No,

But Mimiko-san, you really know a lot about horror movies!

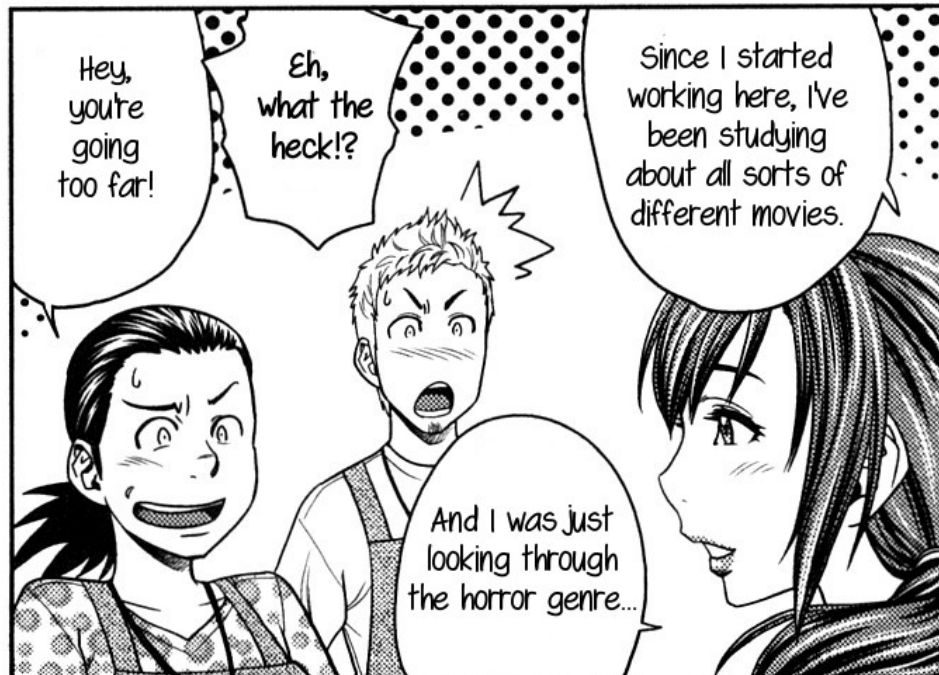

Do you like them that much?

Of course, I was just about to cut loose too!

Right?

As for me, I was just about to scream at her.

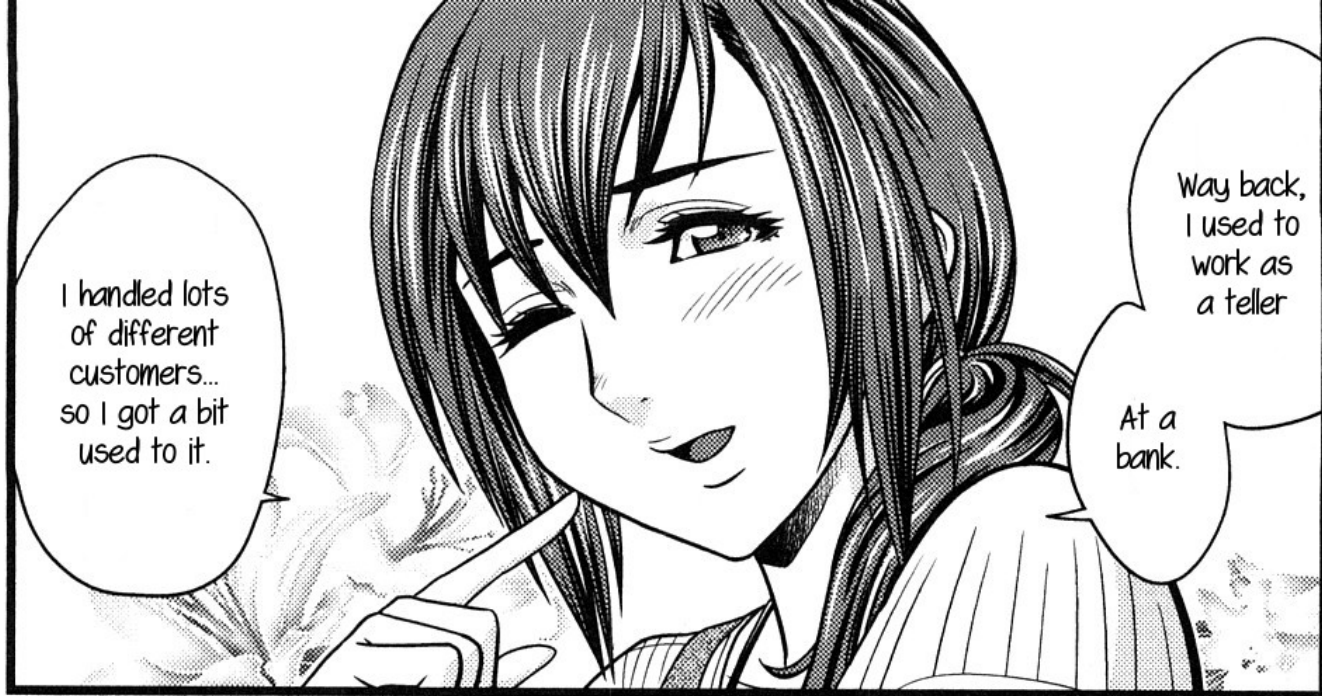

Hey, you're going too far!

