"U....uun..."

I let out out a small groan as I became conscious again. Huh?
Why am I (ore) spread out on a bed?

Oh I see. I suddenly got dizzy in Kazushi's room and fell asleep.
I remember that I fell asleep in a weird position, which is why my body feels strange.

I got up and looked around. Huh? Was Kazushi's room always this big?
And not just the room, the desk, bed, and everything look big. How come?

Eh?
When I moved my legs to sit cross-legged a cloth rubbed my thighs, which felt strange. Turning toward my thighs, I saw I wore a skirt. Moreover, have I seen this skirt before? I thought he had played a prank on me, but sticking out were slender, cute, white legs that lacked any hair...

"W-what happened? Or rather, ah, huh?"
I hadn't imagined it....my voice sounded especially shrill, like they do before puberty.

"The M-mirror...."

I rushed to the dresser mirror to look at myself, and reflected back was a girl wearing a seifuku.

"This is...that girl from the DVD?!"

Yep. It was the form of the girl on the package of the DVD I had bought.

"Is this...a dream?!"

Once again I looked down at my body. I wasn't mistaken. Apparently, for some reason I had become a girl. However, I was wearing the school uniform that girls used to wear at my old school, a few years ago. I gently brushed and felt around my chest. A boy's chest feels totally different. I still had a small swelling, but these were breasts. When I folded up the blouse, laid to bare was the junior bra which clutched two bumps.

"Which means, this will also be..."

Pulling up my pleated skirt, I gazed at the shorts that seemed to eat into me. (Note: shorts are panties.) Without a doubt, they were the kind of unassuming shorts a girl would use. This thin cloth covered my crotch, where the bulge that I was used to was no more.

Gulping, I swallowed deeply without thinking, and lightly crept a finger from the top of the cloth into the crevice.

"An!"

The stimulus spreading from there made me raise my voice involuntarily. And then, I was aware of my own voice, of that cute succubus sound involuntarily awakened by pleasure.

"Here we go!"

I couldn't hold back any longer. I stripped off the panties and rolled up my skirt. It was a smooth and hairless vagina. Before my eyes was that part of a girl, which I'd never seen once on a computer screens or through the television.

"It's incredible....a bare loli pussy, and loli boobs too..."

I extended my hand to where there was a little dampness and rubbed the mound.

"Nfu-"

A seductive voice leaked from my mouth.
With one hand I gently fondled under the bra.

"Mn...."

When I looked at my reflection, it added another layer of excitement...

トントントン……階段を上がる足音が聞こえた。きっと和志だ。部屋の前で足音が止み、ドアが開く。

「あ、和志！ あのな……」

俺は慌てて服を直し事情を説明しようとした。和志からしてみれば、男の俺が突然消えて、年端もいかない少女が部屋に上がりこんでいるわけだ。きつとパニックになるに違いない。

しかし、俺の予想に反して、部屋に入ってきた和志は、つかつかと俺のもとに歩み寄り……

いきなり俺の両頬を、『ふにい』っと、ひっぱりあげる。

「いふあい！ いふあいっへー 和志！」

「ほら、また！ 和志『お兄ちゃん』だろ？」

「ふえ？」

……こいつ今なんていった？

『ふえ？』じゃないだろ、るり。はっはーん。さては、パソコンを勝手にいじったのを怒ったから拗ねているのか？」

そう言っつて、和志はようやく両頬から手を離れた。あー、頬がジンジンする……

って……頬をつねられて痛いってことは夢じゃないのか！？ というか『るり』って誰のことだ？

「いいか？ 和志。オレは……」

ペチッ。和志がデコピンする。

「いつてえー……」

「つたく、いい加減にしないとお兄ちゃん本当に怒るぞ？」

いったい何がどうなっているんだ？ 和志の態度は、まるで俺のことを妹として扱っているようで……

まさか……オレは今、和志の妹になっているのか？ 普通なら考えもつかないことだが、体が小さな女の子になっている現実がある以上、有り得ないことでもなさそうだ。

だとしたら、何で？ 思い当たるのはあれしかない。きつと、あのディスクのせいだ。

もう少し自分の置かれた状況を分かって、キョロキョロと辺りを見回す。と、丁度パソコンのモニターが目に入った。見ると、何かのソフトが動いている。

【アプリケーション imouto.exe をインストール中です。残り時間 約30分】

……っ！？ やばいっ！ こいつは止めなければ！ 本能的にそう感じた俺は、パソコンの傍にかけより、マウスに手を伸ばそうとした。しかし、必死な俺を和志が後ろから羽交い絞めにする。

「こらっ！ パソコンは、いじっちゃだめだつて！」

和志はそう言いながら俺の体をヒョイッと持ち上げた。というか、俺の今の体いっただいだけ軽いんだ！？ 和志は、そのまま俺を抱きかかえるようにしてベッドに腰掛ける。

「ああ、くそっ！ はなせよ、もう！」

「だーから、言葉遣いには気をつけろって、いつも言っているだろ？ 口の悪い女の子なんて嫌になっちゃうぞ？」

和志のその言葉に『ドキッ！』と妙な不安を覚える。

「ははっ嘘だよ。俺がるりのことを嫌いになんてなるわけないだろ。そんなにシヨックを受けるなよ」

えっ？ オレそんな顔をしていたのか？ ま……まあ、手っ取り早くパソコンを触らせてもらうためにも、『るり』のふりをしてご機嫌をうかがったほうがいいのか……

「あたし、どうしてもパソコン触りたかったの……ごめんなさい、許してね？ お兄ちゃん」

くそっ、恥ずかしい。何でオレがこんなことを……でも、思いの他、自然に女の子っぽく言うことが出来た。

(dialog pg 3/7)

Maea's version: At that point Kazushi enters the room and asks the MC what he's doing in the room, what is he messing with on his computer, etc. The MC looks at the monitor and sees the imouto.exe installation running -- 30 minutes remaining it says. He gets the feeling that he needs to cancel it or it will be bad. But as he sits down at the computer to cancel it, Kazushi swoops in and picks him out of the chair and sets him on the bed saying he told "her" not to mess with the PC. The MC tries talking back to Kazushi in a normal male tone and gets flicked in the forehead for being "naughty" and "talking rudely" etc. He tries wriggling free to go to the computer again, but can't escape. So he decides to play along as "Ruri" in the hopes of placating Kazushi so he can use the PC. Kazushi again says no however, and begins doing lewd things to "Ruri".

Sensualaoi's version: TLDR; down with Fictionmania; fuck your exposition.
