

恋闇ガリナカラス

GLADIOLUS

KOI YAMI
R-18

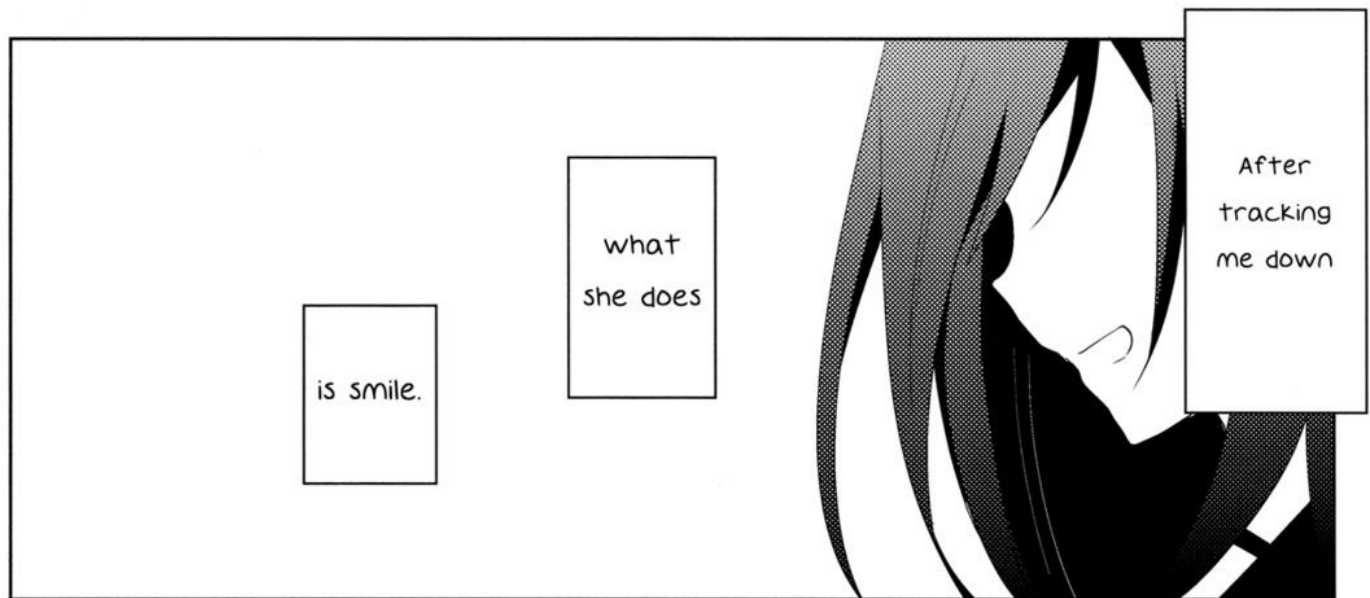

Are you
secluding
yourself up
here this
time?

what a
strange
girl.

I guess
she's our
class
representative.
Though I
don't go to
class, so I'm
not sure.

but I missed
my chance
to say it.

That's
what I
thought
of her...

she confiscated it.

You'll
get
fat.

As for the
bread I
bought...

Despite telling me
that I'd get fat,
the number of
sides she made
kept increasing.

she would
come back
with a
homemade
lunch.

But after
taking my
food away
from me...

I tried
switching
my hiding
places.

so I
decided
to play a
prank
on her.

she's doing
things
horribly
out of
order.

are you
in love
with me,
Tanihara-
san?

By any
chance...

