

I'm Fujisawa. I made an appointment a week ago.

Welcome~

The day has finally come!

篠岡ほまれ presents
「フットリク」へようこそ!!

First, I will show you around our special spa.

On the surface, it looks like this massage parlor specializes in foot massages.

We've been expecting you.

Ah yes, you made an appointment for our Special Course.

階段を降りると、
そこは天国でした。

But it
actually
specializes
in footjobs!

Welcome~!

フットリク
ようこそ!

presented by 篠岡ほまれ

However,
my daily
stress
piled up
and began
hindering
my work.

I
thought,
"Why
would
a guy
like me
go to
some
beauty
salon?"

One week
ago, a
co-worker
recom-
mended
this place
to me.

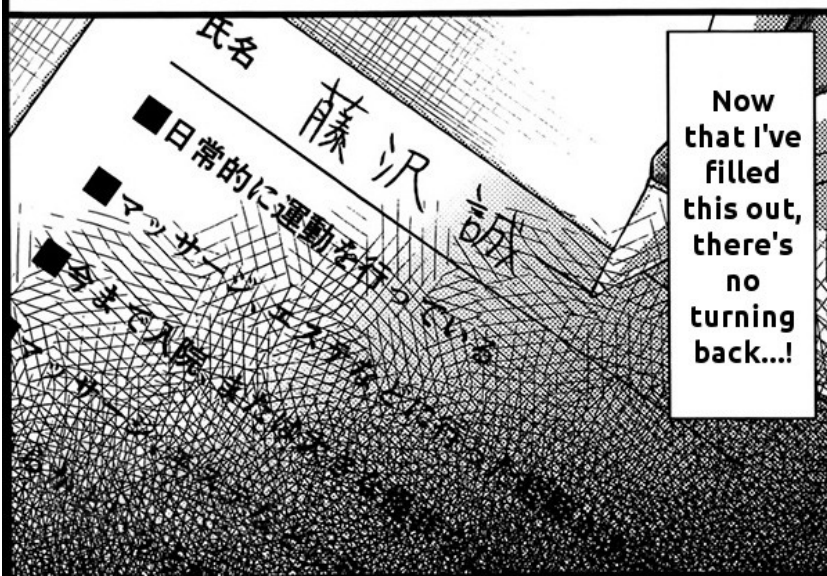

Welcome!

When I realized I needed help, I was already standing in front of the parlor.

Ufufu...
Well then, please fill out this form.

Now that I've filled this out, there's no turning back...!

Um, this is my first time here...

Maybe coming here wasn't such a bad idea after all.

She's so pretty

we use
our feet to relax
men's
stiff
muscles.

I see.

Our
method
differs
from
typical
reflex-
ology.

Since
feet can
apply a
stronger
force than
hands,

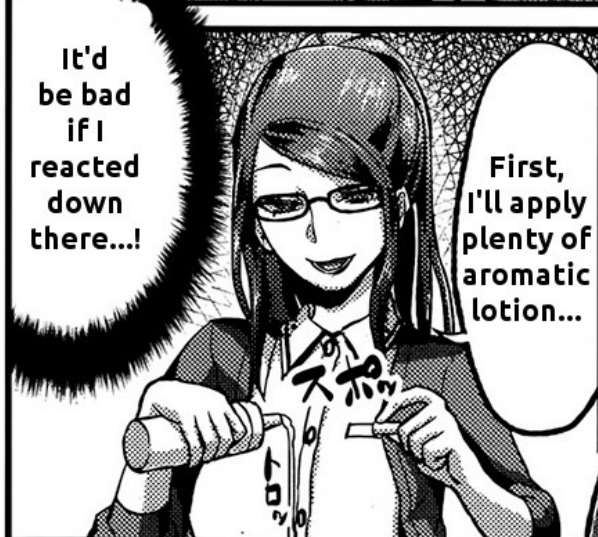

First,
I'll
explain
our
system.

Our
method of
reflexology
uses the
feet as the
main
instruments
of
treatment.

Ufufu...
Well
then,
I will
start
the
treat-
ment.

It'd
be bad
if I
reacted
down
there...!

First,
I'll apply
plenty of
aromatic
lotion...

This
will
make
it
glide
easier.

At any
rate, her
feet...
truly are
beautiful.

Such a
beautiful
person
is going
to look
down at
me while
stepping
on me...

