

**FUTANARI MASOCHIST
FEMALE TEACHER MEGUMI**

In this manner, I appear at first to be just like any normal female teacher you'd find anywhere, but I have a secret which I absolutely can not tell anyone else...

Because I have such an embarrassing body, I've never had a boyfriend either.

A-
amazing...

At that time, I discovered a thing called self bondage on the internet by accident.

Anal Masochist M.T.-san (24)'s confession

One day, an anonymous letter was sent to our editing room. Inside was a packet containing more than 100 photos, and more than 20 pages of detailed notes written on notebook paper. A single ordinary woman's self bondage

Th-
that is...
this.

That's right,
I've grown
a dick.

Amazing...
I, I
actually
got naked
like this...

Inside the
abandoned
building, I took
off my tight
dress and
sandals,
placed them
in the paper
bag and threw
them out the
window.
Like that,
I was
completely
stark naked
in a deserted
abandoned
building.

Wearing
only a
thin tight
Pitting
dress and
sandals,
I got in my
car. Then,
a little
distance
from the
abandoned
building,
I stopped
the car,
and
carrying
only a
small paper
bag with
some toys,
I got off.
I didn't
lock the
car.

One night...

I had
drunk a little
liquor that
day, and
might have
gotten a
bit bold.
I decided
to perform
some play
in an
abandoned
building
I had had
my eye on.

After being paraded throughout the town, you will be beheaded in the plaza!

Queen Hazelnut [Nowazett], for the crimes of both possessing a disgusting Putanari body, and for deceiving the King and the people, you are hereby sentenced to death!

Look! That's the perverted queen!

Denon!!

I closed my eyes for an instant and began fantasizing.

ah
ah

The keys to the handcuffs behind my back are in the dashboard of my car. Afterwards, I'll have to walk back to my car looking just like this.

After I finished putting on the restraints I had brought along, my body began to quiver a little.

Nnn...

Feeling too much pleasure, I let a sound escape without thinking. If I had switched on the vibrator right then... Just thinking about it almost made me cum.

Move the queen to the execution stand.

Bind her down firmly so that she can't move.

Again!

You lecherous queen! Rot in hell!

ah

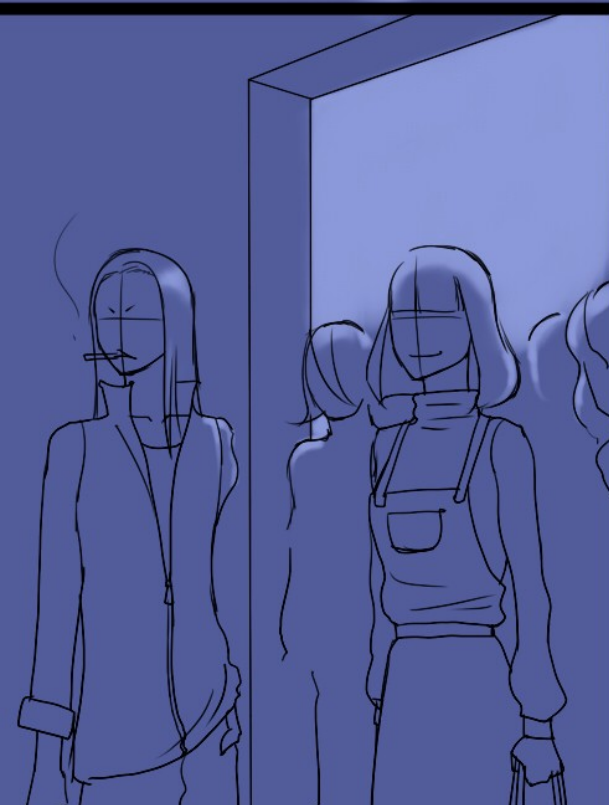

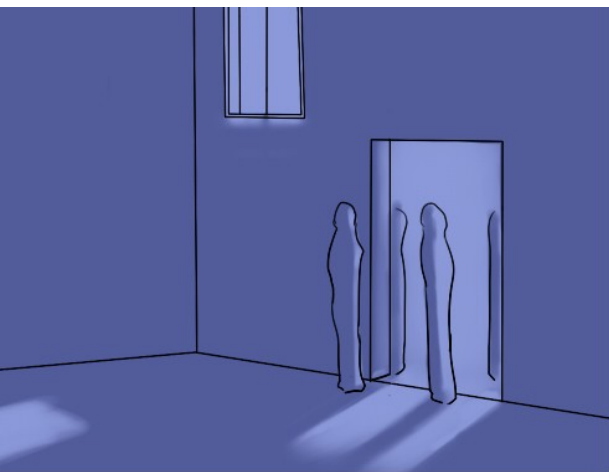

ah

pervert !!
pervert !!
pervert !!

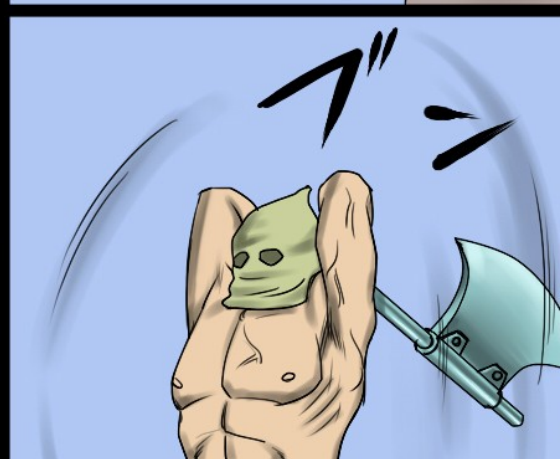

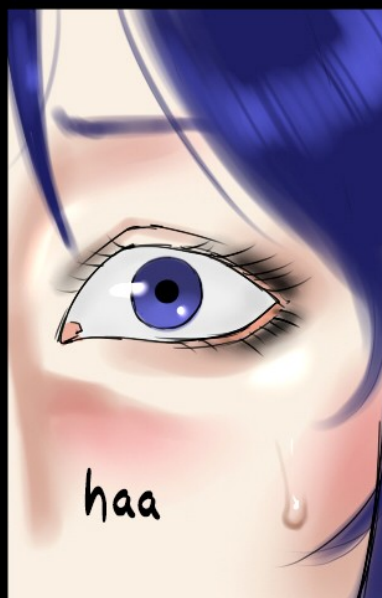

Kill her!