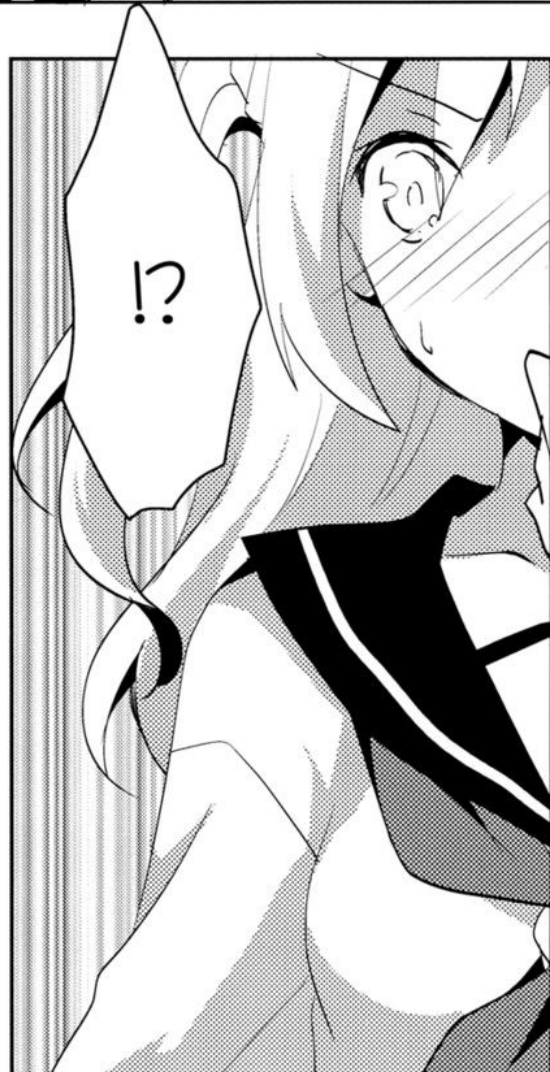

and looked
slightly
annoyed
as she
stared
at me.

she
responded
noncha-
lantly,

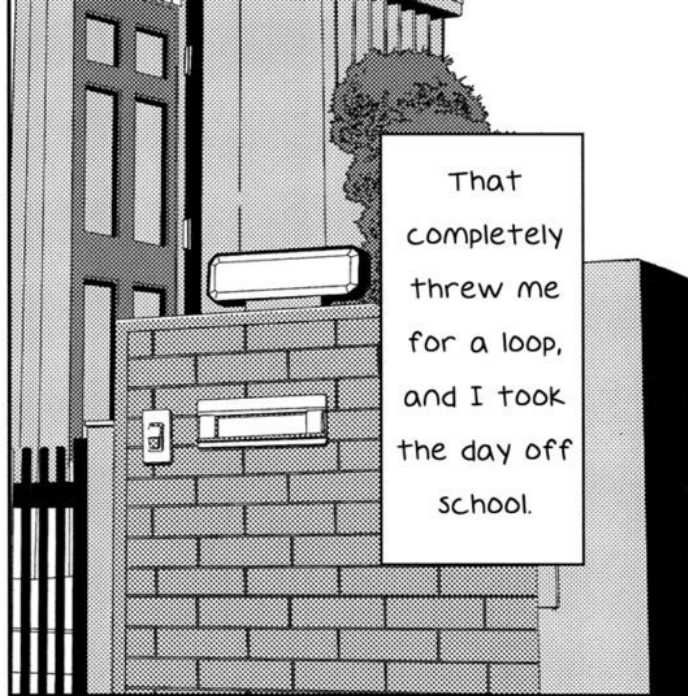

That's
right.

But for
some
reason...

That
completely
threw me
for a loop,
and I took
the day off
school.

Your
mother
was kind
enough
to let
me in.

here
she is.

Shut up.

what do
you know
about me?

