Oh, Mi~na!

Here's your reward, Mina.

Ah! Mina!  
That's the spot!

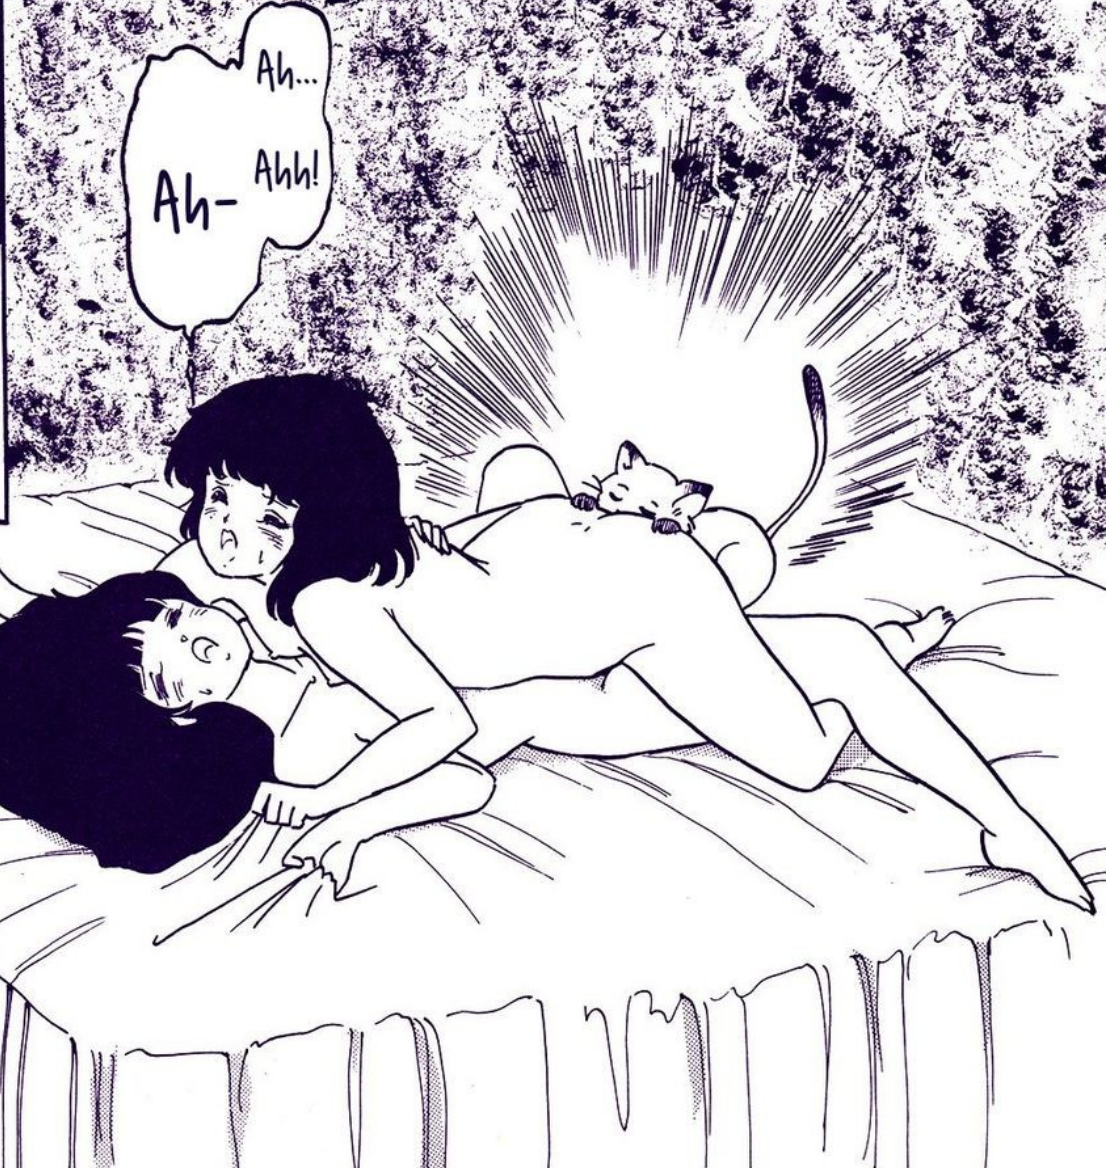

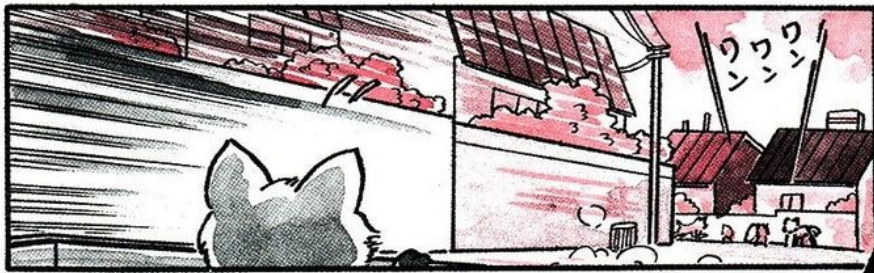

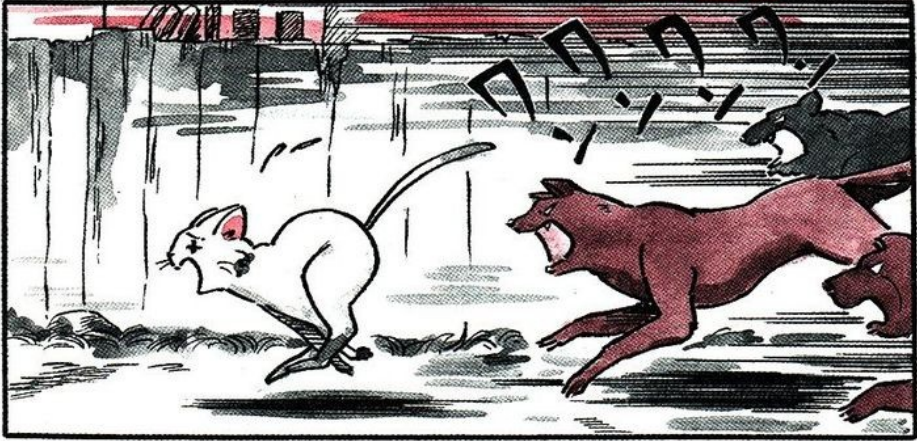

Don't worry. Pussycat Mina's famous around these parts. She's really good. Here, Mina!

Is this really okay? She won't bite or anything, right?

She's here! That's Mina.

I'm Mina, a cute little kitten.  
I've been all alone ever since I was separated from my owner.  
But I don't worry about food.  
Why, you ask?  
