Taka yuki -kun.

Huh?! What are you doing?!

Sorry about earlier.

You shouldn't do that, Kazune.

Running away when your boyfriend gets this hard for you.

Now that was good.

They were siblings?

Onii-chan!

Stop bothering me!

Onii-chan!

Twin Brother Kazuya

You don't have to be shy. His dick feels great.

Do you want me to continue?

Hyah!  
It's spreading me open!

I'm sorry, Kazune!  
I'm so-nmp!

I won't let you off with just an apology!  
Please

I'm not losing to my brother!

I want you to take your dick

Your butt's so tight but it's pulling my dick further inside, Kazune!

And stick it all the way inside me!

Hiii!

Milk!!

We're not stopping until you get my cockmilk, okay?

Good!

Fuah!  
Your cock's filling me up!

I'm gonna cum too!

I'm feeling so light-headed... mhhh!

Do it! Let out all your cockmilk in me!

Ahh!

I love you, Takayuki-kun!

Hehe. Just kidding.

No! What are you saying?!

Maybe you can treat me again some time?

Are you satisfied?

Wasn't that great?

Still, Takayuki-san's dick is pretty good. I think it might become a habit.