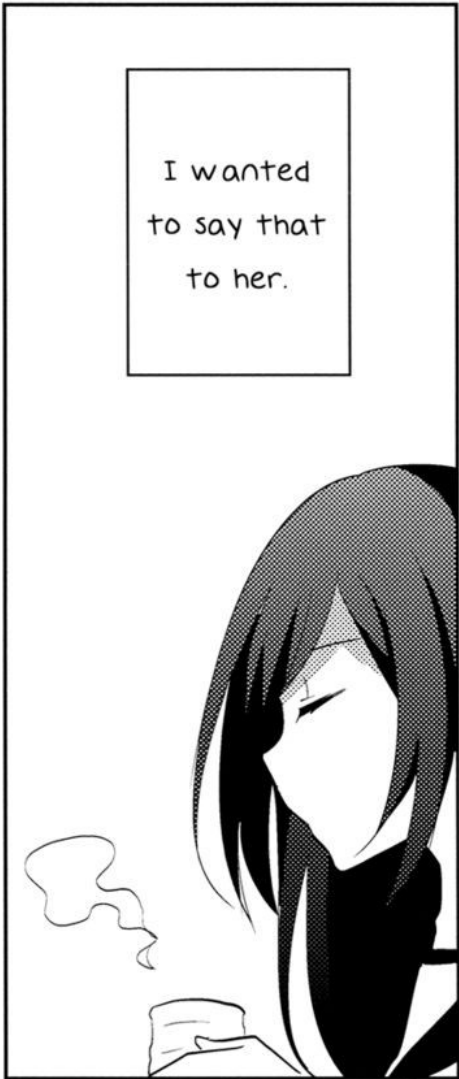

You don't
want anyone
to worry,
huh?

I thought
you'd still come
to school even
if you'd be
skipping class
since you didn't
want to be
at home.

and I was
embarrassed
to speak out.

But it
felt like
a clichéd
line...

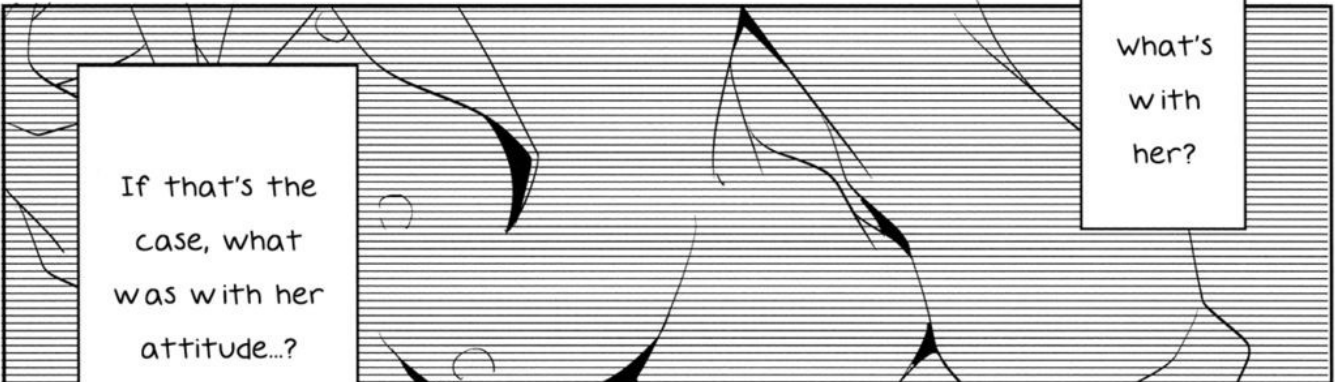

It's exactly
what you
think it
means.

what was
that kiss
about?

If that's the
case, what
was with her
attitude...?

what's
with
her?

I didn't think
a mere kiss
would surprise
you that much,
Tachibana-san.

