うあああああ...

Yui-chan's former guardian caused a public disturbance and even showed up on the news!

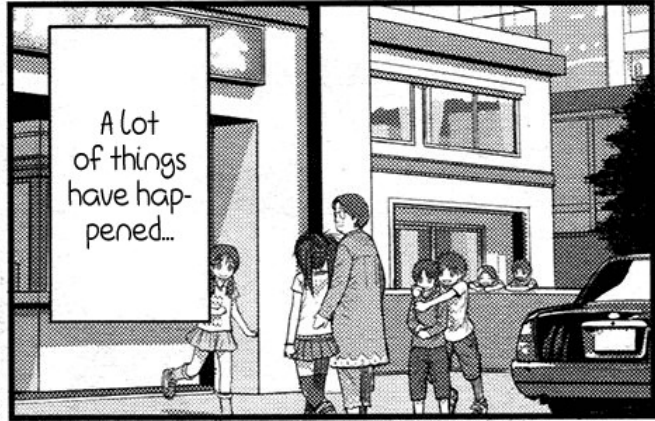

All of the four boys ended up transferring schools one after another.

Half a year has passed since then.

As for Yui-chan...

A lot of things have happened...

Though the rest of the class still dislikes her as much as ever.

Not that I really care...

She stopped getting in fights and doing mean things.

is the special day I've been waiting for so, so long.

Thank you for everything.

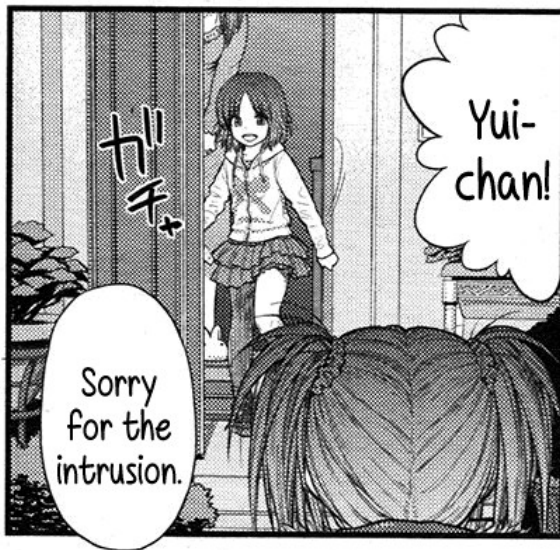

Yeah, I'll go by myself.

Are you sure?

And today...

Take care.
