

It's really quite a sight to see.

Last night, I saw "parkour" on television.

They run around wherever they please using nothing but their own hands and feet.

The whole city is a jungle gym for them!

All they see... The word "obstacle" isn't even in their dictionary.

It was the coolest thing ever. Makes you want to be just like them, doesn't it?

It was the coolest thing ever. It was the coolest thing ever. It was the coolest thing ever.

...Incredible, isn't it?

is a bumpy road

wouldn't that also count as parkour?

Wouldn't it be the coolest thing ever?

I can clear a little-rail-like-that, can't I?

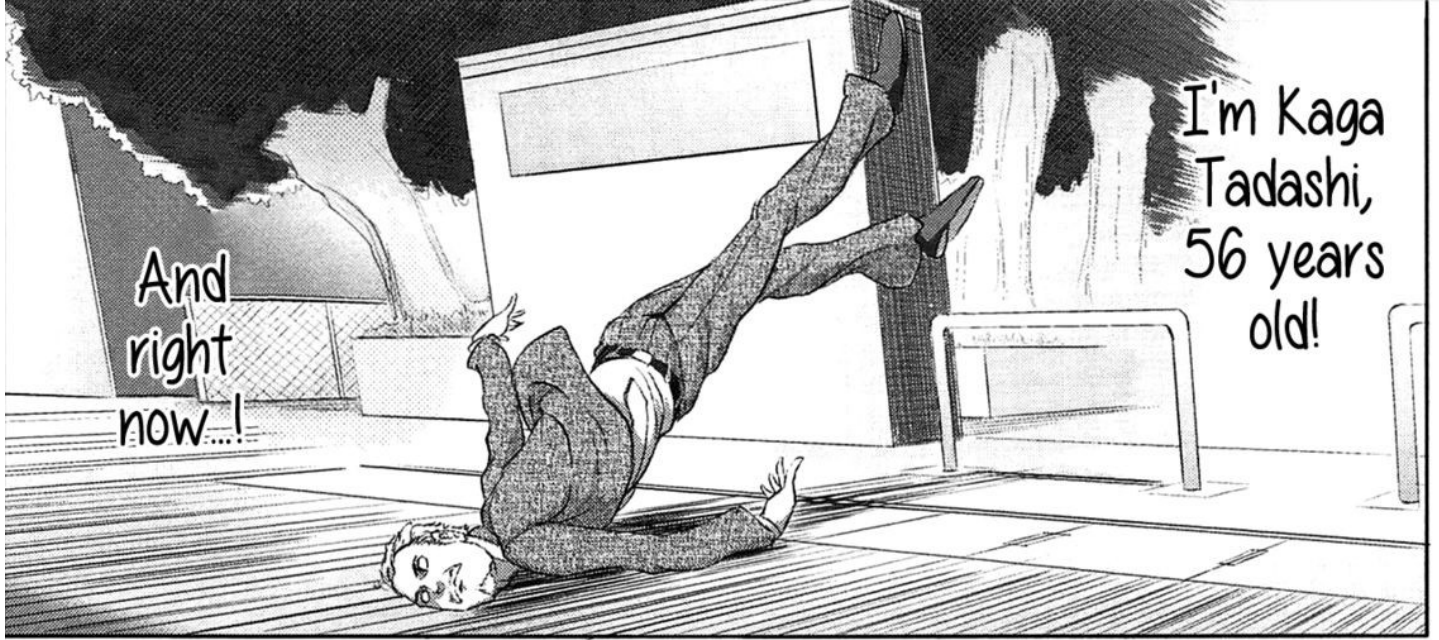

If I jump over it...

The excitement I felt last night must have spurred me on.

