I want to do naughty things with you.
Today I'm with Yuu at a bathhouse.
I paid the bill.
Now I can enjoy sex with my son without hesitation.
Yeah, I want to do naughty things with you.

..Mom, I'd rather have sex than a blowjob.
You can do whatever you want when I'm done, so let me suck your cock first.

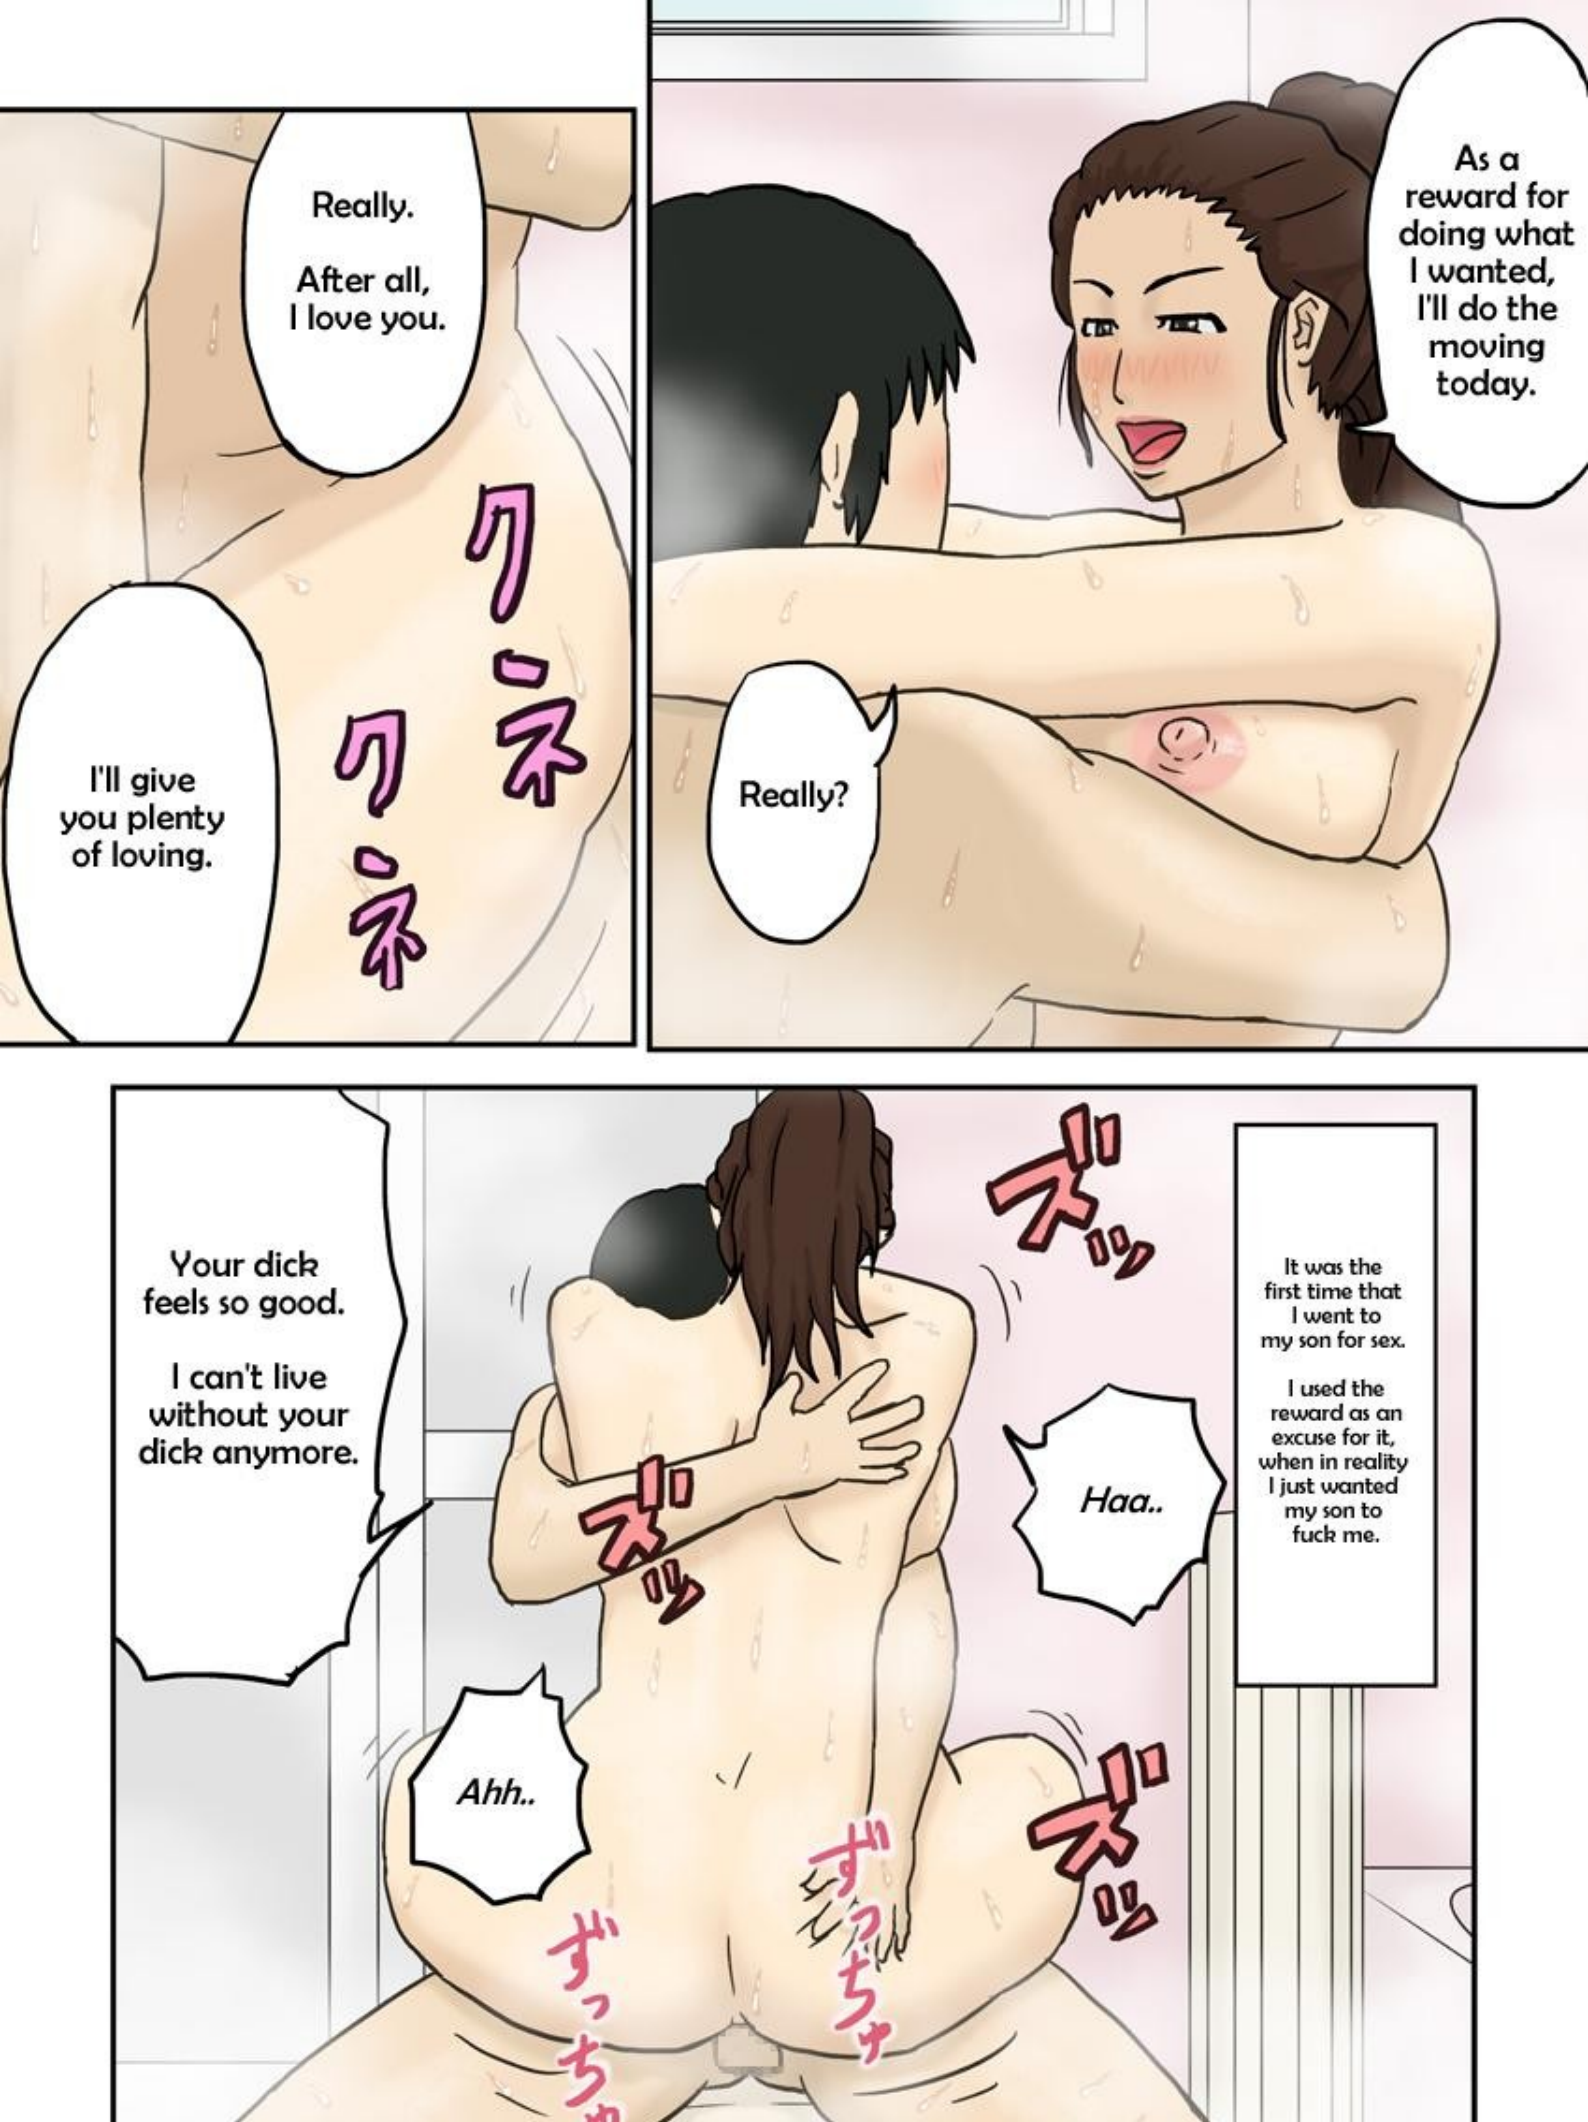
Yuu let out lots of semen in my mouth.
That made me so happy that I did my best to swallow all of it.



