I'M HOME!

THE TIMES WHEN THEY COME TO THE HUMAN WORLD MAY SEEM LIKE A SHORT TEASE...

THE RESIDENTS OF THAT WORLD ARE VERY SIMILAR TO HUMANS,

THIS WORLD, SEPARATE FROM OURS, LOCATED SOMEWHERE UNKNOWN IS CALLED THE 'ELF WORLD.'

AND BOTH SEXES HAVE LONG EARS AND ARE FURNISHED WITH UNBELIEVABLY BEAUTIFUL FACES.

AND ONE OF THOSE ELF WORLD RESIDENTS

MYSTERYMEAT3 TRANSLATIONS

-NO COMMISSIONS-

-NO DONATIONS-

-JUST FAP-

Holy shit, was that a pain in the ass. I can't believe I spent...ah, fuck it. I can't be angry at Lala. Just look at that face. It thaws my cold, cold heart. And sends blood to my hard, hard dick. Anyway, it was Yuunagi's elf stuff; what else's there to say? It was full color, and the setting was the best one yet (though I still like Lulu better as a character), I think. Couldn't have done a better job with this.

Translation. I know I had some notes, but I can't think of them right now... that funny line about wringing out the first shot of animal-mating fuck juice was actually pretty literal, so yeah. I don't think there was anything major. The only other thing I can think of was when I said Lala's ass "fawned" on Jirou's dick. That was the only way I could get it to make sense in English and keep the same tone. The word means "to get in good favors with, to fawn, to cajole, to flatter", etc. It was a fine translation, okay? Shut up.

The editing was a terrible experience, and I never want to do it again. The text bubbles were even transparent. Absolutely horrifying. Sorry if I ruined some of the art, but I didn't see any huge misses. That's all I'm gonna say on that. Too many traumatic memories.

As for my next translation, it's gonna be something short, simple, and in fucking black and white. Maybe the Chinzuriina one from Otokonoko Heaven 11, who knows? Whatever it is, it's going to be a few days. Until next time.

HAPPY FAPPING!
