IT'S
NOT LIKE
YOU HAD
ANY MONEY
PROBLEMS,
RIGHT?

I MEAN...
WHY DID
YOU
START
WORKING
PART-
TIME?

One
year
ago

Why did I
really...

THAT'S...

The word
got out that
I just gradu-
ated from
university
and my
major was
Education...

Makoto-
kun was
well-
behaved...

He
blended
in pretty
quickly...

Both me
and my
husband
like chil-
dren, so
we agreed
to that...

My neighbor
asked me to
help Makoto-
kun prepare
for his school
entrance
exams...

"You want
a kid like
him, don't
you?"

My
hus-
band
would
often
say...

But...

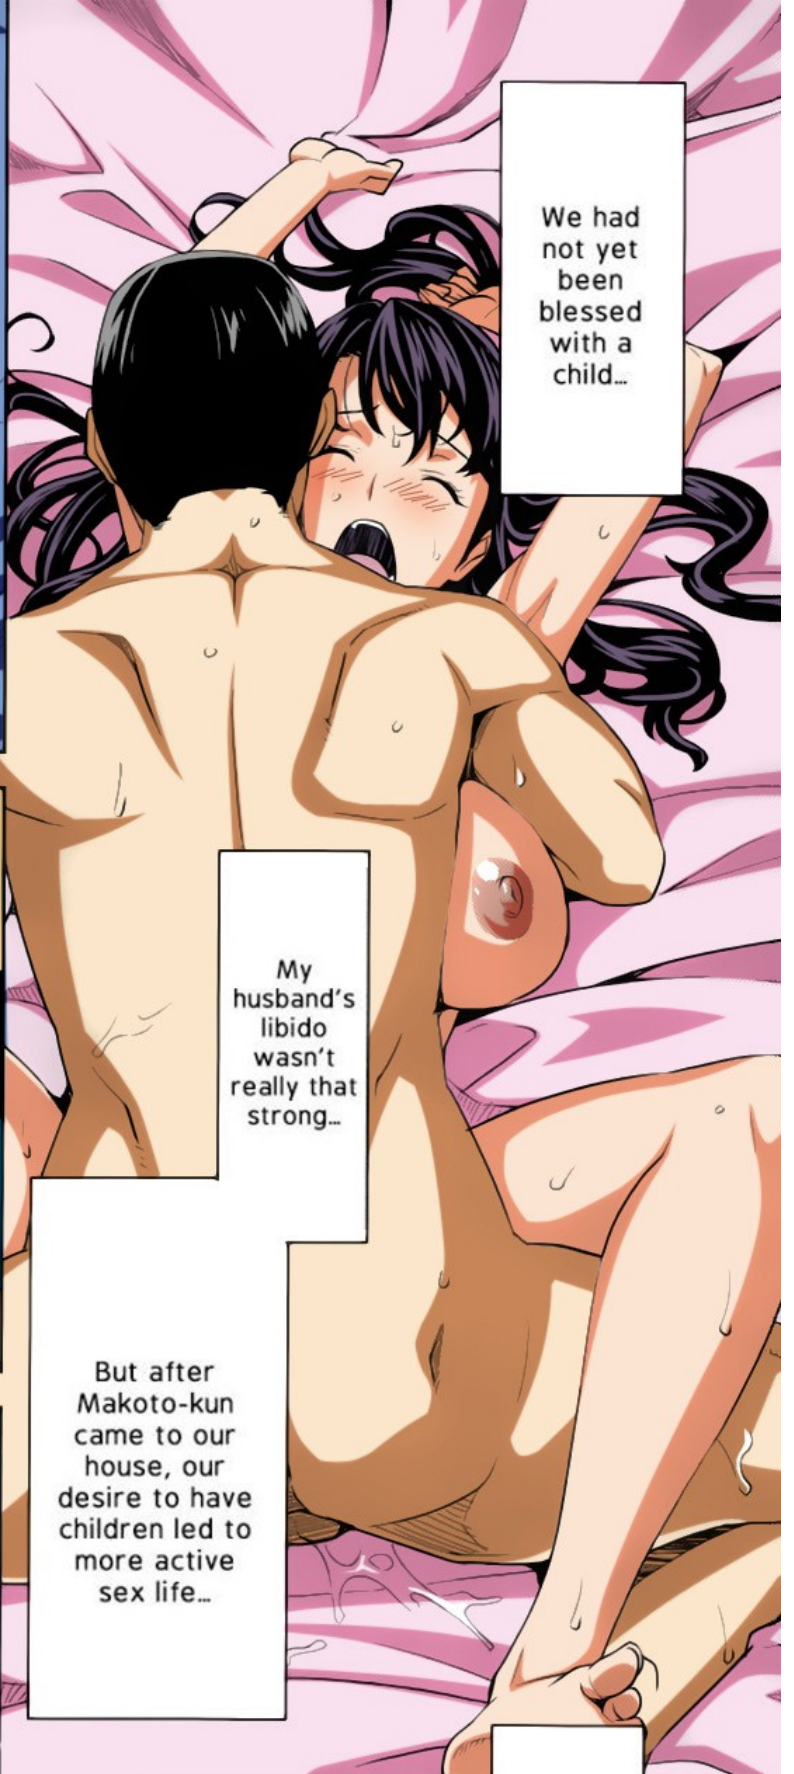

I masturbated, even though I wasn't alone at home...

That's what Makoto-kun, who was taking a break in the next room...

Feeling lonely and deprived like I've never felt before...

We had not yet been blessed with a child...

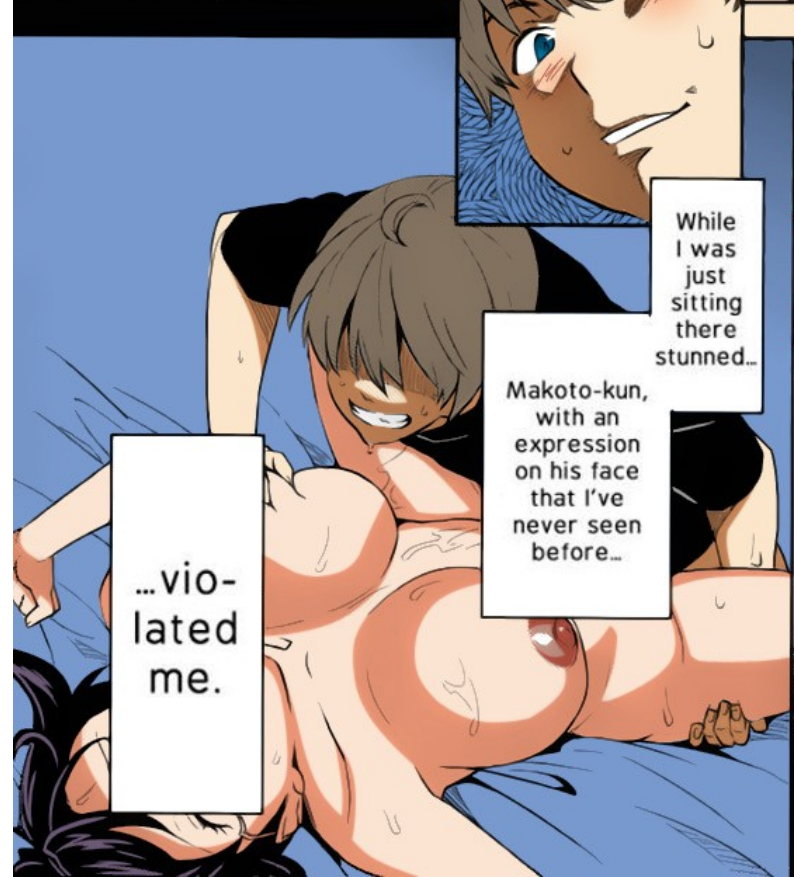

...caught me doing.

My husband's libido wasn't really that strong...