Eh, what the heck!?

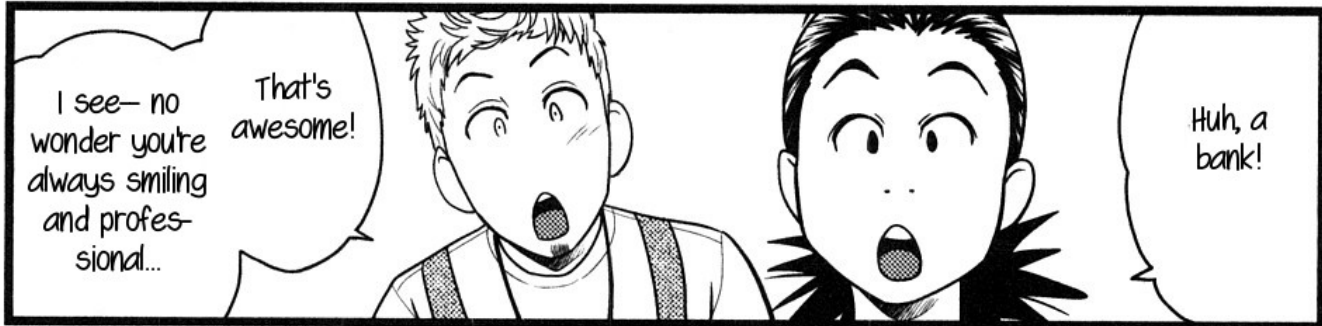

Since I started working here, I've been studying about all sorts of different movies.

And I was just looking through the horror genre...

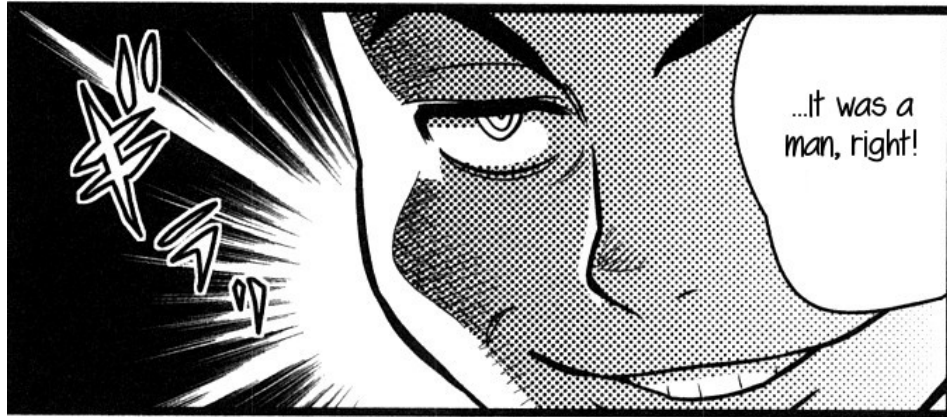

I handled lots of different customers... so I got a bit used to it.

Way back, I used to work as a teller
At a bank.

You were definitely a great bank teller— ♡

Hey, Kubota-san!

Do you still have your bank uniform?

Yes. Um... the old one I used to roleplay with my husband...

Sit, sit

Certainly, back then

I would suck my boyfriend's cock!

Yes.

And grope the tits while I'm teaching her how to use the PC~♡

At your workplace, Mimiko-san!?

Every day, he'd make me do different things...

Back then, he... was not like he was after we got married. He was really perverted.

Yes...

I did.

And underneath the counter, he would set a video camera to record me.

I was ordered to start masturbating each time he rang my extension line...

Of course... ♡

Like... maybe he'd order you to go without a bra?

O-outra-geous!!

It didn't just end there.

But actually,

For half the week, I would work without a bra or panties.

Don't tell me...

Eeh!?

Eh-

Yes ♡

With two people!?

I had to do lewd things with him also to keep him quiet...!

And from that day

The deputy manager found out that we were having sex at the workplace...

The deputy manager would always pop out of nowhere to grope my tits and make me suck him off...

But in return, whenever he and I would start to have sex at the workplace,

As section chief, my boyfriend got the deputy manager to overlook things with a blowjob.

Turned me on ♡

It really

Isn't that a crime...!?

That's unbelievable!

B...

But

But I can say it clearly now.

I didn't want to admit it back then,

How did that make you feel, Mimiko!?

It made me
happy ♡

To be
fucked in
my pussy
by my
boyfriend

Every day,
he would
