KOMACHI?

I have no idea what Rie is thinking.

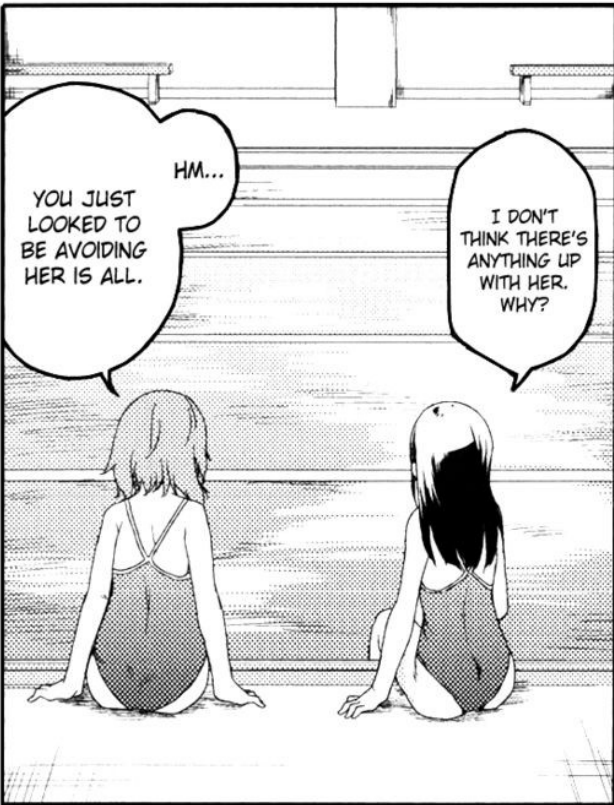

Why does she always ask me that?

And what's normal anyways?

Wah! Shock  
NO, I'M FINE.

WHAT'S UP?  
SPACING OUT?  
FEELING SICK?

YOU JUST LOOKED TO BE AVOIDING HER IS ALL.

