

☆新感覚超感度巨乳娘を捕える!!

バストジヤツク

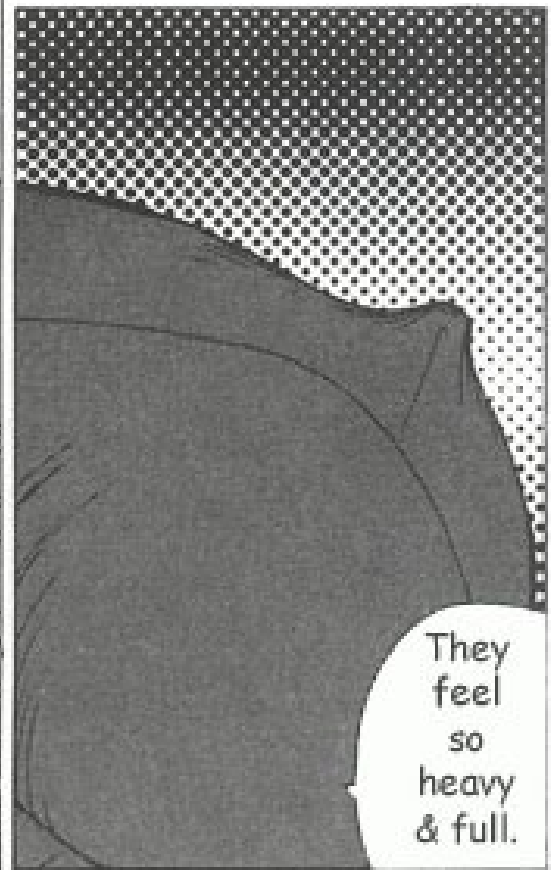

冬魔乱

It's inside
of me!
Inside of
my chest.
It's huge!

They
feel
so
heavy
& full.

You!! With
the huge
boobs!!

I've come
for that alien.

It is the
last of its
kind and
must be
preserved
by my
race.

RETURN IT NOW!!

NOOOOOO!!!!

Later on the Hunter's ship...

What are you gonna do to me? Please don't hurt me.

That creature is only in its infant stage.

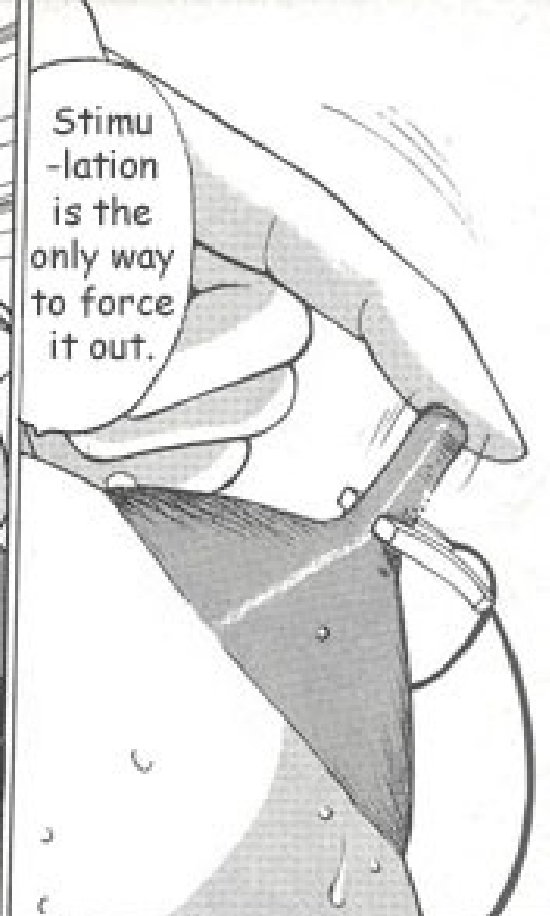

A human woman's breast can't contain a full grown version. It needs another host.

AHHH
!!!

