

**Told Me**

Told Me

A BASIC SUMMARY OF THE PREVIOUS STORY, "TOUCH ME".

No, she's just the person behind me. Maybe this hand is coming from somewhere else.

WHISPER  
WHISPER

We will soon be arriving at XXX, YYY-

The exits are on the right side of the train.

① OUR PROTAGONIST HAS AN ENCOUNTER WITH A MOLESTER ON THE TRAIN. TO HER SURPRISE, IT WAS A BEAUTIFUL OLDER WOMAN.

② SHE DIDN'T MIND THIS OLDER WOMAN TOUCHING HER, SHE ACTUALLY WAS ALL FOR IT! SHE EAGERLY ANTICIPATED THEIR REUNION.

③ THINGS MOVE QUICKLY. OUR PROTAGONIST IS TAKEN TO A HOTEL...

I couldn't take you to a love hotel right off the bat.

Is this a love hotel...?

Huh?

I never imagined this would be happening after she groped me.

④ AND PUSHED DOWN ONTO A BED. FOR SOME REASON, THE OLDER WOMAN KNOWS OUR PROTAGONIST'S NAME. JUST WHAT IS GOING ON HERE...?

You need to relax, Misa-chan.

Ah...

Do you want to know?

Smile

Hold on a minute...

Really, how do you know my name?

Hehehe! Actually, you see...

Does that mean we've met somewhere before...?

Eh?

I sought you out after falling in love with you at first sight during work.

I'm looking for people to test out our new product line.

Could I have a moment of your time?

Yes...

It happened back when I was out on the street trying to recruit product testers.

Nana, want to try one out?