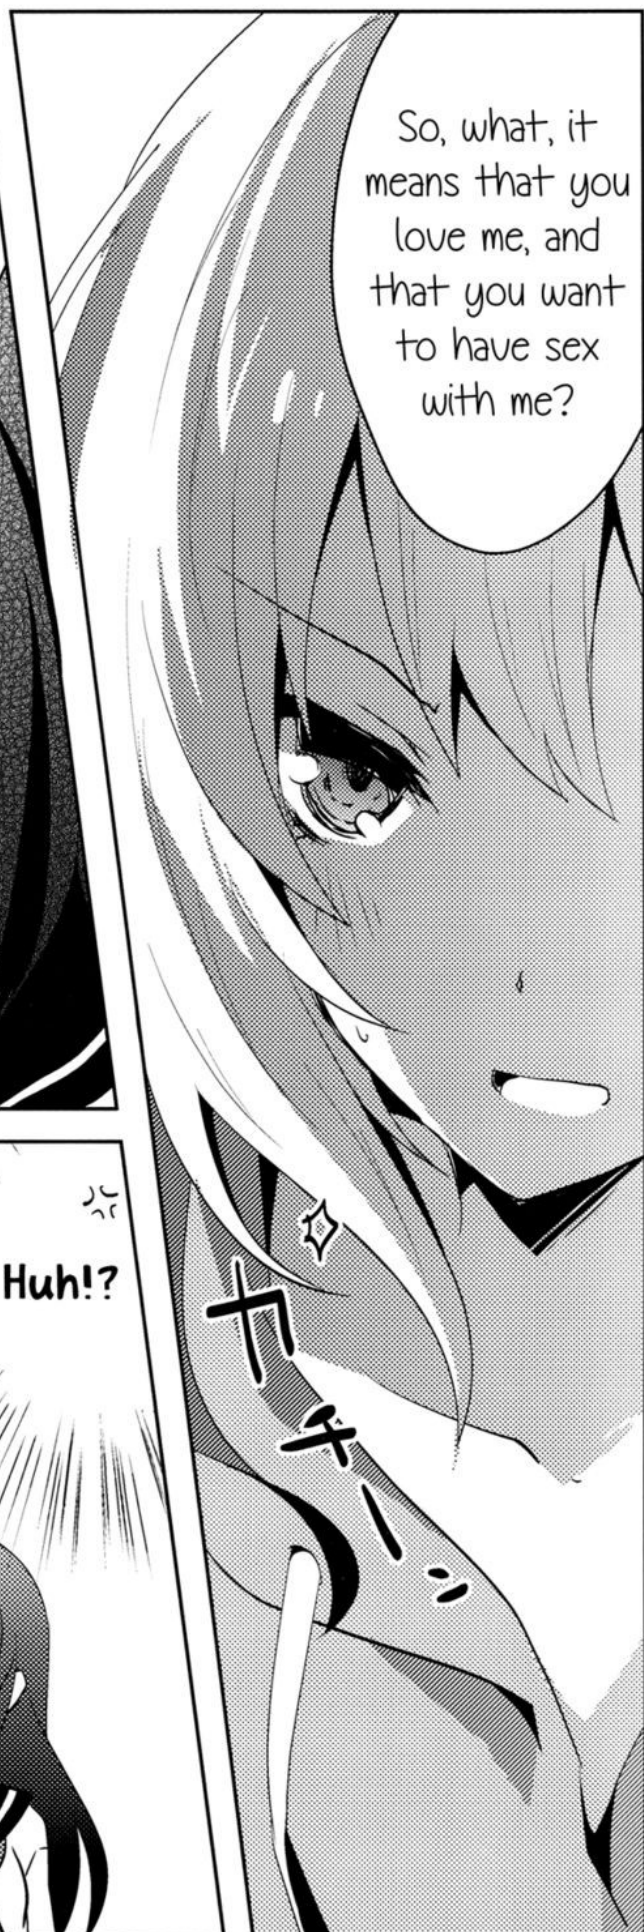

This is quite
unexpected,
though.

Well...

yes, you
could say
that.

So, what, it
means that you
love me, and
that you want
to have sex
with me?