Gentle as  
an Angel  
Mei-chan  
Total Angel

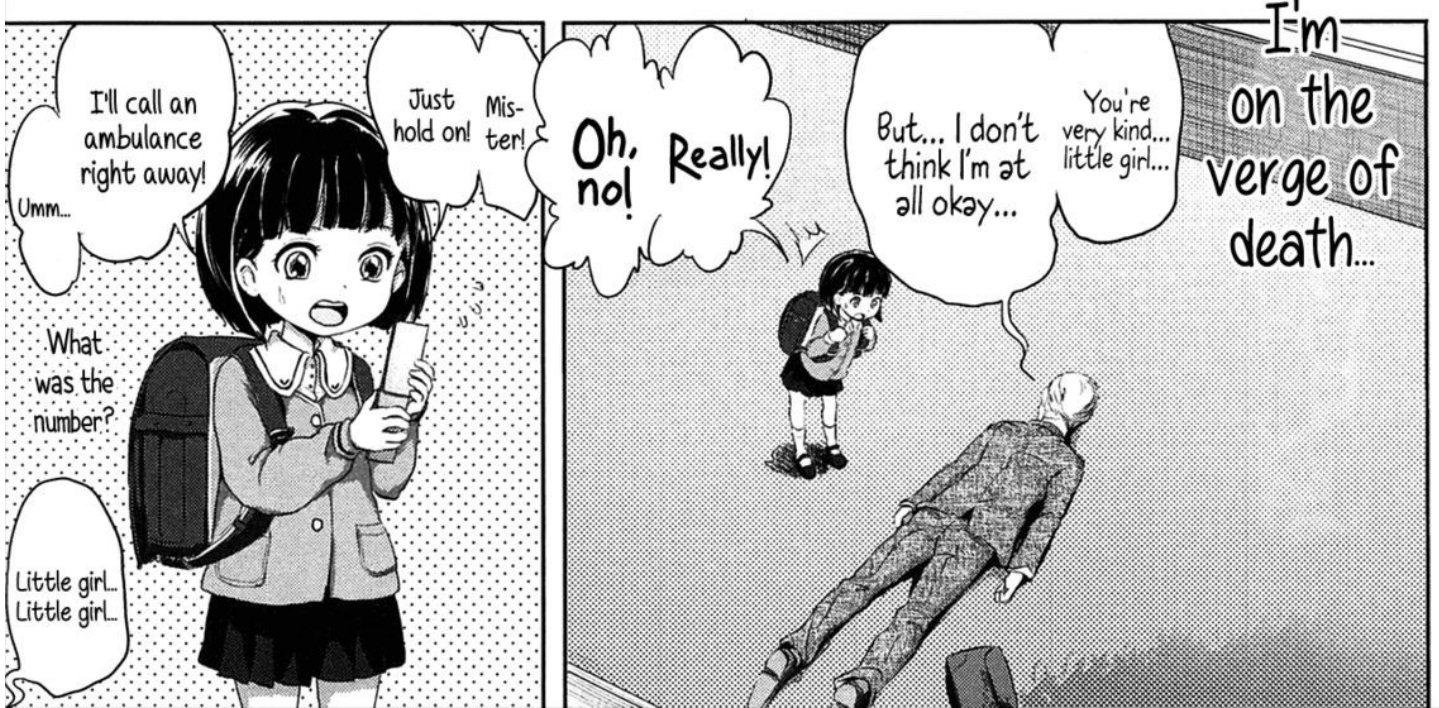

And right now...!

I'm Kaga Tadashi, 56 years old!

Are you okay,

Mister?!

I'll call an ambulance right away!

Umm...

What was the number?

Little girl... Little girl...