I'm
getting
exciting
just
thinking
about it...

Whoa!

feel
so
good...!?

Ufufu...
How is it?

Why
does
this...

Next,
I'll do
your
front...

Oh
my,
what's
this?

?

This
feels
so good
I can't
think
straight
...!

It
looks
like
you're
enjoying
this.

Ah

She's
loosen-
ing my
sore spot
with such
strength
...!

Your
dorsal
muscles
are
really
stiff,
so I'll
focus
on them.

Ha

Ha

Ufufu...
It's fine.

W-wait,
t-this
is...!

Fujisawa-
sama's
reaction
was so
cute,
I can't
help
being
a little
pleased.

More than
a few
of our
customers
become
like that.

Whoa-
aaa!

W-what...
is it?

we offer
a very
special
course.

Actually,
for a
very
small
number
of cus-
tomers...

S-s-
sorry
...!

I'll
never
come
here
again...

Services like this...

I'll leave that to your imagination.

Our special course includes various services.

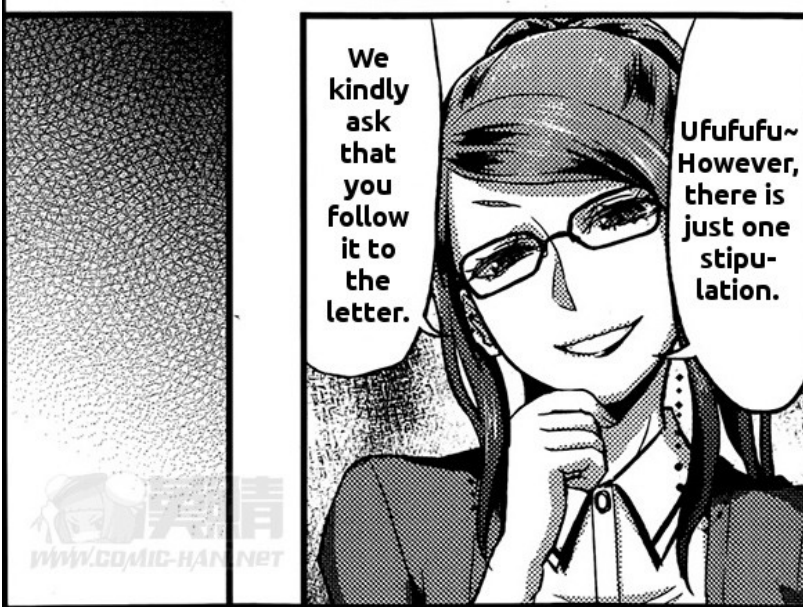

Such a beautiful person... is going to do this to me...!?

Lately, I haven't offered it to anyone. However, if it's Fujisawa-sama... Ufufu

I, the manager, only offer the special course to certain customers.

Her foot...

We kindly ask that you follow it to the letter.

Ufufufu~ However, there is just one stipulation.

Is she... serious...!?

Now that I've explained the special course, would you like to make a reservation?

They told me that wearing the chastity belt was required to accomplish that.

The special course aims to provide "the ultimate relaxation".

This was the stipulation.

I've worn this chastity belt for a week.

Ah... Amazing... What a wonderful odor...

Wearing this for one week must have been tough...

Today, we'll devote ourselves wholeheartedly to relieving your stress.

Steam?