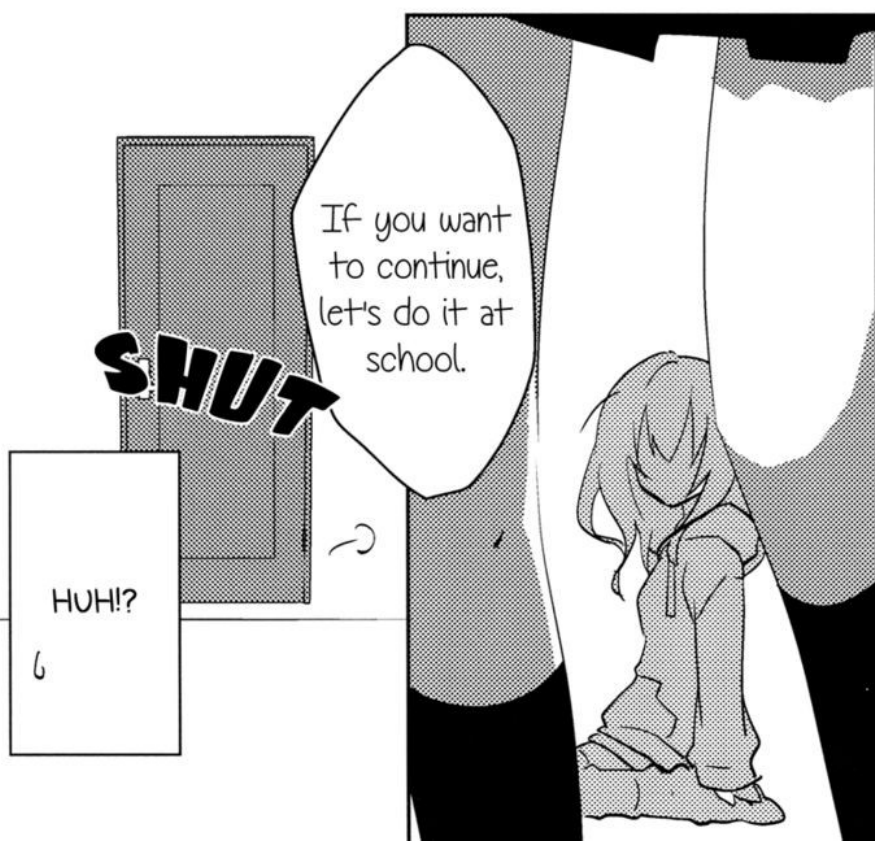

Yeah
right!

Are
you an
idiot?

We can
wait if
you're
scared.

Huh!?

Wait,
aren't I
the idiot
here!?

Hehehe!

Is that
Tachibana-
san?

Why has
she been
out of
school?

she won't be able
to get her hands
on me if I go to
class. (But it did
take me five hours
to get here.)

It's the
first time
I've seen
her.

I'll share
my text-
books
with
Tachibana-
san.

shocked
!!!

... It does
still feel
uncomfortable
being in class,
though.

that the
adults
showed no
signs of
being con-
cerned.

I guess it
doesn't
come as a
surprise...

No way...!

The mating season of the bonobo...

Everyone is actually listening intently...

What's
she
doing...?

Are you
serious!?

Tou...

Tou...

Let's go
to the
infirmary.

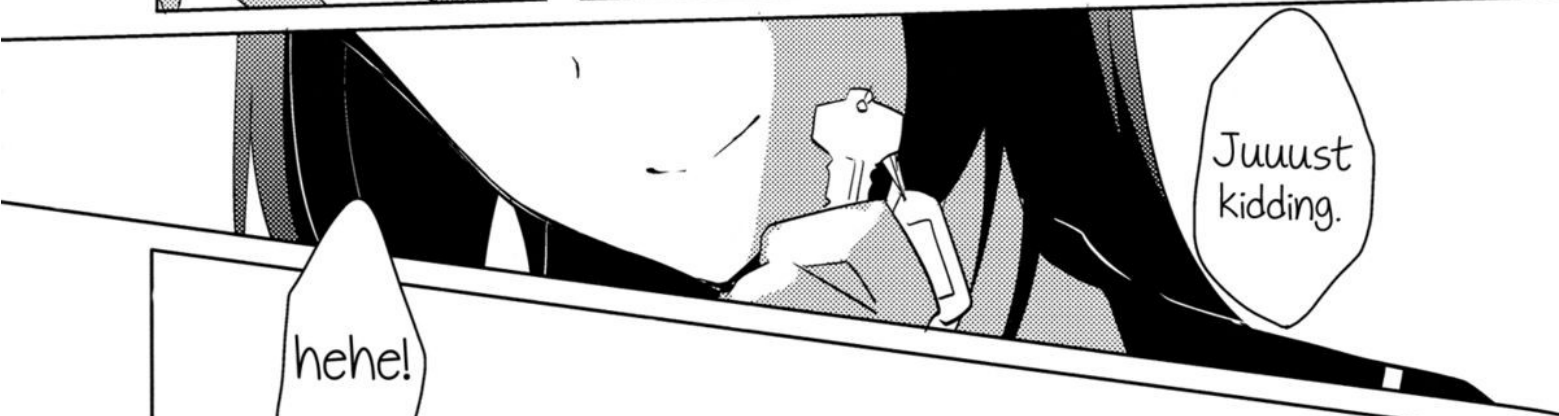

Don't push
yourself!
Is she all
right?

collapse

You
must
not be
used to
this yet.

