SFX: scratch

Anyhow,
it always
gets

Keep
trying
hard for
me,

'cause
you're the
hero who
protects
everyone!

Making a
suit isn't
free you
know!

Now,
now

SFX: back slap

第1話 哀の少年戦士

To threaten peace on Earth, this mysterious lifeform came from across deep space!

SFX: sneeze

This monster treats pubescent boys as its favorite prey.

With its disgusting tentacles, it keeps on raping the boys as much as it wants.

Moreover, conveniently it is said to have something like a chemical weapon. That time it already challenged the opponent with the strongest body.

Now it is surely trying to make this lone boy its next prey...

?!

What
the
fuck is
this!?

Somehow,
his semen
held our only
means to
defeat the
monsters.

The
messiah I
didn't
believe in,
did exist.

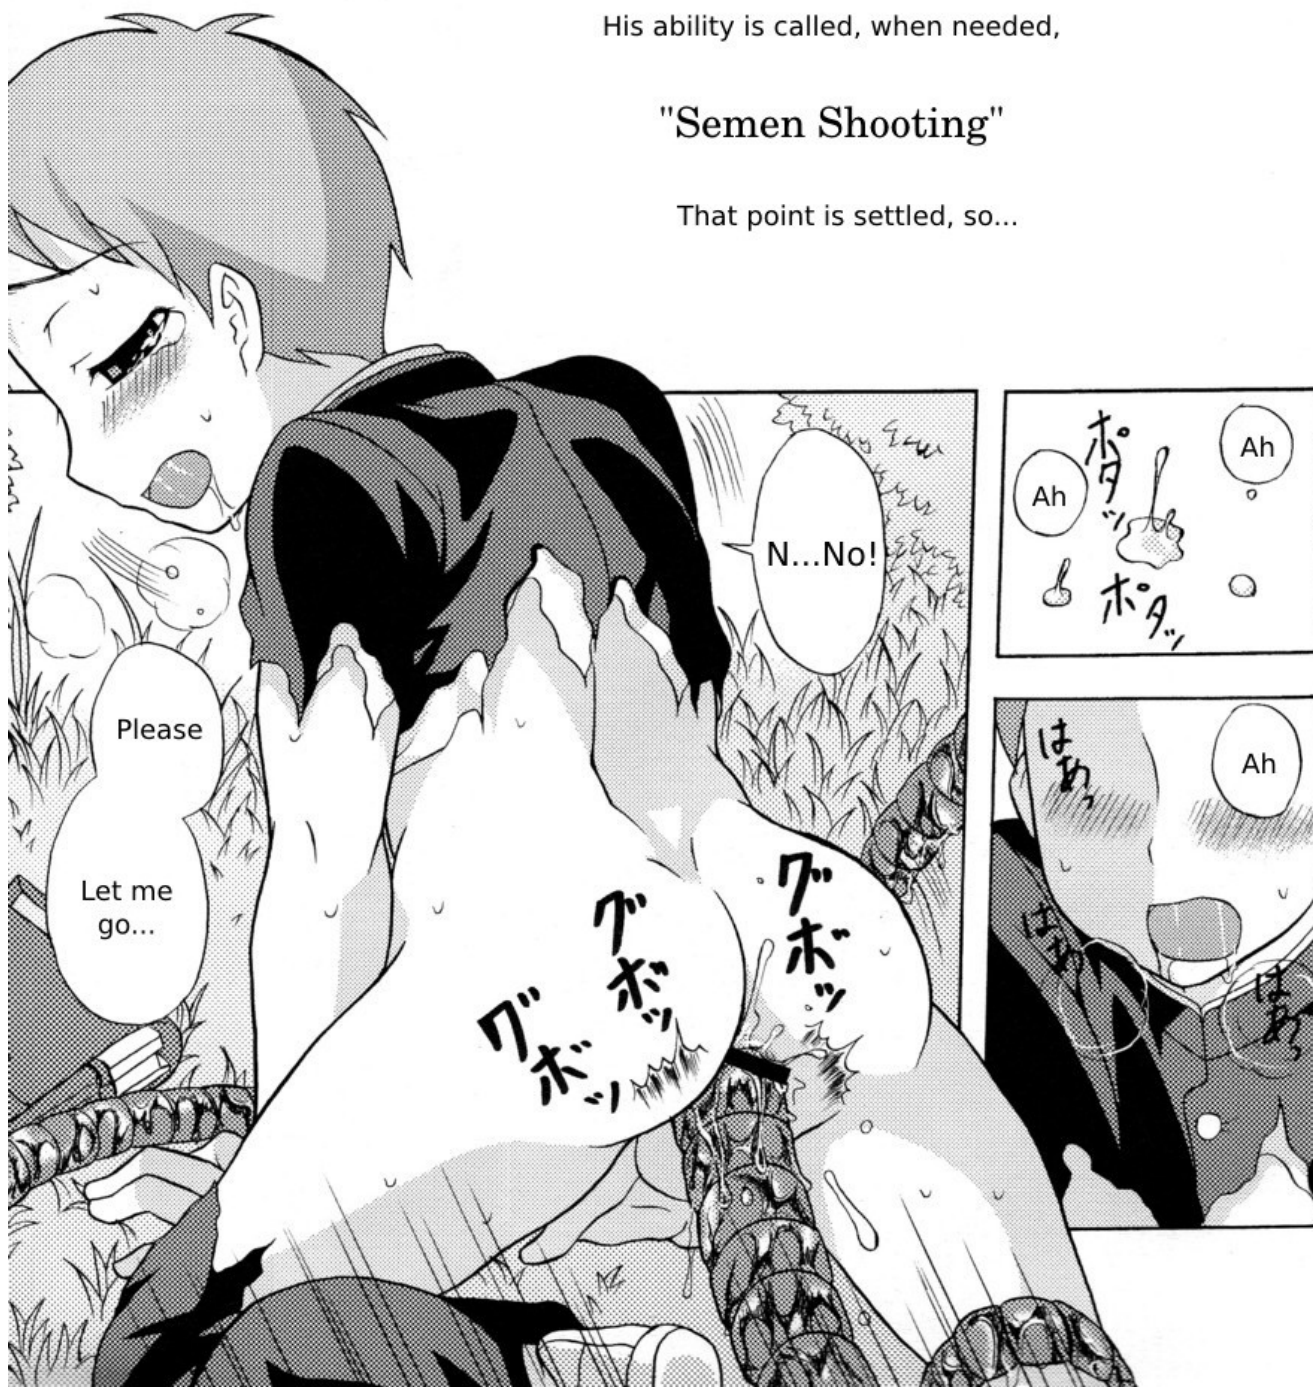

He became a
hero who
fights
everyday to
protect boys.

