

What ... What's going on? **!!**

I wonder... Do you feel good? Can you feel it at all?

Tsukiyo... Your pussy is squeezing! ♡

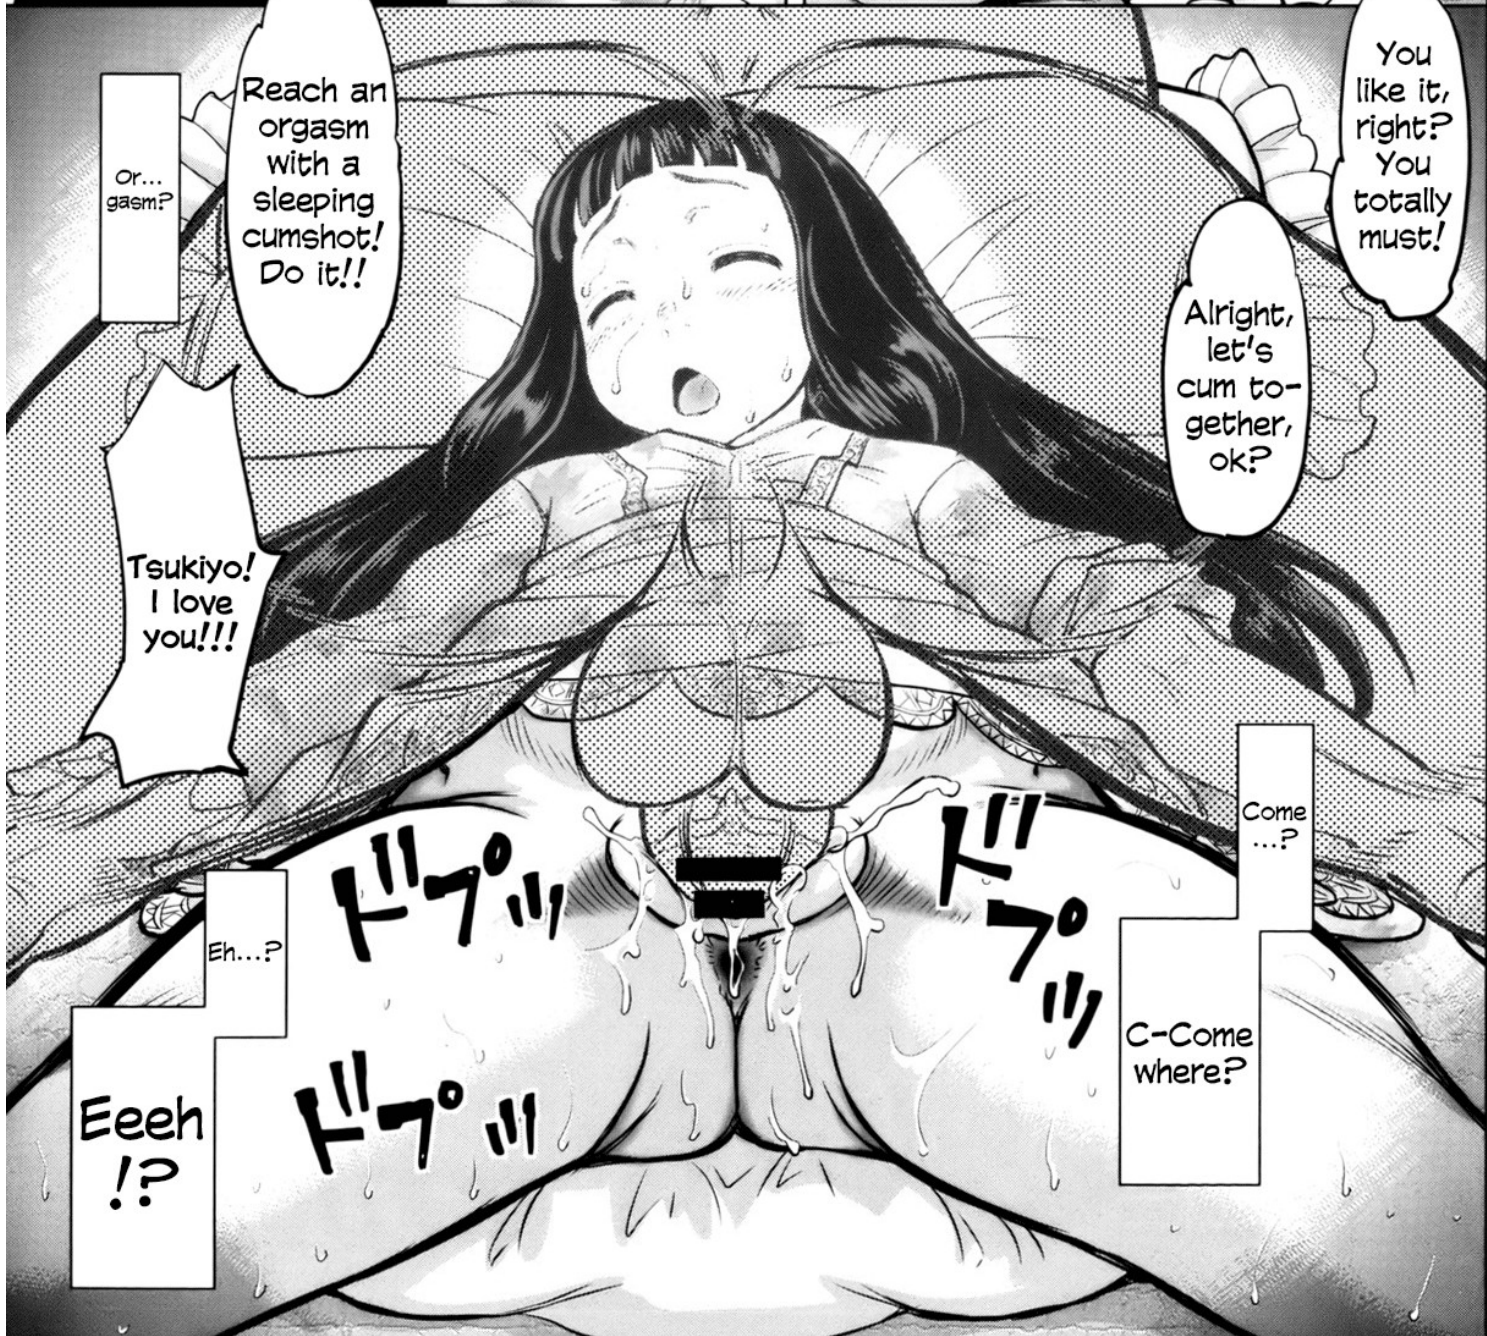

おぬぬ

Ooh! There you go, the eighth time!

Eh!?

【墮ちる妖精】by マイノリテイ

Or... gasm?

Reach an orgasm with a sleeping cumshot! Do it!!

You like it, right? You totally must!

Alright, let's cum together, ok?

Tsukiyo! I love you!!!

Eh...?

Come ...?

Eeeh !?

C-Come where?

おぬぬ

... Ah!

You really slept like a log, Tsuki-yo.

Are you alright? Do you feel nauseous?

Hn ... Ah ...

Oh ... Eh?

It's ok, don't worry. You had to stay put for two hours, after all!

It was a dream.