Kill the demon queen!

Behold, even though she's being exposed in such a fashion, she's still dripping embarrassing juices from her tip. Jeez, how despicable can she get?

THUNK

"Who's there?!"

"What should we do with her? Should we take her to the police for now?"

"That's too much of a bother. More importantly, let's get some money out of her"

"Looking like this, she probably doesn't have any. Actually, just where did she come from?"

"Uwah, it's a perverted woman"

"It's some crazy exhibitionist. Wait, but... she, she's got a penis!"

"Just what are you? Some sort of tranny?"

"Even so, what a crazy appearance. It's like"

"Za. Hentai lololo!"

It was right at that time, as I was thinking I could get through this without being discovered...

"ZZZZZZZZZZ..."

My timed vibrator suddenly began to vibrate. The moment I thought this was bad, it was already too late, I had let a small moan escape.

"Ahh that was refreshing. Did you see his face? It was so funny lol"

"Ahh, darry, right? Ryoukooo, do you have any smokes on you? I just ran out"

It seemed that some number of female delinquents had walked in as a group. Apparently, they had been shoplifting and had begun to check their spoils.

It was right at that moment. Suddenly, someone had entered this abandoned building. I panicked and, in a fluster, hid myself in the shadow of a pillar.

(W-w-what should I do, what should I do, if I'm found I'll be ruined...)

They took countless obscene photos. By burning me with their cigarettes and slapping my cheeks and ass vigorously, they made me reveal everything about both the secret of my shameful body and my hobby of self-bondage.

"N-nooo!
Don't take
my picture!"

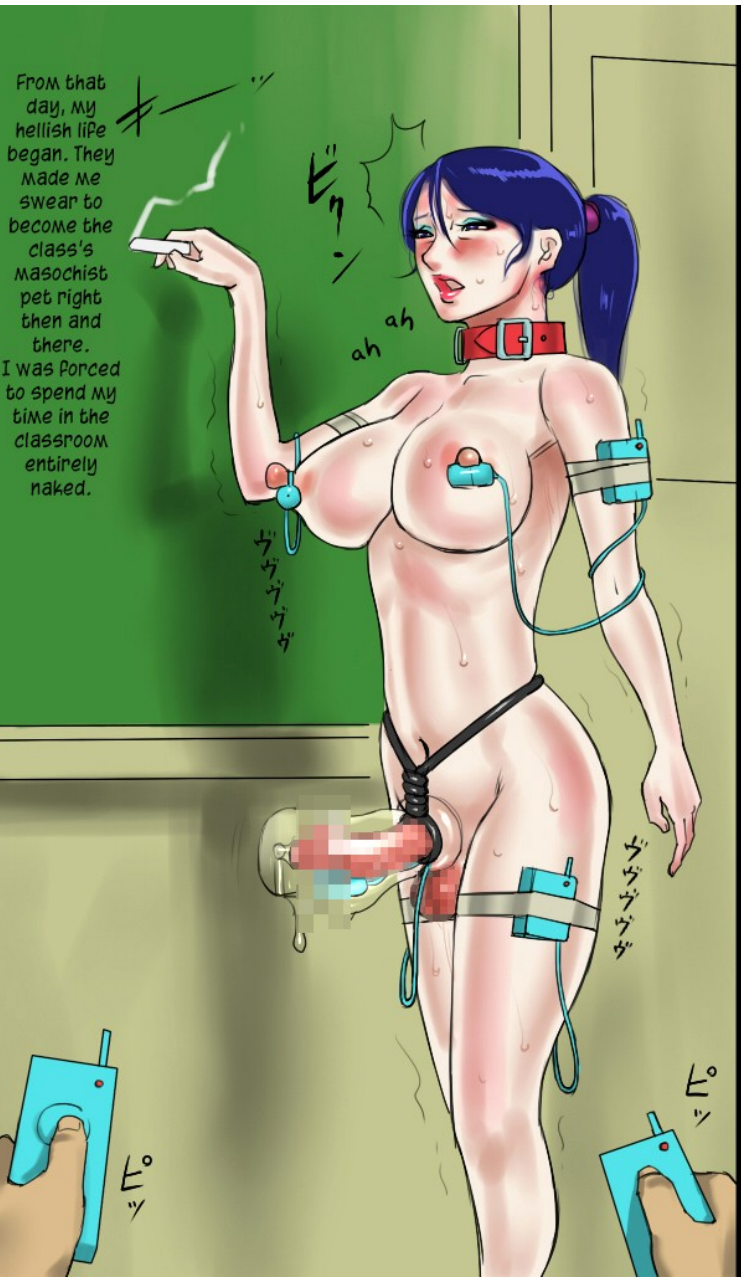

"... I know who she is. This bitch is a teacher at my school. Isn't that right, Takizawa-sensei? It's me, Kawashima Ryouko."

This was the worst possible development. My disgusting secret was revealed to one of my students, of all possible things.

"We don't need to take her to the cops. I just thought of something even better."

"Yoshie, you've got a camera, right? Lend it to me for a bit?"

