4 DAYS

 NIGHTS IS
 A SHORT
 TIME,

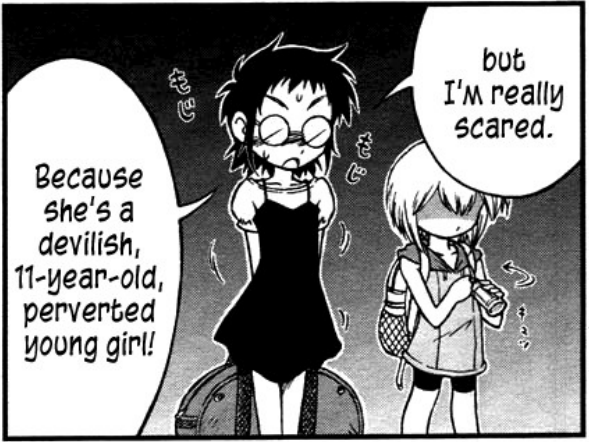

I would like to introduce my friend, Jun...

...Hello, I'm Yamada...

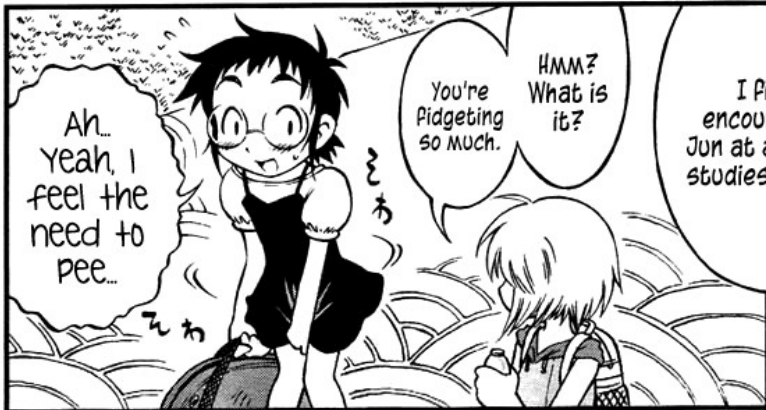

I cannot tell you her real name...

'Jun' is derived from the initials of her name, J. N.

Because she's a devilish, 11-year-old, perverted young girl!

but I'm really scared.

Ah... Yeah, I feel the need to pee...

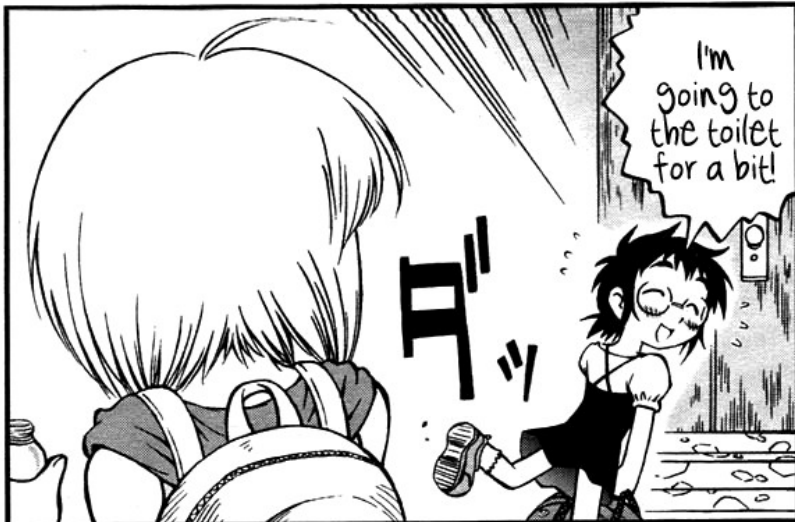

You're Pidgeting so much.

HMM? What is it?

I first encountered Jun at a nature studies camp...

But I will be brave and share one episode with all of you.