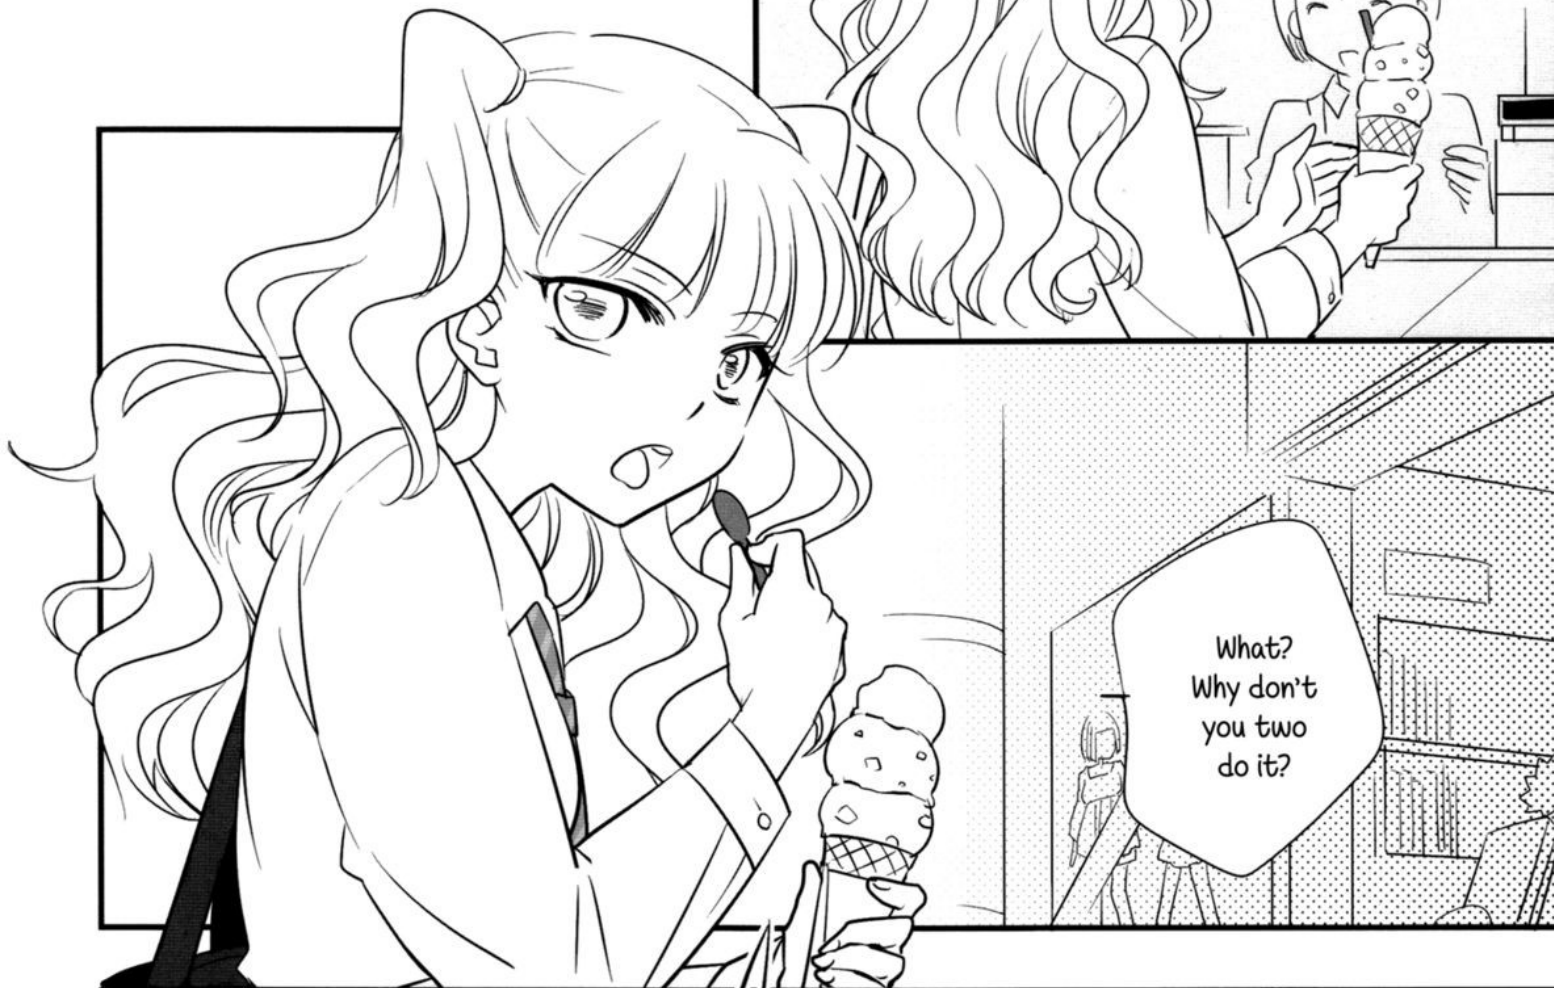

Hmm? This does look good. You're saying we could test this bra out for free, right?

Hey, Misa! What do you think?

TURN

Oh, there's another girl with them?

What?  
Why don't  
you two  
do it?

**SHE'S  
RIGHT IN  
MY STRIKE  
ZONE!**

Wow,  
must be nice!  
And you have  
guys confessing  
to you all  
the time.

Let me  
have some  
if you don't  
want them!

Give me  
some ice  
cream  
too

Huh...?  
I'm not really  
interested in  
having a boy-  
friend yet.

Ehhh? But  
this might  
make you  
popular.

Maya and I  
will test out  
your bra!

Ah, right!  
Then forget  
Misa.

STARING

Wait, what's  
making her  
look better  
going to do  
for us?

All right.  
Please write  
your name  
and contact  
information  
down here...

scribble

Glance

Also,  
from what  
I can tell...

she smells  
like one of  
my kind.

And those  
intense-looking  
eyes are totally  
my type.

What a  
cutie.

She's got a  
great figure.