You
okay?

hehe!

Just
kidding.

What?
Can't wait
any longer?

Nobody will
bother us
here.

Ahh,
jeez,
shut up!

this
place
is...

It's
because
this
place...

where we
first met.

I must be
making a
weird face
right now.

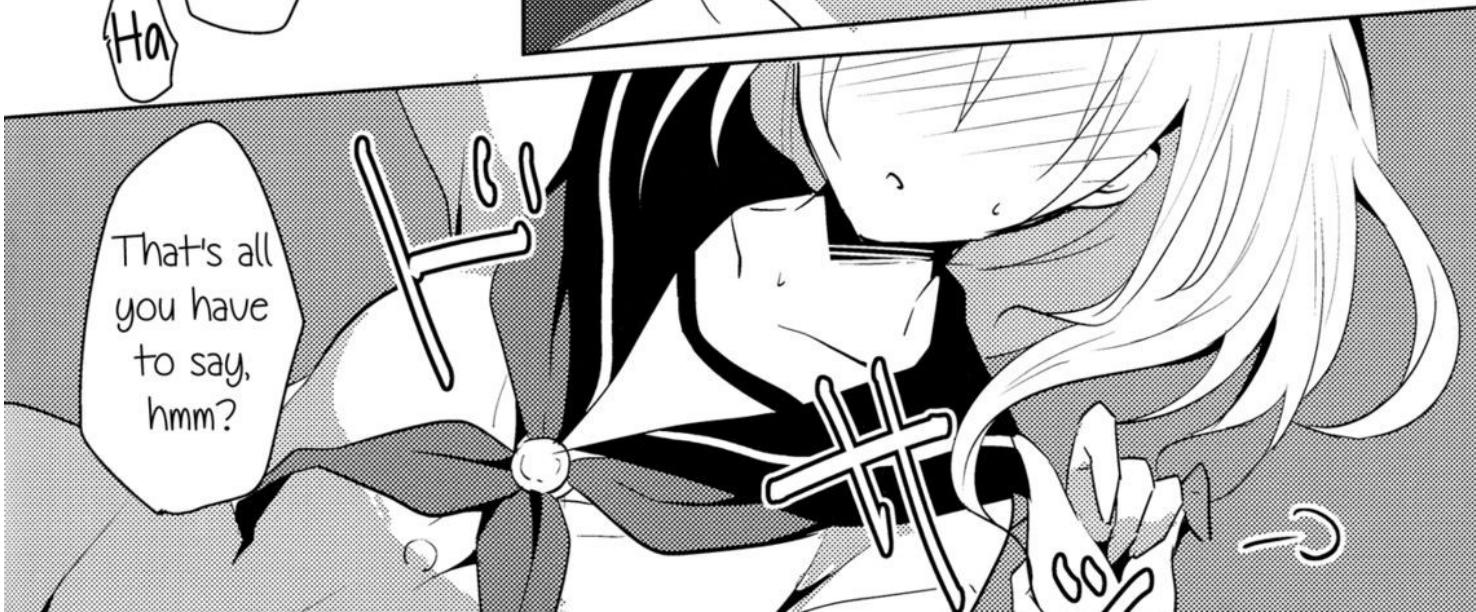

