Yes...

the girl I was telling you about.

There's...
something I want...

I thought everyone that
attended that school was filthy rich...

The one that
needed your assistance.

Nice to meet you!

Are you sure?
You weren't tricked by Arika by any chance, were you?!

What are you implying?!

Hey...!

She properly...

I didn't have to lie to bring her alo...

So you know what we're going to do here... Right?

Now, Chico-chan, get on top of me...

Ah... Alright.

You don't see St. Piness Academy uniforms every day, after all.

Ah, Chico-chan, keep your shirt on.

Arika, You put on your birthday suit!

Yes!

Sir!

Chico-chan... are you ticklish?

No...

So? How are you feeling?

Well... I can feel my heart beating faster.

FuFuFu...
Chico-chan,
you have some
pretty lewd
reactions.

If you keep
going like this,
you'll end up like
Arika down there,

The first thing to ever grace that hole will be my dick.

Don't stick your tongue inside her, hear me?

I should probably release a load inside you, Arika.

Now, before I move on to Chico-chan...

through
me...

what I've
wanted
from the
start!

I'll cum...

It's too

Ah!

Arika...
Why are
you so god
damned
tight...!

Fuck...!
You've
always had
the best
pussy!

Honestly... I thought if I came... I'd calm down a little, but...

it didn't work at all...

Don't worry... Arika... chan? It's always like this...

Hau...

Ha! Ha! Ha! Hah!

I'm not afraid of getting shots...

Oh... It's quite alright.

Let's get started... Chico-chan...

Ha Ha Ha!

You're a really nice girl.

Sorry, but this might hurt a little.

I'm somewhat of a sadist.

I'm not sure if you noticed, but... I'm sorry... Chico-chan...

Excuse me?

Hah...! It went... inside a little...

Hah!

Hah!

Hah! Mmh...

My body...

Please lick it!!

Do what you did... before!!

Now, hold on a minute!!

Fu Fu!

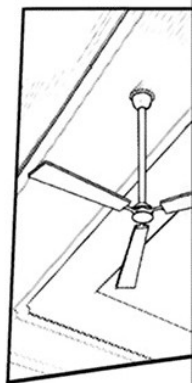

At what, I don't know, though...

Still... You're pretty talented.

HaHa! I don't see how these two activities would be related.

So... It didn't hurt?

Surprisingly, no... Maybe it's because I practice ballet.

Arika...
Move your
tush on
over here,
then.

Yes~!

!!!

In bed,
no less...

Let me
in on it
too!!

How dare

You threw away your virginity just for that?

I... just wanted to meet the person my friend is in love with...

Chico-chan...
You're good on money, right?
So why come here?

Well... It's not like I hadn't had a vested interest in the stuff for a while now...
I might like doing naughty stuff.
Yes... I also learned today that...
Oh... Is that right.
you see...

...Alright, alright.
So... please treat her kindly.
HaHaHa! No shit?!
to fund your marriage ceremony with her.
She's planning on using the money you're paying her...
Did you know? Arika-chan...

Arika-chan doesn't come here strictly for the money either...
.....

Please do.
I'll think about it.
Chico-chan... I take it you're never coming back here, huh?
