~THE END~

Series! Tsubasa Ichinose, Tomo Moriumi, Sakuya Houmi are the characters in "SCHOOL BOYS!"

Hello everyone, it's me, Kiriya.
Thank you very much for picking up a copy of
"Tsubasa wo Kudasai".

Well, this work is about the love triangle that's
always been in "School Boys!" involving
Tsubasa Ichinose, Sakuya Houmi, and
Tomo Moriumi.

It took a lot of thinking and trial and error
to complete an erotic story that would feel
comfortable for these three.

It couldn't be something too absurd.
There wasn't any blurring of any of the characters.

It wasn't possible to put too much erotic
material in there because of being careful of the
things stated above ; ;
Sorry for the lack of it...

However, I think this now brings the number of
volumes to the double digits, and with a new
mindset, I want to work even harder now!!
Who will be the main characters next time?
Stay tuned to find out!!

WHAT IS SCHOOL BOYS?