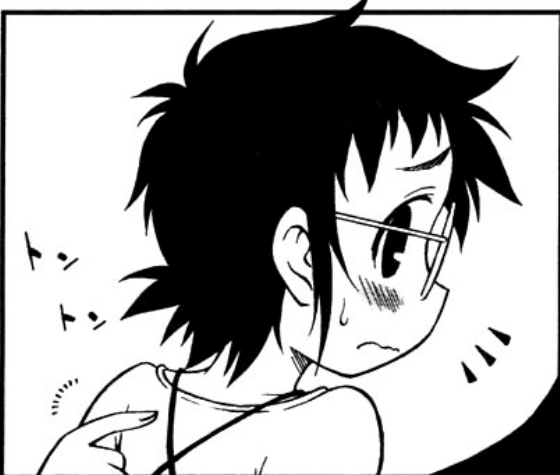

Jun's actions deviate so much from normal behavior that even I fear that I would not be able to retain my sanity if I were to learn all about them...

I'm going to the toilet for a bit!

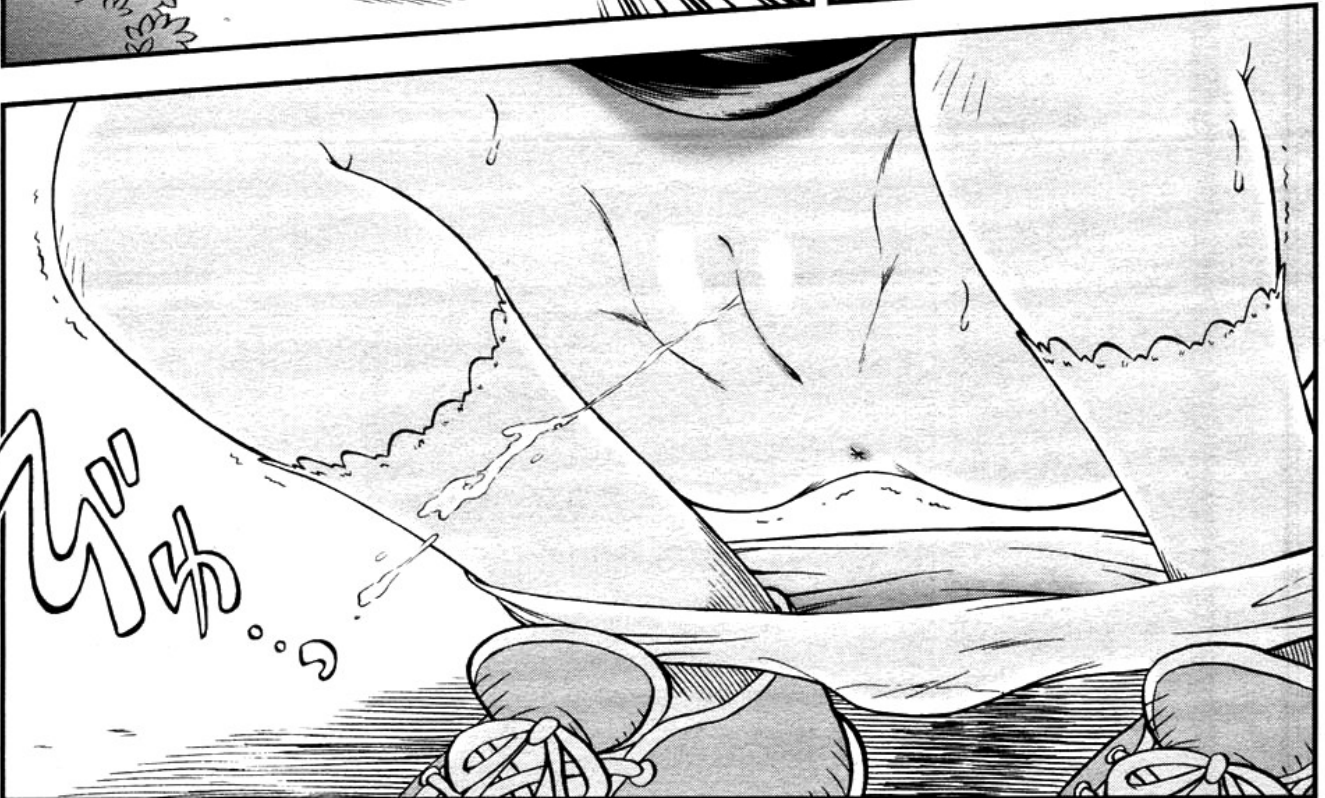

CLENCH

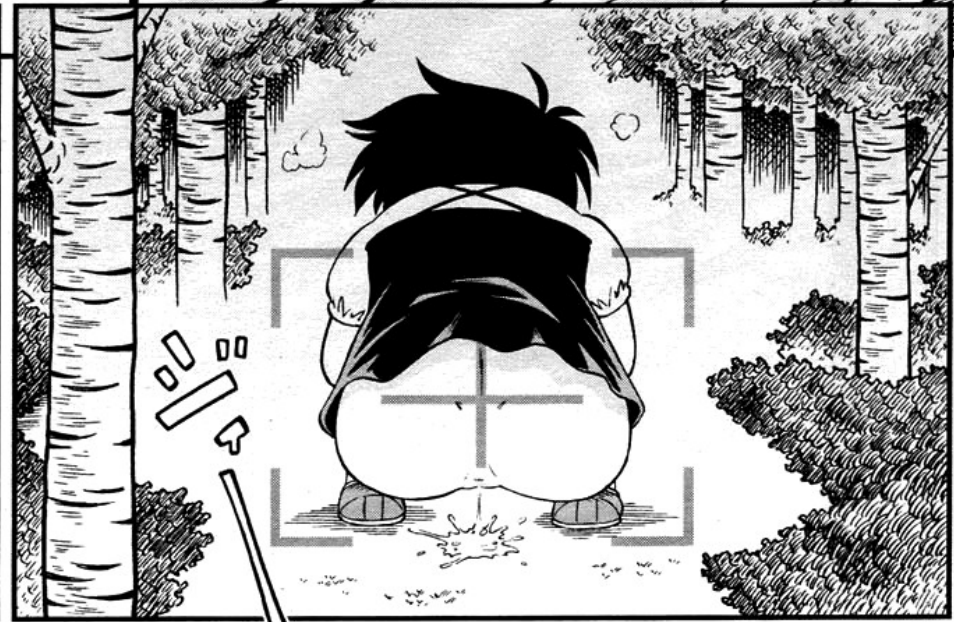

For now

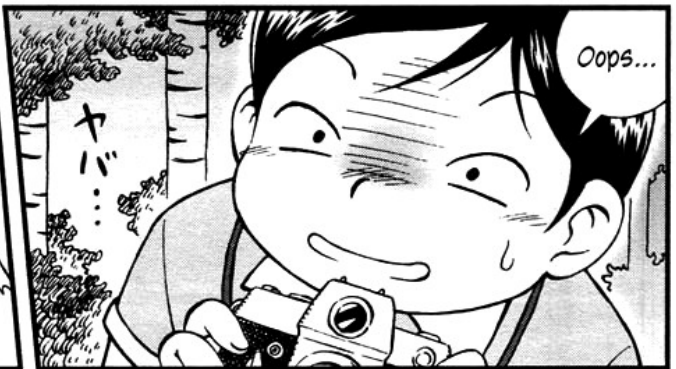

Hey!

What are you doing!?

!?

Oops...

SHUT UP AND HAND IT OVER, YOU PERVERT!