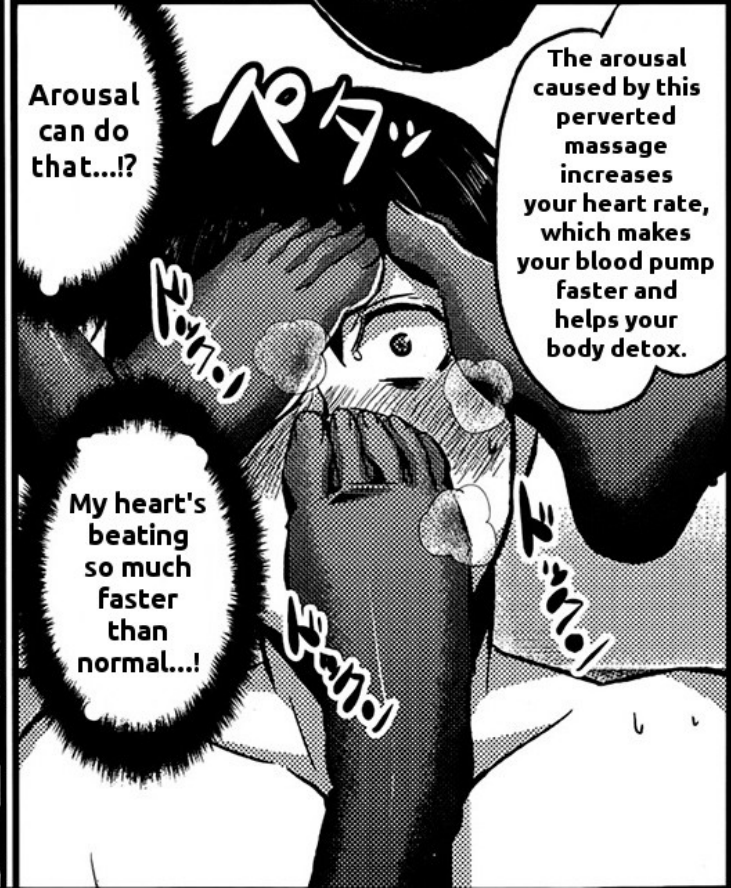

Is everyone ready?