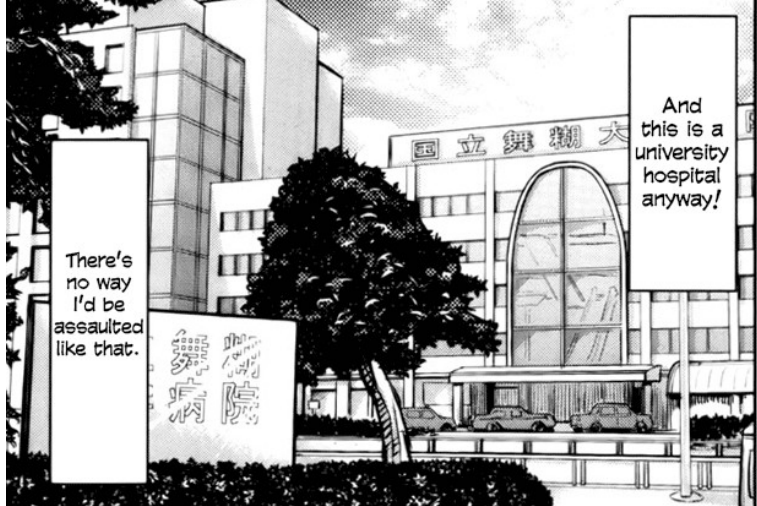

Was it really... just a dream?

Yeah, I thought so.

You already finished your dialysis!

I... I'm so sorry, I must have dozed off...

There's no way I'd be assaulted like that.

And this is a university hospital anyway!

Mrs. Yamashiro was here with us, after all.

Yeah, of course it was.

Ignoring the fact that he's not my type

Wha!?

Haa!

You walk too fast ...

I was just about to leave, I can take you home!

Haa!
Haa!

he... he gives me the creeps.

Tsu-kiyo!

Why with him...?

But why that dream?

I'll accept your g-generous offer!

Yeah... I really wanna spend some time alone with you. ♡

I'm sorry, Doctor Doubayashi! I owe you my life, I shouldn't think bad of you!!

ニヤリ

Those eyes... are evil.

It's... it's those eyes.

たじろ

That might mean we're all tied by destiny!

に

After those sessions, I don't know why, but...

I feel some kind of... pervy sensation.

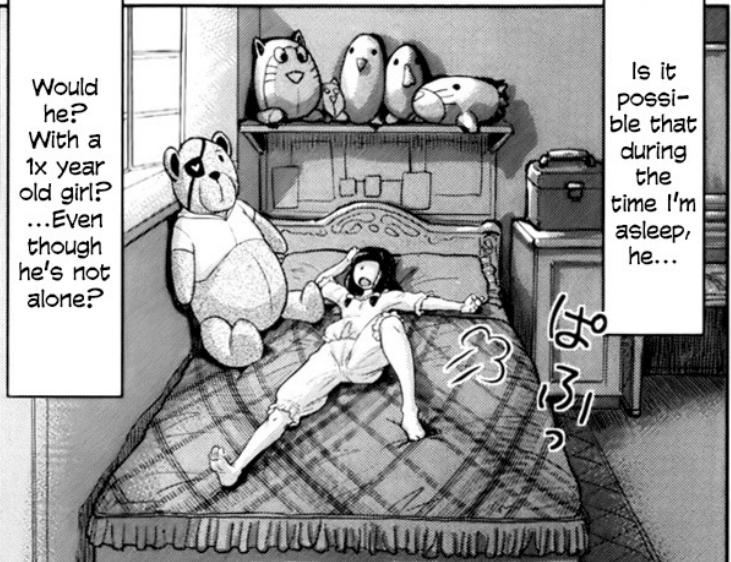

Dialysis is twice a week and I've been going for a month.

Hmm... Now that I think about it...

Should we investigate ourselves, next time?

I feel that I'm right, somehow!

Would he? With a 1x year old girl? ...Even though he's not alone?

Is it possible that during the time I'm asleep, he...

はわわっ

Whew ...

You did well.

... next week

You slept a lot again today.

Your school's arts festival... You're dancing in a musical, if I remember correctly.

Could it be because you have rehearsal after school?

Hn... There... My legs are all wobbly.

Ah... Thank you, please do.

You play a fairy, right? I'll make sure to come and see you! ♡

...Oh, I'm just terrible. He's such a good guy!