As a reward for doing what I wanted, I'll do the moving today.
Really?
Really.
After all, I love you.
クンネ
クンネ
I'll give you plenty of loving.
It was the first time that I went to my son for sex.
I used the reward as an excuse for it, when in reality I just wanted my son to fuck me.
Haa..

I.. I'm so happy.
Fuck your lewd mother.

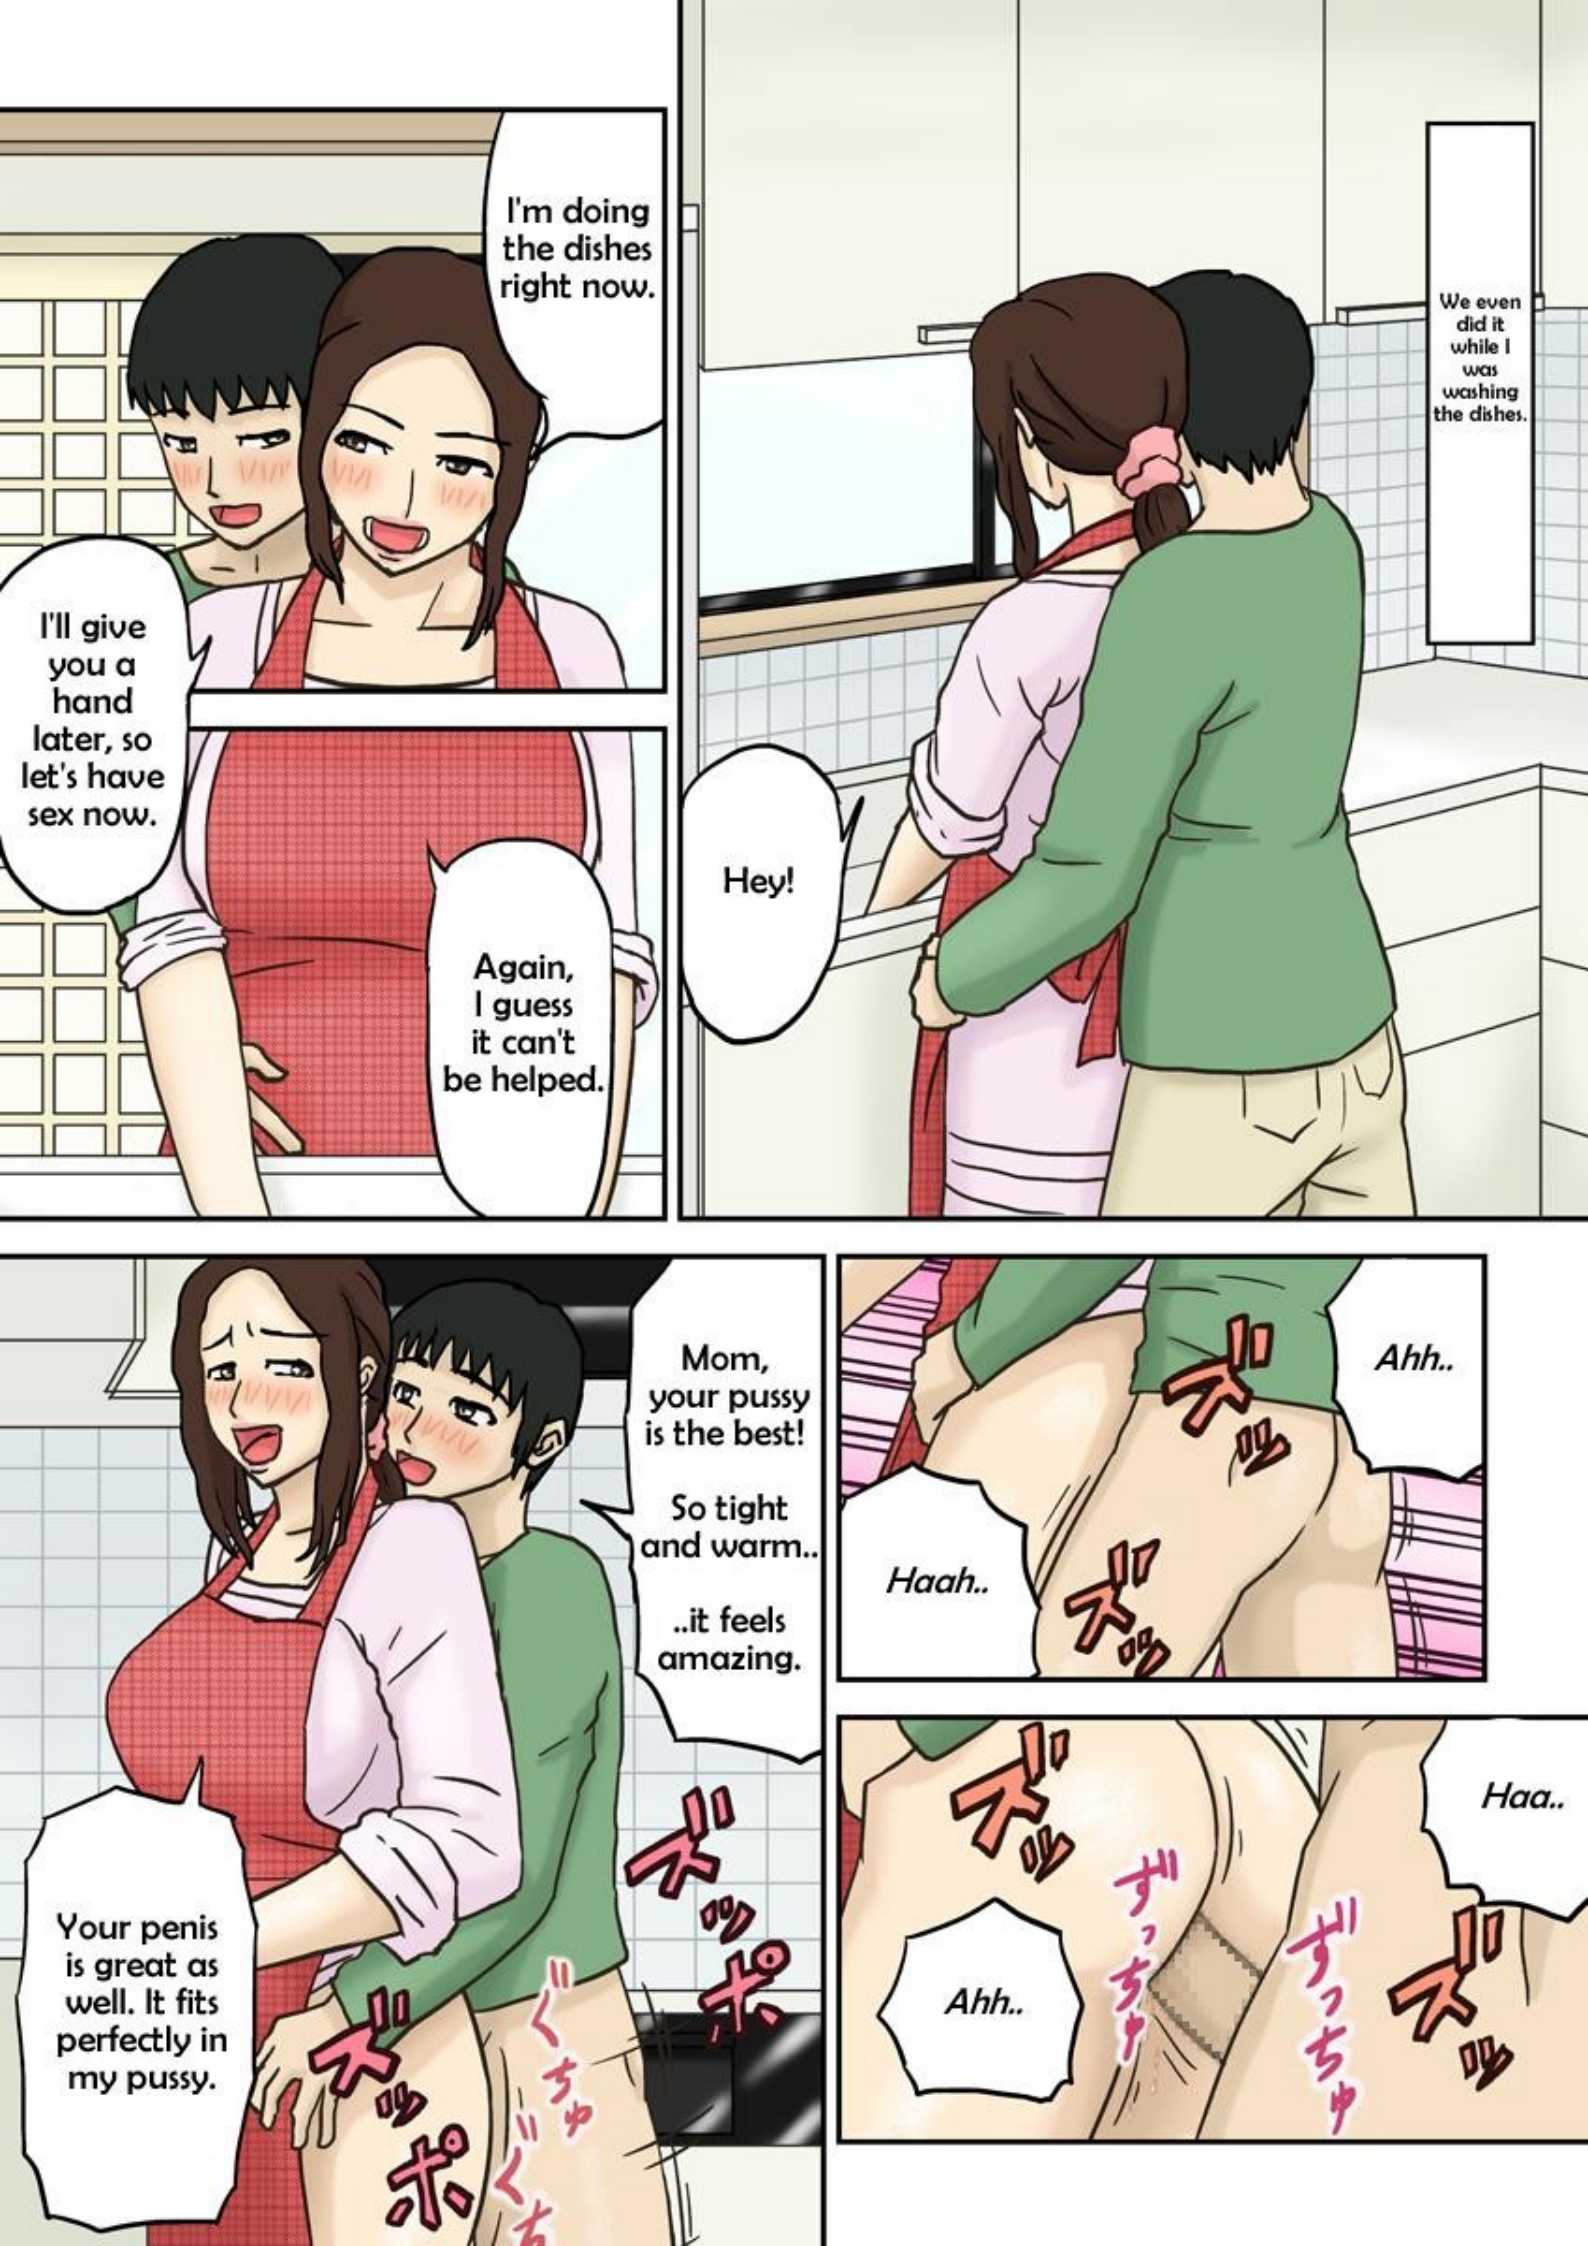
Yuu, you're making me cum.
Pour all of your semen into me!
Let it out in my pussy!
Ahh..
Cumming!
You're making me cum!
From now on, I'm my son's woman more than being his mother.
From that moment on we would try to have sex every time we could be alone together.



