

I was taking
a rare vacation
and happened
to come to the
beach to take
pictures.

When I
was walking
along the
coast...

I found
a young
girl...

きみの無邪気さや
ほくの罪悪感。

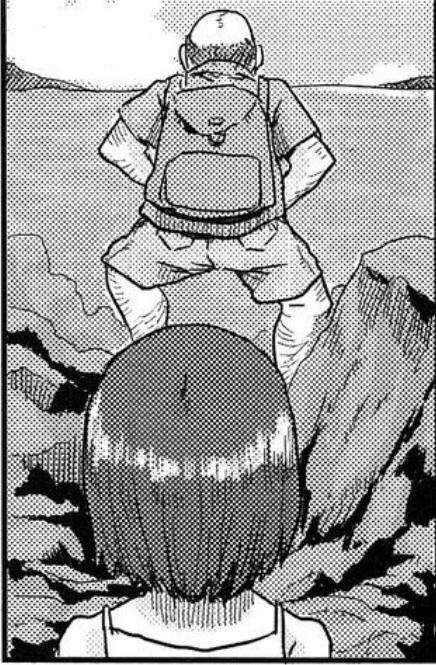

ロロンの基本って
やんぱんぐん。

who
smiled at
me...

何かたか?
was that a ghost?

I don't need it. ♡

I'll mail you the picture. What's your address?

I know!

Now that I think about it... I didn't realise it until just now but... Why is this girl soaked to the bone?

Are you sure~? Then I'll treasure it for you!!

Huh?

Okay.

That's right! I have a towel with me, please use it!

Kero-chan, were you playing in the ocean?

Huh?!

Lie down over here.

Okay...

Mister, you look just like a baby...

Then, would you like me to continue doing such things to you?
