And just like that I was dragged into the tentacles' lair.

They violated my most embarrassing places over and over again.

Stop it... already...

big won't

My insides
were churned
up by those
thick things.

I lost con-
sciousness
countless
times, and was
awaken by my
insides being
pounded.

It's still going at it...

How many days has it been now...

I'm hungry nyah...

...You're giving it to me?

The tentacles brought me food two times a day.

At all other times, both day and night, they teased and played with my entire body...

Every single day the tentacles poured their slimy stuff inside me without rest.

There's slimy stuff both inside me and all over me, but it's become completely natural to me.

...I wonder how many weeks have passed since then...

ご意見・ご感想・ガバ残リ2話等
お待ちしております。

トドエス(3) 三三三 BLADEでございます。お前の次のセリフは「アーマーねえじゃん！」だ！
いいんだよそろいものいっぱい描けたから！このまま醜く老いさらばえるよりも
一時でも若返った充実感をもって好きなものだけ描きたい！容赦せんよ！
そんなわけでひさびさのオリジナル如何でしたでしょうか。今期も穴さんとガ
カチューシャちゃん（127cm）とガモルモルとガワゴンさんとガシュトロハイムとガ
ときめくキャラがいっぱいいいけど、なんというがこの急性机病には勝てなかったよ…
アニメ塗りのべたっとした肌色とガ触手分とガは堪能したので
今度はもうちょっとこうえろすファンタジーのベタなお話をちゃんと描きたいやゆ（`ω´）

そんなカンジで今年もママ的なものも発現せず無事コミケでシメられてありがたいことござす。

2013年もますますがんばりたいとおもいますので
よろしければ来年もなにとぞなにとぞ4649お願いします！
