晩上げてきた正統派美少女作家登場!

Pwah!

Miyuu-
chan.
Quiet
down.

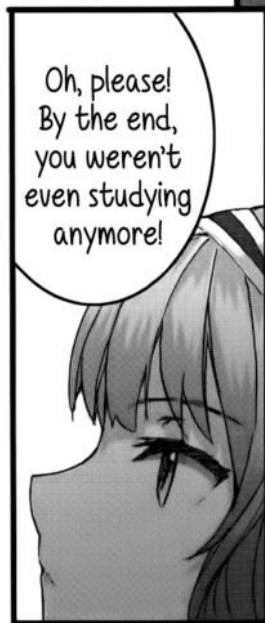

But!

Memories
of the day
you took my
virginity, Yuudai-
oniichan!

Whenever
I drink melon
soda, all these
memories come
flooding in!

Oh, please!
By the end,
you weren't
even studying
anymore!

Miyuu-
chan, that's
not something
we should be
discussing in
a place like
this.

Look at
you, acting
like a teacher!
Although you
aren't one
anymore!

Ah!

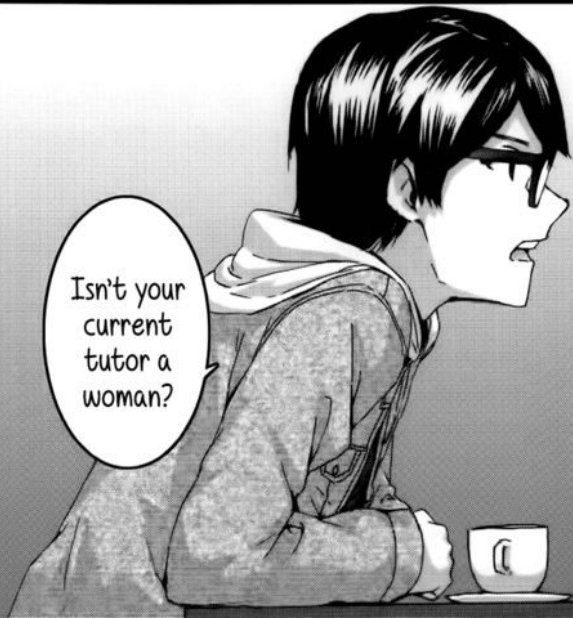

As I
thought.

Say...

Of course
not, we were
too busy doing
the deed!

Isn't your
current
tutor a
woman?

If you don't,
I might just have
do it with my
current tutor.

Can't
you come
back to
me?

I was
right to
stop being
her tutor.

Had we gone on any further, I fear I might've gone past the point of no return.

Above all else, she is an elementary schooler, after all.

人付属中学校

Good timing too, since she had just completed her entrance exams.

Hey...

Come back to being my tutor. I'll even show you one of my secrets.

Which would be?

Well. Nevertheless... we still ended up meeting each other like this.

Thank you very much!

Consider my interest piqued

How I shlick.

So?
How do you do it?

Eh?
We're going straight to it?

Are you blushing?

A...

Alright already...

Uh...

How do you do it?

She even moans while masturbating

I knew it...
This... is really embarrassing!

Ah!
She's getting drenched!

Are you more aroused than usual?

Hm?
Her cell-phone?

Ah... I really am close to...

I'm cumming... faster too...

Yeah... And I think...

Huh?

Yuudai-
oniichan's
mail...
made
me cum!
♡

Why do you look so upset?

someone other than me...

Eh?
Hold on!

Doesn't that mean...

Ah

You can't!
You can't finger me!

Do you
have any-

drink?

I would.

You're
really
doing it,
right?

So you're
really gonna
be my prvate

There
are more
of them?

I might
show them
to you next
time I feel
like it.

Although
I still
have four
more.

I did
show you
one of my
secrets,
after all.