I'm doing the dishes right now.
I'll give you a hand later, so let's have sex now.
Again, I guess it can't be helped.
Hey!
We even did it while I was washing the dishes.
Mom, your pussy is the best!
So tight and warm..
..it feels amazing.
Your penis is great as well. It fits perfectly in my pussy.

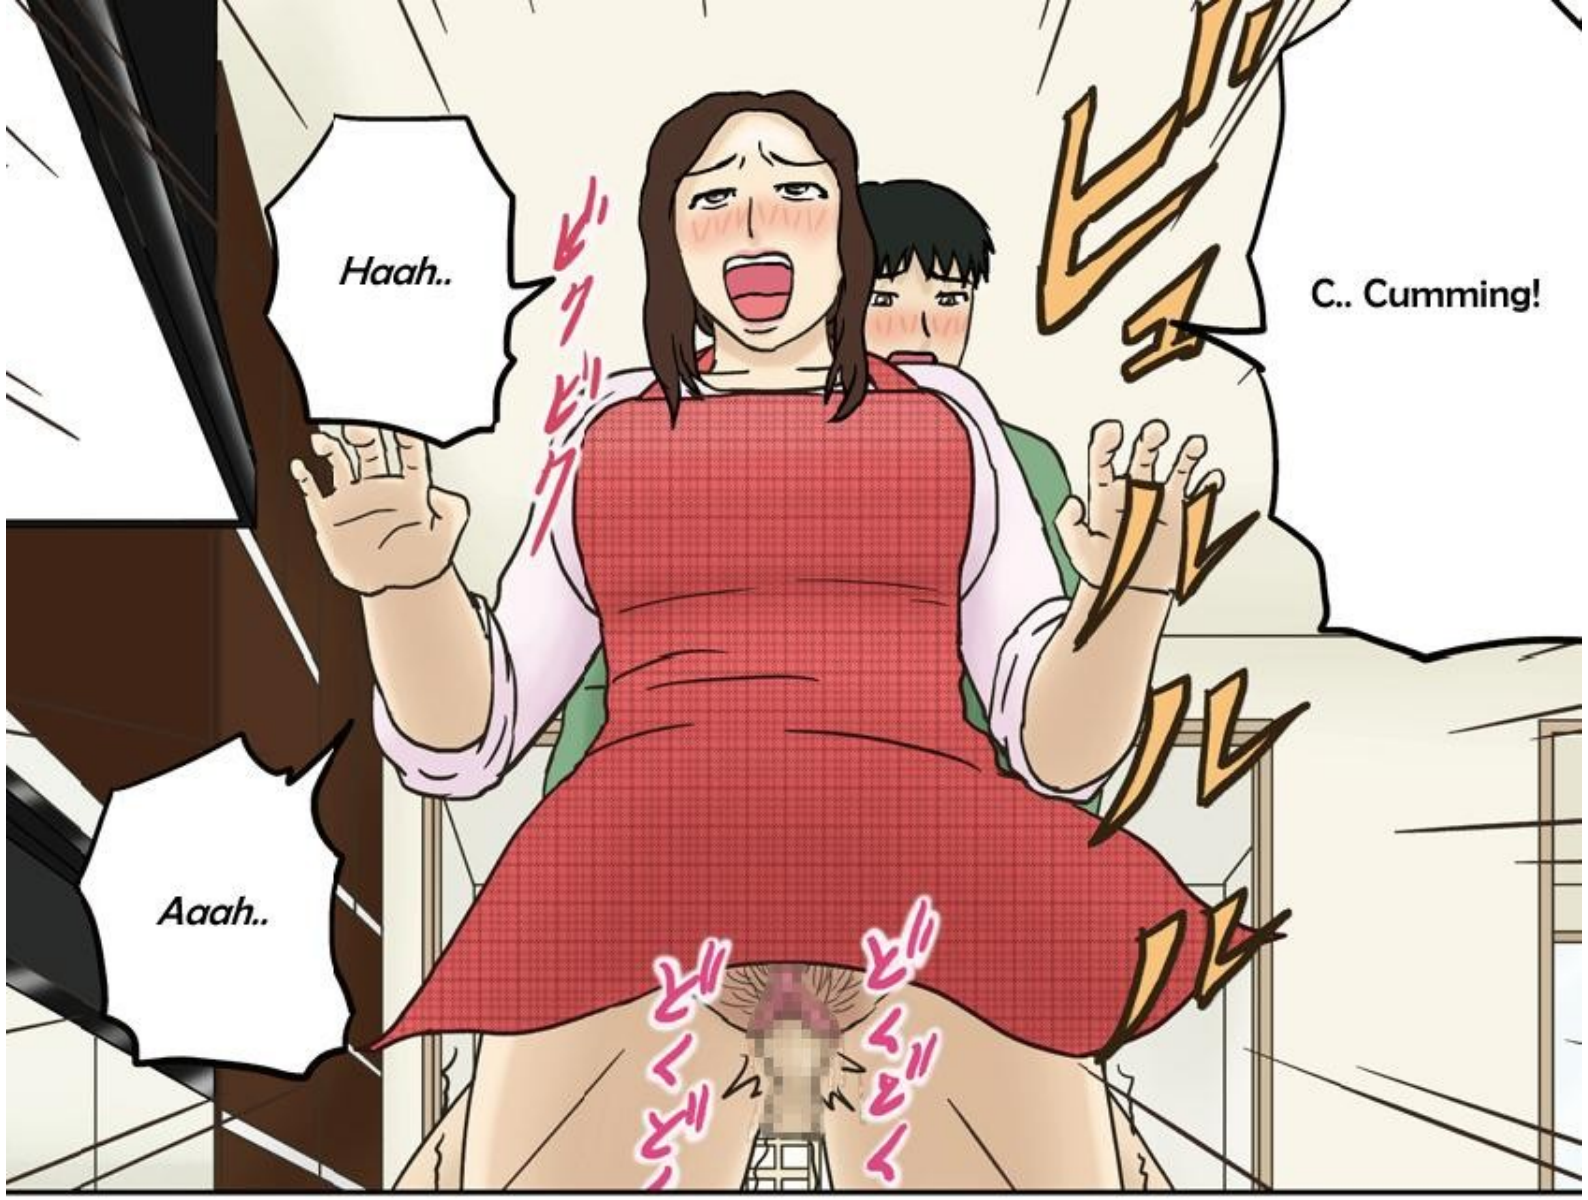
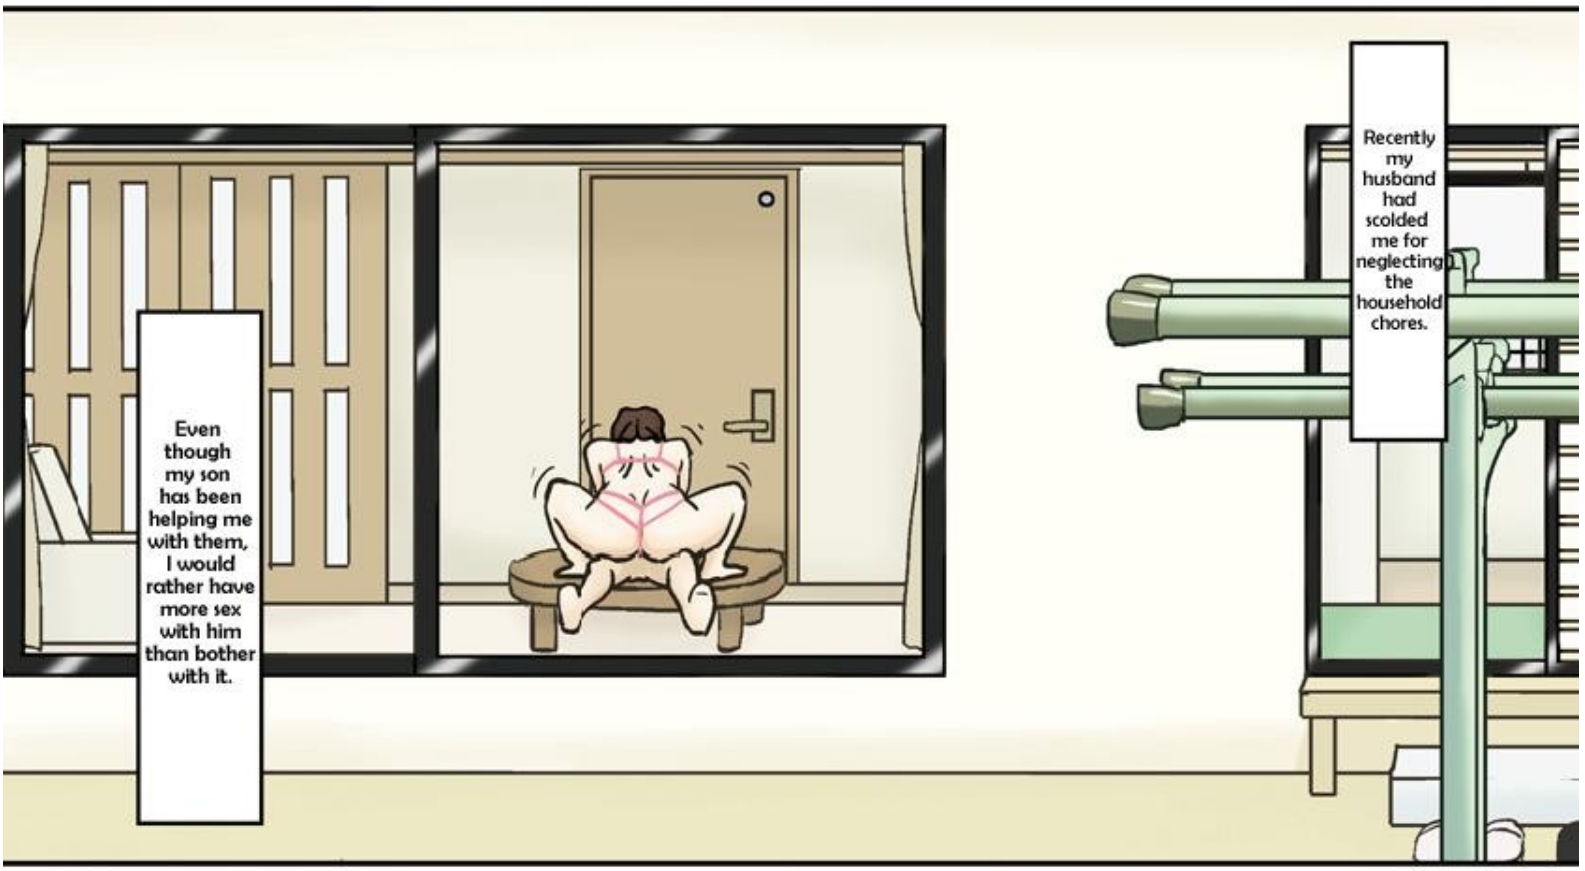
Right, I'll make sure to fuck you even harder.
Haah..
Aahn..
Cumming!
Cumming!