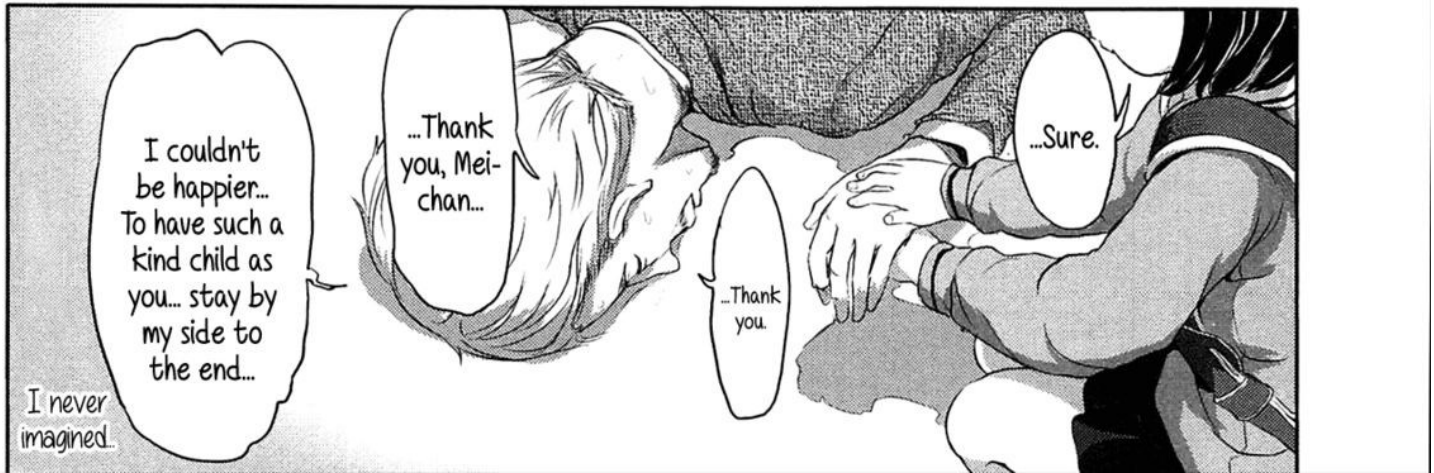

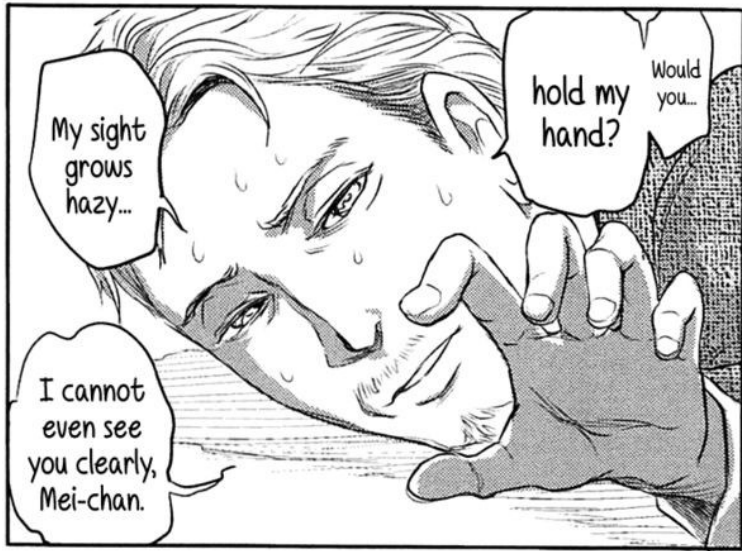

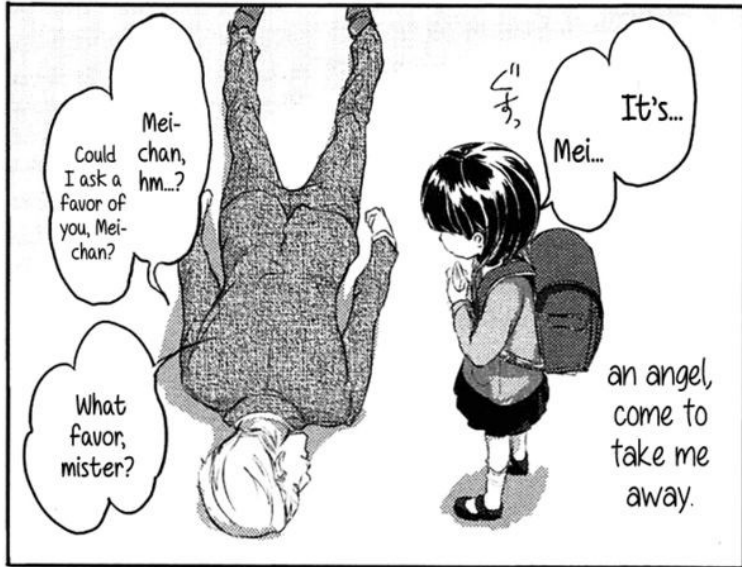

Just hold on! Mister!

Oh, no! Really!

But... I don't think I'm at all okay...

You're very kind... little girl...

I'm on the verge of death...

And at this very moment, my life is bidding to end right in the middle of one of those very mysteries...

Life truly is full of mystery.

The thought never once crossed my mind...

would be where my 56-year long journey comes to an end...

that a place like this...

that here...

It would seem... I have lived a good life.

I'm surprised to discover that I don't really have any regrets in my life...

However, as I lay here, at death's door...

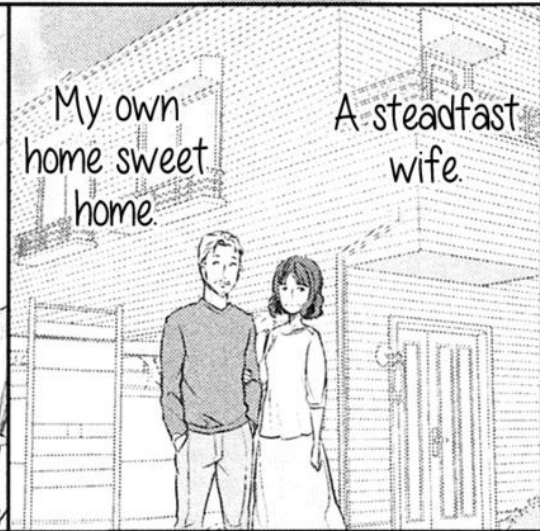

He's already a college student. I'm sure he's ready to live his own life now.