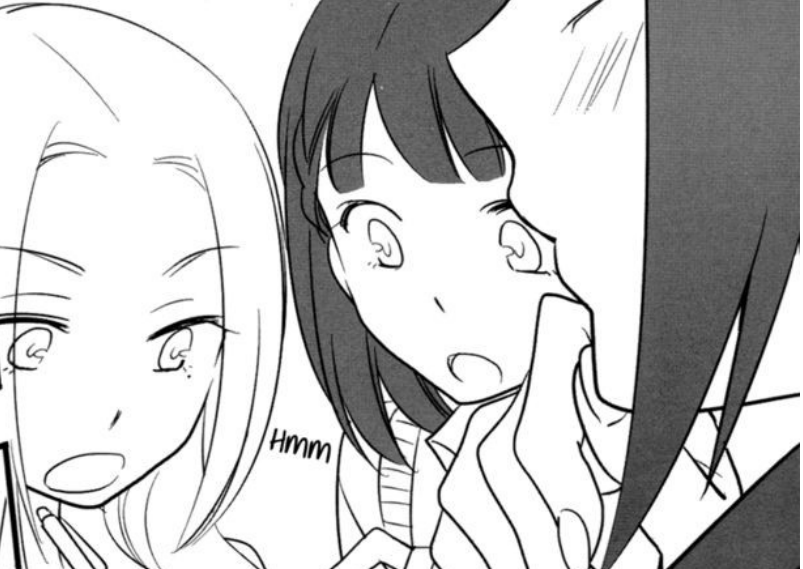

Just you wait, my cute Misa-chan.

Though I am disappointed she didn't want to try out one of our bras.

I'll be able to casually find out all sorts of different things from them.

If these girls are willing to help test our products out...

And here.

Hmm

I'll make you mine no matter what it takes!

Don't go off talking about my personal information!

Ehhi? Nana and Maya, how could you?!

I asked your friends all about you, and found out that we take the same train.

I've been secretly checking you out every morning.

She was focused on her ice cream.

That was really you back then?

And there you have it.

Hmm? But thanks to all that, you and I are together now.

Wasn't there another way you could go about it?

So, what was with you feeling me up on the train?

That's not normal.

Hmmm

Well, I could have invited you out for coffee to start things off.

But...

that you  
were hopelessly  
turned on by  
me, a woman,  
groping you.

The reason  
you're here  
right now is  
you realized...

Ah...

ky

And you  
want to do  
even more  
things...

that will  
make your  
heart race,  
don't you?

I made her cry...

TEMPORARY RETREAT

I'm sorry... it's my first time.

TEARING UP

I suddenly got scared.

The sudden rush of guilt + Feeling bad after upsetting the girl you like + But also wanting to tease and make her cry more

Gulp

BADUMP BADUMP

I'm...

sniff

This will be her first time.

Her first time!

HER FIRST TIME!

She followed me to the hotel without much concern so I thought she was experienced.

But she's a virgin!

Haaa...

Tremble  
Tremble

And I can't get enough of the personality gap between her crying and her usual tough-girl style!

Okay?

Don't worry. It won't hurt, and if you get scared, we can stop.

Cough

Nod

Your name.

Hm?