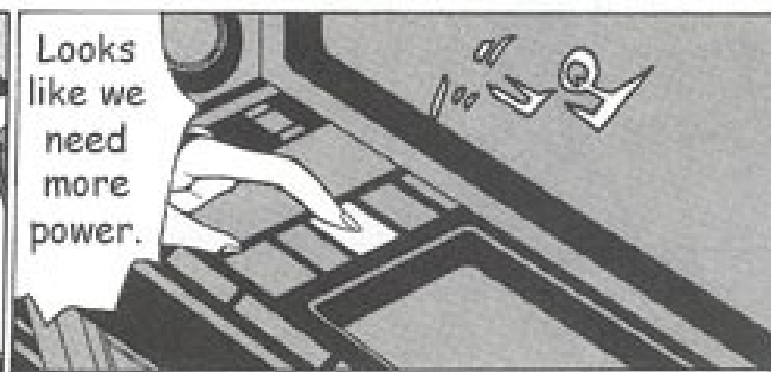

My
tits!!!

Stimu-
-lation
is the
only way
to force
it out.

This
should
magnify
your
sexual
drive.

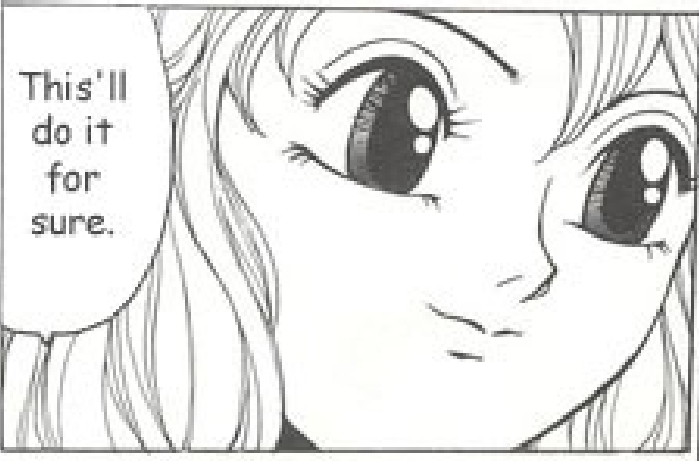

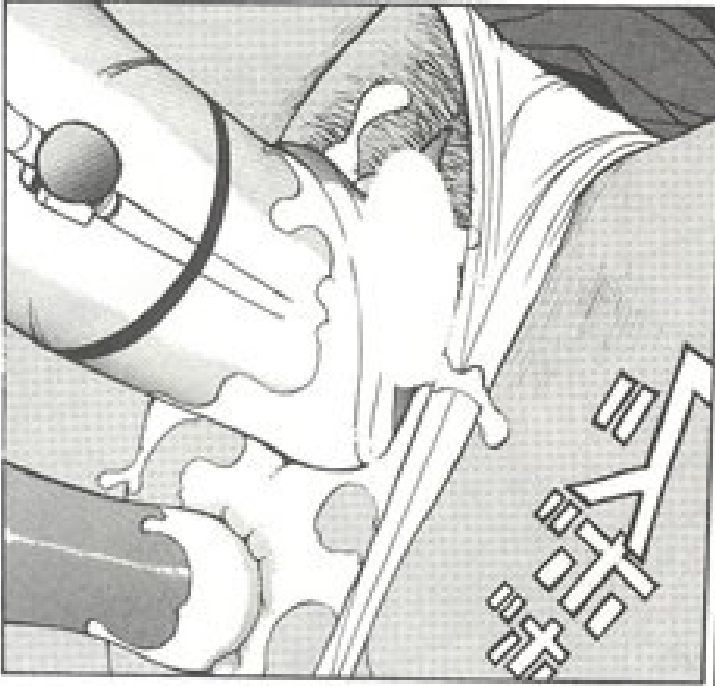

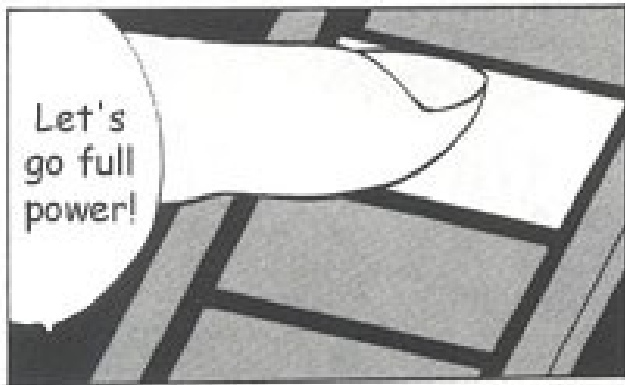

Looks
like we
need
more
power.