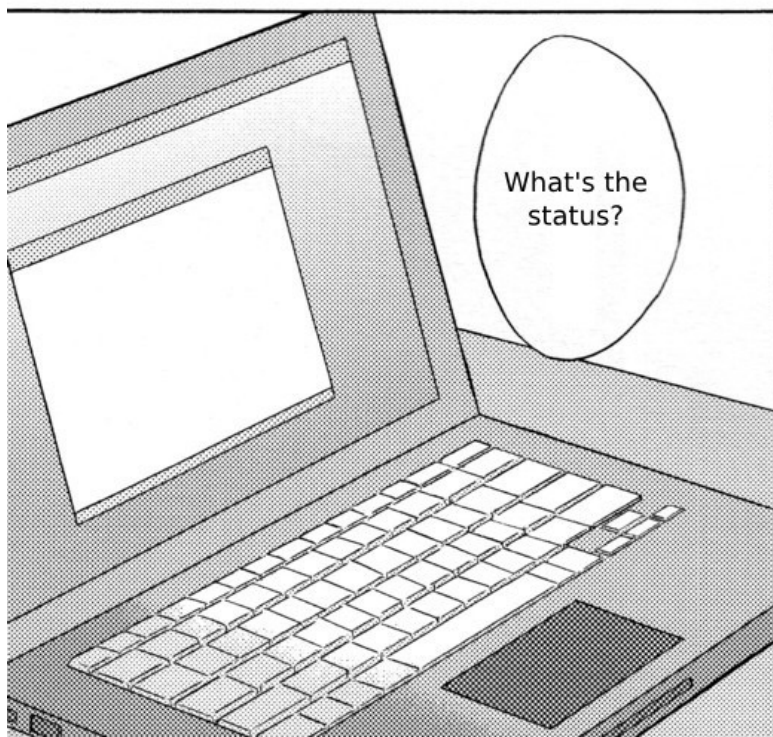

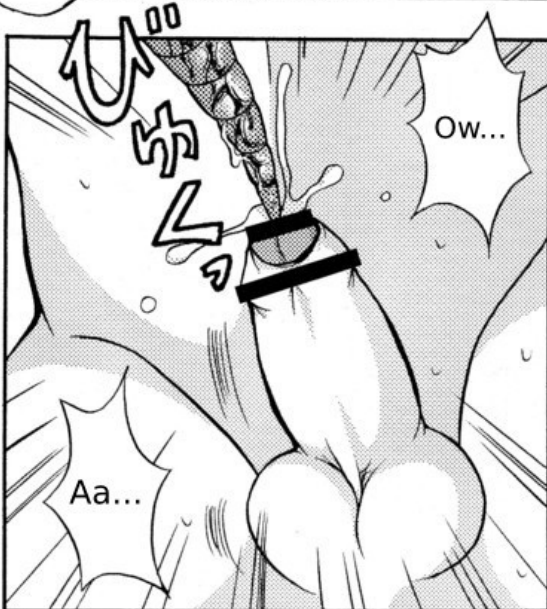

Afterward,
You-kun was
forced to join
the HTA. (Simply
put, it's like a
military that
defends Earth.)

His ability is called, when needed,

"Semen Shooting"

That point is settled, so...

Are fine
with most
boys'
"semen".

Those
monsters,

Which
prefer
"boys"

.....

The nature of
You-kun's
semen hasn't
become clear
yet from
investigation.

Yawn

Decreasing
my sleeping
hours will
shorten my
lifespan
y'know.

Even though
that area,
Ossan,
includes
numerous
men,

Extra-
vagant talk
isn't it.

Yawn

Don't
say such
brutal
things
so
much,
Kitahara

Your life
alone is
a small
price to
pay.

For the
sake of
peace,

That isn't
really the
problem,
huh...

SFX: siren

Even if it's me saying it, there are grieving parents out there, y'know.

It's a sortie...

WHAAT?

SFX: running away

He's probably getting fatigued.

Even if we're fine,

Niiyama has been on three sorties this week alone.

SFX: rattle

A"

This, this is now actual fighting with the new suit! I'm floating away♥

Hey, wait, Tsukamoto! It's your turn on sweeping detail!

Wow,
it's amphi-

Yes sir,
I'm
alright!

Ah,

Nii-
yama.

Are you
really
alright?

huh?

So that's
the
enemy...

Are you
worried
about me?

I'm all
good!

That's
natural.

I'm a
little
scared
though...

But if you
try hard
today...

So it's Niiyama You...

He messed up our plans; but I suffer then so shall he.

As easy as twisting a baby's hand,

I'll absolutely crush him instantly with my masturbation

TL Notes:

Hello! Yes it's me, again, same guy who translated "Kamikirimushi". This one has tentacle monster rape; and lovey-dovey sex between a hero and his commanding officer. lel. Anyway, in case you don't get page 38, basically Kitahara's given name is Seiichirou, and Niiyama's given name is You. Maybe I should have transliterated it as Yoh. Oh well.

I was trying to get his done by the end of April, but it got pushed up to night of May 1. I wonder if I should translate the next part next, or something by a different circle?

あとがき

どうもこんにちは神林です。

誰もが一度はやってみたいくなるヒーローもの！ということで挑戦…してみましたがいかがだったでしょうか。

あれ、これってヒーローものとか言っているんだろうか…。

思いっきりベタなつなぎで終わらせましたがなんと続きが出ます。よ。

また次巻もおつき合い頂けたらとっても嬉しいです。

それでは、読んで下さってありがとうございました。
