Afterword

Terada Ochiko (Pages 3 to 12)

I forgot to draw shit.

Arukari (Pages 13 to 18)

Since I had only one week to draw my manuscript, I'm sorry if it's rough!

It was accepted because I put my utmost effort in drawing it.

Thank you very much!

aoigai (Pages 19 to 24)

It's difficult to draw a manga with poop.

Ochiko is amazing to draw it so often!!

mcarenos (Pages 25 to 32)

It's the fastest manuscript I have completed so far, but I wonder if the result was really good?

I was accepted to participate as a guest this time!

Thank you so much Ochiko!

XNR (Page 33)

I am really happy to contribute to Ochiko's doujinshi.

I wanted to contribute a little more with more drawings or a manga, but I didn't have enough time.

I'm sorry.

For the time being, I'll work hard to improve myself and I look forward to working with you again.