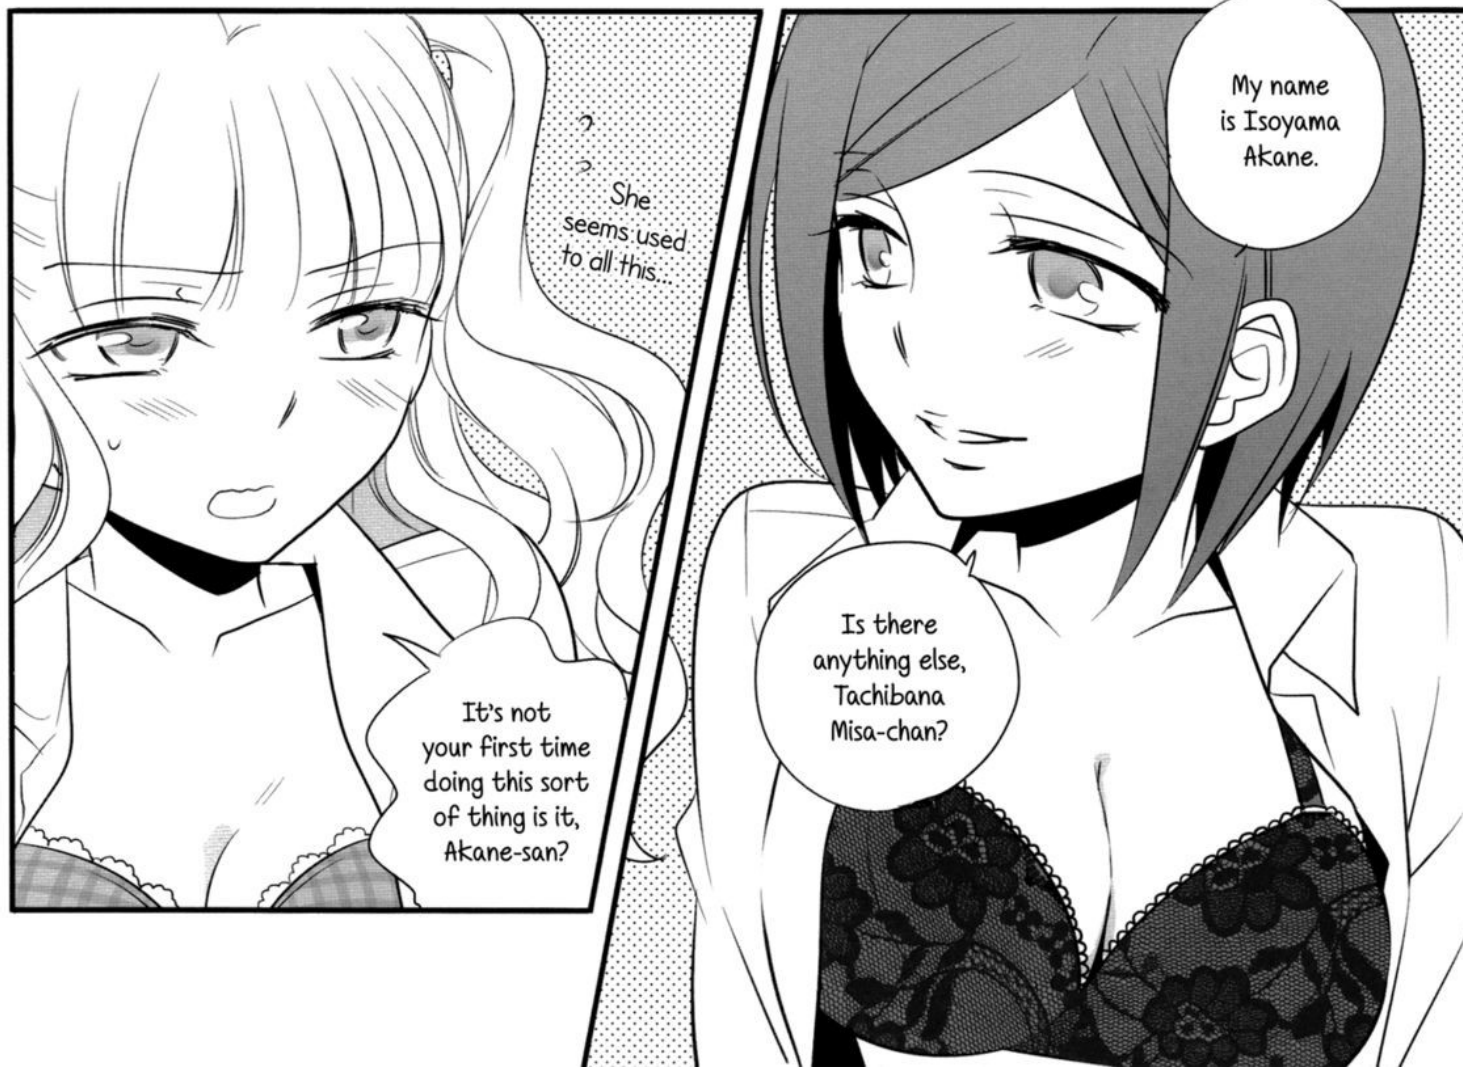

Is there anything you'd like to know?

I guess I got a little impatient with you.

Oh? That's right.

I don't know your name yet, Miss.

She seems used to all this.

It's not your first time doing this sort of thing is it, Akane-san?