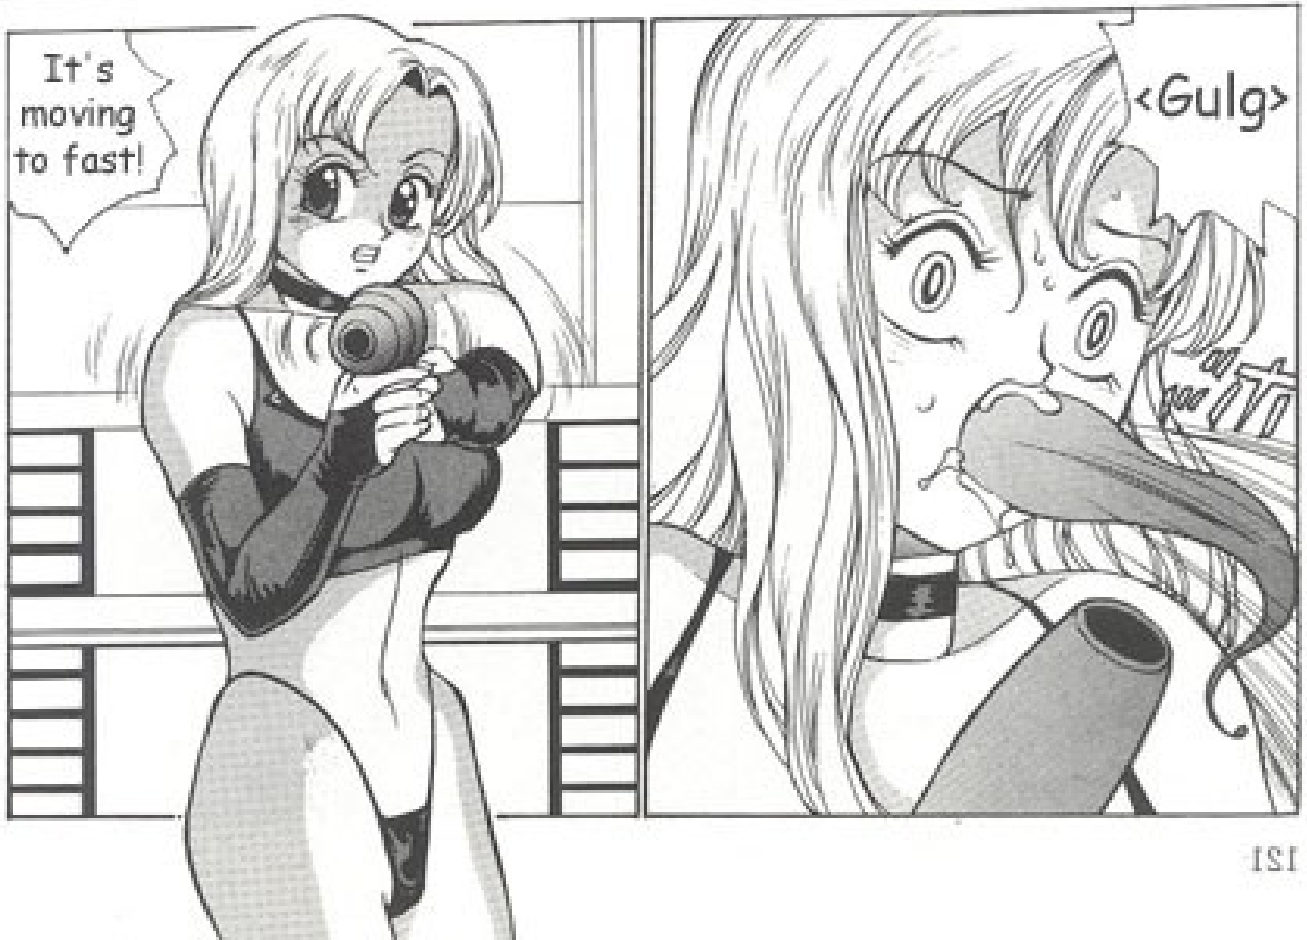

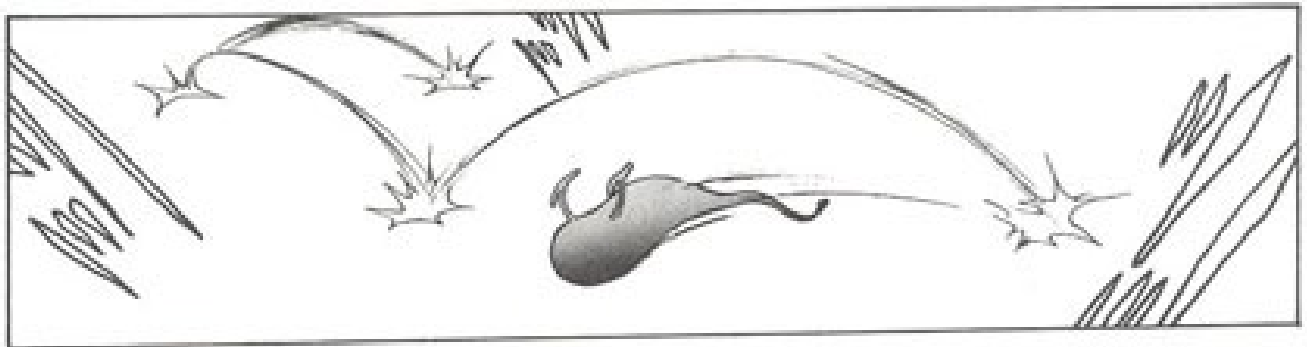

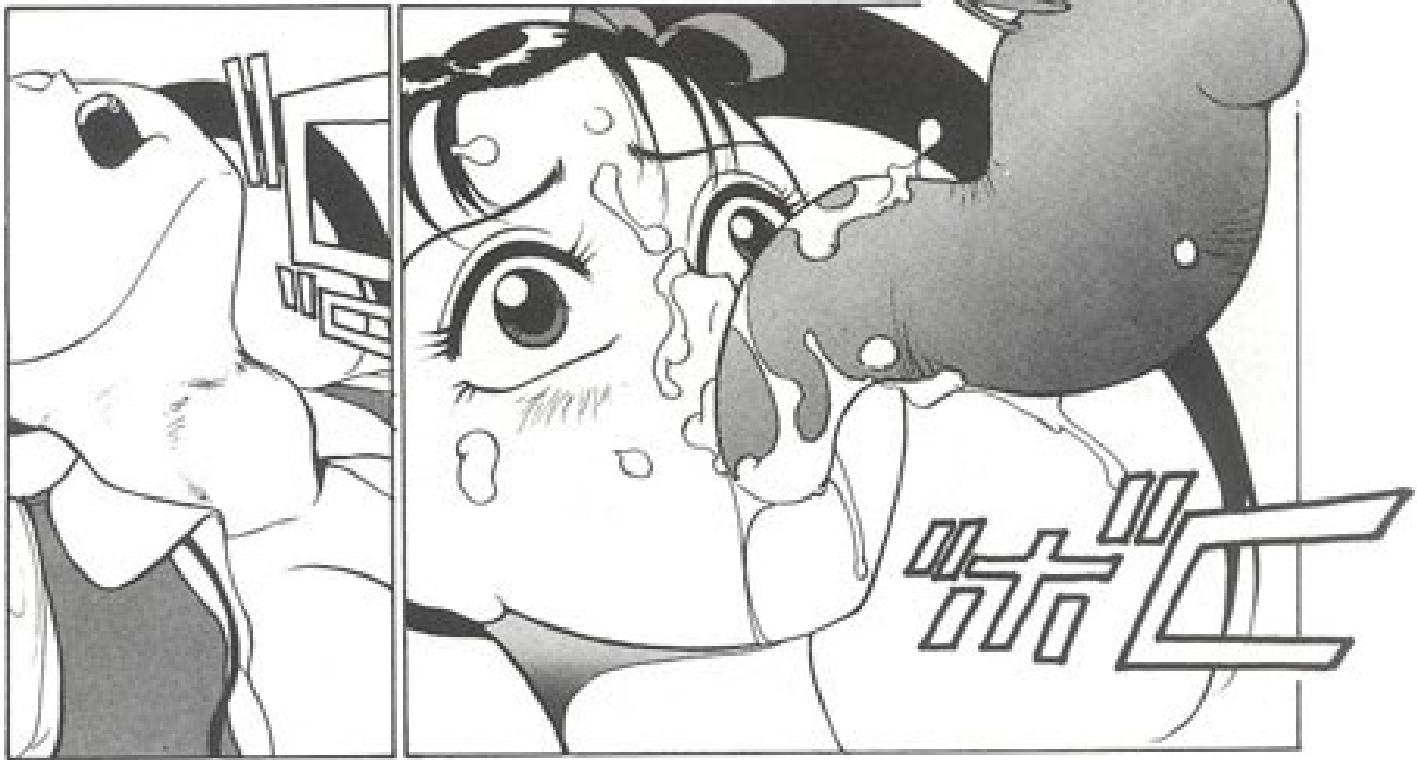

AHH
!!!!!!!

<Gotta act before my chest fills completely.>

<I've got no choice...>