Human girls call out to me, and I help lick them between their legs.  
Then they feed me in return. So far there's been  
quite a lot of girls that have called for me.  
Everyone seems to enjoy it when I lick them.

Now

I'm going to  
school, so don't  
follow me.

Oh, you  
little...

It started following me and wouldn't go away.

What's with this cat, Yuko?

How cute!

C'mon, lemme touch him too!

It's so cuuute!

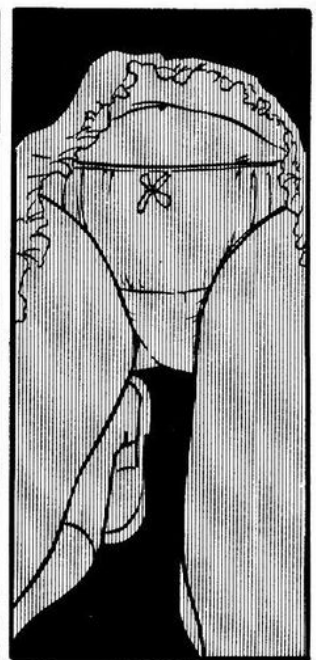

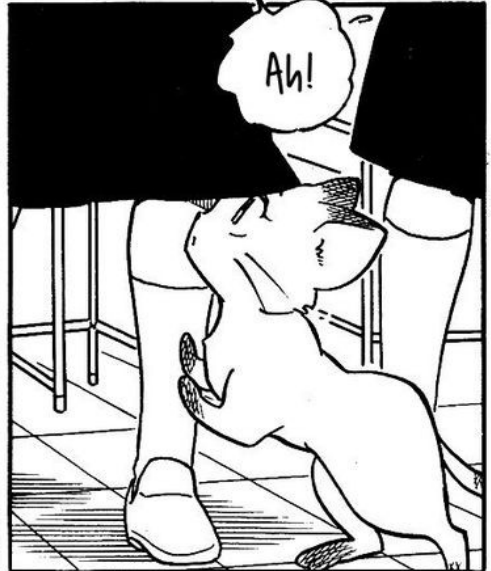

Wait up, kitty!