Anyway, my body seems to be tingling even more than usual.

And yet... I recorded him.

Could it be the medicine?

MOO...

MOO...

トコトコ

Heh, I'll see her tomorrow.

This is unusual! Looks like you don't suffer from chronic clinginess after all.

Sure!! See you, doc!

Bye byeee!

Today I can't drive you home, so travel safe, ok?!

Do not forget that you need me to get the drugs you're using.

We have a deal, you and I, to build the perfect environment and make our respective targets fall.

By the way, Yamashiro, I'd watch my tongue if I were you.

You have something you want to keep secret as well, don't you?

They hold each other by the balls (lol)

The local anesthesia should be wearing off right now... Huhu!

Welcome, Tsukiyo. It's cold outside, isn't it?

I'm back!

I've warmed up the water, go take a bath. Yay!

Oh, Tsukiyo... I wonder how much you'll remember about today!

Well now...

They... found out...

Hellooo, Tsukiyo? You can hear me, can't you? Well, how do you feel right now?

Alright, I'll put this on as planned...

Mrs. Yamashiro is involved too!

Fuck, I told you to knock! Fine, I get it.

Dr. Dou-bayashi, the time is almost up.

We always take baths together!

What's up all of a sudden?

Hey, Tsukiyo!

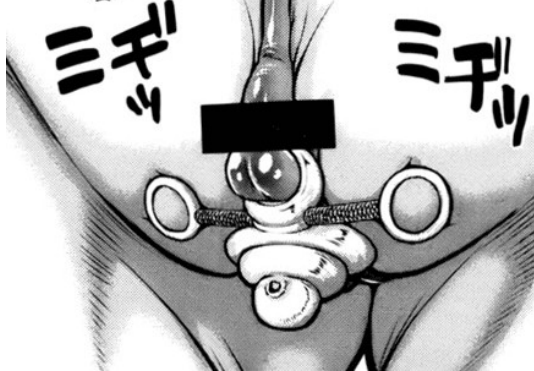

Hu huhu... Looks like our little girl is becoming way a woman. too soon for that, come on!

We can't today!!

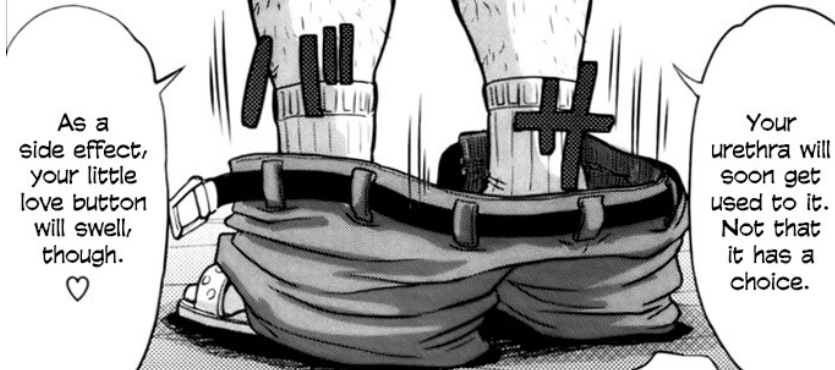

Let me get in with you!

You caa an't!!

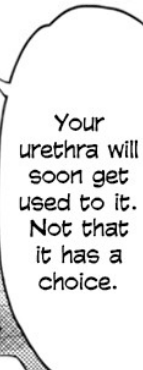

I don't believe this... What should I do? I can't take it off!

Ough!

As a side effect, your little love button will swell, though. ♡

Your urethra will soon get used to it. Not that it has a choice.

It's starting to feel hot, right?

Hnnah!?

Tsukiyo, with you...

Because I love you! ♡

Why are you doing such a thing?

Uh... Uh...! Why are you...

It was love at first sight!

It's gonna hurt... Stop...

N- Noo...

That's why...

Hn!

But...