And there's more than half the roll left...

But all the shots that I took previously will be spoiled.

DON'T PLAY DUMB!

I was just taking some photos of birds...

HAND OVER THAT FILM RIGHT NOW!

I mean, what if these photos made their way onto the Internet?

!?

If you really want it, I could give it to you...

Well...

Oh? I thought I was being pretty nice already.

There's no way I could pay such a sum!

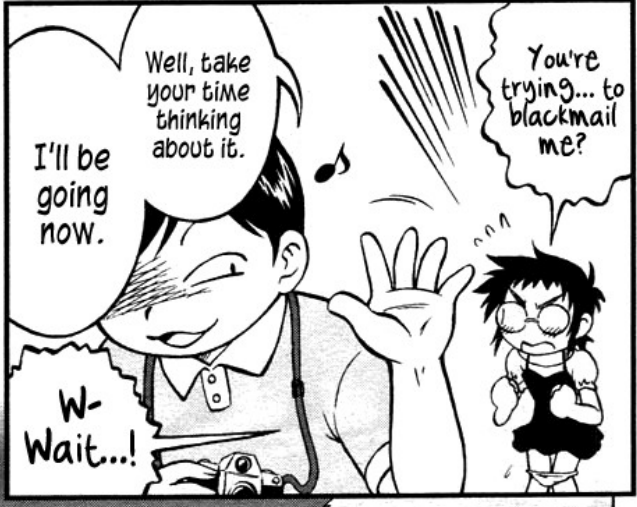

20...