Kyah! There it is!

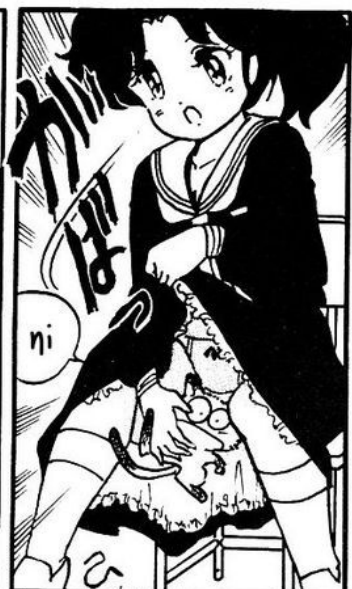

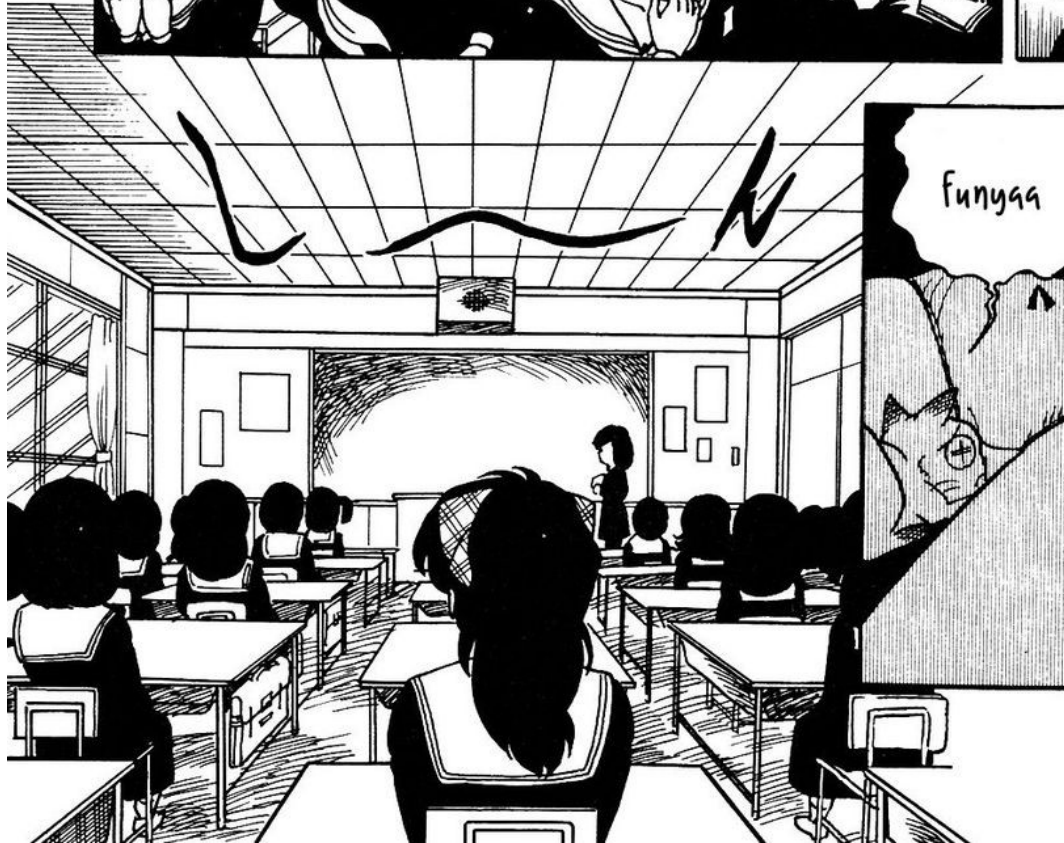

Over here, little kitty!