I decided to do this to make you fall. ♡

Ah, inverted nipples! ♡

Even though I was your dad's senior, I never stood a chance against him with your mom, you know?

It's not painful, right?

Ah... Oh... Ogh?

Dis ish... amashing...!?

W-What... is... this...?

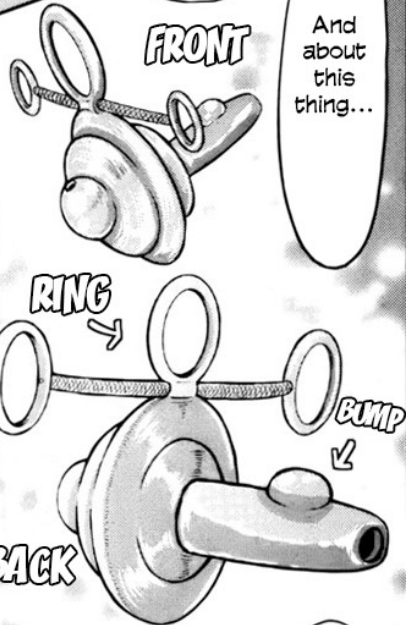

First penetrations don't usually feel this good!

Yeah, scratch that... It looks like you've gone wild in an instant!

And about this thing...

That's why when I fuck you really fast...

It has two different parts, a clitoris ring and a catheter bump: it's designed so you can't take it off.

...you get those flashes in your head.

Your clit is stimulated from the inside!

Every time the glands moves under the bump...

Ah... Ahn... No... That's... Ahn!

Hnnf!!

And one more thing ...

Uhwah...
Wha...
Ah...!?

Your
body has
become
kinda
lewd.

Lewd
to the
point
that a
cumshot
straight
into the
womb...
is
enough
to make
you
cum!
♡

But
you'd
better
be
careful!

Hm?
Do you
have to
pee?

Uuupff!

Hnnah!?

Haugh
!?

...Alright,
I'll give
you a
hand.

I made
sure to
place the
catheter's
exit duct
on its
upper side!

And the
result
is this
shower
for your
face!

Hnnm
...Pew!

If you
keep these
pulled the
valve will
close and
you won't
be able to
pee any-
more.

This is
going to
be very
important
from
now on so
you have
to remem-
ber it; ok,
Tsukiyo?
♡

Ough
...
Hmph!

Ah...
Ah...

He makes me wear this constraining vest in order to keep the catheter in tension.

Uuuu...
This must make me a pervert...

...the doctor took away my freedom.

...And that's how...

なななななな

Normally, the valve is always closed and pee won't come out.

It keeps the catheter shut even during those times by using my whole body, and I can't remove it by myself.

I don't really get it, but he talked about... training? Was that it?

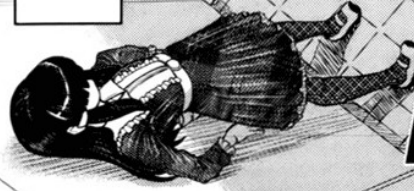

It's only during breaks...

Thank god no one's here.

I have to make certain preparations in advance.

When this happens, the pee in my bladder comes out regardless of whether I want it to or not, so...

...that a mechanism inside the valve automatically triggers and opens it.

びびり

I reached the conclusion that this embarrassing position

after some trial and error ...