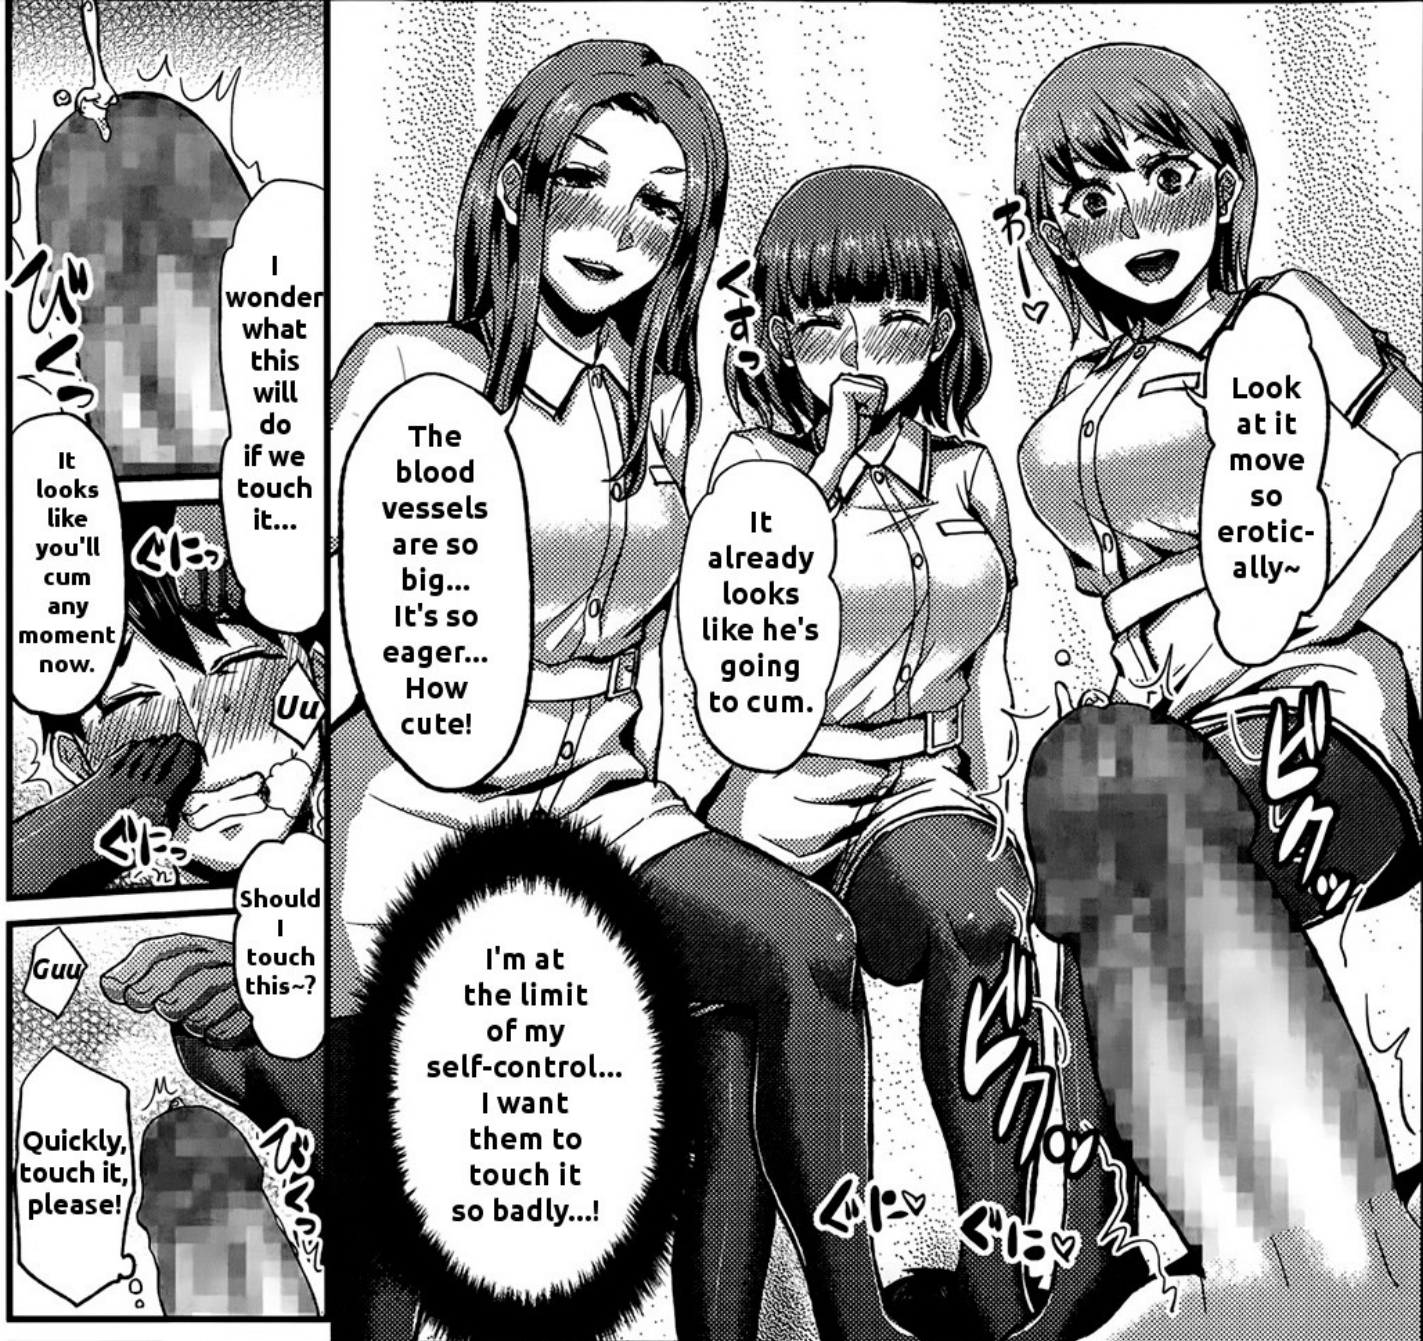

First, we'll start off with steam.

Ufufu~ Well then, shall we get started?

Manager, it's too embarrassing...

The manager's love juice is flowing directly into my mouth...!

Make sure you drink it all up.

Look... Your reaction was so cute...

It made me become like this.

Ah! No fair, Manaka! I want to lick them too!

These nipples are so hard... I'm going to lick them.

I'm getting dizzy from the smell and the love juices...!

Everyone, you know what to do.

Yes, ma'am!

I'll take this.

You two really like nipples.

When they're this hard, you just have to lick them.

In order to help you spurt out lots of cum...

I'll fondle your balls like this...

They're attacking all of my erogenous zones at once...!

Any more of this... and I'll...!

If I tease your thigh with my foot...

Many people have an erogenous zone on their inner thighs.

Ufufu... You're shivering with excitement.

How does it feel so good? That's an erogenous zone...!?

Please... let me cum...

Wow, he's crying!

Ahaha! He looks so pitiful.

Did we torture him too much?

Please... I beg you... Please let me cum...!

Guu

Actually, we've been teasing you more than usual.

Sorry...

Ahh... Fujisawa-sama's crying face is so cute.

Well then, let's continue with our regular treatment.

Yes, ma'am!

They're each moving to a different sensitive place...!?

Everyone, you know what to do.