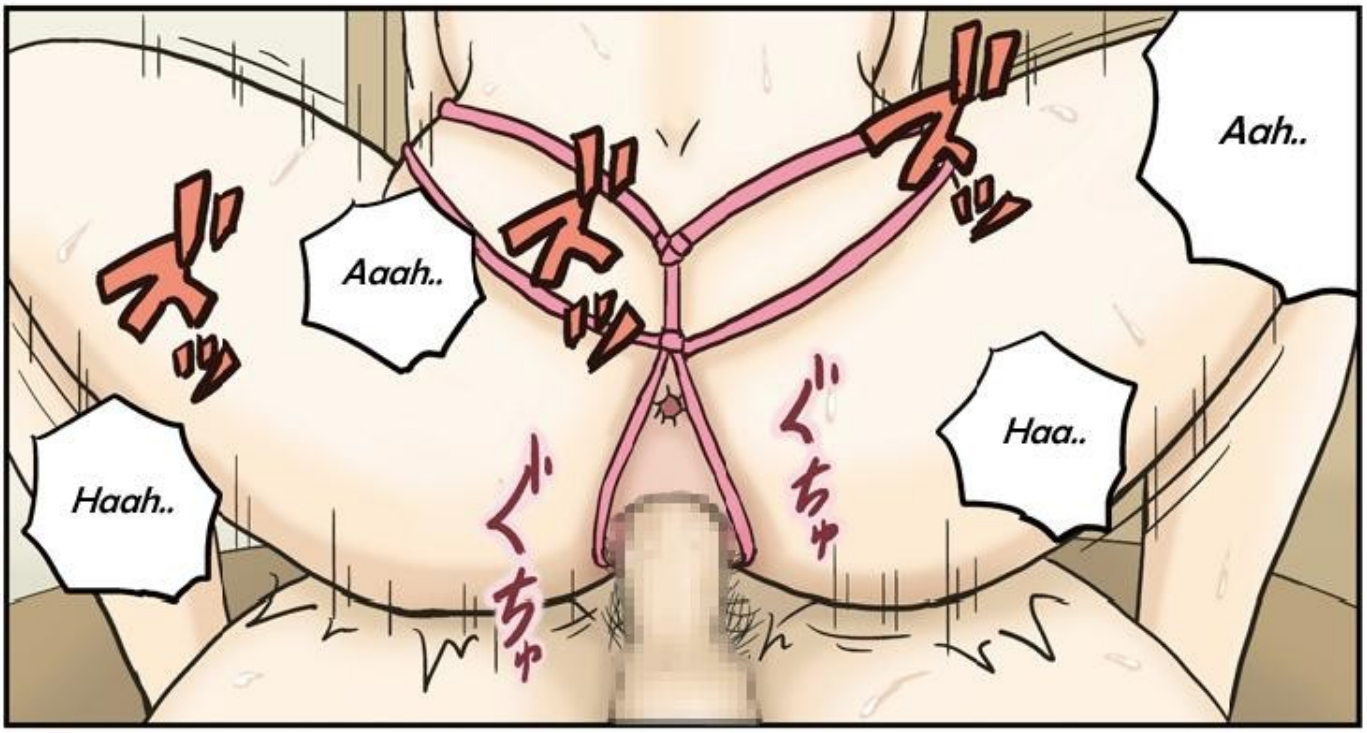
Haah..
C.. Cumming!
Aaah..

