Don't start crying on me!

Yes! It's perfect!!

I met an elementary schooler during my daily stroll!!!
 ...Hmm? Bringing a kid home could mean big trouble, couldn't it?
 I'll probably be fine...
 Maybe... Yeah.

Nihihi...
 ten thousand yen for this?!
 This is way too easy a side-job!

T-Today's the day...

Grrr...

One hour ago.

And I'm running out of the money I got from my parents...
 Guess I could try that schoolgirl prostitution thing my friends told me about.

Are super rares even real?!
 Christ!

Another normal?!

Who's there?!

Fufufu...
 Is there something troubling you?

Yup. Yup. I think got the basic gist of it. ...You're not very bright, are you?

Truth is, I'm playing a social game...

Ah, whatever!

Beautiful! Beautiful!

That's hella suspicious!

Fufufu... No one suspicious. Just trying to move unnoticed...

She stole her parents' money to pay for the charges..

She's almost in middle school... right? She has absolutely no shame, though.

God, you're slow.

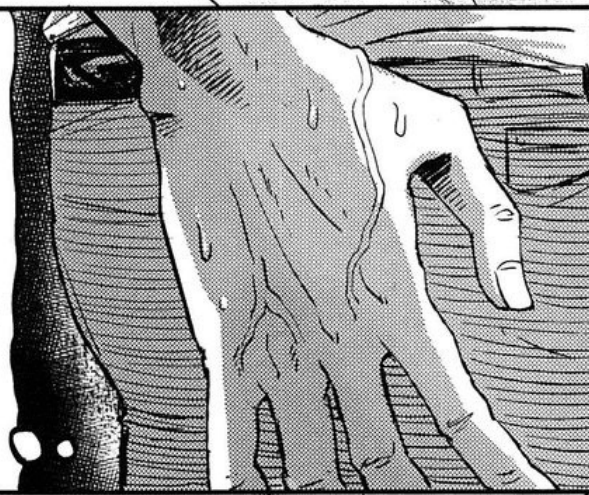

...Would you mind doing a little side-job, then?

Hey, she's gonna be taken advantage of sooner or later... Might as well be me who does it...

Is it that fun to look at a boobless child's naked body? You're a weird one, mister.

That was too easy. She followed me home like a puppy.

The combination of her erotic body and smiling, innocent face...!! Is incredibly powerful!!

I want to see better, so... mind if I touch you?

Ooh...! Finally, I can fondle a naked elementary schooler's fair skin to my heart's content...!!