For 20000 yen.

Ah

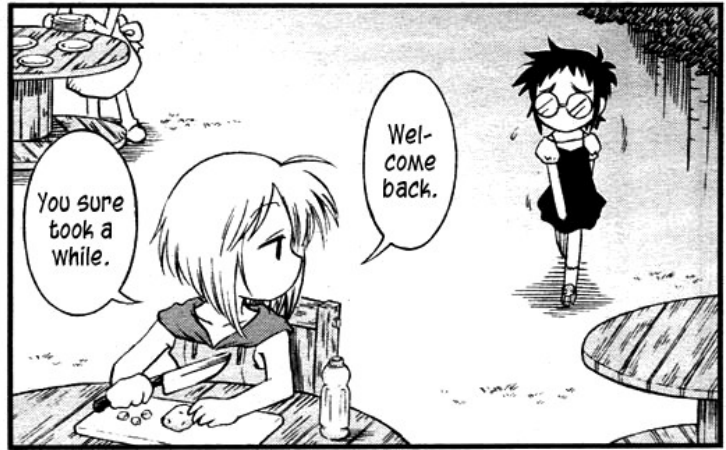

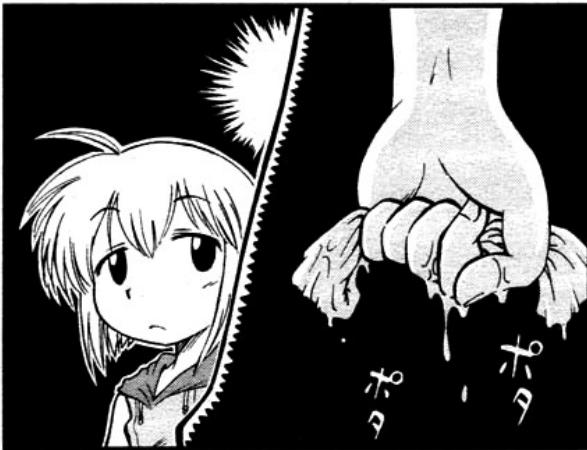

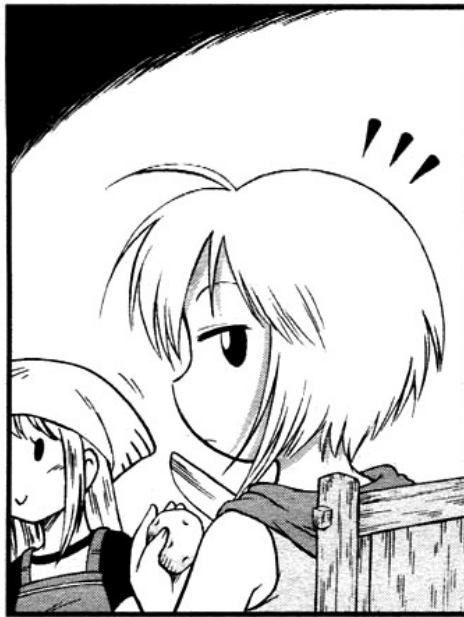

Well, take your time thinking about it. I'll be going now.