It was the first time I made such an obscene pose for a picture. Just showing that picture to my son made me excited.
I asked my son to take even more obscene photos of me.

Come on, give me a smile.
L.. Like this?

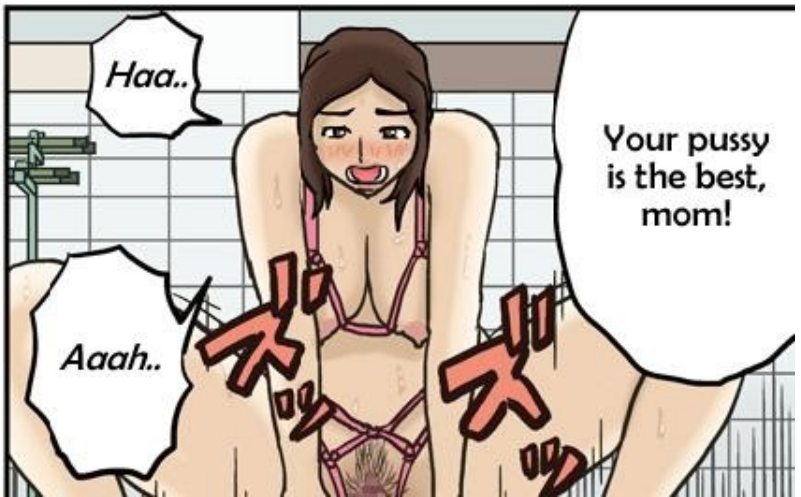


Even though my son has been helping me with them, I would rather have more sex with him than bother with it.
Recently my husband had scolded me for neglecting the household chores.

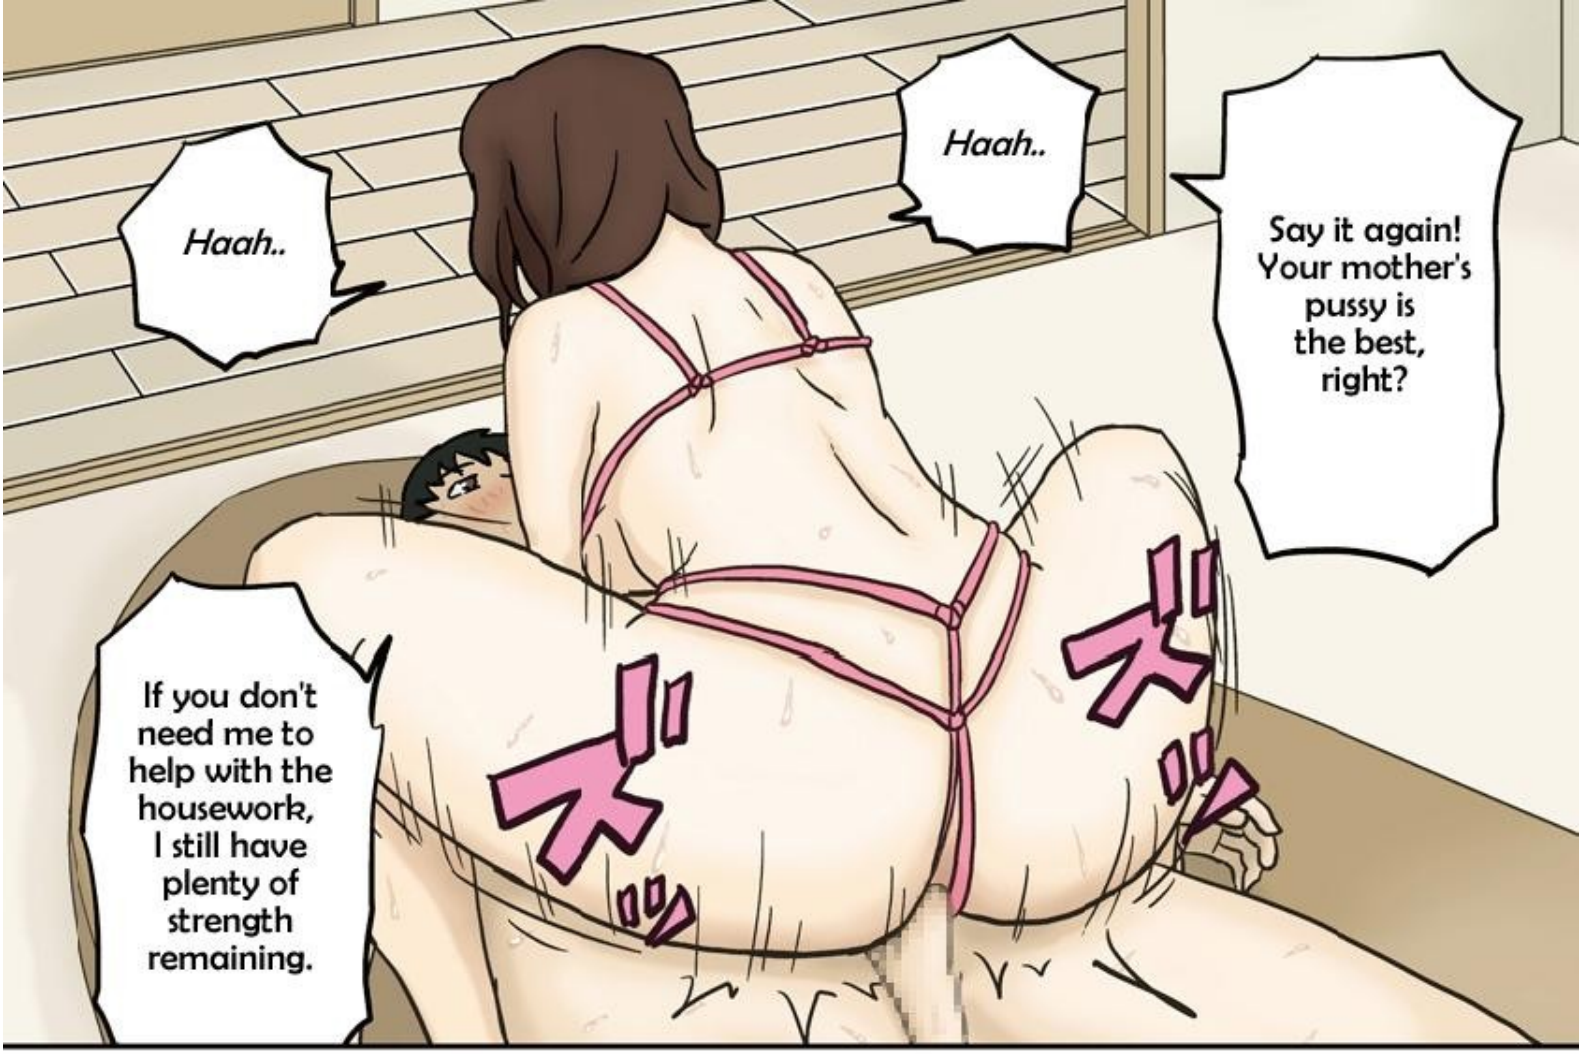


Aah..
Aaah..
Haah..
Haa..