My name is Isoyama Akane.

Is there anything else, Tachibana Misa-chan?

Ah, yeah.  
I've been with  
guys before  
I realized that  
I was only  
able to love  
women.

I've also been  
with girls that  
swung the same  
way as me.

Ugh...  
She's so  
mature.

But...

I looked up  
your name, started  
taking a different  
train so we could  
be together..

KISS

I forgot to  
take off my nails  
before getting  
all over you.

Open your mouth.

If I told you that you were the first person to make me do all that...

would you believe me, Misa-chan?

Put out your tongue.

ぱち

Try doing what I do.

...!! When did you take my shirt off!?

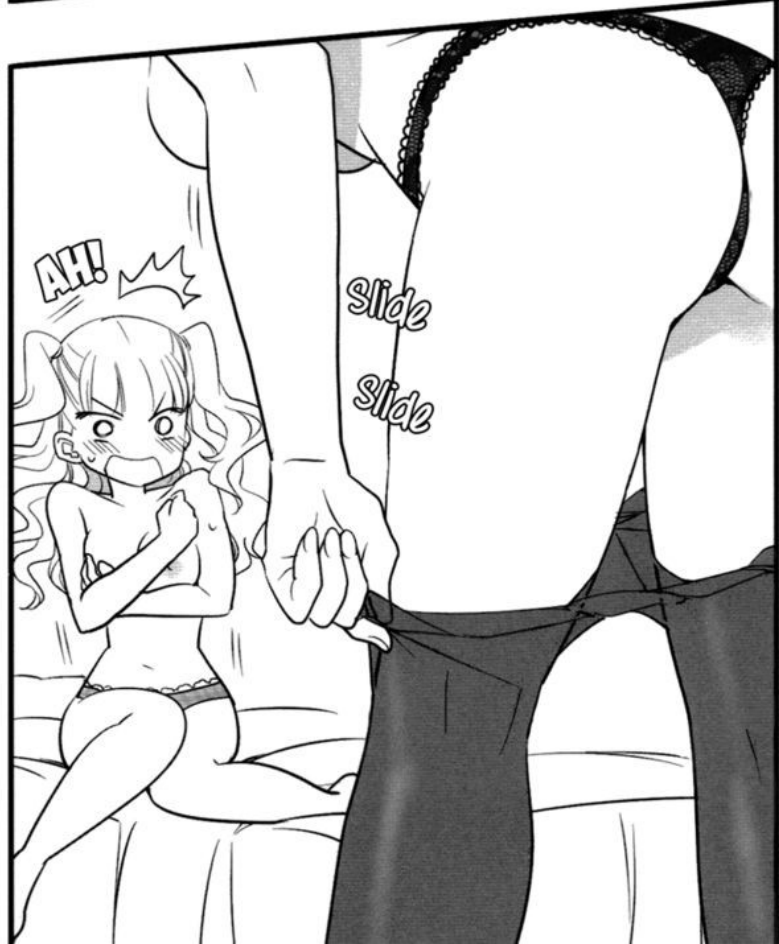

Don't hide!  
Let me see  
all of you.

