

I'm coming, just wait a second!

The temperature dropped to sub-zero for the first time this winter today.

Ah!
Frost-
bite!

This is
bad!

She seemed
to take a liking
to my gut, and
so, now she's
always coming
over to visit.

Mister,
your belly...
is so warm...

Until your
mom comes
back, do
you want to take
a bre...

Uuh...
My hand...
is itchy...

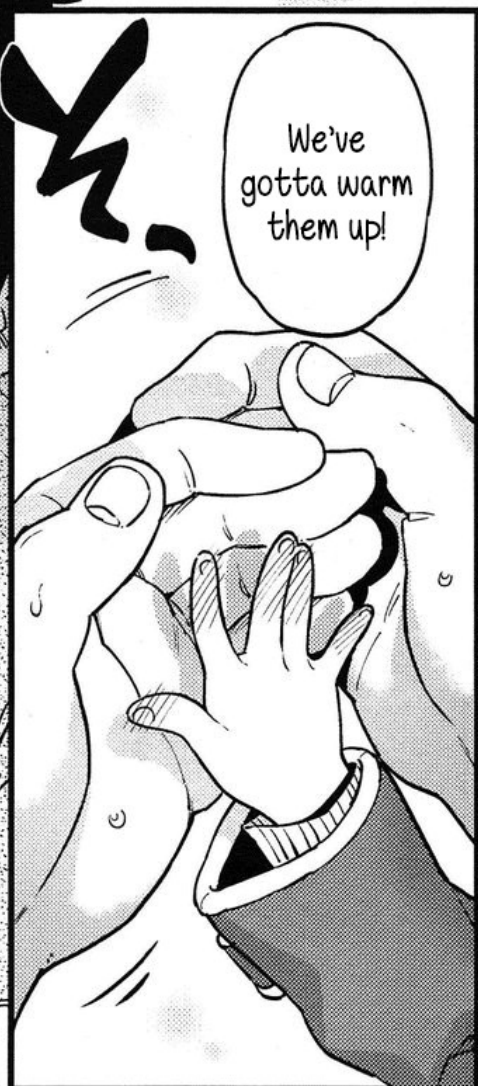

For a lolicon
like me, these
habitual short
moments where
I warm Yuki-
chan up by
having her
practically
glued to me...

Yuki-chan,
your hands
are so small.
They're
adorable!

bring me
unimaginable
bliss.

As
uncomfor-
tably hot
as they
are...

We've
gotta warm
them up!

Wow!
The wind
is really
picking up,
huh?

Dai-chan...
I'm freezing...!
Hold me
tighter...!

Ooh!
Yuki-
chan!

ぎゅん、

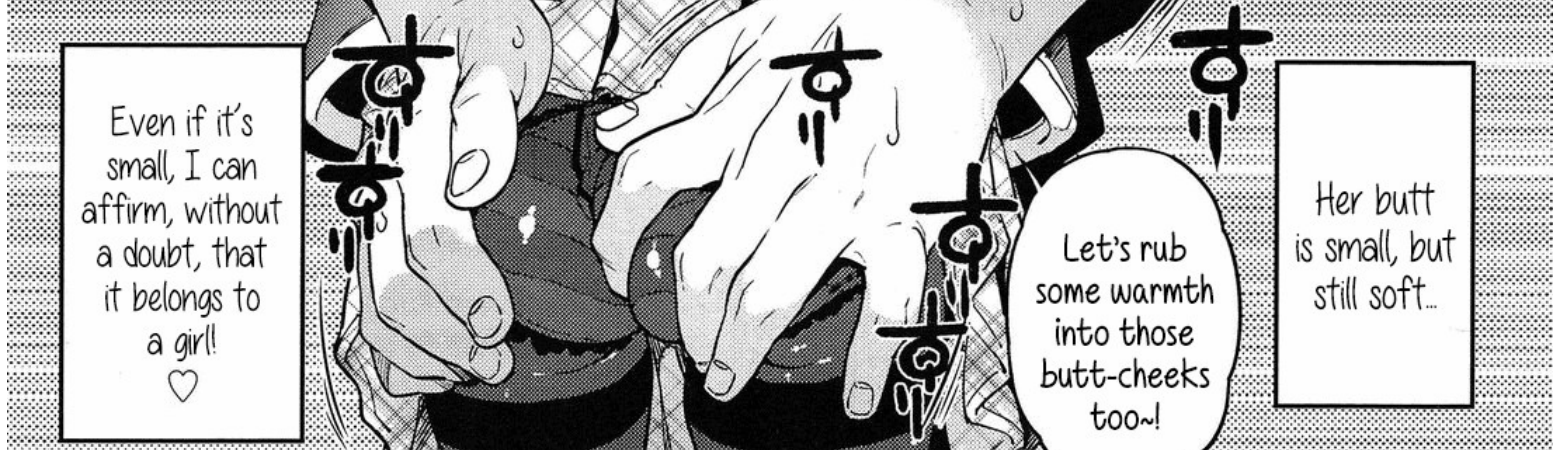

There,
there.
I'll warm
you up a
bunch again
today!

Haaah...
I can feel
her slim body
through the
coat!

She's
unusually
forceful
today.

Must be
because
of the
weather.

Even if it's small, I can affirm, without a doubt, that it belongs to a girl!

Let's rub some warmth into those butt-cheeks too~!

Her butt is small, but still soft...

I keep getting whiffs of her characteristically childlike milky fragrance~!

S-Snap! I'm getting a boner~!

Haaaah... It's the best~!

I have to warm her up proper...

I've got to make sure she stays none the wiser...

But after getting to hold her so close to me...

I don't want to break away...

Oh! Ooh!!

Yuki-chan...!
I-I can
explain...!

I never
knew...

...Da-
Dai-chan...

This
place...
is super
warm...

S-Stop...!
If you move
so much...!

penises
were so
warm...

Is this...
your
penis...?

Mmh-
hmm...

Huh?!
W-Warm?
That
place...?

It's
really cold
today, so
I'll touch
this place...

to
warm
myself
up...

I've
found it...
The warmest
place in your
body...!

Wha?!
Hey, wait
a second
here...!

W-
Wow...

Y-Yuki-
chan...!

Mmh-hmm...
I wanna...
stay like this
forever...

I-Is
my penis
really...
that
hot...?

Haah...
Aren't you...
afraid
of it...?

Haaah!
Yuki-chan,
your cheeks
are insanely
soft!

is really
warm... so
I love it...

I'm not
afraid at all...
Dai-chan, your
penis...

If she tells me something like that...

Y-Yuki-chan, if you tell me something like that...

I'm surprised She's not showing any resistance at all...

Do...
Do you like that stuff...?

Well, she is only eleven years old... Maybe she just doesn't know much about sex...?

I won't have a choice but to warm... Yuki-chan...

Dai-chan... I want more of this...!

in the lewdest ways!

Hmm...? Dai-chan...?

Give me more of the... gooey stuff you shot out just now...

Haah...
It's as white
as snow and
so squishy...

Like
a little
marshmal-
low...

Inside
me...?

...A way
to get even
warmer...?

So... how
do we do
that...?

Yeah,
well...

Remember
that stuff
I shot out
earlier?

Y-Yeah...
See this
place in your
crotch...?
I'm going
to...

slide my
penis inside
it...

I-If I shot
it out inside
this place
this time...

Y-Your
penis...?

would warm
up you really
well...