That makes me happy, tell me more!



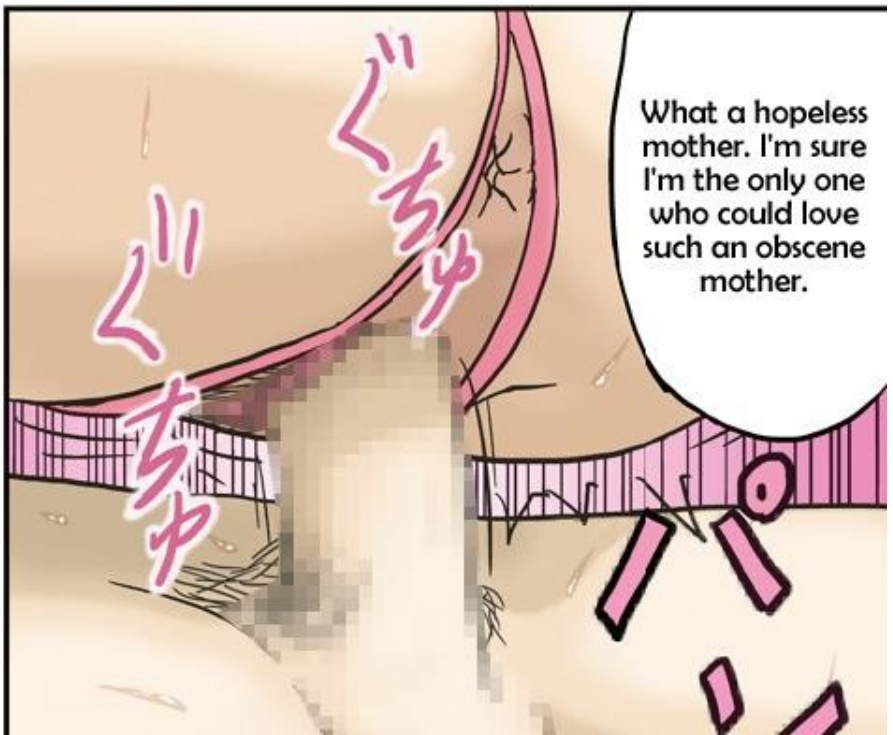
Haa..
Your pussy is the best, mom!
Aaah..



Haah..
Haah..
Say it again! Your mother's pussy is the best, right?
If you don't need me to help with the housework, I still have plenty of strength remaining.
ズッ
ズッ

So, from now on I'll make sure we have plenty of sex.
It's alright, you can leave the housework to me. It's not fair that your father and siblings are the only ones enjoying themselves.
ハァ
ハァ

I'm happy, so happy.
I'm gonna cum, I'm cumming!
That's fine, enjoy yourself to your heart's content.



What a hopeless mother. I'm sure I'm the only one who could love such an obscene mother.
ぐちゃ