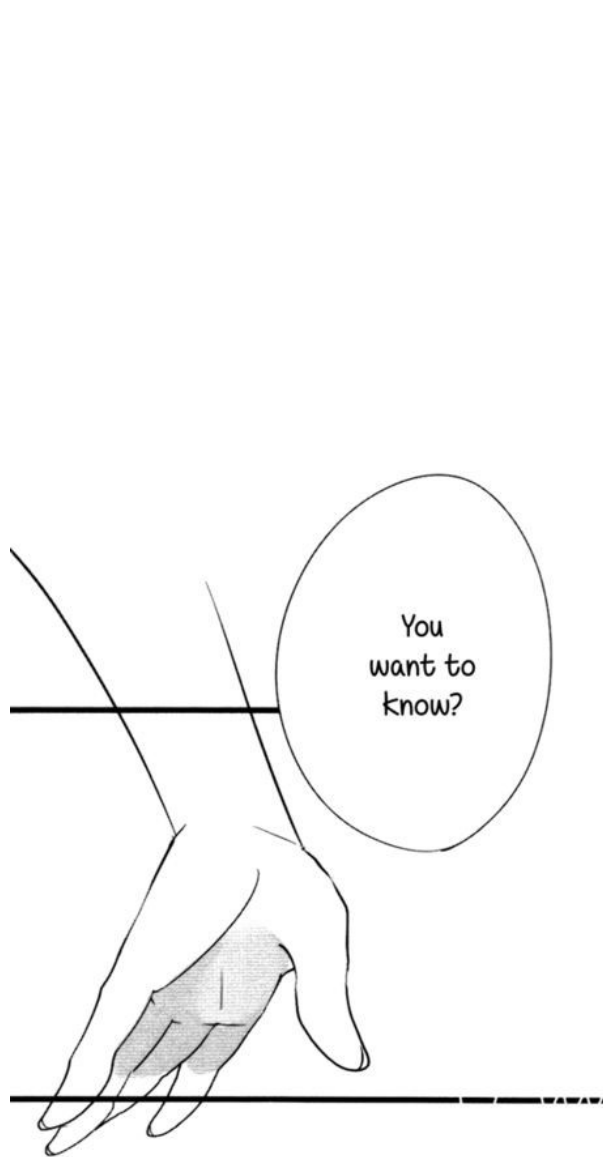

There's  
nothing to  
be ashamed  
of. We are  
both girls.

はっ

Here,  
maybe you'd  
feel better if  
I undressed  
too?

and press them against each other.

And then they touch different places...

Shlick

and lick them...

Ah

Eh

They can use toys and be connected.

We'd each know the other's sensitive points.

So we can go nice and slow and enjoy ourselves.

There's no need to rush.

We can take our time until we know each other well.

KISS

Pat

POUT~~

We have plenty of time.

Don't worry.

Drool

So you can  
be as obsessed  
with me as I am  
hopelessly in love  
with you.

First  
of all...

You'll need  
to work  
really hard,  
Misa-chan.

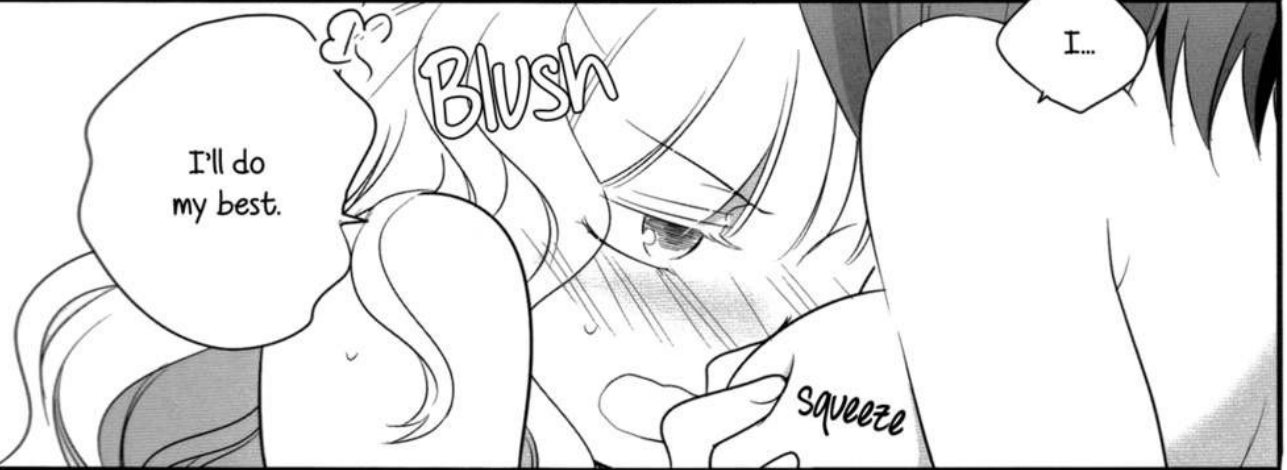

I'll do  
my best.

HAPPY END

↑ A rejected cover design.