But after Makoto-kun came to our house, our desire to have children led to more active sex life...

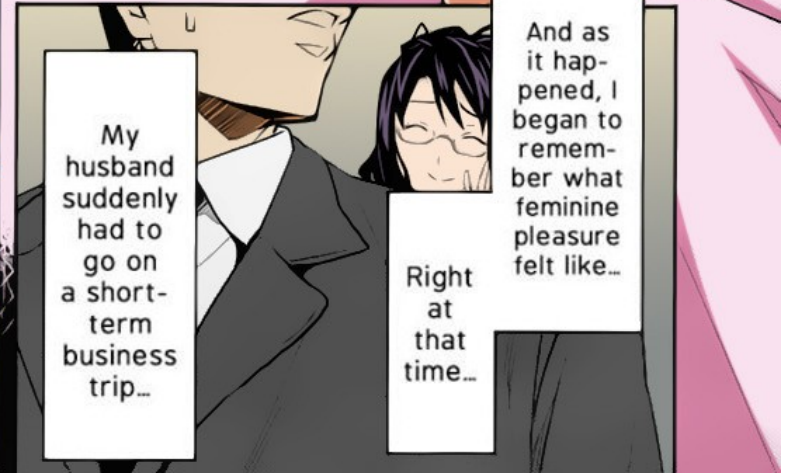

While I was just sitting there stunned...

Makoto-kun, with an expression on his face that I've never seen before...

...violated me.

My husband suddenly had to go on a short-term business trip...

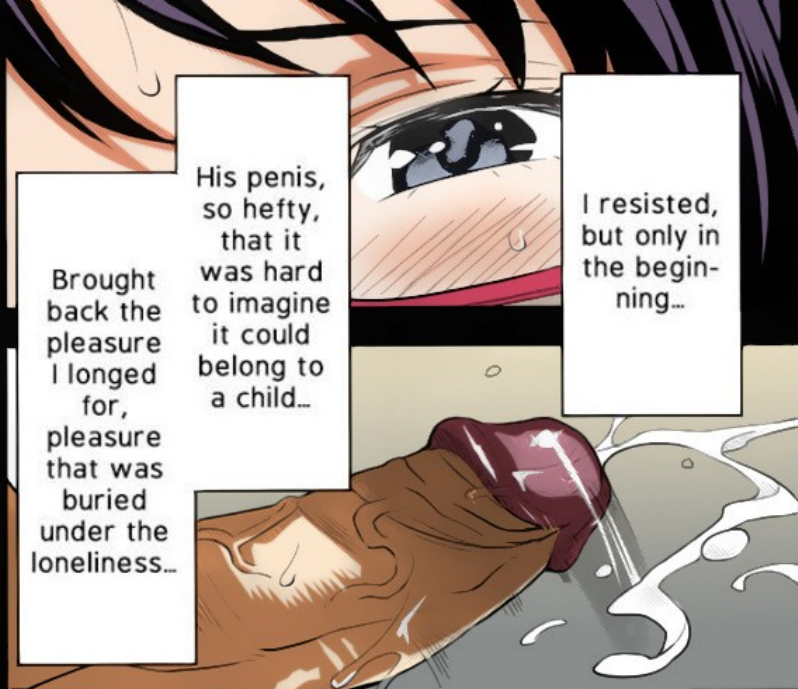

And as it happened, I began to remember what feminine pleasure felt like...

Right at that time...

In the bath-
room...
Outside...
In the bed-
room...

Ever
since
that day,
Makoto-
kun kept
coming
to me
every
day, looking
to satisfy
his desire...

Brought
back the
pleasure
I longed
for,
pleasure
that was
buried
under the
loneliness...

His penis,
so hefty,
that it
was hard
to imagine
it could
belong to
a child...

I resisted,
but only in
the begin-
ning...