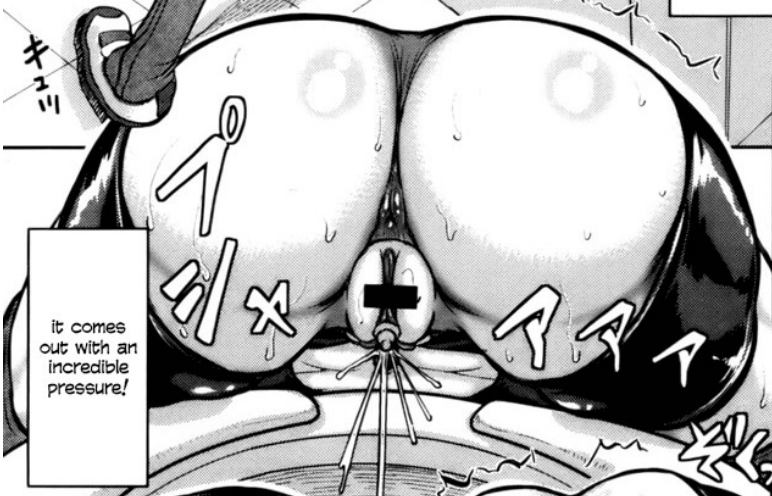

The first time, I tried to cover it with the hands, but...

I almost look like a dog.

is the best one to take while waiting for the valve to open.

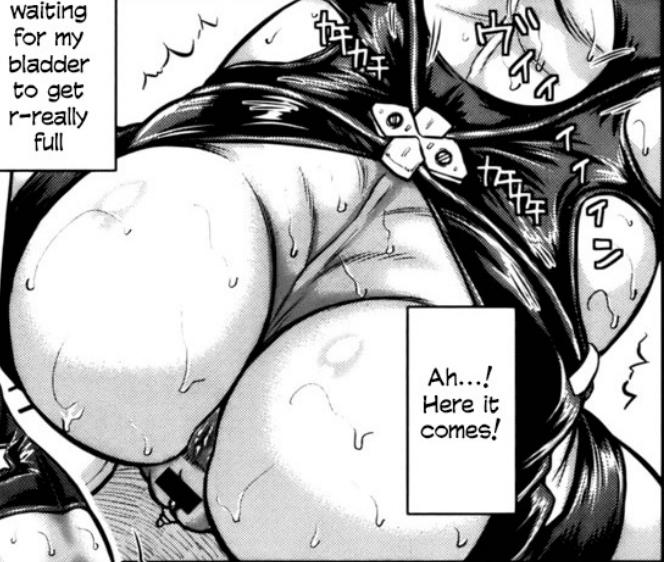

Included to place the hands on the floor.

it comes out with an incredible pressure!

When I do this after waiting for my bladder to get r-really full

Ah...! Here it comes!

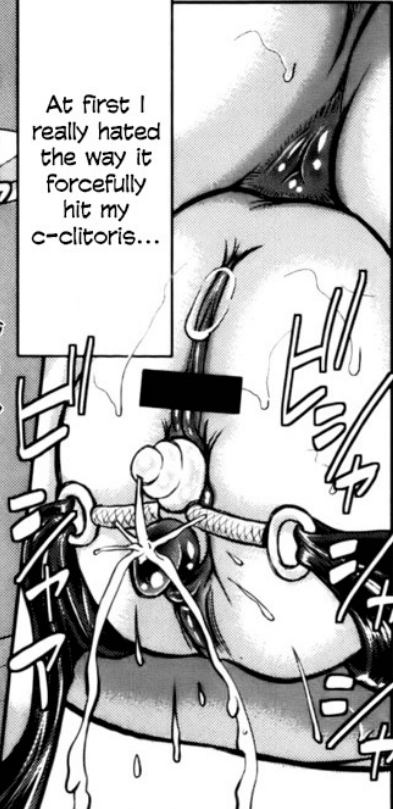

Hwa wa wa!!

This must be what he meant by "craining", right?

ooooh? Hwa wa!!

but lately I'm growing to like it more and more.

Well, you see... It feels good.

At first I really hated the way it forcefully hit my c-clitoris...

It's four days without fucking you already and I didn't want to waste any time!

The doctor dropped his responsible and mature act.

He didn't even try to hide his urges anymore.

Hnn...! This is... too sudden...! And why... are you naked...?

I was no longer going to the hospital twice a week for dialysis.

There was another change...

Excuse m... Eehh!?

Welcome back, Tsukiyo! I was tired of waiting! ♡

Ah... Ah...