From that day, my hellish life began. They made me swear to become the class's masochist pet right then and there. I was forced to spend my time in the classroom entirely naked.

"What should we do, everyone? This is this woman's true form. If this gets out, even us students will be looked upon coldly."

"UnPorgiveable"

"We've been betrayed."

"I even liked you, sensei."

"Punishment. Let's punish her!"

"That's right, that's right! We should punish her harshly. It won't do if we don't chastise her."

"I, y-your teacher, actually have a body like this..."

With my students watching carefully, I boldly tore off and threw away my coat.

"!! Wh-whats that!?"

"Uwah... that's disgusting!"

"Ew, I'm going to throw up. Disgusting!"

The whole class began to stir. I was so embarrassed I thought I was going to die, but as Ryouko threatened that if I hid anything she'd do something much worse, I desperately endured it, my face reddening with embarrassment. I continued with the line Ryouko trained me to say.

"On top of that, your teacher is a crazy masochistic perverted exhibitionist, who loves to walk outside looking like this. I'm sorry that I lied to all of you up until now."

The next day, forced by Ryouko, with quivering footsteps I took the podium.

"Today, I have an announcement for everyone."

"Today, we'll try an enema with this."

A student brought out a plastic bottle filled with 2 liters of soda.

"Hii... th-that's impossible. Please Porgive me!"

"Shut up. I'll be the one to decide if it's impossible or not. You're a slave, so it's not your place to speak."

"Just shut up and endure it."

Bound in a crosslegged tie, I was turned over so that my ass was thrust up high. Immediately, a glass nozzle was inserted, and cold liquid began flowing into my belly.

"Haha, you're drinking it up like it's delicious. It looks like you can drink up all two liters." "Uuumu... It... it hurts..."

During breaks or after class, they took me to a storeroom under the school building, and I recieved all sorts of training and torture from the students.

Obsessed with the pleasures of sadism, the students chased their lust by abusing my flesh.

"For now, please reflect on your mistakes. If we feel like it later, we'll come for you."

The door was closed and I was abandoned in the dark. The students only came back late into the night. My naked body, tied crosslegged, was smeared with greasy sweat and tears, and in such a state I came countless times. Although I was in such a wretched state from the pain and agony, somehow, I was still turned on.

"Uguguu... I-it hurts. Please let me use the toilet."
"What are you talking about. If you let it out so soon, we'll have to punish you."
"Yeah, that's right. We'll have you endure this for an hour"

A large plug was shoved into my anus, and so that it wouldn't come out, a crotch rope was tied on. Thus, tied in a crosslegged bind, I was moved into a locker used to store cleaning tools.

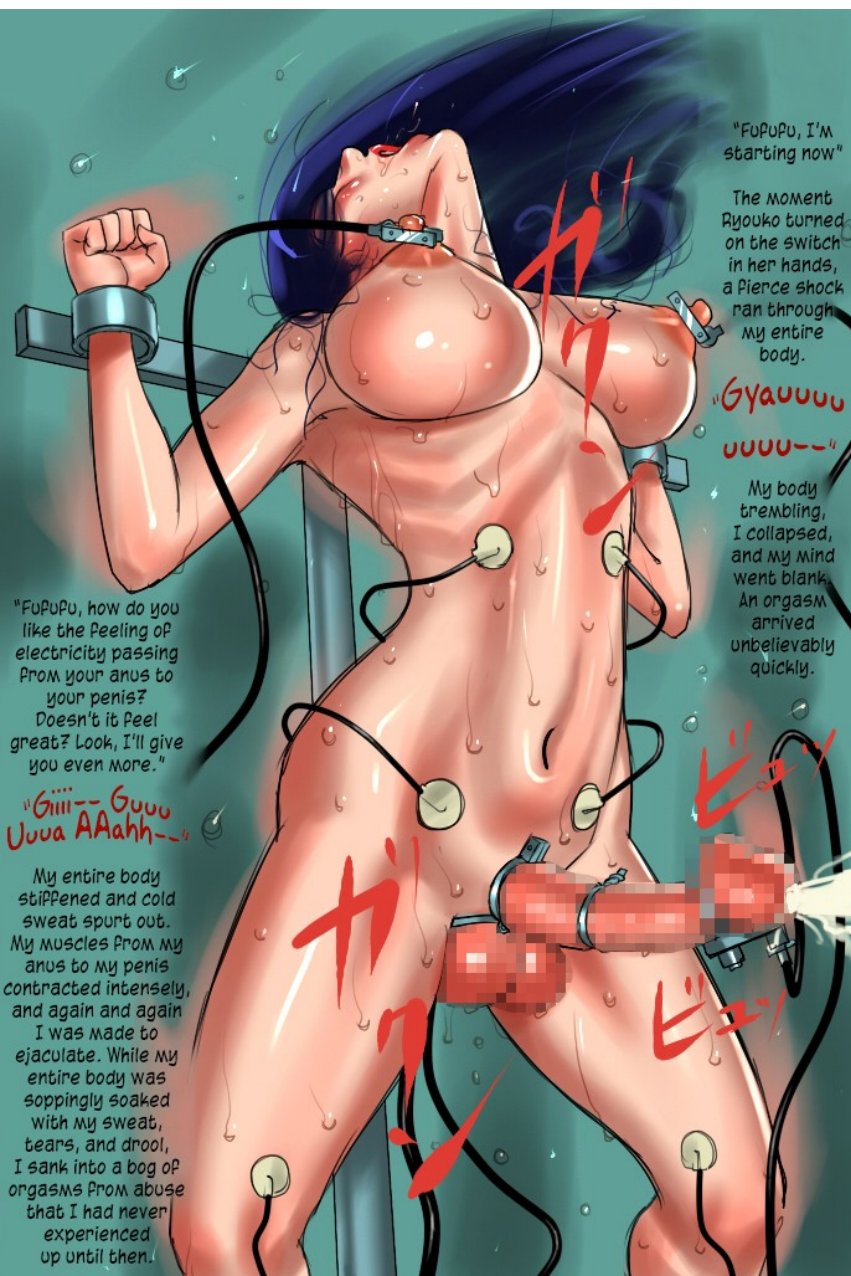

ブルブル

"Hey, look. Even though she's taken an enema, she's all erect. She really is a masochist after all."