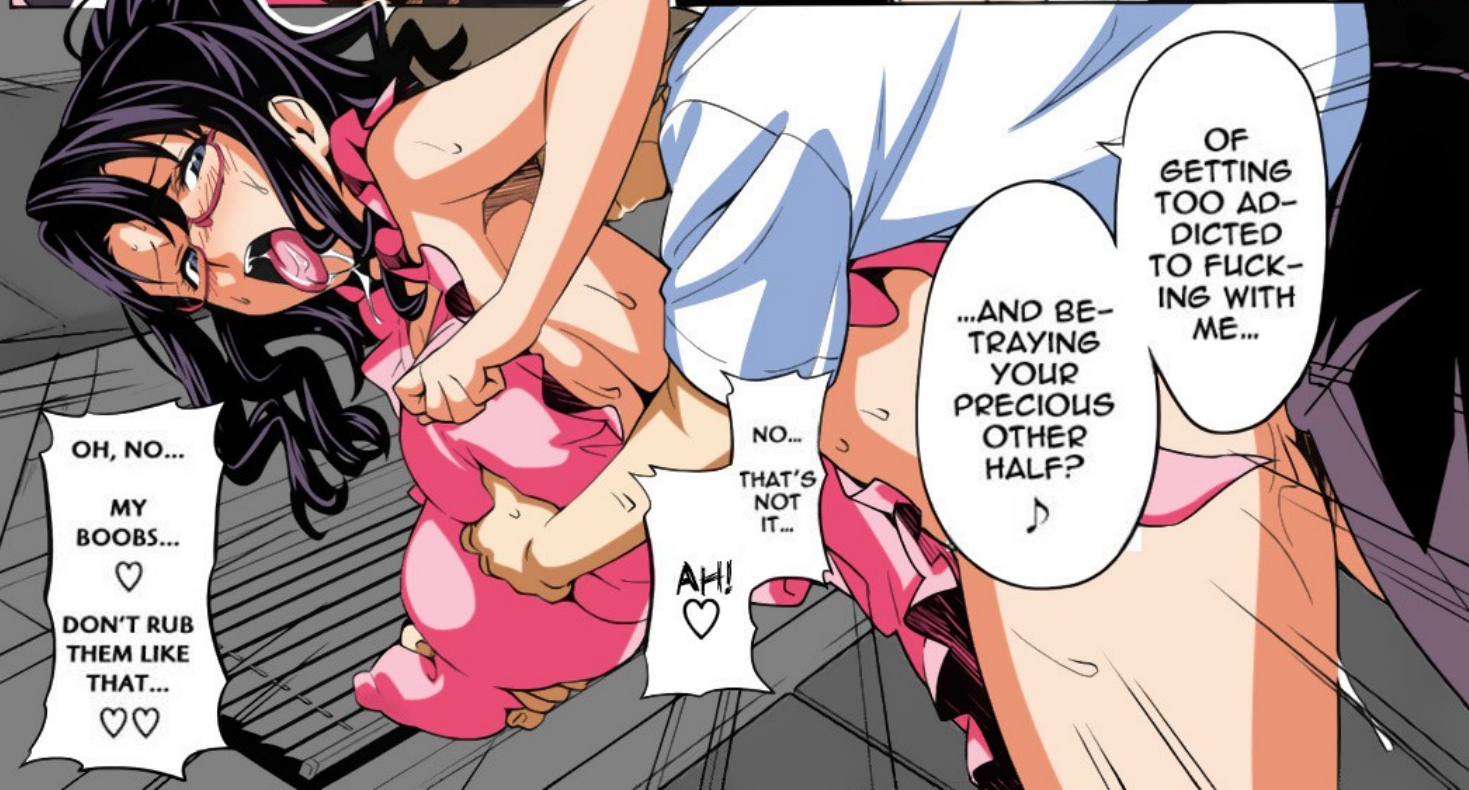

DID
YOU GET
SCARED?

I was feeling
guilty for
cheating on
my husband,
but most of
all, I had to
put a distance
between
myself and
Makoto-
kun...

Even
though
I started
to lose
my head
over him
too...

I used
his en-
rollment
in school
as my
chance to
escape
and
started
working
part-
time...
