作品解説 よみきり編

〔NASTY FLOWER・藍田華達〕

当初軍服の女司令官が描きたくて話を作り始めたが、あまり軍人である意味がなくなってしまう、言迷のメカを開発する室長になった。編集長には前後編になると思われていた。このキャラはいずれ別の話に登場させたい。

〔母娘愛・幸とお母さん〕アンソロジー誌にも流用する事を前提として描かれたカラー作品。鬼畜な話になるか和姦になるか…本宮先輩の描き方で大きく左右される。大きく感情を出さない事で独特の雰囲気と三人の関係が表現出来たと思う。

〔聖マリア学園・可愛あか〕

鬼の杜が出てからの1本目。やはり気合いが入る。これも連載モノだと思われていた。あこがれのアイドルとH出来るようなシチュエーションを…というのがコンセプト。それ以外にもボウテージ好きだな…俺も

Ah!

Eeah!! Oh, no! It's going...

I'm going to lose my mind here!

Ahh, if you keep doing me so violently...

Come on, this time I'm going to fuck you from underneath!

No... I'm not doing anything like that!

Are you masturbating while reading dirty comics all the time?

Uahhh!!

I'm going to let you have a taste of the iron hammer of justice!

No way!! If sorry were good enough for everything, there would be no police, you know!!

Nancy...
I'm
sorry...

Oh!?

.....

He-he...
♡

"I'm going to punish everyone who was bad!"

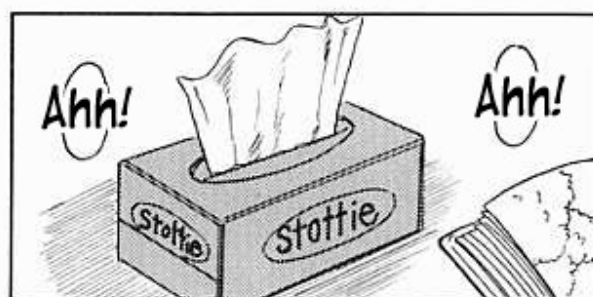

But if you do something dirty to me again...

Nancy...

I'll make an exception today and let you get away with it like this, ok?

A part-time job?

To be true, I have actually found a part-time job!

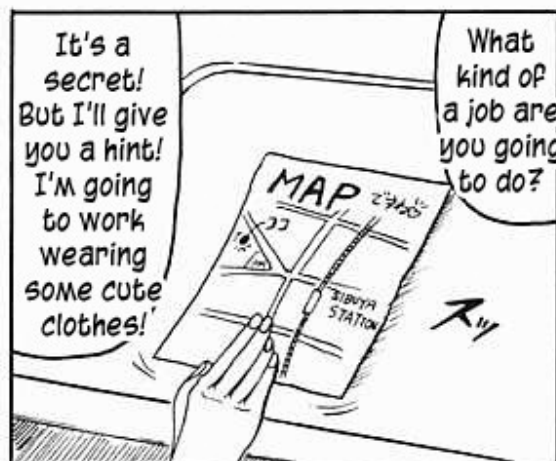

I can't believe you remembered another one of these phrases...

You mean one can get used to living anywhere!

One can get used to coming anywhere! So, I'll be waiting for you!

MAP

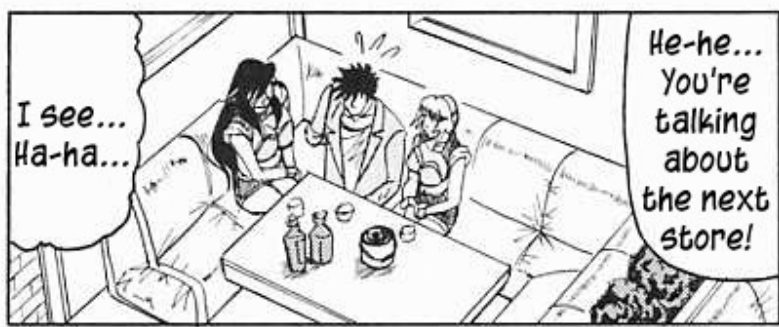

It's a secret! But I'll give you a hint! I'm going to work wearing some cute clothes!