My only son... Takashi.

At work, I hold the reputation of a boss loved by his staff.

My own home sweet home.

A steadfast wife.

I can pass away peacefully.

There's nothing for me to worry about.

Yes...

I've had a good life.

**Apart from one thing!**

am a lolicon...!!

Can I see your undies~?

showing your panties to people... is a bad thing...

Huh...? But...

This is a final chance bestowed upon me by the heavens above! I know it!

Just for a bit! If it's just for a little bit, it'll be alright!

Uh Uh but...!

Quickly! I'm dying...!

Uh...! Wh-What do I do...

...She seems reluctant. This may be difficult!

Darn...

Un... dies?

Panties? Regret?

Perhaps you call them panties. It's my sole regret in life...

For 56 long years, I've kept it a secret.

I tried my best to change, of course!

And yet, I've never... had the chance to do... X...

I've aaa~lways loved tiny little girls like yourself...

You see, dear...

But to have such a little angel appear before me here...

Ever since I gave up on changing, I've kept my distance from little girls.

How-ever, it was futile.

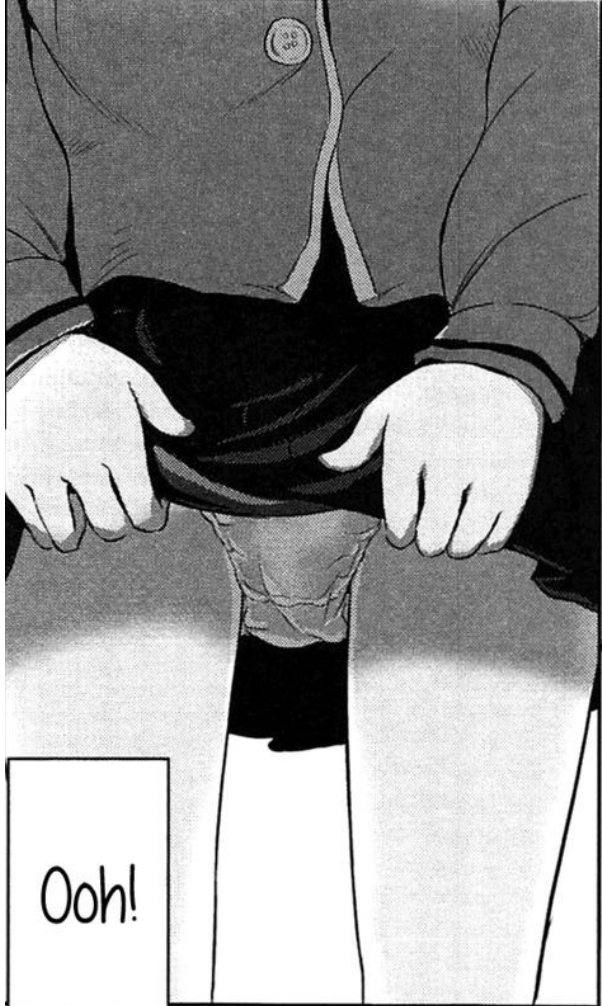

I must at least behold real panties, or I'll never be able to die!

I die... Before... Quickly!

Anyway, your panties!

XXX with one...!

Ooh!

...If it's... only for a little bit...

If...!

then...

Oh?

Oh?

Does... I'm so touched... So kind... So kind... ...Hooo ooooh~!

I'm dying!! Hurry!!! Me-chan! Mister?! GRRRR!!

Mis-ter? Okay!!

could you just... raise... Good... Mei-chan... this mean... I might be able to push a little harder? just a little higher? your skirt... Me-chan!! ...I don't want to. Grr...

My sight is hazy. Could I ask you... to come closer so that I get a better look?

Mh...! Mei-chan!

Very good~!

That's good.

Huff

Huff

Good!!

Good!!

Mei-chan is...

You're such a sharp girl, Mei-chan.

Good!  
Good!!

...O-Okay.

...such a very...

very kind girl...!!

