

# SUMMER DAY

## KURATA USO

Sorry about yesterday, Aya. That I couldn't go to the beach.

Is your cold better now?

Ah, no.

Yep.

Then, instead of going to the beach...

All right!

'cause you said so, Sachi...?

Yes,

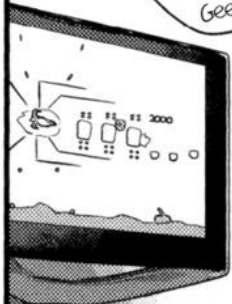

did you bring your swimsuit?

More importantly,

Said she'd take a bath.  
Geez, idiots.

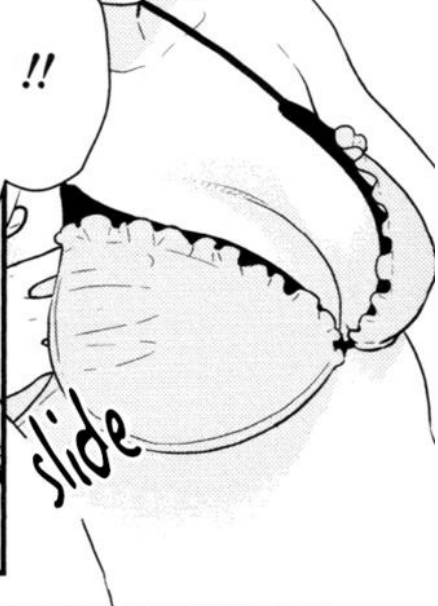

Why are they in the bathroom?

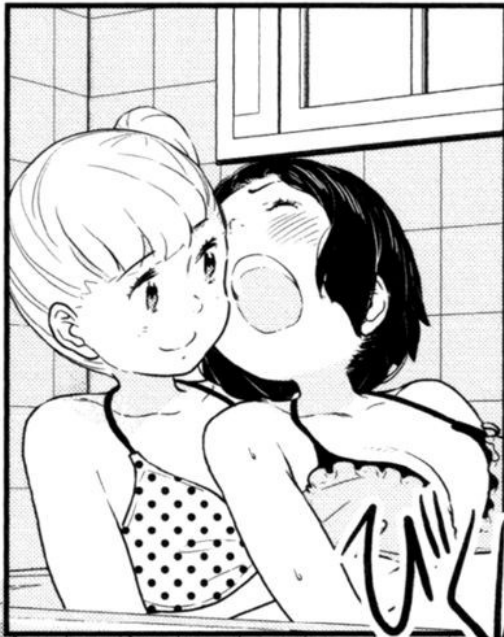

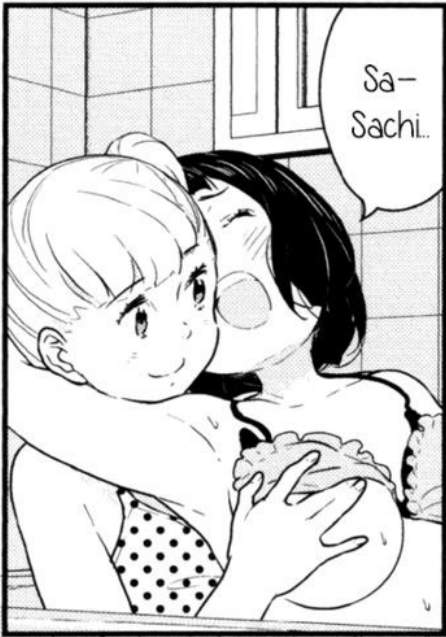

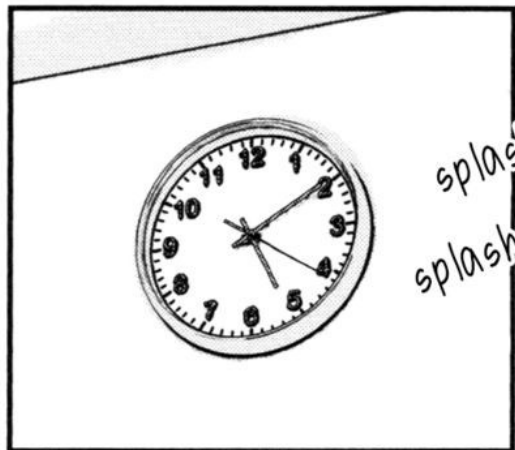

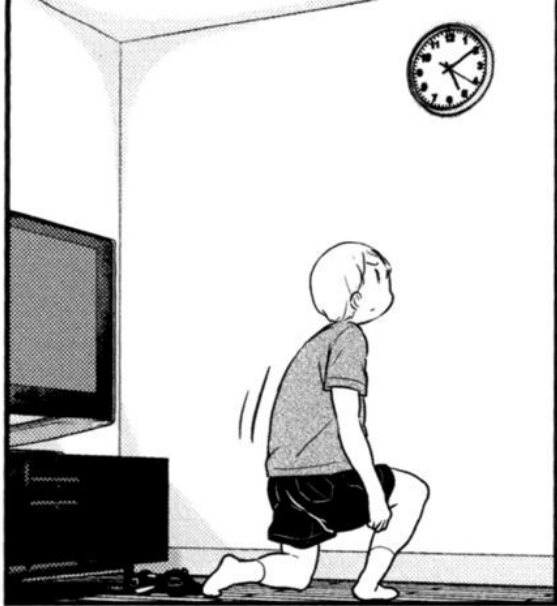

Kyaaa!  
Kyaaa!  
Thud!

あはは

Geez, how careless.

Sorry,  
I can't  
help it.

This time  
you really  
caught the  
cold, huh...!

But...

Let's  
do it again,  
okay?!

Did you enjoy  
it that much,  
yesterday?

I see, you  
were hoping I  
was feigning it  
again, huh?

I- I don't  
know what  
you're talking  
about!

Huh, why did  
you bring your  
swimsuit...?

I told you in  
the e-mail I  
had a cold.