What kind of a job are you going to do?

I was just surprised when I realized you started working in the entertainment business all of a sudden!

I knew it...

This is unbelievable!

And I was surprised I could get paid for doing cosplay!

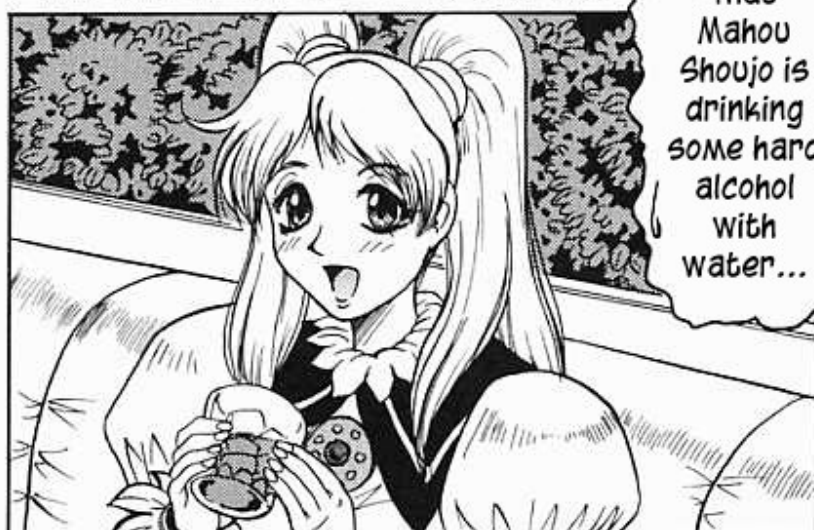

Please have a look at my doujinshi!

There are quite a lot of otaku girls in this store!

And everyone is wearing the costume of the character she likes, so we have all kinds of characters here which is fun!

That Mahou Shoujo is drinking some hard alcohol with water...

I would love it, if you could teach me that too!

In a special way?

Right... That's why each one of us is trying to provide her services in her own special way!

But work in these kinds of place is probably very competitive, isn't it?

Ahh!

Wow...
It sure
seems
to have
quite a
lot of
destruc-

Yeah, we will be handing out Pliers for a place called Myukys, which sells otaku goods.

So, we're going to wear costumes for this job?

Oh, that's alright!

Sorry I made you help as well, Maki-san...

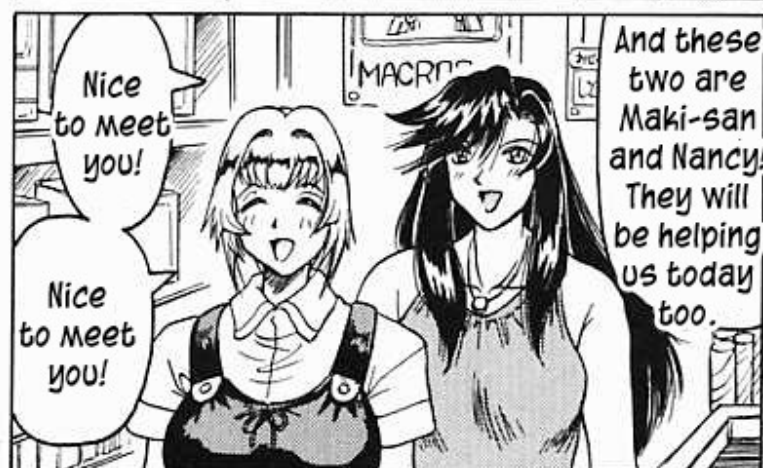

But that's actually great, huh? Look how much fun Nancy's having!

♪ I found some Korean knock-offs!

It's run by a friend of mine and she asked me to help her out all of a sudden...

You should check out Myukys, Myo!

We're all wearing the costumes of Myoruru, the mascot of this store!

Wow... These are actually pretty heavy...

Sorry we kept you waiting!

Ohh!

I wasn't meaning to praise her, Nancy...

That sounds odd...

Tsubomi, you are such a pretty kitten!