What finer sight is there than this!!

Yes, yes, that's it!!

Uh~

...Mei-chan...

would you... be so kind... as to squat right in front of my eyes?

Oh, no! My vision has deteriorated such that I cannot even see that far..!

May I  
move your  
panties  
aside?

Mei-  
chan.

I hope she  
doesn't mind  
me taking  
advantage  
of that a  
bit.

She's the  
kind of girl  
who can't  
say no,  
isn't she?

I don't  
think...

Uuh~...

I can  
let you  
do  
that...

!!=??=!!

It's my...  
dying  
wish...

Mei-  
chan.

!!=??=!!

Do  
it!!

You  
can  
do  
it...!!

You  
can  
do  
it...!!

Thank  
you  
so  
much

Thank  
you  
so  
much!

Ooh!

Nod

Yes!

Yes!!

Mei-  
chan!

Chubby  
little girl  
pussy!

HOOOH!!

Uh~!

HOOOH!!

Naked?!

Yes!!  
Take off  
your clothes  
and get  
naked!!

My  
clothes?

I've  
got  
this in  
the  
bag-!

Baby  
steps!

How  
about if  
you took  
off your  
clothes  
now?!

Mei-  
chan!

Don't  
be too  
hasty~!  
Calmly..

Slow  
and steady  
wins the  
race..

More.

I can  
still  
take it  
further!

I will  
not give  
up..

Mei-  
chan!!

As if  
I'd quit  
now!

...No!

I was  
too  
hasty!!

I can't!

Mei-  
chan...

Huff  
Huff

You're  
standing..!

Mister?

on  
seeing  
a little  
girl  
naked!!

I'm  
sorry!

Didn't I tell myself  
to take it slow!?  
Jumping right to  
telling her to get  
naked isn't taking  
it slow~!!

Mei-  
chan?!

If you leave,  
Mei-chan, I feel  
like I'll die im-  
mediately.

Huff  
Huff

I can feel the shroud of death all about me even now! If I let my guard down for even a moment, it will overcome meeee!!

...I'm not at all okay~!

I am not going to be okay!!

I'm going to...

And it looks like you're gonna be okay...

But... you're standing up...

B-

all I can do is push hard!!

Just once!

But... I'm embarrassed...

Won't you undress?

So please!

It's all thanks to you that I'm hanging on right now, Mei-chan!

is keeping me alive!

my desire to see you naked...

But right now...

At this point...

There, there. Good girl.

Mei-chan.

Whoops! Actually, I think it'd be better...

if you kept your backpack on, no?

I can do it!!

The excitement is really building now~!

Go!

Good girl!

Alright! It's settled, then! Thank you so much, Mei-chan!

Wait... I didn't

...once?

I only... have to get naked...

Alright!

Fuel?

Now, then...

with that out of the way...

Here we go~!

Noo!

Undress! Undress!

Undress! Undress!

How very...

This is so embarrassing.

lovely !!

Huff! Huff~!!!  
It's like the call of a Siren!  
So alluring,  
so irresistible!  
...I...

Can I...  
put my clothes  
back on  
now?

Er...  
Ohhh~!  
How  
boundlessly  
cute~!!

Huff!  
Huff~!!

Aaaah!  
Every inch  
of her body  
is so soft~!

Huff!  
That a little girl's  
nude body... could  
be so sublimely  
beautiful. I never  
imagined it!!

can't  
take it  
any-  
more!!

What?  
Huh?  
Puff  
Forgive me, Mei-chan...  
Huff

M-...  
Mister?

Ouchie...  
hur-  
ts...  
Mister, that...

I just want to lick you a little, okay?  
Huff!  
Huh?  
But...  
Yummy!  
you said before I just had to take my clothes off once...  
Did you take your clothes off more than once?  
I guess not...  
but...  
Mister, your beard is scratchy. It hurts...  
Ah!

Mister...

when...

are you gonna be done...?

Soon.

I hate this...

To be able to lick every lovely inch of a little girl's body...!

Aah... It's like a dream come true...

Eek!

Sto...!

It...!

It hurts..!

Ng!

Hic

I'm  
scared...!

There's  
nothing to  
be afraid  
of...

Don't  
worry.

Mei-chan.

there's  
no way  
I can  
stop  
here!!

With such a  
pretty pussy  
before me  
like this...

I suppose I  
frightened her...  
Forgive me,  
Mei-chan...

But my  
time left on  
this Earth is  
limited...

You can do it, you can do it!