By the time I had drunk in all 2 liters of soda, the carbon dioxide had swollen up my belly, giving me the appearance of being pregnant.

"FuPuPu, I'm starting now"

The moment Ryouko turned on the switch in her hands, a fierce shock ran through my entire body.

"Gyauuuu
uuuu--"

My body trembling, I collapsed, and my mind went blank. An orgasm arrived unbelievably quickly.

"FuPuPu, how do you like the feeling of electricity passing from your anus to your penis? Doesn't it feel great? Look, I'll give you even more."

"Giiii-- Guuu
Juua AAahh--"

My entire body stiffened and cold sweat spurt out. My muscles from my anus to my penis contracted intensely, and again and again I was made to ejaculate. While my entire body was soppingly soaked with my sweat, tears, and drool, I sank into a bog of orgasms from abuse that I had never experienced up until then.

"FuPuPu, we prepared something nice for Sensei today."

Whenever Ryouko smiles like this, it means she's thought up some cruel way to torture me.

"Wh-what are you going to do to me today...? P-please don't do anything terrible..."

There was no way they were going to listen to my pleading, and they steadily began preparing for my torture. As if my body were to be used for live experimentation like some sort of lab animal, I was restrained onto a T-shaped bondage platform.

Starting with my penis, then nipples and anus, electrodes were attached to weird places all over my body.

"Huu! I-I'm scared... p-please don't do anything terrible..."

CLICK CLICK

CLICK

On my nipples, 1 liter plastic bottles, and on my penis, a 3 kilo iron dumbbell, were hung, and I was again abandoned for almost half a day. It was unbelievably embarrassing, painful, and agonizing, but again I ended up ejaculating countless times.

"Hey, you're saying the wrong things, you know. We're doing all this for you, our perverted teacher, so at the very least you could show some thanks, right?"

While saying this, Ryouko twisted and squashed my nipples forcefully.

"Ugh!! I-I'm sorry. T-thank you f-for making Megumi's body more and more perverted"

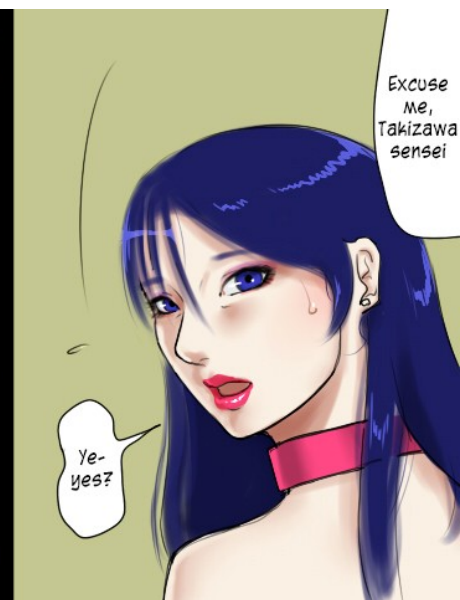

I was hung up by both my hands and feet, together behind my back; in other words, I was subjected to what is known as "surugadoi."

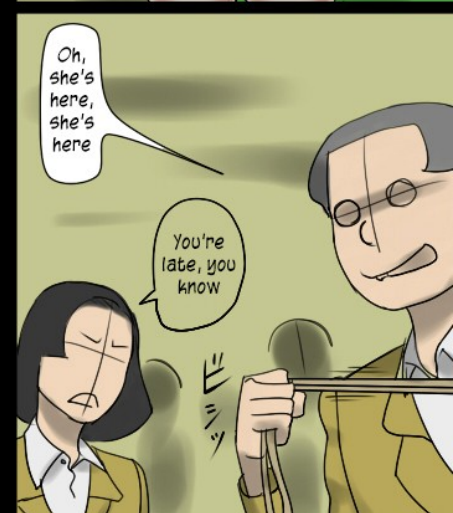

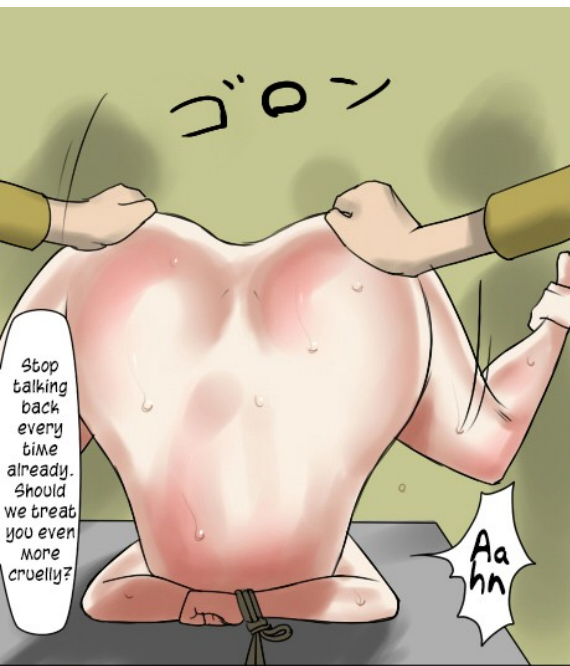

"I'm going to turn your body into something more fitting of a pervert. We'll hang weights from your nipples, so that they'll be stretched much longer."