By the way, Akane-san is a lingerie designer, and was looking for people to try out her products, but that was purely fiction. I guess there actually are people recruiting for product trials for lingerie, over the internet or in woman's magazines. Why is lingerie so colorful and frilly and cute...?

I'm sorry I couldn't represent that allure properly in doujinshi. I want to draw more lace and frills, but it's such a pain in the-

I love it when girls have at least some underwear or clothes on, or when it's stuck on a body part somewhere - much better than being naked!

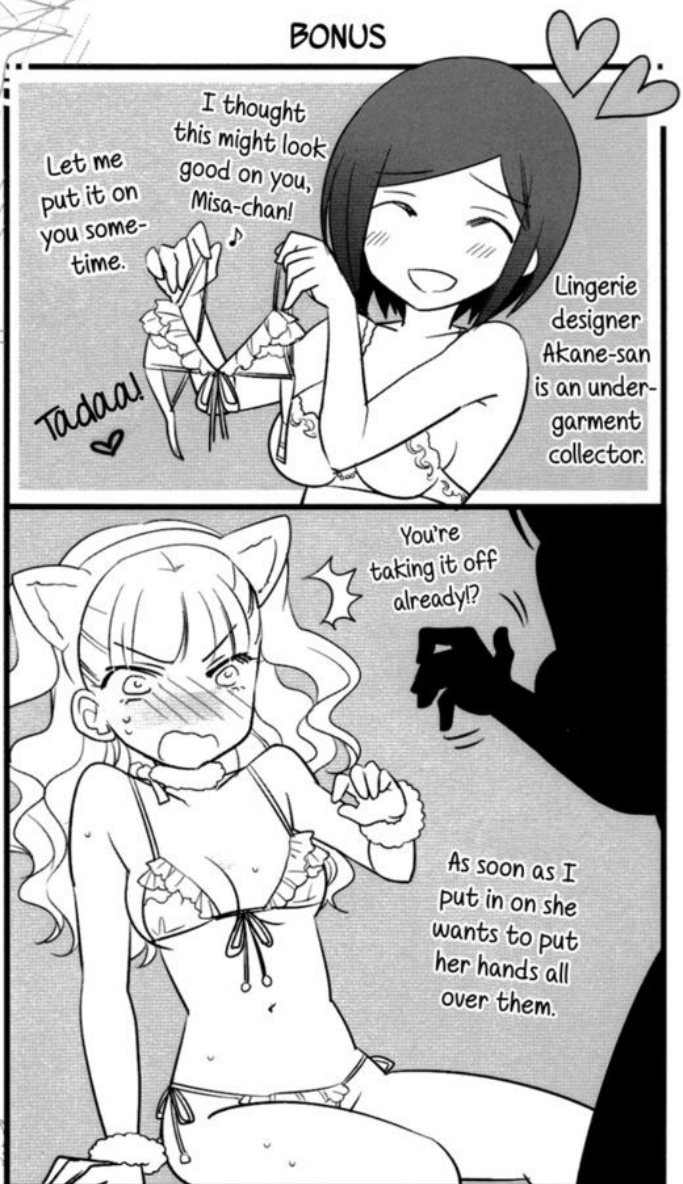

This is something of a sequel for the doujin I released for summer Comiket of 2011, "Touch Me". The last one felt short, so I wanted to draw more.

I wanted to draw a story where a mature older woman taught a high school girl about many different things, and this is how it turned out. I tried to provide an erotic atmosphere with it riding the borderline between an adult-oriented doujin. I'd like to leave the hardcore yuri sex doujins to others, and continue to draw the same type of borderline-works in the future. To me personally, when sex is involved, it becomes 'lez' and not 'yuri'.

I still have much to improve on, but I'll work hard so that I can meet all of my yuri loving fans who cheer me on in my next work.

BONUS

Let me put it on you some-time.

Tadaa!

I thought this might look good on you, Misa-chan!

Lingerie designer Akane-san is an undergarment collector.

You're taking it off already!?

As soon as I put in on she wants to put her hands all over them.

I need to massage your breasts today to make them bigger!