ハァ

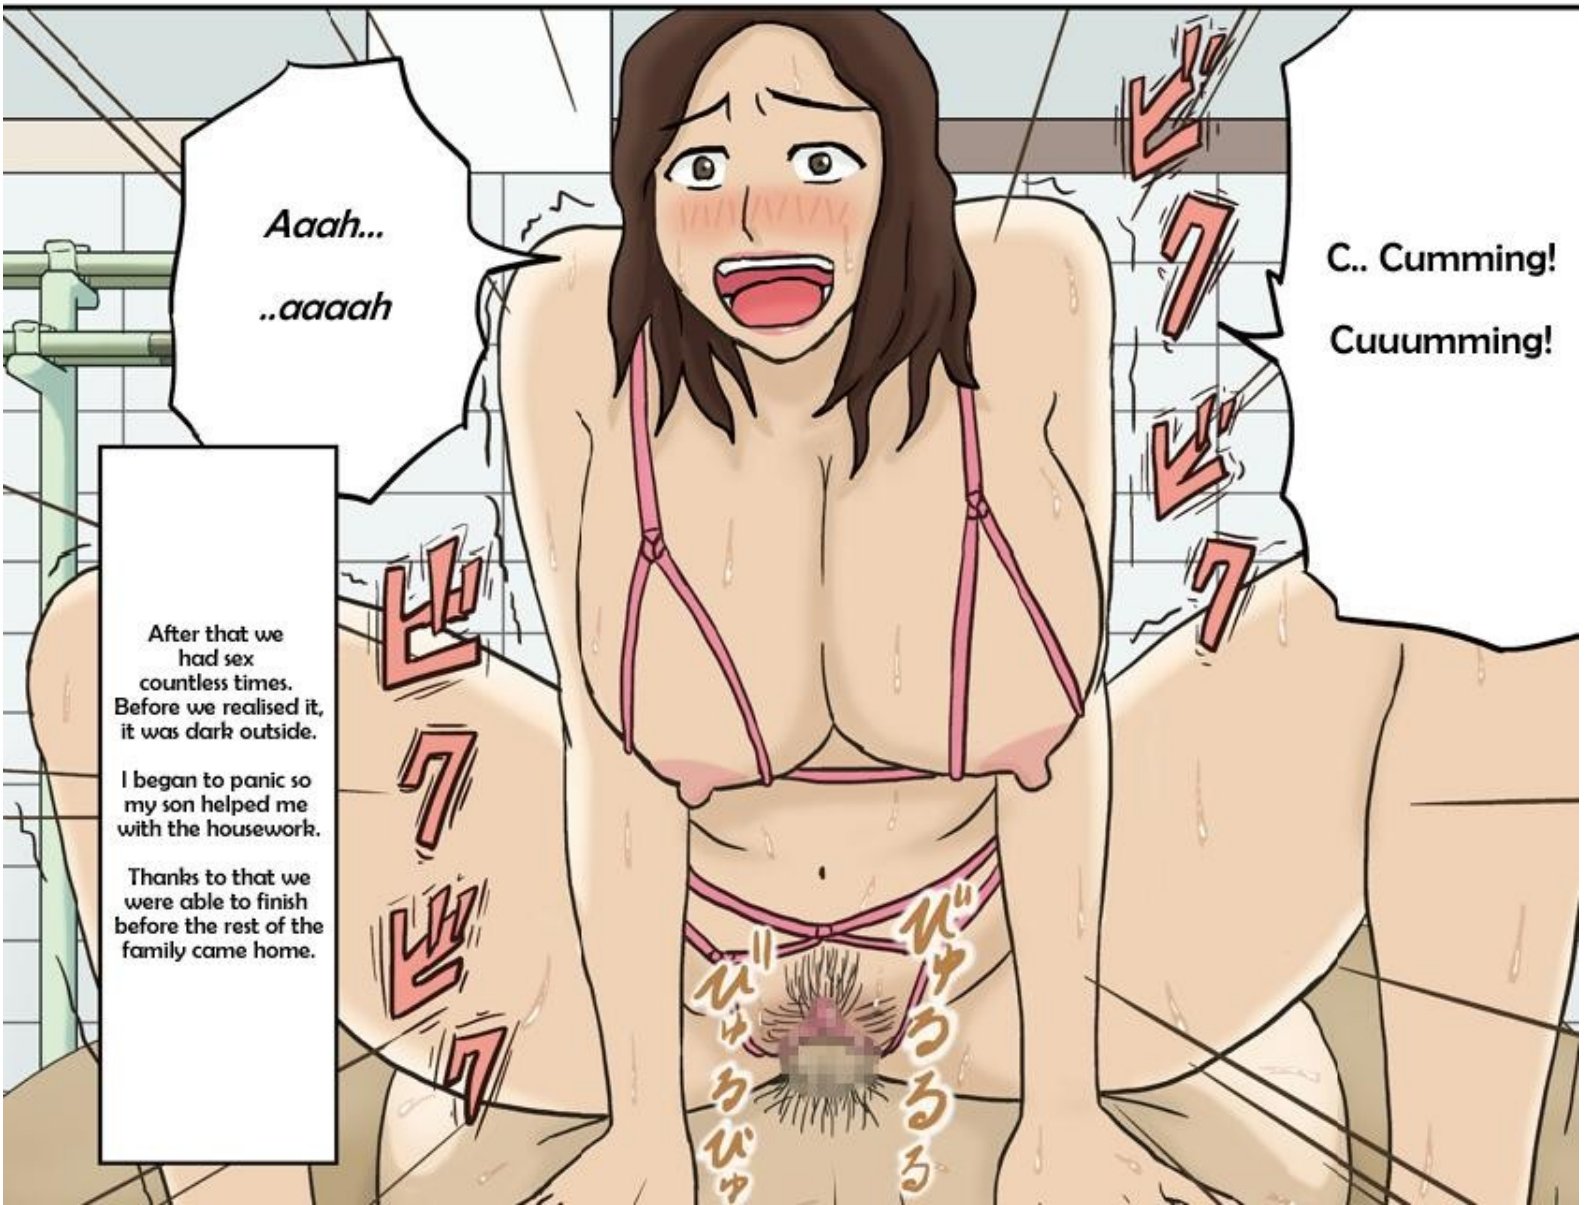
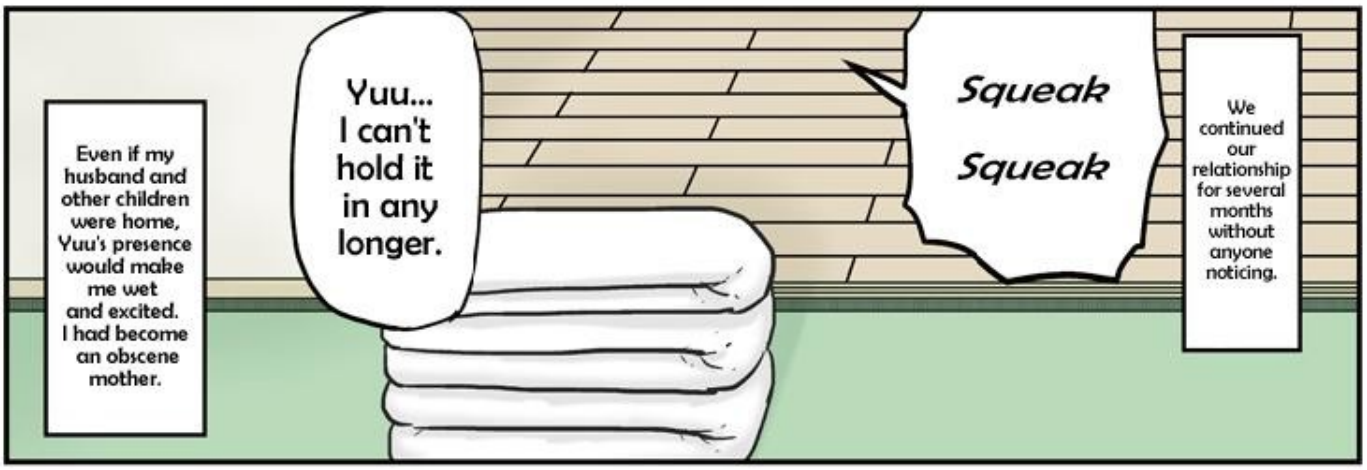
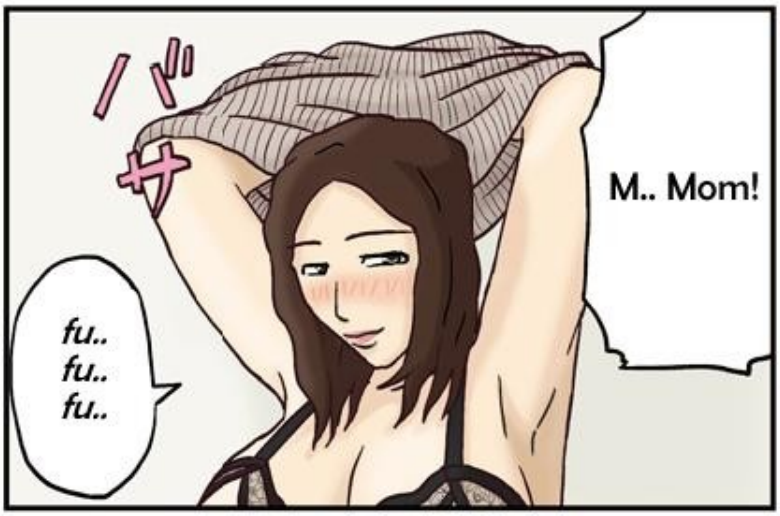
Cumming!
I'm gonna cum from your cock.
Yuu, I'm cumming, cumming!



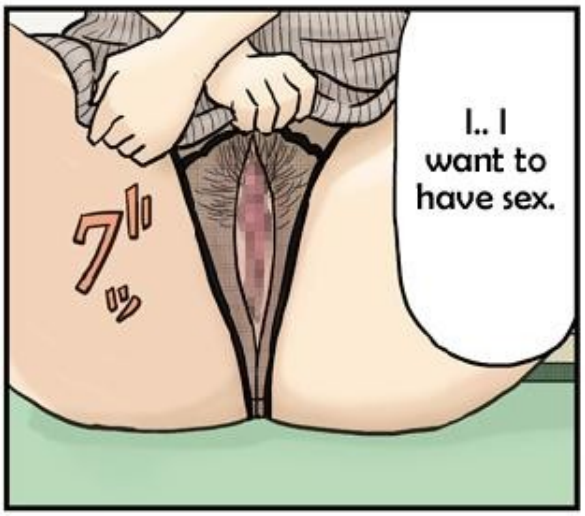
Aaah...
..aaaah
C.. Cumming!
Cuuumming!
After that we had sex countless times. Before we realised it, it was dark outside.
I began to panic so my son helped me with the housework.
Thanks to that we were able to finish before the rest of the family came home.



Even if my husband and other children were home, Yuu's presence would make me wet and excited. I had become an obscene mother.
Yuu... I can't hold it in any longer.
Squeak
Squeak
We continued our relationship for several months without anyone noticing.



M.. Mom!
fu.. fu.. fu..



I.. I want to have sex.

That's how my real slutty self was drawn out by my son. Right now the only one I love is my son Yuu. As long as I can have sex with Yuu I don't care about anything else.
..it's ok. Let's do it in a way that they don't find out.
I'm sorry.. It seems like I've become useless.
I've already gone strange. If... you want it I'll be in the next room. I want sex even if it means the others will find out about it.
I'm sorry.. Yuu.