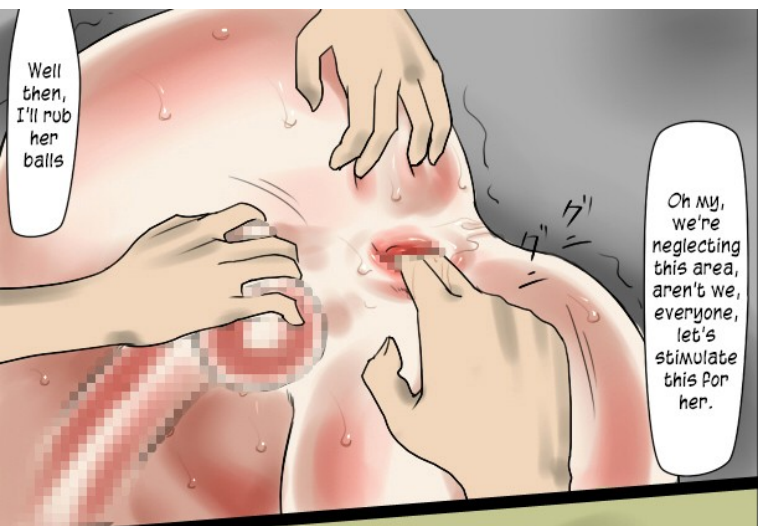

"Well then, I'll stretch your dick for you."

"I'll put this metal dumbbell on for you, kay?"

"...Uuu... Pl-please forgive me already..."