We're going to get intense soon~

Ufufu

Stand-by OK, manager!

I wonder what face Fujisawa-sama is going to make. Anyways, we're starting~

Oh crap...! If they start rubbing me like that, I'm going to lose my mind...!

Kuu

They're only touching it, but the stimulation is this strong...!?

Ready,
steady,
GO!

Mnnggff!?

You've
endured
so much,
now cum!

I'm...!

Ua

His
sperm is
pushing
out the
urethra!

Manager,
he's
going
to cum
any
moment
now!

The
stimulation
is so
strong that
I'm going
to pass
out...!

Ha

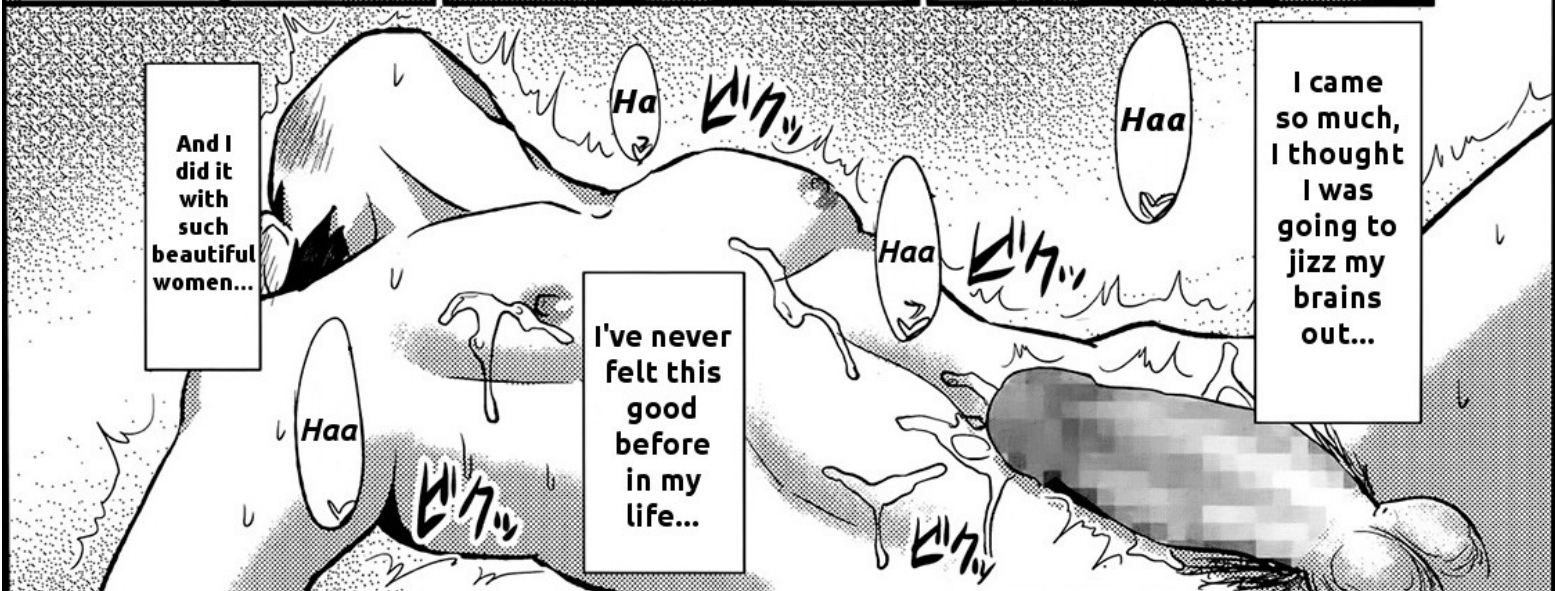

Ha

However, there's still more, so let's squeeze the rest out.

Ufufu~ You've detoxified so much.

I'm still sensitive from cumming, but the four of them are already...!?

Uwaaaaa!!

Guu

Fujisawa-sama... Endure it just a bit more...

Ha

Hnggg!

After we make our guests cum,

You'll be so cute~

even the manliest of men become like girls.