Hahaha... Hnn... Uugh!! Yup, the first shot comes within three thrusts, as usual.

It feels like he went back to being a child.

C'mon, lemme put it in! I wanna put it in right now!

Wai...

W-Wai... Wait...

He almost sounds like... one of my classmates.

But the real fun always starts with the second one, am I right? ♡

Here I come! There!

I don't know if it's because of the catheter or the medicine but damn, you sure are wet!

Fall!
Fall!

You gotta fall!

So please, break down!

His persistence was really getting on my nerves.

He always mutters these words like a madman while we do it, over and over...

I love you so much ...

Teukiyo, I love you...

He probably already knows, too.

I would've never guessed I'd grow to like it so much.

Then I could only give in to the urine's unbelievable pressure...

Hnn!!

Fall!
Fall!

Snap!

...I see.

Huh? You don't take baths? But it's water-proof, I told you.

Taking baths is a pain with this.

Be reasonable and let me out of this vest!

Of course I take them!

Once today's examination is over, I'll let you out.

Al-right, fine.

Gh... Ha...

Hnn...!? Aaaahn!! Under my clit... No... Don't...

You really love your dad, don't you, Tsukiyo?

Like, I mean, the real one... I'm not doing it...

Ah... Dialysis...

In exchange for that, I'll perform lots of dialysis on your womb from now on, ok?

You're cured, so you don't need it anymore.

Aaah, now that you mention it, I kinda forgot to tell you.

!?

ぬらあ

Today your dad is away for work, and your mom is at a friend's wedding, so...

Tsukiyo! Cum with me!!

W-Wait, don't change the subject...

N-No way...

I'm going to give you dialysis until midnight!

I'll cum now ... Uh!!
When you say cured ...

An orgasm ...

made of both joy... and despair...

Do not underestimate me!!

... He's not getting away with this...

I'll tell mom and dad... I'll tell them everything!!

Did you think that turning my body into this would prevent me from talking? You must think I have no way out!

I won't give up without a fight!

It'll be so embarrassing that I'll die, but...

The next day...

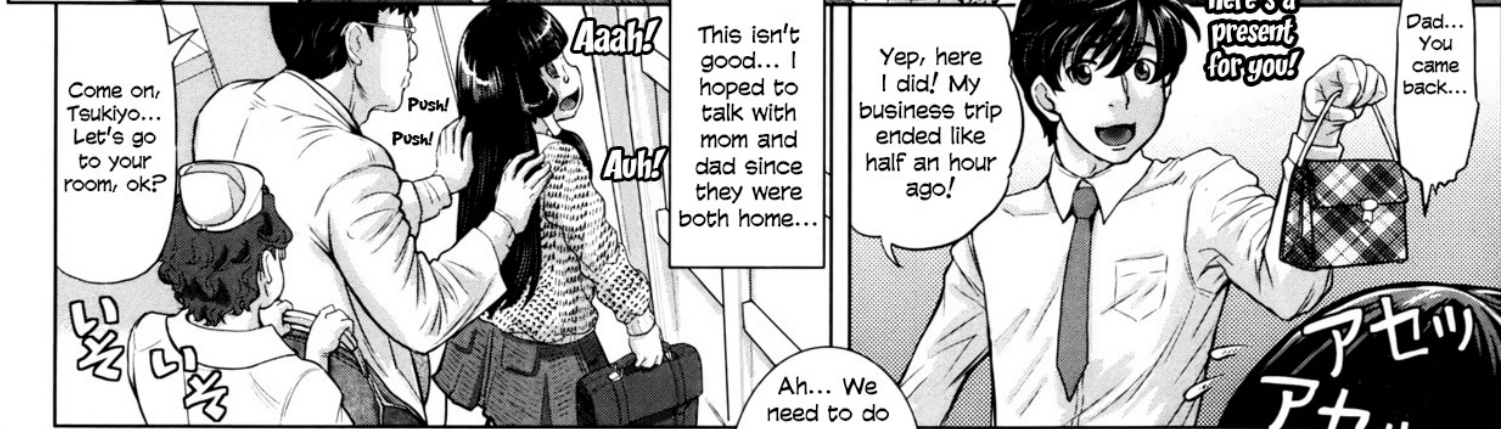

Welcome back, Tsukiyo!