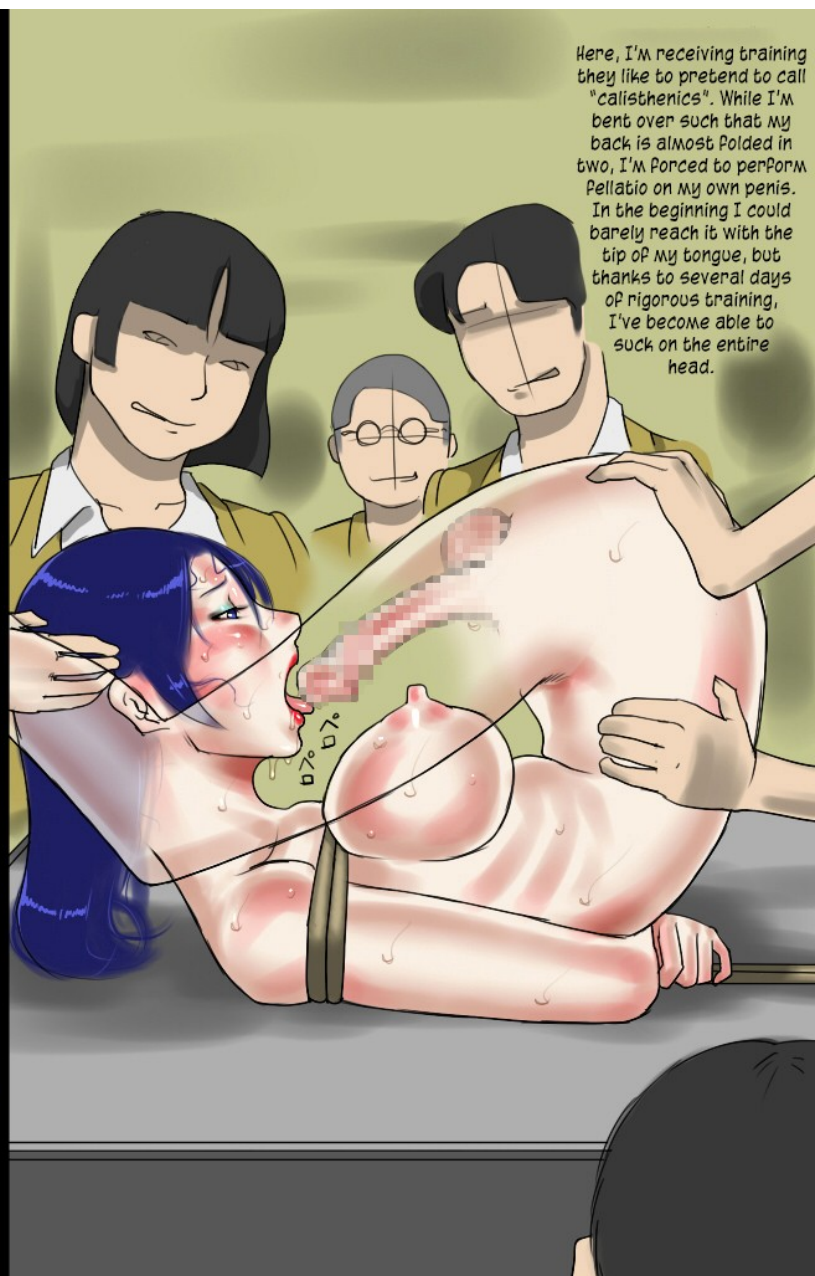

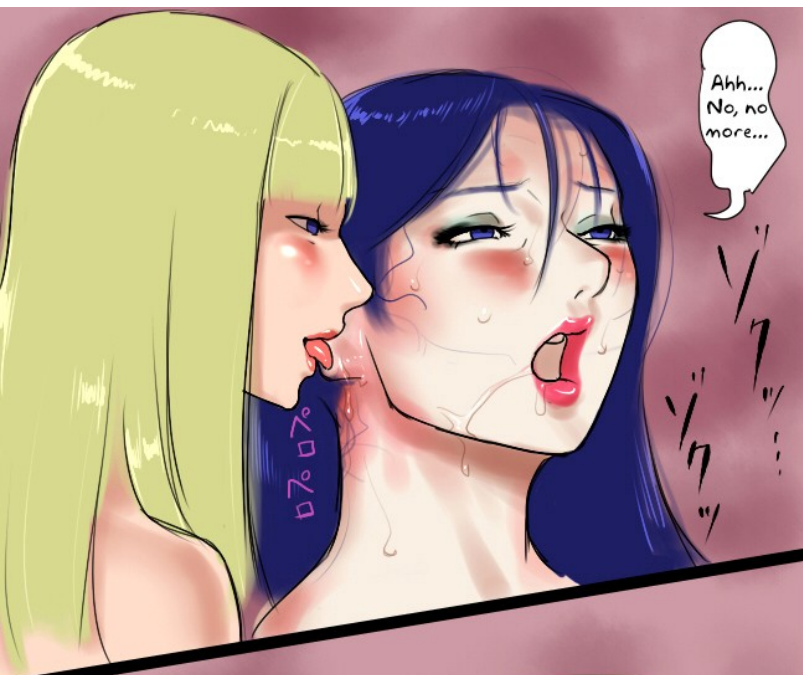

While countless fingers were inserted into my anus, scratching at my prostate, and my balls were being crushed, I was desperately licking my own penis. If I didn't ejaculate within a set time limit, an even more terrible punishment awaited me.

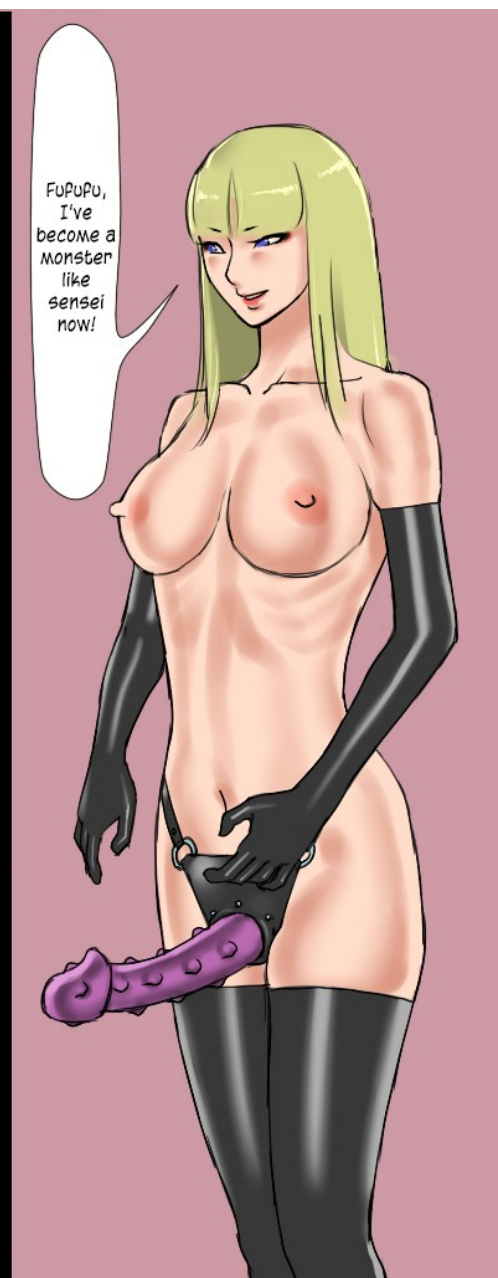

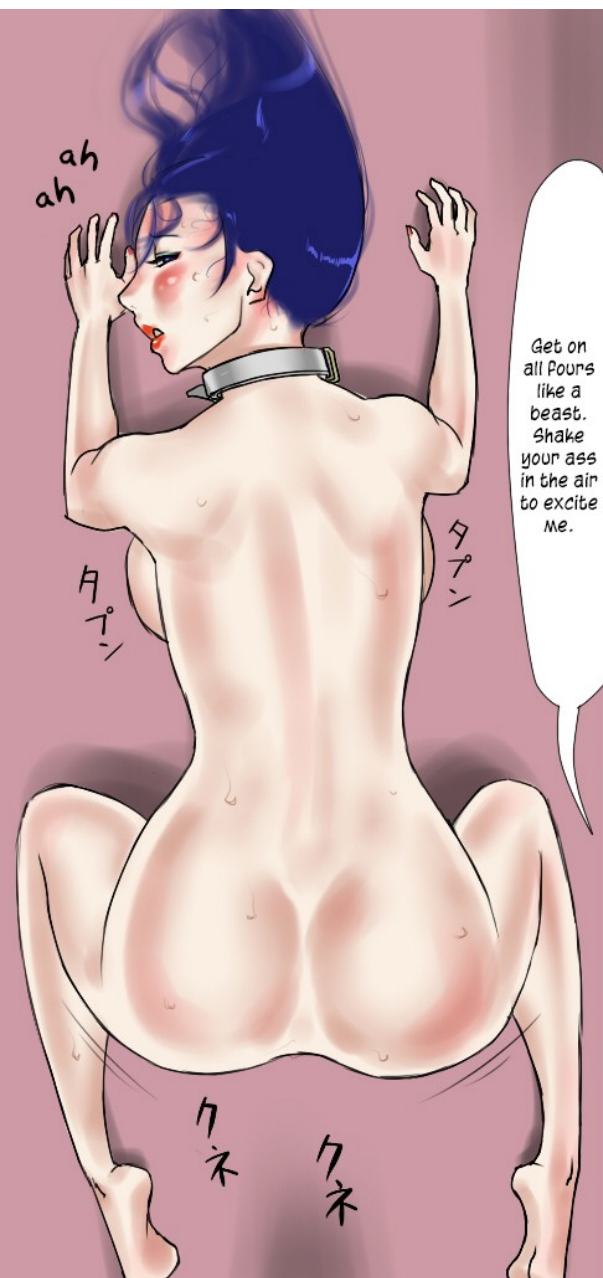

"Uuu... I-I'm cumming. Megumi is cumming from auto-fellatio"