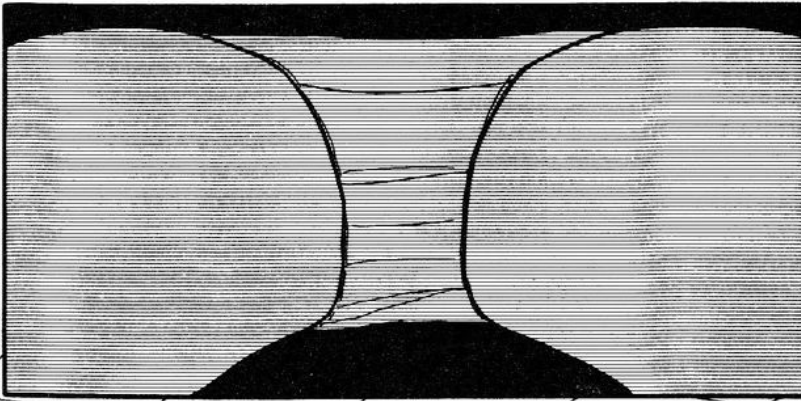

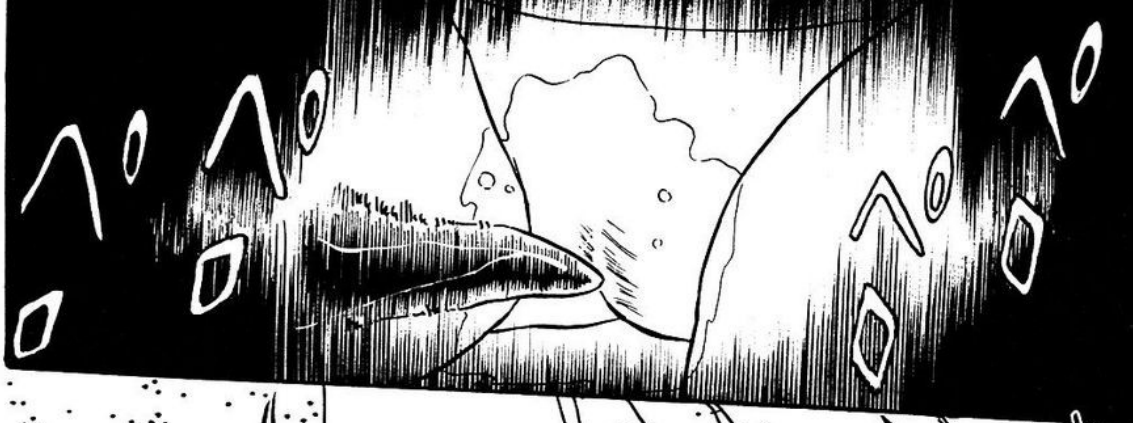

Ah!

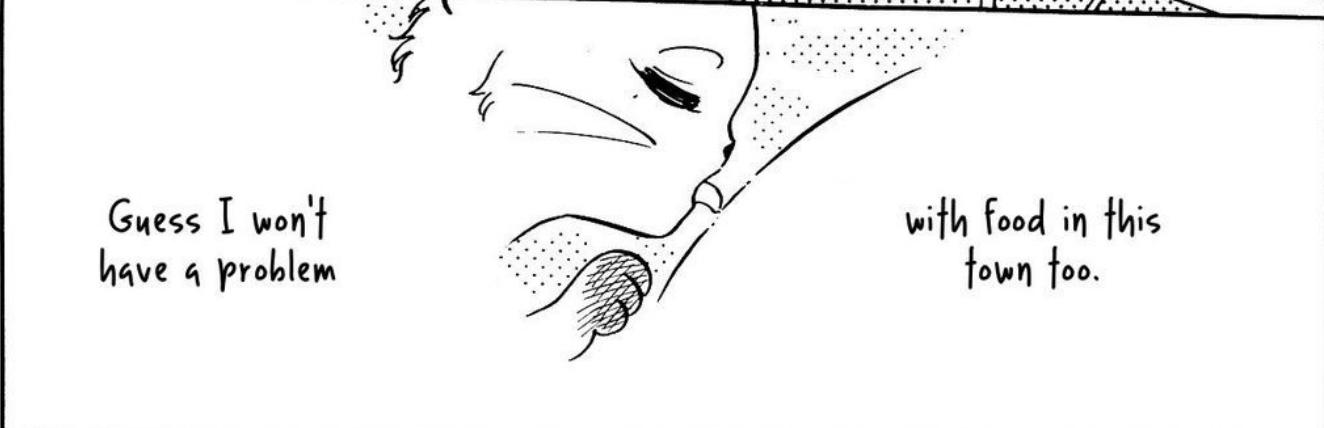

Ahh!

Ah...  
so good!

Guess I won't  
have a problem

with food in this  
town too.
