T-This feels so unreal, as if it were a dream! How should I respond...?

It's just... N-No one's ever asked me that... I'm surprised... that's all...

it was a one-way crush...

I thought for sure...

And all he talks about is anime, even though he's in college...

He's always asking me to go meet him!

I don't like this guy very much!

I mean, I like that he always comments on my illustrations, but...

What's this...?

SHIN
Kaho-chan!
I saw your blog!
How great is it that T-kun, whom you were crushing on, responded to your feelings in kind?!
You've got to come and celebrate! I'll be there for you!
For your sake! And we'll have a concert, which will be great!

Shin-san?

Thank you all so much...!

You're all so kind!

Wow!

So many comments!

You should have just said you were Teru-kun's brother from the start!

Well, my teacher said there are lots of molesters around here...

You startled me...

When's Teru-kun coming home...?

So, any-way...

Oh yeah! Wanna check out Teru's room?

Oh well. Just do as he says and wait here patiently.

Hmm? Aah... His mail didn't say.

Yup!

What, you thought I was just some creepo?

Ahaha! Now that's just mean.

Teru-kun's...?!

Te-

room!

Say...
Kaho-chan...

And they can take you to all sorts of places in a car.
And they can buy you whatever your heart desires...

Adults know tons of stuff and are a lot more fun to be around.
I mean, he's just a kid...
All he does is play soccer and videogames all day.

What do you see in Teru...?

Huh?