I'm home ...

...Eh? What ...?

They called us just now!

They say you might be able to do your dialysis at home from now on!

Come on, Tsukiyo... Let's go to your room, ok?

Push! Push!

Aaah!

Auh!

This isn't good... I hoped to talk with mom and dad since they were both home...

Yep, here I did! My business trip ended like half an hour ago!

Here's a present for you!

Dad... You came back...

Ah... We need to do some preparations first, so could you please wait in the living room?

Huhu... Well? Do you like the new "clip" model?

... Wow, your parents trusted me so easily.

They really are a great couple! ♡

Ugh... Damn... I hesitated a minute

and he dragged me back into this...

Dammit! You put something inside again...

I never rebelled once, I managed until yesterday...

Wh... Why...

To put it simply, I can now control it remotely.

This can't be just a coincidence!

Now it will also look like the pee comes out of your clit. Cool, huh?

Hm? Did the cat eat your tongue?

The punishment you get is the "super pee."

You're gonna drink all this water!

We were an inch away from being exposed.

You really are a brave girl, deciding to talk to your parents!

You...! You wired it!

Hehehe... It's because you talk about everything with our Mr. Teddy here!

Ah! Then I haven't lost yet...

Hmpf... Yamashiro, go in the living room and make sure the sleeping pills have already kicked in.

I still have a chance to turn the tables!

Eh!?

About us... Yeah, we have to do a few things, then we'll go too.

He wouldn't...

Dad!! Mom!! Help me, help meee!!!

Mom!!

Dad...

Uh... Ahn ...

ポ〜!!

ポ〜!!

Calm down, they're fine.

What is going... They're both... What did you do!?

We just drugged them a bit.

They're not fully conscious, it's something like a half hypnosis. ♡

Leave my mom alone!! Stop it, stop!!

...Ah... Uh...?

...Would this suit you, doctor?

Good... But first...

Doctor... The filming equipment is ready.

I wanna shoot once!

Let's get dad, too.

!?

But on the other hand, I'm really grateful for you and for what you've become!

Back in the day I was really depressed when the campus idol, Hinata, got married...

I don't mind if it's me, do all the cruel things you want!!

Oooh! How brave!

Hmfah !?

Don't! Please, stop soiling mom and dad!!

What are you doing!? Mrs Yamaki, you too!?

Huh!?

Huhu! This is my bonus.

They're the perfect couple for me, please!!

I want my marriage to be like theirs when I grow up...

You can't have normal sex anymore now! (lol)

This is the effect of making you drink 4 litres of water spiked with diuretics.

Now check this out!

AuhnP

Ooh, amazing!! Finally, a wonderful peeing orgasm!

When I push on your bladder, your pee comes out faster and the urethra...

it makes you cum, right?

Hm! My pee ...

W... won't st... op... ♡

is comin' out...

...on its own! ♡

はわわわ

I'll marry someone my age...

I wanna marry for love, like mom and dad...

I can wait three years.

Huh!!

Hmgh!?

My pee stopped!?

I'm neevee' ever g'nna do ish!!

Aw you cwazy!?

I can't do it even if I want...! My urethra... won't stop throbbing!

So s-sud-denly... You're mean...!

Will you marry me, hmm?

So, Tsukiyo ...

Hn wah!

Pee... orgasms...

Hnngh ... Uugh ...

What a slutty fairy you've become! ♡

So you can keep orgasming despite all these forced interruptions...

Doctor, what's that thing!?

A fallen fairy can only marry humans, you know? No one else.

You're the best, Teukiyo! ♡