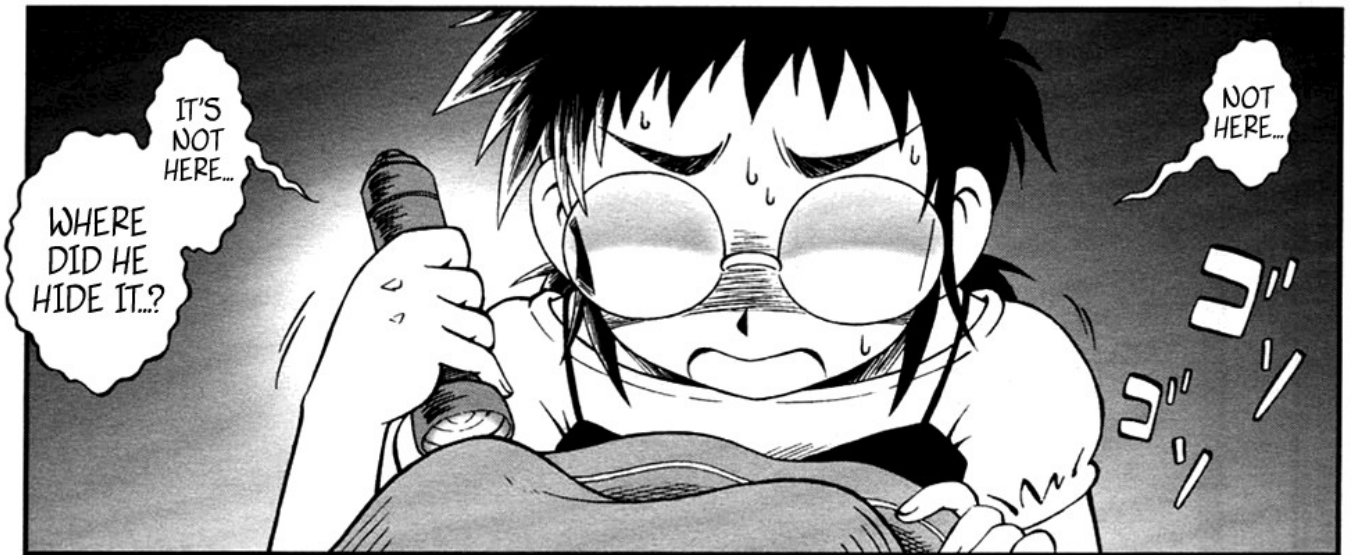

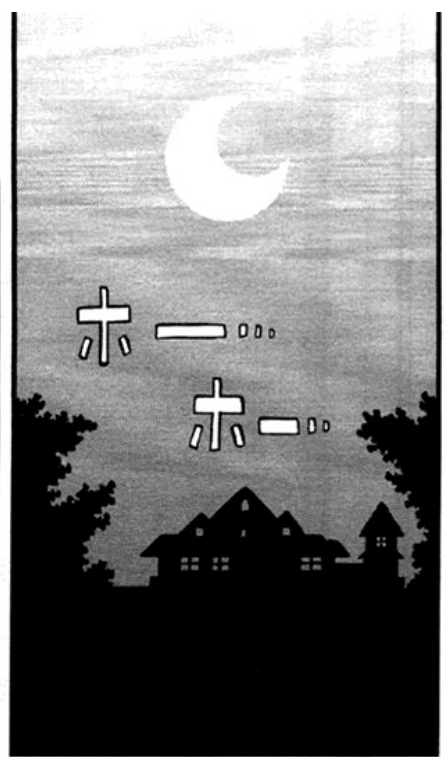

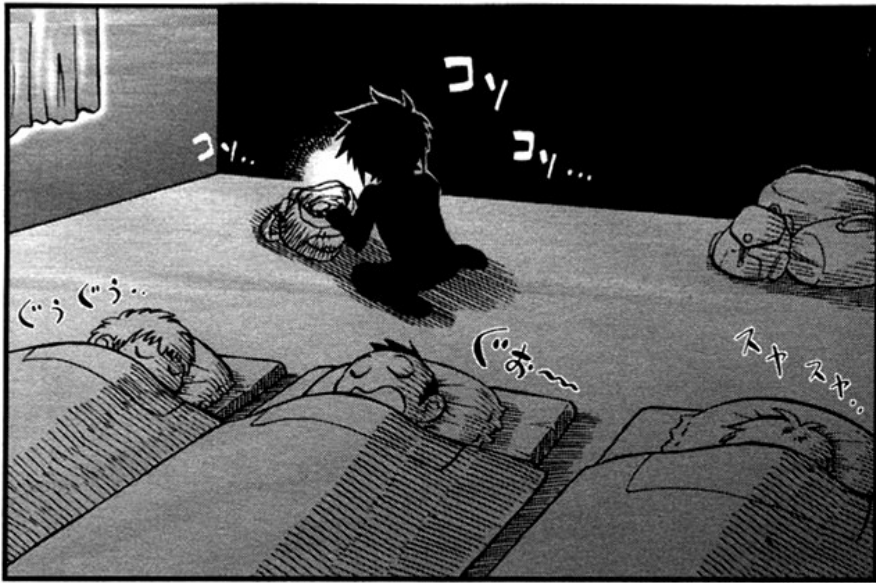

W- Wait...!