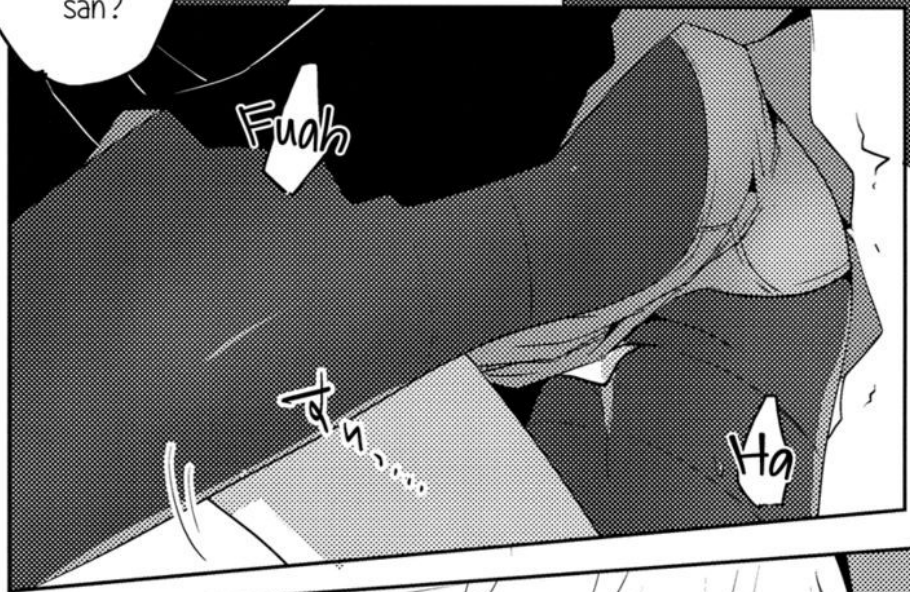

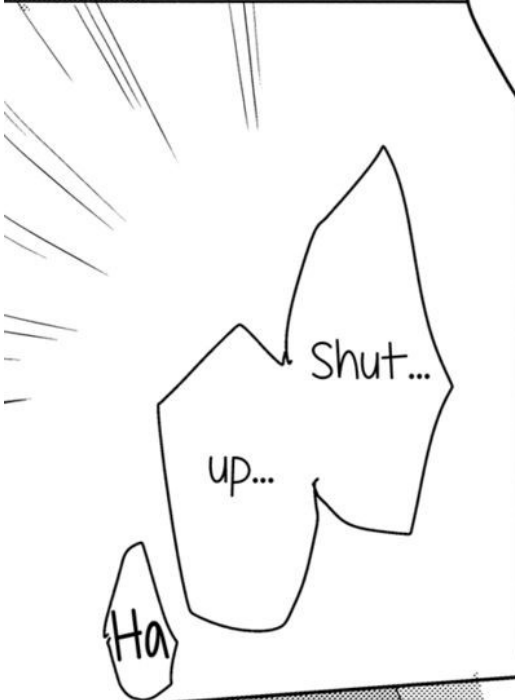

Uwaah

What's going through your mind right now, Tachibana-san?

That's all you have to say, hmm?

Or maybe you
truly don't
care?

Ah...

I always
thought...

Kisses
were
supposed
to be given
to you.

You're the one...