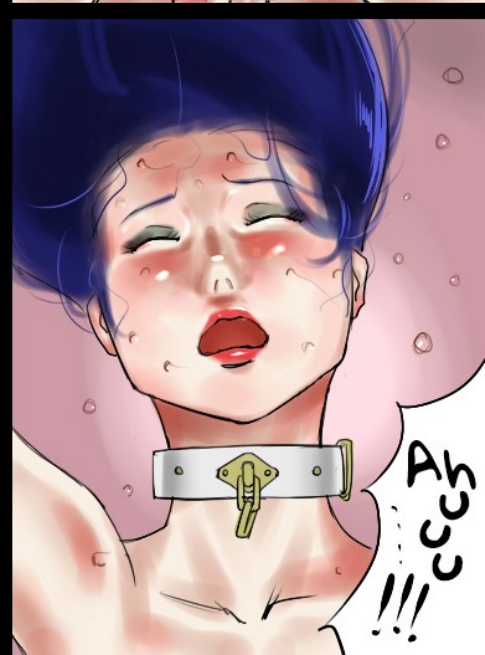

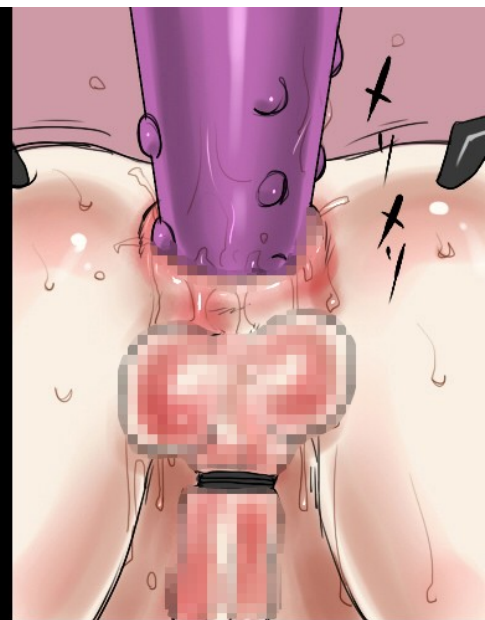

As my students watched over me, milky fluid overflowed from the edges of my lips and I welcomed orgasms from my suffering.

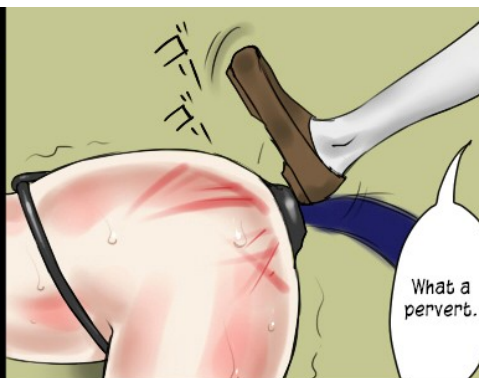

Ryouko is a sadist, but at the same time, also a hard lesbian. From time to time, I'm dragged to her home, and together with her lesbian friend Yoshie, they enjoy my body.

"Even so, her disgusting thing is still hanging down there. It's an eyesore, so should we cut it off?"

"Cutting it off is a bit too pitiful, and it'll be troublesome afterwards. Should we let her off with just a hundred hits?"

"That's true. Aren't you happy, Megumi-san? Having such a nice coworker."

I was tied to a pillar in the hallway. Hemp rope was tied around my penis, and with all their strength, my penis was stretched and secured.