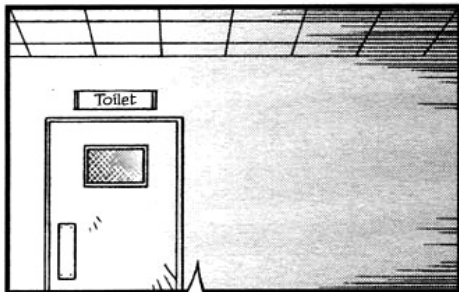

You're trying... to blackmail me?

Come on,
hurry up
and pee.

THIS TIME, I'M GOING TO FILM A VIDEO OF HER THAT EVEN INCLUDES HER FACE.

WITH THIS VIDEO, I'LL MAKE YOU MY SLAVE FOR LIFE...

I'm getting impatient. Isn't it coming out yet?

How can I pee when you're watching me from such a close range...

Eh? No way... It's coming out... Uugh...

たよるっ..

HAVING TO LISTEN TO THIS SCUM AND DO THIS IN FRONT OF HIM... I WISH I COULD DIE...

THIS IS SO VEXING... SUCH HUMILIATION...

And if you spread your labia using your fingers, your pee will make a nice arc and won't splatter or dribble down your leg.

HMM, you should straighten up a little and thrust your hips out.

AHH... SOMEONE, SAVE ME...

YOU WERE WATCHING ALL THIS WHILE!?

Since you two entered the toilet.

H-HOW long have you been here?

AH!?

Gya ah!

I... I can't stop peeing...

THE BEST POSSIBLE SHOT!!

Give her the camera film and get lost... The hidden camera's data too.

Anyway,

I heard everything.

No, I was really merciful. I didn't break your foot.

Ah!

Eww~ He's soaked in pee...

Let's see, where's the film...

If such embarrassing footage of me were to be leaked, I couldn't bear to continue living.

I can't believe that he even had a hidden camera!

I was fighting to protect my own dignity.

But he was not a proper pervert.

I see...

"PROPER PERVERT", YOU SAY...

If he was a true pee-loving pervert, I wouldn't have intervened.

Apart from from having lost all memories of what had happened that day and developing a phobia of the sound of running water...

According to what I heard later, he had no severe injuries, so he was fine...

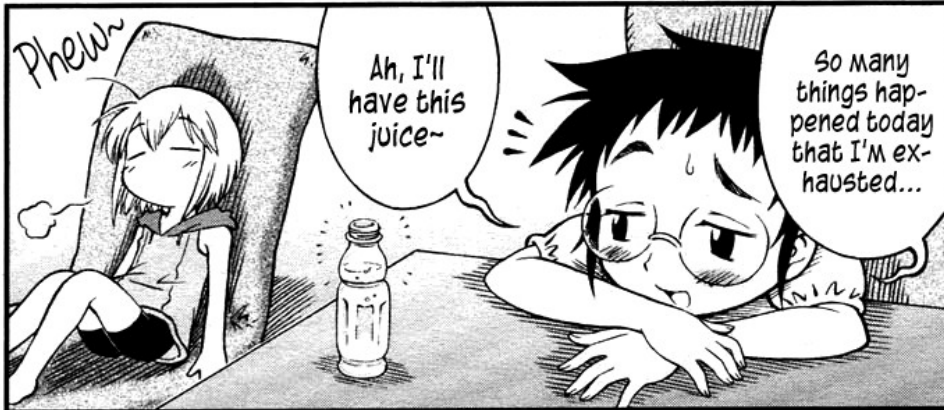

Nghh... A water... dragon... attacked me...

ARE YOU OKAY!?

He was later found, still collapsed in the toilet. An ambulance was called and there was a commotion, but as the floor had been wet, it was concluded that he had slipped, fallen, and passed out.

Phew~

Ah, I'll have this juice~

So many things happened today that I'm exhausted...

Ah...

I'm Yamada.

Come to think of it, we don't even know each others' names yet.

I need...

She's a girl who does things that are hard for a normal person to understand...

but she's still my dear friend!

I FORGOT TO DISPOSE OF IT...

That's my pee...
