You  
don't see  
girls this young  
at deluxe  
open baths!  
HaHaHa!

I can  
clearly see  
her slippery  
twelve year  
old slit!  
HaHaHa!

What a  
precious  
sight!  
HaHaHa!

Those types never fail to make me mad, but...

I have no doubt they intend to commit unseemly acts with the artbooks they just purchased.

Look, Fudeko.

Those men know nothing of art!

Yes, father.

They see you simply as a sex object.

When I thought about how I became a masturbation target for those repulsive men...

I became sopping wet down under.

The first time I saw one of the Master's paintings was about four years ago.

when the people in question are like that...

use my cute daughter as a sex aid, even if only in their heads...

When I thought about how I was letting those vulgar fellows...

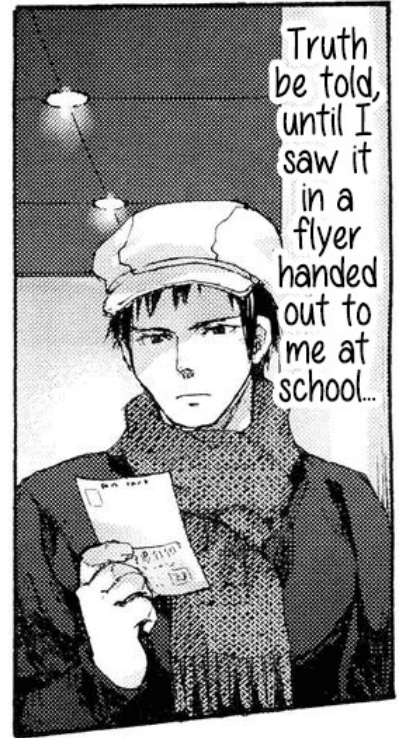

my nether-regions, too, shamefully became as hard as a rock.

but...

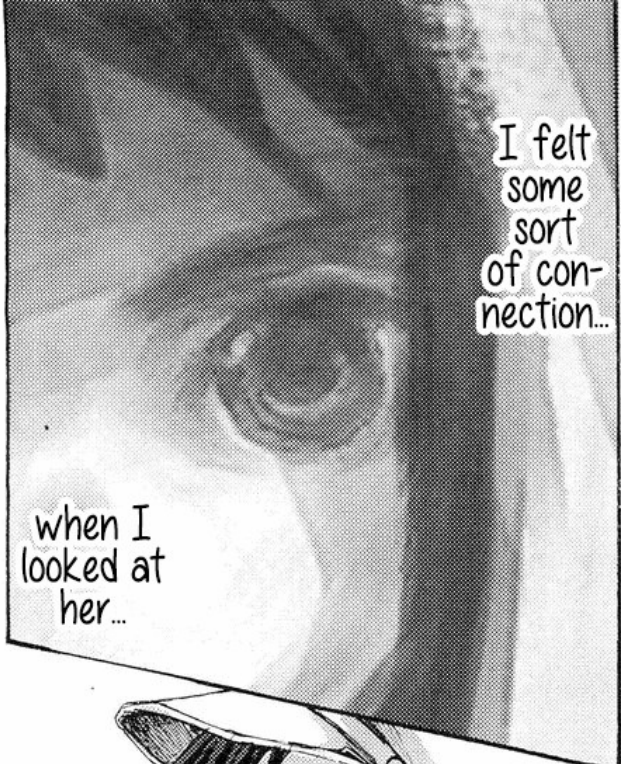

Truth be told, until I saw it in a flyer handed out to me at school...

Kumano Kuretake Solo Exhibit

I had never seen any of his work...

I felt some sort of connection...

when I looked at her...

After I became his live-in pupil...

sincere eyes.

Though after 4 years, I can't say I'm not used to it...

...!

and saw what the relationship between the Master and his daughter was, I was quite shocked!

Here is where I first saw her...

The girl in the painting, Fudeko-san.

forgive me, father!

You'll soil the floor if you drip that much...

I've been a very bad girl!

I'll wipe it clean right away!

...!

ふき  
ふき

Aah!

Your unpure slit, as wet as the morning dew, seemingly granting entrance to anyone who passes!

If the odious gentlemen back there had seen you like this, Fudeko!

I didn't-! realize-!

Maybe I'm not that used to it...

dubious men of unknown origins!

My dear daughter could have been mounted by...

Go ahead.

Yoshirou-san.

May I come in?

You can use me as a model...

if you'd like...

Father went out for drinks with some people from the art gallery and I'm bored...

So...

I was just surprised...

I'm sorry.

Ah!

...Excuse me?

You weren't listening?