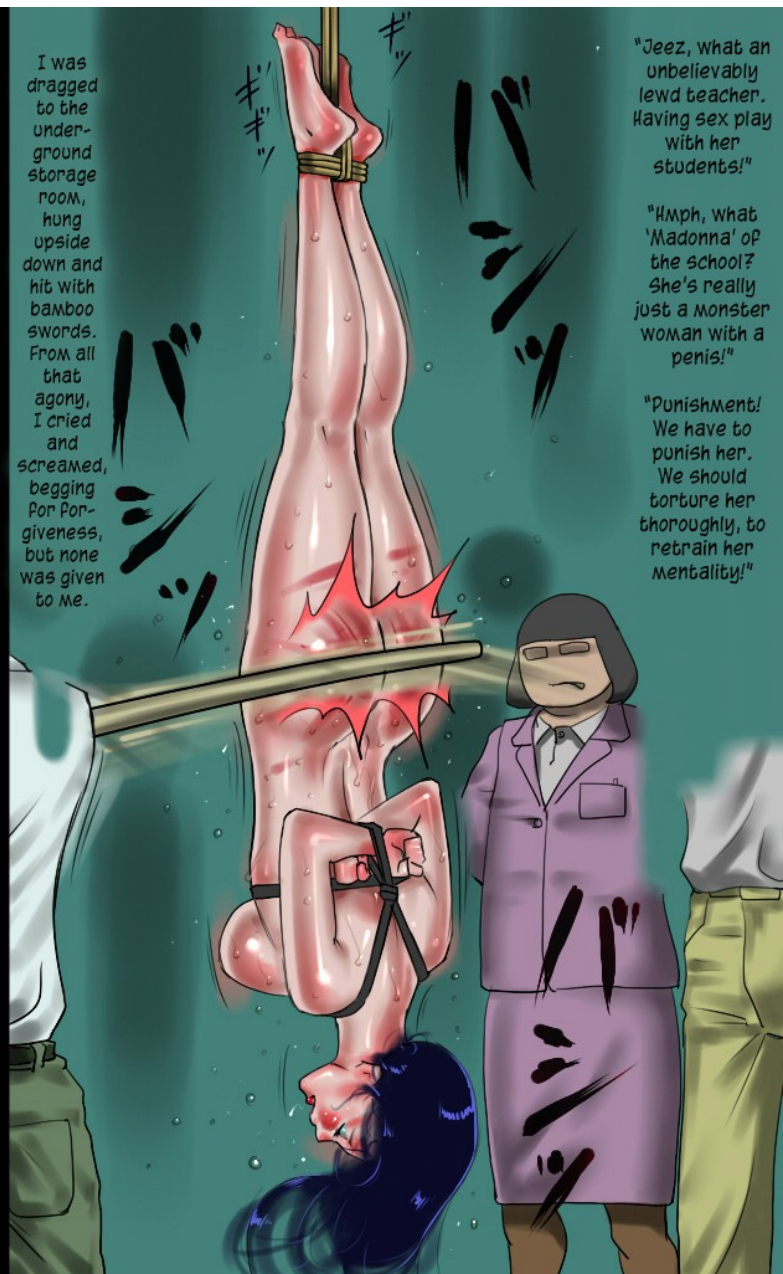

"HIII! I-ITS, IT'S GOING TO TEAR OFF..."

A thin riding crop was produced, bent back until its very limit, then swung downwards onto my penis.

"GUGIIIIII--- PLEASE FORGIVE MEEEE---"

"What are you saying, there's no way a small whip like this could hurt. Look, only 99 left. Make sure you count properly, or who knows when this will end."

HIII-!!
PLEASE
FORGIVE
MEEEE!!!

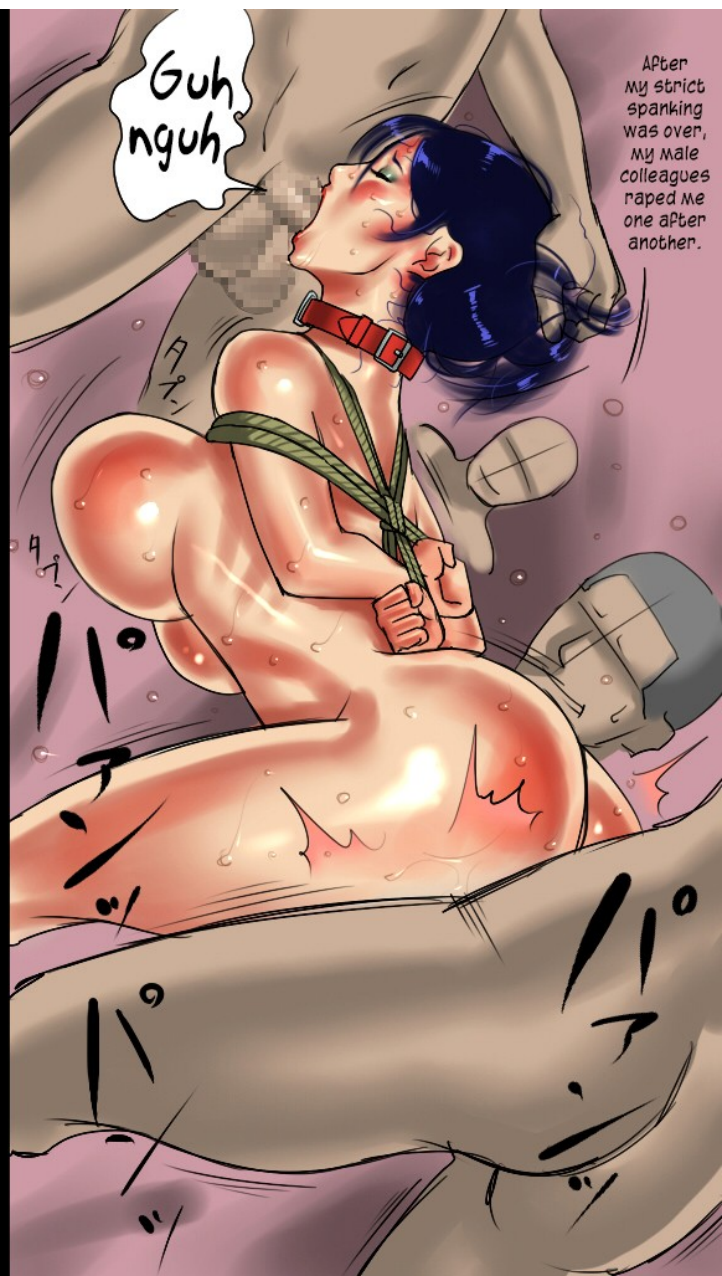

I was dragged to the underground storage room, hung upside down and hit with bamboo swords. From all that agony, I cried and screamed, begging for forgiveness, but none was given to me.

"Jeez, what an unbelievably lewd teacher. Having sex play with her students!"

"Hmph, what 'Madonna' of the school? She's really just a monster woman with a penis!"

"Punishment! We have to punish her. We should torture her thoroughly, to retrain her mentality!"

I was shackled in chains to the rough slave transport truck that came for me, and just as the word implies, naked, I was hauled off.

I was chased away from my teaching job, and it was decided that I was to be sold off and disposed of as a specialized prostitute. Of course, I didn't quietly agree to this. I only agreed crying, after having been tortured.

I was forced to sign a slavery contract, and lost all my rights and property.

And now, I'm living as a perverted anal masochist prostitute with a penis.

Since they came all this way to buy a perverted prostitute with a penis, all my customers are hardcore perverted sadists.

I'm subjected to extreme torture, not knowing whether it's day or night, punished and raped until my tears, shrieks, and sweat are squeezed out of me.

If you ask me how I feel right now, I'd answer, "Not bad". Rather, perhaps I had always wished for this somewhere deep in my heart.