Ahh

Uwaa

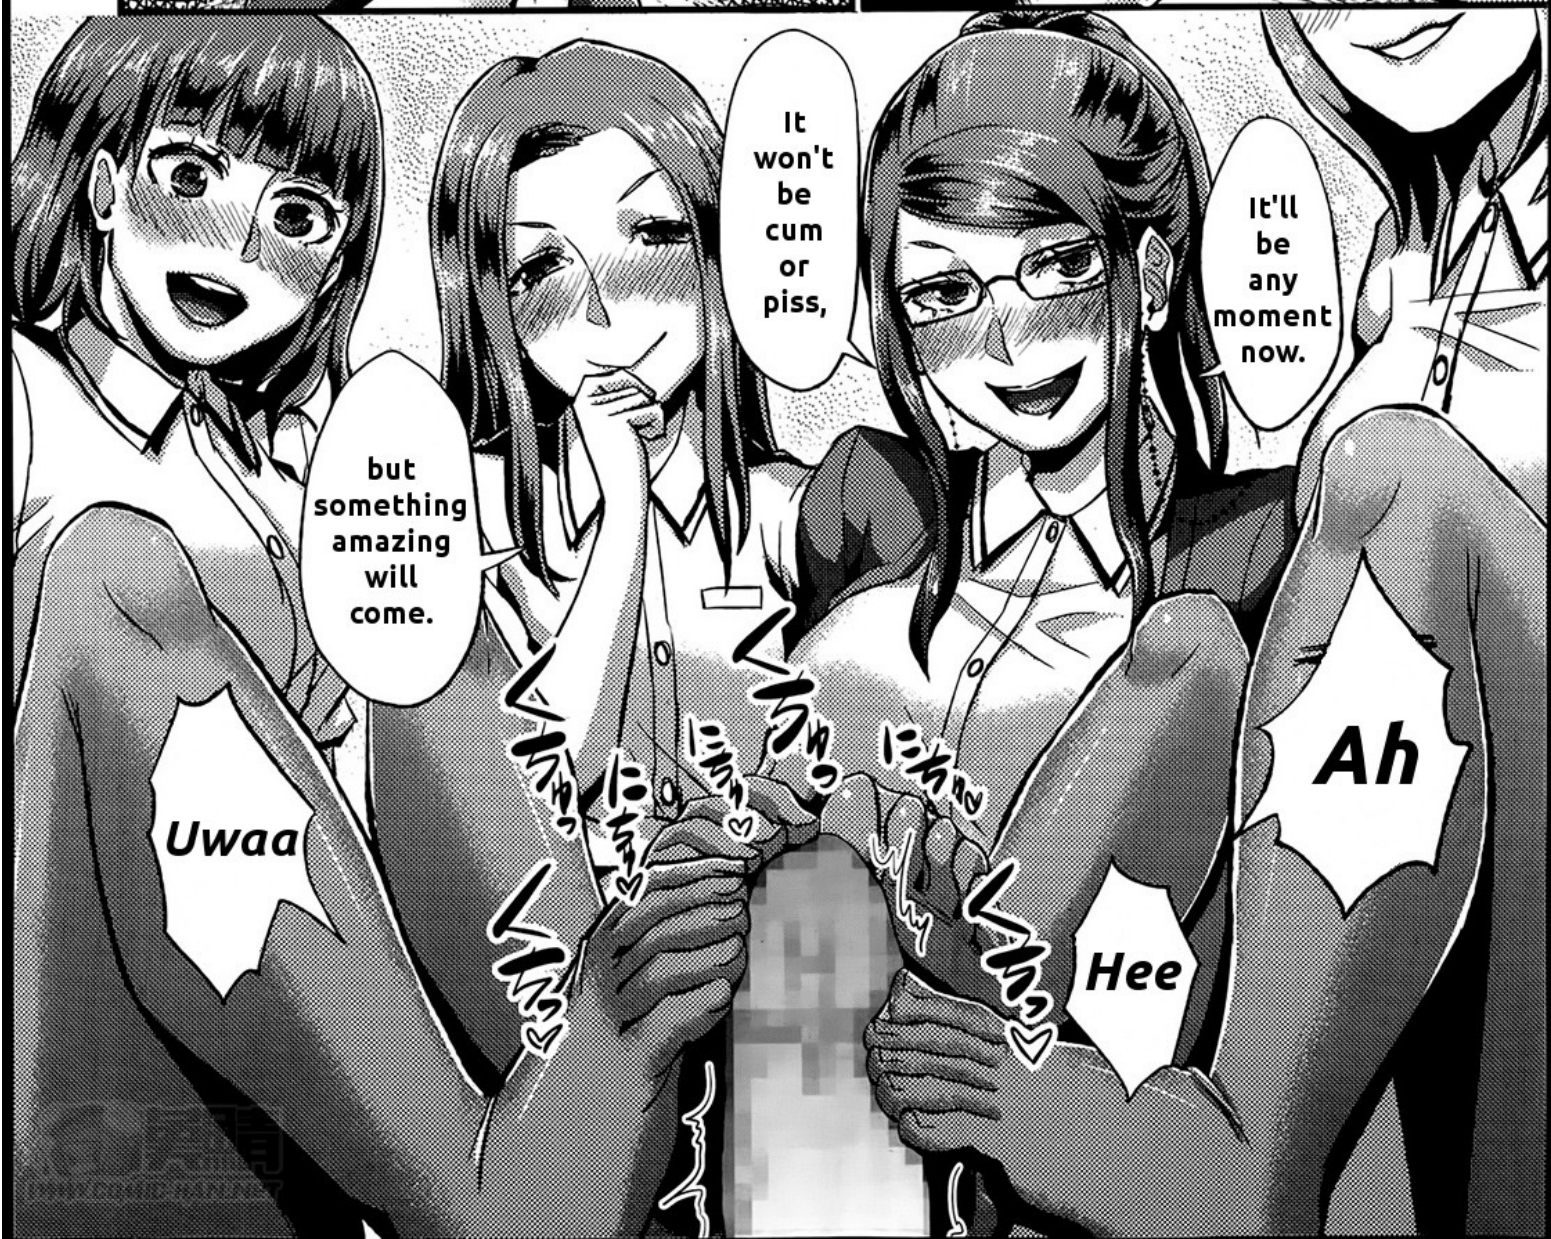

It's steadily gathering at the tip of my penis...

No way...! I've never felt this sensation before...!

What...!?

The bottom half of my body is slowly getting hot...

but something amazing will come.

It won't be cum or piss,

It'll be any moment now.

Uwaa

Hee

Ah

**I'm
cumming!!**

You
look...
satisfied.

I don't
think I
can live
without
more of
these
therapies...

Ha

Ha

Ah

You're
jizzing
nonstop...

Amazing...

Ah

We can stay like this until you wake up.

Please enjoy your afterglow.

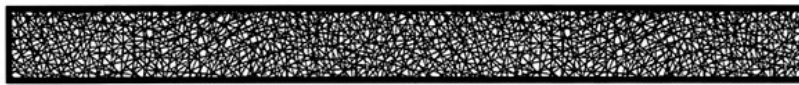

Ufufu

This sensation will last for ten more minutes.