I'm leaving!

~~~~~!

Let me take a look!

ぼん

What?!

Well, then. Let us get to work.

Oh my...?

No matter.

I would have thought it would be packed with "The vaginas in my mind" type drawings.

We're doing a nude painting?

I'm not in middle school, you know?

? Well, yes.

おぼ

You can look now.

Look over there while I undress.

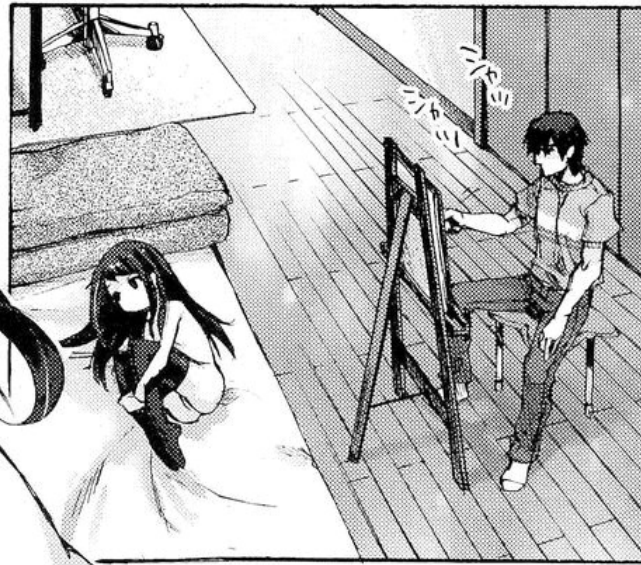

Sorry!

So why is it that I feel embarrassed now of all times?

I've modelled nude for father so many times before...

And yet...

It's like he's caressing my back with his eyes...

No, it's not like the look those other men gave me today.

But it's not a lascivious stare...

Good work.

Let's go with a standing pose next. Should be easy for you...

I'm getting wet...

Fudeko-san?

Hey...

Astonished?

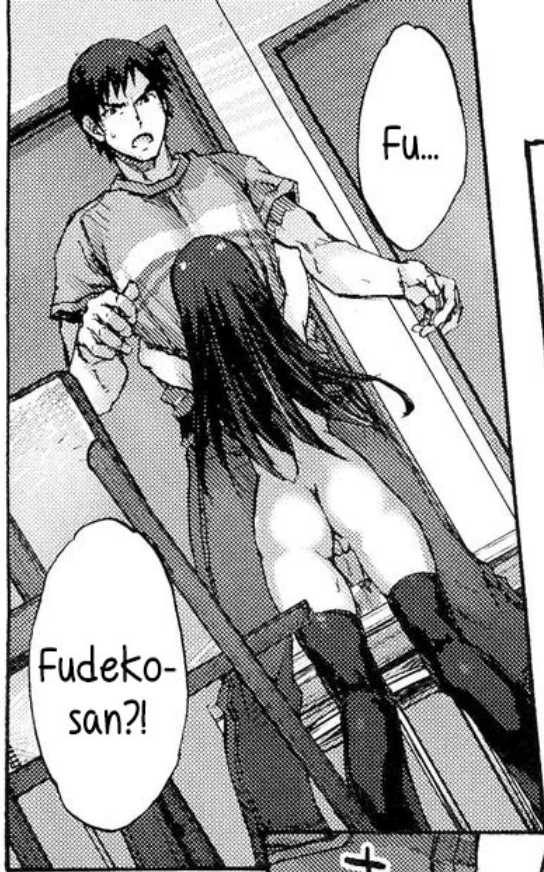

"How could a model get this aroused while modeling...?"

then I must be really sad...

I wonder why...

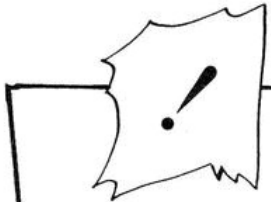

If it's why I think it is...

The usual me would see the look of contempt on your face and think of it as a reward, but right now...

Fu...

Fudeko-san?!

か

おはよう

Of course not.

You're not erect?

Is it because...

I'm only a child?

I can't do that...

Then stop thinking about that!

It would be very hard to find an excuse to tell your father.

I've been doing prime factorization in my head...

No, it's because...

So you're preventing the blood from flowing to your penis due to your sexual attraction to me by doing prime factorization in your head?

That's the long version... Yes.

I don't think that would work against your father...

The only thing that needs to be hard is your penis Yoshirou-san!

I've been holding back...

Don't you understand?

Please don't go...

There's no stopping now...

....!

would be wasteful.

That...

びびり

You can even stick it in right away if you'd like.

Yes.

That's fine by me.

you were  
only eight  
years old.

When I  
first saw  
you in a  
painting...

And  
now I'm  
twelve.

I've  
grown a  
little bit  
since then,  
haven't  
I?

Oh, well. I haven't had my first period yet, after all...

Okay!

and draw a picture of me again.

That will be enough.

Then stay in this house...

For my next exhibit...!

Whore  
Meat toilet  
Total M

Fudeko will be the canvas, and the attendees will be free to write any profanities they want on her! What do you think?!

Eu-god damned-reka!

Eureka!

You had your first fuck with Fudeko?!

What's this, Yoshirou-kun?

Father!

Master!

I'm... having a hard time justifying staying...

I'll get one with the finest pig fur!

I'd prefer a hard brush...

Just thinking about it is making me drenched...

I don't think that constitutes as art...