It hurts!

ヅヅ

You can do it, Mei-chan.

Hic

ヅヅ

Alright! Just a little more!

Hic

Hic

Weeh

Don't worry, I have a small penis.

See, it's gonna go all the way in.

ヅヅ

It hurts!

Owie...!

Alright, it's in!

It's all the way inside you, Mei-chan. Well done!

Don't worry...

Kiss

Kiss

Mei-chan's voice and face are still so cute.

Even when she cries...

I can't win...

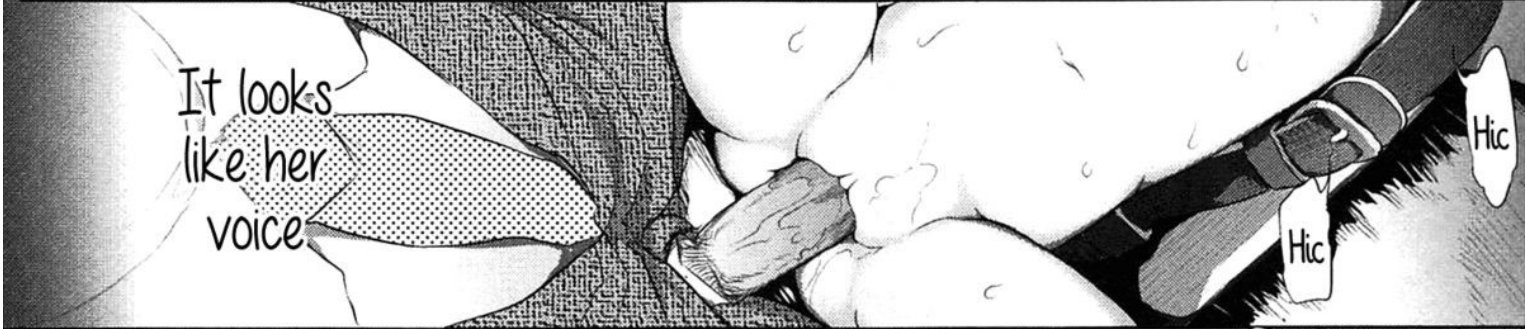

Wha-?

Kiss

Mei-chan.

Uuh...

Huh?

It looks like her voice

Hic

Hic

made me more excited!

Waah

has just...

Aah

Aah

Aah

Ah

Ah

In all my years, I never suspected that I might be this kind of person...

Mei-chan is just so darn adorable

and her pussy just feels so darn good!

It's like the sleeping beast within me has awoken!

Huff

We're almost there, Mei-chan!

I'm just about to cum!

Kiss

Kiss

I can't so much as spare the slightest thought to her comfort!

Nowo!

Ah

Right in your womb!

Here it comes!

Ugh

Are you ready?

Wa

Waah

Ugh!

Oh!

Oh!

Hhoh!

Weh

Oh!

Eh

Thanks to you...

Uh

Uuh

...Thank you, Mei-chan.

I now have no more...

re...

Hic

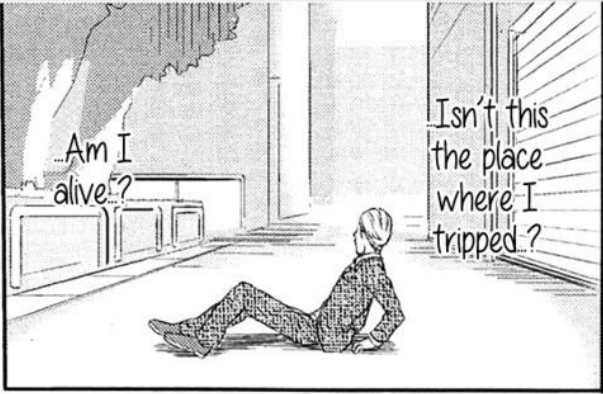

This is the most I've ever cum...

Hic

It's as if I were using up my very life force as ammo!

I'm still cumming?!

Phew Oof

Am I alive..?

Isn't this the place where I tripped..?

What...

...Huh?

it was all a dream..

I guess..

Then I guess that must be it..

Well

in the world?

Ha Ha

No. Dream though it may have been, I did some rather reprehensible things..

After realizing it was a dream, I'm not sure if I should be glad, or disappointed..

Of course it was.. Something like that..

So that's how it is..

...A dream.. huh..?

I'm glad it was only a dream.

With a dream ending, I can rest easy.. I'm glad..

**End**