Ha

Ha

Good job enduring our special course.

Would you like to make an appointment for your next visit?

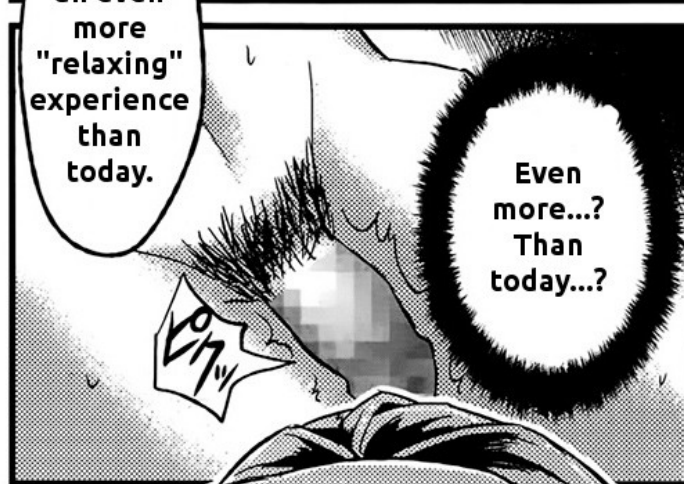

Ufufufu Good morning!

It looks like you're thoroughly detoxified.

Ah...

Next time, you'll get our Special Course B.

It'll be an even more "relaxing" experience than today.

Even more...? Than today...?

It looks like we don't have any openings until... next month.

Ah, I see...

Of course, you'll have to wear a chastity belt starting today.

Ufufufu Understood.

Well then, do your best to persevere for a whole month!

Um...

I'll be in your care.

End
