AFTERTHOUGHTS

Did you like the third volume of Chii-chan's Development Diary? This time Chii-chan was raped by her middle-aged teachers. One of them even took her anal virginity. I'm not happy with how this turned out. I always give my best, but sometimes the story might be difficult to understand.

Thanks to Ojii-san, Chii-chan's turned into a big pervert. She tries to deny it but we all know she loves having sex.

I had to draw this really quickly to finish it; I'm sorry if it looks bad. It was all because I ended up falling behind! Besides, I spent too much time drawing backgrounds... which caused a lot of problems for Shadow-san. I'm sorry!

I DID THE SECOND HALF PROPERLY!

The next volume will conclude this story. I'll probably draw an extra chapter too. Please, look forward to it!

Maybe I'll even draw Chii-chan in different stories? Of course, they'll also feature rape and violence!

IT WAS SUPPOSED TO BE DONE IN MAY, SORRY!

Lastly, I'd like to thank everyone for the support, ideas, and illustrations! Check out our website and twitter for more information!

MUCHA

REALLY.

HOW LONG DOES HE PLAN TO SLACK OFF?

SHADOW-SAN'S SPACE!

I've got too much free time!

Huh... Still no manuscript...