<I have to use this on myself.>

<And...>

GO
!!!!

<The
pressure
of
the milk
is
unbear-
-able.>

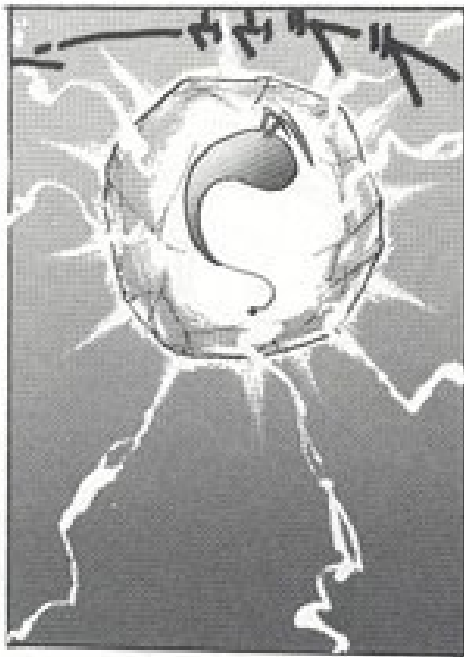

I'm
coming
too
!!!

..عَلَيْكَ

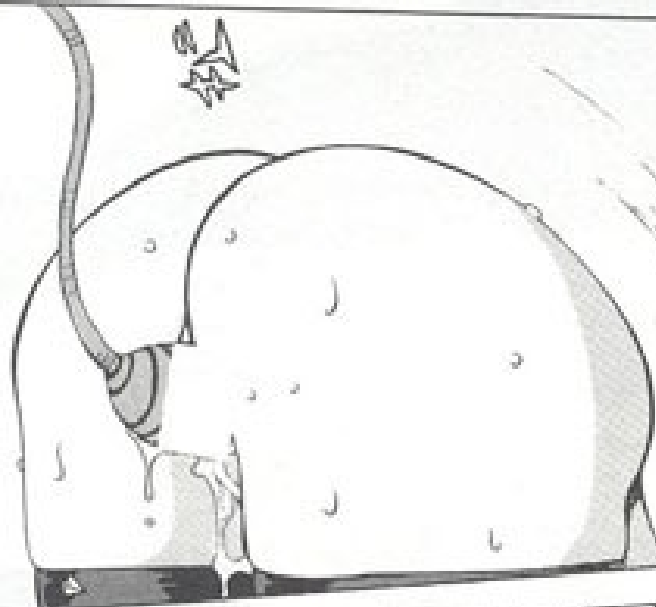

<Here's my chance.>

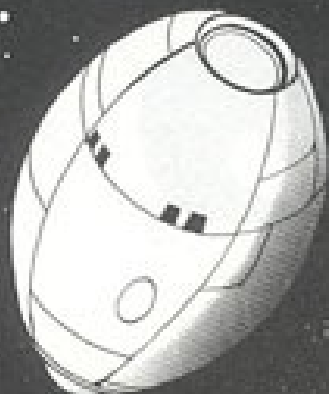

Got-
cha.

Now to
clean-up
around
here.

Now
that I've
gone from
big tits
back to
small
ones...

I may
have a
home
for that
thing
after
all.