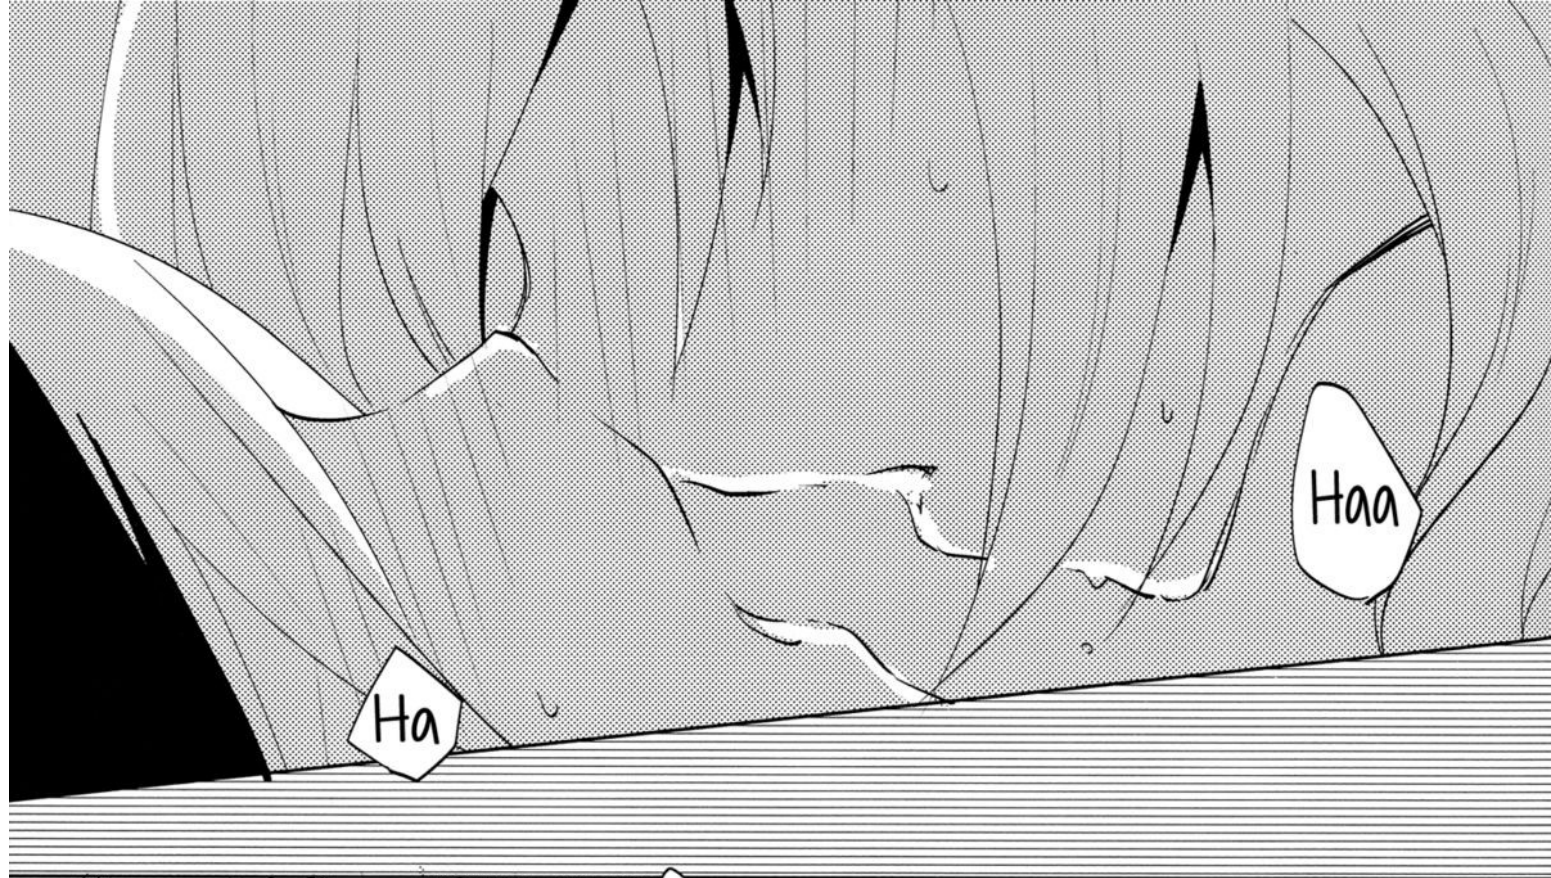

who isn't being
honest with
her feelings.

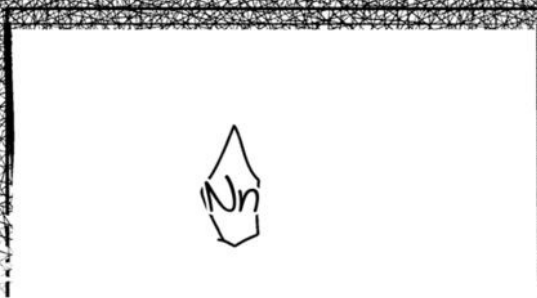

Let me
see you.

Come
on.

What
an odd
expression.

I was just thinking how bright it was out...

and that it's getting hard to see.