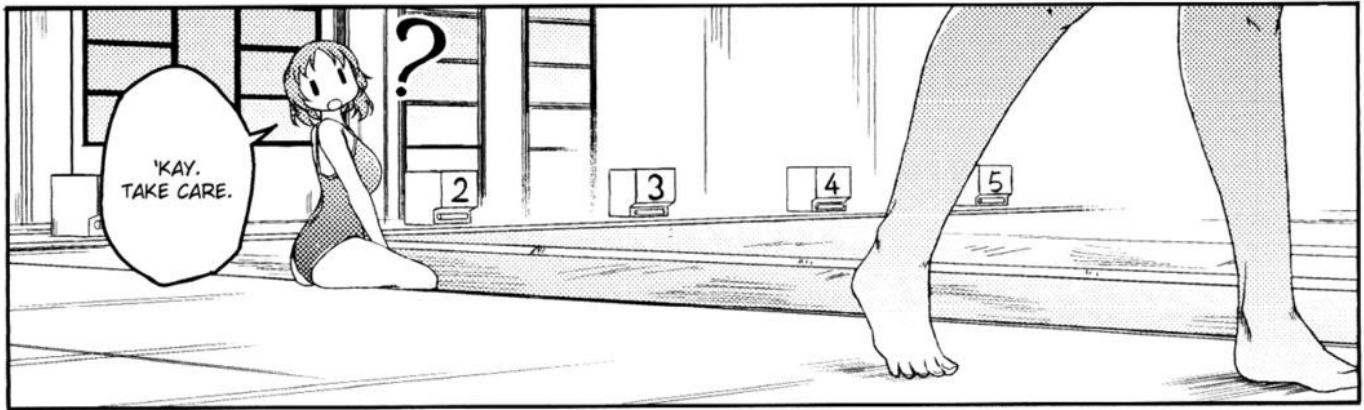

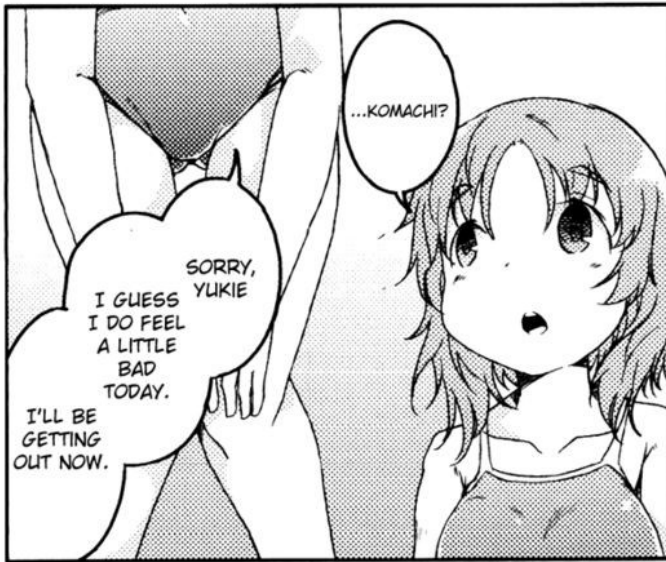

HM...

I DON'T THINK THERE'S ANYTHING UP WITH HER. WHY?

EH?

SAY... ANYTHING UP WITH RIE?

SOMEONE'S  
INSIDE?

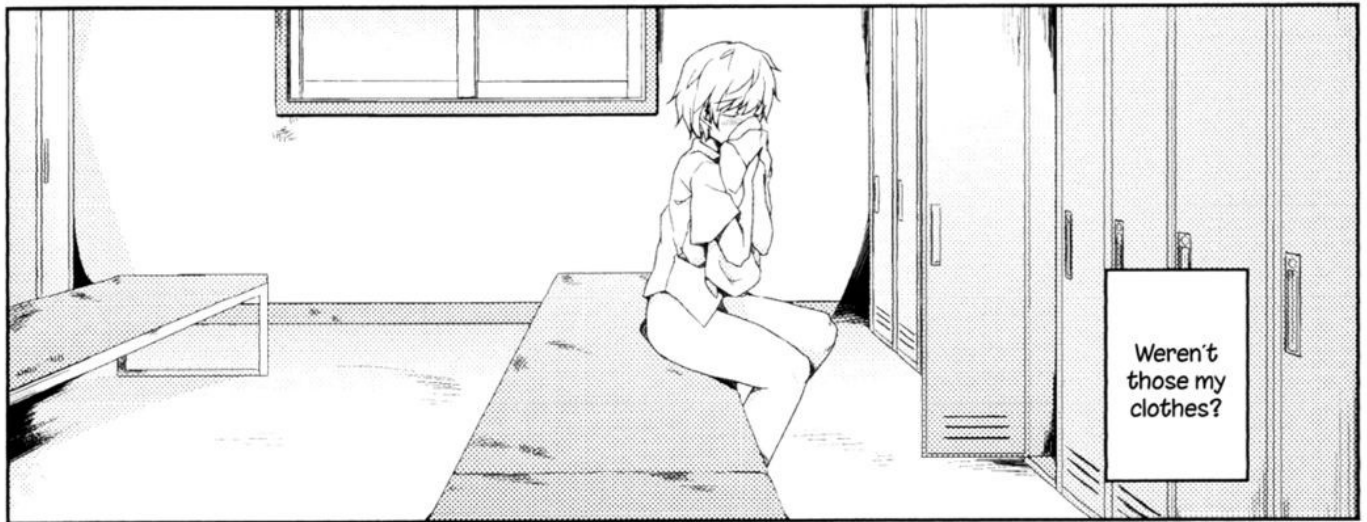

**Rie!?**

What's going on?

Eh?

"Don't you agree Komachi?"

And knows I don't swing that way.

Perhaps...

While she considers her own love abnormal...

Somehow she couldn't give up on it and tried to find out my feelings.

Is that why she keeps on saying it?
